

Godly Choice 1181

Chapter 1181: Scold (below)

"!!!"

Everyone was shocked, and many of the weapons in their hands fell one after another, dumbfounded, looking at him in disbelief.

This remark is simply shocking!

Not only did Feng Changhua scold Feng Changhua violently, saying that their family is a nest of snakes and rats, but also Tiandan Gate, which will be the same in all the rivers and lakes present, including Junzi Bamboo, Poxu Dao, Song Lao Zhou Lao, etc. Waiting for countless seniors to scold them as idiots, this is simply...

"I am so angry!!!"

Poxu Dao was furious. He became famous very early. When he was young, he used to have a reputation for making decisions like a god, so he got the name of Poxu.

But now he is scolded by Li Yun as an idiot, how can this make him not angry?

boom!

With a loud noise, the virtual knife smashed it to pieces with a fierce slap on the table. He stood up and pointed at Li Yun and shouted angrily: "Boy, if you don't give me an explanation today, the old man must teach you a good meal for your parents! "

The rest of the people also looked over with ugly expressions, and anyone who was scolded would be furious. They didn't do it immediately, and it was still because of the master's face at Tiandan Gate.

Li Yun smiled, "I am too lazy to tell you in detail. If you think you are idiots, or are simply not convinced, then come and compete with me. As far as your strength is concerned, I can run to death with one hand. What an elder pretending to be!"

The crowd was vomiting blood. This is no longer a category of arrogance, but... it belongs to it alone, the only one they have ever seen like Li Yun who is lawless and whose eyes are too high!

"you!"

"Junior is looking for death!"

"Eat me!"

Just when everyone couldn't restrain their anger, Li Yun took a step back: "Lingxian, you can talk to these 'elders', I'm not interested anymore."

After speaking, he walked back to his seat leisurely and took a sip of the teacup in full view.

Everyone continued to be dumbfounded.

Shangguan Lingxian blushed with embarrassment. She has stressed in her heart countless times that this is Li Yun! It's the person she likes, who has unconstrained imagination and unscrupulous action.

But but!

Now that I have seen Li Yun's "brilliant words" and shocking behavior once again, this spiritual doctor fairy who is admired by countless people in the world and has a good hand and benevolence still feels very uncomfortable.

Strong discomfort!

But... She actually felt inexplicably happy.

After all, Li Yun still knows to ask her to help out the siege, doesn't he?

"Seniors."

Shangguan Lingxian's voice was soft, and he bowed a salute, instantly dissipating more than half of everyone's anger.

Who can bear to be angry with a gentle and kind holy fairy?

Seeing Shangguan Lingxian coming forward in person, a hint of hatred flashed in his stern eyes. This matter could not continue. With her coming out, it would surely be able to appease the angry group of people in the rivers and lakes.

Sure enough, when Lingyi Fairy used his reputation as a guarantee, proved that his senior brother Feng Changhua took the lead, and let the old woman Tieguai come to testify, the anger of everyone was calmed down.

Of course, this was just the disappearance of Li Yun's suspicion, and the anger he provoked did not disappear at all, but felt even more aggrieved.

Because Li Yun's scolding turned out to be true, they were really idiots who were agitated by vigor!

Before Junzi Zhu and others became angry, Feng Li said: "My son Changhua was only bewitched by He Canghu, but you hurt the killer. This is your fault anyway!"

"hehe."

Li Yun shook his head with a hehe, expressing his disdain to answer this question.

Chapter 1182: Even the psychic fairy scolds

Feng Li gave him a cold look, "You act arrogantly and arrogantly, in my opinion, you are no different from a demon!"

Give him the title of a demon first, and when Song Yuan comes out to prove that he is an accomplice, then the little demon will be full of mouths and can't tell it!

"in my opinion."

Shangguan Lingxian winked desperately, but Li Yun still said it, only what he said surprised the people present.

"You Tiandanmen indulge the disciples' wanton and reckless actions, the hall master protects the family, bullies the weak, the clerks are stubborn, embarrassed, and the head and the elders do nothing. mistaken!!!"

"..."

"..."

More than two thousand people present were silent, and they didn't know what to say anymore.

No matter how imaginative a person is, he can't think of anyone who would scold each other in front of the elders and thousands of disciples in front of a first-class sect.

