

THE REINCARNATED GODDESS IS FIERCE

Chapter 921 - Wins and Losses

Chapter 921: Wins and Losses

“So... I’m the Xia family’s daughter?” she asked, pointing at herself incredulously.

Was he kidding?

She had been thinking before that Xia Qinghan was Bai Meixue’s daughter, so what about Chang Qianzi’s daughter? What about the real young lady of the Xia family?

Had something happened to that child, or had she been sent away?

She didn’t even think of herself!

Now she understood why.

Bai Meixue had switched her and Xia Qinghan’s identities, and Xia Qinghan had become the young lady of the Xia family, while she had been bought by Dong Shulan.

Bai Meixue should have known her identity too. That’s why she and Xia Qinghan kept targeting her!

Thinking about it, Xia Xibei couldn’t help but laugh. This was too damn pitiful!

What was all this?

It was too vicious!

Qiao Yanjue hugged and comforted her, “We can ask her directly for clarification.”

Since they had found out, they were naturally not afraid to ask for clarification.

Xia Xibei gritted her teeth, "Yes, we must find out!"

These years, she had gradually let go of this matter, no longer letting her background shadow her present or stopping her from moving on.

However, when the truth was officially revealed, she was in shock! All the good feelings disappeared.

"I won't let her get away with it," Qiao Yanjue said to her.

Qiao Yanjue was heartbroken.

Xia Xibei had a very poor life for the first ten years, and her adoptive parents ignored her.

If this was her life, then only her parents could be blamed for giving birth to her and not giving her the life she deserved.

However, this life was set up by someone!

She should have been a young lady, living a rich and easy life.

Instead, her life was changed by people with bad intentions!

Even Qiao Yanjue, an outsider, felt angry.

However, when he thought about it, Qiao Yanjue laughed.

"Actually, I should be glad that she switched you."

Xia Xibei was in a depressed mood, and these words made her raise her head.

"What do you mean?"

Qiao Yanjue looked at her rounded eyes and couldn't help but give her a kiss.

"If you're Miss Xia, then you're Haoming's fiancée."

Xia Xibei paused for a moment, shocked.

Oh no! It was true!

If her identity remained the same, then she would have to be with Qiao Haoming.

Qiao Haoming was the kind of scum who liked to have his feet in all kinds of boats. If she was with him, she would be disgusted!

Thinking of this, Xia Xibei looked thankful.

“That’s indeed quite lucky.”

If it wasn’t for this matter, she would not be with Qiao Yanjue now.

By status, Qiao Yanjue was Qiao Haoming’s brother-in-law. She and Qiao Yanjue wouldn’t have any contact at all.

“So, you win some and you lose some.”

Qiao Yanjue patted her back and reassured her.

Being comforted by him in such a different way, Xia Xibei also slowly accepted the matter.

It was true that she had a bad time before, but it was alright for it to be bitter first, and then sweet!

As for Xia Qinghan and Bai Meixue, it was definitely sweet first and then bitter!

Thinking about what the two did to themselves, Xia Xibei’s eyes got even colder.

However, before they took the initiative to go talk about this matter, the Xia family came to their door.

“What did you say? I am your family’s daughter?” Xia Xibei looked at Chang Qianzi and Xia Qingxun in front of her, and Bai Meixue at the side, with a shocked face.

She was shocked that Bai Meixue had taken the initiative to explain the truth! She had to be kidding!

Bai Meixue had knelt down towards her with a thud, “I’m sorry! It’s all because I lost my mind that I did such a bad thing! I’m sorry!”

Chapter 922: Confessing Mistakes

Something was odd!

This thought immediately came to Xia Xibei’s mind.

With Bai Meixue’s character, how could she admit her identity so readily?

Moreover, Bai Meixue had been secretly making moves against her before, hoping to kill her, but now she was taking the initiative to admit defeat?

She admitted to what she had done, so wouldn’t Xia Qinghan not be the Xia family’s daughter anymore?

Although the Xia and Chang families were not as wealthy as the other large families, they were not too bad.

Being the Xia family’s daughter versus being Bai Meixue’s daughter were worlds apart.

