

Godly Choice 1061

Chapter 1061: She is interested in someone

The talent is amazing and the origin is mysterious. When you get along with Shangguan Lingxian in just a few days, you can call her Lingxian intimately.

This gave Feng Changhua a deep sense of crisis, which was stronger than when Song Yuan and Shangguan Lingxian were researching prescriptions together last time!

No, never let the spirits be snatched by others!

Feng Changhua screamed crazy in his heart. He liked Shangguan Lingxian for ten years. Not only did she look very beautiful, she had superb medical skills, and she was also a noble birthplace. She was the daughter of Shangguan family in the four great families of the rivers and lakes.

As long as she marries her, with the help of Shangguan family, he will surely be able to win the position of Tiandan Sect in the future!

"Lingxian."

The expression on Feng Changhua's face turned soft, and he looked at her gently and said: "I don't think Li Yun is worthy of friendship. Not only does he openly scold your school, but also cynicism. It can be seen that the belly is too small. I advise you to pay more attention. He is good."

Shangguan Lingxian frowned. She didn't like talking about others behind her back, let alone talking about good friends she cared about.

But she had a soft personality, so she didn't want to refute Feng Changhua, so she was silent and did not speak.

"By the way, the spirit fairy."

Feng Changhua mentioned another thing, pretending to have heard it accidentally, and said: "It seems that I heard someone say that your family is going to book you a marriage?"

His words made Shangguan Lingxian turn her attention back, but her willow eyebrows were still frowning, and she said displeasently: "There is such a thing. It is mainly my mother. She said that I am older and should be appointed to a good one earlier. , Lest... something like this happens again."

A series of Song Yuan's incidents were caused by her. Although no one would say it on the face, someone would ridicule her secretly for being a confidant, making Tiandanmen uneasy, and even in the various branches of the rivers and lakes. The faction suffered for it.

Feng Changhua's eyes became fierce, but soon suppressed it again, and asked with a smile: "Then do you have anyone you like?"

For an instant, Li Yun appeared in Shangguan Lingxian's mind, if it was him....

"No, no!"

She shook her head quickly and expelled Li Yun's figure.

Li Yun told her that he had a girlfriend, and Shangguan Lingxian always felt that there was a gap between him. For example, just now, Li Yun's straightforward words made her very unbearable.

Although rationally telling her that Li Yun did the right thing, Shangguan Lingxian still feels uncomfortable in terms of sensibility.

Li Yun's approach is too blunt, and she can't accept it all at once because of her gentleness.

"She is interested in someone!?"

Feng Changhua's pupils shrank, and he clearly saw a blush on Shangguan Lingxian's cheeks, something that had never happened before.

The younger sister is very knowledgeable. She does not read books to plant herbs or go to the clinic of Tiandanmen to treat patients. Life is very simple. She has never been ambiguous with a man, and she will not blush because of a man.

But now...

No, he wants to speed up, and must take the spirit fairy!

"Junior sister, what do you think of me?" Feng Changhua asked tentatively.

"what?"

Shangguan Lingxian looked at him in surprise, and Feng Changhua's eyes showed a gentle emotion: "Junior sister, do you know? You, who I have always liked, are known to all the clans, but you are the only one..."

"Brother!!"

Shangguan Lingxian interrupted him and said seriously: "I have no feelings between men and women for you."

Chapter 1062: Can't guess it

"Lingxian, me!"

Feng Changhua clenched his fists, a distorted expression on Jun's face, but only for a moment, the expression turned into a distressed look.

"Brother, I told you a long time ago?" Shangguan Lingxian felt that something was wrong, took a step back and said: "I only regard you as a senior, and I don't have that feeling of liking, so I'm sorry. , I cannot accept you."

"No, nothing."

Feng Changhua's tone was stiff, and various thoughts flashed in his mind. After thinking of Li Yun, he blurted out, "I will definitely get you!"

"Brother?"

"In any case, I must marry you!!"

Feng Changhua frantically wanted to step forward and hug her, but Shangguan Lingxian dodged lightly, and said softly, "Brother, you are getting closer!!"

Feng Changhua has calmed down a bit now, but his tone is still firm: "I will let my parents go and give you a betrothal gift. If they find a good son-in-law, then I will recommend myself, and I will definitely get you!"

"I won't agree!"

