

## Godly Choice 1001

Chapter 1001: Go to the main entrance

The Song family has a lot of industries in Hengjia County, several companies, and several hotels, etc., with conservative estimates of assets of more than 3 billion, and it can be regarded as a rich man in Hengjia County.

When it comes to these, Li Qiaolan's eyes are full of envy.

"I probably know, let's go, let's visit the Song family!"

Li Yun nodded, and walked towards the gate of Song's house.

"Hey?"

Li Qiaolan was taken aback, "Are you going to the front door?!"

The Song family has been passed down for centuries and still retains the ancient habits. The gate is only for some important guests in and out, and everyone else uses the side gate.

So Li Qiaolan came to Song's house for so long and had never walked through the front entrance.

"Of course, why don't you go through the main entrance?"

Li Yun smiled faintly, ignoring Li Qiaolan's surprised eyes, and came to the thick mahogany gate of the Song family.

"Stop, who are you?"

There was a nursing home in front of the door sitting and dozing off. After seeing Li Yun in the dim, he immediately woke up and shouted: "Do you know what this place is? This is the Song's house. Those who come to visit will report their name!"

"My name is Li Yun, and I am here to visit Master Song's house today."

"Li Yun? I haven't heard, which school are you from... Wait!" After seeing Li Qiaolan behind Li Yun, the nursing home suddenly understood: "So it's you, hehe, you're the third one. Brother? Go away!"

Small. Three?

Li Yun gave Li Qiaolan a meaningful look. The latter blushed and scolded angrily at the nursing home: "What are you? You dare to call me three? Believe it or not, I called Chang Zhang to fire you?! "

"Hahaha, I really laughed at me, just a little. Three, think you are Mrs. Song family? I advise you to be sober and sober, don't burn your body, you don't know how to die!"

The nursing home sneered, but Li Qiaolan was stimulated by his words, and a look of horror flashed in her eyes.

Li Yun frowned slightly. It seemed that after Song Yuan's parents died, the Song family was really not very peaceful.

Looking at the nursing home, Li Yun said calmly: "I am not Li Qiaolan's younger brother. It is just a coincidence that I came with her. Please go and report it and say...the palace diners Li Yun came to visit."

Diners, in the old days, refer to the doormen who send food to the rich and expensive homes and help out.

In the idiom Maosui self-recommended, Maosui is a diners.

In the arena, a diner is equivalent to taking advantage of a certain family, but not entirely dependent on that family.

Although Li Yun didn't have any formal agreement with the palace family, his relationship with Gong Lian Yi Gong Qingyu was unusual, and there was no problem saying that he was a diners of the palace family.

Surprisingly, the nursing home did not know the palace family, and behaved very impatiently.

"Gong family? Which palace family? Walk around, no matter which family's diners you are, now the Patriarch of the Song family is entertaining distinguished guests, and there is no time to entertain you!"

The nursing home is not afraid of Li Yun, it's just a diners, and not an elder or deacon.

"Ding, trigger the option event, please choose from the host:

Option 1: Directly break into the Song family, reward experience value +300,000, free attribute points +1000, blue gift bag\*1.

Option 2: Follow Li Qiaolan, reward skill: Xiaobailian eat soft rice.

Option 3: Leave in embarrassment, no reward. "

Li Yun's expression was stagnant, and Li Qiaolan suddenly understood that the man in front of him was not from a martial arts family. It is estimated that he was a wealthy second-generation family and had nothing to do with Jianghu.

"Hehe, handsome guy~" Li Qiaolan showed that kind of attractive expression again, and said with a smile: "Would you like to go in with your sister?"

"Go to the side door?"

"Otherwise? Do you want to go to the main entrance?"

Chapter 1002: Who are you

Li Yun smiled faintly, and walked forward, "I really want to go to the front door!"

As he spoke, he had walked up to the nursery in a vigorous manner, his eyes were indifferent, and he did not pay attention to the sturdy gatekeeper in front of him.

"Boy, you are looking for death!"

The nursing home was furious. As a thug of the Song family, he didn't know how many people were fawning when he went out. How could he allow this young man who is under twenty years old to be presumptuous?

He violently picked up a dark wood stick placed by the wall and slammed it down against Li Yun's forehead, without any mercy!

The club made a whistling sound, and Li Qiaolan's face turned pale. When the club went down, the head of the rich second generation might be blooming, right?

"Snapped!"