What's more, Miss Xia was also Qiao Haoming's fiancée!

Under such circumstances, how could Xia Qinghan and Bai Meixue give away this identity?!

Moreover, when Xia Xibei was about to reveal this matter, they admitted to it first?

This newly found conscience was too coincidental!

"No more kneeling. I'm not dead yet." Xia Xibei took a step back and asked with a frown, "Where is Xia Qinghan? Is she awake yet?"

"She's awake."

Bai Meixue stood up from the ground and cried, tears staining her face.

"Awake?" Xia Xibei narrowed her eyes. "How did she wake up? Did you find out what's wrong?"

"No," Bai Meixue sighed, more tears flowing down her face. "When this suddenly happened to Hanhan, I panicked. I went to the temple. And then..."

"And then?"

"Then, I asked for a sign. The master who interpreted the sign told me that it was me who did something bad that caused Hanhan! After much deep thinking, I finally identified the mistake I had made. I have done a few wrongdoings over the years, and the most serious one is this one."

Bai Meixue had done a lot of crying scenes, but never one so pathetic and real as this.

If others had watched, they would have believed her sincere repentance.

However, in the eyes of Xia Xibei, who already knew all the circumstances, this bit of acting was too poor.

"So, you decided to confess this matter to wash away Xia Qinghan's sins?" Xia Xibei sneered.

Bai Meixue shuddered, but still nodded, "Yes, it's all my fault! It's because I thought wrongly back then that I did such a thing, causing you to leave your real parents!

"And it was all my own doing! I won't ask you to forgive me, because I know I was wrong! I'm sorry!"

Looking at the dramatic Bai Meixue, the curiosity in Xia Xibei's heart grew even more, covering up the previous sadness.

"After I confessed my mistake to Qianzi and the others, Hanhan really woke up, which also shows that it was really me who committed the sin!" Bai Meixue continued to cry. "So, you guys can punish me all you want, I admit it, but Hanhan is innocent!"

"Does Xia Qinghan know her own identity?" Xia Xibei suddenly asked.

"Um..." Bai Meixue choked for a moment. "She knows, but she only found out a while ago."

She wasn't lying about that.

"So, what do you want to do about it?" Xia Xibei asked again.

"I will ask Hanhan to return your identity to you. After that, I will take Hanhan and leave. And I can give you all the money I have earned over the years as compensation! I know this can't make up for your trauma, but it's the only thing I can do!"

Xia Xibei raised her eyebrows. She would even give payback; her attitude was really sincere!

However, the more Bai Meixue acted like this, the more alert Xia Xibei became.

Chapter 923: Forgive You

If it were anyone else, they might have been softened by Bai Meixue's words, but Xia Xibei was not.

Moreover, she knew more than what Bai Meixue knew, and she knew that Bai Meixue was lying.

She knew that Xia Qinghan was not punished by some sin, but was under a compulsion!

So Bai Meixue sincerely confessed, and Xia Qinghan woke up?

She was kidding!

Did she think a parasitic insect spell was so simple?

Before she could solve the parasitic insect spell on Qiao Yanjue, Xia Xibei had spent a lot of time.

She had struggled for quite a while just to find the Thousand-Layer Grass.

If she had to struggle, even with her strength, how could Xia Qinghan heal with just a confession?

Hah!

It was because of her understanding of the difficulties involved that she didn't believe Bai Meixue!

However, she did not act alarmed, but looked at her without emotion.

"That's it? That's all it takes to make up for all the years of suffering I've endured?"

"I'm sorry!" Bai Meixue bowed her head and said pitifully, "I know I can't make up for what I've done, but I've done my best! As long as it's something I can do, I will do it!"

"And what if I ask you both to quit the entertainment industry?"

"Well..." Bai Meixue's body trembled, and she carefully looked up at her before explaining, "I can quit the entertainment industry, but- Hanhan likes to be a star... Besides, this is my fault and has nothing to do with her. If you have any complaints, you can come to me. Just please let her go!"

When she said that, she was like a good mother who loved her child.

In fact, she was indeed a good mother, helping Xia Qinghan find a good family with such dedication.

However, she shouldn't have done this by taking away the happiness of other children!

