Chapter 1371: Fully cooperate

In other words, Li Yun holds the "Shang Fang Sword" and has the power to arrest and kill the members of the Hu family's upper and lower family!

Hu Guomei opened her mouth, but couldn't say a word.

With Hu Xiaomeng's words, she would dare to offend Li Yun. Even though she was the daughter of Hu Xiaomeng, Hu asked Xiaomeng to speak specifically to target Hu Guomei and several second-generation Hu family figures and to strictly prohibit them. act rashly!

"I'll call Big Brother."

Hu Guochang looked solemn, nodded to Li Yun, and directly took out the phone and made a call.

Li Yun was not surprised either.

An outsider has control over the life and death of the Hu family, and he is still a young man. This is simply a slap in the face of the Hu family!

"Do as Li Yun said."

Unexpectedly, as soon as Hu Guochang went out to get on the phone, there was a majestic middle-aged man's voice on the phone. Obviously, he had already guessed why he called.

"Brother, I haven't said yet..."

"I know what you want to say!"

Hu Guofan's tone on the other end of the phone was calm and composed, "But I'll tell you that it's not clear for a while. All you need to know is that not only our Hu's family, but the entire capital city will move quickly. This time, Li Yun is here and I'm not involved. There are too many Hu's families, it is a fluke, understand?"

A drop of cold sweat broke out on Hu Guochang's forehead.

The eldest brother is the person in the Hu family who has developed the most smoothly besides Hu Lao, and is also the leader closest to the upper-level core. He must know something. In the future, a big thing will happen in Beijing. It seems that there are some families as Li Yun said. It has to be uprooted!

"You, your second brother, and they are fully cooperating with Li Yun. Whoever goes against Li Yun is the enemy of the Hu family and Huang Xuanguo. Just remember this!"

"Moreover, he saved the old man, this is what our Hu family owes him."

The phone was hung up, and Hu Guochang still did not recover. Li Yun saved the father? What happened in Longyang County? Why didn't you hear the least bit of wind!

"How?" Hu Guomei asked subconsciously, but when she saw the eyes of her third brother, she knew what the eldest brother had said.

"Li Yun!"

After Hu Guochang walked to the living room, he solemnly said: "What do you want to do? We will cooperate with you fully!"

"Ding, the host makes a choice, reward: experience value + 1 million, all attributes + 1000, purple gift bag*1, extra reward: Hu Jiaxia's respect is greatly increased."

The reward for the forehead is okay.

Li Yun smiled and said, "I don't need your help either, Uncle Xia—that is, Xia Ming. He said someone will cooperate with me."

Xia Ming!

Now the Hu family is completely convinced. The presence of such characters behind the scenes almost means that these are the core meanings. In the future, the capital may be really turbulent, which is definitely not a joke.

Hu Xiaomeng blinked: "Big brother, aren't we going to check Wanzicheng?"

"Well, I want to check him, but I don't think he is the one behind the scenes."

Wanzicheng, Wanjia!

Hu Guomei's pupils shrank slightly. Wanjia's strength is not much stronger than her Hujia, but it is definitely not weak. It belongs to the upper-middle-class family. This Li Yun was the first to take the Wanjia operation.

Why? Why?

"No one is allowed to say anything about today."

After Li Yun and Xiaomeng left, Hu Guorong glanced at several Hu family young people present, especially Hu Weiping, and he was warned with a stern look in his eyes.

"Second Uncle, of course I don't dare to talk nonsense." Hu Weiping shrugged, "How fierce that guy is. Opening his mouth is killing... However, he came in from our door. I'm afraid some people already know."

Chapter 1372: Yu Shao

Tianlongsheng KTV.

It is located in the bustling and lively Shiwangfu Street in the capital, with a daily flow of hundreds of millions. Everyone who comes in and spends starts with a hundred thousand. And an ordinary princess who works in this ktv puts it in other places. In the top ktv of second-tier cities, you can be the top princess!

The top-level enjoyment and the beautiful decoration make some rich people from other provinces who come to the capital ready to see the bustling city be fascinated. They often spend a lot of money here, just to win the beauty of the princess here.

In the Peony box, the top box of Tianlongsheng KTV, several noble brothers wearing custom-made famous brands are chatting with a beauty each with their arms around.

"Shao Yu."

