### #Chapter 1331: The little princess of Yongning - Read Godly Choice System Chapter 1331: The little princess of Yongning

Of course, one person is missing.

"Where is Yongning? Still sleeping?" Li Yun glanced at the living room on the first floor. He didn't see her, and probably wouldn't be there on the second floor. She should be asleep in the room.

Princess Yongning's name is Zhu Shu'e, a princess of the Ming Dynasty, but just as others called her before, most people call her by her title:

Yongning.

Only when Li Yun was chatting with her alone in the room, did she occasionally call her Shu'e.

Of course, every call made Zhu Shu'e's shy face even more red.

Going up to the second floor of the duplex building and entering the princess's boudoir, Li Yun smelled the body scent belonging to Princess Yongning.

This pink room was full of lovely girlish air. The weak, noble and delicate little princess lay on the soft big bed, closed her eyes and dreamed sweetly.

The little princess is wearing pajamas. Although her sleeping posture is very good, because she sleeps all day long, she still exposes her cheeky shoulders, a touch of snow white and thrilling, black hair like black. It was a little messy, let alone Li Yun, even the three girls who followed were startled for a moment.

"The princess is so beautiful~" Caixia was quite envious. She and Cai Wei looked good, but compared to Princess Yongning, she lacked the noble and weak princess look.

Just like now, Caixia insists that Princess Yongning is more beautiful than those princesses in the movie!

And she is still young. When she grows up, the noble temperament belonging to the princess will make her more beautiful!

"Caixia and Caiwei are not bad, both of you are cute."

Li Yun laughed, walked to the little princess's bed and sat down, stretched out his hand to gently pinch her little nose.

"Yongning, slacker, wake up soon!"

"Um~~"

After making a lazy voice, Zhu Shue opened her eyes in a daze. After seeing Li Yun, she gave a happy smirk: "Husband, I seem to be dreaming of you again~"

"Do you think you are dreaming?"

"Yes~"

The little princess's voice was soft, she didn't wake up at all, but she instinctively plunged into Li Yunqi's coquettishly, "Husband, Yongning missed you so much~"

Li Yun couldn't laugh or cry, stretched out his hand and took out a small Zhujidan and stuffed it into her mouth.

Princess Yongning did not resist at all, opened her mouth obediently and ate the small Zhuji Dan. Then, after the effect of the medicine began to play, her confused sanity came to life.

"Husband... Sister Li Feng, Sister Caixia, Sister Caiwei, I..."

The little princess's face turned red all of a sudden, and she quickly got up to get dressed.

As a dignified royal princess, it's too much to sleep in, and the husband and the sisters are onlookers, woooo~~

"Okay, don't worry."

Li Yun smiled and shaved her little nose to make her dress slowly. Li Feng took the initiative to help her put on her pajamas.

Seeing the little princess's light, white and soft, petite and cute body, Cai Wei's face was a little red, and her brother really had that kind of relationship with Princess Yongning.

This seems to be taken for granted.

Princess Yongning called her elder brother her husband, and the two kissed again, of course it was that kind of relationship.

"Okay, let's go, let's prepare dinner!"

"Hehe, husband, I will also help...well, I just took my husband's pill, Yongning is very strong and energetic now~"

After taking the pill, Princess Yongning turned into a lively and lovely appearance. Li Yun knew that this was because she regarded the three sisters Li Feng as her own family, so she was not shy and introverted.

Family reunion is happier than anything else, isn't it?

## Godly Choice System #Chapter 1332: Promise of graduation trip - Read Godly Choice System Chapter 1332: Promise of graduation trip

Li Yun's happy life lasted for two days, separated from the little princess and Li Feng, and chatted alone for two nights. During the day, he went on a date with Fang Xue. By the way, she bullied her fiercely. Sometimes Fang Xue blushed. , I want to go further to a better place to play.

After all, the two have now been recognized by the Fang family. Even if something happens, it is already reasonable. Even Fang's mother quietly spreads her protective knowledge to her daughter every time she goes back. Don't win the prize so quickly, etc. .

Every time Fang Xue made a big blush, she even said that nothing happened between herself and Li Yun, which made Fang's mother think whether there was a problem with her own woman, or a problem with her son-in-law.

After all, when the two were adolescents, her daughter was beautiful again, and she was still a school girl. Can you ask which man can bear her?

