Chapter 791: Shameless to the top

Ye Youyin might become a special fighter. Since she had the opportunity, she couldn't take such a big risk.

Unless, she has the motive to get rid of An Xia.

what is that?

I kept thinking, thinking, and finally staying in a certain night.

That night, An Xia met with the captain of a special team, and Ye Youyin tried to get closer.

Later, Ye Youyin specifically sought out herself and inquired about two special teams.

It has been mentioned many times that she wants to be a special fighter, and she also said that she wants to talk to the special fighter who is talking to Anxia.

At that time, I also felt that she was a little bit wrong, but didn't think much about it, thinking she was pure jealous, and wanted to rush out to show herself.

Now that I think about it deeply, I'm afraid that the inside story is very deep.

Opening his eyes, Fu Siling said coldly, "Speed up."

He is going to find An Xia.

Perhaps An Xia can give him the answer.

An Xia seemed to know that Fu Siling would come to look for him. Seeing this, he said directly: "I know what you want to ask."

"I met Ye Youyin. She thought I didn't recognize her and pretended to be close to me."

"I have something to do with her. Her grandmother is the current old lady Ye, and my grandmother is the current old lady's cousin. The husband of the two: Elder Ye."

Fu Siling understood a very complicated relationship.

It's how to listen to this relationship, which is very familiar.

Squinting his eyes coldly, he said, "Are you talking about the Ye Family in Capital City?"

"Yeah." An Xia nodded, seeing disgust flashing across Fu Siling's face, Liu eyebrows raised slightly, "Look, you and the Ye Family have a holiday too?"

Fu Siling sneered, "The Fu family and the Ye family are indeed having a feast. My cousin, Ye Jian, was almost corrupted by your Ye family."

An Xia has been automatically designated as the Ye family.

An Xia: "..."

There is a national curse, I wonder if I can curse it.

Jade Bird, was wronged by the Ye family?

"Please pay attention to what you say, thank you, I have nothing to do with the Ye Family." Very disgusted, just want to clear the relationship with the Ye Family.

Fu Siling's thin lips straightened.

Do you say it doesn't matter if it doesn't matter?

It's not from the Ye family yet.

An Xia was angry, "My mother, I was abused by the current old lady Ye, I have a family feud with the Ye family, understand?"

...

Fu Siling was bluffed by the anger on An Xia's face.

Got it, got it.

That is indeed a family feud.

Like him, he didn't like the Ye family very much.

An Xia wanted to know that Blue Bird and the Ye Family had a holiday, "Can you tell me about Ye Jian and the Ye Family?"

Looking back on the past, Fu Siling's face was so stinky, An Xia knew that the Ye Family was absolutely shameless to the top.

"They forced her to recognize her ancestor and return to her ancestry."

????

!!!!

????

!!!!

Did she hear me right?

Did you hear me wrong?

"You will meet with her next time and let her tell you. I don't want to mention Ye's family, and it's nauseous!" Fu Siling mentioned more, and he found his mouth dirty.

After finishing speaking, I took an extra look at An Xia.

Belly defamation: Also from the Ye family, she is more pleasing to the eye than the shameless faces of the Ye family.

An Xia didn't notice it. It took a long time for her to slowly come over, exclaiming:

"Xia Guo's rich family, the threshold is really low! Bloodlines can be confused."

Unheard of!

For those European countries, the bloodline is important.

It is absolutely impossible to confuse the blood that they consider to be noble.

Unexpectedly, Xia Guo's rich family rushed to confuse.

Fu Siling corrected his expression blankly, "Please pay attention to what you say. It is not the rich family of Xia Guo, but the Ye family. If you talk about the Ye family, refer to the Ye family, target him, and don't pick up other rich family."

"Sorry, I'm quick to talk." An Xia accepted the correction, um, it can't be generalized.

Mu's family is fine!

Chapter 792: It turns out to be stupid, it's inherited

An Xia didn't know much about the Ye family, mainly because he didn't have much time to understand.

Only through Mu Chenyuan knew something.

Every time she knows something, she will despise the Ye Family, ridiculing "" "The Ye Family is a bit stupid. Whether Ye Jian belongs to the Ye Family or not, you will know by doing a DNA test."

