

## Godly Choice 1191

Chapter 1191: Repeated horizontal jump

The head Zhang Shou also said: "Song Yuan, you said you didn't take any medicine, but what you found from your body proved to be yours! What is going on?"

Many people from the rivers and lakes are gazing at it. This demon has killed hundreds of people and can give him a chance to defend, thanks to the protection of the spiritual doctor fairy.

Otherwise, they won't care whether there is grievance, and they will besiege the matter directly!

"I--!" Song Yuan said with red eyes, avoiding the sight of Shangguan Lingxian, and said hoarsely: "It's not mine!"

"really not?"

Li Yun smiled, his eyes full of deep meaning: "Song Yuan, this is your last chance. If you don't tell it, you can only keep this secret in the coffin, understand?"

"One more question, is the medicine found on your body yours!?"

".....no!"

After a long silence, Song Yuan still denied it.

Shangguan Lingxian frowned, and the matter was at a deadlock again. Both sides held different opinions, and there was no evidence to prove who said it was true.

But there is no doubt that Song Yuan's defense is unconvincing!

Everyone talked again and looked at him with contempt.

Li Yun's tone was flat: "Now I finally know why you have become like this. I look forward and backward, and talk nonsense. To put it simply, it's just a bad brain that led to the current situation!"

"Finally, let you see the person involved."

"Song Yuan!!!"

Li Yun was trying to call out someone, but he shouted out loudly: "I think you are greedy for the beauty of the immortal, that's why you make mistakes again and again. I advise you to save yourself, you are like this, you deserve it. Shang Lingxian? Besides, now Lingxian has a favorite, do you understand?!"

Song Yuan was shocked, and Li Yun frowned when he saw him. Why did this old guy mention him now? Disaster? Hehe, Feng Li wants to rely on Song Yuan to deal with him?

As soon as his thoughts turned, Li Yun immediately guessed the stern plan, and sneered in his heart, really reluctant to live and die!

"Sister Lingxian..."

Song Yuan looked back and forth between her and Li Yun, and finally made some decision. He reached out and pointed at Li Yun: "Junior sister, don't be with this person!"

It's done!

Feng Changhua was overjoyed. Even if Li Yun's kid could kill Song Yuan, the dirty water he and the Demon Sect colluded with couldn't be washed away, let's see how he died!

Shangguan Lingxian's beautiful and holy face showed an unpleasant look, "Song Yuan, who I am with does not seem to have anything to do with you. As your former junior, I really want to persuade you to give up resisting, and keep one. Life to comfort family members."

"No, Junior Sister!" Song Yuan said indifferently, "You don't know his true face at all. In fact, Li Yun, he is also a member of the Six Demon Sects!"

"what?!"

A stone caused a thousand waves of waves, and Song Yuan's shocking news made everyone at the scene widened, and they looked at Li Yun uncertainly.

"This kid also belongs to the magic door?!"

"I'm Cao! No wonder, this kid is so strong, he turns out to be a magician."

"The dog bites the dog, a hairy mouth, hahaha!"

"What a hypocrite, it is so arrogant to scold the big guy grandily!"

Waves of discussion were like ocean waves, and many people began to gloat. They were anxious for Li Yun to collude with the demon door. If this were the case, the fairy doctor would definitely drive him out of the door.

Gentle, kind, holy heart benevolent spiritual medicine fairy, how can he tolerate his husband as a demon?

Chapter 1192: Lol

Li Yun laughed, "Song Yuan, are you sure I am from the magic door?"

"Don't deny it!"

Song Yuan said with a cold face, "I once saw your name on a list of the Demon Sect. You are a \*\*\*\* inserted into the secular world by the Demon Sect, in an attempt to use the influence of the government to seduce and attract women from the rivers and lakes to obtain them. After his admiration, he controls the whole arena!"

Not to mention the onlookers, even Li Yun was dumbfounded.

Xia Feiyao was suspicious at first, but quickly denied: "This is impossible, you don't know how good my husband is!"

"The magic pill is indeed very powerful." Song Yuan still insisted on his statement.

"enough!"

Shangguan Lingxian was rarely angry, and his beautiful face was full of disappointed expressions: "Song Yuan, you really don't know anything. No matter what you say, I won't believe it."

