

## Godly Choice 1461

Chapter 1461: The roots of troubles

Regarding Zhao Tianfeng's question, Li Yun shrugged helplessly. The so-called confidant's troubles mean now, right?

When a woman's beauty reaches a certain level, for example, 6 points, the whole town will spread her name, and people who come to propose a family can step through the threshold.

And if you reach a score of 7 or more, it is enough to be in some small magazines, or to participate in the selection of some debut, put on makeup, and have the capital to be a star.

Going forward, women with a score of 8 or above, who are almost at the university level, are pursued by many rich second generations. They can enter and exit various tall banquets and become the target of the rich.

Finally, 9 points!

A woman with this kind of appearance and temperament can already be called a national beauty, enchanting and graceful. As soon as the photo is posted on the Internet, it can arouse a lot of discussion. By virtue of her appearance, she can enter the entertainment circle and get the title of pure jade girl. The face value fan of the big ticket.

More than 9 points, with every decimal point, the beauty can be improved a lot, and it has become the focus of discussion among countless people!

Unfortunately, even now Zhao Tianfeng, who is wearing ordinary clothes, no necklaces or jewelry, and no slender legs, is a beauty above 9 points!

"Beauty is a disaster... No wonder that Tao He was treated indifferently by Zhao Tianfeng but still cheeky licking it up, and it is no wonder that Zhao Tianfeng often meets punks. After all, beauty of this level shows up but no one accosts it, but it is strange."

Thinking of this, Li Yun showed a thoughtful smile on his face.

A woman who wants to have a score of 8 or more is absolutely wishful thinking if she does not have certain strength. Even if she possesses it temporarily, she will soon be snatched away or encounter some accident. In fact, this society still speaks by its ability.

Well, Wu Dalang is a living example!

"you....."

Li Yun was about to speak coldly, but the system issued a prompt at this moment.

"Ding, trigger the option event, please choose from the host:

Option 1: Fight this group of gangsters and reward Zhao Tianfeng with +1, experience value +500,000, free attribute points +500, justice value +1000, blue gift bag\*2.

Option 2: Ignore, let Zhao Tianfeng solve it, reward Zhao Tianfeng with +3 favorability, and obtain skill: family cooking husband.

Option 3: After laughing but not speaking, Zhao Tianfeng will be rewarded with a -1 favorability rating when he has the idea, and obtain useful information with a small probability. "

What the hell?

Ignoring the problem of Zhao Tianfeng's own hand-beating to increase the degree of affection, this woman is violent, and Li Yun asked her to beat others, but she was even more excited.

Now Li Yun is quite puzzled about Option 3. What does it mean "after a laugh but without a word, when a brain strikes"?

A brainstorm?

Li Yun had an idea in his mind, looked at Zhao Tianfeng, and shook his head at her.

"Ha ha ha ha!"

The four little gangsters all smiled triumphantly. One of the little brothers of the bald-headed tattooed brother laughed so hard that he could not stand upright, and pointed at Li Yun tauntingly: "This idiot is afraid to even speak, Boss, I guess he's just an eggless guy. The rich second generation, come to our A Duo Mountain to be happy!"

"Oh?" The bald boss' eyes lit up, and then he showed a playful smile: "Brother, you are a good boy, do you mind if you guys play with you?"

"You guys are looking for death!"

Zhao Tianfeng couldn't help it, her eyes turned cold instantly, a bloodthirsty killing intent erupted from her, and a thick killing intent flashed in the slender Ruifeng eyes, like a thousand sharp blades, crazy. Pounce at these four gangsters!

Chapter 1462: Kill thought

"DaDaDa!"

The four mixed teeth trembled frantically. They didn't know what was going on. They only felt that their bodies were instantly stiff and their skin hurt, as if they were facing a fierce tigress with \*\*\*\* fangs on their heads. You can swallow them alive in the next moment!

"Tianfeng."

Li Yun called her name directly, like an old classmate, at the same time, calmly resolved Zhao Tianfeng's killing thoughts, "Don't make trouble, this is not our place, ignore them, let's go."

Zhao Tianfeng's cold eyes turned to Li Yun, and after a long while, he lowered his head, restrained his killing thoughts, and left with Hu Xiaomeng's hand.

