

Godly Choice 1091

Chapter 1091: Someone met by accident

Zhou's family is located in the east of Xingning City, on a low mountain with mountains and waters in the outskirts. There are many fruit trees planted nearby, and there are farmland in the distance. It has a calm, elegant and peaceful atmosphere, just like an old manor.

When he arrived at the door of Zhou's house, Li Yun stopped the car and glanced at the open door.

There are two stone lions in front of the door, a few large characters on the plaque, the fallen leaves inside the door are piled up, and the leaves are whirling, quiet and elegant.

These are all normal. The only thing that is abnormal is a few people who come out from the door talking and laughing.

"what!"

After seeing one of them clearly, Xia Feiyao exclaimed and was about to speak, but Li Yun covered her small mouth.

"Don't talk yet."

"Well!"

Xia Feiyao nodded obediently to express her understanding, and then Li Yun let go of her hand.

The car was still some distance away from the gate of Zhou's house, just like an ordinary roadside car, without attracting the attention of those people.

"Elder Wei, go slowly!" An old man with a big smile said with a grin at a person slightly younger than him, with an extremely respectful expression.

This arrogant man is the Great Elder of Qinglei Valley, Wei Yiwu!

"Um."

Wei Yiwu waved his hand casually, indicating that the elder did not have to give it away,

"Tomorrow I will take the position of the head of Qinglei Valley, and you are welcome to visit the Zhou family at that time, and be a witness by the way!"

Wei Yiwu showed a weird smile and patted the old man on the shoulder with an expression of pity for him.

The old man answered no, nor did he not answer, he had to nod awkwardly.

"Hahaha, Zhou family...really, poor, poor!"

Wei Yiwu got into a car with a laugh, and said something that made everyone present feel inexplicable, completely puzzled.

"Ding, trigger the option event, please choose from the host:

Option 1: Follow Wei Yiwu, reward experience value +500,000, blue gift bag*3.

Option 2: Stay, visit Zhou's house, reward experience value +800,000, free attribute points +1000, purple gift bag*1.

Option 3: U-turn and leave, reward: none. "

The choice event was triggered again, and Li Yun frowned. The two choices given by the system seemed to have profound meaning, and it was impossible to tell which one was right.

While thinking, Wei Yiwu glanced over with a sharp look before getting into the car. Fortunately, the windows of this car were black, and the inside was not visible from the outside.

Even so, Xia Feiyao was so scared to breathe tightly, quite a thrill of sneaking in the middle of the night.

"Stop talking, he didn't find us."

Li Yun was very calm. As expected, Wei Yiwu turned his eyes and got into the car and left.

In the end, Li Yun didn't choose to follow him, and followed a simple rule: the more choices he rewards, the more problems there are.

After Wei Yiwu's car left, the old man seemed to be getting older and weaker, shaking his head and sighing.

"He is the steward Song of Zhou's family." Xia Feiyao whispered, "I came here as a guest when I was young."

She did not mention that she had visited recently, but it is of course to think about it. When she grows up, she becomes a young girl, so she can't visit other people's homes at will, and she doesn't have a girlfriend or something.

"Let's go down."

Before Steward Song closed the door, Li Yun and Xia Feiyao got out of the car, "Wait, senior!"

"You are...?"

Steward Song was taken aback, especially after seeing Xia Feiyao, a pair of muddy old eyes looked at her for a long time, and he didn't seem to dare to confirm.

"Grandpa Song!"

Xia Feiyao obediently stepped forward to salute, and said in a clear voice: "I am Xia Feiyao, um, I have been a guest with my father before."

Chapter 1092: No answer

Housekeeper Song finally recognized Xia Feiyao, with a surprised expression on his old face, and said in surprise: "Oh, it's Miss Xia, the old slave is dim, and he can't recognize you!"

Xia Feiyao grinned and said, "You are welcome, Grandpa Song, just call me Feiyao. Oh, yes, this is my...fiancee," she blushed, "We are here to visit Daxia Zhou today! "

Li Yun's polite salute, but Steward Song showed a look of embarrassment: "My master has rarely seen guests recently. It's not the right time for the two of you to come."

Li Yun smiled slightly and pointed in the direction Wei Yiwu had left: "Didn't the elder Wei just come out of your house just now? Who is he visiting?"