Shangguan Lingxian took a step back, a pair of stubborn eyes full of stubborn expressions: "I only marry the person I like. If not, I would rather stay with the doctor for the rest of my life."

The figure of Li Yun appeared in her mind again. Feng Changhua's changes made her very surprised. Now she is upset. Perhaps only Li Yun can advise her to stop these upsetting things.

"Brother, I'm tired. Go back and rest first. You can also stay at Song's house for now."

Shangguan Lingxian stepped back on alert, away from Feng Changhua, then turned around, walked a few steps out, stopped and said, "Even if you hire me, or my parents arrange for me to erode, I will not agree!"

After speaking, she quickly left, the direction was Li Yun's room.

"Don't agree?"

Feng Changhua laughed, no one knew Shangguan Lingxian better than him.

His fairy sister has the weakest personality. She will definitely consider the marriage with the consent of her parents. As long as she has to grind it over, the younger sister who is the least good at rejecting others will inevitably agree to the engagement.

After determining the relationship between the unmarried couple, the above-mentioned concept of the official spirit will surely be a good husband and child, and there is no possibility of changing their hearts!

"Unexpectedly, if Song Yuan is settled this time, there will be surprises."

A trace of complacency flashed in Feng Changhua's eyes, which could force Shangguan family to find a fiancé for Shangguan Lingxian. This move is really wonderful!

Feng Changhua, as the senior brother of Shangguan Lingxian, knows his roots and knows the bottom line, and a childhood sweetheart, besides him, who else can be the son-in-law of the official family?

...

"Li Yun."

After leaving Feng Changhua's place, Shangguan Lingxian went directly to Li Yun. For some reason, when she saw Li Yun sitting in the room calmly playing on her mobile phone, her upset emotions disappeared and became much more stable.

"Lingxian, what's wrong with you?"

Li Yun smiled unexpectedly. Without looking at the expression on Shangguan Lingxian's face, she just walked in without knocking at the door, and sitting in front of him with enthusiasm, he knew this spirit. The medical fairy is in a bad mood.

"Huh~"

Shangguan Lingxian picked up the teapot, poured himself a cup of tea, and complained: "Aren't you very smart? You can't guess that?"

Li Yun shrugged, "He is your brother, how dare I guess."

"You teased me again, you obviously dared to talk back to him just now!"

Shangguan Lingxian gave him a cute white eye. Li Yun was very funny. There are probably not many people who can see the expression of Lingyi fairy white eyes. Normally this guy is gentle and holy, and he will not show others in front of outsiders. expression.

Chapter 1063: I raise you

Li Yun smiled and said: "Well, don't worry about it. If you are willing to say it, maybe I, a smart person, can give you some tips."

"I put gold on my face, shameless~"

Shangguan Lingxian took a sip and drank a sip of tea before he said: "In fact, it's nothing, brother, he has always liked me."

"Of course, fools can see it." Li Yun said lightly.

He had already guessed who the person behind Lin Tianle was, there was no doubt that it was this Feng Changhua!

"...I thought he had given up, alas."

Shangguan Lingxian sighed, "I really don't like him... I'm talking about the likes of men and women. As far as the brothers and sisters are concerned, he is a good brother, of course I like him."

Li Yun smiled and motioned for her to continue.

It is estimated that Shangguan Lingxian has never said these things to anyone. He poured water in a bamboo tube and said all the things just now, mixed with some of her little emotions, some complaints, some worries, but more of sorrow. If you stay unengaged, I'm afraid it will hurt more people.

Gentle as always.

"Now my family wants to find me a marriage, I'm so annoying~, I don't have any..."

Shangguan Lingxian suddenly realized that the one sitting opposite was him, Li Yun, the person who appeared in her mind, and she...

Huh, Shangguan Lingxian's face turned red, and she almost suddenly became fidgety.

She said so much in front of Li Yun just now. Isn't she suggesting that he should go to her house to ask for a kiss?

However, if Li Yun really asks for a kiss, will she agree, or will she not agree?

For the first time, Shangguan Lingxian seriously thought about his marriage, his face was flushed, and he was too shy to look at him.

"Ding, trigger the option event, please choose from the host:

Choice 1: "I will marry you", reward experience value +500,000, free attribute +1888, purple gift bag*1, and Shangguan spirit fairy favorability +5.