Feng Li's mind went blank for a while, he originally just scolded Li Yun as the devil, but he didn't expect that the other party would directly scold the entire Tiandanmen!

In Li Yun's mouth, Tiandan Gate has become a place to hide dirt and dirt, and there is no good person in the whole school, including the fairy doctor!

"certainly."

Li Yun smiled: "Lingxian still has a bit of conscience, but unfortunately she is too kind, and her mind is a little confused. She just thinks about turning big things into small ones, but she doesn't know that some things must be solved. This is where Lingxian did not do well enough."

Shangguan Lingxian: "..."

She didn't know what to say. Not only was the teacher scolded, she was also called a fool by Li Yun.

Everyone, you look at me, I look at you, I stayed for a long time without knowing what to say.

Even Fairy Lingyi was accused by this arrogant boy, and it was obvious that he was crazy.

"Get out of here right away!" Bei Changxing patted the table fiercely, the tea cup jumped a few times, tea and tea were scattered all over the floor, and shouted sharply: "Boy talking nonsense, my Tiandanmen has passed on for thousands of years, and the doctor who went out to practice medicine Jishi, how many people from the rivers and lakes, even ordinary people admire seniors, how can you let you slander!!"

Li Yun's expression remained unchanged: "So now you are discrediting your predecessors, rather than passing on their virtues!"

Bei Changxing and all the Tiandanmen disciples trembled with anger.

The people present at the scene looked at each other, how bad is Tiandanmen now?

Many people have complex expressions. Song and Yuan, this evil demon who is full of disasters, is indeed from the Tiandan sect.

Even though Tiandan Sect had expelled him from the school, the relationship was still there.

"When Song Yuan comes out, naturally the truth will come to light."

Li Yun stopped talking and drank tea in silence.

The scene of more than two thousand people actually calmed down.

"Brother Li, Jinai...Curious people too!"

Zhang Jinghui, the son of the head of the Tiandan Sect, gave him a 'strange person' evaluation with a complex expression on his face.

In front of many people, reprimanding a leader of the first-class sect of Jianghu for doing nothing, this is simply impossible in Zhang Jinghui's view. It's long and thin, but Li Yun has done it.

"Father..."

Taking a look at her father Zhang Shou, Zhang Jinghui found that his father's face was still calm, but his hand had been holding the teacup tightly, and there were very complicated emotions in his eyes.

It must be difficult for my father to accept such an evaluation in his heart.

But Zhang Jinghui had another thought in her mind.

Long sleeves are good at dancing and acting smoothly. From another perspective, it is indeed not decisive enough.

"Ding, the host takes the initiative to make the right choice."

Chapter 1183: Ding, Qinglong roars

"Criticizing idiots, hypocrites, villains, showing the style of justice, rewards: justice value +50,000, experience value +5 million, all attributes +3000, golden gift bag*1, the reputation of the world is improved, and special skills are randomly rewarded: the roar of the dragon (primary

"what!?"

Li Yun, who was sitting and drinking tea, almost squirted out, the system prompt was too sudden, and suddenly he was not ready to receive such a huge reward!

50,000 justice points, experience points plus all attribute rewards, golden gift bags, plus a special skill!

The high reward made Li Yun grin open. His justice value has soared to 170,000, and his five physical attributes can reach as much as 100,000 points with a difference of less than 2,000!

In addition, "special skill Qinglong roar?"

Qinglong is one of the sacred beasts in the ancient mythology of Huangxuan Kingdom. It has been worshipped by the ancients for a long time. There is a record in "Huainanzi": The noble one of the gods is more valuable than the Qinglong.

This means that among all the gods, Qinglong is the supreme existence.

Of course, Taoism only absorbs Qinglong as the protector god, and it is not on the same list as Sanqing.

Even so, the status of Qinglong is still respected, belonging to the **** of righteous way, and it is nothing to frighten demons and monsters.

Li Yun has a justice value of 170,000, and it is no surprise to obtain this skill. Otherwise, the system rewards him, it is estimated that the evil ghost howl, the poor and strange roar, etc.

"The blue dragon roars, gathers energy, and emits a sound of justice that resounds through the world, to frighten the evil spirits, dispel the ghosts, and discern the illusion. It is the sound of the righteous way."

After reading the introduction, Li Yun immediately concluded that this is another powerful martial arts that can use true energy to achieve magic effects. No, this has gone beyond martial arts, even beyond the scope of magic, and has become a magical existence!

