

Godly Choice 101

Chapter 101: See also Ge Xiu

After school in the afternoon, Li Yun brought two girls to a high-end restaurant near the school, spending five to six hundred per capita.

"Brother," Li Feng lifted the messy hair with his slender fingers, and asked with a smile, "Who did you bring us to see?"

"It's not easy to guess!?" Fang Xuebai glanced at her, "Isn't the people we all know who want to buy my girlfriend's songs, a well-known person in the entertainment industry? I guess it's..."

"Is it me?"

A male voice came over, and Fang Xue turned her head to look, only to find that it was a middle-aged man she didn't know.

"Ge Xiu!"

Li Yun frowned slightly and looked at him, "Didn't I say that? I don't want to sell songs to you!"

"Don't rush to refuse."

Ge Xiu sat in front of Li Yun cheeky.

This high-end restaurant is very luxuriously decorated, and the seats are far away. Talking to each other will not be heard, but if you speak loudly, you can still be heard by the people next to the table.

Ge Xiu once again took out a document, solemnly pushed it to Li Yun, and said sincerely: "These are some of the information I have collected, you can go through it first."

Li Yun shook his head, "Sorry, even if you pay 10 million now, I won't sell this song to you!"

A look of resentment flashed in Ge Xiu's eyes, but he quickly faded away and calmly said: "Since you don't want to see it, then I will tell you directly."

"...After rigorous big data analysis and comparing with other songs, this song, Mr. Li, is worth 1.12 million, which fluctuates up and down by 10,000."

Ge Xiu stretched out three fingers: "But our company loves money. If you sign a contract now, you can give you a high price of 1.3 million! Think about it."

Li Yun smiled, Ge Xiu was overjoyed, but he heard Li Yun say: "Don't sell!"

"Not for sale?"

Ge Xiu's face was extremely ugly, and Fang Xue curiously said, "Isn't it possible to sell for three million? This is what Director Zhang Ke said."

At this moment, a few people walked in at the entrance of the restaurant. The two leading them were a man and a woman.

The man is about fifty years old, with a gray beard, and the woman is tall and model-like. Wearing a mask and black sunglasses, she can't see the specific appearance.

Hearing Fang Xue's words, Ge Xiu's expression was a little unnatural.

Of course he knew that this was what Director Zhang Ke said, but he also knew that the company hurried to shoot and exclusive him to contact Li Yun, the purpose is to take the lead in obtaining the copyright, and then sell it to Zhang Ke to make an intermediate price difference!

It's just this kind of thing, of course Ge Xiu would not say it.

"Director Zhang Ke said on Weibo that he would spend three million to buy the copyright, so you thought you could sell three million?!"

Ge Xiu's voice grew louder, and everyone in the restaurant looked over, including the man with a gray beard who had just entered.

Fang Xue was taken aback by fright. She had also come into contact with business negotiations, but no one had ever dared to yell in front of her.

It's rude!

"Otherwise?" Li Yun said lightly, squeezing Xie Xue's little hand under the table as a sign of comfort.

"Innocent!"

Ge Xiu no longer concealed it, and sneered: "Since you are all high school students, I will explain it to you!"

"Most of what is said on Weibo are fake!"

"For example, some anchors said that signing on a certain platform, the signing fee is hundreds of millions, do you think the contract is really hundreds of millions?"

"Hehe, if you really get it, it is estimated that it will be less than ten million!"

"understand?"

Fang Xue and Li Feng looked at each other, Ge Xiu wrapped his arms around his chest, a look of disdain.

Chapter 102: Peerless beauty with model body

Attracted by Ge Xiu's loud speaking, everyone in the restaurant was talking in low voices.

"Sell a song for a million?"

"Oh, I remember, a student recently appeared in Zhicai High School and wrote a song, which is quite popular on Weibo!"

"It doesn't sell for one million. It seems that what Feng Yuande broke before is true!"

"It's kind of crazy."

