

# GODLY CHOICE SYSTEM

## Chapter 14: Open bag, batch roll

In the afternoon, Zhou Xianming really fought with the teaching director Xie Kangbang. After finishing the English test, Zhou Xianming immediately set up on the first floor of the teaching building, that is, Li Yun's classroom, and asked to approve the papers on the spot.

After hearing that there was a lively watching, many students gathered around, craned their necks and waited to see the results.

"Do you think Li Yun can get full marks?"

"Hahaha, are you kidding? Think about it with your \*\*\*\* and you know it's impossible!"

"But... I heard that Li Yun has finished writing all his English just now, and he wrote it very quickly!"

"Huh, it's finished, the reading comprehension of composition copy, the poor students are like this!"

"I'm Cao? Also comprehend composing and copying? Is there such an operation?"

"Hey, I didn't expect it? The undergraduate can do anything!"

"Don't be arguing, there's a flower coming from University Fang...Ah! And Li Feng, is she going to stand up for her younger brother?"

"This great show is even more exciting!"

There was a lot of discussion, but almost no one was optimistic about Li Yun. It is simply impossible for a poor student to take the full score. It is impossible for a fantasy!

"Li Yun..."

Fang Xue, dressed in a pretty dress, stood tall in front of Li Yun, looking at him worriedly: "Can you really get a full score on the test?"

"I didn't say that I got a perfect score." Li Yun smiled.

"what?"

"I only talk about science and English with perfect scores!"

After being tricked by him, Fang Xue pursed her mouth, "It's impossible for the school to study hard. The first mock test is difficult for the school to study hard. I guess my score is only 140. How about you, Li Feng? "

Li Feng and her are classmates, and the two usually don't have much to do with each other, but because of Li Feng, Fang Xue is willing to be friends with her-after all, she might still have a relationship with her in the future.

"I'm about 145 or so."

Li Feng has a weird face. When did her good brother have such a close relationship with this beautiful schoolgirl?

He really has him!

Li Feng felt sour.

"Ahem!"

The teaching director Xie Kang cleared his throat, and said in a deep voice to the audience: "Originally, the school absolutely does not support any gambling, but because Li Yun and Zhou Xianming you two are for learning, so in order to stimulate your enthusiasm for learning, Turning grief and anger into

motivation, so I deliberately took your test papers in advance, and corrected them on the spot, so that one of you was convinced of the loss."

He smiled and looked at Li Yun, "In the future, even if you are someone else's son, you can't hold grievances. You have to study hard to get good grades in the college entrance examination, understand?"

Li Yun understood that these Xie Kang talked about a set of things. It seemed that he was not helping his relatives, but he had already been judged to lose before he started to change his papers.

Obviously, this Xie Kang looked down on him from the bottom of his heart.

"hehe."

Thinking of this, Li Yun smiled faintly, "It's not always certain who loses and who wins. I think it's better for Zhou Xianming to prepare money. Of course, one hundred thousand yuan is too much, so you can just give me a few yuan. I don't want your son!"

"Puff!"

Li Feng and Fang Xue both laughed sweetly, making the onlookers dazzled. These two school-level beauties stood together, and they were so beautiful each other, both of them became more and more beautiful.

Zhou Xianming blushed with anger and crooked nose. What's even more annoying was that Li Feng and Fang Xue both chose to stand beside Li Yun!

Forget about Li Feng, after all, the two siblings, but Fang Xue is the woman Zhou Xianming fancy, this Li Yun unexpectedly!

"There is nothing you can do with your mouth."

Xie Kang is worthy of being the dean of teaching, and said lightly: "If you can get a full score, the teachers in our school will know at a glance. Teachers, open the bag and mark the paper!"