Originated from the sacred beast Qinglong, isn't it a supernatural power?

Li Yun was overjoyed in his heart, and without hesitation, he directly ordered 10 million experience to raise this technique to intermediate level, and his power to a higher level.

He even wanted to take the skill pill, or the god-level skill pill that had been left for three full months, and was directly upgraded to the full level. Unfortunately, the system prompts that the strength is not enough to support the use of the god-level Azure Dragon Roar, so Li Yun gave up.

But even so, the mid-level Azure Dragon's roar is still incredibly strong, and Li Yun speculates that if he yells in front of him for congenital perfection, he will immediately bleed and die.

If the opponent is an evil demon outsider, even the Grandmaster Realm will be seriously injured and fell to the ground with a roar!

"Husband, husband?"

Xia Feiyao sitting next to him felt inexplicable. Why did her calm husband suddenly become happy?

"Hey, what's the matter? What does my good Yao'er want to say?"

Li Yun was in a good mood, and pinched a handful of the cute baby face of his little wife Yao'er, making this immature face flushed.

"Bad husband, no, so many people~!"

Xia Feiyao shyly stopped her husband from acting in a very low voice. After calming down her mood, she made a nuisance and motioned him to look at sister Lingxian: "Look, husband."

Xia Feiyao has been paying attention to Sister Lingxian and found that her expression is a little melancholy and worried. It seems that she is not worried about her marriage or Li Yun, but has another thing in mind.

Could it be that.....?

Li Yun shook his head, saying that let Shangguan Lingxian be alone, because things have to be faced.

But after thinking about it, Xia Feiyao still moved the stool to come to her, and asked in a low voice: "Sister Lingxian, are you worried about Song Yuan?"

Chapter 1184: are you crazy

Shangguan Lingxian was visibly stunned. After a while, he nodded slightly, and frowned at the people around him: "He..."

"What's wrong with him?" Shangguanxia asked. She was very disgusted with Song Yuan, thinking that he had corrupted the reputation of Lingxian, which caused many people in the rivers and lakes to add a word to Shangguan Lingxian's evaluation:

The roots of troubles.

Therefore, she can no longer let Shangguan Lingxian be willful, she must get married as soon as possible to sever other people's illusions about her!

The girl's family is supposed to be a husband and a child, and they show up outside and make men jealous. In Shangguanxia's view, it is a matter of corrupting customs.

"No..." Shangguan Lingxian shook his head, biting his thin lip and said, "Nothing, he...will appear."
"?"

Xia Feiyao was very puzzled, how did Sister Lingxian know? Does she know her brother too well?

Time slowly passed, and everyone's attention turned back to Song Yuan.

Except for the Zhou family who did not show up because of something wrong, the rest of the Shen family and the Wei family have sent people to come, and the patrons and wife of the two families, as well as Shen Yuan Wei Gang and others have all been present.

These were the targets of Song Yuan's revenge. With the addition of Guan Lingxian, a junior girl whom he valued very much, Song Yuan had no reason not to appear.

"Why don't you show up yet?!"

"I don't think you can wait, Song Yuan will dare to come out at least at night, so that it will be convenient for him to escape!"

"*! Song Yuan, this thief, I must give him a knife after he shows up!"

"Hey, if you really dare to show up, I would really admire him."

Everyone whispered to each other. Although there was no grandmaster among the people present, no one doubted that Song Yuan could escape after he appeared. Two thousand people at the scene could drown him with a spit.

As for the reason for not inviting the grandmaster, it is probably because he was worried that Song Yuan would not dare to show up.

"Not showing up yet?"

Xia Feiyao murmured a word, looked up at the sky, the clouds blocked the violent sunlight, and brought a different feeling to Tiandanmen.

Li Yun stood still, picked up the half-drinking teacup and took another sip.

Everyone ran out of tea, and a servant came up with a teapot and filled them with tea one by one.

Poxu Dao, Zhu Junzi, Song Lao Zhou Lao, Bei Changxing Feng Feng Changhua, etc., everyone received a cup of tea.

Except for Shangguan Lingxian, Xia Feiyao and other girls.

Li Yun's eyelids twitched, looking at the servant approaching him, frowning slightly.

Somewhat weird.

