

Godly Choice 1401

Chapter 1401: Late congenital

Passive skill speed is already a magical skill, allowing Li Yun to be so fast that he can't even catch up with the Grandmaster level, and flying in the air is a magical skill among the magical skills-for those below the Grandmaster level.

"Usually store infuriating qi and aura, and use it when you need it urgently, just one word!"

Li Yun was secretly refreshed, but after reading his attributes and inventory, he felt that he could still improve.

"The system uses 10 million experience points to increase the real explosion!"

"Ding, spend 1,000 play experience points, and Zhen Yuanbang will be promoted to intermediate level."

Zhen Yuan Boom is a reward for kissing the Concubine Wan Qing. It is a special martial art that accompanies the colorful gift bag. It can convert Zhen Qi into Yuan Yuan. It temporarily possesses the ability of Grand Master Realm, and belongs to the high explosive class of skills.

Usually it may not be used, but when it is used, it is very urgently needed!

"The system uses two skill pills to raise the spirit of mind to a high level, and the roar of the blue dragon to a high level!"

In the past, Li Yun planned to use the god-level skill pill to directly raise his spiritual mind to full level, but the system prompts that Li Yun's hard power is not enough. Now he has 150,000 attribute points. Level, moving towards congenital perfection, the spiritual mind can naturally be elevated to a high level!

"Ding, successfully use the skill pill, the host spirit will be upgraded to a high level, and the blue dragon roar will be upgraded to a high level."

Li Yun let out a sigh of relief and silently checked his current attributes.

"Host: Li Yun.

Five attributes: 160,000+

Justice value: 226270.

Evil value: 666

General experience points: 3900w.

Skills: God-level culinary skills, God-level computer knowledge, master-level wind-cutting swordsmanship, god-level misty footwork, god-level diamond finger, god-level sneak skills, master-level one-yang fist, high-level spiritual thought, intermediate human emperor heart sutra, High-level dragon-ming sword art, master-level spirit turtle hiding technique, elementary earth-shaking sun fire art.....

Sundries: Thousands of various items in total.

Pills: small, medium-sized, a lot of pills, detoxification pill*8, recovery pill*6, base building pill*5, peiyuan pill*4, skill pill 1, free choice of four golden-grade pill*5.

Items possessed: God-level skill pill, space ring, fairy bow-Hilvin, Nine Heavens Thunder Talisman, Lotus Immortal Mansion, Golden Dragon Sword, Three Treasure Jade Pendant, Crescent Double Blade, Sun Shooting Arrow (Remnant), Lingxiao Treading Clouds shoe....."

Li Yun found that his evil value of 666 couldn't be eliminated, and he couldn't offset it with his justice value. It seemed as if good people were stained and couldn't be eliminated.

"The experience value is 39 million, which is quite a lot, but unfortunately it's useless. A good skill requires 50 million points from intermediate to advanced. It's cheating."

"The elementary earth evil sun fire art is the most important improvement, but unfortunately there is no earth evil fire that can be absorbed. It seems that when the matter in the capital is over, I have to find an active volcano in Huang Xuan country and save a skill pill for use at the time! "

There are a lot of medicines, but when he thinks that he still has a nine-winged black feather butterfly, three black lines appear on Li Yun's forehead.

At this point, it is estimated that the black feather butterfly will be finished with one breath, not too much!

In addition, there is also the snack product of Princess Yongning, who has to take a small pill every ten days and a half to prevent sleeplessness.

"Oh, so touched~~"

The movie finally came to the finale. Hu Xiaomeng was nestled in Li Yunqi, crying faintly, clutching his hand and wiping away the tears.

Li Yun couldn't laugh or cry, glanced around, his face flushed.

Love movies usually have sugar at the end, and this time is also when the couples in the cinema are intimacy, including the time for the ending announcement.

Chapter 1402: I like Brother Yun the most

It seems that the staff also know very well that they will not come to rush people for nearly seven or eight minutes, that is to say, this time is the time for lovers in the theater.

"Yun, Yun...well, Brother Yun~"

Hu Xiaomeng's small face flushed with shame, his head lowered squeezingly, his small hands wringed back and forth.

The meaning is self-evident, she also wants to do and do something that fits the current atmosphere like other couples in the theater.

"Little Meng!"

Li Yun's heart swayed. He couldn't help but see that her delicate and lovely face was red and red, so touching...