"In addition!" Shangguan Lingxian faced everyone, and said in a very firm tone: "Dear fellow brothers and sisters, and elders, I guarantee that Shangguan Lingxian has my own reputation, and Li Yun is definitely not from a demon!"

After a pause, Shangguan Lingxian's tone was a little awkward: "Although he acted unscrupulously, but his heart was very kind. He used to use Nine Ranks...It is the elixir and miraculous medicine to treat two seriously ill people. There is no falsehood!"

She said so eloquently that many people who had already doubted Li Yun changed their positions. I have to say that the name of the fairy doctor is indeed quite weighty.

Shangguanxia looked at it with emotion. Lingxian unknowingly has become a famous figure in the world, and her reputation is no less than that of the entire Shangguan family!

"The miracle pill?" Feng Li asked, "Lingxian, does he still know medical skills?"

Shangguan Lingxian bit his lower lip and shook his head: "I can't say that, but you know, Li Yun has a pill that is no less than the elixir. It can live to the dead, flesh and bones, it is very magical! I think even in the magic door With this kind of pill, they would not give it to a stranger!"

The living dead, flesh and bones.

The word originally used to describe the mystery of the pill, but the two thousand people present would never think that the meaning of Shangguan Lingxian is the original meaning of the word!

The Nine Turns Immortal Pill can save Master Song, Mrs. Song, who has been turned into a zombie for a full month, and recreate a fleshy body, which is comparable to the body of the lotus root recreated by the master of Nezha in myths and legends!

How could Li Yun, who possessed such a miraculous pill, be the \*\*\*\*\* of the Demon Gate?

Furthermore, Shangguan Lingxian trusts him deeply, and will never be the kind of cruel person- even if he really came from a demon sect.

Deliberately ignoring Shangguan Lingxian, Song Yuan looked at Li Yun: "What else do you have to say?"

"I have nothing to say, because your brain is probably not normal."

Li Yun's expression was indifferent, but he was thinking in his heart, what exactly did Song Yuan sell?

Just simply can't understand him, don't let him be with Shangguan Lingxian?

Alas, when it comes to Song and Yuan, when it comes to licking a dog, there is no one left.

"Nothing to say? Is there an inside story?"

Feng Li sneered: "No wonder you can easily defeat the Nine Tigers with the strength of the early innate stage. Is this not evidence?"

Everyone clamored again, and they threatened to let Li Yun give an explanation!

Song Yuan's eyes flickered, and the situation Li Yun was facing now was so similar to that he had at the celebration that day!

If he can solve it smoothly, then, Junior Sister...

Chapter 1193: Above the master, the realm of God

"If you treat ignorance as self-confidence, you are probably the only one who is brave, right?"

Ignoring everyone, Li Yun aimed sharply at the target.

His intention is simple. When he is besieged by countless people, as long as he maintains his deterrence and directs the fire to the person who rushes to the front, he will naturally deter everyone.

"Clear-toothed kid!" Feng Li sneered, without saying more, just waiting for everyone to condemn.

This kid is saying that the sky is falling in disorder, and the ground is rushing to the golden lotus, but as long as he does not explain why he has such a strong strength, he is suspected of colluding with the magic door!

Shangguan Lingxian couldn't help worrying about Li Yun.

In this situation, he couldn't clean it even if he jumped into the Yellow River!

"You guys, have you ever heard of a realm." Li Yun's mouth curled up with a smile, "a kind that can be achieved in the acquired realm, can defeat the mid-innate stage, its own true qi runs freely, inside and out Qi penetrates the eight channels of the odd meridian, without getting through the final state of the innate stage!"

"what is this?"

Many people have expressed doubts, but some people who are very knowledgeable and know the realm of ancient times have already yelled out:

"The day after tomorrow is perfect!"

"Is it really the realm of the acquired Great Perfection?"

"No, it's impossible, right? The day after tomorrow Dzogchen has not appeared for 500 years!"

"What is the acquired Dzogchen?"

Everyone whispered to each other, and soon, the legend about the acquired Great Perfection realm was known to everyone, and the people present could not help but take a breath.

To sum it up in one statement: Unparalleled in the world, Weizhen Huanyu!

"When you enter the realm of Houtian Great Perfection, you will surely become a master in the future, and it is said that there is a supreme martial arts realm above the master, and only a few people have been fortunate enough to break through, and these people, without exception, were not in the acquired realm. It has established a solid foundation, that is, after entering the acquired Great Perfection realm, it once again reaches its limit in the congenital realm, thus quickly breaking

through to the grandmaster realm, and then aspiring to the supreme martial arts throne in one fell swoop!"