Fu Siling took a deep breath, "They did. They came to visit with the DNA test report."

An Xia blinked, "Fake it."

"right."

"It turns out to be stupid. It's inherited." An Xia sighed, finding the root of why Ye Youyin was so stupid.

The roots are stupid, but still expecting to give birth to good or not?

"What happened later?" she asked with interest.

Fu Siling didn't have the interest to say more, and said coldly: "An Xia, it's me asking you now, not you asking about others."

Oh.

Sorry, I made a mistake.

With a clear cough, An Xia smiled, "Come on, you continue to ask."

It can be done to force people to recognize their ancestors, but what else can't be done by the Ye Family.

Fu Siling immediately asked, "Do you know Ye Youyin and your boyfriend? Are there emotional entanglements between you?"

An Xia: "..."

Tired, don't want to say.

Her man was worried and unhappy.

After a while, An Xia said with a blank face, "She looked at my man and treated me as a rival in love. She wanted to get rid of it and then hurry up."

Fu Siling was silent.

Ye Youyin came from the Ye family, what kind of man is there?

Why do you have to look at An Xia's boyfriend?

"Your boyfriend is handsome?" asked very shallowly.

Except for this, he can't think of other reasons for the time being.

Anxia twitched her lips, "I only like handsome ones."

After speaking, he glanced at Fu Siling.

Suddenly Fu Siling's heartbeat accelerated.

She, her, her, what kind of look in her eyes?

"What are you looking at?" asked sullenly.

"You look handsome," An Xia told the truth.

He is handsome, has good abilities, and is very pleasing to the eye.

The answer came so unexpectedly and so honestly that Fu Siling was also stunned.

Afterwards, Jun Yan said dryly: "Thank you."

"You're welcome, it's the truth." An Xia was calm and comfortable in boasting in person.

On the contrary, Fu Siling was even more unnatural.

He, cough...

This is the first time I was praised by a girl, um, by a girl in person.

Also boast so sincerely.

Handsome?

Blowing wind and sand every day, clawing at the sun, your face will be rough no matter how handsome it is!

The eyes floated for a while before he said: "So handsome that she wants to kill you and grab someone. Given her origin, it shouldn't be the case. Besides, you are still sisters."

He looked at An Xia, his voice was very low and deep, "There must be other reasons, please think about it."

"She didn't think about people, but surnames."

"Not to grab someone? To grab a name?" I don't know if it was interrupted by An Xia just now. Fu Siling hadn't taken his mind back at this moment.

I didn't close my mind, and my IQ also dropped.

Fortunately, An Xia did not leave her sleeves. "My boyfriend's last name is Mu."

"I know, I heard you call the Mu team several times that night, and I talked to him for a long time."

Fu Siling had just finished speaking, and then his eyes stared slightly.

Mu?

Mu?

Mu's house in the capital?

Mu, Jing, Xia, the three major ceiling-level powerhouses in the capital!

Mu's family!

Through his expression, An Xia knew that he had thought of it.

"You guessed it, awesome."

Fu Siling was silent again.

Does this also require praise?

What is there to praise?

He didn't want to be praised at all.

After understanding it, Fu Siling said: "You take a good rest. The next step will be a single-person assessment. Don't be affected, and make good use of it."

After speaking, turned and left.

Chapter 793: Settled

An Xia was not affected in any way, and Ye Youyin was not even a visitor to her.

As soon as you leave, forget about it.

That night, the penalty for Captain No. 2 also came out.

Recorded and canceled the qualification for assessment.

The other eight combatants and Captain No. 3 were disqualified from the assessment, but they did not record them.

Captain No. 2 learned of his punishment, but he did not cry.

Knowing the result of the punishment of the members of the team, I cried.

The iron-boned man cried so much that he couldn't control himself.

Captain No. 3 was calm, tears kept in his eyes and did not let it flow out.

Relieved Captain No. 2, "Why cry? What is good to cry. The result is already considered light, and I haven't remembered it. We are not sad, you cry ass."

"It's I who hurt you, I really..." Captain No. 2 deeply blames himself. If he were stronger then, how could the members of the team be disqualified.

