## **Godly Choice 1161**

Chapter 1161: Gentle and holy spiritual medicine fairy

Li Yun and Shangguan Lingxian came to a traditional Chinese medicine consultation room in the sanatorium and watched her bandage the man whose hands were injured.

"Don't use your hands too hard these days, just take a good rest."

"Don't eat spicy food, eat more meat and eggs, and eat some seafood such as dried shrimps."

"Okay, I'll prescribe you a medicine, boil it and apply it."

Shangguan Lingxian treated the patient very carefully, and instructed him to pay attention to the matters in detail, which was too patient.

Xia Feiyao and Li Yun stood aside, spit out their tongues, and whispered in Li Yun's ear: "Sister Lingxian is so gentle...and so beautiful."

When Fairy Lingyi treated a patient, the radiance of kindness radiated from her body made Xia Feiyao, who was in competition with her, unable to help but move.

This kind of warmth, kindness, and softness. All-inclusive and soothing breath is enough to make the patient's eyes full of tears, and all the silly thoughts are gone.

"Well, Lingxian... she is indeed beautiful!"

Li Yun nodded approvingly, the beauty here does not refer to the external, but the internal beauty of the spirit immortal.

Li Yun couldn't help feeling a little ashamed when he thought that he was still in a 'cold war' with her not long ago. As a man, he should forgive her more generously.

However, such a good-handed and benevolent spiritual doctor fairy took the initiative to kiss him a few days ago, and Li Yun couldn't help feeling a trace of pride in his heart.

"I, is there anything weird about me?"

After sending the patient away, Shangguan Lingxian turned his head to look at Li Yun, and found that the eyes of both of them were a little strange, and their faces blushed.

"No la!"

Xia Feiyao took the initiative to step forward, grabbed her little hand with a grin, and said in a respectful tone: "Sister Lingxian was so gentle and beautiful just now, I was too envious of it."

"What's so beautiful... nonsense!"

Shangguan Lingxian's face blushed, and Li Yun was still smiling and looking at her.

"Hehe, I didn't talk nonsense, and my husband admitted it too!"

"..."

Shangguan Lingxian couldn't speak, although Xia Feiyao called Li Yun, she always felt that the word "husband" was the common name for Li Yun.

"I, I will take you to where you live tonight!"

Shangguan Lingxian hurried forward, Xia Feiyao hurriedly followed, but when passing by Li Yun, he pinched his waist in a violent manner, which made Li Yun feel very inexplicable.

"Little Yao'er, what are you doing?"

"Huh~, why are you still asking? Sister Lingxian already likes you so much!"

Xia Feiyao was a little bit sour in her heart, but also a little relieved. Her husband is very good. It is normal for many girls around him. Fortunately, the women he likes have very good personalities. Xia Feiyao can get along with them. Those intrigue and jealous things.

Everyone happily lives together, in fact...probably, it's pretty good.

Shangguan Lingxian took Li Yun and the two to a three-story small building. This was a guest room, which was not open to the public, so it was just right to arrange two people.

By the way, Guan Lingxian will also live here tonight, so let yourself calm down.

After dinner in the evening, Xia Feiyao made an excuse to go back to the room to rest. Before leaving, she gave Li Yun a strange look, like encouragement and warning. It was complicated anyway.

The second monk Li Yunzhang couldn't figure it out. The two women hid in the room and chatted for a long time before dinner. When they came out, Shangguan Lingxian looked very shy.

"Li, Li Yun."

Soon after Xia Feiyao left, Shangguan Lingxian dodged his eyes and said in a very small voice: "Yes, can I have a chat with you alone?"

Li Yun suddenly, that was the case.

Chapter 1162: Ding, listen to the fairy's thoughts

Tiandan Sanatorium occupies an area of 10,000 square meters, and there are many inaccessible places, where there are green grass, and many places are planted with exotic flowers and plants. At the transition of spring and summer, many flowers are in full bloom.

Especially at night, the scent of the flowers that bloomed during the day settled down and became more intoxicating. It is very suitable for the elderly to take a walk and recuperate after dinner.

At the same time, it is also suitable for conversations between couples.

"Li, Li Yun."

Shangguan Lingxian and him walked to a grassy slope. Below was a river. There were a lot of red and yellow flowers on the bank. The fragrance of the flowers was fragrant and charming.