"After all, young and vigorous, it is a bit crazy, but understandable, hahaha!"

Being surrounded by everyone in the restaurant, Li Feng and Fang Xue were a little uneasy.

Seeing this, Ge Xiu was overjoyed, adding fire and continuing: "Furthermore, do you think Zhang Ke is so sincere? I can say with certainty that what Zhang Ke said on Weibo is fart!"

"fart?"

Everyone was shocked, he actually scolded Director Zhang Ke like this?

"hehe."

Ge Xiu disdainfully said: "Zhang Ke is the director of a martial arts film. He saw that "Zhengjiang Jianghu" was on fire, so he naturally wanted to catch the heat. Do you really think he wants to buy this song? Don't be so naive, okay? Have you contacted now?"

"Contacted." Li Yun nodded.

"Is there no contact? He...what? He contacted?"

Ge Xiu was taken aback, how could this be different from what he imagined!

"Excuse me, can I say something?"

The gray-bearded man stood up and interrupted Ge Xiu's tirade.

Everyone glanced at him, and they were all stunned.

Why is this gray-bearded man so like a person?

"Director Zhang Ke?"

Fang Xue shouted unsurely, there was a big difference between the real person and the image seen on the screen, and she was not sure if it was Zhang Ke.

Although he has the iconic gray beard, even his hair is the iconic short silver gray hair!

"No, it's impossible!"

Cold sweat ran down on Ge Xiu's forehead, staring at the gray-bearded man, and said aloud: "How could Director Zhang Ke come here!?"

"Why can't I, Zhang Ke, appear here?"

Zhang Ke smiled, and said meaningfully: "Fortunately, I arrived in time, otherwise I would really not hear how others are talking about me behind the scenes."

Ge Xiu's face was pale and his body was shaky.

"However, I want to correct two things for you." Zhang Ke stretched out two fingers. "First, I don't have any heat, and I don't need to rub heat."

Ge Xiu's body was trembling, and he was so scared that he almost knelt down.

"Secondly, I commented on Feng Yuande's Weibo at the time, saying that the song is not only one million, but three million. This is not a lie. I really want three million to buy this song!"

"Thank you, Director Zhang Ke, for speaking for me." Li Yun stood up, smiled and greeted Zhang Ke and the girl with a model figure, very grateful to Zhang Ke in his heart.

At that time, Feng Yuande took the rhythm to the whole network, thinking that "Zhengjianghu" was not worthy of selling one million, but among the many voices, Liu Xianxian and Zhang Ke spoke for him, which quickly reversed public opinion on the Internet.

After cooperating with what Li Yun used hacking techniques to obtain, Feng Yuande's navy was completely defeated!

Needles dropped in the restaurant can be heard.

Everyone stared at Zhang Ke, and it was hard to believe that this celebrity who often appeared in the news would actually appear in front of them!

"Why don't you just thank Director Zhang Ke, don't you thank me?" The girl with the model figure pouted a blushing little mouth, and said slyly.

Her voice was crisp and sweet, like a lark singing, and the whole restaurant seemed to be echoing with her graceful voice.

For a while, everyone was crazy.

Chapter 103: Fairy sister

Li Yun smiled and said, "I'm afraid that Miss Liu, you don't want to show up in public, that's why..."

"I hate it, I call it Miss Liu~"

The girl with the model figure took off her mask, took off her sunglasses, and shook her head, her head full of blue silk fluttered, which made people feel pleasing to see.

"Just call me Xianxian~" Liu Xianxian smiled playfully, "After all, we have sold...art together, uh, after all, we are good friends, hehe~"

As if remembering that he could not be exposed to the school trip, Liu Xianxian stopped his mouth in time and stuck out his tongue cutely.

"Xianxian...?"

Everyone was completely dumbfounded this time!

If the appearance of Zhang Ke is still within their acceptance, then the appearance of Liu Xianxian completely shocked everyone!

Who is Liu Xianxian?