Li Yun followed up with a helpless smile: "You should control yourself. I didn't tell you yesterday..."

"You, shut up, mouth~~!"

Zhao Tianfeng turned his head, paused in the middle, the ending sound was still very long, it seemed...not angry?

"Ding, the host makes a choice, reward: Zhao Tianfeng favorability degree -1, extra bonus: Zhao Tianfeng favorability degree +1."

Li Yun was startled, this was reduced and increased, what was the trouble!

"call!"

When Zhao Tianfeng left, the four punks took a sigh of relief, their bodies lightened, and the strange feeling made them look at each other immediately.

The horrible woman's eyes and killing intent were shocked just now, as if she was dreaming, not real.

Could it be that the woman is too tall, which instinctively oppresses?

"Boss," a younger brother of the bald boss looked at Zhao Tianfeng and said unwillingly: "Just give up like this? You see how beautiful the woman is, her body is good, and she has big legs. I'm sure that he will 'soak in the hot spring' with her. It was absolutely refreshing to roll her eyes! She has longer legs than Sister Hong in Chengdong Massage Hall!"

Sister Hong of A Duoshan doesn't look very good, her face is pitted like an old woman, her skin is very poor, and her personality is even more rude. She is still a massage girl, which is an insult to the industry!

However, Hong Jie's height is 173, and she is famous for Mount Aduo because of her long legs. It even attracts many tourists to visit Mount Aduo.

However, compared to the woman in front of her, Sister Hong is totally incomparable!

Not to mention the appearance, temperament, skin, etc., but the long legs like the model that Hong sister is proud of, it is many times worse than that of the woman!

"That woman...a bit nasty!"

The bald boss swallowed, without blinking his eyes, looking at Zhao Tianfeng greedily.

Seeing her standing on the supermarket shelf, her two long legs are gracefully slender, she is not wearing high heels, just a simple pair of skinny jeans, but it is just right to bring out the slenderness of her beautiful legs, lift her wrist lightly, relying on the height of her model. He easily took down a bag of potato chips on the top of the shelf and handed it to the greedy little beauty.

"This height... has to be 176, no, at least 178!"

The bald boss made a judgment, he was a full 15 centimeters taller than him!

But the bald boss didn't mind at all. Instead, he stared at Zhao Tianfeng with more fiery eyes, watching the woman's slender legs move, with undulating curves and graceful posture, more beautiful than all female dancers!

The thin one wants to find the fat one, and the fat one wants to find the thin one. Similarly, the bald boss prefers tall women because of his height. Sister Hong from the east of the city does not know

how much money he throws in, if not She is so oozing, the bald-headed man married her home a long time ago!

"This woman, Brother Wolf is about to make an appointment!"

The bald boss flashed a fierce look in his eyes and winked at the three younger brothers. Several people suddenly understood, and he smiled and followed the beautiful woman.

While appreciating, while waiting for the opportunity.

Chapter 1463: acting

"Beauty, will you give me a face to Brother Wolf?"

When the three of Li Yun reached the second floor of a relatively small supermarket, the four gangsters who had been following finally jumped out again.

The so-called people die for money and birds die for food, Li Yun looked at the wolf brother headed, and a playful smile appeared at the corner of his mouth.

One more color word must be added at the end of this money!

"You solve it yourself!"

Zhao Tianfeng glared at him bitterly, and took Hu Xiaomeng to the supermarket shelf to select something, not wanting to worry about this mess.

"Hey, the beauty is really arrogant!"

The short and stout bald boss didn't care, his squinted eyes flashed lewd and evil light, and he didn't care about Li Yun in front of him. He slammed directly at him: "Boy, get acquainted and get out of here! Don't break your hand! Break..."

boom!

The short and sturdy wolf brother collided with Li Yun. Li Yun backed three steps, and the wolf brother backed two steps. The eyes of both sides flashed with surprise.

"It turned out to be Lianjiazi!"

"Small bullies also practice martial arts?"

Li Yun looked slightly suspicious, and his expression quickly sank: "Friend, sell me a lot of money, don't hesitate to tell me how much you want, I believe you can see it too, I just came to Aduoshan for fun, I don't want to cause trouble! "

"Play? I play with you\*!"