And Captain No. 3 can continue to stay to participate in the assessment.

All because of themselves, let them all stop this round.

He has no way to accept it, really has no way to accept it.

After a day of panic among the other fighters and Captain No. 3, now the results came out, but they were all at ease.

The knife hanging around his neck finally fell, so there is no need to worry about it.

"Captain, you really don't blame yourself, this punishment is really nothing to me, I am also on the list of elimination this time."

"The same is true for me. I am eliminated. Captain, you are already very good. We are very grateful to you. If you don't flick when a man has tears, don't cry."

"Don't cry or cry, Captain Brave, don't cry or cry."

The three members of this club were eliminated, and now the disqualified fighters are relieved.

The ability is not enough to support them.

After returning to the original team, they will deeply review themselves, strive to improve their strength, and have the opportunity to fight again!

Ugh! !

that is.....

There are no eliminated fighters who can be disqualified, alas...

You look at me and I look at you for the disqualified fighters. In fact, a few of them can accept it.

One after another said:

"Whatever you three look at, we have nothing to be sad. There is a little regret, but after all, I made a mistake. If there is a mistake, I will be punished. I accept it."

"I haven't eliminated this time. I will definitely be eliminated in the next round. At the end of this round of assessment, I am ranked 13th from the bottom. The next round of assessment will definitely be the bottom of the sword."

"Captain, if you keep crying, I didn't want to cry and I would have to be led to cry by you. Only then did I know that the captain can cry so much, I can cry even more than my girlfriend!"

Without Ye Youyin present, the members of the original No. 2 team were united as never before.

The result came out, and it was too late to regret.

I don't blame anyone, but I blame myself for lack of unity and serious individualism.

"Come on, brothers, don't know when to see you tomorrow, let's all give a hug!"

"Come here, take a hug, take a hug. They all have mobile phones, and we will contact you after you go out."

"That is required!"

The nine people formed a circle and stretched out their hands on each other's shoulders, leaving behind their last memories in this desolate Gobi Desert.

It's over!

A new day will begin again.

Learn from experience, make up for the shortcomings, and never make this kind of mistake in the future.

No one talked about Ye Youyin, or even mentioned her.

Everyone has a tacit understanding to forget this person and delete it from their own memory.

In the distance, An Xia Jingjing watched them crying and laughing, and her thoughts reached her previous life.

There used to be such a group of people around her, but later, they all disappeared.

Because their conflict of interest is too great.

Killing each other and being king is their ultimate goal.

Chapter 794: Grandma, I have to coax (ten more)

They will not cry over who is eliminated.

I will not blame myself for hurting anyone.

Endless, always calculating, in the end, someone won.

She won.

She used to be one of them.

Ruthless, unscrupulous in order to achieve the goal.

Have you ever felt guilt and self-blame?

Seeing Xia Guo's fighters crying and making trouble together, I vaguely feel that this is normal for them.

Walking together, there were crying, laughing, accusing, misunderstanding, conflict, and inadvertent tacit understanding.

Only by getting along like this can we get along with deeper feelings.

When you recall later, you should be able to remember each other's appearance.

It's not like she spent so many years with them. Thinking about it now, she finds that the faces of those who left are blurred in her own memories.

She couldn't remember what they looked like anymore.

The only memory is bloody.

Her blood was on their hands and faces.

Their blood was also stained on her hands and face.

It used to be normal to get along like that.

But think about it now, it's not normal.

There is no temperature to get along, only fight like a beast.

Everything is to live, for the throne of the imperial domain.

What if she wins.

In the end, it was not blown to ashes by a missile.

So, she actually lost.

The lord of the imperial realm today is An Qian.

The praying mantis catches the cicada, and the oriole is behind, letting An Qian sit back and enjoy her success.

If Ye Youyin had one-third of An Qian's cleverness, he wouldn't have left here so soon.

His own death is definitely inseparable from An Qian.

But beside her, who is the betrayer?

Who on earth is it.

The black eyes staring at the moonlight were cold, colder than the moonlight.

Enmity, she must be enmity.

An Qian would not want to step on her bones and sit on the throne of God's Domain.