"My god...the realm above the master, the supreme martial arts throne, what was called in ancient times?"

"Divine Realm!"

"Divine Realm? Yes, the Grand Master Realm can already travel in the sky, and the realm above it is completely beyond the ordinary, and it is very appropriate to call it the Divine Realm."

"Doesn't that mean this kid...no, Li Yun may become a god!?"

Everyone looked at Li Yun's eyes again, and there was a sense of awe.

Even if you can't reach the realm of gods, according to legend, all the acquired great perfection realms can become master-level peerless powerhouses, which means that Li Yun will not be surprised. In the next 20 or 30 years, there will inevitably be another one on the rivers and lakes. Grandmaster!

Nowadays, the grandmaster realm who can call the name can be counted with one hand, even if the one who is said to be newly promoted in Qinglei Valley is added.

"Grandmaster Realm... Divine Realm!" A look of yearning erupted in Feng Changhua's eyes, but it soon dimmed again, and his life was hopeless!

"Asshole! I want you to die! Want to be a god? Impossible!"

Thinking that he would never be able to move forward, Feng Changhua's hatred for Li Yun grew stronger. On impulse, he shouted to Song Yuan sternly: "What are you waiting for?! Waiting to see him and that cousin Qingqing me."

Feng Changhua came back to his senses and found that everyone had looked at him with weird eyes.

Chapter 1194: Flip again

"Who is that watch?"

This thought came up in everyone's hearts. Li Yun had only two women next to him, not Xia Feiyao, that was...

"It turns out that in the eyes of brother, I am already a watch."

Shangguan Lingxian's tone was unprecedentedly calm. She felt her unprecedented clarity. People who hadn't been recognized before are now all clear, and she can tell who he is at a glance.

"No, no, no! Junior sister, I didn't mean that!" Feng Changhua hurriedly defended, but no one believed him anymore.

Many people who respect Shangguan Lingxian's medical skills even started gearing up, waiting for a lesson!

Li Yun sighed and said with a sense of excitement: "When this farce should come to an end, Song Yuan, what else do you have to say?"

This is his last chance.

Song Yuan was silent for a long while, staring back and forth between Li Yun and Shangguan Lingxian for a long time, and suddenly said to Li Yun: "I admit that you are a good match for Junior Sister, and the future of Junior Sister is entrusted to you, I am very relieved!"

"???"

Not to mention that Li Yun was stunned again, everyone present couldn't figure out what the demon Song Yuan was talking about!

"I believe that with your strength, she will be happy." Song Yuan said these words extremely bitterly, as if reluctantly handing his goddess into the hands of a passerby who he despised, his heart was grief and unbearable.

Li Yun thought for a while before he figured out what Song Yuan was doing!

"I was lying before, and Li Yun is not a man in the magic door."

Song Yuan's expression calmed down, and even the evil spirit on his body became as if there was no evil. He looked at Shangguan Lingxian, his eyes were very soft: "Junior sister, the future rivers and lakes will become turbulent and unprecedented disasters will sweep everything. No one is immune to the school."

Shangguan Lingxian frowned.

"I hope you can be safe and safe from being infringed by those lawless demon sects."

"Tiandanmen can't keep you, nor can Shangguan's family, but he..."

Song Yuan looked at Li Yun with helpless eyes: "Although this person has been a little bit emotional, he is very sensitive and has a mysterious origin. He is backed by the government and has the new master of Qinglei Valley as his support. The future will inevitably be great. Show your talents, protect a world in times of turmoil, and protect juniors from being harassed by demons!"

There was a trace of movement on Shangguan Lingxian's expression, and the senior brother was still thinking about her at this time.

Shangguan Xia next to her gave a cold snort, disdainful of Song Yuan's statement.

Li Yun said: "Song Yuan, you can't protect yourself, so consider yourself first!"

"I?"

Song Yuan shook his head, "As long as the younger sister is safe and sound, I have no worries."

"No worries? I'm afraid not necessarily."

Li Yun shouted: "Master Song, Mrs. Song, you two can come out!!!"

"what?!"

Song Yuan was shocked, and many people also showed surprised expressions.