As a result, Li Yun has his own considerations.

"Um...Xiaoxue, let's wait until the college entrance examination is over before we continue. What do you think?"

It was 7 o'clock in the evening, and the two of them had finished dinner in a high-end restaurant, and then ran to a remote corner of the county park for a date. Li Yun hugged his weak genuine girlfriend and asked with a smile.

"Whatever you want~, hum."

The hum was soft and tender. After a series of close affairs with Li Yun, Fang Xue's blush was dripping with water. Even if Li Yun asked her now, she couldn't resist.

In a sense, the two experienced more things without reaching the final step.

For example, now in the park...cough cough!

"I think it's better to do those things after the college entrance examination is over."

Li Yun stroked his girlfriend Fang Xue's hair, expressing his own considerations.

There is only less than one month left in the college entrance examination. If we take the last step now, although the two have good grades and strong physical fitness, there is a saying that the newlyweds will not get out of bed in March.

There is another saying that after eating the marrow inside the bone, you will know the taste.

Therefore, in order to prevent that from happening, Li Yun plans to postpone the day of the same room until the end of the college entrance examination.

At that time, just wait with Fang Xue, Li Feng, and Qingyu...Uh, cough, cough, can't keep thinking about it!

"Hmph, it's up to you."

Fang Xuejiao snorted, feeling a little relaxed and disappointed in her heart, but she was still very happy that Li Yun was able to take care of her.

Li Yun petted her head and said softly, "When the college entrance examination is over, we will go on a trip. Both domestic and overseas are fine. How about the two of us?"

He felt very guilty about Fang Xue, and planned to find time to compensate her. The graduation trip was tantamount to a honeymoon trip.

Fang Xue's eyes lit up, but she soon pursed her small mouth: "I'm happy to go with two people, but some people are not willing, huh~"

"Who?"

"Who else, isn't your god-sister yet, Li Feng!"

The relationship between Fang Xue and Li Feng is a bit subtle. Although it is a competitive relationship, the two are good friends. After starting to date with Li Yun, she found that she and Li Feng are in good terms. The three views are roughly the same. They are beautiful women and have similar grades, and the two quickly became good girlfriends.

"Uh!"

"Should you not add her again?" Fang Xue suggested, that is, the three of them went on a trip together.

Li Yun scratched his head, "In this case, no one in my house will take care of it. The three little girls are at home, I am not relieved."

"Idiot, please nanny and maid~"

"Uh, cough cough, talk about it then."

"Cut, villain, you must have forgotten by then!"

## Godly Choice System #Chapter 1333: Goodbye Hu Xiaomeng - Read Godly Choice System Chapter 1333: Goodbye Hu Xiaomeng

This afternoon, just after school was over, Li Yun, his sister Li Feng, and his girlfriend Fang Xue walked out of the school gate. Suddenly, a crisp and sweet girl's voice rang from not far away.

"Big brother, here!!"

The girl's nice voice attracted the attention of everyone at the school gate, and everyone moved their eyes away from Fang Xue and Li Feng and the others, to the girl who made the voice.

"so cute!"

After just one glance, everyone came to the conclusion that this is a rare girl with a cute style.

She is just over one and a half meters tall, wearing a snow-white main color, and some cute pink bubble skirts, revealing a touch of snow-white slender legs, and her lovely feet are set on a pair of crystal princess shoes.

Wearing a pair of ponytails, a sunny and happy smile, and two dimples on the baby's fat white face are clearly visible, and the big eyes are full of happiness.

The lovely girl stood by a black luxury car and waved at Li Yun happily: "Big brother, here, look here~~~!"

Big, big brother?

Everyone only felt that a tingling rush from the spine to the heavenly spirit cover, there is such a cute and cute sister called her big brother, the lethality is simply amazing!

It is said that in the Sakura Country, someone even got a cute girl face to face, yelled "Too cute" in a lovely voice, and died with blood spurting from her nose!

This is probably one of the happiest ways to die in the world, so called: cute death.

"Uh, it's Xiao Meng."

Under the serious and serious eyes of Fang Xue and Li Feng, Li Yun bit his head and said hello to the girl standing by the luxury car.

Yes, Li Yun knew her.

The only person who called him the eldest brother was the second girl Li Yun met with a good impression, Hu Xiaomeng, also known as Fox Xiaomeng.