"Then how can you make it up to me?" Xia Xibei asked.

"I can give you... Five million!"

When she said this, Bai Meixue's heart was dripping blood.

Although she was a big star and earned a lot, she also spent a lot.

Moreover, she still had to support a team and buy all kinds of clothes and jewelry.

"This is my savings over the years." She smiled bitterly, "You know, actually, we don't make much money..."

"That's good. But I also want your shares of SY, and you and Xia Qinghan both have to leave SY."

Xia Xibei's words made Bai Meixue look up sharply.

“That’s it?”

She didn’t have many shares in SY. After all, the company wasn’t big and the dividends weren’t much.

Moreover, even if she left SY, she could still go to other companies.

She may not have any money, but she still had her contacts!

“That’s it.” Xia Xibei hugged her chest and looked at her indifferently. “Five million, the shares of SY, and both of you leaving the company. After these things are done, the matter will end. However, if you still dare to do anything after that, don’t blame me for being ungracious.”

Xia Xibei was going to refuse the money, but after thinking about it, why should she? Why not take the money delivered to her door?

After she accepted Bai Meixue’s money, Bai Meixue would definitely be relieved.

However, even if she accepted the money, it didn’t mean that their feud was over!

Bai Meixue did not know what was in Xia Xibei’s mind. She only knew that Xia Xibei had really let the matter go and was instantly overjoyed.

“Thank you! Don’t worry, I definitely won’t do anything else!”

Xia Xibei chuckled to herself. While Bai Meixue dared to say these words, she didn’t dare to believe them.

After settling the matter of Bai Meixue and Xia Qinghan, Xia Xibei then turned to look at Chang Qianzi and Xia Qingxun on the side.

“You are my mother and brother?”

As soon as those words came out, Chang Qianzi couldn’t hold back her tears anymore.

Chapter 924: Waking up From a Nightmare

Chang Qianzi felt as if her life was like a dream, the first half of which was a nightmare.

She never thought that her daughter, whom she loved so much, would suddenly fall asleep and not wake up.

When she woke up, she found out that her daughter was not her daughter at all, but her best friend Bai Meixue’s daughter!

Chang Qianzi now understood why Bai Meixue would be so kind to Xia Qinghan; it turned out that she already knew Xia Qinghan's identity!

When she knew the truth, Chang Qianzi felt that her mind had gone blank and her whole world was turned upside down.

She had thought that it was a prank, but when Xia Qingxun produced Bai Meixue and Xia Qinghan's DNA test certificate, she realized that it was real!

If Xia Qingxun hadn't been standing by, she might have passed out.

If Xia Qinghan was not her daughter, so where was her daughter? Where did she go?

Without waiting for Chang Qianzi's angry questions, Bai Meixue quickly told the truth.

She then realized that Xia Xibei was her daughter!

Xia Xibei?

The pretty girl she saw at the company before! So she was her real daughter!

Only after Bai Meixue's explanation did Chang Qianzi finally understand the situation back then.

Her own daughter had been swapped out by Bai Meixue and replaced with Xia Qinghan!

Her real daughter had suffered for so many years!

If her body could have withstood it, Chang Qianzi would have already made a move against Bai Meixue.

Bai Meixue was too vicious!

Why had she always regarded Bai Meixue as her friend?! This person turned out to be horrific!

This was a nightmare!

Fortunately, her real daughter was back, alive and well, and she was beautiful too!

Looking at Xia Xibei in front of her, Chang Qianzi's tears couldn't stop flowing. Seeing her crying so badly, Xia Xibei was a bit at her wits' end.

"Um... Please don't cry...."

She herself did not like to cry, but she also did not like others to cry, much less making a move to comfort those who did.

However, Chang Qianzi was her biological mother and crying for herself, so she couldn't exactly yell and tell her not to cry, right?

"Mom, don't cry." Xia Qingxun put his arm around his mother's shoulders and coaxed her, "We have found your daughter. You should be happy."

Seeing his mother crying so intensely, Xia Qingxun's feelings were mixed.

When Xia Qinghan woke up, he didn't want to tell the truth so soon.