At the next moment, what Li Qiaolan heard was not the sound of a dark wood stick hitting his forehead, but a clear and sweet sound, like a slap hitting a person's face.

With a scream of "Ah", Li Qiaolan hadn't seen what was going on. The guard house that had been aggressively flew upside down, and the stick in her hand was let go, and Li Yun was caught in her hand.

The nursing home flew straight for two meters and fell into the flowers and plants in the front yard, smashing a bunch of flowers and plants.

"You, you!" The nursing home was buzzing in the head by this powerful slap, covering his red and swollen face with one hand, and pointing at Li Yun with a trembling hand.

"Next time you put bright spots on your eyes, don't provoke anyone who shouldn't be provoked."

Li Yun said lightly, and threw the wooden stick on the ground, clapped his hands, and walked into the Song's house.

Li Qiaolan behind him was stunned, she guessed wrong again, Li Yun is a warrior!

"Ding, the host makes a choice, rewards experience value +300,000, free attribute points +1000, blue gift bag\*1, extra reward: the anger of the Song family, the loathing of a wonderful hand-hearted fairy."

Li Yun paused, what's the situation? The disgust of the wonderful hand benevolent fairy?

at this time. The nursery behind him screamed: "Come on! Come on! Someone breaks into the Song's house, hurry, stop him!!"

The harsh shout broke the tranquility of the Song family. Seven or eight Lianjiazi, holding black sticks and wearing white exercise clothes, poured out of the Song family. After seeing the man who fell on the ground and Li Yun, they immediately understood.

"Where's the kid!? How dare you come to Song's house to go wild and look for death!"

"Go, let him go first!"

"This kid and Li Qiaolan are together. It seems that the \*\*\*\* hired to harass the owner of the house!"

"Damn, Li Qiaolan is really a bitch, and the Patriarch has cut off her relationship with her. This \*\*\*\* still wants money!"

A group of nursing homes rushed up cursingly, and the sticks fell fiercely against Li Yun's head, and then the figures flew, screaming everywhere.

In less than five seconds, all the nursing homes fell to the ground.

Li Qiaolan was so scared that her legs trembled. In her eyes, the Song family was already a behemoth, but Li Yun was able to brutally beat the behemoth's nursing home, and all the thugs that the Song family used to deter Hengjia County fell to the ground!

"Do you know what's wrong?"

Li Yun stood in the front yard indifferently, among a group of fallen nursing homes. The strong momentum and handsome posture made Li Qiaolan breathe a little bit faster. She found that she seemed to like this domineering man very much!

"Who, who are you?" The leader of the nursing home looked at Li Yun tightly. His chest was so painful that he was knocked down by Li Yun, making him feel extremely embarrassed now!

"I'll say it again, my name is Li Yun, it's Gong..."

"Bold!"

Chapter 1003: Hey, you are Li Yun

Accompanied by a loud shout, a few stones flew like bullets and slammed into Li Yun with the momentum like a broken bamboo.

"Prajna palm!"

Li Yun was not afraid, and his eyes prepared to catch the movement of a few stones, and he showed the palm of his hand, with a few bangs, and stopped the stones accurately.

"what?"

The visitor was a little surprised. Although his kick only had the strength of the initial stage of the acquired stage, from the light of Li Yun's movements, his strength was at least the stage of the acquired stage of consummation.

"I have some ability, no wonder I dared to break into the Song family, but, today, Lin Tianle is here, how can I allow you to be presumptuous!"

With that, Li Yun saw a figure flying quickly from a distance, and from the corner of his eye, he saw a beautiful figure in a light blue dress. She was the fairy with a good hand and a heart. ?

"Danqing splash ink!"

As Li Yun thought, Lin Tianle's figure had already rushed in front of him, and used a windy palm. In an instant, dozens of palm shadows enveloped Li Yun's body, hazy, like someone The ink was splashed into the air, forming an airtight cage.

"Huh, this kid was scared stupid!"

Lin Tianle was quite proud. This technique was his proud martial arts. He has already reached the state of Zhongcheng, and he has the power to fight against ordinary innates, not to mention Li Yun's mere acquired state!

"The palm is good, but it's not enough to see in front of me, a positive punch."

In an understatement, Lin Tianle only felt that his abdomen was hit by an extremely hot fist, and his impenetrable palm could not stop the opponent in the slightest!

"boom!"