The system is messing up at such a beautiful time.

"Ding, trigger the option event, please choose from the host:

Option 1: Listen to Shangguan Lingxian's thoughts, reward white gift bag\*3, wisdom +100, spirit +150, and Shangguan Lingxian's favorability +5.

Option two: walk away, reward skill: indifferent straight man.

Option three: smile and hug her and kiss, reward Shangguan Lingxian with  $\pm 10$ , a high probability of arousing her resentment, and a small probability of directly gaining the full favorability."

Li Yun couldn't laugh or cry. Shangguan Lingxian has a good impression of 88. It might be fine to change to another woman, but Shangguan Lingxian, a traditional and conservative woman from the rivers and lakes, really wants to kiss her, and I am afraid that she will not come here. Blind? Beaten?

"what happened?"

Li Yun smiled, and took the initiative to hold Shangguan Lingxian's small hand. After a little struggle, she let Li Yun hold it.

Can't kiss, but you can hold hands.

Lingyi Fairy's small hands are warm and soft. Long-term contact with herbal medicine has not left any traces on her slender and white hands. The white of her delicate fingers is red, and the five fingers are beautifully shaped, a little shyly clenched, in Li Yun He touched it slightly, and then stretched out after a long while, holding it with his fingers crossed.

"I....."

Shangguan Lingxian's shame is growing, and the two are now'reconciled', but she can't help but feel ashamed when she thinks of her performance in the daytime.

Obviously Li Yun is a person she values very much, but treat him like that...

"Still thinking about the daytime?" Li Yun asked with a slight smile.

".....Um."

After a long time, Shangguan Lingxian nodded gently, his face still flushed.

His big hand was still being crossed and clasped with hers, and warm power was constantly coming from the palm of his palm and from the heart of his fingers, making Shangguan Lingxian's fearful and trembling heart slowly calming down.

"How specific?"

Li Yun asked, "I think I am too cruel and decisive, or are you worried about your brother, or that I feel that I have changed in your mind..."

"Do not!"

Shangguan Lingxian became anxious, and blocked Li Yun's lips with his other hand. The heat and touch there made her shy again, and quickly moved away.

"No, no."

In the daytime, the gentle and kind spiritual doctor fairy became shy and stuttered under the moonlight, his eyes were dodging, his head drooped, and his voice said quietly: "I actually...I'm wrong, I'm sorry. Li Yun."

Li Yun did not speak, waiting for her to finish.

"I know," Shangguan Lingxian paused, looked at his face, and said softly: "Li Yun, what you did is right, whether it's arresting Yuwenji and He Canghu, or hurting my senior, It's all unavoidable circumstances, and you also have your own difficulties and ideas."

Chapter 1163: Pinch face to kill

"Are there any more?" Li Yun kept asking.

Shangguan Lingxian bit his lip, thinking that he was too bad.

She just asked her to open her heart to show him before she was willing to let her go.

"I... Senior Brother him," Shangguan Lingxian paused, "He listened to the demon's slander and shot you without authorization. He did something wrong. I can understand that, he really did something wrong!"

"Anything else?" Li Yun repeated his words, with a smile on his face, happy in his heart.

"You, you are also forgiven for hurting people."

Shangguan Lingxian bit his bright red lips, and said, "Those people from the rivers and lakes are very hostile to the government, but they know too little, and they don't know about the Six Demon Gates. They were deceived and thought what Flying Tiger Gate was. Good school, the same as before."

"Also, yes?"

"You, you, you are too bad!"

Shangguan Lingxian grasped Li Yun's hand hard, and his clear and bright eyes looked at him puffed up, as if saying: I'm all here, and I want to continue!

"I need you to tell the truth in your heart."

"This is my inner thoughts!" Shangguan Lingxian said angrily. If others hear her in such a coquettish and stunned tone, they will stare out of her.

When did the gentle and kind spiritual medicine fairy speak in this tone?

"real?"

"real!"

"Really real?"

"It's true!!"

Under Li Yun's smiling gaze, Shangguan Lingxian finally couldn't resist the eruption. She looked excited, closed her eyes and screamed: "Fake, Li Yun, I still want to say: Did you hurt someone? It's

not right, especially the abolition of my second senior brother's martial arts, it is even more wrong!!"