It would be better to wait for Xia Qinghan's health to get better.

Unexpectedly, Bai Meixue found her conscience and told the story first!

In order to prove that Bai Meixue was right, he took out the identity certificate he had made before.

He didn't say anything except the necessary proof to convince his mother of the matter.

For example, he said nothing about the fact that Xia Qinghan's biological father was his own father, Xia Jun.

His mother's health was not good. If this matter was exposed, she would not be able to bear it!

The daughter she has raised and loved for so many years was born to her husband and lover, and also occupied the place of her own daughter. It was something that no normal person could bear, let alone the frail Chang Qianzi.

So, Xia Qingxun could only endure it.

Anyway, what should be done now was that they let Xia Qinghan leave and get his sister back.

Only, he didn't expect that his sister would be Xia Xibei!

Could such a beautiful and outstanding girl really be his sister?

What was even more amazing was that she grew up in such a poor environment, yet she was even more outstanding than Xia Qinghan!

Chapter 925: The One Who Started It All

After being comforted, Chang Qianzi stopped crying, but she firmly held onto Xia Xibei's hand, afraid that she would disappear again.

Being so treasured, Xia Xibei's heart softened.

There were many people who loved her now. She had friends, a lover, and fans, so she didn't care about her parents' affection anymore.

However, the fact that Chang Qianzi cared so much about her also warmed her heart.

It was better for others to be kind to her than to be malicious.

Chang Qianzi wanted to have Xia Xibei call her "Mom," but she knew that it was too early.

So, she could only hold back her sense of urgency and smile at Xia Xibei.

"I'm your brother, Xia Qingxun."

Xia Qingxun was also a little nervous.

He had been in the business world for several years, but in front of this kind of thing, he couldn't be calm either.

"Hello," Xia Xibei greeted him politely.

A mother and brother had suddenly appeared, and she had reacted in such a polite way.

Xia Qingxun was slightly disappointed at her reaction, but Xia Xibei did not reject them, which was already a good start.

Thinking of this, he looked at Bai Meixue again, his eyes cold.

Xia Qinghan was his sister. Although they didn't share the same mother, they did grow up together, so their relationship was not the same. As a result, he did not want to do anything to Xia Qinghan. He only wanted her to give up her position as his sister.

However, the originator of all this, Bai Meixue, was not the same.

If it wasn't for Bai Meixue, they wouldn't have had to go through this and his sister wouldn't have suffered for so many years.

When he thought about what he had found out, Xia Qingxun hurt even more.

If Xia Xibei had lived a good life all these years, he would not have been so heartbroken.

However, she had lived so hard before. She couldn't even afford to eat meat at fast food restaurants!

Meanwhile, Xia Qinghan had been pampered and ate whatever she wanted.

All of this was because of Bai Meixue!

Although Xia Xibei accepted Bai Meixue's conditions and forgave her, Xia Qingxun could not let her off so easily.

For all of these years, she had cheated everyone's feelings, but also made Xia Xibei so miserable. If he forgave her, he would not be responsible toward the Xia family!

Faced with Xia Qingxun's cold eyes, Bai Meixue's heart trembled.

She knew that Xia Qingxun must know something different. The way he looked at her before was very off.

Still, at this time, how could she dare to say anything?

Moreover, when she was telling the truth before, she had already thought about this.

However, when she was really faced with this kind of attitude, her hands and feet became cold.

"Oh yes, your father has gone abroad on a business trip and does not know about this matter yet. When he comes back, I will tell him about this matter," Chang Qianzi explained to Xia Xibei.

Xia Xibei nodded her head without a reaction.

She didn't have any feelings for her so-called father.

Moreover, as far as she knew, Xia Jun was not a good person.

It was really unpleasant that her father was Xia Jun.

However, Xia Xibei didn't say anything. She was not a regular teenage girl, she didn't need to associate with him if she didn't feel like it.

"Beibei..." Chang Qianzi carefully called out. "Oh, I saw that everyone calls you Beibei. Is it okay if I call you Beibei?"

To Chang Qianzi's cautious attitude, Xia Xibei nodded, "Yes."