Option 2: Without further ado, step forward and kiss her, reward experience value +1 million, all attributes +1000, purple gift bag*1, trigger event: Shangguan spirit fairy may be full, or it may drop to the bottom.

Choice three: "I raise you", reward experience value +500,000, all attributes +500, purple gift bag*2. "

What's the meaning?

Li Yun quickly thought about the difference between Option 1 and Option 3. 2 is definitely not a choice. A Shangguan Lingxian will completely hate him if she doesn't deal with it. Now when her favorability is 94 points, fools will be so urgent.

Option one, plus Guan Lingxian's 5-point favorability, reached 99 points.

But it seemed a bit too abrupt to say to marry her directly.

But what does "I raise you" mean?

"I, I, I, I'm leaving now!"

Shangguan Lingxian panicked and wanted to stand up. The next moment, Li Yun subconsciously grabbed her little hand.

With a slender white hand and a soft, boneless touch, Li Yun's heart swayed, looking at her blushing cheeks, he almost couldn't help kissing him.

"Lingxian, sit down first."

Li Yun held back the flames in his heart, pressed her to sit down again, and said, "Actually, it is very simple to be resolute in this matter."

"Well, I'm listening."

Shangguan Lingxian's voice was as thin as a mosquito, glanced at him quietly, and then quickly lowered his head.

Li Yun smiled and said: "I have heard a saying that when you are upset and have no clue, you might as well try to start from your heart."

Chapter 1064: Starting from the heart

"Start from the heart?" Shangguan Lingxian repeated his words once.

"Correct."

Li Yun nodded, "Think about what you wanted to do in the first place? In fact, your purpose has not changed. It's just that you are disturbed by these messy things and thoughts. As long as you stick to the original practice, the side effects Things won't affect you."

Shangguan Lingxian frowned slightly, but soon stretched out again, and smiled again on his face: "I understand. Actually, I didn't want to get married so quickly at the beginning. After all, I will focus my energy on... And I want to learn more medical skills."

When she talked about her husband and son, her face turned red again, and she took a peek at him, her shy appearance was particularly moving.

"That's right." Li Yun said with a smile: "For the things you don't like, you can just push them away. I believe the spirit fairy will have the courage to do so."

After a pause, he said: "Even if you don't have the courage to refuse, as long as you tell me, I will definitely help you! Well, it means that I am your backing!"

"Hee hee~"

Shangguan Lingxian lowered his head with a shy smile, and quickly raised his head, pursing his blushing lips, his eyes filled with watery mist, he stopped talking, and finally he didn't ask.

"Ding, the host makes a choice, rewards experience value +500,000, all attributes +500, purple gift bag*2, extra reward: Shangguan Lingxian favorability degree +3."

94+3, 97 points in total!

Li Yun was very satisfied, and said jokingly: "If you can't find a reason to refuse your parents' marriage, then come to me to pretend to be a boyfriend. The kid is always waiting, and it's okay to do a fake show."

Shangguan Lingxian chuckled and said softly, "I don't need you. Let's tease me less."

It is always a pleasure to chat with Li Yun. Shangguan Lingxian unknowingly stayed in his room for another afternoon. When he met Feng Changhua at dinner, the latter's face was as black as the bottom of a pot.

The three stayed at Song's house for another day, and finally confirmed that Song Yuan would not come back.

During this period, Li Yun and Feng Changhua disliked each other, and there was basically no good thing to say when they met, which made Shangguan Lingxian embarrassed.

"Song Yuan's goal seems to remain the same. It's useless for us to stay here."

That morning, Li Yun and Lingxian met and discussed, and Feng Changhua naturally followed along.

"Then where are we going?" Shangguan Lingxian looked at Li Yun with a pair of beautiful eyes, and Feng Changhua saw everything in his eyes, the deeper his hatred for Li Yun in his heart.

Now his junior's dependence on Li Yun is getting deeper and deeper, and I have to ask him everything!

"I said before that a right time requires not only the right time and place, but also the harmony of people."

Li Yun said directly: "Kong Hongda, Shen Yuan, Zhou Minghui, Zhang Xing, they are all Song Yuan's revenge targets!"

While uttering these names, Li Yun looked at Feng Changhua specifically and found that his expression seemed a little unnatural, and he suddenly had some guesses in his heart.