The bald wolf brother is a fierce character. When he saw that this kid is not a simple rich second-generation, he immediately stretched out his hand and took out a black switchblade at his waist, and a sharp blade bounced out, threatening him. 'S waved a few times:

"I'll say it again!" The bald wolf brother showed a fierce look, "Go away if you don't want to die, I have to play with your horse today. You can't stop him, I can't stop the king!"

Li Yun's voice was low, and his body seemed to take a step back because of fear, and he said with a guard: "Although the strong dragon does not suppress the snake, you should not go too far. My Li family is not that easy to provoke!"

"Not easy to mess with? I specialize in playing bad bad!"

The bald wolf brother grinned, winked at the opponent, and several younger brothers immediately gathered around.

The customers on the second floor of the supermarket took refuge when they saw it, and the shopping guide was even more familiar with this bald wolf brother. There was no way to stop it, or call it a security guard, and hid one by one.

"superior!"

The bald wolf brother screamed, his short and stout body rolled like a stone mill, with the switchblade in his hand and several younger brothers, full of momentum.

"?"

Hu Xiaomeng was very curious, hiding behind Zhao Tianfeng, watching this strange battle like a timid little girl.

She felt that Brother Yun was too hard and too difficult to play!

Obviously, they can be crushed to death with one hand, but it is strange that they have to be beaten inextricably.

"boom!"

"Crack!"

"Ouch!"

"I stun you!"

"Wait, see if I don't ask anyone to clean up you!"

In the bizarre eyes of the two women, the extremely fierce 'battle' between the two sides was so fierce that a large number of snack biscuits and potato chips bags were knocked into the air. After the scene was in a mess, Li Yun finally beat each other and kicked. Got the bald wolf brother and kicked him down the stairs.

"Huh! I'm afraid you won't make it? My bodyguard is the hotel, just call someone!"

Condescendingly, Li Yun finally showed his skills as a proud rookie after he had achieved success. He uttered cruel words to a few punks with blue noses and swollen faces, and kicked the scattered biscuit bags by the way, making these punks embarrassed. Fleeing, leaving a few ruthless words!

"it is finally over!"

Li Yun patted his hands and said to the two women with a smile.

Chapter 1464: Fudge into marbles

"baffling."

Zhao Tianfeng gave him a roll of eyes, glanced at the messy scene around him, and frowned slightly: "What are you doing? Don't you feel bored?"

Hu Xiaomeng blinked, "Big Brother Yun must be looking for a clue to Shi Liangcai, maybe it's related to this group of gangsters!"

"Is that so? How did you know?" Zhao Tianfeng looked at him questioningly.

"It's just an experiment."

Li Yun smiled, did not explain too much, and stood there waiting for the system to prompt.

One second, two seconds, three seconds...

After waiting for a full minute, when the manager of the supermarket walked over tremblingly, Li Yun did not wait for the prompt from the system to complete the selection event.

"Strange, is this group of gangsters coming back soon?"

"After laughing and not saying anything, when a clever idea strikes..."

Li Yun looked at the supermarket manager who was walking up in a panic with attention, smiled at him and said, "Are you the owner of the supermarket? I want to ask you something!"

"Eh? My friend, what else are you asking, hurry up!"

The manager was taken aback for a moment, then smiled bitterly, and quickly persuaded: "The person you just beat was called Brother Wolf. He is the little leader of a local gang with a gang of people. There are hundreds of brothers behind him, and he controls a lot of Mount Aduuo. The industry belongs to the road of eating black and white... Do you understand when I say that?"

"clear."

"Understand that you are not leaving now!"

The manager suddenly became angry.

Normal people were too frightened when they heard these words, and hurriedly bought tickets at the sports car station and left, but the young man was still stuck in place with a plain face, and did not panic at all.

"You really wasted my good intentions. Originally, I wanted to avoid your compensation and let you go quickly. You still... wait!"

The 40-something-year-old supermarket manager patted his head and looked at Li Yun with a weird expression: "Don't you think you have defeated the four punks and you have the confidence to defeat the Banghuo Gang?"

"Banghuo Gang?" Li Yun raised his eyebrows. "A good name, who is their boss?"

"This...what do you want me to say about you!"

The supermarket manager looked distressed, and Li Yun smiled helplessly: "It seems that it is not enough to not show some real skills."