A huge and hot qi destroyed the zhenqi defenses in his body. Lin Tianle's body flew out uncontrollably. Fortunately, the woman in the light blue dress behind him grabbed the collar, otherwise he would inevitably hit the collar. Pour a large area of flowers and plants.

"you!"

The blood in Lin Tianle's body was surging, and a handsome face flushed red, and he did not know whether it was because of the blood or he was too ashamed.

In front of the elder sister, he could not even catch a move!

Li Qiaolan was completely stunned.

The scene of the two fighting just now was fleeting, and she was so fast that she could hardly see how the two men fought.

But the scene of Li Yun punching Fei Lin Tianle was clearly seen by her!

"It's amazing, is this an innate warrior?"

Li Qiaolan was shocked, and the nursing home who stood up on the side turned pale with fright. They dared to be stubborn with a congenital tall man, and they were simply impatient to live.

Just now, even if Li Yun killed them directly, no one would stand up for these nursing homes.

Innate masters have a lofty status, killing a few people who offended him is nothing at all.

"Do you still fight?"

Li Yun looked at the incoming person, smiled faintly to maintain the mastery, but there was already a hint of surprise in his heart.

Because the woman in the light blue dress in front of me is really beautiful.

Simple and elegant ancient dress, a pair of beautiful eyes, clear and gentle, oval face, exquisite facial features, with blue and white dress, waist tied, the whole person is like a pure white holy fairy, noble and clear, But it is as soft as water.

"Excuse me, are you?"

Seeing her gentle eyes, Li Yun's expression could not help but relax a bit: "My name is Li Yun."

"Senior Sister, don't be polite to this kind of person!" Lin Tianle was extremely annoyed, "Just join hands with me and take this kid down!"

"Junior Brother, please don't be impulsive, he...hey, you are Li Yun?!"

Chapter 1004: Pure white holy fairy

The face of the pure white and holy fairy showed a surprised look. Even when she was surprised, her voice was as gentle and gentle as before, like Wu Nong's soft words in Jiangnan, full of softness and beauty, so soft that people can't help but immerse. In her watery tenderness.

After thinking about it for a while, Li Yun knew the origin of the gentle fairy in front of him.

"You're Shangguan Lingxian? That spiritual doctor fairy?"

"Yes, the little girl is Shangguan Lingxian."

Her expression was slightly shy, "As for the fairy doctor, it's just a tribute to the little girl from the people of the rivers and lakes, it can't be true."

Li Yun nodded, his voice on the phone was a little distorted, and he didn't recognize her at once.

"Senior Sister, who is he?" Lin Tianle was rather upset.

"Young Master Li is..."

Shangguan Lingxian looked at a middle-aged man who had just walked over at this time. He looked ugly after seeing the chaos in front of the door, but after knowing that Li Yun was a natural master, he forcibly suppressed his anger.

"My name is Song Changzhang, and I am currently the Patriarch of the Song family. May I ask this Li Shaoxia!" Song Changzhang's tone is still not good. Perhaps it is because of the support of Shangguan Lingxian that he dare to ask Li Yun: "Why did you come to my Song family? , And why did you hurt someone?"

"Song Changzhang?"

Li Yun looked at Li Qiaolan and found that the other party bowed his head nervously, as if he did not dare to look at Song Changzhang.

After seeing Li Qiaolan, Song Changzhang's eyes flashed with an unnoticeable cruelty.

"Prince Li."

Shangguan Lingxian's beautiful eyes looked at Li Yun, speaking softly, but with a hint of reproach and said, "I don't know why you are doing these things?"

She didn't talk about beating people, but doing these things in order to save Li Yun a trace of face.

Li Yun understood in his heart that, as expected, this wonderful and kind fairy disliked her a bit.

"Ding, trigger the option event, please choose from the host:

Option 1: I am acting Li Aotian, why should I explain it to others! Reward: Domineering value + 1 million, Skills: Dragon walks and tigers step, tigers and tigers are powerful.

Option 2: Smile proudly, taunt a wave, reward evil value +100.

Option 3: Choose by yourself, reward to be determined. "

Li Yun was speechless again, his name was Li Yun, not Li Aotian!

"I will introduce it one last time."

Li Yun paused and said, "I, Li Yun, are the palace diners."

Palace!

The nursing courtyard does not understand the palace family, but Shangguan Lingxian, Lin Tianle, and Song Changzhang all clearly know the palace family's energy.

The status of diners is not high, but it also represents the appearance of a family. Moreover, Li Yun was a congenital at a young age, and he became a diner again, which shows his special identity!