"Are you saying you are going to their house and waiting for Song Yuan?" Shangguan Lingxian asked.

"No, instead of waiting, it's better to take the initiative to fight Song Yuan!"

"Join a fight?"

"The location is fixed at Tiandanmen!"

Li Yun stated his plan and asked the families of those people to go to Tiandanmen. Song and Yuan had no one to avenge, so they could only go to Tiandanmen.

"How are you sure that Song Yuan will go?" Feng Changhua was the first to object.

"This matter must be resolved."

Li Yun glanced at him faintly, "The news was released and said that by then I will look back at the celebration of the day again. I believe that Song Yuan, who has become stronger, will not be afraid to confront him!"

Chapter 1065: Ding, amulet

"Especially you, Brother Feng," Li Yun gave Feng Changhua a deep look, "I believe Song Yuan will show up when the spirits and others are also present!"

Feng Changhua was a little uncomfortable with Li Yun's eyes, and coldly snorted: "You are right, the demon of Song Yuan has been coveting junior sister for a long time, you use junior sister as bait, there is no reason why he will not show up! "

"You always have to face Song Yuan." Li Yun explained faintly, Feng Changhua mocked him for using Shangguan Lingxian, but Song Yuan's strength is now advancing by leaps and bounds, and ordinary innate masters can't help him.

And Shangguan Lingxian is his obsession, he will definitely go to Tiandanmen to see her again!

"Okay, that's it!"

Shangguan Lingxian clapped his hands and agreed, and smiled and asked Li Yun: "Then we should invite those related people to Tiandanmen?"

Feng Changhua immediately proposed: "Why don't we split up and go to a place with Lingxian. Brother Li, you are a martial arts genius, so naturally you are not afraid of Song Yuan, so you can go to a place by yourself?"

Shangguan Lingxian glanced at Feng Changhua unexpectedly. The brother seemed to have changed a little and became even more mean. Is it because of Li Yun?

"Ding, trigger the option event, please choose from the host:

Option 1: Agree with Feng Changhua's suggestion, choose one from Wei Gang, Kong Hongda, and Shen Yuan to go, reward experience value +500,000, all attributes +500, purple gift bag*1.

Option 2: Reject, go with Shangguan Lingxian, reward Shangguan Lingxian with +1 and experience value + 1 million.

Option 3: Agree, but choose to go to Zhou Minghui's house alone and visit Xia Feiyao. Reward: experience value +2 million, all attributes +1000, golden gift bag*1, purple equipment: amulet (limited to Shangguan spirit fairy). "

Li Yun was a little surprised. He didn't think Zhou Minghui's house was still near Qinglei Valley.

So, it's time to visit Xia Feiyao.

At that time, Li Yun separated from her, saying that he would go to see her after he became stronger. Now after just two months, his strength has soared from the original body tempering state to the innate state, plus the divine mind attack, normal In the late congenital period, Li Yun was sure to fight with him.

If he really fights, with Shirvin, Nine Heavens Thunder Talisman and other equipment, he even has the confidence to head-to-head with the master!

"it is good."

Li Yun nodded and agreed, "The sooner this matter is over, the less killings caused by Song and Yuan Dynasties. I will go to Zhou Minghui's house and have a look. By the way, I will invite them to Tiandan Gate, but you need a token from the spirit fairy Prove."

Seeing Li Yun's agreement, Shangguan Lingxian had to agree, but she said, "Since we are going to act separately, then the three of us should go to the homes of Wei Gang, Kong Hongda and others."

She rejected Feng Changhua's suggestions from her peers and chose to act alone, with a firm attitude. She did not give Feng Changhua a chance to speak any more.

When Li Yun watched Feng Changhua lift a rock and hit him in the foot, the suffocated and depressed expression was funny.

Feng Changhua probably doesn't know that Shangguan Lingxian has a good impression of Li Yun at 97. Li Yun will kiss her now, and the fairy doctor will not be angry.

"Ding, the host makes a choice, experience value +2 million, all attributes +1000, golden gift bag*1, purple equipment: amulet (limited to Shangguan Lingxian), extra reward: female hero tights (purple equipment, limited To Xia Feiyao)."

Chapter 1066: Additional rewards

I go! Are there additional rewards?