"Anyway, you're wrong!!" Shangguan Lingxian grabbed Li Yun's hand and said while shaking, "Why are you so cruel? Why can't you subdue my brother if you are so strong? Also, the personality is too impulsive, obviously If you can speak well, why do you still ridicule those people? Really! I'm so worried to see you, don't you know it!"

"Cough cough cough!"

Li Yun choked.

The more Shangguan Lingxian spoke, the more excited he was, and the last voice became a string, and he said it like a crackling of firecrackers.

Li Yun can guarantee that even her parents might not be able to see such a fairy doctor.

"I--!"

After stopping, Shangguan Lingxian's beautiful and gentle face blushed. She was shy and unbearable, turning her head and quietly looked around.

"Don't worry, no one is around."

Li Yun said jokingly, holding her smooth and slippery chin with her index finger, carefully looking at the spiritual doctor fairy who everyone admired in the rivers and lakes, and said in a playful manner: "It's so beautiful."

This kind of spiritual medicine fairy is rare, and even rare in the future, even Li Yun is rarely seen once, except for the first time to recognize her like this, which made Li Yun quite unbearable.

Shangguan Lingxian's face turned red again.

"This is what you really think, Lingxian?" Li Yun didn't let go, feeling the touch of the skin with his fingers on her smooth and beautiful face.

"Big, probably so."

Shangguan Lingxian became more shy.

Such jokes are even more embarrassing than kissing her.

"So I want you to speak out."

Li Yun held her white and delicate cheeks with her palms, and gently pinched her five fingers, Lingyi Fairy's bright red and moist cherry mouth couldn't help but opened, exhaling a breath of charming fragrance.

Chapter 1164: What would you do, Lingxian

"Yeah~."

Shangguan Lingxian hummed softly, his face flushed with shame, why did Li Yun pinch her face like this? Good... shame!

"Lingxian, do you know what the best choice was under the circumstances?"

"Um?"

Although Li Yun still didn't let go, Shangguan Lingxian turned his attention slightly and began to think about his problem.

—The situation is that her beautiful and unparalleled face was still pinched by Li Yun's hand, which caused her tone of voice to change a bit.

What's strange is that Shangguan Lingxian didn't want to get out of this situation very anxiously. Li Yun was so close to her, but she was very satisfied in her heart and was willing to pinch his face like this.

"the best choice....."

Shangguan Lingxian's cheek was pinched, and he frowned and thought: "Can't you just sit down and explain it calmly?"

"Haha, do you think it's possible?"

"...It's unlikely."

Shangguan Lingxian thought for a while, and then said, "What about only catching He Canghu?"

"Isn't this a disguised acknowledgment that it was me who killed the door?"

"...That's right, how about capturing one of them?"

"Same as before."

"Escape with light effort? They can't catch up with you anyway."

"This is not my style."

"Huh, then I can't think of it!"

Shangguan Lingxian became angry again. She admitted that it was too difficult to explain clearly when she was under siege.

"Are you still complaining that I abolished your brother?" Li Yun squeezed her face again, letting Shangguan Lingxian's small mouth snap together with the action, which was particularly interesting.

"Yes, a little bit!"

Shangguan Lingxian plucked up the courage to admit that no matter how bad it was, it was nothing more than being pinched like this by Li Yun.

"But don't get me wrong." Shangguan Lingxian said earnestly: "The reason why I care about the second brother's injury is not because of any special feelings for him, but because I can't bear to see his future future destroyed. This is very hurtful. ."

"I know, if you have any feelings for Feng Changhua, you won't be embarrassed by me holding my face like this."

Li Yun was flirting with the spiritual doctor fairy again, making the latter blush even harder.

Indeed, being so weirdly pinched by Li Yun's cheek is more intimate than anything else. The key is that she has no idea of rejecting it.

"But Lingxian, do you know why I was cruel?" Li Yun said: "It's not like Bei Changxing said, worried that he will be dangerous to me in the future."

"I, I know."

Shangguan Lingxian's cheeks were red and hot, and she knew that Li Yun must know this, because he was still pinching her cheeks.

"I believe Li Yun, you are not such a villain, besides." Shangguan Lingxian pursed his lips, "Your strength is too strong, the second senior brother is not your opponent, there is no need to worry about him."