"This....."

Steward Song was embarrassed first, and finally said helplessly: "Well, please come with me, two of you, I will tell the master, as for whether you see it, I can't say for sure."

Xia Feiyao intends to have a relationship with him, but Steward Song did not dare to neglect it. He knew exactly who Xia Feiyao was. The daughter of Qinglei Valley has a noble status, and it is far from his butler who can afford a relationship. !

The three of them entered Zhou's house. Li Yun looked at the layout of the house inside. It was indeed a manor. There were few buildings but a lot of open space. The ground was full of litter, as if it had not been cleaned for a long time. There was a trace of ruin.

"what?"

Xia Feiyao was very strange and asked, "Steward Song, is there no one sweeping the floor here?"

"This this....."

Steward Song was still embarrassed and had to answer vaguely: "Master likes this, saying that Fallen Leaves is very poetic."

Shit poetic.

Li Yun cursed secretly in his heart, it is May, it is spring time, but there are so many fallen leaves on the ground, it can be seen that no one sweeps the floor for at least half a month.

This week, it's really getting more and more strange!

"Ding, trigger the option event, please choose from the host:

Option 1: Investigate what happened in Zhou's family in recent times, find an abnormal place, reward experience value +1.5 million, all attributes +1000, purple gift bag*3, blue gift bag*5, extra reward: a random high-level Martial arts.

Option 2: Turn around and leave. Reward skill: Crisis induction.

Option 3: Visit Zhou's house normally, reward: experience value + 100,000. "

Li Yun touched his chin, the system prompt was really timely, so Zhou's family did have a problem.

From the performance of Song Manager, Master Song is a bit weird.

"Two of you, please sit down first, and I'll tell the master."

Steward Song led the two to a living room and walked out the door and shouted: "Welcome the spring, bring tea to the guests!"

For a long time, no one responded.

Butler Song looked a little embarrassed, and shouted again, and finally a pungent woman's voice answered him.

"Calling, what is it?"

"you!"

Butler Song was so angry that Xia Feiyao also saw the problem, with a surprised look on her lovely face. There are such servants in the Zhou family?

"Why don't you go by yourself? Humph, you housekeeper is nothing but a servant after all, but now I am the master! You should serve me!"

Butler Song was speechless, unable to refute her, tremblingly walked to the kitchen to bring tea.

Xia Feiyao said she didn't need tea, but Steward Song insisted on going.

After he left, Li Yun and Xia Feiyao looked at each other, and fools could see the problem, but they saw the problem differently.

Chapter 1093: A sharp-mouthed servant

"These servants are so outrageous!"

Xia Feiyao said angrily: "Lingya has a sharp mouth, and it's really unreasonable to let the old housekeeper go to serve tea. It's really annoying to talk about the owner!"

Li Yun pondered for a while and asked her: "A servant wants to become a master, what can be done?"

"What else can be done? Unless the slave kills the master and steals the master's property!"

Xia Feiyao quickly replied, but Li Yun shook his head: "There are other ways to become a master."

"Other?" Baby-faced Xia Feiyao wrinkled her eyebrows and thought hard, then her face flushed, and she pinched Li Yun's waist, and whispered softly: "Husband, you are a big badass, always thinking about this, too broken!"

"What?" Li Yun was innocent, "I'm talking about serious things, but it's not a dirty thing!"

A servant wants to become a master. In addition to killing the master and occupying the family property, there is another serious way, that is, to become another master.

The man becomes the little white face, and the woman becomes the little concubine. It doesn't take many steps. As long as you are happy all night, you can fly to the branch and become a phoenix, and you will be hardened ever since.

Xia Feiyao gave Li Yun a cute roll of eyes, but she had to agree with her husband's opinion: "That Yingchun might indeed be the concubine who became Zhou Daxia...Unexpectedly, Zhou Daxia was also... romantic!"

In her father's mouth, Zhou's family doctrine is Bo Yuntian, but now she has seen the other side of Zhou Daxia with her own eyes. It turns out that he will also get along with the maid. It's really...

Can't say!

Li Yun said, "Yao'er, be careful when you move around, Zhou's family is a little abnormal."

"Huh? What's not normal?"

Li Yun didn't answer her, but Steward Song came back and left after taking the tea, with a slightly sad expression on his face.