She was a fox-like cute and faintly sultry girl. For some reason, Li Yun always felt that she was very dark-bellied, not as innocent and cute as the surface.

"Hehe, big brother still remembers them, so happy~"

Hu Xiaomeng excitedly stepped on the crystal princess shoes and rushed over, squeezing Fang Xue and Li Feng away, and holding Li Yun's hands in his hands.

"Big Brother~"

Hu Xiaomeng looked up at him with pitiful eyes: "You don't blame Xiaomeng, do you?"

The eyes of the two women who were squeezed away from Hu Xiaomeng suddenly changed!

This is another threat!

Although Hu Xiaomeng is still young, Princess Yongning is also young. In ancient times, girls at this age were married, so she must not be despised because of her young age!

"Li Yun, hehehehe." Fang Xuepi didn't smile. He pinched Li Yun's waist secretly, and said, "Why don't you introduce this little sister to me and Xiao Fengfeng?"

Li Feng on the side: "..."

Xiao Fengfeng's name was originally called by her girlfriends, but it was ashamed to be called out by Fang Xue in person!

"Yes, yes~" Hu Xiaomeng looked at them in an innocent and lovely tone, with big eyes shining: "Xiaomeng also wants to meet two beautiful big sisters~"

For some reason, Fang Xue always thought that she was a little older out of thin air when she said the word big sister from her mouth!

Obviously she is only in the third year of high school and has not yet gone to college, but in front of this junior high school girl, she is still an older generation!

This feeling is really...too annoying!

## Godly Choice System #Chapter 1334: Hu Lao's invitation - Read Godly Choice System Chapter 1334: Hu Lao's invitation

"Big brother, my grandpa strongly invites you to visit my house~"

After Li Yun smiled bitterly and introduced the three to each other, Hu Xiaomeng solemnly stated her purpose, but her face was solemn, but what she said made people speechless. Her grandfather invited to play?

"Your grandpa?"

Li Yun's expression is a little weird. Hu Xiaomeng's grandfather, Hu, is always a general-level figure of the older generation. He is known as the General Huwei. Although he has retired for ten years, he still has a lot of prestige in Huang Xuan. .

Coupled with the older generation of Hu's sons, the Hu family should be considered a relatively powerful family.

If it were two or three months ago, Li Yun might still be quite concerned about establishing a good relationship with Hu Lao and get some help.

But now, Li Yun has not only become stronger, he is completely not afraid of ordinary family power, but also has met many bigwigs. Even the biggest cores, Li Yun can be regarded as showing his face in front of them. Name.

Therefore, now Li Yun only has respect for the older generation.

"Ding, trigger the option event, please choose from the host:

Option 1: Promise, reward: Hu Xiaomeng's favorability +1, white gift bag\*3, experience value +100,000.

Option 2: Reject, reward: Hu Xiaomeng's favorability degree is -10. "

"Yeah~" Hu Xiaomeng took his hand and shook it coquettishly, "Big brother, you can promise Xiaomeng! Xiaomeng wants to eat your own dishes for several months! "

"You dare to say?" Li Yun glared at her, "Who said that he would return to Longyang County soon? As a result, I haven't seen anyone until now!"

"Hehe, that's why I said I'm sorry, big brother, you~"

Fox Xiaomeng is cute again. To be honest, a beautifully dressed and very cute girl in a bubble skirt and crystal princess shoes is shaking your hand. I think no one can refuse.

The students around him stared long ago.

This lovely and beautiful girl has a delicate voice, although she knows that she speaks this way on purpose, but it makes people unpleasant.

What's more, this lovely girl named Xiaomeng is still a proper Bai Fumei. After not seeing her black car, there is still a bodyguard car?

Those who used such a large array of protection were all the daughters of a big family, and they were too delicate.

"Li Yun, go ahead."

Fang Xue suddenly offered to let Li Yun go to Hu's house with Hu Xiaomeng, but Hu Xiaomeng was very surprised.

"If you ask you to go, go, remember to say hello to Mr. Hu for me."

Fang Xue looked awkward, and Li Yun realized that she also knew the Hu family.

Li Feng on the side was a little thoughtful. Little Baixue was so generous because she wanted Li Yun to join Hu's family and build a good relationship with Hu Xiaomeng and Hu Lao, right?

After guessing that Hu Xiaomeng was interesting to Li Yun, Fang Xue also actively asked Li Yun to follow Xiaomeng, which was a big step back to some extent.