In China, she is a well-deserved super first-line obvious, even if she is the queen of heaven who has been famous for many years, she is not inferior to it!

In foreign countries, her popularity is no less than that of top stars. In more than 100 countries around the world, Oumei, Asia, Africa, etc., have a very high reputation!

Especially the song that won the Grammy's highest music award, "Our Beautiful Earth" is extremely popular, and it is conservatively estimated that half of the people in the world have heard this song!

This shows how famous Liu Xianxian is!

What is even more shocking is that Liu Xianxian is only 18 years old this year. He has not yet gone to college, but he has produced so many excellent works!

Therefore, the whole world is waiting and looking forward to this superstar, who can come up with better songs and movies in the future!

"Xianxian?"

"Really a fairy bun?"

"Sister Fairy!"

"Sister Shenxian, I love you!"

"Ask the immortal to sign~!"

After everyone in the restaurant confirmed Liu Xianxian's identity, they all rushed over in excitement and wanted to sign. As for Li Feng and Fang Xue, they were scared a long time ago.

Li Feng thought of something, looked at Liu Xianxian in shock, and looked up and down several times before finally confirming that the busker girl who met at the door of the vegetable market last time was her!

Seeing the crowds surging, even the chefs and employees in the back kitchen of the restaurant ran out, Li Feng was dumbfounded. No wonder Liu Xianxian put on heavy makeup last time. This is too exaggerated!

"Can you please be quiet? Xianxian is here to beg everyone~"

Liu Xianxian is indeed an international star who has seen more of this kind of scenes and has a very high appeal, and he calmed everyone in two or two.

"Dear fans." Liu Xianxian blinked, introduced Li Yun to everyone with his white hands, and said with a smile: "Today I came to Longyang County to help director Zhang Ke as an intermediary, and second, I want to make peace with him. My friend Li Yun has a meal and has a chat.

So, wait for Xianxian to finish eating, and then sign for everyone, okay? "

"it is good!!"

Everyone agreed in unison, with an incredibly well-behaved appearance, and Li Yun looked speechless.

Liu Xianxian's fans range from five-year-olds to 80-year-olds, and they have everything from all walks of life. It's too exaggerated!

After the riot ceased, everyone looked at Ge Xiu, his face was already flushed, and he wanted to find a place to get in.

Zhang Ke glanced at him up and down, smiled and said, "Mr. Which company do you belong to? Do you want to talk to Li Yun again?"

"Ding, trigger the option event, please choose from the host:

Option 1: Choose to sell the song to Zhang Ke and reward Liu Xianxian with favorability degree +10, justice value +1, charm value +1, experience points +3000, random gift bag*3.

Option 2: Choose to sell the song to Ge Xiu, reward +10 for evil and -10 for Liu Xianxian's favorability. "

Chapter 104: Ding, Liu Xianxian's favorability is increased by 10

Li Yun is speechless, what is going on with this system? This option still needs to be selected? Give him rewards for nothing?

Could it be that choosing justice and evil will trigger option events?

Choosing to trade with people like Ge Xiu will increase the evil value, and Li Yun seems to understand something.

"I choose the first one!"

"Ding, the reward (Liu Xianxian favorability +10, justice +1, charm +1, experience points +3000, random gift bag*3) has been distributed!"

Li Yun was very satisfied. Leaving aside the experience points, Liu Xianxian's favorability reached 78, which is the most important thing!

A friendship level of 50 is a general friend relationship. When it reaches 70, it is a good friend that can be trusted. If it exceeds 80, it can be said to be above a friend. If the lover is not full, if you work hard, Li Yun can be called Liu Xianxian's male friend.

Of course, the premise is that Li Yun does not have Fang Xue, a genuine boyfriend!

After Fang Xue, Li Yun estimated that it would take 90 degrees before Liu Xianxian was willing to show some love.

However, this kind of affection degree does not take effect immediately, it is only a system digitized thing, and it will not suddenly change Liu Xianxian's will!