Xia Feiyao fell silent and seemed to feel an unusual atmosphere.

Soon, Steward Song came back again, his face was very embarrassed, and he apologized and said: "Sorry, my master is not seeing the guests, please come back, two of you, I'm really sorry!"

"Uh?"

Xia Feiyao was a little stunned, not to mention anything else. As the daughter of Qinglei Valley, her identity and status are placed here. She came to Zhou's house to see Daxia Zhou in person, but the other party didn't even see her face to face?

Except for the two sides who had torn their faces, few people would do this. Besides, Li Yun also took a letter from Shangguan Lingxian, and if he had this relationship, he should also meet.

"I'm sorry, my master... he is not in good health." Steward Song was embarrassed, and he was obviously making excuses.

The person who was still able to fight the maid last night, now you tell me that your health is not good?

Li Yun smiled slightly and said, "Well, we don't have to see Master Zhou. It just happened that I just fell in love with Yao'er, and now I am bored and want to wander around. The scenery of Zhoujia Villa is nice, we want to hang out here. , Take a walk to talk about love, what do you think of Steward Song?"

"Uh?!!"

Xia Feiyao was even more surprised this time, what did Li Yun say? ! What about falling in love, and still talking in someone else's villa? !

"This....."

But Steward Song knew that Li Yun was obviously also making excuses.

"Steward Song."

Li Yun stood up and said meaningfully: "Don't worry, I will not only fall in love, but I will also treat and save people. I may be able to cure Zhou's illness. Yao'er, let's go, go and visit Zhou's."

Xia Feiyao quietly pinched Li Yun's waist, what does it mean to fall in love? Husband really hates it.

"Ugh."

Seeing the two leaving, Butler Song sighed deeply.

Chapter 1094: Zhou's quarrel

The Zhou family occupies an area of more than two hundred acres. The back mountain is a garden where many medicinal herbs are planted. In the season of spring and summer, various flowers are in full bloom and the scenery is very beautiful.

But in contrast, there is a chaotic atmosphere permeating Zhou's family.

When Li Yun and Xia Feiyao walked in the Zhoujia Villa, all they saw were dilapidated and depressed scenes.

The ground was piled up with rubbish, the originally neat viewing wood was swaying around, a white shirt was thrown on the ground and no one cleared it, and the tiles in the distance were scattered, as if no one was living for months.

But there are indeed many people living here.

"Little bitch, you are looking for death!"

"You ***** just wanted to die, what kind of green onion are you? Dare to scold me?!"

There was a quarrel in front. Li Yun and Xia Feiyao followed the sound and found that two beautifully dressed village women were scolding each other. Both of them did not look very good, not to mention crooked melons and dates, but they were far from ordinary. There is a certain gap.

But the two dressed up well, all dressed in silk and satin, with all kinds of jewelry and necklaces.

"Blind maid, you are just a stinky maid serving tea and water, now you dare to be arrogant in front of me!!"

"Hehehe, what are you? Madam died the next day she climbed onto the master's bed and pretended to be the master in a triumphant manner, I'm!"

"That's my skill too! Why? If you can't understand me, why haven't you left? I'm cheap? You're not cheap? Don't laugh at these ninety steps!"

"I don't have your face, cheap maid!"

The two people dismantled each other, and there were many kinds of curses, and they were not repeated at all. The constant scolding of each other was eye-opening.

Xia Feiyao stayed for a while, and said in disbelief, "Madam Zhou is dead? Why do I not know at all?"

The Zhou family and Qingleigu are in the same city. It stands to reason that if Mrs. Zhou passes away, Qingleigu will be notified. The head of Qingleigu will certainly not go personally, but an elder will be sent to express his condolences.

But now Xia Feiyao doesn't know this at all!

Li Yun was a little surprised when she said that. After thinking about it, she stepped forward and interrupted the two people's cursing and cursing. He smiled and asked, "You said that Mrs. Zhou passed away. When did this happen? Why didn't we listen. Say?"

The two shrews who were torn apart immediately became alert and looked at Li Yun with suspicious eyes.

"Who are you?"

"What does it matter to you?"

"Be less nosy, now the master doesn't see outsiders!"

"Go around, don't hinder us!"

Before Li Yun asked the second question, the two of them hurried away. They had forgotten the quarrel, and they went in the same direction.