"Hee hee, thank Sister Fang Xue~" Hu Xiaomeng called her sister very well-behaved, and then smiled at Li Feng: "Thank you too, Sister Li Feng, you are the older brother's sister and Xiaomeng's older sister~, Whee."

"puff."

Li Feng couldn't help being stunned, aside from other things, Xiao Meng, this girl is really pitiful.

"Okay, okay, you go."

Fang Xue pushed Li Yun and pulled Li Feng away quickly. After a few steps, he turned around and said, "Remember to say hello to Mr. Hu~"

## Godly Choice System #Chapter 1335: Fang Xue's strategy - Read Godly Choice System Chapter 1335: Fang Xue's strategy

After the two women walked away quickly, Fang Xue showed a triumphant expression, as if they had won another battle.

Li Feng blinked and thought for a while before trying to understand why Fang Xue was proud.

As long as his brother speaks Fang Xue's name in front of Mr. Hu, even if Mr. Hu doesn't know Fang Xue, he will surely guess that Li Yun has a real girlfriend!

"...As expected of the rich lady, Xiao Baixue, you are so resourceful!"

"Xiao Fengfeng!! See if I won't tear your mouth!"

"Hehe, I'm not wrong."

The two big beauties, who are both sisters and best friends, were laughing and playing, making a group of boys at the school gate look straight.

Li Feng actually admired Fang Xue from the bottom of his heart, and she was able to use this strategy.

Because even if Li Feng had the intention, he didn't have that status. Only the daughter of the Fang family of the Longyang County family with the Hu family was slightly qualified to say hello on her behalf.

Although the Fang family is completely different from the Hu family, it is not too abrupt because of the relationship with the same town.

"Xiao Fengfeng, since your brother's villain disappeared again, why don't we go shopping and watch a movie?"

Fang Xue suggested that it is now close to the college entrance examination, but she and Li Feng are not worried that they will not be admitted to Zhonghai University, so the closer they are to the college entrance examination, the more leisurely they will be-they are free to review time, and they can even go home to review on their own.

"no."

"Hey? Why can't you?"

"There are three little guys in my family waiting for me to go back to cook~"

"...Li Feng, your family really should hire a nanny, really!"

---

"Ding, the host made a choice and agreed to Hu Xiaomeng's request. Reward: Hu Xiaomeng's favorability +1, white gift bag\*3, experience value +100,000."

Li Yun sat in the back seat of Hu Xiaomeng's car, and the little girl leaned over almost immediately, holding his arm, her cute face was resting on Li Yun's shoulder with a smile, and she was extremely intimate. Look like.

After all, the favorability has reached 90.

But Li Yun didn't dare to do anything to Hu Xiaomeng, otherwise, Mr. Hu would not be able to chop him off with a sword.

"Big brother~" Hu Xiaomeng bit Li Yun's ear and spoke in a sweet tone, "Are these two big sisters just now your girlfriends? They are so beautiful~"

"Fang Xue is...No, didn't I say another named Li Feng?"

"It's your sister? It doesn't look like it, it's amazing~!"

Li Yun: "..."

He was a little skeptical. What Hu Xiaomeng said so terribly that he meant something else. This girl is also a big kid, just like Shan Xiaoxiao!

Li Yun did not answer, but Hu Xiaomeng had already decided that was the case. She rolled her eyes and said sweetly: "Big brother, I heard Grandpa say that you have done a very powerful thing recently. It is true. Is it?"

"Ding, trigger the option event, please choose from the host:

Option 1: Show off your deeds, reward Hu Xiaomeng's favorability degree +9, experience value +500,000, green gift bag\*2, obtain skill: Luo Liyu (double the lethality for little girls, easier to gain favorability) .

Option 2: Laugh without speaking, and reward Hu Xiaomeng with a degree of -1.

Choice 3: Answer her: Nothing like that, reward: Hu Xiaomeng's favorability degree -5, experience value +100,000, skills acquired: stick to the heart (passive, increased ability to withstand temptation)

Li Yun has a weird face and Luo Li's skill, but he doesn't like it very much. On the contrary, it is Fan Qing Sheng and Shangguan Lingxian who make him want to stop, cough!

"There is no such thing, it's just an error."