An 18-year-old young man respectfully asked another boy who was only fifteen or sixteen years old: "I heard that someone from the Hu family recently came and asked the second generation of the Hu family to greet him. Do you know anything?"

It is not easy to live in the capital, and a little movement will spread.

And the fact that the children of the Hu family came forward to welcome a young man at the same time was of course a major event, and it spread to half of the upper class circles in less than half a day.

They are all very curious about who this young man is, who has such a great face!

"Hmph, ignore him."

The young man known as Yu Shao had a casual attitude, with one hand resting on his female companion, and his handsome face showed an expression of enjoyment.

"But..." The young man was still a little worried. Since he came into contact with some magical things, he always felt that he could not sleep well.

"Fuck off! So courageous, just go home and drink milk!"

Shao Yu smiled and kicked him. The young man did not dare to resist and sat on the sofa in a daze.

The group of teenagers in Du Dan's box all laughed, Shao Yu is their core, Shao Yu mocks others, and they must follow up with the ridicule!

After enjoying it again, Shaocai Yu slowly said, "He is Li Yun, the enemy of my Yuwen family. Don't worry, he won't be able to jump for a few days. He actually dared to take the initiative to come to the capital. He really didn't know whether to live or die!"

The young man who was kicked by him nodded quickly, and then cautiously asked: "The little feather, am I still moving normally?"

"Yes, what are you afraid of?"

"It's not that I'm afraid, I just feel... I feel."

"I feel like a shit!" Shao Yu showed a hideous look: "As long as we succeed, who would dare to oppose us in the capital in the future? Huh, that little girl from the Hu family, when I let her face east, she would not dare. Going west, I actually dared to refuse my repeated pursuits by Yuwen Huayu, which is really shameless!"

"Shao Yu is right, that girl Hu Xiaomeng is a bitch!"

"Hahaha, in the future, if there will be Yu Shao covering us, we can play beautiful people and drive famous cars as much as we want!"

A group of people flattered, and Shao Yu smiled triumphantly, fantasizing the scene of playing the Hu family daughter with the palm of his hand, fluttering like a fairy.

...

Li Yun lived in a tens of billions of courtyards for three days, during which time nothing happened.

Hu Xiaomeng wanted to get close to him a little bit more, but her mother had been staring at her. Hu Xiaomeng even gave Li Yun a stare at her mother's arm, and she could only let go of her unhappy.

At noon that day, Li Yun ate lunch and lay in the sun in the back garden of the courtyard.

Hu Xiaomeng didn't go to class either. He kept chattering around and talking about something. Li Yun had a different reply. The spring sunshine was just right and the flowers in the garden were scented. Hu Xiaomeng yawned and took a peek. After not finding her mother in the next four weeks, she threw herself into Li Yun's sorrow.

Chapter 1373: Ming Hua Middle School

"Hehe, big brother, Xiao Meng is going to take a nap~"

Hu Xiaomeng now likes to stick to Li Yun more and more. She knows that after her elder brother has finished his trip to the capital, it will be difficult to see him in the future. At least it will take a weekend or a holiday to see him.

"Take a nap to get a good night's sleep, why run on me?"

"Because the smell of Big Brother smells very good, it doesn't smell like a boy at all, and it smells very good~!"

Hu Xiaomeng rubbed him with his cheek as he spoke, making Li Yun quite speechless. The passive skills that the system rewarded with red envelopes were all magical skills, which were amazingly lethal to girls.

The two of them didn't speak any more, and took a nap on the recliner. Little Meng's mother who was 'passing by' not far away had a complicated expression, and finally left with a sigh.

It was the first time that she realized that her daughter grew up and began to have her own ideas.

At two o'clock in the afternoon, a phone call came.

"almost."

After receiving the news from Xia Ming, Li Yun stood up to sleep with crystal clear saliva at the corners of his mouth, and even Hu Xiaomeng, who was still flowing to his chest, picked up and rubbed her little cheek: "Xiaomeng, wake up!"

"Woo?"

"let's go."

"Go, go? Go...Where?"

"Go to your school and find someone!"

...

At 3 o'clock in the afternoon, Li Yun and Hu Xiaomeng came to a mountainous area outside the Sixth Ring Road of Beijing.

This is where Hu Xiaomeng studies, Minghua Middle School.

This school is not a private school, of course it is not a public school, but a training school.

—It is a training school in name, but in fact it is an out-and-out noble middle school!