Xia Feiyao and Li Yun looked at each other, and the Zhou family's behavior became more and more strange.

"Why conceal the news of Madam Zhou's death?"

Xia Feiyao frowned and looked hard thinking: "Could it be that there is something shameful about Madam Zhou's death?"

Li Yun touched his chin, and there were two kinds of shameful things.

First, Mrs. Zhou's death was strange, perhaps because of being killed, but Master Zhou wanted to protect the murderer, so he handled it in a low-key manner.

Second, because Mrs. Zhou's death is a scandal, it should not be publicized.

"Let's find someone to ask!"

Li Yun took Xia Feiyao around Zhou's house, and everyone he met was afraid to avoid it, and he didn't want to mention the recent affairs of Zhou's house.

Finally, Li Yun found an old woman who had been ill for a long time in a very dim room. Xia Feiyao heard her moan and only found her after entering the room.

Chapter 1095: Aunt Wang who is sick in bed

"Aunt Wang, take this pill and you will be cured."

After some talks, Li Yun took out a small recovery pill and gave it to her. Aunt Wang was only in her fifties this year, but because of the recent incident, her body suddenly fell ill. A small pill is enough to make She recovered to health.

Soon, in Xia Feiyao's incredible eyes, Aunt Wang, who was originally pale and had difficulty sitting up, showed a healthy blush on her cheeks, and she struggled to sit up, showing how exactly the pill given by Li Yun was. How amazing!

"It seems that I will be able to break through the innate soon, my husband's medicine is so powerful."

Xia Feiyao's heart warmed, and Li Yun gave her the pill not long after they met, and said that after she was born, there would be better pill to help her practice.

Before meeting Li Yun, the goal of Xia Feiyao's practice was only the mid-innate period, but now it seems that the Grandmaster Realm barely possesses the qualifications to stand beside her husband.

"I have to work hard!"

Xia Feiyao clenched her fists and decided in her heart that she could not be much worse than the other women of the husband, especially the daughter of the palace family, who was born at the age of 16 and had a lot more talent than her. Not working hard.

"Ding, the host makes a choice to treat Aunt Wang, rewards justice value +300, experience value +200,000, free attribute points +500, white gift bag*3, extra reward: medium recovery pill*1."

Li Yun is very satisfied. As long as it is a helpful incident, the system will not give bad returns.

"Thank you, thank you Li Gongzi!"

Aunt Wang lowered her head and lowered her eyes, apologizing to Li Yun in a hoarse voice.

"It's okay."

Li Yun waved his hand, paused, and asked, "Aunt Wang, I want to know what happened to Zhou's family recently? Why is there such a big change! And everyone doesn't want to mention the events of this period of time, in the end? Yes.....?"

With Xia Feiyao there, it is normal to be concerned about the Zhou family's current situation. After all, it is a neighbor relationship.

After a long silence, Aunt Wang sighed deeply: "This matter is not something to be publicized, and it is embarrassing to say it, so they don't want to mention it."

Li Yun nodded slightly. It seemed that Madam Zhou's death was a scandal, so he didn't notify Qingleigu to express his condolences.

"Can you tell us about it then?" Xia Feiyao asked softly, "Why did Mrs. Zhou suddenly..."

There was another silence.

"Ugh!"

Aunt Wang wiped away her tears and said in a hoarse and sad voice: "I don't know what happened, but I would never believe that Madam would do something like that. How could it be possible? How could Madam have an affair with the second master. Woolen cloth!"

Xia Feiyao was taken aback. Although he had guessed it, it was still shocking and surprising to hear about it.

The so-called second master is Master Zhou's younger brother and Mrs. Zhou's younger uncle. The two actually have a fornication? !

As mentioned earlier, not counting Zhou Minghui, the Zhou family also has two innate masters.

One is Master Zhou, whose name is Zhou Youde, who is known as Zhanfeng Knife, and ordinary people in the arena respectfully call Zhou Daxia.

The other is Zhou Youhua's younger brother, Zhou Youhua. Although he is not well-known, he is also in the early stage of innate cultivation. He is usually responsible for the family's business outside. However, Master Zhou belongs to the family, and usually only the two brothers will be reunited during the holidays.