Who wins and loses, has not yet been separated!

"An Xia!"

Qiao Jiquan ran all the way from the front, "Quickly, call the War Department, if you have something to look for."

It's Xia Houyu.

He came to ask about the situation.

An Xia said indifferently: "I don't have anything, she hasn't the ability to affect me yet."

Having said that, the voice was colder than before.

Xia Houyu asked, "Why doesn't it sound like it's too emotional?"

"Missing my mother, why, isn't it?" Choking back, choking to the side, Qiao Ji was dumbfounded.

Niu batch!

The seven-star warlords dare to choke!

Xia Houyu was accustomed to her choking, and she was not angry at all.

Thought An Xia really missed Ye Mu.

"I'll talk at that time, is there anything else? It's okay, I'll hang up." The Anxia boss only thought about the Emperor's domain, and he was always in a bad mood.

He didn't even look good at Xia Houyu.

Qiao Ji all leaned in Fu Siling's ear, and he was extremely shocked, and he whispered: "Niu, Ann! The seven-star generals dare to choke. I doubt that Xia Hou Zhan will be her father."

"Hey!"

"Ouch!"

Covering his head hurt by the folder, Qiao Ji could feel wronged.

He just said casually.

Fu Siling watched coldly, "Why don't you ask An Xia?"

"Forget it, hey, dare not, dare not, I'm afraid."

Georgie shrank his neck.

Don't know why, he is a little afraid of An Xia.

More scared than Lei Lian!

It's not the kind of fear that passes by in an instant, it's the fear in my heart.

Tan Shou, it is so inexplicable.

Xia Houyu was still very worried about An Xia, he was worried that An Xia would put up the burden and quit!

Speaking more carefully, "How about I turn around and let Shen Yuan contact you?"

Coax first!

"No." An Xia still refused, "I'm in a bad mood and I don't want to lose my temper at him."

Xia Houyu: "..."

So, lose your temper at him.

After a short silence, An Xia said coldly: "You ran into it yourself. If you are to blame, you should blame you for the wrong timing of the call."

Chapter 795: Here, dangerous

Xia Houyu had nothing to say.

It was his fault.

Picked the wrong time to call Anxia.

After the silence, Xia Houyu asked, "In a bad mood, do you need comfort?"

"I want to be quiet, thank you." An. Indifferent, handsome and cool. Big brother. Xia, upper lip touched lower lip, and spit out the words to make Fu Siling wipe the sweat. NS."

It's dangerous here.

As long as you are looking for a call from Mr. An Xia in the future, it is best to be empty in the office.

"Wait, don't hang up." Xia Houyu hurriedly stopped, "I have something to find Fu Siling."

An Xia immediately ended the call and turned to Fu Siling and said, "He is looking for you."

Next to him, Georgie looked at her with all admiration.

After An Xia looked over, she quickly pulled out a smiling face and sent the boss away.

On the phone, Xia Houyu told Fu Siling, "An Xia is not in a good mood, please pay attention to it, and report to me immediately if you have any feelings. You don't need to go through Lei Hongtao to understand."

"Understood." Fu Siling replied respectfully.

No matter how presumptuous he is, compared with An Xia, he is simply a good baby!

Super good baby!

Who would dare to be as bold as An Xia and choke the Seven-Star Warlord directly!

Don't kill me!

but.....

Fu Siling said again: "The report, An Xia looks normal, and she is not in a bad mood. The Ye Youyin incident did not affect her."

In the evening, I asked her to find out about the situation. Ye Youyin was not at all relieved in the language.

How could it affect her mood?

"You pay more attention." Xia Houyu was worried that An Xia would be affected. After the call, An Xia said that it was not affected, and basically it was not affected.

But her mood is really not very good.

She doesn't say, he is not easy to ask.

Only let Fu Siling pay attention.

In the next few days, Fu Siling paid attention to him secretly, and he paid more attention to it several times. An Xia took advantage of the rest of the evening and went directly to the office to look for him.

Fu Siling turned off the computer and raised his eyes, with a look of confusion, "I have nothing to look for you. Who do you hear that I have something to look for?"

Bastard, who spread the word indiscriminately?