It is located in a mountainous area and covers an area of 10,000 acres. It has more than 1,000 outstanding teachers who graduated from prestigious schools and more than 500 foreign teachers from all over the world, enough for the students in the school to learn more than 20 mainstream languages .

"The tuition fee of this place... at least seventy to eighty thousand, right?"

Standing in front of the school's gate at the foot of the mountain, Li Yun suddenly remembered a joke, so he looked at the gate of Minghua Middle School and asked pretendingly in amazement.

"puff!!"

Several students wearing famous brands passing by almost vomited blood, and they looked at Li Yun like a dumpling.

Seven or eighty thousand? What a joke!

Unexpectedly, Hu Xiaomeng had also seen the joke, pretending to be shocked: "Huh~~? I can't stop it. The tuition here is more than seventy to eighty thousand yuan, at least about one hundred thousand yuan."

"puff!!"

How many students vomited blood again, there is a big difference between seventy to eighty thousand and one hundred thousand? This is Minghua Middle School, the most famous and powerful aristocratic school in Huang Xuanguo. Just take out a single person and start with a net worth of hundreds of millions. Actually, the tuition fee here is 100,000?

"Where's the soil bag... Uh, it's Sister Xiaomeng!!"

A girl was about to curse contemptuously, but suddenly saw that the person who said that the tuition fee was one hundred thousand was actually the man of the school, Hu Xiaomeng!

"Sister Xiaomeng!!"

Only then did a few students woke up with awkward and ashamed expressions on their faces. The girl before was even more silly and didn't know how to speak.

"Sister Xiaomeng?"

Li Yun's face was strange, and he gestured on Hu Xiaomeng's head.

Well, less than 1.5 meters.

"Big brother really hates~!"

Hu Xiaomeng pursed her mouth, "Why can't people be Sister Xiaomeng? Right?" She turned to look at the students: "You must be primary school students, right?!"

Several girls who were up to 1.6 meters tall were taken aback, then flushed and nodded quickly.

"Yes. Yes, Sister Xiaomeng is right, we are... elementary school students!"

"Hehehe~"

Chapter 1374: Elite schools

Minghua Middle School occupies an area of 10,000 mu. Li Yun thought it was a joke at first, but after entering it, he found out that the 10,000 mu is probably less talked about.

Surrounding a valley, several nearby hills are circled by Minghua Middle School. The mountain roads are neatly built, standing on a hillside and looking down, below are the basketball courts, badminton courts, swimming pools, football fields, racetracks, and laboratory buildings. Ecological farms, teaching buildings, etc. are all available.

Even farther, there is a large green grassland, where is a golf course.

As far as I can see, the students here are all very extraordinary. Although there is no uniform gentleman's dress, they are all neatly dressed. Many students wear formal suits and look very serious.

"This place is really a school?"

Li Yun has a weird face. There are even golf courses here. Are students still thinking about studying?

"It's probably the school." Hu Xiaomeng stretched out his chin, thinking, "The students here do not need the college entrance examination. They either have good grades or donate money to a famous foreign university. There are also families at home. Teachers supervise in real time, so coming to the school is more to feel the atmosphere and make friends and classmates by the way."

Li Yun nodded. The tutor is similar to the tutor requested by an ordinary family, except that the tutor is full-time and is responsible for teaching all the knowledge of the employer's children, just like the prince's master, the prince's master, the prince's master, and so on.

Driving is forbidden in the school. When Li Yun and Hu Xiaomeng came along, most of the classmates they met unexpectedly knew Hu Xiaomeng, and they greeted her and made jokes, which shows that she usually has a very good relationship with her.

"The news I got was that--" Hu Xiaomeng took the phone and clicked on the screen. "Wan Zicheng is now at the golf course, playing with some classmates. Among them are Xiao Wen, Long Xingchen, Zhao Tianfeng and others. Shall we go straight there?"

"Yes, go straight ahead!"

There was a meaningful smile at the corner of Li Yun's mouth. He didn't know who these names were named by Xiaomeng, but it is estimated that Wan Zicheng chose to persecute, or was a fellow with him!

Yes, this Wanzicheng is the middleman who instructed Zhao Tianfu to go to Hu's family!

"Um."

The expression on Hu Xiaomeng's face was very relaxed, but her body couldn't help but get closer to Li Yun. She knew that with her elder brother's character, she would be shocked when she waited, causing a storm in the city!

Soon, the two came to the golf course on a low hillside.