Mrs. Zhou and Master Zhou have always been affectionate, and Mrs. Zhou is always observant of women's way, and is also very good to her servants, and she takes care of the Zhou family in an orderly manner.

Mrs. Zhou and Master Zhou have always been affectionate, and Mrs. Zhou is always observant of women's way, and is also very good to her servants, and she takes care of the Zhou family in an orderly manner.

Chapter 1096: Cause and effect

But less than a month ago, shortly after Song Yuan's incident, Zhou's family suddenly had an accident.

"That evening."

Aunt Wang's muddy eyes were full of tears, "I passed by the master and madam's room and heard them arguing in it. The master called the madam a bitch. Then we didn't see the madam again the next day. Two days later, The second master rushed back from the field and brought his wife out of the house under house arrest."

"After, after..."

Aunt Wang was too sad to speak, and Li Yun roughly guessed what was going on.

When the second master and his wife had an affair, Master Zhou found out that he was wearing a green hat. Master Zhou was furious and killed the two.

My brother and his wife had an affair. This matter is really not worthy of publicity, and they don't even want to mention it. No wonder the Zhou family handled it low-key.

"so it is."

Xia Feiyao was in a complicated mood and didn't know what to say, but she believed that Li Yun, the badass husband and so many beautiful women around him, he would definitely not do these things.

Li Yun did not pay attention to the cause and result of the fornication. He was concerned about another matter.

"Aunt Wang." Li Yun looked at her: "You said that the master and madam were killed on Tuesday. May I ask where they were killed?"

"This...I don't know." Aunt Wang shook his head. "I heard that it happened late at night. When we got up the next day, we saw the naked wife and the second master lying on the floor. They have been... dead for a long time. NS."

"Don't you know?"

Li Yun thought of a possibility, and after asking her a few more questions, he let Aunt Wang rest at ease.

"Yao'er, let's go."

"Husband, where are we going?"

"Go and see Master Zhou!"

"Ah? What do you ask him? Is it too abrupt?"

Li Yun showed a meaningful smile and explained to the idiot: "Tuesday Master is also a congenital master. Although it is only the early congenital period, it is not that simple for Master Zhou to kill his own brother."

"That, that." Xia Feiyao blushed, "Maybe they are...what are they doing."

She didn't understand very much before, but after spending an hour alone with Li Yun in the flower garden yesterday evening, Xia Feiyao had a vague understanding of this.

When men and women were doing that, they would forget everything around them, and it would be difficult for them to respond even if someone attacked them.

Li Yun shrugged and said: "I don't think normal people will get together that night when they are accused of fornication. There is a feeling that they can't wait!"

"Can't wait?" Xia Feiyao wanted to get crooked, and two more dizzy flowers appeared on her face.

Li Yun couldn't laugh or cry, it seemed that Xia Feiyao was also a fool, much more foolish than Gong Qingyu.

Without explaining too much to her, Li Yun took her straight to Master Zhou's door.

"stop!"

There were two nursing homes standing guard at the door. These were the only two nursing homes Li Yun saw in Zhoujia Villa. The rest were either servants or maids, and they didn't know where the other nursing homes went.

"Who are you?"

The two nursing homes are a little nervous. Now there are very few men in Zhoujia Villa. They either voluntarily resigned or were driven away by Master Zhou. Li Yun and Xia Feiyao obviously came to find fault!

"I am the daughter of the head of Qinglei Valley, Xia Feiyao, and I came here to visit Zhou's family today." After reporting her name, Xia Feiyao glanced at Li Yun, gritted her teeth and said, "I have something to discuss!"

In fact, she didn't know exactly what her husband was going to do until now. She just showed her identity and helped her husband do things.

Chapter 1097: Face

The daughter of the head of Qinglei Valley!

Xia Feiyao's name successfully shocked the two nursing homes, making their eyes look at Xia Feiyao with a sense of awe.

But the master's order can't be disobeyed. Besides, the master is playing happily now. Didn't they go in and report to death?

"Miss Xia." A nursing home smiled and said: "Please forgive me, it is not convenient for you to see the guests now, please wait a moment, when the master is free, I will go in and report to him immediately!"

"no need."

Li Yun took a step forward, shocked the two nursing homes, and quickly tried to stop him, but Li Yun only made a light call, and the two nursing homes with only the body tempering realm were pushed aside and blocked at all. Can't help.