Master Song and Mrs. Song... Are they Song Yuan's parents? Didn't they commit suicide because they learned that their son had committed mischievous things?

A middle-aged couple walked out of the crowd. They walked towards Song Yuan with excitement, but halfway through, they forcibly held back their footsteps and looked at him with tears of excitement and sadness.

"Yuaner!"

"Dad... Mom..."

Song Yuan was shocked all over, and he couldn't believe his eyes. The ones who appeared in front of them were really the parents who had killed themselves according to the rumors!

The second elder, isn't it dead?

Chapter 1195: can not explain

The crowd around was very surprised.

"What's the matter? Didn't Song Yuan's parents commit suicide?"

"Yes! I went to their funeral, and even the tomb was repaired..."

"Is it fraudulent death?"

"My Cao! What the \*\*\*\* is going on?"

Li Yun pressed his hands falsely, stopped the voices of everyone's discussion, and said: "I know you have a lot of doubts, but the inside story of the matter should be told by Mr. Song and Mrs. Song himself!"

Shangguan Lingxian finally showed a smiling face. In any case, seeing the picture of family reunion is a joy for her.

The surrounding commotion stopped. Master Song wiped his tears with his sleeves, and said in a sad tone: "My wife and I can survive this disaster. It is all dependent on Mr. Li. He personally pulled our father back from the ghost gate. "

"Dad, what is going on? Didn't you... commit suicide?" Song Yuan was still in shock. Although he hadn't seen his parents' corpses with his own eyes, he had also gone home to see them and went to worship. I have sacrificed to the two elders, but now...

"suicide?"

Master Song shook his head, and said in a firm tone: "I never believed that my son would do something like that, how can I kill! It was the people of the magic door who attacked me and manipulated me to kill Madam, causing us The illusion of suicide one after another."

Everyone is a little puzzled, isn't this still dead?

"The magic door!"

Song Yuan was dumbfounded.

His parents were killed by the people of the Demon Gate, but he himself took refuge in the Demon Gate, took refuge in the killing of his father and the enemy, and became the \*\*\*\* of the Demon Gate.

Dramatic development, mixed endings, reversed black and white, and confusion of cause and effect.

The head of the Tiandan Sect said in a deep voice, "Since the two have not yet died, why haven't they shown up all the time? That makes a big mistake!"

Master Song and Madam Song looked at each other, and laughed bitterly together, not knowing how to explain them.

There is no way to explain.

Mr. Li can take out the elixir and resurrect them from the state of zombies. Once this fairy family method is spread, the turmoil caused will inevitably be more troublesome than the current thing!

Everyone wants to resurrect their dead relatives, but there are not so many elixir.

"The two of me have been in a faint, even Mr. Li doesn't know if we can save us." Master Song had no choice but to explain this. In fact, it is not a lie. According to Mr. Li, they still have a soul left in a zombie state. One soul can be counted as faint.

Everyone was speechless.

The two masters of Song were attacked by the demon door because of Song Yuan's affairs, but Song Yuan stepped into the demon way because of the suicide of his parents. As a result, the two elders are not dead now, which means that Song Yuan has become the demon of everyone shouting and beating for nothing!

"It's really a coincidence."

Feng Li keenly noticed the suspicious points in this matter, and looked back and forth over several people: "As you two said, you were attacked by someone in the demon door. Did someone ask Li Yun to come and treat you? , He happened to be there?"

Everyone quickly woke up. There was really no way to explain this. Li Yun was not someone who knew the Song family from the beginning, let alone a doctor.

But why can he rush to treat the two immediately? !

"This....."

Master Song became more embarrassed, he couldn't say that he had been dead for a month before Li Yun arrived, right?

"I guess there are two reasons." The vigorous and vigorous smile said: "One, you are all fake!"

"Impossible!" Song Yuan immediately denied, he recognized his parents.

"Two," Feng Li pointed his finger at Li Yun and said coldly, "This person is also a member of the Demon Sect and participated in the attack, so he can be rescued immediately!"

Chapter 1196: Turn against each other

Everyone was shocked.

If this is the case, then Li Yun's scheming is so gloomy and terrible, he has actually laid out layers of conspiracy with one hand, and the ultimate goal of setting up the sleeve must be not simple!

"You bullshit!"