This stadium covers an area of one thousand acres, and several hillsides are covered by grass. The warm spring breeze blows through, and the fragrance of the grass makes people feel very comfortable.

To be able to play golf in such a place leisurely is something that many people dream of, but for those happy and rich second generations who play in the distance, this is just a daily routine!

"boom!"

Hu Xiaomeng was taken aback when a golf ball whizzed, and then he saw a big hand blocking the front, stopping the fast-flying golf ball.

"Hey, idiot over there, don't get in the way, go!"

A teenager playing in the distance shouted, his arrogant tone made Hu Xiaomeng so angry, he stood up and cursed with his arms akimbo, "Long Xingchen, are you itching?!"

A group of young girls were taken aback, and then they saw Hu Xiaomeng.

Li Yun was so tall that she blocked her, so that they didn't even see that it was the daughter of the Hu family.

Chapter 1375: Is my boyfriend

Li Yun and Hu Xiaomeng walked over, and officially met with the group of elder brothers and daughters.

This group of rich second-generation temperament has nothing to say, even the temperament of Long Xingchen who screams and expresses a free and unrestrained demeanor. With his handsome face, there is a faint hooligan smile at the corner of his mouth. The sense of contrast is enough to make any girl who is pregnant with spring fall, and it is also full of lethality to the aunt.

"Xiaomeng, who is this? Your boyfriend?" Long Xingchen chuckled, and patted Li Yun on the shoulder: "Boy, that's not bad, you can hook the little daughter of Hu's family, it won't be good to eat and drink hot in this life. Question! Hahaha!"

The other boys also laughed, it seems that they have a bad relationship with Hu Xiaomeng, or their personality is just like this.

"Ding, trigger the option event, please choose from the host:

Option 1: Give him a punch and let him know what the soil tastes like. Rewards: experience value + 1 million, all attributes + 1000, evil value + 100, there is a small probability that the dragon family and other families will be angry.

Option 2: Kick him a little hook and let him be an **** on the spot! Reward: evil value +10000, all attributes +2000.

Choice 3: Smile without speaking, reward: experience value + 100,000, free attribute points + 500, white gift bag*1. "

Li Yun raised his eyebrows, the choice given by the system was very irritable, deliberately?

"Meteor hammer, you are really right!"

Without waiting for Li Yun to make a choice, Hu Xiaomeng triumphantly took Li Yun's arm, wanting to slap his toes on his face, but had to give up because of his height problem.

Long Xingchen was furious, "Xiao Meng, didn't you say you don't want to call me that nickname? Wait a minute, I'm Cao, this kid is really your boyfriend?!"

Several people around also showed surprised expressions. When did Hu Xiaomeng quietly make a boyfriend?

And he's still a handsome boyfriend who doesn't look good when he sees it.

But if you want to say that you are handsome and tall, if you have a lot of them in Minghua, you can't associate with such people!

"Replace it like a fake!"

Hu Xiaomeng's small faces were full of happy smirks, and Li Yun helplessly said to them: "Don't listen to her. I and Xiaomeng are like brothers and sisters."

The two did not do anything, they were above their friends and their lovers were not satisfied.

"Grass, scare me!"

Long Xingchen's mouth was full of swear words, but what he said from his mouth didn't have the vulgar meaning of the ordinary folks. On the contrary, it seemed that he was laughing and cursing, with a free and easy personality.

I have to say that being handsome is often so unreasonable.

Li Yun calmly observed this group of rich second generations. Among their more than a dozen men and women, apart from Long Xingchen, there are two more worthy of attention.

One is a boy with a calm personality, and there are faintly a few attendants around him, which shows that his origin is not low.

The other is a beautiful girl, she is very tall, with a full 175, a pair of long legs occupy almost half of her height, in front of such a tall woman, boys under 190 will feel pressure.

Unfortunately, Li Yun is also on this list.

This arrogant girl is surrounded by many men and women, which are equal to Long Xingchen and the other core characters. Li Yun paid special attention to this girl's eyes, which are slender and slender. The pupils are relatively close, especially the slight eyes. Squinting, giving people a fierce momentum.

Chapter 1376: Zhao Tianfeng

"You are?"

The arrogant girl took the initiative to ask, but Hu Xiaomeng became vigilant like a rabbit out of a hole to eat grass: "Zhao Tianfeng, what do you want to do?"