"boom!!"

In the shocked eyes of the three of them, Li Yun flew a kick and kicked the door of the room directly.

The two elegant wooden doors couldn't stop the power of Innate True Qi at all. They were kicked and the people inside shuddered with a thud, and then let out a scream of death.

"Ah! Old man, forgive me!"

"..."

Everyone was dumbfounded, Li Yun was speechless, and walked in with a calm expression, and said in a deep voice, "Master Zhou, you guys have a good time, no wonder you don't have time to meet guests."

Xia Feiyao's face flushed, and she didn't dare to enter the house at all. She really couldn't figure out why Master Zhou, who was so right in his father's mouth, would be like this...

There was noisy chaos in the room, and then a woman in her thirties, who was in the age of tiger and wolf, ran out in a mess. Li Yun saw sweat on her face and her hair sticking to her skin, making her annoying. Reverie.

"Sister Zhao is so fierce!"

"Hehehe, it's better to say real show, it's the master!"

The two nursing homes were whispering, looking at Sister Zhao, their eyes were very lewd.

Li Yun waited for a while, then looked into the room, only to find that Master Zhou had no idea of getting up at all, lying on the bed upright and panting, indifferent to his arrival.

"Ding, trigger the option event, please choose from the host:

Option 1: Go forward to castrate Master Zhou, reward experience value + 1 million, all attributes + 500, purple gift bag*1.

Option 2: Without a word, kill Master Zhou directly, reward justice value +1000, experience value +800,000, all attributes +300, blue gift bag*3.

Option 3: Calm onlookers, reward a white gift bag*1. "

The system gave a selection event, which made Li Yun more sure of his guess.

"Master Zhou!"

A cold light flashed in Li Yun's eyes, and he took out his pistol calmly: "Are you breaking the tank? You don't need a bit of face?"

Does he want face, or does he feel indifferent?

"Humph."

Master Zhou groaned, and lay on the bed lazily and said, "You are from Qinglei Valley? It's really troublesome. What are you still visiting now? It's impossible to find death."

His voice was very hoarse, like someone who didn't talk, stumbling when talking.

"boom!!"

A piercing bullet suddenly sounded, and everyone was startled, including Master Zhou who also jumped out of the bed, his original laziness turned into a sharp look, and his eyes were staring sharply at Li Yun: "Boy, you!"

"You two."

Li Yun faintly ordered: "Let all those who are still in Zhou's house come over. I have important things and I want to make it clear in front of everyone."

"By the way." The muzzle pointed at Master Zhou, and Li Yun said indifferently: "We re-organize the recent events, especially when your wife and brother were killed, but your Master Zhou was drunk and dreaming, and had a great time. !"

Chapter 1098: Housework, nothing to do with you

The Zhou family was quickly attracted by the gunfire.

Steward Song couldn't even imagine that Li Yun would point a gun at the master. He hurried over and almost fainted after seeing this scene.

"Mr. Li, what are you doing? Put down your gun!"

"Yao'er, stop them."

Xia Feiyao was a little overwhelmed by this sudden scene, but according to Li Yun's instructions, she stood in front of Steward Song and blocked a group of Zhou family members outside.

"This, this, this!" Steward Song was too anxious, he shouldn't let Li Yun and Xia Feiyao walk around in the villa!

"Everyone, please listen to me!"

Li Yun held the Silvin pistol and pointed at Master Zhou, and said to everyone: "Don't you think that your master seems to have changed over this month?"

There was a commotion in the crowd, and Steward Song's expression was stagnant, and he asked in a trembling voice, "Mr. Li, what do you mean... Someone is wearing a human skin mask, pretending to be the master?"

No, this is unlikely.

Steward Song once observed the master closely, and the skin on his wrists and neck was exactly the same. It was not a disguise technique at all.

"joke!"

Zhou Youde finally put on his clothes and walked out proudly to face everyone, not afraid of Li Yun's muzzle.

As the owner of Zhou's house, the turbulent crowd gradually calmed down.

"What is going on with you people in Qinglei Valley?!"

Zhou Youde succeeded in controlling the situation, and he began to turn against the guest and ask for the Lord: "Why suddenly broke into my villa? He also took out a gun and slandered me as a fake. What do you want to do?! It's lawless!"

"Yes, drove them away!"