"It's okay to look for me. What does it mean to look at me from time to time during the day." An Xia coldly said, "Because I have something to do with the Ye family? Or are you going to tell Ye Jian?"

Like surveillance, unhappy.

...

Big misunderstanding!

Fu Siling laughed, "No. Xia Houyu told me to pay more attention to you these days. He is afraid that you will be in a bad mood and affect the assessment."

It turned out to be so.

"You tell Xia Houyu, stare at me less, what I promised him, I will do what I said. Let him wait for me to go back to the capital and find him afterwards."

Just after speaking, someone fell over at the door.

"Cracking croaking", the fall was not light.

The two raised their eyes and looked over, it was Qiao Jiquan.

"I'm sorry, I'm sorry, I scared you. I thought about something, but didn't pay attention, and stumbled." Qiao Jiquan explained in pain when he got up.

My knee hurts!

After An Xia left, Qiao Jiquan dragged his injured leg, grinning and gasping, and leaned forward to Fu Siling.

With a lingering heart, he said: "Mom, why is Mr. An so awkward! She wants Xia Hou Zhanjiang to settle accounts, what accounts do you know? Do you know?"

The latter is the point.

I really want to know how Mr. An finds Xia Hou Zhanjiang to settle accounts.

Fu Siling was ready to pick up the folder and pat him on the forehead.

"Hey, I hide." Qiao Ji dodged flexibly and successfully avoided.

He thought he had succeeded in hiding. Unexpectedly, sitting Fu Siling suddenly turned his chair, raised his foot, and kicked over like lightning.

"Damn, the gentleman speaks but doesn't move, don't fight! I have something to say."

Chapter 796: Unfathomable

I flash!

I flashed right!

I flashed to the left!

"Oh!"

Qiao Ji, who was kicking his belly, immediately begged for mercy, "Don't ask, don't ask, please let Lingshen let it go."

When resting, the special fighters are also very lively and lovely.

Fu Siling took back his long legs after kicking and warned Qiao Jiquan, "You guys should ask less about An Xia and make comments. If something goes wrong, Lao Tzu can't save you."

Behind her is the Mu family!

The most famous Mu family!

Who has no vision to provoke her and seek death.

"I am commenting on her indiscriminately. That's a big boss, I don't dare. I'm just curious about what kind of family can train an excellent female fighter like An Xia."

Fu Siling also wanted to know.

To this end, he also deliberately recalled An Xia's personal data for review.

An ordinary divorced family.

Although his mother, Mrs. Ye, came from the Ye family, she was not favored when she was young.

An Xia himself said that Ye Mu had been abused by the current Mrs. Ye when she was in the Ye family.

From the personal data, I really can't see that it's special.

The only special place is that she personally told him that her boyfriend came from Mu's home in the capital city.

But it is impossible for the Mu family to cultivate Anxia all the time.

So how did An Xia become such an excellent one?

There is no solution to this question.

The Ye Family at this time also wanted to know.

Especially Mrs. Ye, who was so angry that her blood pressure was soaring, she pointed to his wife, Mrs. Ye Si, and yelled, "Did you **** say something unbelievable in front of the men and stir up the feelings of the family!"

"I told the fourth child early, to find someone to get the little bit out of the team, so as not to make you stumbling!"

"Okay, okay, very good! Where did you have the courage to say one thing and do another thing in front of me!"

"Every time I ask you, you said for a while that you are looking for someone, and you are already looking for it, and then you say that you will soon be news, and that little **** will surely be driven away soon?"

"Did you look for it? Did you help Young Yin? He was lying and coaxing me to play!"

"The curse of a bad family! It hurts You Yin, and even the whole family!"

On the morning of the fourth day, Mrs. Ye fainted on the spot when she received the news of Ye Youyin's disqualification from the assessment.

When she woke up, the first thing was to let Madam Ye San Lin Xian, the mother of Ye Youyin, order her to tie Madam Ye Si over.

Naturally, it was impossible for Mrs. Ye San to tie up her wife.

He politely invited people over and entered the hall. The expression on his face changed from smile to cold, and he ordered the servant to close the door and no one was allowed in.