Zhao Tianfeng, who was hostile to her, laughed instead. Her smile was very special, with a kind of mockery that could not be said to be contempt or condescending, in short, it made people very uncomfortable.

"Hu Xiaomeng, I just want to make a friend. Why are you so sensitive?" Zhao Tianfeng narrowed his eyes, his eyes seemed to burst out with brilliance: "Could it be that you are afraid of your man being snatched by me?"

"Hu, nonsense!"

Hu Xiaomeng flushed with anxious face, and stared at her angrily: "Don't show off your coquettishness here. My big brother will not fall into your conspiracy, huh!"

Li Yun's face was weird. It was the first time he saw Hu Xiaomeng looking slumped. This little girl was originally eccentric, she was smiling at everyone, and she didn't get serious at all.

But facing Zhao Tianfeng, she looked like a rabbit with its tail caught, and she couldn't get rid of it.

Wait, Zhao Tianfeng, Zhao Tianfu, this name is a bit similar!

"My name is Li Yun, you are Zhao Tianfeng? Who are you Zhao Tianfu?"

Just ask, Li Yun didn't talk nonsense, staring directly at the arrogant girl and asked.

The men and women surrounding Zhao Tianfeng all showed angry expressions, and one of them was directly angrily: "The eldest sister can be asked whatever you want? No rules! Don't say you are Hu Xiaomeng's boyfriend, you are the Hu family. Son-in-law, you have to weigh a little bit in front of the eldest sister!"

Hu Xiaomeng glared at her!

Li Yun frowned slightly, called Big Sister Head? How do you look like the female gangsters on the street, not the least of the rich second generation.

"Zhao Tianfu is my son."

Throwing a word of 'Stone Breaking the Sky', Zhao Tianfeng Shi Shiran's hull walked back, picked up the club and smiled at Li Yun: "How about? Do you want to fight with me? If you beat me once, I will answer. You have a question!"

When she said this, a strong self-confidence came out of her body, her temperament was strong and mighty, as eye-catching as a female **** of war standing on the top of a mountain.

"Ding, the host makes a choice: laugh without saying a word, reward: experience value +100,000, free attribute points +500, white gift bag*1."

"Ding, trigger the option event, please choose from the host:

Option 1: Take the challenge, defeat Zhao Tianfeng, reward experience value +2 million, all attributes +2000, purple gift bag*1, Zhao Tianfeng favorability degree +10, extra reward: master golf skill.

Option 2: Ignore her, reward Zhao Tianfeng with -20 favorability, white gift bag*2.

Choice 3: Enrage her, make this arrogant girl completely angry, reward experience value +3 million, all attributes +3000, golden gift bag*1, Zhao Tianfeng's favorability degree -500, there is a high probability that some consequences will be triggered. "

Li Yun cursed the cheating system in his heart, and gave another girl a favorability level setting, but forget it, with Hu Ying's precedent, a favorability rating is not a big deal, it's a big deal to ignore it.

However, the golden gift bag is very fragrant, you have to find a way to get it!

This woman set up a gambling game without a few words, and Li Yun would not have a psychological burden if she irritated her.

——Although bullying a girl is really not a good thing.

"Big Sister is asking you something!" One of Zhao Tianfeng's attendants yelled at Li Yun, with an indescribable expression of arrogance, and didn't put Hu Xiaomeng in his eyes.

Just friends, what are you afraid of?

Chapter 1377: You are not worthy to compare with me

"Hehe, there is a good show to watch now."

"Hu Xiaomeng and Zhao Tianfeng are the four biggest daughters in the capital, but unfortunately, Zhao Tianfeng is the first daughter, Hu Xiaomeng is still a little short!"

"Hahaha, this time she found a boyfriend from the country, Zhao Tianfeng will definitely not let go of the opportunity to hit her, did you immediately propose a bet?"

"Tsk tusk, Zhao Tianfeng's talent is a metamorphosis level. Whether it is basketball, football, equestrian martial arts, swordsmanship, all are at the crushing level, as long as she is willing to work hard to practice, she will definitely be the first!"

The onlookers all showed joking expressions. They have seen Zhao Tianfeng defeating others too many times, especially in front of Hu Xiaomeng, Zhao Tianfeng will do his best without any mercy!

As a result, the people who have finished the game with her will all show an expression of indescribable life, and they will be beaten decently.

The next moment, they heard an unbelievable sentence.