With that said, Li Yun picked up a pack of unscathed jelly from the shelf, and lightly scratched and rubbed it in the surprised eyes of the supermarket manager and several shop assistants.

"This.....!!!"

The supermarket manager opened his mouth wide and his eyes widened. He saw with his own eyes the reckless young man rubbing a dozen gummy candies together with the bag into a ball!

In the end, more than a dozen gummy candies became only the size of a thumb. With a flick of Li Yun's thumb, the gummy flew to the supermarket manager with a sound of *Biu*. The latter was so scared that he drew away and waited for the gummy to fall to the ground. Then he dared to pick it up carefully.

"Good weight!"

"Really a whole bag of sugar!?"

"Oh my God, I actually made a bag of sugar into a marble!"

The supermarket manager and several shop assistants looked at each other in shock, and finally confirmed one thing:

The seemingly reckless young man in front of him is so powerful that he can easily defeat those little gangsters!

"Now the manager, do you understand?"

Li Yun smiled and looked over, the supermarket manager nodded again and again, with a trace of awe in his eyes.

Hu Xiaomeng on the side murmured, "Brother Yun is really true. He did 'that' things to other people's favorite candy!"

The corner of Zhao Tianfeng's mouth bends, revealing a very faint smile.

Smile from the bottom of my heart.

Chapter 1465: Too arrogant

The ability to round up a dozen candies is enough to prove Li Yun's powerful strength.

Therefore, the supermarket manager told him all about the situation of Brother Wolf and some things he knew.

"Brother Lang's real name is Mi Honglang. When he was young, he went to jail because of a fight. He happened to meet some people in the jail. Later they formed a gang called the Banghuo Gang."

"The boss of the Banghuo Gang doesn't know what it's called, only that the younger brothers like Brother Wolf call him to be the boss."

"The boss rarely shows up. There is a group of college students under his hand. They are responsible for the bosses of various branches, bath shops, hot springs, bars, rotisserie, horse farms, and so on."

"It is precisely relying on these management talents that the boss's business is getting bigger and bigger, and there is already a trend to develop into other cities. In A Duoshan, basically no one dares to provoke him!"

The manager of the supermarket asked the clerk to pack his things while telling Li Yun about the boss.

At the same time, he secretly observed the three of Li Yun, and found that not only did Li Yun show no timidity, but was still indifferent, even the two beauties around him, one large and one small, looked indifferent, and they didn't pay attention to the so-called boss. Looks like!

"Don't these three young people even know what it means to have so many properties for the boss?"

The supermarket manager suddenly regretted telling Li Yun this. It would be miserable for this group of young people who are not deeply involved in the world to fall in!

"It turns out that there are such people in the real world!" Hu Xiaomeng said with emotion.

"Uh?"

The supermarket manager looked dumbfounded, how could the little girl in front of her look still unsatisfied, did she really take this as a story? !

"It's just a gangster." Zhao Tianfeng also commented, leaving the supermarket manager completely speechless.

The boss is sitting on dozens of stores, involving more than a dozen industries, not to mention, the horse farm located in the grassland near Aduo Mountain, it can be called a daily advancement-this is the tourist city of Aduo Mountain. The only horse farm has a monopoly, and there is no doubt about making money!

This kind of person is still a gangster? !

Li Yun did not answer the question of the supermarket manager directly, and asked him: "Manager Mu, I think you are very familiar with Brother Wolf. He comes often?"

"I don't think it's not~" Hu Xiaomeng said with a smile: "Manager Mu should be for justice, so he is very familiar with this explosive gang, right?"

Before, Manager Mu asked Li Yun and the others to leave as soon as possible, and did not pursue the fight in his supermarket, which is enough to prove that he is indeed an enthusiastic citizen with a sense of justice!

Manager Mu shook his head and smiled bitterly: "How can I dare to show justice, this lady, please don't praise me. I know Brother Wolf purely because he has been too arrogant over the past year!"

"Too arrogant?"

"Yup!"

The one who took the conversation was a shopping guide with a very angry expression on her face: "This wolf brother takes away a lot of food every time he comes, and he only throws away a little money every time. Sometimes it's one or two hundred, sometimes it's only twenty or thirty. It's missing a lot from what he took. It's so hateful!"