When Mrs. Ye Si saw that something was wrong, she hurriedly took out her mobile phone to rescue the soldiers, but Zhai Ma next to the old lady twisted her backhand and pressed her to death.

When Zhai Ma shot, both wives were stunned.

They married into Ye's house for decades, and knew for the first time that Zhai Ma was capable.

Madam Ye San was terrified, and she knew even more that the old lady sitting in town was unfathomable.

Madam Ye Si immediately abandoned the resistance, and immediately laughed in a false alarm, "Mother Zhai, let go, I will go to see the old lady now. Alas, I was scared by my sister-in-law just now, thinking it was my sister-in-law using the name of the old lady. And me."

Zhai Ma has skills, the old lady never said.

The old immortal thing is really powerful!

Madam Ye Si was taken by Zhai Ma to the old lady's side. When the old lady saw her coming in, the porcelain cup with the bird's nest in her hand hit Madam Ye Si's forehead directly.

It was still **** when it hit Madam Ye Si's forehead.

People were also dizzy, and the old lady didn't hear what she was accusing.

Said she harmed Ye Youyin?

Do you harm the Ye family?

The conscience of heaven and earth!

How could she.

Leaning over, Mrs. Ye Si began to cry, "Old lady, I really resent you. Youyin is my niece, and the Ye family is my support. How could I be miserable."

"Where did you hear the wind? Wife-in-law will check it out! We must not let others break my relationship with your mother-in-law and daughter-in-law."

Chapter 797: Arrogant and domineering for a lifetime

He is not a vegetarian, he is good at singing and dancing.

Madam Ye Si's family is pretty good. When she marries into Ye's family, there is an old lady to deal with, and a wife to deal with it.

In the end, I needed to fight with the younger generation who grew up again. Without any means, I had been eaten by the Ye Family for a long time, and even the bones were gone.

I don't know why the old lady Ye got angry and started crying first!

This time, the old lady Ye was furious.

Hearing that, I don't believe a word at all!

"You wronged? Where did I wronged you? Oh, don't think I don't know what you are thinking!"

"Jealous Young Yin has the opportunity to marry into the high gate, and feels uneasy, thinking about squeezing her daughter to Jingmen too!"

"I'm pooh! What is your daughter, don't I know? She is crazy all the time, what great things can she do!"

Human minds are inherently biased.

The old lady has always loved the eldest son, and she also loved Ye Youyin, the eldest granddaughter who was smart and smart and had her own tricks when she was young.

Ye Lejing, who is also a granddaughter, is just so old lady.

I just haven't said it.

Speaking today, Madam Ye Si suddenly felt resentment in her heart.

Ye Youyin is a granddaughter. Could it be that she picked up her Le Jing from outside?

Crying and complaining, "Old lady, you say that, Le Jing knows how sad it is."

"She respects you the most. Every time she talks with me, she tells me to take good care of you."

"Also told me, I must respect you, what you say, I must listen carefully as a daughter-in-law, and can't make you angry. If you are angry, she will be uncomfortable."

"Old lady, Le Jing is not as good as Young Yin, but her filial piety to you is no less than Young Yin."

"How can you be so eccentric."

"How can you be so partial!"

This time, Mrs. Ye Si really made her debut for her daughter.

The true feelings were revealed, and the angry old lady knew that she had said something that she shouldn't have said.

"Okay! I just said casually, don't keep me away! This matter has nothing to do with Le Jing, don't sloppy with me!"

The old lady has been arrogant and domineering in Ye's all her life, and it is impossible for her to admit that she was wrong.

At most, don't mention it too much.

Madam Ye Si gritted her teeth secretly with hatred.

It was clear that she was involved in Le Jing, and now she said she was involved.

The old lady's method of inverting black and white is really high!

"Then you have to tell me what happened. Old lady, you must let me know. I followed my sister-in-law, and the sister-in-law closed the door immediately. This is the formation to kill me!"

"You are wise and savvy, and your daughter-in-law is a fool. She has always been by your side. This is where your daughter-in-law is today."

"You do it well, even if my sister-in-law wants to kill me today, before I die, can your daughter-in-law say something to understand?"