Li Yun replied in a flat tone, he decided to die once, and took the initiative to reduce Hu Xiaomeng's favorability.

Sure enough, after making a choice, the system immediately prompted Hu Xiaomeng's favorability to drop to 85 points.

Hu Xiaomeng didn't give up, and asked a few more questions. The system didn't know what happened today, and it frantically prompted to trigger the selection event.

The final result was that Hu Xiaomeng's favorability dropped to 61 points. She threw away Li Yun's arm, her mouth was bulging, and she stopped talking.

"Hahaha!"

Li Yundale, this little girl is really a child, her affection level jumps repeatedly, and she seems to admire the strong, and she is very squeamish. If she feels unsatisfactory, she will lower her affection level, which is really speechless.

"Hmph, don't play with Big Brother anymore!"

Hu Xiaomeng remained bulging until he got out of the car.

The car left the county seat and stopped in a beautiful place in the suburbs. The sign at the door reads a farmhouse Le Villa, but Li Yun has discovered that there are many guards hidden near the door.

"Little Miss."

The security guard at the door stepped forward and saluted respectfully. Although it was dressed as a security guard, Li Yun could feel that just by looking at his spirit, he was at least an acquired master.

It is enough to let the people of the Houtian realm look at the gate, which is enough to see the strength of the Hu family!

"Um."

Hu Xiaomeng nodded slightly, converging his previous quirky appearance, putting his little hands on his knees, like a little lady.

"Uncle Hu, this is the guest invited by Grandpa, Li Yun."

Hu Xiaomeng introduced, but although the security guard called Mr. Li respectfully, he still took out an instrument and swept up and down at Li Yun.

"Dididi!"

The instrument suddenly sounded an alarm. In an instant, the security and the hidden guards all changed their faces and looked over.

Hu Xiaomeng looked at Li Yun and blinked, as if asking what was going on.

"Mr. Li." The security guard stretched his hand to the holster around his waist and said, "What kind of weapon you seem to be wearing."

"arms?"

Li Yun touched his pocket, suddenly laughed blankly, and took out a white pistol from it.

In an instant, at least ten guards with live ammunition poured out from all around, all of them dignified and serious, and pointed their guns at Li Yun unceremoniously.

"Don't move, hand over the pistol!"

"Little Miss, leave this person quickly!"

The atmosphere was drawn up, Hu Xiaomeng was a little dazed, and then he was quickly pulled out by the security guard, leaving Li Yun alone in the car.

"What's wrong with you?"

Li Yun sat in the car calmly and asked with a rather puzzled expression.

Anyone who is a guest will feel uncomfortable when being pointed at by the muzzle of every black hole.

"Mr. Lee!!"

The security guard of the acquired realm had a serious tone. He held a gun in one hand, squeezed his index finger on the trigger, and stretched out his palm towards Li Yun with the other hand. He said in a stern tone: "If you want to see Mr. Hu, then you need to hand over this gun and let us keep it for you temporarily. !"

Hu Xiaomeng tried to calm down. It was the first time she saw this kind of battle. She had brought some people to see her grandpa before, but she had never been stopped.

In today's situation, even what the eldest lady said is useless, or, if it weren't for her face, Li Yun would have been taken down by the guards long ago!

"Brother, hand over your guns soon!"

Hu Xiaomeng quickly persuaded her, but to her surprise, Li Yun did not answer immediately.

"If, I say no?"

[Godly Choice System #Chapter 1337: Not only don't you pay, you have to go in - Read Godly Choice System Chapter 1337: Not only don't you pay, you have to go in](#)

Following Li Yun's indifferent words, in an instant, the surrounding air became colder again.

"If you don't pay!" The security guard raised his eyebrows, and after a glance at Hu Xiaomeng, he gritted his teeth and said, "Then please get off the car immediately and get out of here!"

"Ding, trigger the option event, please choose from the host:

Option 1: Kill the Quartet and make Hu's Farm an earth-shaking noise! Reward evil value +50,000, experience value +4 million, all attributes +5000, golden gift bag\*2, follow-up effect: the relationship with Huang Xuanguo's high-level stalemate, additional reward: Hu Xiaomeng's favorability is random  $\pm 100$ .

Option two: a curse: pay Nima! Then drove away. Reward experience value +1 million, all attributes +1000, purple gift bag\*1, and skill: proud.