"It's a nonsense!"

"Master is a congenital master, who would be afraid of your gun? What a joke!"

"I have long seen them not pleasing to the eye, they are sneaky in the villa, and they are not good people at first sight!"

Everyone accused Li Yun. Most of the people who are still staying in the villa are maids and servants with good looks. They have just become the mistresses of the villa. When they are enjoying themselves, how can they allow Li Yun to destroy them?

"Shut up."

Li Yun drank the group of concubines and stared at Zhou Youde: "I'll ask you one thing, your wife really has an affair with your brother, and you killed them?!"

The crowd suddenly calmed down, and this incident was always ugly, especially when an outsider mentioned it.

Master Zhou's face turned gloomy, and he said impatiently: "This is my family affair, it has nothing to do with you!"

"Housework? No, this is criminal."

Li Yun smiled faintly: "I now suspect that you, Daxia Zhou, committed a criminal case for killing someone for no reason, and I am planning to take you to the Public Security Bureau for detailed investigation!"

"you!"

Master Zhou's face was as black as the bottom of the pot, and his voice was indifferent: "My wife has fornicated my family brother. I have executed him. If you are really not afraid of death, you can sue me!"

In his heart, the kid with the gun in front of him was no different from the dead, including the daughter of Qing Leigu.

Glancing at Xia Feiyao, Master Zhou showed an obscene smile. This girl is very beautiful and well-developed. It is more than a grade higher than the Zhou family's vulgar fan. After the Qing Lei Valley is won, you can enjoy it to your heart's content. This girl is serving!

"That's it." Li Yun sighed: "It seems that you are completely shameless. Otherwise, I will ask you one thing. If you can answer, I will leave."

"Oh?" Master Zhou looked at him coldly, standing in front of the door with his hand held down, without fear, "Ask, what's the matter?"

Chapter 1099: Puppet corpse

"Your son, Zhou Minghui." Li Yun said slowly, staring at him: "When is his birthday?"

Zhou Youde's pupils suddenly shrank, and he opened his mouth to speak. Li Yun asked again, "In addition, when you celebrated your 40th birthday--or your 50th birthday, when did you hold it?"

As time passed, the surrounding atmosphere became weird.

The first question can be answered for a qualified father, and the second question is even simpler. Anyone, unless they are orphans like Li Yun and Li Feng, can't not know their birthday!

"Humph!"

Zhou Youde snorted and opened his mouth again to want to speak, but Li Yun still took the lead and smiled: "Zhou Youde, do you want to say that these questions have nothing to do with me, and you don't want to answer me?"

Suddenly, Zhou Youde's face turned darker, and this kid guessed everything he wanted to say!

"You can't answer these two questions, then prove—"

Li Yun's eyes became sharp. The next moment, he suddenly shot, his figure flashed past, and he rushed to Zhou Youde, punching out his right fist, like a hot little sun, and the hot breath instantly enveloped this weird Zhou Youde. !

"Boy, dare you!"

Zhou Youde looked savage, waved his palm to respond, and a gloomy aura instantly diffused. Everyone actually saw a cloud of black as ink appearing on the palm of the lord, which looked extremely evil!

"Boom!"

The fist collided with the palm with the billowing black air, Li Yun's expression remained unchanged, and his masculine innocence burst out, destroying all the black energy.

"Do not!!!"

Click!

Accompanied by a sharp scream from someone who seems to have something, Zhou Youde was beaten out without a word, and fell to the ground and rolled several times before hitting a large area of tables and chairs.

Everyone was shocked, Li Yunyang's powerful punch directly defeated the Patriarch who had been famous for many years! ?

"master!!!"

Steward Song screamed, and he was about to rush in to check the master's injury. At the same time, he was also trying to block Li Yun and give the master more time to react.

"Steward Song, wait a minute!"

Li Yun helplessly stopped the loyal servant, stubbornly, and motioned him to look inside to see what Master Zhou had become.

Steward Song glanced intently, and was so scared that he took three steps backwards, his face pale, and he almost fell to the ground.

"Master!! This..."

Everyone was unknown, so they also looked inside, and all of them screamed and trembled with fright.

Upon seeing this, Xia Feiyao hid behind Li Yun, poked her head out and looked inside. When she saw Master Zhou's situation clearly at the moment, her hand holding Li Yun's clothes tightened a bit, "This, this, husband, this what is the problem?"