Li Yun smiled slightly, "The reason why I abolished him is because Feng Changhua was not the group who was deceived, but came to kill me!"

"what?!"

Shangguan Lingxian was very surprised.

"Why he can't wait to do something to me, have you ever thought about it?" Li Yun asked her back.

After thinking for a long time, Shangguan Lingxian shook his head slightly sadly, "Because I want to...get me?"

"The main reason is indeed the case, but the objective reason is that he only has a short time to do this."

"Why... is this?"

Li Yun squeezed Shangguan Lingxian's beautiful face again, and said with a smile: "Because of you, you little fool!"

Chapter 1165: Gamble

"I?"

"Yes, as long as you arrive, their plan to inspire the crowd to besiege me will naturally be declared bankrupt, so Feng Changhua can't wait!"

Shangguan Lingxian was so shocked that he had forgotten that his face was pinched by Li Yun, and his mind was messed up.

Brother Brother, is that this kind of person?

Li Yun's tone was calm: "I can bear that he is a fool. After being fooled by He Canghu, he will shoot at me, but I can't bear that someone who has the intent to kill me and wants to take this opportunity to kill me is still alive. , I say this, can you understand?"

Shangguan Lingxian nodded silently.

Li Yun's words couldn't be understood anymore. If she couldn't understand his words, she would be a fool, an ignorant Virgin, a foolish woman who would only be annoying.

"certainly."

Li Yun smiled, and with a hint of playfulness, she pinched the rosy face of Lingyi Fairy to turn her attention back.

"Dang, of course what?" Shangguan Lingxian's face became hot again.

"I'm just guessing that he will kill me."

Li Yun looked at her and said, "Lingxian, why don't we take a gamble!"

"bet?"

Shangguan Lingxian is very suspicious. Is there anything she can do with Li Yun? Unless... a marriage contract.

"Um."

Li Yun, who was holding her cheek, naturally felt that her face was getting hotter, probably because she wanted to bend to another place. It seems that the spiritual doctor fairy who is admired by the world will also think of something astringent.

"If Feng Changhua has no intention of killing me, and he is abolished by me, there is a great possibility that he will come to me to reason."

"But if he had intended to kill me in the first place, then he knew that the matter had been revealed, so he didn't dare to come to me again. He would only find a way to get revenge and find a chance to get rid of me."

Both of Li Yun's words put Chi Guoguo's killing on his lips, and his plain tone revealed a fierce fighting atmosphere, which made the gentle Shangguan Lingxian trembled, and his small face was full of sad expressions.

"Li Yun, this...!"

"I want to bet with Lingxian." Li Yun smiled slightly, "If Feng Changhua comes to me for a theory, then I will take out a recovery pill, so that he can completely recover his health and heal all the dark diseases of the body. Even stronger than before the injury!"

Shangguan Lingxian opened his eyes wide, and there was this pill, wouldn't that mean?

"But if he doesn't have the guts to face me, he will never get this recovery pill!"

Li Yun unceremoniously broke Shangguan Lingxian's illusion, "Lingxian, don't hint at him, just wait for the development of things."

"I....."

Shangguan Lingxian wanted to say something but stopped, biting his lip and staring at Li Yun. He made such an expression while pinching his cheek. It was especially cute. While Li Yun was itchy, he couldn't help but feel soft. For a moment.

"Okay, okay, I promise you." Li Yun reluctantly took a step back: "As long as Song Yuan is over, even if he doesn't come to me for theory, but he didn't take revenge on me, then I I will also give you a recovery pill before leaving."

".....Um."

Shangguan Lingxian nodded slightly.

Li Yun stepped back for her and gave Feng Changhua two opportunities. If her second brother doesn't catch it, then Li Yun can't be blamed.

When Shangguan Lingxian wanted to come, it was exactly as Li Yun said, if Feng Changhua or his father knew that he had no intention of killing Li Yun, he would definitely send someone to Li Yun to ask for an explanation tomorrow.

If there is no explanation, it means that Feng Changhua is really that kind of person...

"I'm sorry, Li Yun."

Chapter 1166: Sorry and compensation

Shangguan Lingxian was ashamed, but this time she did not dodge, instead she kept looking at Li Yun with clear and bright eyes.