Ge Xiu froze for a long time, and after apologizing to Zhang Ke and Li Yun in shame, he rolled out of the restaurant in embarrassment and walked away without looking back.

Liu Xianxian blinked his big beautiful eyes and smiled at Li Yun: "I think this song is fried chicken sticks~, it must be more than one million, fortunately Li Yun, you didn't sell it~"

Her voice is crisp and beautiful, and Li Yun feels very beautiful every time she speaks, with a refreshing feeling!

A few people sat down, ordered food, and chatted while eating. Zhang Ke also officially stated that he was here to buy Li Yun's songs.

The negotiation went very smoothly. Zhang Ke directly offered three million to buy all the copyrights of the song, and only reserved the right of signature for Li Yun. Li Yun didn't say anything, and happily agreed.

After the contract is signed, Li Yun will be able to get three million as long as he waits a few more days!

Both Li Feng and Fang Xue looked at Li Yun with admiration and admiration. It was a miracle for both to sell a song for several million.

But Li Yun did it!

Li Feng is proud of her younger brother. Similarly, Fang Xue is also proud of her boyfriend being so good. I believe she will go back and tell her father the news, and he will definitely recognize Li Yun!

"Very awesome, Li Yun~"

Liu Xianxian seemed much more direct, and said whatever he had in his mind, "The first song I wrote may not be remembered by many people now, hehe."

"When did you write your first song?" Li Yun asked rhetorically.

"Um... third grade in elementary school, hehehe~"

Liu Xianxian said playfully, and then couldn't help laughing while covering his small mouth. His big watery eyes were narrowed into a slit, his appearance was particularly pure and lovely, and Li Yun and the people in the restaurant were dumbfounded.

Liu Xianxian's appearance and temperament were originally known for her innocence and beauty, and her personality was perfectly in line with this.

She is kind, innocent, often doing public welfare undertakings, caring for the poor from the heart, she has the noble quality of truth, kindness and beauty, which is very admirable.

"Li Yun," Zhang Ke said solemnly, "I have something else I want to ask you to help this time."

"If you have anything to say, please help me if you can!"

"I want to invite you to participate in my next martial arts movie!"

"Okay... wait, the movie?"

Chapter 105: Invite to the movie

Li Yun looked at him in surprise, Zhang Ke nodded very surely: "Yes, it's my next martial arts movie!"

After a pause, Zhang Ke said with a smile: "I've seen the picture of you being in the vegetable market for the first time, singing "Zhengjianghu" and punching at the same time. At that time, I thought you were very suitable for participating in a martial arts movie. There was a sense of chivalry in you. The scholar's awe-inspiring righteousness!"

Fang Xue nodded secretly. She actually liked Li Yun's sunny and handsome temperament.

"Is that so."

Li Yun pondered for a moment, raised her head to look at Liu Xianxian, and found that she was looking at him with expectant eyes, and her heart moved, and asked, "Xianxian, you want to act, right?"

"Uh... how do you put it?" Liu Xianxian held his beautifully shaped chin in his hand, lightly touched his smooth and white face with his fingers, as if he was thinking hard, suddenly he leaned in front of Li Yun, his two faces leaning very close. It was so close that Li Yun could smell her breath like a blue breath.

"If you agree, Li Yun, I will agree to participate in the show~"

Her voice was soft and mellow, as if a cute and naughty girl was acting like a baby to her boyfriend, and her bones were crisp.

Everyone in the restaurant was stunned again, it was the first time they saw Liu Xianxian being so close to a boy!

The scene fell silent for a while.

"what?"

After regaining his senses, Liu Xianxian's pure and beautiful face blushed, and he sat back quickly, lowering his head shyly not dare to look at Li Yun.

She has a special affection for this guy who has only met with both sides, and she can't help making such an ambiguous move!

"has a problem!"

As if it was a girl's instinct, Fang Xue and Li Feng immediately noticed that Liu Xianxian obviously had a different feeling for Li Yun!