"You don't deserve to be compared with me."

"..."

"?"

Everyone was dumbfounded. They kept looking at Li Yun, only to get such a sentence from him? !
Zhao Tianfeng, don't you deserve to be compared with him? !

Long Xingchen laughed angrily and screamed: "What an arrogant kid!"

As he said, his figure moved, like a violent wind swept over to Li Yun, and punched him in the abdomen!

It was not Zhao Tianfeng who angered first, but him!

Everyone was not surprised. Long Xingchen was interested in Zhao Tianfeng at first, but unfortunately he couldn't hold back to please her, so he could only stay by her side as a friend.

Now Li Yun dare to say that Zhao Tianfeng is not worthy to compare with him, how can he not anger Long Xingchen!

"boom!"

A wave of air rolled out, Li Yun's expression remained unchanged, and he faintly waved Long Xingchen back.

Everyone was surprised to see that Long Xingchen, who had attacked first, was shaken back four or five steps, and he barely stopped after stepping on a few small holes in the grass.

"you!"

Long Xingchen's expression changed, and Li Yun shrugged and said calmly: "What am I? I didn't blame you for attacking me. Alas, the young people in the capital are really outrageous. If they don't agree with them, they will do it. There is no rule!"

I'm Cao!

Everyone yelled in their hearts. Your eldest man is less than twenty years old. What kind of old man is you pretending to be?

In addition, isn't this the **** you who looked down on someone else's crush first, Long Xingchen did it under irritation, and it's not all because you are too arrogant!

"Long Xingchen, you are not his opponent, retreat."

Zhao Tianfeng held a golf club and walked a full 1.2 meters long to Li Yun. She put her hands on the club on the ground and stared at him with a pair of slender Ruifeng eyes, saying no. With the fierce domineering, it is hard to imagine that this look was taken by a girl who was less than twenty, or even only eighteen.

Li Yun even suspected that in ancient times, only Empress Wu Zetian or a female general with a million soldiers could have such sharp eyes.

"Give you two choices," Zhao Tianfeng raised a finger in front of Li Yun-a very white and slender finger, indeed a woman, not a man.

"First, compare golf with me on the court. Second, compare martial arts with me in the arena. Choose!"

Her words were loud and loud, with an unfavorable anger in the deep.

Because Zhao Tianfeng was indeed irritated by Li Yun!

"Ding, the host makes a choice, rewards experience value +3 million, all attributes +3000, golden gift bag*1, Zhao Tianfeng favorability degree -500, the host has angered Zhao Tianfeng, after completely defeating her, you can get a high favorability bonus !"

Chapter 1378: Only he is worthy to compare with me

Li Yun's expression is weird, what is the so-called consequence of the system referring to this?

Defeating this arrogance-no, it should be said that a tough and domineering girl can get a high favorability bonus.

This seems to be nonsense, usually the more domineering girls will show their little daughters when they face the more domineering boys.

"Ding, trigger the option event, please choose from the host:

Option 1: Choose golf and defeat Zhao Tianfeng, reward experience value +1 million, all attributes +1000, purple gift bag*1, Zhao Tianfeng favorability degree +10, extra bonus: master golf technique, extra reward: skill Dan*1 .

Option 2: Choose martial arts and defeat Zhao Tianfeng, reward experience value +2 million, all attributes +2000, purple gift bag*2, Zhao Tianfeng favorability +20, extra reward: a random advanced martial arts.

Option 3: Still refuse, continue to anger Zhao Tianfeng, reward experience value +5 million, all attributes +4000, golden gift bag*2, Zhao Tianfeng favorability degree -1000, the host is likely to be hostile by a big person. "

Li Yun's face was weird, his favorability rating was -1000, which was a refresh of the lower limit of favorability rating. Of course, the rewards were also crazy, comparable to the night when she fiddled with Concubine Wan Qing and frantically brushed the golden gift bag.

It's just that Concubine Wan Qing's favorability rose instead of falling, while Zhao Tianfeng's favorability fell sharply.

"select!"

Cold and blunt words popped out between the teeth of the tall and fierce and beautiful woman in front of Li Yun's eyes, showing that she is now trying to suppress her anger.

It is estimated that in the entire capital city, only Li Yun would dare to speak to her Zhao Tianfeng like this!

Hu Xiaomeng was very nervous and wanted to speak to ease the atmosphere, but Li Yun waved his hand to stop it.