"Excuse me for what?" Li Yun asked with a smile.

Shangguan Lingxian pursed his blushing lips and whispered, "I'm sorry because...I, I'm too self-willed."

It is hard to imagine that she would one day evaluate herself as willful. She used to take things for granted, whether it was going out of Shangguan's house to worship Tiandanmen, or persuading patients not to fight with others, or mediating disputes between sects.

She has never felt that she has done anything wrong.

But after the encounter with Li Yun, or the outbreak of the Song and Yuan affair, Shangguan Lingxian suddenly fell into confusion.

The world seems to be different.

"I don't think you are headstrong."

Li Yun smiled and stroked her smooth and white fragrant cheeks, "Because you are you, you are Shangguan Lingxian, and Lingyi Fairy!"

".....what?"

Shangguan Lingxian had a puzzled expression on her face, and she couldn't understand such profound words.

Li Yun looked at the stupid expression and pinched her pretty Qiong nose: "Because you are a kind-hearted spiritual doctor fairy, so you treat illnesses and save people. You don't see others suffering, and you don't see disputes happen. This is yours. The advantages have made your reputation as a spiritual medicine fairy."

Shangguan Lingxian, no, Lingyi Fairy blushed.

It's okay to be called by other people as the spiritual medicine fairy, but from Li Yun's name, I always feel that she is teasing her.

"But at the same time." Li Yun continued: "While you are healing and saving people, there may also be bad results!"

"what!?"

Shangguan Lingxian was surprised: "Why is this? Is it wrong to treat illness and save people?"

"It's right to save people, but you have to consider the consequences." Li Yun said helplessly: "Think about it, if you save a bad person, although you warn him not to do evil again, he will not listen and continue to kill. Woolen cloth?"

Shangguan Lingxian fell silent, she had indeed saved a person with a bad reputation, a killer.

"Of course, this is not your fault either." Li Yun said: "It is a doctor's bounden duty to treat and save people, but you didn't let the bad guy go to trial after the treatment was over."

"Meaning, to the government?"

"Correct!"

Li Yun nodded, Shangguan Lingxian's name for the country is still in the old age, which shows how conservative her thinking is.

"Yeah." Shangguan Lingxian replied softly, approving Li Yun's approach, and then said: "Then I..."

Li Yun knew what she was trying to say: "You didn't do anything wrong. I mean, things are not only right, but also wrong. Even existence itself may cause bad results."

Shangguan Lingxian didn't understand, but felt very profound.

"Because you are a spiritual medicine fairy, you want to have the idea of curing diseases and saving people. If this will cause bad results, it is not your fault."

Because of the animation knowledge that was rewarded by the system, there is an animation in Li Yun's memory, which is about a witch saving a gangster out of kindness, but as a result, the gangster turned into a demon later and not only killed her. , But also caused great casualties.

The witch did nothing wrong in helping the gangster, but in the end a demon appeared because of this factor. The devil was wrong, not and shouldn't be her.

"Um....."

Shangguan Lingxian, vaguely, seems, probably...understood.

Li Yun smiled and squeezed her face again: "I don't want that much. Since you said I'm sorry, should you give me some compensation?"

"what!"

Chapter 1167: Fairy's First Kiss

Shangguan Lingxian's face was red, and after the incident at Song's house last time, she certainly heard what Li Yun meant.

"I, I, I..."

She stammered and looked around. She found courage only when she found no one. In the look of Li Yun's expectation, she stood on her toes and kissed his face with her bright red lips.

"That's all right?" Shangguan Lingxian was shy.

"No, how can this be enough?"

Li Yun got bold, because the system's reward reminder came.

"Ding, listen to Shangguan Lingxian's thoughts, reward white gift bag\*3, wisdom +100, spirit +150, Shangguan Lingxian favorability +5. Extra bonus: Shangguan Lingxian favorability +5"

After careful listening and heart-to-heart talk, plus pinching Shangguan Lingxian's cheek with his hands for ten minutes, his favorability directly soared by ten points, and once again returned to 98 points!

It can be said that now Li Yun can not only pinch her face, but can even... take away Shangguan Lingxian's first kiss!

"Hey."

With a soft cry, Shangguan Lingxian's cherry mouth was kissed by Li Yun, his body lost strength in an instant, and he fell softly on top of him, letting Li Yun hug her, raising his head to offer his first kiss.

for a long time.