"Ahem!"

Li Yunqing coughed and said jokingly: "Xianxian, are you reporting back what I helped you last time? Thanks~"

".....Um."

Liu Xianxian blushed, and he was very grateful to Li Yun.

He deliberately found an excuse to protect her reputation. How could Liu Xianxian not understand?

"Li Yun, what do you mean?" Zhang Ke once again sincerely invited: "If you join, I can make you one of the heroes!"

"Well, by the way, there are many male protagonists in our play. It is a martial arts movie from the perspective of the female lead." Zhang Ke added.

Li Yun nodded and was about to speak when the system prompt sounded again.

"Ding, trigger the option event, please choose from the host:

Option 1: Accept Zhang Ke's invitation to participate in martial arts movies, reward experience +10000, master performance skills, all attributes +100, the system will release more entertainment-related options to help the host become a superstar!

Choice 3: Reject, reward random master-level science skills, random gift bag*5, experience points +20000, the host will proceed step by step, enter the university, and achieve the pinnacle of life! "

Seeing such a generous reward, Li Yun was very surprised. This is another multiple choice question at a fork in his life!

"System, if I participate in a movie, wouldn't there be normal people choosing time to go to college?"

"No, the host's participation in the movie is tantamount to opening up a side business. The host can still study normally. In the future, he will become the CEO, marry Bai Fumi, and reach the pinnacle of life!"

Open up a side business?

Li Yun's face was full of smiles, the more this kind of sideline, the better!

"Ding, the host has made a choice, and the reward (experience +10000, master performance skills, all attributes +100) has been issued!"

Chapter 106: I am a university with you

"Boom!" As the two attribute points of wisdom and spirit broke through 1,000, Li Yun's mind seemed to have undergone earth-shaking changes.

The ears are clear and the eyes are clear, the look is lively, and the eyes are squinted, as if it can emit a sharp brilliance, the spirit and spirit have reached a new realm!

Especially Li Yun's current memory is very exaggerated, even when he was three years old, he remembered everything in the orphanage clearly!

"It turns out that wisdom and spirit are the most important attributes!"

Li Yun suddenly realized that he decided to pay more attention to these two attributes in the future.

"Okay, I promised to participate in the movie!"

After Li Yun agreed, Zhang Ke was very satisfied, and soon agreed that he would start the camera when he was ready, and try his best to wait for Li Yun to start shooting after the college entrance examination is over!

Seeing Li Yun's promise, Liu Xianxian's beautiful and innocent face once again showed a happy smile, as if he was very happy and looking forward to filming with Li Yun.

This kind of Liu Xianxian makes Li Yun's real girlfriend and his sister, both of them are alarm bells in their hearts!

After talking about business, a few people chatted about something at random.

"Li Yun!" Liu Xianxian thought of something, blocking his small mouth with his hand, and whispered: "Did you know it was me a long time ago?"

"What are you?" Li Yun smiled.

"I hate it~" Liu Xianxian said angrily: "You must see it, huh~!"

Recognized by Li Yun, she was a little shy, as if Li Yun had seen her secrets through.

"You really were you at that time?" Li Feng asked in surprise.

"Um."

Liu Xianxian embarrassedly explained his suspension of school trips. Li Feng and Fang Xue admired them very much. They practiced caring for the poor by their own hands, which is much better than many celebrities who can only show off!

"I'm going to university in September this year." Liu Xianxian blinked and looked at Li Yun and asked, "Which university are you going to study? Or should I be with you?"

After saying this, Liu Xianxian's face flushed again.

She uttered her inner thoughts straightforwardly, but after she finished speaking, she felt that these words were very vague, as if she had already liked Li Yun and wanted to pursue him!

Fang Xue sighed slightly in her heart, it is not a good thing that her boyfriend is too good, even the big star Liu Xianxian was attracted!

Some strange feelings arose in Li Yun's heart, and said: "I will probably go to Zhonghai Jiaotong University, majoring in computer science and technology!"