Take out a book.

"Ahem!"

"Little Meng!" Li Yun said sternly: "This exercise is a gift from me. You can open it and take a look."

I meditated in my heart that form is emptiness, emptiness is form, relics... what is that.

"Oh~~"

Hu Xiaomeng puffed his cheeks, and his big eyes were full of sadness, so cute that people wanted to squeeze and kiss her cute little cheek.

She actually wanted another gift even more.

"Okay~"

Hu Xiaomeng snatched it over and took a look, and he was surprised: "Eh? Demon fox skill? It's not with me...Huh!?"

Without finishing a sentence, she closed her mouth and her eyes became confused.

Because she opened the book.

Countless knowledge poured into Hu Xiaomeng's mind. She seemed to have learned a lot of things related to cultivation at once, especially regarding spiritual thoughts and innateness, which was a big step forward!

If Hu Xiaomeng was confident that she could enter the innate within two years before, then she can now pat her mediocre chest and say that she can break through in half a year.

Moreover, it is still in a state of innate consummation, and once a breakthrough is made, the perfect posture of divine consciousness can be obtained to enter the innate!

"call."

It took a full half a minute for Hu Xiaomeng to come back to her senses. She already knew what the book did.

"Brother Yun~~!"

Hu Xiaomeng threw affectionately into Li Yun's embarrassment, wrapped his arms around his neck, and offered his first kiss without hesitation.

At this moment, she was extremely happy.

The atmosphere, timing, and occasion are all beautiful.

Brother Yun is the person she likes, and gave her an extremely precious book. Hu Xiaomeng is willing to dedicate everything he has to Brother Yun!

Feeling Xiaomeng's emotions, Li Yun's heart filled with tender feelings, gently hugged her petite body, and kissed her intimately, instructing the young girl who first saw love what to do.

for a long time.

In fact, it didn't take long. After five minutes or seven minutes, the staff walked in and drove out all the couples in the cinema.

"Everyone, the time is up, you can go to the hotel and talk slowly!"

The staff has long been surprised at these scenes. Without these couples, love movies can't sell so many tickets.

only.

"Huh? Huh?"

The staff's eyes widened, he saw a cute and beautiful girl with a flushed face hiding in a tall and handsome boy, hugged by him, half of her petite body set off her boyfriend even more handsome, face The blush on the top is full of charm.

"My childhood sweetheart? This...I'm so sour!"

The staff burst into tears.

He doesn't care about ordinary couples at all, but the affectionate appearance of the lovely and beautiful girl just made him eat a big bite of dog food.

In addition, he particularly likes the setting of childhood sweethearts, which makes it even more sour.

Because he has no childhood sweethearts, and no chance to have it!

"The young people nowadays are too shameful!"

The staff member who ate a large bite of dog food mumbled to clean the theater, and then saw popcorn knocked over on the ground, and knew that it must have been left by the childhood sweethearts just now. It was strange that there was still a hundred dollars on the ground.

"Eh? Is it specially left to me? I am going, or a local tyrant!"

Chapter 1403: waiting

Shiwangfu Street, Tianlongsheng KTV, is located in the Peony Box on the top floor.

"Shao Yu."

Wan Zicheng salutes respectfully. He is now covered in bandages, and he grinned with pain when he moves a little bit, but his life and wealth are all pinned on the young Yu who is in front of him, so even if it hurts again, he has to come to KTV. , In order to obtain asylum!

"Well, Zicheng, you are here."

Yuwen Huayu nodded in a flat tone, "Don't worry, anyone who follows me will not treat him badly, let alone abandon him. You sit first, and when the kid comes, I will save you face. !"

With that, Yuwen Huayu's eyes flashed fiercely: "How many swords he drew on you, you just draw them back as they are, a lot of swords!"

"Yes, Shao Yu!"

Wan Zicheng's voice trembled, and he couldn't wait to get revenge!

After sitting down, Wan Zicheng glanced at the box with fear. In addition to Wan Zicheng and some rich brothers, there were three silent men sitting on the side table and silent.

Wan Zicheng is sure that the martial arts of these three people are very good, and the cultivation base is at least the late innate stage, they are the capital that Wan Zicheng dares to sit here with his head high!

"Iron Fist, Gui Cry Sword, and an elder in your family, Shao Yu."