For the first time, Shangguan Lingxian shouted against the elders, his face flushed with anger, but he didn't know how to explain it.

She saw Master Song zombie with her own eyes, and saw Li Yun resurrect them with the Nine Turns Immortal Pill with her own eyes.

"...Anyway, Li Yun is not a bad guy!"

Shangguan Lingxian finally realized the unspeakable taste, and can only emphasize: "Li Yun has done a lot of things, which are far from as simple as you imagined. Hall Master Feng, you don't understand these inside stories. I advise you to participate less. That's great!"

Feng Li sneered.

"Lingxian, your persuasion is too slow."

Shangguan Lingxian gave him a slightly annoyed look, this bad guy always scolded her for being stupid!

Li Yun laughed at this and said, "In addition to Master Song and Mrs. Song, I also brought a very important person today."

"Who is it?!" Everyone looked at him together.

"Zhou Minghui, please stand up!"

Another person walked out of the crowd silently.

He was about thirty years old, with a sad expression, and his eyes were full of pain and regret. As soon as he stood up, he stared at Feng Changhua, wishing to smash his body into pieces.

"It's Brother Zhou!"

"It's him!"

"No wonder, I haven't shown up before, I thought I didn't dare to face Song Yuan."

The Tiandanmen disciples quickly recognized Zhou Minghui, and Feng Changhua thought of something, and his expression became extremely shocking.

"you!"

"Are you surprised? Master Feng."

Zhou Minghui gritted her teeth and spoke, her eyes full of anger: "Do you know? My family is now ruined, my father is dead, my mother is also dead, my second uncle is also dead, the servants are exhausted, the Zhou family is completely gone, these, do you know?!"

The people around were very surprised. Had Zhou Minghui's family been massacred by Song Yuan? But why haven't you heard of the news?

"It's not me." Song Yuan immediately denied, "I killed Zhang Xing and more than a hundred people in Yongyitang, but didn't go to your Zhou's house."

Master Song and Madam Song's expressions were stagnant, their son said such vicious words, it was difficult for them to accept.

"It's not me either!"

Feng Changhua also denied it, but Zhou Minghui stared at him fiercely: "No, it's you, it's all because of you, Feng Changhua! Because of you, my Zhou family was destroyed, it's all because of you!!! You \*\*\*\* it! !!!"

The violent words surprised the people around him. Isn't Zhou Minghui and Feng Changhua a brother?

The Tiandanmen are even more strange. Those who know him know that Zhou Minghui has average talent but great ambition. He has always been Feng Changhua's follower. He wants to compete for the merits of the dragon and takes the palm of Feng Changhua. When the door is on the throne, he can also get a share.

But now the two have fallen out, and they have turned against each other?

"Inexplicable!" Feng Changhua's eyes burst out with a strong killing intent: "Zhou Minghui, if you dare to talk nonsense, I will not spare you lightly!!!"

"Nonsense? Ha ha ha ha."

Zhou Minghui sneered: "Not only I know about this, Shen Yuan, Wei Gang, Zhou Xing, and Song Yuan's master, don't you all understand it? How can it be considered nonsense, hahahahahaha!"

He laughed wildly, and everyone suddenly opened their eyes.

These names are all mentioned by Li Yun before and are related to the so-called truth.

Moreover, it was also Song Yuan's revenge!

Chapter 1197: The truth of the day (part one)

"you wanna die!!!"

Feng Changhua yelled like crazy. With a movement, he rushed towards Zhou Minghui with his meridian injuries and slapped his chest.

"Humph!"

Zhou Minghui had prepared. The two of them were both in the early congenital period. Feng Changhua had just been injured. Zhou Minghui broke his palm with a punch, hit the chest, and threw it away for several meters.

"Feng Changhua!!!"

Zhang Shou, the head of the Tiandan sect, was trembling with anger, and under his nose, there was a fellow sect. This was undoubtedly challenging his authority!

It even lost the face of Tiandanmen, and was ridiculed by the people of the world!

Zhou Minghui glanced at the embarrassed Feng Changhua indifferently, a hint of happiness flashed in his eyes, but after noticing Li Yun, he hurriedly saluted: "Mr. Li."

"Yeah." Li Yun waved his hand, "Zhou Minghui, tell me what happened on the day of the celebration. All the causes and consequences will be stated exactly as they were."