This servant was about twenty years old, with a very ordinary face, wearing the uniform of a servant of Tiandanmen, and wearing a pair of steps at his feet, and his movements were clean and neat, but his attitude...

"Grumbling."

The teapot slowly tilted, and the fragrant tea flew into Li Yun's teacup like a rainbow. The servant's face was calm, his eyes drooping, and he couldn't see the thoughts in his heart.

But Li Yun felt it.

"Are you hostile to me?"

In one sentence, when Li Yun deliberately blessed his true energy, it instantly spread to everyone's ears at the scene.

Everyone turned their heads and their expressions were very exciting.

"What does this kid want to do?"

"Do you want to curse again?!"

"Bah! Uncultivated guy, I guess the servant has offended him a little bit, so this dog immediately jumped out and bit someone!"

"Hehe, there is another good show, Tiandanmen was guilty of rushing today and was put on the bar by this kind of person."

"Grass! Is this kid crazy? What do you care about a servant?"

Chapter 1185: Let go if you don't want to die

The Heavenly Pill Sect glared at Li Yun up and down. He troubled the servants of the Heavenly Pill Sect, which was tantamount to the trouble of the Tiandan Sect!

Poxu Dao directly cursed: "What is your kid doing? Tell you, even if the spiritual medicine fairy is protecting you, you can't be arrogant and be angry with a bad guy?!"

Shangguan Lingxian's expression was very embarrassing. In a sense, Senior Poxudao was also scolding her.

Li Yun turned a deaf ear, stretched out his fingers and tapped on the table a few times, and made a knocking sound: "I want to ask you something, you are a servant, why are you so hostile to me?"

"Huh, nonsense!" A senior in the rivers and lakes, a heavyweight man sneered: "You Li Yun acted recklessly, and Tiandanmen hated you all up and down. According to me, people like you should be driven out! "

Shangguan Lingxian became more embarrassed.

Sternly said: "Lingxian, you are young and it is normal for you to make friends carelessly, but you should correct it when you know your mistakes. It is better to listen to your elders and stop dealing with certain people!"

Shangguanxia remained silent, but every time she looked at Li Yun, her nostrils were upturned and she was extremely disdainful.

Li Yun smiled, still staring at the weird servant, and said: "Could it be that your Tiandanmen still recruited a dumb man?"

"presumptuous!"

"Too much bullying!"

"This kid is really disgusting!"

"Shut up!"

"Are you still a human being to make things difficult for someone to follow?!"

Everyone yelled, and Feng Changhua took the opportunity to fan the flames and spit in anger and shouted: "Li Yun, it's no wonder that you hurt me as a killer. It turns out that you are such a villain who will repay you! Lingxian, I advise you to..."

"Shut up, idiots."

Li Yun interrupted him and turned his eyes to the Poxu Dao. The young man cursed and his lips were dry, and he had already picked up the teacup and wanted to drink tea.

"If you don't want to die, put down the teacup."

"what!?"

Poxu's sword shook his hand, his face was ugly, and he stared at Li Yun with trembling and anger: "You ***** boy, do you think...No, you mean...?"

He finally woke up, not that Li Yun wanted to trouble him, but...in the tea.

Everyone's expressions changed slightly.

An old man with a short stature grabbed the teacup on the spot and dared not try. Instead, he lightly dipped the tea in the teacup with his finger and put it to his nose and sniffed it carefully.

"West Lake Longjing, produced from...Shifeng Mountain, the tea just released this year is fragrant and there should be no problem."

"Color..." The dwarf old man opened his eyes again and carefully inspected each tea leaf inside: "Emerald green, not melted at all. It is a fine product in Longjing. It can be sold for about 100,000 yuan for half a catty. Boy, you lie to me !!!"

After the old man finished checking, a pair of gleaming eyes glared at Li Yun.

"Awesome! As expected of an old man smelling incense!"

Everyone sighed, and Bei Changxing applauded and applauded: "The scented elder predecessor is not old, and his nose is very sensitive. I heard that ten years ago, he used these noses to sniff out a trace of a flower-picking thief. Catch it and spread it as a good talk for a while!"

The old man smelling incense was slightly glamorous, "I'm sorry, the old man has nothing else in his life, so he relies on this pair of noses to slurp food. Today, he came here at the request of the semi-sage doctor, and the purpose is to track Song Yuan to prevent him from escaping. of!"

