

GODLY CHOICE SYSTEM

Chapter 12: Choose again

The fists of the two sides collided, Li Yun backed three steps, the blood in his chest churned, but relying on his strong physique, he just endured it.

Lu Shan was also uncomfortable. He also took three steps backwards, his expression turned into a deep surprise, as if he could not believe that Li Yun had such a powerful force!

"My Cao?"

"Equally matched?"

"Nice! Who is this handsome boy?"

"It seems to be Li Yun. Although he is a poor student, he is quite handsome!"

"Not so handsome, but too handsome!"

Seeing Li Yun standing proudly, facing the tall Lushan without a trace of fear, some girls began to become idiots, attracted by Li Yun's powerful charm.

Looking at Li Yun's handsome profile, Fang Xue's heart began to thump again, and she saw Li Yun's performance just now.

It is not terrible to be poor at home. What I am afraid of is being cowardly, not confident, and afraid to stand up to the ridicule of others.

Fang Xue used to worry that Li Yun would be afraid of her family's wealth, but now she is not worried at all!

Li Yun will definitely pursue her, no matter how rich her family is, where the family members are officials and so on.

It's just that she didn't think about whether Li Yun would chase her. In Fang Xue's concept, this was beyond doubt.

"Die to Lao Tzu!"

Lu Shan was furious, and he was about to go forward and fight Li Yun desperately, but Fang Xue's move quickly down the stairs forced him to calm down.

Even the martial arts school opened by his house did not easily offend Fang Xue.

It is said that the Fang family has more than a dozen hotels and entertainment venues, and the security guard alone has a team of 500 people, many of whom are experts, enough to beat the Lushan family's martial arts hall.

Li Yun smiled faintly, "Let's stop here, don't provoke me in the future."

Without system rewards, he didn't bother to fight against these rich second generations.

After speaking, Li Yun nodded and turned to leave.

"and many more!"

Zhou Xianming stopped Li Yun and said with a gloomy face: "Are you a student in Class 14?"

"good."

"hehe."

Zhou Xianming smiled mockingly, and Fang Xue said, "Xiaoxue, you also heard, what kind of stuff this guy is."

Li Yun's face sank.

"Xiaoxue, I remember you most look down on students with poor grades, saying that when you were a student, you would study hard and would not fall in love, right?"

Fang Xue glanced at Li Yun secretly. In fact, she wanted to tell Zhou Xianming that it wasn't that she didn't want to fall in love, I just didn't want to talk to you.

She was afraid of Li Yun's misunderstanding, so she didn't dare to pursue her.

"Li Yun." Fang Xue hesitated and asked tentatively: "If your grades are not good, do you want me to help you with tuition?"

"what?!"

The onlookers looked at her in shock, and Zhou Xianming even stared out.

Fang Xue took the initiative to teach Li Yun? !

What is the relationship between the two, so close!

"No, thanks."

Li Yun shook his head slightly, and said with a smile: "I used to have poor grades, but this time..."

"Can you get the first place this time?"

Zhou Xianming immediately ridiculed him, his heart was already alarming, and Fang Xue's attitude towards him was too kind!

"can not."

Li Yun shook his head, and quickly added: "But this time, I will be the first in the school in terms of comprehensive scores and English."

Everyone's eyes widened, and they looked at Li Yun with a neurotic expression.

A poor student, dare to speak out and get a perfect score in English?

Zhou Xianming's eyes flashed a sneer, and he sneered: "You don't have a small tone, so okay, dare you dare to gamble? I don't bet that you get the first full score. As long as you have a higher score than mine, I will give it to you One hundred thousand, otherwise, you have to obediently call me Dad three times, how about?"

Li Yun shook his head, Zhou Xianming would give him one hundred thousand? joke.

However, the prompt of the system stopped him.

"Ding, the option event is triggered, please choose from the host."