Some of this group of elder brothers recognized the identities of the three, and spoke in an extremely respectful tone: "Shao Yu can invite so many martial arts masters to welcome that kid, and he is honored to die!"

A group of young masters followed suit, and to be honest, they were really shocked when they heard Li Yun dare to make a bold move in Minghua Middle School.

If it weren't for the giant Yuwen's back, they wouldn't dare stay in the capital at all.

"Humph."

Yuwen Huayu was lying on the sofa with her chest open, her legs crossed, her expression extremely wild: "Tell you, it's more than that, these three seniors are only on the face, as long as the kid dares to show up, he will undoubtedly die. !"

His firm tone gave everyone a strong confidence, and a group of people started advocating

Wan Zicheng was trembling with excitement. He knew that there was a group of more powerful ones, and he didn't expect that Shao Yu would also invite him today!

In this way, the ***** would die if he stepped into the Tianlongsheng KTV today!

"Dare you want me to win the head?!"

Wan Zicheng gritted his teeth with hatred. He was trembling with fear during the day. Last night was even more nightmares. He was afraid of Li Yun's sudden appearance and cut off his head with a golden sword.

Or maybe they were afraid that the Hu family would be dispatched and arrested him directly to jail. There will be no days for the whole life!

but now.

With Yuwen's family and the mysterious powerhouse behind it, Wan Zicheng has only a strong desire for revenge in his heart, and he can't wait to kill that kid by himself!

Time passed by every minute and every second.

In Tianlongsheng luxury KTV, singing and dancing, Yinggeyan dance, and the magnificence of beauty and wine are everywhere, and there is no sign of movement.

"Then the kid wouldn't dare to show up, right?"

A young man was quite anxious. He wanted to solve Li Yun as soon as possible, but he was also worried that he would endanger Chi Yu when he grows up.

"What are you afraid of!"

Another rich second-generation wearing a luxury watch sneered disdainfully: "Even if he appears, dare to make trouble in Tianlong? This is Shiwangfu Street, the most prosperous street in Beijing, and this KTV is even more eye-catching. He I dare to make trouble here openly."

"boom!"

A harsh gunshot came from the first floor, and in an instant, screams rang out.

Chapter 1404: Shiwangfu Street

Ten Wangfu Street.

It is located in the Xicheng District of Beijing, four sections from east to west, about three kilometers long. In ancient times, it was a street exclusively owned by the nobles. It is said that the residences of more than ten princes of the three dynasties were located here, so it enjoys the name: Shiwangfu Street.

After entering the 20th century, the princes of Shiwangfu Street were knocked down one by one, and the palace was almost completely destroyed. This street was also transformed into a bustling pedestrian street.

Cars are flowing, full of passengers, and excited.

Bustling and bustling, there are as many pedestrians as the crucian carp crossing the river. What is even more rare is that the bustle of Shiwangfu Street has lasted for a hundred years. After entering the new century, the commercial buildings on Shiwangfu Street are lined up. It's overflowing with color, and countless handsome men and beauties have added a lot to this place.

But today, this bustling street is destined to usher in a different, and it will definitely leave a deep impression on those who come here to play.

At eight o'clock in the evening, three young people and two old men in simple gowns appeared on the street. The weird combination attracted a lot of attention.

But that's all. There are too many strangely dressed people on Shiwangfu Street, and even those who don't wear them will occasionally see them. It's not surprising.

It's just that among the three young people, the male is tall and handsome, and the female is heroic, holding a black long sword, which is very eye-catching.

There is also a petite and cute girl, wearing black stockings, heating pants and long sleeves, a beautiful curled dome hat on her head, and a strange pair of claws on her hands, like cat's claws, and It's fox claws, with the tips of her ten fingers, moving back and forth, making her look more cute.

"Zhao Tianfeng."

"Li, Yun!"

"Ah~, it's Sister Zhao~!"

These three young people are Li Yun, Hu Xiaomeng, and Zhao Tianfeng, who came across by accident.

"How did you come?"

Li Yun's face was weird, "And...seems to be waiting for me?"

When he drove up, he saw Zhao Tianfeng who was standing on the street waiting at a glance. There was an old man accompanied by her, and it seemed no surprise after seeing him.

"Humph."

A trace of unnaturalness flashed across Zhao Tianfeng's face, but he soon disappeared, and said coldly: "Wan Zi dare to play tricks on me, I will naturally come to him to settle accounts."