With that said, Mrs. Ye San raised her eyes, and she cried as soon as she opened her mouth, "Brother and sister, you can do it, too, leave a way for the sister-in-law's house."

After that, he knelt down to Mrs. Ye Si.

Madam Ye Si is also a strange person.

When a normal person sees someone kneeling toward him, he has to help a little bit.

But she is different.

Waiting abruptly for Madam Ye San to kneel down for herself, she cried out, "My sister-in-law, you really want me on this road, I will give it to you now, will it be possible?"

"Before you die, can you make it clear!"

"I am stupid. You are not as smart as my sister-in-law. I really don't know what happened."

She really didn't know Mrs. Ye Si.

Vaguely guessed, it is probably Ye Youyin's accident.

Isn't Ye Youyin in the team?

What can happen to her?

Chapter 798: Something happened, so good

It's up!

The old lady's baby, granddaughter, sister-in-law's jewel in the palm, and Ye Family's star of hope, something happened!

Ha ha ha ha ha ha ha ha!

God has eyes!

After tossing for so long, I finally tossed myself until something went wrong.

It's not in vain that she talked about it all day, and finally waited until this day.

Madam Ye Si was already overwhelmed with joy in her heart.

On the face, tears flowed as soon as they said, so I was not wronged.

Madam Ye San was so angry that she almost vomited blood.

How dare she kneel by herself?

Aren't you afraid of losing your life?

Old lady Ye didn't expect Madam Ye Si to make such an incident.

She, the old woman, is still alive, how can she land, she is no longer a mother-in-law in her eyes, and she intends to be the master of her own house?

The well-maintained hands patted the armrests hard, the old lady Ye went up in anger, pointed at Madam Ye Si's nose, and sternly, "You kneel down for me!"

The proud Madam Ye Si said that she would kneel and follow the kindness without resisting.

Kneel on your knees, it's not that you haven't kneeled to the old lady.

She is a mother-in-law, an elder, she is a daughter-in-law, a junior, it doesn't matter if the junior kneels to the elder.

Anyway, she made it!

Kneeling Madam Ye Si cried more sadly than anyone else, "Old lady, you have to call the shots for me, my sister-in-law wants to kill me, please see that I have been married to the Ye family for more than 20 years. For the sake of this, you can save your wife."

"Daughter-in-law is also a grandmother. She is a favorite in her natal family. When you marry into Ye's family, you also love me. Now you are treated like this by your sister-in-law. Old lady, do you let your daughter-in-law have a face to live?"

She tangled up and snarled, and Mrs. Ye gave her a headache.

He said, her voice was the only one in the whole hall, which caused her temples to twitch and hurt.

Said to Zhai Ma: "Go, shut her up."

"Old lady!" Madam Ye Si's eyes widened, she couldn't believe this was what the old lady said.

Gag her?

She is the fourth wife of the Ye family!

There is also a face!

Thinking that the old lady was frightening her, she was about to cry again, when she saw Zhai Ma actually walking towards her, Madam Ye Si backed back several times in shock.

"Old lady, you...you..." She didn't dare to say that the old lady was not the one. Mrs. Ye Si, who was backing away, was a little panicked.

Today, I will be gagged by Zhai's mother, enough for Lin Xian to laugh at her for a lifetime!

Mrs. Ye San was also shocked by the old lady's move.

Seeing the fear on Madam Ye Si's face again, Madam Ye San retracted her posture, buried her head, and sneered deeply at the corner of her mouth.

Noisy, you are noisy!

It makes me so faceless.

Zhai Ma moved forward and drew out the sweat towel she was carrying with her. Madam Ye Si didn't even have the strength to resist, and her mouth was blocked by the sweat towel strip.

"Uhhhhhhhhhh..."

Madam Ye Si was really shameless this time.

People in their 40s and 50s, grandsons are born, and I never thought that one day I would be gagged with a sweat towel.

Ashamed and annoyed, the eyes of Mrs. Ye San burst into flames!

A poisonous woman, a bitch, all day long just want to harm her family.

It's not a good thing to be born and raised!

At a young age, he knew that he would be harassed to frame his cousins.

I think I am smart!

Why did Le Jing go abroad?

Why not do business properly?