Option 3: Domineering response, I won't pay, but I still have to go in! Note: No one can be killed. Reward experience value +3 million, all attributes +2000, golden gift bag\*1, extra reward: Hu Xiaomeng's favorability degree +25. "

Li Yun smiled and said: "If I say, I will not only not pay, but I must go in, right?"

The sound of the word was very heavy, and the surrounding guards froze for a while, and then furiously, stepping forward in unison, the black muzzle pointed at him angrily.

"What a crazy kid!"

"Are you arrogant in Hu's family? Are you impatient to live?!"

"Get out of the car right away, do you hear it!?"

"I think he is here to find the fault, he does not know whether to live or die!"

The surrounding atmosphere was on the verge of breaking out. Hu Xiaomeng stayed for a while, and then suddenly screamed: "Wait, wait, no, no!"

As she said, she rushed to Li Yun's side despite the obstacles, opened her hands to block the muzzles of those black holes, and shocked Li Yun and all the guards.

"This kid... is somewhat responsible."

Li Yun smiled, took the pistol and walked out, patted Hu Xiaomeng on the shoulder, acting as if he had hijacked her, and shocked the people around him again.

"Quickly let go of the little lady!"

"Asshole, who are you? Just let go of my sister!"

A girl's eager voice came from a distance. Li Yun turned his head and saw that it was another beautiful girl, about seventeen or eighteen years old, slightly older than Hu Xiaomeng and about the same age as Fang Xue.

Well, it's Li Yun's peers.

"sister."

Hu Xiaomeng yelled obediently, but his expression was a little awkward.

The situation has changed a little bit, and many guards secretly cry out, not only the young lady is kidnapped, but even the second lady is here!

"who are you?!"

There was also a handsome-looking young man who followed that sister Hu Xiaomeng. He looked arrogant and asked in a condescending manner: "Why kidnapped Xiaomeng? Don't let it go!"

Li Yun glanced at him, too lazy to answer.

"Little Meng."

"Eh? Big brother... uh, no, Li Yun brother." Hu Xiaomeng even changed his name anxiously.

Li Yun smiled and said, "This is your fault. You invited me to be a guest, but didn't mean that I shouldn't bring a gun. Now it makes me difficult to ride a tiger.

Hand over the gun, it seems that I am cowardly, if I don't hand it, I can't get in again, what should you do? "

When everyone heard it, they were all very angry.

"Who are you?!" The arrogant young man's face changed slightly, "Anyone said madly! Who is Elder Hu? Do you dare to bring a gun here?"

## Godly Choice System #Chapter 1338: Hu Lao invites - Read Godly Choice System Chapter 1338: Hu Lao invites

Everyone agreed, and the gaze at Li Yun became worse.

Li Yun asked strangely: "What is the relationship between who I am and who is Mr. Hu? Since you don't trust me, why did you invite me? Never said that you invited guests and paid other people's weapons. This is not an invitation to enter the urn. ?"

Hu Xiaomeng blinked, she understood.

Li Yun has set his position to a height equivalent to her grandfather's, so he disdains to hand over the gun, thinking that he is sitting upright and doesn't need to do anything like handing a gun!

Her sister, Hu Ying's face immediately sank, acting like an elder sister, and reprimanded her sister in a deep voice: "Xiao Meng, this time you did something too wrong. You invited such a person to be a guest this time. I will report it to your father and let him take care of you!"

"sister!"

Hu Xiaomeng is anxious. Hu Ying is the daughter of her uncle, but her father and uncle have not separated yet, so they are also her sister.

"Shut up!"

Hu Ying was not polite, and stopped Hu Xiaomeng in a cold voice, and ordered the guards around him: "Kick this person out!"

"Yes!"

The guards suddenly applauded. They had long seen Li Yun displeased. He was so rampant at a young age, and he would be able to pay for it when he grew up!

"sister!!!"

Hu Xiaomeng's voice became louder.

"I said, shut your mouth!" Hu Ying said no two, reached out her hand to the inside of the farm, and said with a cold face: "Little Meng, go back and reflect on it. Although the Hu family is open-minded, not everyone welcomes it. Yes, this kind of person is not worth dating!"

"Sister! Listen to me!"

Hu Xiaomeng puffed up and shouted: "He is the person invited by Grandpa himself!!!"

"..."

"..."

Li Yun tossed the pistol in his hand, looked around for a week, and said amusedly: "What's wrong? Not talking every one of them, dumb?"