"Oh, that's how it is." Li Yun nodded suddenly, "Then why are you waiting for me?"

"I... where did you talk so much!?"

Zhao Tianfeng's face sank, his eyes flashed sharply, and he shouted angrily.

The other girls are embarrassed and show a shy look, which makes the men fall in love with them.

But this Zhao Tianfeng, the more shame and annoyed she is, the more fierce she looks, just like a female tyrannosaurus, exploding at one point!

If it was another man, it was estimated that she would be deterred by her aura immediately, so she didn't dare to ask more.

But who is Li Yun?

"I'm afraid you will die."

Li Yun said in a flat tone that made Zhao Tianfeng's eyelids jump a lot, his eyes became sharper, and he stared at his face like a sword.

The man she was staring at was indifferent.

"I'm serious."

Li Yun said calmly: "You don't know how dangerous it will be to wait, be careful with you..."

"Mr. Lee!"

The old man who came with Zhao Tianfeng interrupted him, bowed his head respectfully, and said: "My master already knows about this, he said, just let the lady follow you to meet the scene, my master believes, Your ability will surely protect the safety of the young lady!"

Chapter 1405: Ding, minus 1100

Li Yun raised his eyebrows and asked the elder calmly, "Who is the owner of your house?"

"I know!"

Hu Xiaomeng raised his hand and said, "It's the old predecessor of the Guardian Sword!"

After speaking, she smiled and smiled at Zhao Tianfeng.

Excalibur? Grandmaster Realm?

The capital is the core hub of Huang Xuanguo. It is normal to have several masters in the realm. In this way, Zhao Tianfeng is the granddaughter or great-grandson of the Grandmaster realm. No wonder he was called the big sister in Minghua Middle School.

Li Yun glanced at her faintly: "The Grandmaster Realm may not be able to protect you, let alone your bodyguard is not a Grandmaster Realm, Zhao Tianfeng, I will say the last time, it is too late to leave now, otherwise, no one will come in. save you!"

"Ding, the host automatically makes a choice, reward: justice value +50, experience value +1 million, blue gift bag*1, Zhao Tianfeng favorability degree -100."

Needless to say, from the prompts of the system, Zhao Tianfeng seems to be determined to oppose him!

The favorability is directly -1100, but Li Yun wants to see how low this favorability can be!

"Humph!"

"Little Meng, let's go."

Zhao Tianfeng's cold snort and Li Yun's voice calling to Fox Xiaomeng sounded at the same time. Zhao Tianfeng's expression was stagnant, and then he glared at him. This dead **** is not only arrogant, but also ignores her? !

You must know that Zhao Tianfeng is the daughter of the dignified guardian **** sword, and her seniority is incredible. Even if she is placed in the rivers and lakes, it is comparable to the head of the patriarch of some first-class power. People who are respected and respected see her and understand her exaggerated birth. , She had to call her "Miss Zhao" in a proper way.

But this yin and yang dead **** ignored her!

No, not only ignores her, but also scolds her for being an idiot, which is simply unbearable!

"Mr. Lee!"

This time, the person who spoke with Hu Xiaomeng came to protect Mr. Song, whose name was Song Mu, who was also innately consummate in his cultivation.

After he stopped Li Yun, the old man beside Zhao Tianfeng looked back and forth hesitantly, and then said vaguely: "Mr. Li, I think you better respect the old man. I don't know how to call this old man? "

From the appearance, the old man next to Zhao Tianfeng is older, his old eyes are muddy, his face is full of wrinkles, it seems that half of his foot is already in the ground.

"A guilty person, a vulgar person, dare not call the old gentleman, just call me old Zhao."

This old Zhao is respectful to anyone, but Song Mu vaguely feels a strong sense of crisis from him. Not to mention that this person is closely guarding Ms. Zhao's side. With this vague oppressive force, It is worth taking a look at Song Mugao!

I am afraid that this person has surpassed Innate Consummation and reached the realm of a half-step master.

"It's worthy of being a servant next to Senior Guardian Divine Sword, his strength is real."

Song Mu exclaimed in his heart, and he became more respectful to this old gentleman.

"Speak less, hurry up if you want to keep up."

When the two were gossiping, Li Yun had already brought Hu Xiaomeng to the KTV door, Zhao Tianfeng was very angry, this **** was really arrogant, and looked like he ignored the old predecessors.

Rude, yin and yang weird, arrogant, arrogant, or perverted!

