

# GODLY CHOICE SYSTEM

## Chapter 10: Beating after provocation

When Fang Xuesong opened Li Yun and decided to go upstairs by himself, the system prompt sounded at an appropriate time.

"Ding, the host has made a choice, and the reward (Charm Value +15, Fang Xue's Favorability Degree 60, Skill: Trickling Skill) has been issued, please check."

The corners of Li Yun's mouth curled up, revealing a very nice smile, making Fang Xue, who had already walked a few steps and just turned around, stared in a daze for a moment, and Zhou Xianming was about to go crazy with jealousy.

This kid is so handsome, no wonder Fang Xue will be fascinated by him!

"Uh, Fang Xue, is there anything else?"

Li Yun secretly wondered, is the charm value of 20 so powerful? Let Fang Xue's cold school girl become like a nympho, don't smile later, the girls will become nympho!

As for the tricks of teasing girls, Li Yun ignores them, has a charm bonus, and is afraid that she won't be able to tease beautiful girls?

"Uh, we," Fang Xue lowered her head shyly, not daring to look at Li Yun's handsome face, and whispered, "We haven't exchanged contact information yet..."

Zhou Xianming and Lu Shan were already numb, and Fang Xue, the school girl of Zhicai High School, the cold and elegant Fang Xue, took the initiative to exchange contact information with the boys.

No one believed it!

After successfully obtaining Li Yun's mobile phone number, Fang Xue was content to leave, even ignoring Zhou Xianming, who was standing by.

Lu Shan let out a hey laugh and patted Zhou Xianming on the shoulder, "It seems that in Fang Xue's mind, your kid is not as important as this poor boy. This is not enough. Zhou Xianming, you have to work harder and try to get us Take the school flower from the class!"

Fang Xue is not Lu Shan's food, so he can be indifferent to school flowers.

Zhou Xianming had an ugly expression on his face, and Li Yun glanced at him faintly before turning around to leave.

"and many more!"

Zhou Xianming said with a sullen face, "Li Yun, right? I remember you!"

"Ding, trigger the option event, please choose from the host:

Option 1: Counterattack Zhou Xianming and reward several yuan.

Option 2: Beat Lushan, reward skill: Cunquan (Elementary).

Option 3: Do nothing and reward random gifts.

Option 4: Beat two people brutally after provocation, combine rewards one and two, and give an extra 100 points of strength. "

Li Yun was surprised, this time there are actually four options?

And there are a hundred points of power!

Elementary inchquan is also good. The skill levels are divided into elementary, intermediate, advanced, master, and \*\*\*\* level. The elementary level should be the result of ordinary people's learning for three to five years.

Looking at the two people in front of him, Li Yun's eyes flashed with a gleam, hehe, since the system's selection event, don't blame me for being polite!

"waste."

Li Yun said lightly to Zhou Xianming.

"what?"

Zhou Xianming looked suspicious, suspecting that he had heard it wrong.

"I, say," Li Yun paused and said arrogantly: "You Zhou Xianming is a trash, and you, Lu Shan, are also trash and scum!"

The two are influential figures in Zhicai High School.

Zhou Xianming started a company at home, with a net worth of more than 100 million yuan. In addition to his top ten in the school, he is very popular with some ignorant little girls and some cousins.

But those who are familiar with him know that Zhou Xianming likes to play with girls. After often playing, he even took a video to threaten each other. There was a big incident, but Zhou Xianming spent money to solve it.

As for Lu Shan, he is a bully on the sports field. He often takes people to challenge other classes, such as basketball, football, volleyball, etc., and will not let go if there is no fight. Once challenged, Lu Shan will rely on his physical fitness and laugh wildly on the field. Hit others severely.

Therefore, there is a playground where Lushan appears, and everyone dodges, for fear of being watched by him.

And now, Li Yun took the initiative to provoke him? !

The classmates passing by looked at him with crazy eyes.