Zhou Minghui nodded and agreed. When he was called home by the housekeeper, he learned what was happening at home, and he almost collapsed.

After learning the cause and result of the incident from Li Yun's mouth, Zhou Minghui was deeply saddened and decided to assist Li Yun to expose Feng Changhua's evil deeds!

Even take yourself in.

"That's right." Li Yun looked at Shen Yuan, Wei Gang and others, and said with a smile; "If you want to, you can also say it together. It's good for everyone, what do you think?"

The two looked at each other with horrified and desperate eyes. They knelt to the ground guarding the thumping, and tremblingly shouted: "Master, we are guilty!"

Zhang Shou's hands trembled and his face was extremely ugly. The so-called truth that Li Yun had just said was self-evident.

The other elders of Tiandanmen, the hall masters looked at each other.

"Blame Feng Changhua!" Shen Yuan, the little brother who used to be under Feng Changhua's hands, now gritted his teeth and cursed at him: "He has always had greed for Senior Sister Lingxian, and even said, who dares Pursuing Senior Sister Lingxian, who is his enemy of Feng Changhua!"

"exactly!"

Wei Gang also said quickly: "At that time, Song Yuan obtained an ancient medical technique and studied it with Senior Sister Lingxian. Feng Changhua became jealous and discussed with us to give him some color."

"Then we deliberately made trouble. We beat him up first, and we were locked up together."

"But then Feng Changhua felt that it was not enough, and threatened us to punt Song Yuan, and then..."

"You guys are looking for death!!!"

When the conspiracy was revealed, Feng Changhua rushed towards the two of them like crazy, but the two deputy masters of the Tiandanmen Law Enforcement Hall personally took action and knocked Feng Changhua to the ground.

"go on!"

Zhang Shou's face was dark, and he glanced sharply: "Today, we must explain things clearly. Tiandanmen is definitely not a place to hide dirt, and no one can do anything wrong! Whoever violates the rules, I, Zhang Shou, had just fought this life, and I will also drive the opponent out of Tiandanmen!"

Feng Li is the number one master of Tian Dan Sect, so Zhang Shou has such words.

The head personally spoke, and most of the Tiandanmen looked at him sharply and guardedly.

A master who is innately consummated, once he becomes fierce, he will end up breaking the game!

However, in addition to the people from the Tiandanmen, there are also masters of the world, such as the Poxu Daozhu Junzi, and Li Yun, the acquired great perfection. Now in the early stage of innate consummation, he is comparable to a peerless genius of congenital perfection.

In addition to Song Yuan's presence, he couldn't overcome any big storms anyway!

Chapter 1198: The truth of the day (part one)

"Yes, yes, head!"

Wei Gang, Shen Yuan, and Zhou Minghui knelt to the ground, and the three of them complemented each other and told the original story.

The reason for everything is Feng Changhua's prying into the beauty of Shangguan Lingxian and his family background. He vainly wants to marry Shangguan Lingxian to gain the support of Tiandanmen disciples internally and the help of Shangguan family externally. The combination of the two, the head The position is at your fingertips.

However, Shangguan Lingxian was indifferent to his pursuit, and only treated him with the attitude of senior brothers and sisters. Feng Changhua, who had been unable to attack for a long time, had a crooked mind. As long as he drove away the men around her, he would naturally gain the approval of the juniors.

Therefore, Song Yuan, who admired Lingxian sister, was regarded as a thorn in Feng Changhua's eyes. Especially after Song Yuan obtained an ancient medical book and paired up with Shangguan Lingxian for research, Feng Changhua decided to kill him. .

Either kill Song Yuan, or completely stun him.

"Brother Feng found a medicine that we didn't know from a foreign place, and through carefully fabricated lies, Song Yuan believed that it was a magical medicine that would make girls fall in love with it. It was called the medicine for the heart of love."

Following Zhou Minghui's narration, Feng Changhua's expression went from ashes to madness, wishing to tear up these three traitors!

But surprisingly, Song Yuan's expression also became very ugly, as if he was very reluctant to tell Zhou Minghui these things, but Shangguan Lingxian had been listening to him, he didn't do anything.

"Song Yuan." Mentioned him, Zhou Minghui showed a mocking smile: "He knew that he had no hope of pursuing Junior Sister Lingxian, so he had a crooked mind, and wanted to make Junior Sister Lingxian fall in love with him through this kind of love medicine. Hahaha, in the end, Shen Yuan secretly changed this medicine and replaced it with a common medicine in the rivers and lakes!"