Everyone looked at Li Yun again, the latter's expression remained unchanged, and he only said one sentence: "If you are not afraid of death, try this cup of tea."

Chapter 1186: Meet old friends

Everyone's expressions stagnated.

Li Yun said again, "Is there anyone who dare not drink it? Just a reminder, Song Yuan has already worshipped the Demon Sect. What are their methods? Believe me, don't you need to say more?"

—He was really afraid that these lawless people would just pick up the teacup and do it.

Fortunately, in the end there is no one who is not afraid of death.

Everyone looked at each other for a long while.

"Boy!" Poxu knife slapped the table, and shouted in full breath: "What kind of tricks do you want to play?"

"Senior." Li Yun smiled faintly, "It's not that I want to make any tricks, it's him."

Everyone looked at him with solemn expressions, and they all looked at the servant who was standing on the spot with his head down.

From just now to now, he has kept his head down.

Don't say a word.

There is only silence, as if answering everyone silently.

"What's your name?" The head of the Tiandan Sect finally said, "Who is the supervisor? Don't be afraid, say it, I'll be the master for you!"

"..."

An invisible, depressive aura that everyone really felt enveloped everyone.

The silent and icy momentum made people breathe quickly, and the Shattered Void Sword firmly grasped the treasured sword leaning on the table, staring at him stubbornly.

The two thousand people at the scene were silent at the moment.

"Are you going to continue to pretend to be stupid?" Li Yun's tone was flat, but his energy was highly concentrated, and he looked at the weird servant in front of him with alert.

"Hahaha."

A hoarse and deep laughter sounded, Shangguan Lingxian's delicate body trembled, and said aloud: "It's you...you, really came!"

Everyone was taken aback, but quickly reacted.

"Song Yuan!!!"

Shen Yuan's pupils widened in an instant, and almost subconsciously shouted: "Song Yuan, don't trouble me, it's really none of my business, it's all a teacher..."

boom!

Before he could speak, Feng Changhua kicked his chair away.

"Junior Brother Shen!!!"

Feng Changhua gritted his teeth, his eyes gloomy: "What did you say to this kind of person? He has become a demon, will he still listen to your explanation? How did you become so courageous!!"

Shen Yuan climbed up from the ground embarrassedly, his face extremely pale, and his gaze at Song Yuan was even more cowering.

Li Yun smiled: "I can't help but he is not afraid. Song Yuan was planted and framed, which led to a series of consequences. When investigated, the person who planted the plant was the culprit..."

"Shut up!"

Feng Changhua jumped out of his teeth to interrupt Li Yun's words, and his eyes were so vicious that he couldn't wait to swallow him.

Li Yun shrugged and glanced at him meaningfully: "Feng Changhua, I didn't think you had to use it to walk out an hour ago, but now you can kick people in the chair, and you have recovered so quickly."

Suddenly, the eyes of everyone looking at Feng Changhua became weird.

Dare to love this guy has been pretending!

Really knowing people, knowing faces and not knowing heart.

Shangguan Xia snorted disdainfully, such a person also wants to marry a spirit immortal? Is he worthy?

Feng Changhua's expression froze for a moment, then changed the subject and said, "Now we have to deal with Song Yuan."

Then everyone turned their eyes to the servant and looked at him up and down.

And "Song Yuan"...

"Why do you see me?"

Li Yun smiled, "Didn't we meet in Zhangjiacun last time? Why, can't we recognize old friends?"

Shangguan Lingxian can't laugh or cry, when is the time, why is this bad guy not serious!

But inexplicably, her heart was a lot more settled. If he was there, she would definitely be able to solve the matter, right?

Chapter 1187: Spike

"Song Yuan, is it you!?"

An elder from the Tiandan Sect yelled, and many of the Tiandan Sect disciples either had sharp eyes, gritted their teeth, or looked at him with complicated emotions.

This big demon who caused countless turmoil in the arena and covered with blood on his hands was once their same door!

The onlookers craned their necks to look at the servant, wondering if he was Song Yuan!

After a long silence, he glanced at Shangguan Lingxian Empress again, the servant said with his hoarse low voice: "You, just now, what did you say?"

"I don't think I need to repeat."

"Sure enough?!"

"As you think."

The old Poxu Dao was inexplicably irritated when he heard it, and he said in a deep voice: "What kind of riddles are you playing? Forget it, no matter what, hey, you servant, listen, are you Song Yuan? Answer the old man immediately!"