Li Yun was shocked. A selection event rewarded two pieces of equipment, plus experience points and attribute points, which were comparable to the golden equipment rewards for investigating the Song and Yuan affair.

It seems that going to Qinglei Valley this time will probably not go so smoothly.

But this woman's tights...

Li Yun's gaze was attracted by it, Nima's, isn't this just a tight swimsuit? The workmanship is really exquisite, if you wear it on Xia Feiyao's huge young loli, I am afraid that it is not just standing by the pool that the pool water will turn red.

——The man had a nosebleed when he saw her.

"Women's Tights

Special effect: Resist a fatal injury, and a certain degree of immunity to evil poisons.

Description: Full body coverage, full of elasticity, warm waist protection, beautiful body shaping, favorite items for special people. "

Li Yun took a deep breath. Xia Feiyao recklessly wanted to be a female hero into the casino, but was almost fascinated by the minions of the Lie Demon Sect with drugs. Li Yun broke into the roof and rescued her. Xia Feiyao's body had a stupid drug attack, and by chance, her favorability for Li Yun went from 0 directly to 100, full.

Speaking of it, Xia Feiyao is still the third girl who has a good impression of Li Yun. The first is Fang Xue, the second is Little Chili, and the third is her.

It's just that Xia Feiyao was born in Qinglei Valley. Li Yun was too weak at the time and could only be separated from her first.

This female heroine tights is quite suitable for her. It is soft and close-fitting, graceful and colorful. It will definitely make her figure top-notch when worn... No, what he means is that it will definitely feel safe and protect well. That reckless girl!

"Li Yun, what are you laughing at?"

Shangguan Lingxian looked at him suspiciously, always feeling that he was thinking of other girls! !

"Ahem, Lingxian, come with me." Li Yun said calmly without blushing or breathing, and the distracting thoughts in his mind could not affect his expression at all.

"what?"

Shangguan Lingxian became more suspicious, and followed Feng Changhua's murderous gaze to a small garden alone.

"what happened?"

After the two of them moved away from the crowd, Shangguan Lingxian showed him a gentle and beautiful smile, which could easily kill most men in seconds.

Li Yun felt itchy in his heart and couldn't help but stretched out his hand to pinch the face of this holy and pure white spiritual doctor fairy, making the other party flush with shame, no more gentle look, turning into infinitely shy, one pair The beautiful eyes stared at him angrily, seeming to blame Li Yun for not treating her like this, too... men and women can't stand it!

"Hey, I'll give you a good thing from Lingxian!"

Li Yun brazenly ignored her grotesque gaze, took out the amulet and stuffed it into her white and soft palm.

By the way, I touched her weak and boneless little hand, which was gentle and soft, with a great touch.

"Li Yun, you!"

Shangguan Lingxian was ashamed and angry. If other men treated her like this, she would have turned her face away and shook off her hand.

But for some reason, this spiritual medicine fairy, who was liked and admired by countless young masters in the world, is now pounding in his heart. Although a little annoyed, he is more shy.

And a kind of joy and happiness from the bottom of my heart.

"This amulet is not easy!"

Before the lady became angry, Li Yun quickly introduced this amulet.

When Shangguan Lingxian heard that the amulet can automatically resist fatal damage, even prevent the approaching of the evil spirits, and can also make ordinary zombies afraid of various effects, his beautiful eyes widened in surprise.

"real?"

"Of course, when did I lie to you?"

"Ah, I'm sorry, it's not that I don't believe you, I'm just... so surprised!"

Chapter 1067: It's time to open the bag again

Shangguan Lingxian held tightly the amulet that Li Yun gave her. This amulet that can be stored next to her body gave her a strong sense of security. Firstly, it was given to her by Li Yun, which has a special meaning. Secondly, she just came into contact with zombies. This kind of horror and weird thing is when I feel scared.

Just like these two days, Shangguan Lingxian would be a little scared when sleeping at night, always feeling that something would come out in the dark.

Fortunately, Li Yun lived not far from her, which allowed her to sleep peacefully.

Hearing the separate action, Shangguan Lingxian was still worried about whether he would be afraid at night. With the amulet given to her by Li Yun, he felt much safer.

"Thank you, Li Yun~"

Shangguan Lingxian's tone is soft, and the tenderness in her eyes is like water, which is different from her usual gentleness to patients. This kind of tone mixed with certain emotions seems to be soft and soft, making Li Yun's bones crisp. Half a catty.