He naturally didn't have a good impression of Song Yuan, a person who took refuge in the Demon Sect, so he was particularly ugly to mock.

Everyone quickly figured out the cause and effect of the matter.

Relying on an unknown medicine, Feng Changhua took advantage of Song Yuan's ghosts to get the psychology of Shangguan Lingxian, and tricked him into carrying the common medicine in the rivers and lakes, so that he was exposed to the world at the Tiandanmen celebration. Song Yuan's face was completely lost.

Originally, this matter went smoothly, but the most serious consequence was that Song Yuan was expelled from Tiandanmen.

But I didn't expect that because the incident was so violent, he was targeted by the six magic gates. In order to stimulate Song Yuan, the people in the magic gate killed his parents and then came forward to recruit him.

Song Yuan, desperate and resentful in his heart, naturally became the \*\*\*\* of the magic door.

"how come....."

After listening to these filthy things, Shangguan Lingxian was covering his forehead, his face was extremely pale, his body swayed and he was about to fall to the ground, and was hugged by Li Yun in time.

"How could... how could this..."

Shangguan Lingxian's eyes were full of tears, and he looked at Li Yun with helpless eyes, as if it was an injured deer seeking comfort.

Li Yun painfully wiped away her tears, and whispered softly: "None of this is your fault. The end of the matter has developed to the present. One is Feng Changhua's arrogant and domineering style, and the other is the demon's unscrupulous behavior style. Of course Song Yuan's greed is also the source of his tragedy!"

Song Yuan clenched his fists, his fists squeezed into violent veins, but his eyes were full of shame when he looked at Shangguan Lingxian.

"Junior sister, I, I'm sorry for you."

Song Yuan said before that he had never had any evil thoughts against Shangguan Lingxian, but in fact, he had seriously considered using the 'heart-loving medicine' to make Shangguan Lingxian fall in love with him, and thus embrace the beauty.

Chapter 1199: Middle congenital

Moreover, Song Yuan has always concealed the reason why he took the initiative to hide the medicine, because he didn't want to be known by Shangguan Lingxian of his inner thoughts. At that time, he could no longer refute Feng Changhua's framing and framing him, even if the reason, No one will believe it.

"Song Brother, you..." Shangguan Lingxian looked at him with disappointment, as if she had never seen a person clearly, Song Yuan, and Feng Changhua.

It seems that only Li Yun is the only person she can recognize clearly. Although many of the things he did make her feel terrified, but afterwards it proved that Li Yun was right and that he was a kind person.

"Junior Sister!"

Song Yuan struggled for a long time, and finally slowly knelt on the ground, and deeply apologized to her: "Sister sister, I was wrong, brother I am sorry, I dare not ask you for forgiveness, just beg... Don't look down on my brother."

The expressions of the people are very complicated, either gloating, feeling deeply moved, or secretly contemptuous, the so-called confession is nothing more than this.

Shangguan Lingxian took a deep breath, and said in a serious and serious tone: "Song brother, you surrender, you have killed too many people, now the truth has been revealed, the black hand behind the scenes will be punished, and your parents have also been punished by Li Yun was saved, brother, you have no reason to continue!"

So, surrender! "

She spoke ardently, gritted her teeth with bitterness and hatred, but she was helpless.

Even though his son will not be punished directly for doing something like that, in the future, don't even think about establishing a foothold in Tiandanmen. He will even be ridiculed by the people of the rivers and lakes, saying that if there is a son, there must be a father and so on!

"it is good!"

Song Yuan happily agreed, and everyone was relieved.

It would be better not to fight this kind of person who exudes unknown black air.

"As expected to be a fairy psychiatrist, he surrendered the devil in a few words!"

"Hey, that's not it, the spirit doctor fairy is good at medicine, and his heart is also kind and gentle, of course~, people are also beautiful, or else...hehe"

"Don't be yin and yang, I will blow your head!"

"It's best that things can be resolved satisfactorily."

No matter what everyone thinks of the Shangguan Lingxian at this moment, at least they are praised on the bright side, and many people also sincerely praise the Lingyi Fairy.