Zhao Tianfeng even felt that there was simply no one more hateful than him in this world.

Song Mu also showed an unhappy expression in his eyes, this Li Yun was too arrogant.

"What do you want to do?" Zhao Tianfeng lowered his anger and asked in a low voice.

"What do you do?"

"How to find Wan Zicheng!!"

"Isn't it easy?"

Li Yun smiled lightly and took out a white pistol.

Chapter 1406: Confused

Tianlongsheng KTV.

This is a 6-storey commercial building in a circular ring shape. It covers an area of more than 700 square meters. It is located on Shiwangfu Street, which is famous for its extravagance and prosperity. The daily income can be said to be in units of 100 million yuan. , The horrible flow of funds has made countless people greedy.

The first floor of KTV is a high-end restaurant open on all sides, the second floor is a nightclub karaoke hall, and the KTV clubhouse is on the third floor and above.

It's now past the peak of eating. The occupancy rate in the restaurant on the first floor is less than one-third, but those who can enjoy dinner leisurely at this time are not ordinary people, at least they are all senior executives of the company, and there is not a single meal. Thousands of dollars are not good enough to give up.

But today, there was a scream in the restaurant on the first floor.

"what!!!"

A coquettish woman with her arms around her husband screamed and pointed to the door with trembling fingers.

There, there is a man who seems to be holding a real gun!

"Everyone!"

The man with the gun pointed the muzzle towards the sky, and his handsome face was full of smiles, as if he was a harmless, sunny boy-if you ignore the white pistol in his hand!

"Today Tianlongsheng KTV is reserved. You can go to other places to eat, and Tianlongsheng will bear all the losses. Okay, leave quickly!"

"What do you want?!"

Zhao Tianfeng was scared by this bastard. It's a busy street here, so he dare to take out a pistol? !

Song Mu was stunned, and Zhao's muddy eyes flashed with surprise, even Hu Xiaomeng was shocked, her boyfriend's work was really unexpected!

"Where's the wild boy!"

The glamorous woman's husband was very upset, and he put his arms around his wife and shouted: "No matter where you got the fake gun, you don't want to get caught, just get out of here, know where... Fang is here!!!"

"boom!"

The piercing gunfire broke the silence around.

Everyone could hardly believe their ears for a moment. How could there be gunshots on Shiwangfu Street? Movie? !

"you!"

The coquettish woman and her husband fell to the ground in fright. Their faces were pale, and they looked at the gun in horror. They were actually real! ?

"I said, today I have reserved the venue for Tianlongsheng!"

After speaking, Li Yun calmly kicked the side glass door.

boom!

Crackling, ping-pong-pong!

The glass door burst instantly, and the iron frame flew out, smashing the surrounding glass partition wall into pieces. Numerous pieces of glass were scattered and scattered on the ground. The huge movement simply caught the attention of people within one kilometer in an instant. Attracted.

"I'm Cao!"

"Damn, what's the matter?"

"The gangster attacked, run!"

"You robbed me!"

"crazy!"

"Snap it down!"

The crowd was in a turmoil, and the people in the restaurant finally woke up and fled from all directions. The riot quickly spread to the upper floors, and the KTV people screamed and fled.

On the street, the people who had been shopping leisurely disappeared, and countless pairs of horrified and inexplicable gazes looked at this place, not understanding what happened!

"You are crazy!!"

Zhao Tianfeng was finally frustrated. She felt that she had lived smart enough and rebellious enough since she was a child, but compared with this lawless bastard, she is like a good rabbit!

Song Mu was also very angry, and roared: "Boy, do you know what place this is? This is Beijing..."

"Shut up."

Li Yun stopped him indifferently, turning his head to face the distance: "Maintain good order, don't come near here!"

Chapter 1407: Clearance

After all, Li Yun stepped into the chaotic Tianlongsheng KTV first floor and ignored the noise of the outside world.

Zhao Tianfeng forcibly calmed down and glanced outside indifferently, only to realize that a group of soldiers had emerged from unknown places and soon isolated the crowd, even sorting out the people in the surrounding buildings, making Tianlongsheng KTV completely an island.

The riots in the crowd stopped a lot, and some people who wanted to call the police also put down their mobile phones.

They were surprised to realize that those who forcibly broke into KTV seemed to be just?

"what on earth is it?!"