"I'm here to visit your Song's house and report your name. Your nursing home won't even enter the door to report."

"There is no way, I can only take the initiative to enter, and want to see with my own eyes what kind of fairyland treasure the Song family is!"

Li Yun's words were not without irony, which made a group of nursing homes and Song Changzhang a little embarrassed.

With a plop, the nursing home that prevented Li Yun from kneeling directly on the ground before slapped himself fiercely: "My lord, it's me who can't recognize your noble status as an adult. I was wrong, please. Sir, forgive me!"

"Forget it, get up."

Li Yun waved his hand, "I won't pursue it this time, but remember, don't despise other people next time, otherwise, if you encounter a hot-tempered person, you won't have any good fruits to eat."

"Yes, what the lord taught me!"

The nursing home stood up awkwardly, and then admitted to Song Changzhang.

Chapter 1005: Song Chang

The misunderstanding was solved in this way, Song Changzhang reluctantly lost a smile to Li Yun, his expression was uglier than crying.

Li Yun knew that Song Changzhang would not apologize for anything if it were not for his innate master status.

Because this matter is strictly speaking there is no right or wrong, to use Shangguan Lingxian's statement: "Senior Song's subordinates are not right to ignore Li Gongzi, but Li Gongzi should also control his temper and not be too impulsive. "

"Li Gongzi, what do you think?"

".....you're right."

Li Yun's head is big. Shangguan Lingxian has the same temperament as her. It is true that she is gentle and kind, but she is also very...stubborn. She forced Li Yun to take a step back, and she laughed with satisfaction and acted as a conciliator for both parties. .

"Ding, the host makes a choice, rewards experience value +200,000, free attribute points +1000, blue gift bag\*1, Shangguan Lingxian favorability degree +30, current favorability degree: 20."

Li Yun glanced at Shangguan Lingxian. There is no doubt that the woman who caused the Song and Yuan turmoil is a rare beauty, not inferior to Gong Qingyu and Liu Xianxian, if not for her temperament. , She also has a beauty comparable to that of Van Qingsheng.

The temperament of Fanqingsheng is cold and holy, just like Chang'e in the moon palace.

On the other hand, Shangguan Lingxian's temperament is pure white and kind, and also has a holy temperament, but it is not a cold fairy, but a bodhisattva who saves suffering, full of compassion.

"Fairy Spirit Doctor, Li Shaoxia, please among the three!"

Song Changzhang made a gesture of please, turning a blind eye to Li Qiaolan behind.

"This bastard, pull out the ruthless!"

Li Qiaolan looked resentful, but she didn't dare to say it. In front of Li Yun and others, she now had a deep sense of awe, for fear of offending these warriors.

Li Yun turned around and smiled at her, "Miss Li, won't you go in together?"

"what?"

Shangguan Lingxian only noticed Li Qiaolan at this time. She had been standing far away just now. Shangguan Lingxian thought she was going to the show, but she did not expect that she was also the one who came with Li Yun.

"Young Master Li, who is this elder sister?" Shangguan Lingxian asked curiously, Li Qiaolan blushed immediately by her elder sister's name, and said: "Don't dare not, my name is Li Qiaolan, yes, yes..."

It was Song Changzhang's "girlfriend", but in the end, he didn't dare to say it under the stern eyes of someone.

"It was someone I met on the way here, and she happened to visit Song's house together."

Li Yun smiled and said: "It just so happens that the fairy doctor is here today, Miss Li, go in with you, don't worry, the fairy doctor is kind and kind, and promises not to mind this. If you have any grievances. , And even call the shots for you!"

This sentence made the faces of the few people present become weird.

Shangguan Lingxian is not an idiot. She heard what Li Yun's words had in mind, and it was also a small revenge for what she had insisted on asking him to apologize before!

But Shangguan Lingxian didn't care about Li Yun's actions, but looked at Li Qiaolan very concerned: "Is there anything this elder sister is coming to visit Song's?"

"what?"

Li Yun took a surprised look at Lingyi Fairy. It seemed that she was indeed kind and gentle as the rumors said, and she was a doctor whom everyone admired.

Comparing with Shangguan Lingxian, Li Yun's words just now seemed a little bit small.

"What can she do? Leave her alone, Miss Shangguan, let's go in and talk again!" Song Changzhang forced into the conversation, looking sharply at Li Qiaolan, as if to warn her not to talk nonsense!