"National Chiao Tung University?"

Liu Xianxian secretly made a decision, she also wants to go to the National Chiao Tung University, also majoring in computer science!

Anyway, her acting and singing skills have reached the peak, and the university teachers can't teach her anything. Well, that's it, it's decided~!

Several people finished their meal and stood up to say goodbye. At this moment, Zhang Ke looked at Li Feng and hesitated before asking: "I wonder if Miss Li Feng, do you think you look like a star?"

"Looks like a star?"

Everyone looked at Li Feng, and Liu Xianxian suddenly realized: "Indeed, I also think that Li Feng, you are especially like a senior in the entertainment industry, um, you are very similar to the daughter of that senior, I know them, I have time to give you Under the introduction, it is really very similar, I promise you will be surprised if you see it!"

Li Feng was stunned for a moment, then he sneered, and said in a cold voice, "Perhaps it looks alike."

After speaking, she shut up and didn't talk about it, with a very cold expression on her face.

Chapter 107: Liu Xianxian Favorable Degree 80

Fang Xue was a little strange. As far as she knew, Li Feng's personality was actually quite good. He was much more popular in the class than her, and she had never seen Li Feng black.

But why this time?

Is it simply because you can't understand Liu Xianxian?

Li Yun moved in his heart, vaguely remembering something, "Xianxian, this person is called Zhuang Mengdie?"

"Yes." Liu Xianxian looked at Li Feng, and the more he looked, the more he felt that she looked like Zhuang Mengdie when she was young.

"Any picture of her?"

"Brother, don't watch!"

Li Feng stopped Li Yun's actions, tears appeared in his eyes, and his voice became very sad:

"Nothing to look at! I am fine now, even if it is really her? Anyway, I am also an abandoned person, I have a younger brother, and Caixia Plucking Wei is just fine, no one else is needed!"

Everyone didn't talk anymore. As an old man in the entertainment industry, Zhang Ke knew more inside stories.

The former super star named Zhuang Mengdie, although now retiring and no longer participating in any film and television works, her company is one of the top companies in the entertainment industry and still has great influence.

And Zhang Ke once heard of one thing, Zhuang Mengdie actually has two daughters, of which the youngest daughter accidentally disappeared and has not been found until now.

Is it Li Feng in front of me?

"If you tell Zhuang Mengdie, you might be able to get her a favor, but you have to be more cautious in this matter!"

Zhang Ke smiled and put the matter down for the time being.

Seeing Liu Xianxian stood up, the fans who had been waiting for a long time swarmed over, excited to sign and take a photo.

Fortunately, Liu Xianxian brought enough bodyguards. They had long been accustomed to such a scene, and skillfully blocked the turbulent crowd, making them line up one by one.

You can sign, don't even think about taking pictures, it's a waste of time.

Liu Xianxian was busy signing autographs for fans, and said to Li Yun without looking up:

"Director Zhang, Li Yun, you guys should go first, and I will leave after signing, and we will meet again in the future."

Li Yun frowned slightly, it seemed that Liu Xianxian's tone was a bit strange?

"Ding, trigger the option event, please choose from the host:

Option 1: Leave without hesitation, reward skill: straight man of steel.

Option 2: Show a gentleman's style, stay and accompany Liu Xianxian to finish the autograph session, protect her safety, reward Liu Xianxian with a certain degree of favorability, justice value +5, experience points +3000, and a random skill. "

Rewarding favorability again? Wouldn't it be necessary to break through 80 points and become the point where the relationship between boy and girl friends?

Li Yun glanced at Fang Xue, hesitated, and chose to stay!

80 is 80. If you want to come to Liu Xianxian, knowing he has a girlfriend, he won't confess so quickly, at least it is possible to have a good impression of over 90!

"what?"

Hearing Li Yun staying behind, Liu Xianxian, who was busy signing an autograph, raised his head and glanced at him. There seemed to be a strong surprise in his eyes.