"You can not."

Li Yun's tone was indifferent, Zhao Tianfeng pulled off a cold and pretty face on the spot, and was about to get angry, but Li Yun said again: "Only Wan Zicheng is worthy of playing golf with me!"

"Wan Zicheng?!"

Everyone looked at a certain silent boy in the crowd in surprise, and their expressions became extremely weird.

What kind of stuff is Wan Zicheng?

Although the Wan family is a good family, in their group of people, let alone the Hu family and Zhao Tianfeng, even the Long family is inferior to them, it is a humble little character at all!

Moreover, judging from his previous expression, whether it is golf skills or martial arts, they are all at an ordinary level!

"Wan Zicheng..."

Zhao Tianfeng looked at him, and his heart became more unhappy.

The man Hu Xiaomeng brought was not easy.

She deliberately set up a competition, no matter which one Li Yun chooses, she will enter her domain and be led by her.

But Li Yun jumped out and asked Wan Zicheng to give him back... Was this intentional or was it just aimed at Wan Zicheng?

"Humph!"

Zhao Tianfeng's eyes drooped slightly, suppressing the anger in his heart, and said, "Wan Zicheng, your golf skills are very good? How come you haven't shown a hand before, besides, today's party was initiated by you."

Many rich second generations looked at him one after another, and Wan Zicheng suddenly felt a sense of oppression.

Especially Li Yun, and Zhao Tianfeng, the former's gaze is a bit playful, the latter's gaze is aggressive, not like a girl, but like a queen!

"I!"

Wan Zicheng took a deep breath and forced himself to calm down.

From the moment Li Yun appeared, he felt a crisis. This guy didn't follow common sense and even dared to show up to trouble him in Minghua Middle School.

Chapter 1379: Bet on your head

"take it easy."

Li Yun smiled and comforted him: "I think everyone is a very good person. For example, this Miss Zhao Tianfeng is very easy to talk. She also gave me two choices, how good, just as gentle as me."

When everyone heard it, they almost vomited blood!

"Are you paralyzed, are you gentle?!" Long Xingchen cursed directly: "You are gentle and there are no irritable people in the world! Talking yin and yang are weird, grass!"

Zhao Tianfeng glanced at him with slender eyes indifferently, and he was sentenced to death in his heart. He was judged by the death sentence: This person speaks yin and yang strangely, even a good person is a dermatitis eunuch, and he turns around and scolds her!

But the next moment, Li Yun's conversation changed.

"Besides, you are planning to kill these people present, what else is there to be nervous about?"

"!!!"

Hearing this sentence in everyone's ears was no less than piercing a cloud and cracking a rock, and the thunder of winter made people's mind buzzing.

Wan Zicheng, actually want to kill them? !

Unbelievable, ridiculous!

Wan Zicheng's body was shocked. He was frightened by Li Yun's words and his sharp eyes and took a step back. The expression on his face was extremely ugly. After being stared at by Li Yun for a while, he barely squeezed out a smile: "You Don't spit people, do you know the consequences of killing? Who would dare to kill at Minghua Middle School? Don't make such jokes!"

After a long time, the people came back to their senses. Xiao Wen, who had been watching the show, looked at Li Yun: "What do you mean by this?"

Li Yun didn't know him, so he didn't bother to pay attention to him, shrugged and said, "I dare not kill people here, but you, you Wanzicheng, or Wanjia, and the people behind you, dare to do such a thing! ?"

Wan Zicheng's hands and feet were cold, and his heart was terrified. This kid absolutely knew what to do. No wonder he was so valued by Yuwen's family and even listed as a killer by Yu Shao!

"Hey, brother Wan." Hu Xiaomeng smiled and said, "Why don't you talk? By the way, you have a good relationship with a boyfriend named Zhao Tianfu, who is my sister, right?"

"you!"

Wan Zicheng understood in an instant that Zhao Tianfu had been arrested and he had confessed to him, but there was no evidence yet, and he had not started arresting him for the time being!

"Zhao Tianfu..."

Zhao Tianfeng, who also had the word Zhao Tian in front of his name, moved his eyes slightly.

Hu Xiaomeng and the man she brought seemed to know something extraordinary, and it was related to Wan Zicheng.

"Hahaha, just kidding."