Master Zhou, who fell on the ground, was completely motionless, and his whole body exuded a faint black air, palms. The neck and cheeks are wilting fast, as if a person is dehydrated.

Xia Feiyao looked at him tremblingly, and within half a minute, Master Zhou actually shrank into a mummy appearance!

The mouth is open, the eyes are sunken, the black and yellow skin is covered with bones, which is extremely scary!

"The real Master Zhou has been dead for a month."

Li Yun retracted his pistol. When he defeated this puppet corpse just now, he felt a wave of divine consciousness quickly fleeing. It was obvious that the black hand behind the scenes was not here. Master Zhou was just the puppet he had controlled for a month to enjoy!

"Ding, the host makes a choice, rewards experience value +1.5 million, all attributes +1000, purple gift bag*3, blue gift bag*5, extra reward: Deadly Serial Darts (Advanced

Chapter 1100: Not a coincidence

Puppet corpse!

After listening to Li Yun's explanation, the housekeeper Song and Zhou's servants, plus seeing Master Zhou's shriveled corpse at the moment, and contacting the abnormality of the master over the past month, they had nine points in their hearts.

"Master!!!"

Housekeeper Song cried out immediately, trying to hug the corpse of the master, but because the black air had not yet dissipated, Li Yun stopped him, and Housekeeper Song could only stand in place and weep bitterly, unable to speak for a while.

Looking back on this month, he was extremely distressed. As the person most familiar with the old lady, he should have discovered the abnormality earlier.

Madam is obedient to women's way and is kind, so how can she commit an illicit relationship with the second master?

The master also changed a lot. He was grumpy, half-forced, and half-threatening. He tarnished all the maids in the villa. In the end, all the maids who were a little shameful ran away, leaving all greedy weeks. A wealthy slut.

All kinds of abnormalities prove that the master has already been occupied by people in the magpie's nest, and the body has been taken over by a strange and evil thing!

Rubbing Xia Feiyao's small head and calming her uneasy heart, Li Yun said: "It should be a divine mind that occupied your master's body and controlled the movement of his dead body. It's normal that you can't recognize it. ."

Divine Refining Realm can separate a divine mind, or control magical instruments, or possess others. It is mysterious and mysterious. Li Yun has now initially contacted this realm. He can use divine mind to control the landing and attack of Nine Heavens Thunder The scope, strength, etc. are much more convenient than when there was no spirituality before.

"Doesn't this mean..." A woman who was a little bit pretty, less than 30 years old, suddenly turned pale again, and said in a trembling tone: "I, we have been sleeping with the master's corpse for the past month!?"

Li Yun glanced at her, "What do you think?"

"vomit!!"

"vomit!"

Suddenly, seven or eight women vomited at the same time. They just thought of themselves and Master Zhou's shriveled corpse rolling over on the bed, especially when they saw the skinny Master Zhou in the house, they even vomited up stomach acid!

They have been in bed with Master Zhou for a full month!

After the black hand left behind the scenes, Master Zhou's body began to emit a stench, which made these women afraid to avoid it.

"Deserve it!"

Xia Feiyao spit out her little tongue, but she despised these shameless women.

After the black gas on the corpse disappeared, Li Yun asked the housekeeper Song to take care of the funeral. The atmosphere inside and outside the house was very sad.

It is foreseeable that without the two innate masters of the Zhou family, the future prospects will be very bleak.

"correct."

Li Yun suddenly remembered something and asked the housekeeper with a white turban: "Master Zhou's son, Zhou Minghui, has he never returned?"

Housekeeper Song wiped his tears, "No, the master said...no, it should be the ***** thief, saying that the wife's fornication had a bad influence, so he didn't notify Zhou Minghui. I want to come now. This is really a blessing in misfortune, master. Did not come back, escaped a disaster!"

Steward Song had already figured out the causes and consequences of the incident. It must be that the wife had already discovered the husband's abnormality. When she wanted to question him, the two quarreled, and then the wife was locked up.

Then, the second master rushed back, but was killed by the culprit.

"I'm afraid it's not a lucky question."

Li Yun thought of a possibility, Zhou Minghui was left behind by the black hand behind the scenes. Something left to Song Yuan.