"Only amulets won't work, it's better to have a weapon!"

In order to hear more of these sounds, Li Yun gritted his teeth and decided to open another gift bag!

"arms?"

"Lingxian, wait a moment."

"Um."

Shangguan Lingxian nodded obediently, placed the amulet next to his body, and placed it on his chest. The soft, girlish breath dyed this otherwise mediocre amulet with a gentle scent, the fragrance of a virgin.

Li Yun turned his gaze forcibly, just now Shangguan Lingxian used his slender fingers to pick up his cardigan and put the amulet on his chest. The action was incredible.

The holiness reveals charming charm, like a noble saint, who is tempting Li Yun to taste her taste.

"System, open all white gift bags!"

"Ding, the host opened the following items from the white gift bag: 250ml of mineral water*1, three hundred pieces of flour*1, fairy rice cakes (big bag)*2, potato chips*1, girls with unknown origins Swimsuit*1 worn, sunglasses*2..."

A lot of messy things made Li Yun speechless. He shouldn't expect anything good from the white items. At best, he occasionally took out some snacks to taste.

Fortunately, the inventory of the system is unlimited, but because of this, Li Yun's space ring is a bit useless, so he just gave it to Qingyu.

"System, open the green gift bag!"

"Ding, a small building base*1."

"Ding, congratulations to the host, open the purple equipment in the green gift bag: amulet."

"Ding, congratulations to the host, open the purple equipment in the green gift bag: the heart guard."

Li Yun was very surprised. He was lucky today, and he even put out two pieces of equipment in the green gift bag!

It just happened to give one to all the confidantes around him.

But maybe it's running out of luck, and what Li Yun drove next was all rubbish.

"Ding, Detoxification Pill*2, Restoration Pill, Foundation Pill, Peiyuan Pill*2."

Six golden gift bags, each from the bone ghost and Taoist, donated 10 yuan of public welfare funds for the game to expose the conspiracy of the Zhong family, and two at the Baiyun Technology Conference, all of which were prescribed.

Li Yun was very depressed, and cursed: "Nima's cushion method is really effective, and you can't open it after you run out of luck!"

So now he couldn't even give Shangguan Lingxian a weapon to protect him.

"What's on?"

Shangguan Lingxian kept looking at Li Yun, and when he saw the expression on his face suddenly happy and depressed, he was very puzzled.

Chapter 1068: Ding, special golden equipment

"No, nothing."

Li Yun shook his head. He didn't mind acting like this in front of the immortal, because the existence of the Lotus Immortal Mansion gave him an excuse to explain the system.

However, the existence of Lotus Immortal Mansion can only be known to Li Yun after Shangguan Lingxian's favorability reaches 100.

Although Gong Lianyi did not have a favorability score of 100, only 99, she had a heart knot, which was different from Shangguan Lingxian's favorability score of 98.

"The last golden gift bag, cheating system, open a weapon for me!"

Li Yun gritted his teeth and chose to open the last gift bag. After all, according to the cushion method, luck is conserved. He has just decayed, and his luck will soon change...good.

"Ding, congratulations to the host. From the golden gift bag, I opened the special golden equipment: Yin Yang Harmony Pearl."

Special gold? !

Li Yun was so excited that he hurriedly checked the effect of this piece of equipment.

"Yin Yang Harmony Pearl

Special effects: harmonize the blood, yin and yang together, remove blood stasis and stop bleeding.

Explanation: This pearl can cure diseases and save people, and the effect of transforming yin and nourishing yang can also make evil things fear.

Skills: Water Blossom Sky Screen (1/1), which can spur a water-attribute brilliance, shake off demons and ghosts, and quickly restore health. "

After reading it, Li Yun was thoughtful, isn't this just a piece of auxiliary equipment?

There are attacks, defenses, offensive and defensive in one, and it can also milk people.

It is estimated that these three functions are not very powerful, and are better than a single attribute equipment, but this bead is simply tailor-made for Shangguan Lingxian!

Coincidentally, the gift bag for opening this bead was obtained in a selection event that had some relationship with Shangguan Lingxian.

"Lingxian."

Li Yun held her little hand again, this time Shangguan Lingxian did not refuse, and blushed down his head, allowing Li Yun to stroke her soft palm back and forth wantonly.