Li Yun patted the pale Wan Zicheng on the shoulder, turned his head and smiled at Zhao Tianfeng: "Well, you and I and this Wan Zicheng will bet on a game. Don't bet too much. Who loses? Just cut off our heads and let us go to the football field to play the ball, how about?"

puff!

Many princes and ladies vomited blood again.

Kick your head as a ball, does he still say the stakes are not big enough? !

"What you said is wrong." Zhao Tianfeng showed a particularly feminine smile and said with a smile: "The stakes are already high."

"It's not that big."

Li Yun shook his head and said sincerely: "I haven't bet on your family's lives, nor have you bet that you will become BQ... ahem, it means ransacking the family, the male is a slave, the female is a prostitute... Well, that's probably what I mean. You see, these are no bets, how can the bets be big?"

Everyone looked at Wan Zicheng, who shed cold sweat.

The meaning is very obvious, Wan Zicheng intends to look at them directly!

"So bold!"

Chapter 1380: Thunder billowing

Long Xingchen gave a strange cry, staring at Wan Zicheng with his eyes fixedly: "So you specially invited us to join this golf club today for another purpose? To rob the family and exterminate the clan? Just rely on you to become the son?!"

"No, Young Master Long, I don't have one!"

Wan Zicheng was about to cry, being stared at by these powerful young masters and young ladies at home, the pressure was as great as the mountain!

"No, you have." Li Yun smiled.

"I really don't!"

"You really have!"

"I'm Cao!"

Wan Zicheng was completely anxious, and stretched out **** to point to the sky: "I swear, I Wan Zicheng, if you have bad thoughts for everyone here, five thunderstorms..."

boom! ! !

Before a word was finished, a thunderbolt really fell from the sky, and it hit the grass not far away with a bang. In an instant, the mud splashed and shredded the grass, and the thunderbolt directly blasted a big hole on the ground!

Wan Zicheng, and many rich second-generation petrochemicals on the spot.

They were dumbfounded, looking at the big pit that was blasted out, their mouths opened wide and speechless.

"Sunny, sunny, thunder????"

"Oh my God!"

"what is this??"

"Really thunder and thunder?!"

This thunder, completely, no, shocked them again!

Li Yun raised his head to look at the sky, and said leisurely: "The so-called gods are raised three feet above the head, young people, you have to think clearly before you swear."

"Wan Zicheng!!!"

Long Xingchen became furious, and rushed forward with anger, and directly grabbed the silly Wan Zicheng's collar and threw him on the ground, holding him tightly. He cursed, "You said you didn't do it because you were paralyzed? What is it? God can't stand it anymore, just thunder and warn you! I, Cao, you are **** dead, I will tell you, I, Long Xingchen, must investigate you carefully to see what tricks your kid is doing behind your back!"

"The investigation matter, plus I asked Xiao."

"Add me Liao Xing!"

"I'm Zhang Xinrui!"

Wan Zicheng was pressed on the ground, directly dumbfounded, what is going on? Why did it suddenly thunder? Is there really a **** watching in the sky? !

"Wow, great, great, big brother is great~~~!"

After Hu Xiaomeng recovered from the shock, he didn't hesitate to rush to Li Yun's arm, jumping and screaming, his eyes full of worship.

Big brother can control fire, and of course he can control Thunder!

"Um?"

Zhao Tianfeng frowned slightly, Hu Xiaomeng seemed to see, no, she knew something!

Of course, Zhao Tianfeng knew that Hu Xiaomeng was not as stupid and naive as she was acting. On the contrary, this little girl was very smart and had a high self-esteem. He looked down upon ordinary men, such as Yuwen Huayu who pursued her.

But she now admires Li Yun from the bottom of her heart, which shows that this dead **** is indeed capable!

"Let go of him first."

Li Yun faintly commanded Long Xingchen, who was stunned for a moment before letting go of Wan Zicheng angrily.

This Wan Zicheng also knew that it was impossible to run, so he had to bite the bullet and stay, always arguing that it was an accident just now, and he had absolutely no conspiracy.

"Well, it's useless to say that."

Li Yun interrupted him and said with a smile: "The game continues, and the person at the bottom is responsible for providing the head for playing football, how about it?" He looked at Zhao Tianfeng.

"OK."

Zhao Tianfeng's slender eyes narrowed again, with a smile on his gorgeous face: "I've never tried such an exciting game, but I'm sure it will never be me!"

Li Yun also smiled, "It certainly won't be me."

Wan Zicheng: "..."