"Huh~?"

Hu Xiaomeng was very surprised: "Auntie, do you mean that he needs a lot of things every time he comes? Isn't he a gangster, why does he need to come to the supermarket to buy things himself? He still has men."

"Who knows what he thinks, maybe he just wants to take advantage." The shopping guide aunt said angrily.

Chapter 1466: Once every half month

Manager Mu smiled bitterly and shook his head, seemingly because of helplessness with Brother Wolf.

A Duo Mountain is a small place, and it's very remote. The so-called high mountain and the emperor far away refer to the local situation.

Starting a boss can do such a big business, and it also monopolizes the racecourse of A Duo Mountain. Behind him must stand many interests, not just as a gang boss.

"How often does Wolf Brother come?" Li Yun asked another question.

"Half a month."

"Frequent?"

"No, it's just half a month, very fixed!"

"I come to the supermarket once every half a month? All year round? Not a day away?"

Li Yun's tone was full of doubts, and this time even Zhao Tianfeng, who didn't care, looked over, with a little suspicion in his eyes.

For one year in a row, I regularly come to the supermarket to make big purchases every half month, and I will doubt whether there is any hidden information in it.

Even if Brother Wolf wants to take advantage of this, he doesn't need to be so fixed, he can even send a younger brother.

"It's been a year, the only exception was when I came at night."

Manager Mu recalled: "It was around nine o'clock in the evening, and the supermarket was about to close. Then, Brother Lang hurried over with a group of people. Moreover, he was beaten at that time with a bruised nose and swollen face. But I don't think he is angry, but rather panic buying things according to the purchase list.

Oh, by the way, he always took the purchase list at the beginning, but later he bought these things, and he didn't need it after he knew it well. "

Hu Xiaomeng blinked her big round eyes, "He had forgotten and was beaten up by the boss at the time before rushing to buy things, right?"

"The high probability is." Zhao Tianfeng's voice fell cold, "It turns out that a little \*\*\*\* also has a secret, haha, it just happens that I am free now, so I just want to find out what the hidden secrets are!"

With that, she looked at Li Yun with a look of indifference in her indifference, and her cold expression made people who didn't know think that there was a deep hatred between her and Li Yun.

But this is how she is eager to try, ready to vent her murderous intent!

Li Yun was noncommittal. As if he hadn't seen her eyes, he asked, "Mr. Mu, is there anything else?"

"Um... Kai Boss is said to be a master of martial arts, who can smash ten blue bricks with one punch!"

"Anything else?"

"No, no more..."

Manager Mu smiled bitterly, "Little brother, don't you really want to go directly to the boss, do you?"

The corner of Li Yun's mouth ticked, "That's what I meant!"

"Don't scare me!"

"Don't worry, the mere gangsters are not in my eyes."

"Ding, the host makes a choice, laughs without saying a word, and when he has an idea, rewards Zhao Tianfeng's favorability degree -1, and obtains useful information: open the boss, additional reward: Zhao Tianfeng favorability degree +1."

Li Yun didn't care about the ups and downs of favorability.

Taking a look at the ground after being cleaned by the clerk, Li Yun smiled and said: "Manager Mu, I will not compensate you for your loss."

"Uh."

Both Hu Xiaomeng and Zhao Tianfeng looked over.

Li Yun said again: "Let's do this, I will help you get rid of these explosive gangs, beat the boss to vent your anger, and by the way help you get back the losses in the past year as compensation!"

Hu Xiaomeng's eyes lit up, clapped his hands and smiled: "Okay, okay, Brother Yun, let's go to destroy the gangsters, see if they dare to be arrogant!"

Manager Mu was initially taken aback by Li Yun's words, but now that this cute little girl joins in the fun, her face is even more ugly.

Chapter 1467: Don't mess around

"You, don't mess around, really!"

"If you have something to say, don't be impulsive, driving the boss is not such a simple character, I suspect he has a deep background!"

"Don't do things recklessly, lest you be...In short, you two girls, be careful!"

Manager Mu is very anxious, as can be seen from his incoherent tone, like persuading the criminals to lay down their weapons and surrender.

Li Yun waved his hand and said firmly: "The gang in a small place is not me... well, our bodyguard's opponent!"