Chang Qianzi showed a satisfied smile, "Then, I will call you Beibei. Beibei, where do you live now? Do you want to come back to the imperial capital with us?"

Xia Xibei froze for a moment, then shook her head, "I have a place to live.. I don't want to go to the Imperial Capital."

Chapter 926: Compensation

Xia Xibei's refusal caused Chang Qianzi's face to turn grim again.

She was unwilling to go back to the Imperial Capital, so she still did not forgive her!

Xia Xibei must be resenting her for not watching over her!

However, it was true. If they hadn't been so negligent and careless back then, things wouldn't have come to this.

Eighteen years were lost between them and Xia Xibei! Eighteen years!

Xia Xibei had grown into a beautiful woman and no longer needed their care.

Thinking of this, Chang Qianzi's tears came out again.

"Don't cry!" Xia Xibei couldn't stand Chang Qianzi's tearful personality and explained, "I'll be a senior in high school next semester, and I have to take the university entrance exam. I'm afraid I can't keep up if I suddenly move."

This explanation made Chang Qianzi's mood a little better.

"Then... You don't have to go back to school in the Imperial Capital, but you can always come back to the Imperial Capital!"

"Back" to the imperial capital.

This word touched Xia Xibei's heart.

She didn't expect Chang Qianzi to accept her identity so quickly.

However, Xia Xibei had no sense of belonging to the Xia family and did not want to go back.

It was so sudden, so she couldn't fully accept the matter very quickly.

"Let's talk about it when I'm free," she said with a smile. "You know, I'm a star now. I'm very busy. Besides, school starts in a few days, so I need to do more while I can."

The glow on Chang Qianzi's face faded again.

She knew that Xia Xibei was indeed very busy and could not force herself at such a time.

Xia Qingxun also persuaded her, "Yes, mom. Wait for her to go back after the holidays!"

“Yes, that’s right.” Chang Qianzi nodded. “Work and study are more important.”

Xia Xibei smiled and nodded in agreement.

For her, work and study were indeed more important than them.

After talking to them for a while, Xia Xibei turned her head to look at Bai Meixue.

“Miss Bai, we can deal with the matter of compensation first.”

Bai Meixue immediately nodded, but her heart was very stifled.

Five million!

Although it wouldn’t ruin her, it was not much better.

All of this money would go to Xia Xibei!

What was even worse was that she had to give it with a smile on her face!

Looking at Chang Qianzi, who looked at her angrily, Bai Meixue bowed her head in shame.

“I’m sorry, Sister Qianzi...”

“Don’t call me sis!” Chang Qianzi interrupted her apology in a cold voice and took a deep breath before continuing, “From now on, I don’t want to see you and Qinghan again!”

She didn’t want to see either Bai Meixue or Xia Qinghan.

Bai Meixue’s face turned white and she nodded, “I understand.”

In fact, she also knew that this situation was already for the best.

If they were to expose the problem first, neither she nor Xia Qinghan would be able to get a good deal!

At that time, it would be lucky for there to be no revenge, much less any deals.

It was only because she took the initiative to apologize and tell the truth that there was such a peaceful resolution.

Therefore, Bai Meixue could only endure this situation, even if it was suffocating.

Soon, Bai Meixue transferred five million yuan to Xia Xibei, transferred her shares to Xia Xibei’s name, and also terminated the contracts she and Xia Qinghan had with SY entertainment.

After doing all this, she left.

Her departure shocked all of the SY company.

How could she leave without a word?

Usually, when an artist wanted to cancel her contract, there had to be a sign.

Moreover, Bai Meixue's status was not slight. How could she leave just like that?

Was she poached? What about the breach of contract?

People gossiped about the situation, but they couldn't guess the truth.

Chapter 927: Is She Leaving the Industry?

No one knew how Bai Meixue had suddenly terminated her contract, and even her fans were confused.

Was it possible that something had happened?

The reporters also wanted to know the reason.

However, they could not reach Bai Meixue, and the company's statement was that she had a new development and both parties terminated the contract peacefully. Both parties were fine.

This perfunctory explanation sounded fake.

However, no amount of speculation on their part could change the current situation.

After leaving SY Entertainment, Bai Meixue's whereabouts were hardly known.