Chapter 1006: I'm going to die, I'm going to die too

Li Qiaolan's face turned pale, and she looked at Li Yun subconsciously. After seeing his smiling eyes, she finally gritted her teeth and said: "I do have something that I do, want, want..."

"Li, Qiao, Lan!!!"

Song Changzhang's gaze could almost kill, and with a sharp sip, Li Qiaolan was actually taken a step back in fright.

"Don't get excited, Patriarch Song."

Li Yun calmly stepped forward to block him. This movement surprised Shangguan Lingxian. What did he want to do?

"Song Changzhang!!!"

Li Qiaolan was also embarrassed into anger. Instead, she took a few steps forward and cursed loudly: "Your mother has been playing with my mother for ten years, and now I am the head of the Song family after she's gone with shit. You think she's amazing, so she sent me away? I tell you, I want to be beautiful! Today, I will show these things plainly in front of everyone. If you don't compensate me, I will die, and I will die in your Song family too!"

In an instant, there was silence in front of the Song family's gate.

The nurses knew about these incidents a long time ago, so they weren't surprised at all, they just gloated at the good show.

Shangguan Lingxian was stunned. Before, she chatted with Song Changzhang for a while, and the other party's attitude was modest and polite, and the chat was very pleasant.

Unexpectedly, this Song Changzhang actually did these things behind his back!

Pack. Raise?

Disturbance and abandon?

Abandon your wife and children?

For a while, Shangguan Lingxian looked at Song Changzhang's eyes with something wrong.

"me!"

Song Changzhang has a wonderful face, he can't wait to kill Li Qiaolan!

According to the legend, Shangguan's immortal doctor is kind and jealous, she is the most sordid thing, and today he will have to spend a lot of money to fool this thing.

"Ahem, let me say a few words."

Li Yun smiled slightly, "Don't rush to deal with Li Qiaolan's in advance. When both of you calm down, we will slowly discuss with the witness of the spiritual doctor fairy, there is always a solution, what do you think?"

Li Qiaolan snorted, she is now clear, as long as she hugs the thighs of Li Yun and this spiritual medicine fairy, she can get compensation today.

As long as you get the money, you will be far away, and the surname Song will not find her.

"Yes, it's good."

Fairy Lingyi took a deep breath, and she felt that the trip to Song's house this time would not be too smooth.

The group of people walked inside, Song Changzhang's face was as black as the bottom of a pot, but who told the Song family there was no strong person? Li Yun and Fairy Lingyi both turned towards Li Qiaolan. Even if Song Changzhang was the master, he had no choice but to pinch his nose.

Fortunately, he got the Song family by accident, and he didn't feel bad about spending the money.

When they came to the Song's living room and settled down, the servants served tea. Everyone took a sip before they started talking.

"I don't know why Li Gongzi came to the Song family?" Shangguan Lingxian was the first to ask Li Yun.

"Similar to your purpose."

"Is it also to elicit Song Yuan?" Shangguan Lingxian nodded, "I think it's the same. Song Yuan values his sister very much and may come back again."

"Uh?"

Li Yun looked at her in surprise, "Song Yuan still has a younger sister?"

"Yes, her name is Song Xi, and she is still in the Song family."

"Underage?"

"I remember Song Xi is six years younger than Song Yuan, nineteen this year."

Li Yun's face became weird.

Song Yuan's father was the head of the Song family. Song Yuan's parents committed suicide. Song Yuan was accused of not mentioning it for the time being, but Song Xi was still alive.

So, how did Song Changzhang's position as Patriarch come from?

Chapter 1007: Let the fairy doctor go back

Song Changzhang's face became cold and dark, as if he did not want to bring up this topic, he said coldly: "My niece was frightened by something not long ago, and is now recuperating in peace. If you want to see her, the fairy doctor, only I can see it from a distance."

Shangguan Lingxian frowned Liu Mei, why did Song Changzhang's attitude become more and more indifferent?

At this time, Li Yun received a prompt from the system.

"Ding, trigger the option event, please choose from the host:

Option 1: Investigate recent events in the Song family, reward experience value +500,000, all attributes +500, justice value +300, and purple gift bag\*1.

Option 2: Ignore, no reward. "

"very good."

A smile appeared at the corner of Li Yun's mouth and said to Song Changzhang: "That's just right, the fairy psychic doctor is kind and kind, and if Miss Song is frightened, it will be good for the fairy psychic doctor to take a look."