Then, a soft bead was stuffed into her hand.

"Huh? This is...?"

"Yin and Yang harmony beads!"

Li Yun explained: "As long as you inject innate true energy, this bead can exude a kind of water-like power, cure diseases and save people, and even get rid of the evil corpse poison, etc. You don't even need to read that book of "Dead Poison" , With this bead, people and even animals infected by corpse poison can be cured!"

While introducing Li Yun, holding her soft little hand, enjoying the bare hands of this beautiful and holy spiritual medicine fairy, Li Yun was secretly uncomfortable.

98 points of favorability, so that he can almost do whatever he wants with the fairy doctor.

"real?"

The magic of yin and yang harmony beads made Lingyi fairy forget about being shy. After she got rid of Li Yun's harassment, she put the beads on her chest, closed her eyes and mobilized the innate qi in her dantian, and slowly injected it into the beads.

Suddenly, a warm faint radiance radiated, and Shangguan Lingxian felt that this power was very peaceful, and it was even better than the heart technique "Pill Sage True Qi" that she cultivated to treat illnesses and save people!

"Li Yun!" Shangguan Lingxian opened his eyes excitedly, and took the initiative to hold Li Yun's hand and looked at him excitedly: "This bead suits me too well. Is it a magical tool you made especially for me?"

"Ahem, that's it."

What the system gave to her was something that Li Yun had specially created—he cheekily admitted it.

In addition, from the movement of Shangguan Lingxian putting the beads on her chest just now, Li Yun discovered that her figure in a thick undergarment had grown quite astonishing.

Chapter 1069: Lingxian, you forgot one thing

Shangguan Lingxian's hidden figure is not much worse than Xia Feiyao, she is definitely a mature and graceful body, exquisite and elegant!

"Unexpectedly, everyone in the arena praises the kind and holy spiritual doctor fairy, who actually has such a hot body!"

Li Yun glanced at her, feeling deeply moved.

Shangguan Lingxian noticed his strange eyes, flushed with shame, and glared at him again angrily:

"Li, Li Yun, you must not mess around!"

She could only warn him verbally, if Li Yun really did something to her, Shangguan Lingxian really didn't know whether to refuse.

Just like Li Yun pinched her face and stroked her little hand, Shangguan Lingxian did not refuse.

"No, I just couldn't help it."

Li Yun narrowed his defense, and succeeded in gaining another cute eye of the fairy doctor fairy.

"Ahem, let's go with the wind."

Li Yun hugged Shangguan Lingxian's slender waist, and in her trembling eyes, kissed her smooth forehead.

"Take care, spirit fairy."

".....Um."

Shangguan Lingxian was so shy that she closed her eyes. If Li Yun kissed her lips at this time, she would definitely not be able to refuse.

But fortunately or regrettably, Li Yun didn't do that, which made Shangguan Lingxian breathe a sigh of relief.

Although she didn't dislike him, she could also accept that Li Yun had a few confidantes around her, and she could only be one of Li Yun's lovers.

She can accept all of these, but Shangguan Lingxian always feels that it seems to be developing a bit faster. She and Li Yun know too shortly, and they don't know much about each other. Li Yun doesn't know her background and experience, and she doesn't know each other. What have you done?

This kind of ambiguity, the two like each other, and they didn't clearly say it, just put each other in their hearts, this kind of just right feelings, Shangguan Lingxian was more acceptable.

"Li Yun, you too, take care."

Shangguan Lingxian hesitated to speak, and turned his back shyly, his voice trembling slightly: "I hope to see you in ten days, and everything will be fine. I'm leaving!"

"Um."

Li Yun looked at her beautiful figure away, suddenly thought of something, and quickly stopped her: "By the way, Lingxian."

"what?"

"Give you some pill, you find a time to take it, it will be good for your cultivation, and you will reach the master level faster!"

"Grandmaster..."

Shangguan Lingxian held the pill given to her by Li Yun, and wanted to say that she had never considered breaking through the master, it was too difficult.

But thinking that Li Yun's elixir can live to death, it seems that the master is not difficult.

"Okay, I'll take it again tonight."

Shangguan Lingxian agreed, turned around and walked a few steps forward, and was stopped by Li Yun again.