"Haha." The servant showed a very disdainful expression, "It's a idiot, you deserve to come and ask me?"

"you!"

The Poxu Dao jumped like thunder, and he was scolded by Li Yun today. At least I heard that the strength of the opponent is not bad, comparable to the strength of the innate late stage.

But a mere messenger deserves to call him an idiot? !

"Look for a fight!!"

Shattering the Void Sword's wrist flicked, and the dark scabbard flew out, revealing a gleaming sword with a broad blade and a thick back. It is both sharp and hard. Even if it is against a heavy weapon such as a meteor hammer. Don't let the wind fall.

"Boy, whether you are Song Yuan or not, take the old man a knife first!"

After all, the old Poxu Dao just raised the knife, and in an instant it was like a galaxy pouring down, the light of the knife joined together, and it rumbled towards the shoulder of the servant.

Poxu knife left a bit of affection. If the servant was not Song Yuan, then he would only cut off one of his arms as the price of ruthless words!

The sword light was fierce and mighty, making everyone exclaimed, and they admired the predecessor of the broken virtual knife that the treasure knife is not old.

But Li Yun said, "Don't kill him."

"what?!"

Everyone was shocked, and there was no time to think about it, the blade of the broken virtual knife had already been cut in front of the servant.

"If you still want to restore some of your reputation." Li Yun added.

The cold light flickered in the servant's eyes, and finally, he raised his right hand and grabbed his five fingers towards the blade that thundered.

"boom!"

The light of the knife shattered, and the extremely sharp sword was held in the hand by the servant's plain five fingers. The pupils of the broken sword suddenly widened, "No, yes, yes!"

He walked the rivers and lakes for many years. He entered the congenital realm at the age of twenty-five. At the age of 40, he entered the congenital realm. In the following thirty years, he was free and easy. Not to mention that there was no one who could defeat him in the whole arena, but there was absolutely no daring to block his blade with a physical body!

"Idiot, go away."

The servant's five fingers squeezed forcefully, and the thick sword 'ping-pong' broke apart several times, and a black air that was visible to the naked eye broke out. He threw the broken knife out like a sack and flew straight for more than ten meters. Grumblingly rolled on the ground a few times before stopping.

The two thousand people present were silent.

In the late innate stage, the old Poxu Dao who had been famous for many years could not even catch his move!

This person must be the Song Yuan who took refuge in the magic door and stepped into the magic way!

"I know one thing."

Song Yuan's body gushed out a dark evil spirit, and his face quickly changed in the evil spirit, and soon became Song Yuan's appearance.

"The people of the arena are ignorant and ignorant."

Chapter 1188: The parties stand up

Song Yuan, who was shrouded in weird and evil spirits, had a hoarse and evil voice, and his physical form had undergone earth-shaking changes.

The five fingers are sharp and pitch black, the back of the hand is covered with a thin layer of scale armor, the eyes are blood red, and the teeth seem to have turned into canine teeth. Living zombies!

"Just as he said," Song Yuan rattled his teeth, staring fiercely at Shen Yuan, Wei Gang and his family, and even the head of Tian Dan Sect, and Zhang Jinghui, all stared at him. After a glance, "Tiandanmen is not a good thing up and down, the snakes and rats are a nest, embarrassed and evil, ashamed of the good name inherited from the ancestors!"

The spiteful eyes made the Tiandanmen shudder, and some timid people collapsed on the spot and fled here directly.

Song and Yuan at this moment, the whole body exudes a weird evil spirit, like a demon king of the world, turning the world into a purgatory!

"You alone are not qualified to say these things!"

The crisp and sweet voice of the woman broke this uneasy atmosphere.

Shangguan Lingxian stood up, looked at Song Yuan with disappointment in her eyes, turned around without hesitation and walked towards the old Poxudao, helped him up, and looked at the injury before she was relieved.

Perhaps it was stimulated by the look in her eyes, the evil spirit in Song Yuan's body declined a little, and people fell silent.

"Ding, trigger the option event, please choose from the host:

Option 1: Kill Song Yuan directly, reward experience value +3 million, all attributes +5000, justice value +20000, golden gift bag*1, additional reward: to be determined.

Option 2: Expose the original inside story, punish all guilty people, reward experience value +5 million, all attributes +8000, random golden equipment*1, extra reward: skill pill*1.