Lin Tianle smiled mockingly: "Are you not good at other idioms? You always say that big sisters are kind and kind, and flattering is not like that!"

Li Yun shrugged, too lazy.

By the way, Lin Tianle looked twenty-seven or eighteen, but still called Shangguan Lingxian, who was only in her early twenties, her senior sister.

"Junior, don't talk nonsense."

Stopping Lin Tianle, the fairy doctor turned his head and looked at Song Changzhang: "The little girl just wants to see Song Xi. I don't know what the Song family's plan is for?"

Song Changzhang's face became darker.

He wanted to prevaricate with Song Xi's excessive sadness, but he didn't expect that Shangguan Lingxian would happen to be a doctor. On the contrary, it was even harder to refuse!

"Yes, too."

Reluctantly, Song Changzhang could only take Li Yun and a few people to Song Xi's boudoir.

The Song family is very large, almost the same as the ancient courtyard with four entrances and four exits. Inside, there are many buildings, lotus ponds, octagonal pavilions, attics, etc.

Li Qiaolan looked at all this enviously, what if she could own this place.

But she also understood that this can only be an illusion, and she is not Mrs. Song, how could she have this place.

On the second floor of a two-story building, Song Changzhang knocked on the door and whispered: "Xiaoxi, uncle is coming to see you. Can you open the door?"

After a long time, a weak voice came from inside the door: "No, uncle, I'm fine, but I don't want to see people, you can let Fairy Lingyi go back."

Song Xi's voice was vague and hoarse, like the vague voice of a person who had slept for a long time.

Song Changzhang made a helpless expression to Shangguan Lingxian, saying that he could not help it.

"This....."

Shangguan Lingxian hesitated, but there was no reason to forcibly enter, so he could only say: "Well, Patriarch Song, please let Sister Song Xi take a good treatment, Brother Song...Song Yuan, maybe he doesn't want to see her so depressed."

"Yes, I have asked the subordinate to take care of her with all my heart!"

Song Changzhang seemed to be relieved. Li Yun smiled meaningfully at him, making the latter nervous again: "Fairy Spirit Doctor, let's go, let's talk about it if Song Yuan comes back, but I guess he is preparing now. I'm looking for other people's troubles, will I come back here for a while!"

Most people also think that the main purpose of Shangguan Lingxian's coming here is not to elicit Song Yuan, but to know what happened.

"and many more."

Just when several people were about to turn around and leave, Li Yun called them.

"What the \*\*\*\* do you want to do?!"

Lin Tianle was very impatient, he had long seen Li Yun upset!

"I didn't want to do it."

Li Yun shrugged and smiled at Song Changzhang: "It's just that I have a question to ask Song's Patriarch!"

Chapter 1008: Not Song Hee

Li Yun deliberately increased his tone on the word Patriarch, Song Changzhang's face suddenly sank, and the sensitive and suspicious he immediately guessed Li Yun's intention: "You want to ask me why I can be the Patriarch?"

"Yes, it's true that the Song family was passed on to my eldest brother from my father, but!" Song Changzhang said in an awe-inspiring manner: "After Song became the Song family, when the Song family was in distress, he naturally assumed the responsibility of stabilizing the Song family! "

This sentence was righteous, and Lin Tianle applauded and glared at Li Yun provocatively.

Even Shangguan Lingxian nodded approvingly: "Senior Song can take the initiative to pick up heavy burdens during the turbulent times of the Song family. It is really rare, but Song Yuan..."

Song Changzhang expressed ashamed, "My nephew was confused for a while, so that he did something like that to the spiritual doctor fairy, one step wrong, wrong step, and the result was reduced to what it is today, alas."

He sighed, Shangguan Lingxian was also a bit sentimental, but Li Qiaolan, who stood by, showed a contemptuous look, but did not speak.

"Don't sigh in a hurry," Li Yun smiled, "I think we have to make one thing clear."

Song Changzhang's expression darkened again: "Li Xiaoyou, what on earth are you trying to say?! Why do you repeatedly oppose someone in Song? When my Song family is down, I still have to say these cool things!"

Shangguan Lingxian's beautiful face also showed a trace of blame, as if he was accusing Li Yun of not saying these things.

"Article 10 of the Inheritance Law stipulates."

Ignoring their angry expressions, Li Yun said leisurely: "After the accidental death of a citizen of Huang Xuanguo, the first successors are: spouse, children, and parents. May I ask Patriarch Song, do you have Song Xi's consent when you become the Patriarch?"