"bodyguard?!"

Manager Mu was taken aback for a moment, and then he was relieved with a sigh of relief.

He said that no one would just break in so stupidly!

"Then... I'll go together too!"

After confirming that Li Yun was really sure to open the boss directly, Manager Mu gritted his teeth and made a decision. All three of Li Yun looked at him in surprise, and even the clerk exclaimed "Manager"!

"The daughter of a friend of mine was..." Manager Mu gave a wry smile, and didn't say any more. Everyone quickly realized what he was going to say.

"Also."

Li Yun nodded. Manager Mu is a local, so it will be more convenient to have him in action.

After the decision was made, Li Yun did not rush to leave, but wandered in the supermarket slowly, buying everything he wanted to buy tomorrow.

Manager Mu and the shop staff saw his leisurely and calm appearance, and didn't care about the appearance of a direct confrontation with the boss. They immediately believed in the strength of Li Yun's bodyguard.

"Xiaomeng, do you want to buy anything else?"

"Enough, everything for barbecue is ready, hehe~"

"Tianfeng, how about you?"

"...Uh, uh, don't buy it!" Zhao Tianfeng replied in a awkward tone, as if Li Yun didn't expect Li Yun to ask her opinion.

"OK!"

Li Yun made a gesture, turned his head and smiled at Manager Mu who had been following him:

"Let's check out. After the checkout, go to the boss and get a good dinner as soon as possible."

Manager Mu: "..."

What else can he say, this kind of indifferent 'warm wine cutting Huaxiong' is just like trampling Kai Boss under his feet!

"It's okay...Just leave it at the checkout. If Li Yun and you guys can really get rid of the boss, it will be great news for my business and Mount Aduuo."

"Really no payment?"

"Need not!"

"Hahaha, thank you very much, let's go... Oh, by the way, do you know the other side's nest, or where the boss might be now?"

"It should be possible to find it. Mount Aduuo is not big. I will ask a friend."

Everyone returned to the entrance of the supermarket at this time. Manager Mu looked around, but did not see the car driven by Li Yun's bodyguard.

"Brother Li, where's your car?" Manager Mu looked at it repeatedly, but still couldn't find the suspected car.

"You drive us there."

Li Yun smiled slightly, "By the way, please ask Manager Mu to send the goods to that big hotel." He pointed his finger. The hotel is very close to here and can be seen at a glance.

"Uh, good... but where is your bodyguard?" Manager Mu was still thinking about it.

"Don't worry, I've arranged everything!"

Li Yun waved his hand, "Let's go, let's go directly to find the boss and have a good chat!"

Manager Mu stared at him blankly for a while, then drove out an ordinary car with a wry smile.

"I got news that the boss is now with an important guest at the racecourse, Li Yun, you really don't think about it anymore?"

"Don't think about it. If you say it's okay, it's okay. You can just wait for Manager Mu to send us to the racecourse, you don't have to follow us in!"

"...I hope it's okay."

Chapter 1468: Song Xianshi

A Duo Mountain Pegasus Ranch.

It is located in the southeast of A Duo Mountain City. It occupies more than 10,000 mu of land on the sparsely populated Huangxuan Neijiang Province prairie!

But in fact it is much more than that.

The Pegasus Ranch radiates to farther places, a small forest, plus a small lake, the river is occupied by it, the actual area is more exaggerated than the data on the surface.

There are many animals in the ranch, including rabbits, wolves, fawns, antelopes, etc., either wild or specially kept, which are specially provided for the guests here to chase and hunt.

Yes, in addition to providing ordinary horse riding events, Pegasus Ranch also secretly conducts some activities that are not compliant.

Including gambling, game, hunting and so on.

It is precisely by relying on these items that Huang Xuan can't play in the country, the Pegasus Ranch is making high profits, which is enough to allow Tukai, who controls everything behind the scenes, to live an extravagant life!

But his ambition doesn't stop there!

"Master Song."

In the Pegasus Ranch, a tall and vigorous man who faintly reveals the temperament of a superior, smiles respectfully at another ordinary man, and asks respectfully in the tone of a lower-ranked man: "You still What do you want? Roast whole lamb, horsemeat, Maotai, or I will let a few beautiful women serve you and rest. Let's play again at night!"