Hu Xiaomeng's words were shocking, not only shocked Hu Ying, but also all the guards around him opened their eyes wide, the most open to lay an egg.

"you you!"

The expression on Hu Ying's face was very wonderful. Originally, she stretched out her hand to point at Li Yun. It is not to put it down, and it is not to not.

"You were actually invited by my grandfather himself?!"

For a long time, Hu Yingcai asked eagerly.

"who knows."

Li Yun shrugged, "I just finished school today, and your sister ran to the school gate to find me. To be honest, I'm still in the dark. I don't know what the Hu family is going to do to welcome me."

He means the muzzle around.

Suddenly, all the muzzles fell to the ground, and the faces of the guards flushed with embarrassment.

"Little Meng!" Hu Ying looked at her younger sister-to be exact, her cousin, "Is it true?"

"It's true!"

Hu Xiaomeng swears to the sky, and it stands to reason that as long as Li Yun sees Mr. Hu, everything can be confirmed.

But Hu Ying didn't dare to let Li Yun in easily, and she still couldn't believe that her grandfather actually invited Li Yun himself!

Who is her grandfather?

To put it bluntly, even if he retired for ten years, still stomping his foot could cause a major earthquake in Huangxuan, and the entire Zhonghai City had to shrink his neck up and down.

Even looking at the entire Huang Xuan country, people who can be worthy of the invitation of Mr. Hu personally can be counted with one slap!

General Huwei, who has killed more people than ordinary people have eaten salt. His prestige has made the three kingdoms of the east terrible, and shocked many small countries in the south. He is a talent of the country, enough to survive forever!

## Godly Choice System #Chapter 1339: Mr. Lee - Read Godly Choice System Chapter 1339: Mr. Lee

Such a character, personally invited a little boy who is still in school?

"impossible!!"

The arrogant teenager who came with Hu Ying categorically denied it. His eyes were sharp, and his eyes seemed to penetrate the truth of the matter. He said firmly: "The clothes on your body are definitely not brand-name goods, and there is no valuable watch bracelet. The pistol you are

holding is even more of a miscellaneous brand, Xiaoying, do you think this kind of person is an upper-class person? I'm afraid it's not a liar, I have fooled Xiaomeng and Hu Lao, right?

The arrogant boy sneered again and again, showing that he was very confident in his eyesight.

Generally speaking, no matter how low-key the upper-class figures are, the things they use will match their identities.

For example, the custom-made clothes are absolutely top-quality materials, and the jewelry pocket watches worn are also made by famous artists, and they will never be such a casual set of miscellaneous goods on Li Yun!

Hu Yingxin is a little bit, her new boyfriend is indeed very eye-catching, and she can see the foundation of her classmates almost at a glance in school.

"Who are you?" Li Yun looked at him with a smile.

"Hehe, a liar doesn't deserve to know my name!"

The young man looks arrogant, dressed in exquisite brand-name clothes, meticulously groomed hair, beautiful white face, and compelling extravagance.

Hu Xiaomeng became anxious, but Hu Ying's face slowly sank. She didn't believe that her grandfather would actually invite one...

"Mr. Lee!!"

At this moment, a majestic but somewhat eager old voice came from a distance. Everyone turned their heads and looked at them, and they were all shocked!

Under the guidance of several escorts, Mr. Hu, no, it would be better to say that Mr. Hu ran in front anxiously, and a group of escorts followed in fear.

Seeing Mr. Hu's expression and hearing Mr. Li from his mouth, all the guards were dumbfounded.

"Asshole!!!"

Seeing the scene before him, Hu was so angry that he blew his beard and stared, and shouted: "What are you doing?! What are you doing with the gun? I want to rebel! Ah?!"

Swish, all the guns were put away.

Hu Ying's face was pale, and the arrogant boy's pupils suddenly shrank. He actually made a mistake in his judgment and offended the person whom Mr. Hu personally invited!

"Grandpa~!"

Fox Xiaomeng turned back into a cute and cute appearance, and moved forward to hold Hu's arm and acted like a coquettish. He told him what happened: "Grandpa, originally I invited my big brother to come, but these people stopped me." , Grandpa, you have to call the shots for me too!"

Hu Ying's face turned pale again.

This time, she lost!

"Naughty!"