Countless questions popped up in their minds, but unfortunately, these questions are destined to be unanswered.

"Let's go in too!"

Zhao Tianfeng followed into the chaotic restaurant with a cold face, and became more and more disgusted with Li Yun in his heart. The dead ***** became more and more arrogant, and he didn't give her any face!

The crowd had almost dispersed, only a few security guards and managers were shaking, seeming to want to run, but they didn't dare to run.

"You guys go out too."

Li Yun pointed a pistol to the outside, "This is not something you can participate in. Go out."

"This sir." Seeing that the 'gangster' is still sensible, the manager tried to make sense. It's a pity.

"go out."

"What do you need, I will try my best to satisfy..."

"I'll say it one last time!" Li Yun lifted his foot and lightly stepped on the ground.

boom!

The ground covered with high-grade ceramic tiles suddenly opened numerous cracks, spreading like a spider web, extending all the way to the feet of managers and security guards.

"Yes, I'm leaving now!"

The manager dared not say anything else, and fled out the door in fear.

When he went outside, the manager was stunned to find the soldiers maintaining order. Only then did he realize in a daze that something extraordinary had happened in Tianlongsheng

KTV!

Zhao Tianfeng's eyelids jumped, what on earth is this guy rushing so impatiently for?

She didn't know that the reason why Li Yun made such a decision was because he received a prompt from the system.

"Ding, trigger the option event, please choose from the host:

Option 1: Break in directly, capture and kill Wan Zicheng and others inside, reward justice value +30000, experience value +5 million, all attributes +3000, golden gift bag*1, extra reward: a piece of earth fire intelligence .

Option 2: U-turn and go back, no reward.

Option three: fight steadily, find Wan Zicheng, and reward the white gift bag*3"

Li Yun's eyes were red when he saw the information on the evil of the earth. He is currently lacking this thing to absorb, and the system prompts are not unreasonable, so Li Yun chose to break through, and did not prepare for the people inside. Opportunity, let's get rid of unrelated people first!

"Brother Yun~?" Hu Xiaomeng squeezed her small fist nervously. She replaced her with the Phantom Demon Fox Claw that Li Yun gave her. This pair of gloves is very powerful and can greatly increase her speed, but unfortunately, Hu Xiaomeng hadn't had time to master it, so wearing it was just comforting.

"Follow me and go straight up."

Li Yun took a calm footstep and walked upstairs step by step. The outside has been blocked, and the people on it are hard to fly. However, it seems that they did not want to escape.

Zhao Tianfeng had an indifferent expression on her face, and she was half a step behind him, and then reached the top of the KTV. Soon, she saw the master.

It wasn't Wanzi Cheng, but a few warriors holding long swords fiercely blocking the front.

Chapter 1408: Xiaomeng's Trial

"Boy, you are Li Yun?!"

One of them held a sword and shouted coldly.

Li Yun's eyes moved slightly, and he scanned them around. The group of people were wearing ancient gowns and holding swords. Their clothes and accessories were embroidered with special ornaments for the Yuwen family. Excluding possible framing, it is almost certain that they are Yuwen. People at home!

"Little Meng, go up and kill them."

"Eh?"

Hu Xiaomeng was surprised, and Song Mu couldn't help but shouted: "Enough kid! Little lady is from a noble background, how can you do these **** things? Do you mean to pity Xiangyu?"

Li Yun said helplessly: "Xiaomeng, since you choose to follow, you should be aware of the danger, and exercise more now, so as not to wait for the rush."

"Oh, okay, okay."

Hu Xiaomeng pouted. Although she admitted that Brother Yun was right, she always felt that killing was a little weird.

She had never killed anyone, had not even encountered a serious battle.

"Then, what am I going to do?"

"Come on, I'll give you a sweep!"

"Hee hee, thank you Brother Yun~"

Hu Xiaomeng was happy. With such a powerful boyfriend behind her to protect her, she can fight boldly with confidence!

"court death!"

The popularity of the few Yuwen families on the opposite side laughed very much. Each of them was at least in the early stage of the Innate Realm, and this little girl of the Hu family was at most consummated in the Acquired Realm. !

"Are you crazy?" Zhao Tianfeng was taken aback again, but soon she was startled by the scene in front of her.

"I'm on it!"

Hu Xiaomeng plucked up his courage and snorted, his small body, like a beautiful butterfly, suddenly flashed in front of a few people on the opposite side.