It's not that Little Poison Girl can't see that her sister is smarter and better than her!

Now that something has happened, it's all retribution!

retribution!

The more Madam Ye Si hated and the more annoyed, Madam Ye San felt more comfortable.

Mrs. Ye San, who was kneeling on the ground, covered the coldness in her eyes under the pretence of raising her hand to wipe her tears.

Fight with her?

After fighting for more than 20 years, it is still not in her hands.

Chapter 799: Why do women embarrass women?

This is to remind the old lady that your eldest son is now the only one who is promising in the team. If you don't come forward to protect the young voice, don't blame her for directly looking for your most promising son to come forward.

He is you decorating the door lintel, you can accept the door posts of the Mu family, Xia family, and Jing family.

Would the old lady know it!

With her own identity, even if she has become the Ye Family's mistress, it is difficult for her to catch the eyes of those truly wealthy families.

Thanks to the eldest son, Ye Yan, who has a good reputation in the team, those who look down on themselves and look down on themselves will also politely say a few words to her.

The eldest son can't come forward, and he can't hurt the eldest son again.

The old lady said coldly: "Do I still need your reminder? Every time something goes wrong at home, when did I trouble your house? Isn't it the old third family to come forward!"

Just looking for so much that Ye Zhuo didn't want to go back to the capital.

Every time he goes back to Ducheng, a bunch of elder brothers' homes require him to come forward, and he always stocks his own daughter, so he doesn't have the intention to take care of his niece!

The old lady didn't think so.

Granddaughter Ye Youyin is the only one in the family who hopes to marry into Mu's family, and the third family must be in charge!

Mrs. Ye Si saw that the old lady rarely said something for her, her eyes flushed and tears flickered.

"My uncle really has a lot of heart for You Yin, and You Yin also read about his affection. I also said before that if she succeeds in the team, she must help Le Jing."

"Old lady, You Yin is a child of Nian En, you and your uncle have devoted so much effort to her, she remembers it."

"Now that you have something wrong, the daughter-in-law doesn't know who can save You Yin, so she can only ask the old lady to be the master of You Yin."

As he said, he knocked his head.

Must kowtow, the old lady is the Lafayette in the family, begging her to do things, she must lower her posture, in order to satisfy the psychology of Lafayette who likes to be above everyone.

The old lady twirling the prayer beads did not let go.

She was still waiting for her youngest son Ye Zhuo to come over.

Ye Zhuo rushed to his brother's house from the head office.

As soon as I entered the hall, I saw my wife kneeling on the ground with a sweat towel tied to her mouth, her eyes couldn't help but sink.

In an instant, Ye Zhuo raised a smile.

He ignored his kneeling wife and walked straight to the old lady.

"Did she make you angry again? Don't be angry, she's a stupid, you don't know, don't hurt your body for a stupid anger, it's not worth it."

Squeeze the shoulder bones for the old lady, and said to Zhai Ma: "Mom Zhai, please help the fourth lady down. Don't let her annoy the old lady here."

On the surface, he is helping the old lady, but in fact, he is still helping Mrs. Ye Si.

The person next to the pillow is treated like this, what face does he have when he is a husband?

Mrs. Ye San also didn't want Mrs. Ye Si to leave like this. Upon hearing this, she sobbed and said, "Uncle, you can help the sister-in-law's family. If you act today, you are the reborn benefactor of the sister-in-law's family."

"Sister-in-law, you must first let me know what is going on. Also, let me help, you don't need to tie up my wife."

The voice was very cold, and there was no respect for the old lady just now.

The old lady didn't want her son to be embarrassed, so she raised her hand to tell Mama Di, "It's loose to the fourth lady."

The daughter-in-law taught a lesson, there is no need to embarrass the son.

The sliver of the sweat towel was loosened, and Madam Ye Si's tears shed more than Madam Ye San.

Said to her husband: "You should listen carefully to what's going on, don't you know what the sister-in-law was like just now, it seems that if my family doesn't take action, she will kill me!"

"Brother sister, the old lady is still sitting, if I really do, will the old lady leave it alone?" Madam Ye San headed back.

Ye Zhuo said to his younger uncle: "Please don't get me wrong."