"Li, Li Yun, enough."

When he took a break and gasped in the middle, Shangguan Lingxian turned his head shyly, and crossed the line when he went down.

"Isn't it enough?" Li Yun squeezed her face again with a smile, "I took the initiative just now, so now should the spirits take the initiative to kiss me once?"

Shangguan Lingxian blushed, "This is my first kiss... kiss, but you asked for so much. It's really, really bad, bad guy... wait, wait a while."

She has no strength now.

In the end, the two sat on the grassy slope, hugging each other in the moonlight, and proactively kissed each other for a long time.

• • •

"Asshole!!!"

Hearing the servant's report, and even seeing Shangguan Lingxian and Li Yun sitting on a grassy slope, they hugged intimately with their heads close to each other. Feng Changhua was violent

when he saw it, and the veins on his forehead were violent and gritted his teeth. Kill the dog and the man and woman in the photo!

Yes, after seeing Shangguan Lingxian shamelessly being intimate with other men, after confirming that it was not a PS photo, Feng Changhua now wished to kill her!

In his mind, Shangguan Lingxian has changed from a holy and gentle junior sister to a humble watch!

He chased Shangguan Lingxian for so long, but let alone intimacy, he didn't even have much chance to touch her little hand.

But now, Junior Sister, no, this cousin has a tryst with other men, and he is still a man who hasn't known each other for long!!

"Shangguan, Lingxian, Li Yun!"

A gleam of hatred flashed in Feng Changhua's eyes, and he shouted outside in a cold voice: "Go and call steward Zhou!"

After a while, the butler hurried over, "Master, you are looking for me..."

"Stop talking nonsense!"

Feng Changhua unceremoniously stopped him, "Housekeeper Zhou, go and contact the Hidden Killing Club, I want to kill someone!"

The Hidden Killing Club is a killer organization in the arena. Members come from all sects. They can join anytime and anywhere, and they can also quit anytime, anywhere. Members receive rewards after accepting the task of killing or spying on intelligence, unless they become the Hidden Killing Club. The core members of the guild, otherwise they don't even know the inside story of this guild.

In fact, the Hidden Killing Society is not so much a sect, as it is a platform for killers to receive tasks.

Chapter 1168: Song Yuan

"This....."

Manager Zhou's eyelids twitched. Feng Changhua used to call him Uncle Zhou, but now he has become more grumpy and even changed his name.

"Master." Steward Zhou said euphemistically: "Listen to what the master said, you'd better rest at ease now, and let the master come to deal with Li Yun."

"You mean, what I said doesn't work?" Feng Changhua's voice became extremely cold.

Zhou steward defaults.

The lord has already ordered him. During this time, I am optimistic about Feng Changhua and don't let him do stupid things!

"you!"

Feng Changhua gritted his teeth with hatred. This change made him feel more resentful towards Li Yun.

"Asshole, you can see for yourself!" Feng Changhua threw the phone to the table, which contained various photos of Li Yun and Shangguan Lingxian embracing and kissing on the lawn. Go and inform Shangguan's family that Shangguan Lingxian will be tricked into bed by that kid!"

The butler was taken aback, and was about to pick up the phone and open it. Suddenly, a black figure suddenly appeared in front of him and snatched the phone away.

"who!!"

The housekeeper and Feng Changhua were shocked, but after seeing the person who came, the two opened their mouths in shock again.

"Song, Song Yuan!!"

Standing in front of them was the great demon Song Yuan who had disappeared for many days and killed hundreds of people.

He was dressed in black, his whole body exuded an erratic black and unknown aura, his eyes were glowing with weird red light, and the expression on his face was so cold that his teeth were shaking.

It was completely different from the day when the Tiandanmen celebration was struggling to refute, or it was completely different from the generous and heroic Song Yuan when he was at Tiandanmen!

"what is this?"

Song Yuan slid while holding the phone. He stared at the photos inside, and asked with a hoarse voice.

"you you you!"

Butler Zhou stammered, and Song Yuan in front of him was absolutely terribly strong, and it was even possible that the master was no opponent!

Under the siege of dozens of people, he brazenly killed an innate consummation, plus a few masters of the innate late stage, and then fluttered away, and his strength was close to the master state!