Not only her, but Xia Qinghan also followed suit and kept a low profile.

Originally, she was still a member of The Shining Girls, but since she was in a coma, the girl group had slowly sidelined her.

That was normal. After all, she couldn't participate in activities, so of course she was slowly disconnected.

No one knew when she would wake up, and who would wait for her?

A week or two passed, and the group of five became a group of four.

However, the situation did not become much better after it became a group of four.

The group, as Xia Xibei had known in her previous life, had been in existence for only a month before all sorts of problems arose.

The group was originally put together randomly. The members did not spend much time together, and they were still in competition before, so there was no understanding, let alone harmony, among the members.

They acted very friendly in front of the camera, but when the camera stopped shooting, they couldn't control their dislike for others very well.

Also, a lot of things happened to the whole group, such as styling issues, arguments over who was number one, and fighting over resources.

Whatever the issue, the fans could quarrel over it.

When Xia Qinghan withdrew from the group, it was a blessing in disguise.

The other people in the group made such a fierce and ugly scene, but she was not implicated.

However, because she did not appear on camera and had no activity, her popularity slowly dissipated.

There were so many gorgeous men and women in the entertainment industry. When she had no promotion, her fans naturally went away.

Knowing that she terminated her contract with the company, the fans made a fuss. However, because of the small number of fans and the fact that other things were hotter, her news was quickly overshadowed.

With the termination of her contract with the company, what else could Xia Qinghan do?

People speculated, was she going to quit the industry?!

The students at her school were also confused when they found out that she had transferred to another school.

It was already her senior year, and she had transferred to another school?

By the time she appeared on the internet again, it was already mid-September.

"Garden of Youth" started filming in July, finished shooting in mid-August, was in post-production for a month, started promotion in mid-September, then started broadcasting in October.

Even in the entertainment industry, where fast food culture was prevalent, such a speed was very fast.

Could a drama produced at such a speed be good?

However, this was an urban idol drama, meaning there was no need to build any set, so it was normal to shoot quickly.

After the promotion started, Shi Shuhang and Xia Xibei's fans were so excited that they had to go see it just for the two of them!

After watching the preview clip, people thought it was not bad. At least the costumes and sets were pretty good.

The actors and acting were also good.

The only thing was that the female lead was Xia Qinghan, which made people speechless.

If only Xia Xibei was the lead actress! It would have been great!

However, after the show started airing, everyone had forgotten about Xia Qinghan.

Although the female lead was Xia Qinghan, the best and most dazzling part was still Xia Xibei!

She was a queen!

Her scenes with Shi Shuhang were too intense.

This was a great pairing of a fierce queen and a young stud!

Chapter 928: Unanimous Praise

Previously, except for the fans, people did not expect much from "Garden of Youth."

What show could be produced at such a fast pace and still be good?

However, after the show started airing, it quickly set off a rating frenzy.

Although the plot of the show was a bit terrible, it was entertaining- it was terribly watchable.

This idol drama opened the door to a new world for everyone.

This was when people realized that a terrible show could be very addictive!

Then they realized that they had unknowingly finished watching it!

The actors in the show became well-liked by the audience.

Here, the most popular was Shi Shuhang, who played the male lead role of Shangguan Cheng, and Xia Xibei, who played the female supporting role of Yu Qianjiang.

Moreover, people preferred the character of Yu Qianjiang.

She was domineering, a top scholar, had a powerful aura, and was just so impressive!

The similarly domineering male lead didn't seem as powerful in front of her.

Once in front of her, Shangguan Cheng was a little boyish, not showing a bit of his domineering side.

[Yu Qianjiang is so handsome! Simply handsome! I feel like I'm going to be gay for her!]

[Sister Qianjiang! Ow! My love! Ravish me and spoil me!]

[She is a true royal lady! So handsome!]

[Sister Bei is really Sister Bei! Even the role she plays is so dominant, so handsome! And Sister Bei's acting is so good!]

[Shi Shuhang is so cute! Hahaha! Especially in front of Sister Bei! He's so gentle and cute!]