Choice 3: Ignore, let things develop, and besiege Song Yuan with everyone, reward: to be determined. "

After taking a glance at the choices given by the system, Li Yun smiled slightly and said loudly, "Everyone is here, it's time to solve the problem!"

Everyone was terrified, and at the same time felt inexplicable.

What is the truth? The inside story of Song Yuan's refuge in the magic door and gaining powerful power?

Song Yuan fell silent, his evil spirit dissipated again, his eyes looked at Li Yun indifferently, as if waiting for his words.

"Feng Changhua." Li Yun began to call, "Shen Yuan, Wei Gang, Shangguan Lingxian, Song Yuan, and Feng Changhua's father, the head of the Tiandanmen Affairs Hall Feng Li, the head of Tiandanmen Zhang Shou, you all It's the person involved, now it's time to come out and explain the truth!"

Feng Changhua started to breathe quickly, and choked: "What's the truth? Li Yun, you are defending Song Yuan everywhere, is there any collusion with him?!"

Li Yun laughed, "I didn't say anything about the truth. How did you know that I was defending Song Yuan? It's really strange, is it because someone has a guilty conscience?"

"you!"

Feng Changhua was trembling with anger. He could feel from the name Li Yun pointed out that things were a little bad...

"Oh, right."

Li Yun remembered another name: "And Song Yuan's master, the fourth elder...what's the name?"

"Old man, Zhong Li also!"

A man who was less than fifty years old stood up and answered with a cold look in his eyes.

But soon, Zhong Li also said: "Song Yuan, I think there is no place to be sorry for you. I teach you to wait very well, and I will never deliberately conceal or abuse you, etc.!"

Chapter 1189: Confrontation (Part 1)

Everyone in the rivers and lakes suddenly understood that the four elders were trying to separate the relationship, for fear that their former disciples would trouble him.

It stands to reason that the killing of a teacher is the most serious and vicious crime in the arena. Once such a thing happens, both the decent and the wicked will look down on him.

But Song Yuan had already stepped into the magical way, and it was not impossible to kill the master.

"People are all here, it's time to restore the truth." Li Yun said a famous saying: "Regardless of whether there is a magic door involved, there is only one truth!"

"the truth?"

Everyone repeated it unconsciously, and they were all very surprised as to what the so-called truth was.

"Stop talking nonsense!"

Feng Changhua shouted with a stern voice: "Li Yun, don't confuse the crowd with this deceit, even if Song Yuan was framed by someone at the beginning, but he killed hundreds of innocent people later, isn't it his fault? Let's talk about it. This demon is completely crazy, what he said counts?!"

"It's strange." Li Yun's tone was calm: "I haven't said what the truth is, but why do you know that I'm talking about Song Yuan framed? Did you also participate?"

Feng Changhua sneered: "Song Yuan kept calling that he was wronged. Isn't this the so-called truth, what is it?"

Li Yun suddenly realized, "So that's the case, what you said is right." Turning his head to look at Song Yuan, "Then it is your turn to say, Song Yuan, in front of Shangguan Lingxian and all the heroes, talk about what was happening at the time. What is the situation, lest you die unclearly if you die!"

For some reason, he was called a hero, and all the people present at the scene felt very different.

Is this kid deliberately hurting them?

"Is this important?"

Before Song Yuan could speak, Bei Changxing said in a cold voice: "Song Yuan deceived his master and destroyed his ancestors and committed heinous crimes. Human evidence is there. What else can I say?!"

Li Yun looked at the head of the Tiandan Sect. The head of the so-called semi-sage doctor seemed to sigh, and stood up and said: "Song Yuan has committed evil deeds, but it should be clear that the day of the celebration should be investigated. , A lesson from the past, and a teacher of the future, if someone really makes trouble from it, then I will never take it lightly!"

After speaking, he replied with a sharp look in Li Yun.

With his vision as the head, how could he not know that Li Yun had been talking about the celebration, and because of this, Li Yun scolded Tiandanmen for this matter. Zhang Shoucai kept putting it down to see what the other party found out. !

As the head of the Heavenly Pill Sect, he spoke in person, and Song Yuan had no desire to fight. The people who had been eager to move quieted down and waited for the progress of the matter.

"What happened on the day of the celebration?"