Song Changzhang's expression changed, and Shangguan Lingxian frowned slightly. This kind of struggle for Chi Guoguo's property made her very uncomfortable, but vaguely, she seemed to think that Li Yun's approach was right?

"I!"

Song Changzhang was about to speak, and Li Yun said again: "Furthermore, Patriarch Song, your parents, that is, Grandpa Song Yuan, must have done something to separate the family when Patriarch Song was alive. This means that Patriarch Song has already taken Song A property of the family, the current Song family has nothing to do with your Song Changzhang!

Excuse me, why can you be the head of the family? "

In the last sentence, Li Yun's tone turned indifferent, mixed with a trace of interrogation, which shocked Song Changzhang, who was embarrassed.

"I got it..."

"Yes, you mean you got Song Xi's consent, but is that really the case?"

Li Yun interrupted him again, and looked at Song Xi's boudoir with a faint smile: "Song Xi, is it in there?"

As soon as this sentence came out, Song Changzhang was shocked, clenched his fists, and looked like he was choosing people and devouring them.

But Shangguan Lingxian opened her big clear eyes in shock. If Song Xi is not inside, it means that she was...

Looking at Song Xi's room with the door closed, Shangguan Lingxian tried to take a few deep breaths before calming down. If it is true as Li Yun said, Song Changzhang's viciousness is unbelievable.

"How do you know inside..."

"I ask you a question."

Li Yun interrupted Song Changzhang for the third time, and said indifferently, "Is Song Xi a master at or above the acquired level?"

"...No." Song Changzhang popped these two words between his teeth.

"Very good, so I can be sure."

Li Yun reached out and pushed Song Xi's door open, ignoring Song Changzhang's murderous gaze, and walked directly in.

"The person inside is not Song Xi!"

Chapter 1009: How do you know me

In the quaintly decorated room, a young girl is lying on a big pink bed, her face is blocked by mosquito nets.

"Cough cough cough."

The girl seemed to hear someone coming in, coughing a few times, and said sickly: "Uncle, these people are...?"

Her voice trembled a little, as if she didn't want to see outsiders.

Song Changzhang said coldly: "This person is a patron of the palace family, he just wants to come in to see you, Xiaoxi, I can't stop it, hum!"

Shangguan Lingxian hesitated again, could it be that Li Yun was wrong?

"Okay, don't pretend!"

Li Yun waved his hand, "I have seen stupid people, I have never seen you so stupid. Without the preface, Song Xi's personal settings are not clear, and he can deceive fools, but can't deceive me."

Lin Tianle was furious. Doesn't this mean that his senior sister is also a fool?

The pure white, holy, kind and gentle spiritual medicine fairy, when he heard Li Yun's words, his face blushed, his voice was low, and he said, "Then Mr. Li Yun, can you please explain why?"

"Do you still understand?"

Li Yun was anxious about the IQ of the spiritual medicine fairy. If Gong Qingyu was here, she would have laughed out loud.

"I'm asking you, what was the first sentence Song Xi said to us?" Li Yun asked her back. Song Xi stopped talking at this time, and Song Changzhang frowned, recalling the first sentence of his 'niece'. What is it.

Song Changzhang couldn't remember, but Lingyi Fairy's memory was very good: "Miss Song said...no uncle, I'm fine, but I don't want to see people, you let Lingyi Fairy...ah, I understand!"

Fairy Lingyi's eyes lit up and staring at the person lying on the bed: "Who are you? I knew I was Fairy Lingyi before. Now I ask who we are. It's very strange! Also, your body is weak. It's not a cultivation base above the Houtian realm, why do you know that there are several people standing outside the door?"

Not too stupid.

Li Yun smiled, the doubt is actually obvious.

Song Changzhang had already told 'Song Xi' when the fairy doctor came, and of course she knew that the fairy doctor would come to see her today.

In fact, Li Yun's reasons were very untenable, but what really made Li Yun see that the problem was the change in Song Changzhang's expression.

"Senior Song, what is going on?!"

Shangguan Lingxian's tone has a stern tone. Anyone who knows her knows that Lingyi Fairy rarely gets angry. The reason for her anger now is probably because she is worried that Song Xi will be killed by Song Changzhang, and even the head of the house will be taken away. .

If this is the case, Shangguan Lingxian will inevitably capture Song Changzhang directly, and then he is anxious that the martial arts colleagues will try this villain who has taken the family property!