[I was not expecting much from this drama. I just thought I'd watch it for a while, but I didn't expect it to be really good! Although some of the plot was... A little ridiculous, it was also quite emotional! So, if you have time, go see it. You will not be disappointed!]

[I like the male lead and female supporting actress together! Why does the male lead want to be with the female lead? I'm not convinced!]

[The female lead is Xia Qinghan. She seems to be gone for a long time, and even her blog has not been updated. Is she gone from the industry?]

[I don't care if she quit, but her acting skills are really... Her character is obviously a strong person, but she acted like a spiteful girl. I can't believe her! Look at the way she over-acted! Ugh!]

[Putting Xia Qinghan and Sister Bei together is just crushing! I'm embarrassed to comment!]

[Xia Qinghan's acting skills are a waste of the female lead character!]

[I like Yu Qianjiang's persona, she's powerful and direct! And I think Shangguan Cheng is really in love with her! That's why he subconsciously imitates her performance.]

[Agree! Shangguan Cheng is so in love with Yu Qianjiang that he imitates her domineering personality. However, when the genuine version appears, the difference can be seen.]

[When Shangguan Cheng and Chu Tong are together, there is no chemistry! I'm watching the plot, never mind that.]

[Does anyone else think that Xia Qinghan and Bai Meixue look alike? (picture)]

[I think I heard that they are mother and daughter?]

[Are you crazy! Stop spreading rumors!]

The internet was full of discussion about this drama, and they were clearly divided.

Xia Qinghan received almost all negative reviews, including some truly awful ones.

Shi Shuhang and other male actors managed to capture the hearts of many teenage girls, and their popularity rose again.

The one who gained the most was Xia Xibei, who managed to show everyone her acting skills and received unanimous praise.

At the same time, her domineering and imperial aura deeply impressed the audience.

The young woman, who had only recently become an adult, had quickly become the “male god” of many people’s hearts, and there were even calls for her to be the male lead.

Chapter 929: Going Abroad

Before, everyone was only impressed with Xia Xibei’s singing and dancing skills.

Now, everyone knew that she was also a good actress!

Or rather, her acting skills were superb!

The character of Yu Qianjiang had a perfect persona: beautiful, strong, and perfect in every way.

Such a perfect role, if not played well, would be considered Mary Sue-like.

However, with her interpretation, the audience could not help but like her.

She played a domineering and regal girl so vividly that people could not help but fall under her spell.

The young actors in this drama were almost all newcomers. After all, it was an idol drama and looks were important.

However, while viewing good-looking faces, people also wanted to see their acting skills.

If the acting was not good, it would make people feel embarrassed.

Xia Xibei's acting skills were the best and most mature among the cast, and on another level entirely.

With her present, everyone's eyes were on her.

She managed to show everyone what it meant to be the queen!

Everyone said that if there was ever such a perfect girl in their life, it must be someone like her!

In her previous life, Shi Shuhang's popularity exploded because he filmed this drama.

This time, Xia Xibei shared a lot of his popularity.

When he and Xia Qinghan were together, people looked at him.

However, when he was with Xia Xibei, people looked at Xia Xibei.

If it was any other actor, it would be easy to be upset with Xia Xibei because of this matter.

However, he was not.

Xia Xibei was the one who saved his life!

So, during one of the promotional events for the show, Shi Shuhang confessed that he also liked the character of Yu Qianjiang, and said that he himself was not worthy of Xia Xibei.

This statement managed to ignite everyone's attention and also triggered a series of arguments.

His fans felt that he underestimated himself and overestimated Xia Xibei.

However, no amount of bickering could affect his friendship with Xia Xibei.

Unknowingly, Xia Xibei's popularity had gone up another notch, and she was officially a viral star.

Her career was going well, but others didn't have such good luck.

As the lead actress of this drama, Xia Qinghan should have gotten more attention.

However, the situation was just the opposite.

The main character seemed okay, but her acting skills were not good enough to support this crowd-pleasing character. It just made the audience dislike her.

Moreover, she did not participate in the promotion, so how could her popularity rise?

So, when “Garden of Youth” finished airing, everyone else’s popularity and number of fans went up, but her popularity didn’t change at all.