"Come, come, Song..."

"Housekeeper Zhou, shut up!"

Just when the housekeeper was about to yell and run away, Feng Changhua stopped him and looked at Song Yuan with an inexplicable light flashing in his eyes. He cautiously asked: "Song Yuan, do you still know me??"

His appearance of being neither human nor ghost makes Feng Changhua worry that even no one will recognize it.

"I recognize you naturally, Senior Brother Feng." Song Yuan's tone was flat, holding the phone tightly in his hand, the blood in his eyes slowly disappearing.

It seems to be able to talk!

Feng Changhua showed a meaningful smile: "Junior Brother Song, you can also see that the man in the photo is kissing me and me with our junior sister, they..."

boom!

A strong black energy burst out from Song Yuan's body. Steward Zhou only felt a chill pouring in from the Tianling Gai. The whole body was actually cold, and he couldn't help but shudder.

Feng Changhua took a step back, and motivated him again: "He is Li Yun. He has only known Junior Sister for less than half a month, but he has deceived Junior Sister's body by various despicable means!!"

Speaking of this, not only Song Yuan's black energy was tumbling, but Feng Changhua was clenching his teeth, wishing to smash Li Yun's body into pieces.

"Li Yun..." Song Yuan said in a low voice, "I know him!"

In Zhangjiacun, it was Li Yun who found Shangguan Lingxian and forced him to show up by shouting.

Chapter 1169: Collusion

"Perhaps you still don't know who he is?"

Feng Changhua added more enthusiasm and said: "He is a member of the government outside. Yesterday, he led people to destroy the Feihumen door. He was arrogant and arrogant. Relying on some... magic methods, he dared to make a bold move when he was besieged by a group of people. Do you think he is suitable to be the husband of a junior sister?"

The magic method was speculated by Feng Changhua, and he didn't believe that Li Yun could kill him with his innate early strength!

Therefore, he pinned his hope of revenge on Feng Changhua!

Steward Zhou saw the young master's thoughts, his horror was no less than the moment when he saw Song Yuan, the cold sweat was flowing.

If you collude with the devil Song Yuan, if it is spread out, the people of the rivers and lakes can drown them with one spit!

At this time, steward Zhou saw a figure walking in.

"Old, sir!"

"Well, housekeeper, you should withdraw first."

Feng Li Hei walked in with a calm face, staring at Song Yuan, his eyes sharp and alert.

In a real fight, he might not be able to win Song Yuan, who used to have only the Hou Tian realm, but now he was full of black anger.

"People from the government?"

Song Yuan ignored the sternness, he muttered to himself, then picked up the phone to look at the photos, and then he found something.

In many photos, the man's hands have always been honest and did not reach into the clothes of the younger sister...

"Yep!"

Feng Changhua immediately described Li Yun's evil deeds, including colluding with the government, killing the Feihumen, and angering the senior old woman, and finally gritted his teeth and said: "He also used vicious methods to injure my meridians. The strength is forever, Junior Brother Song." Feng Changhua showed a flattering expression: "The Six Demon Sects you take refuge in, can they heal my injury?"

General medical skills cannot cure dark diseases, but immortal methods are possible!

The sharp eyes flicker, if his son takes refuge in the six magic gates and heals his internal injuries...

Song Yuan did not answer his question, and seemed to avoid mentioning the Demon Gate.

Feng Changhua said: "Song, you don't know a lot. For example, Li Yun has more than one girlfriend, and there are several women beside him, including the daughter of Qinglei Valley and the two of the palace family. A golden flower, I am ambivalent with him!"

The surrounding air has cooled down again.

Song Yuan Hei kept his face without saying a word. Feng Changhua still wanted to say something, but his father Feng Li said at this moment: "Song Yuan, I know you still remember the immortal, but now you have been with you. She can no longer have intersections!"

Song Yuan was shocked.

Feng Li's heart suddenly understood, and continued: "If you still love him, you should help her find a man who can be trusted for the rest of her life, instead of watching her fall into the fire pit. I say this, do you understand?"

Feng Changhua was overjoyed immediately. His father meant that he was guiding Song Yuan: You go to kill Li Yun, and then help Shangguan Lingxian find a good man.

There is no doubt that a good man is his prosperous life!