The speed was so fast that even Song Mu couldn't stop it, let alone the enemy on the opposite side.

"Phantom Fox Claw!"

Hu Xiaomeng waved his hands, and for an instant a white claw shadow enveloped the five congenitals on the opposite side. The sharp claw wind speed was incredibly fast. In a flash, dozens of holes had appeared on the five people, and the blood seemed to be The crazy spray of a high-pressure water gun made Hu Xiaomeng bloody!

"Uh?"

"what!?"

Hu Xiaomeng stayed in place, looking down in a pool of blood in disbelief, five pairs of unbelievable eyes, it seemed that until death, they couldn't believe that they were defeated by a little girl!

"well done."

Li Yun stepped forward, touched Hu Xiaomeng's head with a smile, and gently hugged her so as not to leave a shadow on her mind.

After a while, Hu Xiaomeng plunged into his stun, and said in a trembling voice: "Big Brother Yun, I...killed!"

"Don't take it to heart, they are all bad guys, Xiao Meng did a good job."

"... Hmm." Hu Xiaomeng's body trembled a few times, and quickly calmed down. When she chose to follow, she had already had the consciousness of killing, and now it was just a little accidental.

"Brother Yun, the paws you gave me are amazing! Hehe~"

"Hahaha, well, this time your exercise has been reached, just watch it next."

"Hehe, Xiaomeng Reunion~" Hu Xiaomeng said mischievously, and shook his small paw again: "Brother Yun, come on!"

Behind them, Song Mu and Lao Zhao looked at each other, both eyes were shocked.

With their consummate cultivation base, of course they can do similar things, but Hu Xiaomeng is only the day after tomorrow, so why can he be so powerful?

Chapter 1409: Big deal

And how did the claw shadow be released? !

Zhao Tianfeng frowned deeply. Hu Xiaomeng's sudden attack just now made it difficult even for her to take it. There is a high probability that Hu Xiaomeng's claws will be hit by Hu Xiaomeng's claw shadow.

"what happened?!"

Zhao Tianfeng is very puzzled. Although Hu Xiaomeng and her are not in the same grade, they know each other very well and dislike each other.

In the past, Zhao Tianfeng relied on his later innate cultivation base, and could be said to be invincible in front of Hu Xiaomeng. No matter how she played a small conspiracy, Zhao Tianfeng could follow with one hand.

But now, I am afraid that the situation in the fight between the two is about to change!

"keep walking."

Li Yun glanced at the five corpses lying on the ground, did not say much, and walked forward directly.

Zhao Tianfeng took a deep breath, gritted his teeth and chose to step through the pool of blood to follow.

She wanted to see what the secret was hidden in the dead eunuch!

In front, a group of security guards holding sticks and leaning against the wall waiting boredly stunned when they saw Li Yun and others.

Especially seeing Hu Xiaomeng, who was covered with drops of blood, his eyes widened in fright.

"Who are you?"

Before these security guards could react, Li Yun directly shouted: "If it's not Yuwen's and doesn't want to die, leave immediately!"

A group of security guards were taken aback. They were ordered to wait here. To be honest, they didn't know what happened. At this moment, they saw Li Yun holding a pistol, and there were two old men who were not easy to provoke. The mentality of resistance all disappeared in no time.

It just so happened that the position where Li Yun was standing was the only way to go downstairs. These security guards squeezed past in a swarm, for fear of alarming the ruthless man with a gun.

"die!"

Suddenly, one of the security guards suddenly violent, with **** in a hook shape, and a strong wind rushed towards the nearest Zhao Tianfeng's eyes!

Zhao Tianfeng's sharp and beautiful Ruifeng eyes, but at this moment, lost consciousness, even a little at a loss, only had time to close his eyes, and tried to turn his head to avoid the attack.

But she also knew that this was futile. The opponent was at least in the late congenital stage, and suddenly shot again. It is almost impossible to avoid it.

"my eyes....."

Zhao Tianfeng's heart trembled suddenly, the next moment, a pair of big hands appeared in front of her steadily, and with a light tap, Zhao Tianfeng only heard a click, and the hook-like fingers were abruptly snapped off!

"you!"

Zhao Tianfeng glanced at the man who had rescued her in shock, and all kinds of complicated emotions flashed in her heart, but the next moment, anger filled her brain.

She Zhao Tianfeng, the daughter of a dignified master, a martial arts genius who is unparalleled in the world, when has she suffered such a loss!