"Me, me, me!" Song Changzhang couldn't say a word for a long time.

"Let's see who is inside!" Lin Tianle strode towards the girl's pink big bed. The people inside were taken aback and couldn't put it on anymore. He rolled down Song Xi's bed and cried. road:

"Forgiveness, forgiveness! I'm not Song Xi, I'm just Song Changzhang's mistress. He asked me to do this. I don't know where Song Xi is, and I haven't killed anyone, really!"

"It turned out to be you, Liao Caifeng, a bitch." Li Qiaolan recognized the mistress, and immediately sneered: "Liao Caifeng, you are really brave enough now, you dare to murder with your lover..."

In the second half of the sentence, she did not continue, because Li Qiaolan suddenly realized that if Song Changzhang was arrested, then her youth compensation money would be gone! ! ?

This sentence made Shangguan Lingxian's face more ugly.

Chapter 1010: Find Song Hee

"No, it's impossible to kill, right?"

Li Qiaolan's tone became uneasy, and she thought of another thing.

Song Changzhang is a breed of dog. The property his father had allocated to him had long been spent. If he did not have the position of the head of the Song family, he would not be able to spend any money!

In other words, Li Qiaolan's compensation is gone...

"Patriarch Song, tell me what's going on?"

Li Yun looked at him with a smile at the corner of his mouth, Song Changzhang's complexion changed, and finally said dejectedly: "I, I did not kill my niece, but temporarily protected her."

"Protect? Haha, this is light." Li Yun snapped: "I think you are under house arrest, right? Song Changzhang, now you take us to see Song Xi immediately, otherwise, you and your subordinates who betray the Song family will have to Severe punishment!"

Song Changzhang was so frightened that he shook his whole body. He didn't dare to say anything in the scene anymore, and hurriedly took everyone to the place where Song Xi was under house arrest.

Along the way, I met many servants of the nursing home or the Song family. Everyone came to watch. Li Yun was not too polite, and shouted directly to them: "Song Changzhang's conspiracy has been exposed. Any one of you colluding with him, stand up immediately. Take the initiative to admit it, otherwise, hum!"

As he said, Li Yun flicked his finger, and suddenly a burst of infuriating energy shot out, leaving a deep hole on the hard slate ground.

The Song family thugs were terrified, and some of the people who had wanted to rush up to get Song Changzhang back were also pale and did not dare to act rashly.

This kind of infuriating attack can only be made by innate masters!

And an innate master is enough to sling the entire Song family.

Song Changzhang came to the front of a two-story small building with a gray head and face. Two black-clothed thugs guarded him at the entrance. How could he not understand when he saw this situation? Both of them stood aside honestly, bowed their heads and lowered their hands, waiting for the hair to fall.

As for running away, they couldn't even think about it.

"Miss is actually under house arrest!?! My God!"

"Hehe, I have seen the problem a long time ago, but I dare not say it."

"This Song Changzhang is really not something. After he lost all his father's property, he went back to the Song family cheeky and continued to \*\*\*\* blood, bah!"

"Evil is rewarded, the young lady is finally safe and sound."

Many servants expressed great satisfaction about this, and they scolded Song Changzhang for recounting his crimes.

Shangguan Lingxian glanced at Li Yun blankly, feeling very complicated. If Li Yun hadn't seen it through, she would have been unable to detect Song Changzhang's evil deeds by herself.

For Song Yuan's younger sister, Shangguan Lingxian had a deep sympathy, after all, Song Yuan's affairs...

"Miss Song, are you on top?" Li Yun asked loudly while standing downstairs. Soon, a girl's voice came from the second floor window: "I, I am here, are you...?" She had already heard it. The noise downstairs became very tense.

The place here is remote, and if the doors and windows are sealed, no one will find it even if you yell.

Shangguan Lingxian took the initiative to walk upstairs and saw the real Song Xi.

A girl who was only nineteen years old, with exquisite features and a good figure, but with a very haggard and sad expression.

When Song Xi saw Shangguan Lingxian and learned that she was his brother's junior sister Lingyi fairy, he burst into tears and threw herself into Lingyi fairy's arms and burst into tears.

Song Changzhang was embarrassed and ashamed, slapped himself constantly and scolded himself as not a human being.

"Ding, the host makes a choice, rewards experience value +500 thousand, all attributes +500, justice value +300, purple gift bag\*1, additional rewards: Shangguan Lingxian favorability degree +55, Song Xi favorability degree greatly increased. "