Old Hu reprimanded in a deep voice: "Mr. Li is the guest I invited, Xiaomeng, you don't know how to arrange in advance, how did I teach you!"

"Uh?"

Hu Xiaomeng was dumbfounded, and Hu Ying was in a much better mood, at least not making a mistake on her own.

After reprimanding his granddaughter, Mr. Hu reprimanded the surrounding guards: "What happened to Mr. Li with his gun? Even with his bare hands, it would be easy for him to hijack the old man. Do you think you can stop Mr. Li?! Humph!"

The guards had weird faces, and they didn't know what Mr. Hu meant by these words.

"It's really unstoppable."

Li Yun smiled, and after attracting everyone's attention, he slapped the gun in his pocket.

"what?"

A thought came to everyone's mind, why is this kid's gun missing?

Hu Xiaomeng rubbed her eyes, looked up and down at Li Yun, but still couldn't find where the weird gun was. She just went forward and opened her hands as if hugging Li Yun, and used both at the same time. Touch his pocket with one hand.

Hu Xiaomeng cried out in surprise.

Hu Lao's slightly muddy eyes flashed with a gleam, and as expected, the young man in front of him who used to wash dishes at a roadside food stall has grown into, no, it is better to say that he has truly begun to reveal his mysterious power!

"Mr. Li, please inside!"

As the master, Mr. Hu respectfully sat down with a please gesture, then turned his head and shouted: "Give me back. I will be fined 30 times for physical fitness... and three more months of studying, so you can wash your stupid brains! "

Li Yun smiled and said: "Old Hu doesn't need to be like that, he can just call me Li Yun. As for these people, forget it, those who don't know are not guilty."

Hu Wei also laughed, "Mr. Li, no, Li Yun, you are forgiving and righteous. You really admire the old man! Why don't you thank Mr. Li?"

All the guards felt that the clouds covered the mist, and they were stupefied by the strange scene in front of them. They could only follow the instructions of Old Hu and bowed to Li Yun in a dazed manner, shouting in unison: "Thank you, Mr. Li!"

Old Hu was still not satisfied, turned his head and shouted to his granddaughter Hu Ying: "And you, Xiaoying, are always reckless and don't know the offending people, so please apologize!"

"Yes, yes, grandpa!"

Hu Ying's aggrieved heart, she glared at her boyfriend, and after a long time, she reluctantly apologized.

As for her friend, Zhao Tianfu, an arrogant young man, she also whined for a long time before apologizing.

The Hu family dare not offend anyone, even less dare to offend him!

"Okay, Mr. Hu." Li Yun smiled helplessly, "I am not a big man, I have nothing to offend, and it is also my fault to forget to put away the pistol. You apologize."

"Hahaha, don't blame you, don't blame you."

Mr. Hu breathed a sigh of relief, greeted Xiaomeng, and entered the farm with Li Yun.

"Ding, the host makes a choice, reward: experience value +3 million, all attributes +2000, golden gift bag\*1, extra reward: Hu Xiaomeng's favorability degree +25."

Li Yun was secretly refreshed. He didn't expect to take a golden gift bag without any effort. This kind of good thing is not too much.

It's just that this old Hu speaks with a gun and a sword. It seems that he blames his subordinates, but in fact he blames him for a lot of trouble.

However, after confirming that he was really capable, the old Hu immediately changed his attitude and turned around and scolded his granddaughter to apologize to him.

This series of things Hu did not explicitly say, even if he turned his face, he can quickly come back, I have to say, this method is much stronger than his granddaughter Hu Ying!

"It seems that if you fly into the sky as a civilian, you will still be looked down upon by the upper class."

There was a glimmer of enlightenment flashing in Li Yun's heart, but he didn't care too much. With his current strength, he could live freely anywhere, without fear of any suppression!

The group did not speak, and Hu Xiaomeng became curious about the elder brother again, and kept staring at him, trying to see something.

Hu Ying and her boyfriend, the faces of the two of them were so stinky, especially Zhao Tianfu, who occasionally looked at Li Yun as if they wished to kill him!

"Master, you are finally here!!"

Entering the farm, just after turning a corner, Li Yun suddenly heard this excited voice, which made the monk Zhang Er confused. Is this calling him?

When did he have the title of master? It sounds like the fortune-telling masters who do fortune tellers on the street, charging forty or fifty yuan at a time!