"Who knows, I heard that the devil Song Yuan wanted to administer medicine to his spiritual medicine fairy, but was caught on the spot, and then he was desperate before turning to the magic door."

"Tsk tusk, got caught in front of many people, if I had committed suicide in shame!"

"Who says no, this kid is disgusting, even the flower picker didn't prescribe the medicine in person."

"Hush! Be quiet, the faces of the Tiandanmen disciples are all green."

"Ha ha ha ha!"

Everyone talked a lot, and the ridiculous laughter was endless. Song Yuan seemed to recall the events of the day at once, his body trembled, his face twisted, and his whole body lingering in darkness, extremely frightening.

"Spirit!"

Seeing that the situation was not good, Li Yun quickly called to be the only one who could hold Song Yuan.

"Me, what shall I do?"

Shangguan Lingxian panicked, now Song Yuan is simply a moving natural disaster, too scary!

Chapter 1190: Confrontation (Part 2)

But there was no need for Shangguan Lingxian to do anything, her voice alone was enough to calm Song Yuan down.

After knowing what he was going to do, Shangguan Lingxian took a deep breath and looked at his former senior brother with complicated eyes: "Song Yuan, I ask you a question. You must answer me honestly, understand?"

Song Yuan remained silent, lowering his head and not looking at his former junior.

Shangguan Lingxian's voice slowed down a bit: "I know you are in pain now. You have done a lot of wrong things. You may not even want to look back, but at least tell the matter now and don't let the bad guy's conspiracy succeed!"

She learned from Li Yun that Song Yuan's body was controlled by a magic door with special means.

Everyone whispered, but the voice was much lower.

"Lingxian, Junior Sister." Song Yuan's voice was hoarse, revealing a deep bitterness and unwillingness. "If I said, I didn't prescribe you medicine, would you believe it?"

He wanted to say this for a long time, but only today did he have the opportunity and the courage to say it.

When detained at Tiandanmen, even if Shangguan Lingxian visited him, Song Yuan was ashamed and unwilling to reveal the truth.

"Are you still worthy to be called Senior Sister Lingxian?" Feng Changhua said indifferently: "You always say that you have been wronged, but the medicine found in your pocket is exactly the same as the medicine in the glass you gave to Lingxian. What's so quibble!"

"I!" Song Yuan trembled his lips, he wanted to speak, and then, his eyes turned to vicious spiritual power, and he looked straight at both Shen Yuan and Wei Gang: "It's them, they must have framed me, yes. , I just want to understand later, it's you!!!"

He screamed like crazy, and Shangguan Lingxian had to stop him loudly, looking at him with worried eyes.

"Song Yuan!"

Shangguan Lingxian calmed down and asked with a solemn tone: "I ask you, did you drug me on that day?"

Originally, he was usually ashamed to mention things, but under the current situation, Shangguan Lingxian had no choice but to ask aloud in shame.

The eyes of many people from the surrounding rivers and lakes looking at her became ambiguous.

Prescribing medicine to the spiritual doctor fairy, it was irritating just to say it.

They respect the spirit doctor fairy for being true, but it does not prevent them from coveting the beauty of the fairy, and they want to kiss Fangze and spend the night together.

"No!" Song Yuan replied in a deep voice.

"Really do not have?!"

"I have never..." Song Yuan paused for a moment, "I never thought of doing such abusive things to Junior Sister!"

Shangguan Lingxian called him Song Yuan, but Song Yuan still called him Junior Sister, and the difference was very emotional.

"So-that's good."

Shangguan Lingxian couldn't find what he should say in the next sentence. Even if Song Yuan didn't do such a thing at the beginning, but what happened later is irreversible, it is enough to get an accurate information.

When Song Yuan fell silent, he naturally knew his current situation, and he didn't dare to expect to be forgiven by the younger sister.

"The problem is coming."

Li Yun smiled and said, "You didn't prescribe medicine in Song Yuan, but everyone found the medicine on your body. Then, who secretly put the medicine on you?"

Feng Changhua sneered, "He said you believe it without medicine? Junior sister, don't believe it!"

"Don't talk! Wait until Li Yun and Song Yuan finish talking." Shangguan Lingxian's tone was unprecedentedly cold, and she had already begun to hate this person.

Feng Changhua hated him and vowed that after Song Yuan killed Li Yun, she would be humiliated severely in the future!