She didn't look up at Li Yun just now because she didn't want him to know that she actually wanted to stay with Li Yun more and wanted Li Yun to stay with her.

Could it be that Li Yun saw her intentions?

Or is it that Li Yun and her are connected?

Thinking of this, Liu Xianxian had a sweet feeling in his heart, showing him a bright smile, nodding heavily: "Okay, Li Yun, stay with me, hehe~"

This international star's happy smile from the heart, even a fool can see that Liu Xianxian's strange feelings towards Li Yun.

Chapter 108: Hero saves beauty

"Humph! I will find you to settle the account later!"

Fang Xue pinched Li Yun's waist, pulling Li Feng's hand in anger and leaving.

Although angry, she still 'generally' left some time for Li Yun and Liu Xianxian to communicate.

Before Zhang Ke left, he glanced at Li Yun with a weird face. He never expected that this handsome-looking and sunny boy won Liu Xianxian's favor. They seemed to be in a relationship between men and women?

However, if this news spreads to the Internet, it will definitely cause an uproar!

When the time comes, Liu Xianxian's fans, both men and women, are afraid that they will tear up Li Yun who took their goddess away!

Li Yun smiled and said, "Xianxian, continue to sign, I will stand behind you."

"Um!"

Liu Xianxian's heart is both shy and sweet, and only thinks that this autograph meeting is the safest one she has ever experienced!

Li Yun stood behind her like a needle in the sea, making Liu Xianxian feel warm and safe.

Her fans are a little too enthusiastic, and every time it takes a lot of effort to maintain good order, Liu Xianxian is very relieved with Li Yun, a 'chivalrous man' standing behind him.

"I, Cao, this guy is so close to the fairy sister!"

"I'm sour, I can be so close to the fairy buns by writing a song, why can't I do it!"

"Xianxianxianxian, don't like this man when you go!! He already has a girlfriend!"

"I feel inexplicably that Li Yun and Xianxian are actually very good match..."

The fans looked at Li Yun with extremely envious eyes, wishing that it was them who guarded Liu Xianxian at this moment!

The bodyguards are about to cry. They have been Liu Xianxian's bodyguards for so long, but they have never been so close to Liu Xianxian.

It can be said that the position where Li Yun stands now is where the bodyguards are most yearning!

The two were very close, Li Yun seemed to be able to smell the virgin fragrance from Liu Xianxian's body, and when he lowered his head slightly, he could see her beautiful white neck like a swan neck.

Liu Xianxian held the penholder with his slender fingers, and in the scene of earnestly signing autographs to enthusiastic fans, Li Yun only felt that it was so beautiful, and it took a lot of effort to look away.

This innocent and kind-hearted star is very graceful, curvy, graceful and graceful, and every move can attract Li Yun's attention.

"Xianxian, I love you!!"

Suddenly, an excited roar came from the crowd. Liu Xianxian raised his head in surprise and saw a big fat man weighing at least three hundred catties upwards. He violently smashed away from the two bodyguards. The fat face flushed with excitement, and he leaped towards her excitedly.

"Sister Shenxian, I like you so much, I really like you so much! Marry me, I will be nice to you!"

At this moment, Liu Xianxian was really frightened.

With her figure, if she is so crushed by this crazy big fat man, she is afraid that her slender waist will be crushed!

Everyone was also stunned. The bodyguards were all dumbfounded. Several good bodyguards didn't even have time to react, allowing the big fat man to rush towards Liu Xianxian.

"Li Yun..."

When Liu Xianxian's eyes were occupied by the figure of the big fat man, at this critical moment, the figure of Li Yun flashed in his mind.

"boom!"

There was a loud noise, as if someone had thrown a large piece of pork on the chopping board, making a clanging sound.

With a scream, the fat figure left Liu Xianxian's sight, replaced by the handsome figure of the man in her mind.

"Li Yun!"