Gradually, she was forgotten by everyone.

The memory of the entertainment industry was very short. Once you didn’t appear for a long time, it was easy to be forgotten by everyone.

When she was mentioned again, it was when “Shining Girls” disbanded, which was six months later.

The girl group had been in trouble. There was all sorts of negative press, and the group simply could not stay together.

When the girl group disbanded, Xia Qinghan’s name was brought up again, but the name was only brought up for a little while, then quickly passed.

When the girl group disbanded, the name Xia Qinghan also disappeared from everyone’s memory.

Some said she was dead.

Some said she didn’t die, just withdrew from the industry.

Some said that she left the country.

...

Only Xia Xibei knew that Xia Qinghan and Bai Meixue had really left the country.

It was unbelievable to her that they were sensible and left so quickly.

However, when Xia Qinghan left the country, she also left behind a mess-Qiao Haoming.

Chapter 930: Engaged Couple

Qiao Haoming and Xia Qinghan were previously an engaged couple.

The reason the two settled their relationship early on was because of the friendship between the two families.

Xia Jun met Qiao Weiyue when he was young, and after the two of them got drunk, they did the ancestral custom of marrying their unborn children!

After that, Xia Qinghan and Qiao Haoming played together as children. With this relationship, the two became an engaged couple as a matter of course.

However, now that Xia Qinghan's identity was shown to be fake and she was not the daughter of the Xia family, how could she continue to be engaged to Qiao Haoming?

Xia Xibei was the real daughter of the Xia family, so shouldn't Qiao Haoming's fiancée also be replaced?

Xia Xibei expressed absolutely no interest in this matter.

She had seen Qiao Haoming for who he was long ago.

To be with him? Ugh!

Xia Qinghan liked Qiao Haoming before, plus the Qiao family's wealth and power were tempting, so she was reluctant to break up.

Now Xia Xibei had become the daughter of the Xia family, so it was she who had to fulfill the marriage contract?

This was too ridiculous!

Xia Xibei firmly refused.

Besides, she didn't want to go back to the Xia family.

If Chang Qianzi and Xia Qingxun hadn't come to visit her so often and treated her so well, she wouldn't have wanted to see the Xia family at all.

Finding her parents was just a little remnant of her obsession.

Now that she had found her parents and knew that she was not abandoned, the little obsession she had left had completely disappeared.

After that, she was a brand new Xia Xibei!

There was no way she would let herself fall into a new pit.

While she wasn't interested in Qiao Haoming, Qiao Haoming came to be interested in her instead.

In the beginning, Qiao Haoming was also shocked when he learned of Xia Qinghan's true identity.

When he knew the truth and that his real fiancée was Xia Xibei, his heart started to stir.

Xia Qinghan was nice, but Xia Xibei was even better!

Whether it was the face, body, or anything else, Xia Xibei surpassed Xia Qinghan.

Before, Xia Xibei's shortcoming was her family.

However, Xia Xibei had become the daughter of the Xia family, so this shortcoming naturally no longer existed.

Now she could be worthy of him.

Qiao Haoming soon broke up with Xia Qinghan, who had gone abroad, and was bent on making Xia Xibei his own.

Such a change stunned even Xia Xibei!

She was simply dumbfounded!

The first time she saw Qiao Haoming come to her and condescendingly say they could be together, Xia Xibei was in shock!

He was out of his mind, right? Otherwise, why would he think she would like him?

He was supposedly deeply in love with Xia Qinghan before, and now he was in love with her?

This guy really thought that the world revolved around him, right?

"Since we are the real engaged couple, we definitely need to cultivate our relationship." Qiao Haoming had a confident smile on his face. "I've made a reservation at the Rose Restaurant. Let's go over there."

These were Qiao Haoming's original words, which left Xia Xibei speechless.

Where did he get the nerve?!

"Oh, get lost!"

Xia Xibei didn't care about him, turning around and walking away.

Qiao Haoming didn't catch up with her, and he didn't appear for some time afterward.

Xia Xibei thought that he had backed off, but to her surprise, after some time, she saw Qiao Haoming again!

This time, it was Xia Jun, her biological father, who connected them.