"you wanna die!!"n/o/vel/b//in dot c//om

Zhao Tianfeng's willow eyebrows were erect, and a terrible rage erupted from her slender eyes. He reached out and took out two slightly curved dagger-like weapons from her long legs, and moved his feet.

"Huh!"

The two gleaming weapons crossed in an X-shape, as if two white horses were passing by. The next moment, the assailant's body broke into seven or eight pieces, centered on the waist and abdomen, and his hands and feet were chopped together. Break, without any struggle, blood spurted out, just killed!

"vomit!"

Hu Xiaomeng almost vomited out. Her move from the fox demon's claws was cruel enough to cut the enemy with claw wind, but compared to Zhao Tianfeng's double swords The limbs were cut off abruptly, as if it were much gentler.

Chapter 1410: The murderous intent to be released

Especially after Zhao Tianfeng killed the enemy, there was no trace of emotional fluctuations, his eyes were still fierce and fierce, and her beautiful Ruifeng eyes were abruptly made without a trace of femininity.

Only the all-powerful female generals are impressive.

"Miss."

Old Zhao suddenly spoke and suppressed Zhao Tianfeng's turbulent killing intent. After a long time, the woman slowly closed her eyes and wiped the blood from the double knives as if she was enjoying herself.

Li Yun raised his eyebrows, looked at her back and forth a few times, and said, "What's wrong with you?"

"What's the problem?" Zhao Tianfeng's tone was flat, and he gently waved the double knives in his hands, as if he was still remembering the feeling of killing the enemy just now.

"abnormal."

Li Yun spit out these two words from his mouth, Zhao Tianfeng suddenly became furious, and took a step forward. The 175 tall figure exudes a forceful aura. Ordinary men might be scared to turn into a tortoise with a shrunken head. The same is true for her stronger strength.

This woman is completely a sharp blade out of its sheath. After killing someone just now, she completely released the aura, killing intent, and fierceness contained in her body!

Hu Xiaomeng was so scared that he hid behind Li Yun and looked at her secretly with his eyes exposed.

"Humph!"

As if he was aware of Hu Xiaomeng's gaze, and as if he knew he could not beat Li Yun, Zhao Tianfeng snorted before turning his eyes, and said, "You are a dead eunuch, you are not qualified to call me a pervert!"

"Dead eunuch?" Li Yun wondered, when did he have a nickname?

He is masculine, conquering Wushuang, invincible at night, how could he be an eunuch!

"The yin and yang are weird and ruthless, what is it that is not a eunuch?" Zhao Tianfeng glanced at him, and Old Zhao seemed to see a faint smile on the corner of the lady's mouth.

Since she practiced the evil martial arts of the "Kill", the young lady has rarely smiled sincerely.

"Too lazy to argue with you."

Li Yun continued to move forward, "However, your killing intent is not normal, and it has been faintly transformed into a substance like killing thoughts. If you don't control it, I'm afraid there will be trouble."

Zhao Tianfeng's eyes moved, "Do you have a way to control it?"

"beg me."

"roll!"

As if feeling that it was not enough, Zhao Tianfeng added cursing: "Dead eunuch!"

Li Yun shrugged. He saw Zhao Tianfeng's abnormality. This female demon didn't know what exercises she had practiced. She had a strong killing intent and was comparable to divine consciousness. An ordinary person was stared by her, fearing that she would pee her pants in terror. .

If she also cultivated divine mind, maybe she could really kill someone with just a glance.

"Woo~, flirting?"

Hu Xiaomeng, who saw the two of them in his eyes, puffed up his mouth again, really annoying, this woman was not gentle at all.

Old Zhao's lips moved, but in the end he did not speak, because the door of the front box had been opened, revealing the situation inside.

In the dim box, a group of shadows sat inside, and the dark box revealed an evil aura, like a huge mouth of a beast, waiting to swallow all those who entered!

"carefully!"

Feeling the danger, Lao Zhao spoke for the first time to remind everyone.

Zhao Tianfeng nodded. She knew that the servant who followed to protect her was not easy, he was super powerful, and very sensitive to crisis.

"Wan Zicheng, finally found you."

Ignoring Zhao's warning, Li Yun stepped forward and stood in front of the Peony Exclusive Box. Sweeping inward, he immediately found the target person whose face was pale with fright!