Chapter 109: sweet Nothing

Liu Xianxian, who had escaped from the dead, stood up excitedly and hugged Li Yun from behind desperately. His excited voice contained tenderness and affection: "Li Yun, I, I...Thank you."

She wanted to confess directly, but sadly thought that Li Yun already had a girlfriend.

"It's okay, it's okay."

Li Yun gently rubbed Liu Xianxian's head. She was so frightened that Huarong was pale, and her impulsive behavior was normal.

"Um."

Knowing that it was not easy for the public to continue holding Li Yun, Liu Xianxian blushed and let go of him.

The big fat man was kicked out by Li Yun with one knee and knocked down the two bodyguards. Fortunately, the bodyguards were strong enough to bring about no consequences.

Fortunately, the fat man has a fat body. Although he was kicked by Li Yun, he finally did not hurt his muscles.

The bodyguards rushed up and grabbed the fat man. Liu Xianxian sighed slightly and said, "Don't make him too hard, let the police handle it. Xianxian also advises everyone not to act irrationally, otherwise Xianxian is really real. I'm afraid I will continue to sign for you."

Suddenly, everyone glared at the fat man with angry eyes. If Liu Xianxian, who had been killed by him, canceled the autograph session, they would have to take off the fat man's skin!

After that, there were no more waves in the signature meeting, and it ended smoothly, and the rewards of the system came along with it.

"Ding, the host made a choice, and the reward (Liu Xianxian favorability +15, justice value +5, experience points +3000, acquired skill: sweet talk) has been issued!"

Sweet words: Your words will make girls who like you feel happy. The more girls who like you, the easier it is to be moved by your words.

For this skill, Li Yun can't laugh or cry. Does he still need this kind of **** skill? No need at all!

I didn't see that Liu Xianxian's favorability for him has reached $78+15=80$... not right! !

Li Yun was stunned. Liu Xianxian's favorability for him has reached 93 points? !

A favorability of 93 points means that Li Yun can do more with her. It can only happen between couples. It is not a problem to kiss and hug each other.

Even when the time is right, Li Yun can accept Liu Xianxian's sweet night.

As long as he doesn't do some deceitful behaviors, the 93 points of favorability cannot be lowered, but slowly increase, until after something happens, 100 points are full, and there is no possibility of lowering!

"Li Yun, let's go~"

After signing the autograph, Liu Xianxian took the initiative to hold Li Yun's hand, and took him to the restaurant with a happy expression and got in the same car.

Behind the two of them, there were countless pairs of envious eyes watching, but Liu Xianxian didn't want to think about that much now, let them see it, even if it was uploaded to the Internet, it didn't matter.

When I got into Liu Xianxian's car, Li Yun smelled a good smell. This should be Liu Xianxian's body scent. The fragrance was charming and very wonderful.

"Xianxian, where are we going?"

In the small back seat, the two were close to each other, and Liu Xianxian still hugged his arm intimately, which made Li Yun unavoidably a little confused and imaginative.

"You, are you still going to class this afternoon?" Liu Xianxian asked expectantly in a low voice.

"No, take leave this afternoon!"

Seeing her shy look, Li Yun finally couldn't help it, took the initiative to hold her hand, and said softly, "Shall I accompany you to stroll around in Longyang County?"

Feeling the warmth of Li Yun's big hands, Liu Xianxian gave a cry and blushed and agreed.

"Brother, welcome back~"

Caiwei ran out to greet him, looked at him with shining eyes, and asked expectantly: "Brother, sister said you went out to play with the fairy sister, is it true?"

"This... is true!" Li Yun was a little embarrassed, and quickly took out a few gadgets, "This is a gift from Xianxian. You and Caixia share one."

"Wow, brother, is the real fairy sister prepared for us?"

The sisters were happily, but Li Feng held both hands and said in a meaningful way: "It's amazing, Xianxian actually knows that we have twin sisters in our family. It seems that Li Yun, you talked a lot with her?"