Although Feng Changhua was very annoyed by not getting the first kiss from Shangguan Lingxian, as long as he could win the first time, no, as long as he married Shangguan Lingxian, he would be able to get an unprecedented boost, and it was logical to take over as the head!

Song Yuan took a deep look and asked in a hoarse voice: "What do you want to do?"

"hehe."

Feng Li smiled with satisfaction, "The day after tomorrow is the day you and the immortal agreed to meet. Then you will stand up, as long as you identify Li Yun and you as a group in front of many comrades, they are all of the Six Demon Sects. People, then... he will be ruined! Ha ha ha!"

Chapter 1170: My dear, Zhang Jinghui

When I got up the next day, Li Yun didn't go anywhere.

Neither entered the Tiandanmen nor met with the group of people from the rivers and lakes, just stayed in the house and watched the news on the mobile phone, chatted with Fang Xue and others, played games with Gong Qingyu, or talked with Wu Ke Work is too leisurely.

Xia Feiyao is quite busy. She feels that as the daughter of the head of Qinglei Valley, it is necessary to deal with the people from the rivers and lakes and visit them.

Aside from other things, at least they can brush up on their good feelings, so that they will no longer be so hostile to their husbands.

Li Yun didn't comment on this, letting Xia Feiyao and Shangguan Lingxian go to play together, he didn't move.

"Strange, Lingxian seems to have something on his mind?"

Before the two girls of Shangguan Lingxian went out, Li Yun frowned and found out when she woke up in the morning. Her brows were frowned, and she looked worried, different from last night.

"Does it feel that the relationship is progressing too fast?"

Li Yun thought about it. He didn't do anything last night. His hands have been regular, at most placed on Lingxian's waist, feeling the slender and soft waist, and nothing else.

"Forget it, ask her when you have time."

Li Yun was enjoying the leisure time before tomorrow comfortably, when there was a knock on the door.

"who is it?"

Feeling a little strange, Li Yun stood up to open the door, and found that standing outside the door was an unknown man, with a refined temperament and a smiling expression with a gentle and modest demeanor.

"My dear, Zhang Jinghui."

"Zhang Jinghui? Come to me? Tiandanmen?"

"Correct!"

Zhang Jinghui smiled, but Li Yun was a little puzzled, is Feng Changhua really planning to confront him? Consciously have a clear conscience?

"That's OK, let's go."

Li Yun didn't talk nonsense. He planned to follow Zhang Jinghui to the Tiandanmen. He wanted to see what the Tiandanmen would do!

Tian Dan Sect is the same as the previous Qing Lei Valley, and there is no grandmaster sitting in it, which means that even if Tian Dan Sect comes out, there is no way to take him.

"Go? Where are you going?"

Zhang Jinghui smiled and said, "I am here to find you, not for the sake of Master Feng!"

"Brother Feng? Are you the big brother of Tiandanmen?"

Li Yun immediately understood that apart from the senior sister Shangguan Lingxian, only the senior brother of the son of the current head can be called the senior brother Feng Changhua!

"good!"

Zhang Jinghui smiled slightly, "I want to find out about the Six Demon Gates and Song Yuan!"

Not for the prosperity of the wind?

When Li Yun was puzzled, the system prompt came.

"Ding, trigger the option event, please choose from the host:

Option 1: Reject, reward the white gift bag\*2.

Option 2: Agree, reward experience value +50,000, free attribute points +100, may get some useful information.

Option 3: Beat him up and let him pretend to be forced! Reward experience value +100,000, blue gift bag\*1, and continue to have a bad relationship with Tiandanmen. "

The corner of Li Yun's mouth twitched. Are the options of the system funny?

"come in,"

After Li Yun greeted Zhang Jinghui to come in and sit down, he poured a cup of cold tea for him.

It stands to reason that he is a guest, and Zhang Jinghui is the host.

"I'm used to getting straight to the point." Li Yun said directly: "So just ask if you have anything. If you can tell you, I won't be polite for the sake of Lingxian's face."

Strictly speaking, Shangguan Lingxian should call him Big Brother.

"Brother Li is really a wonderful person!"

Zhang Jinghui smiled, "It's no wonder that as soon as he can make a move, Feng Changhua's future will be abolished. It's really true!"