"Oh, yes, there are two other medicines, one is the detoxification pills to remove all the poisons in the world, and the other is the recovery pills. This is small, and this is medium... Remember?"

"Well, remember, then I'm leaving?"

"it is good!"

Shangguan Lingxian stepped back tentatively, and Li Yun smiled and stopped her again: "Oh, yes, there is one more thing."

"..."

Shangguan Lingxian tried his best to stare at him: "Bad guy, won't you finish talking in one breath?"

She is sure that this bad guy must be deliberate!

"Because of this matter, you need your cooperation."

A smile appeared at the corner of Li Yun's mouth, and he stepped forward and nodded his forehead. Shangguan Lingxian suddenly understood, his cheeks flushed red.

"You, you, you villain, you know this...just, this time, next time there won't be..."

Standing on tiptoes, red lips moved up and printed on Li Yun's forehead, his heart beating.

Three seconds later, Shangguan Lingxian panicked and fled in disorderly steps.

Chapter 1070: Song Hee's decision

Shangguan Lingxian left first. After giving Li Yun a letter of introduction, he quickly left with the two pieces of equipment he had given him, and was determined not to be on the same road with her second brother. They separated at the gate of Song's house. .

Li Yun didn't send her off, but went straight to Song Xi's boudoir.

This weak girl claimed to be ill, so she never showed up when Feng Changhua was there.

"Li, Li Yun!"

When the girl saw him entering her boudoir, she immediately became shy, and her small face, which was not outstanding, was full of nervous and shy expressions.

"Sit down."

Li Yun smiled and saw her embarrassed, and proactively said: "I am leaving. After your parents are resurrected, you can continue to be your daughter in the future, so you don't have to worry about family affairs."

Song Xi tightened his lips, and after a while, he whispered, "Then you won't come to my house?"

"The future is uncertain."

This sentence is basically equivalent to the default.

"Then... can I see you in the future?"

"Of course, if you want to see you, you are welcome."

"No, I don't mean that...thinking."

Song Xi plucked up the courage, looked at his eyes, blushed and said: "Li Yun, I want to go to your company in the future. I study business management and can be your secretary. I... can!"

Li Yun said: "Are you a freshman this year? I will only take the college entrance examination next month this year, and now you are still young, so you are not in a hurry for the future."

Song Xi looked sad.

She knew that Li Yun was very powerful and used the elixir to resurrect her parents. He was a very powerful man.

He must also be surrounded by some very good girls, such as Sister Lingxian.

And she Song Xi is only from a small family, let alone being Li Yun's wife, even being a small child is a bit unqualified.

—Her appearance is not very good. Although she is a little beauty, she is far worse than Shangguan Lingxian.

Wanting to stand behind Li Yun, he can only do his best to help him with some secretarial work. This is the only place Song Xi can think of close to Li Yun.

"However, if you still insist on this idea in the future, I will welcome you too!"

"what?"

Song Xi was pleasantly surprised by Li Yun's words, "I, I will, and I will be your secretary when the time comes!"

"Let's talk about it then, some of it is time."

Li Yun touched her head, Song Xi's character was too weak, and she couldn't get angry when she was under house arrest by her uncle.

For such a girl, plus her favorability is full, Li Yun didn't want to hurt her either.

"it is good!"

Song Xi agreed, with joy in his eyes. When Li Yun gave her some skin care pills and Xiaozhu Jidan, Song Xi was surprised and finally plucked up the courage to hug him.

"Brother Li Yun, I, I like you!"

"Uh."

Li Yun smiled bitterly, feeling that he really likes to be drunk with flowers, but this idea quickly disappeared.

Song Xi is not as good as Shangguan Lingxian, but now she is also a young girl, with a graceful figure, coupled with her fire-like enthusiasm, Li Yun was agitated, directly provoked her smooth chin, and kissed the blushing girl's lips. Go down.

"Well."

Song Xi, who was snatched from the first kiss, quickly fell into Li Yun's tenderness, and hugged his jerky response.

After a long time, Song Xi lightly panted and leaned on Li Yun's shoulder, whispering: "Brother Li Yun, ask for, ask for Xiaoxi."

Li Yun's heart trembled fiercely.

Unexpectedly, Song Xi is so bold. Perhaps this is the benefit of having a good impression of 100.

If Li Yun can bear it, he is a saint!