"Ding, the host made a choice, investigated the inside story of the Song and Yuan incident, and returned the martial arts world to the world, rewarding justice value 10,000, experience value + 2 million, all attributes + 2500, golden gift bag\*1, purple gift bag\* 3. Blue gift bag\*5, the prestige of the rivers and lakes is increased, and random golden equipment: the golden dragon sword is obtained. Additional reward: the prestige of the rivers and lakes is increased by a moderate amount, and there is a certain chance to deter others by virtue of fame."

The prompt of the system sounded, and Li Yun suddenly became excited.

It has been a long time since the investigation of Song Yuan's selection event was received, and it was not completed until now, half a month later, but the rewards are also quite amazing.

With 2500 attribute points, Li Yun's whole body attributes reached as many as 10 points!

After breaking through this limit, a warm stream of heat gushes out of his limbs, which circulates in the body for a week, broadening the meridians and nourishing them, making the true qi stronger.

In the middle congenital period!

Li Yun's eyes flashed with a gleam, and he could feel that he had broken through a small stage and reached the middle stage.

The steady breakthrough and the powerful effect brought by the 100,000 points of physical attributes make Li Yun's current true aura absolutely disdain the entire arena. Under the realm of the master, there is almost no innate master's true aura that can match him!

Chapter 1200: Ding, Golden Dragon Sword

Seeing this weapon, Li Yun had a feeling of tears streaming down his face.

He drove many weapons, such as whips, ropes, mahogany swords, camphor swords, golden double-stranded forks, etc., because they didn't fit together, Li Yun gave them all to those around him.

Until today, I got a handy cold weapon!

The Golden Dragon Sword is combined with the Dragon Ming Sword Art, plus the blue dragon roar that was just obtained. All three are related to the dragon, the beast of cloud and rain. When used with Li Yun's justice value of up to 180,000 points, the power is really unknown. What situation.

Isn't it possible to compete with the enchanting concubine Wan Qing?

Li Yun's heart was too good, and his hands were itchy, wishing to immediately take out the Golden Dragon Sword and do two tricks!

As soon as this thought came up, Song Yuan's body changed.

boom!

A black aura that was several times stronger than before burst out. Song Yuan's hair fluttered, and his whole body was enveloped in the tumbling suffocation. His face was extremely distorted, his teeth creaked, and then, a pale white figure came from him. The forehead came out.

"Jie Jie Jie!"

The pale white man made a strange laugh, as if he was pitiful Song Yuan's experience, and said, "Song Yuan, Song Yuan, at this point, you still want to turn your head back, tell me, is it possible? "

Everyone took a step back in fright. Even though they had seen Song Yuan's evil spirits, there was a person who had escaped from Song Yuan's body, still shocking them.

This method is really mysterious!

"Old ancestor, I see your experience in my eyes, and I feel that it's not worth it for you."

The voices of the figures are neither male nor female, as if thousands of voices are mixed together, and the sound echoes in the empty valley, repeatedly superimposed and mixed, weird and scary.

"Be deceived by the same family, framed by the people who live with him, and set a trap by the second elder brother who is admired by everyone in the sect, and lost face in front of countless people!"

"Parents committed suicide because of this. It can be said that the family is ruined and the people are scorned and ridiculed by the world."

"Song Yuan, do you think you still have a way back?"

The bewitching voice of the pale white figure echoed in the minds of everyone present, like a tarsal maggot, crazily penetrated into everyone's ears, making everyone's head buzzing.

"No! No, no!"

"Don't kill me, don't!"

"Help me...Help!"

Not to mention that Song Yuan's face was distorted and turned into madness. Even many pure onlookers were bewildered by this strange sound, holding their heads frantically and screaming.

The innate realm can resist one or two, but they are horrified by the terrifying power of the shadows, and they don't even know how to resist!

"Soothe the nerves, calm the soul!!!"

At this moment, a voice of the dragon that resounded for nine days spread all over the world, the strange atmosphere was swept away, the haze breath turned into the sun and the sun, the clouds disappeared and the rain disappeared, and the dragon waved its tail, dispelling the evil spirits between the heaven and the earth. , Causing everyone present to shake and get rid of their madness.

But the pale figure was hit hard by the sound, let out a tragic scream, and then got into Song Yuan's body with a swish.

"you!!!"

Song Yuan showed ferocious and cruel eyes, staring at Li Yun viciously: "Boy, you \*\*\*\* it!