If this tall man is seen by some merchants in A Duoshan, he will definitely recognize him immediately: Tu Kai!

The boss who can almost call the wind and rain in Aduo Mountain, who can be called the Emperor of the earth, is showing a pleasing smile to an ordinary man at the moment, and the words will definitely shake the jaws of countless people.

Fortunately, this is the Flying Horse Ranch, the site where he slaughtered!

And today, in order to welcome Song Xianshi, the Flying Horse Ranch had already driven out all the guests. Those who can stay here are Tu Kai's confidantes, and they will never tell the story here!

"beauty?"

The man known as Song Xianshi lies on the Grand Master's chair. In front of him is the green pasture. There are barbecue grills and frozen drinks. Several women wearing light gauze serve with their heads down. There are many in the distance. His thugs are standing guard, and occasionally peeking over is full of envy.

Lying on the knees of a drunk beauty, awakens the world power.

Master Song immortal can convince the emperor of A Duo Mountain. With such a mighty power, how can these thugs who desire and pursue profit not be envious! It's just that their envy, they didn't dare to show off in front of Master Song, let alone show off in front of their boss!

"Correct!"

Tu Kai smiled and said, "Master Song, you can only come to Mount A Duo for half a month, and you can only stay for half a day, so I specially prepared a lot of good things. You can play whatever you want. You are guaranteed to have fun!"

As he said, Tu Kai clapped his hands and shouted in a deep voice, "Bring those women up here!"

Soon, a few men led five or six young women with graceful figures, beautiful faces, and very revealing clothes came over.

With their appearance, as if the youth is permeated, the surrounding extravagant scene becomes more and more depraved, revealing the extravagant atmosphere of the wine pond meat forest!

Tu Kai was very proud, and smiled: "Master Song, I know your hobbies. These women are carefully selected by me, and all of them are virgins who have never had a man. I guarantee your satisfaction!"

"it is good!"

Master Song's eyes gleamed, his eyes fixed on them, and he looked at them greedily for a long while before exclaiming: "Yes, it's a beauty, this time you slaughtered you to get good goods, hahaha!"

Chapter 1469: Overbearing

Master Song Xian's wicked eyes and words, and the surrounding thugs, all these young girls who were forced to come here showed fearful expressions, their bodies trembled, and one of them even cried.

"Who dares to cry again?"

Tu Kai's expression turned cold, and he changed his tone of indifference to Master Song, and threatened in an indifferent tone: "I don't care why you are here, whether you are threatened or kidnapped by me, you should know my name!"

The beautiful girls shivered in fear again.

Even if they hadn't heard of the name of Tukai, they could infer it from the terrifying picture seen in the Flying Horse Ranch.

The fierce thugs, the standing guard with real guns and live ammunition, and the depressing atmosphere around them are all enough to make these young girls succumb.

"Serve Master Song well!"

Tu Kai indifferently warned: "If you do well and can become Master Song's love, I promise you can give you a lifetime of wealth, so that your family can live a prosperous life, and vice versa."

After a pause, Tu Kai suddenly smiled and said, "I don't want to say that you also understand, I believe you will make a choice!"

The few women were silent, looked at each other a few times, and nodded tremblingly before agreeing.

"Very well, it seems that you are all smart people!"

Tu Kai turned his head and said to Master Song: "Master Song, the beauty is ready, you..."

"Boss!"

At this time, a hurried voice came from outside the door. Not long after, the bald-headed wolf brother who was beaten by Li Yun and had a swollen nose appeared in front of Tukai Song Xianshi.

"Boss, no, it's not good, someone..."

"Snapped!"

Tukai slapped him indifferently and slapped him on the face of the bald wolf brother. It turned him around in a circle. Several beautiful women were frightened. They actually saw how many bald teeth had been slapped. The stars come out, showing the strength of this slap!

"Open, open the boss..."

"boom!"

Tu Kai was still not relieved, and kicked him again. The bald wolf brother rolled upside down on the ground for a few laps, his body was so painful that he could hardly stand up.

"You and he\* are looking for death!"

Tu Kai's voice was indifferent, "I told you to buy daily necessities for Master Song Xian and see what you did? Not only did you fail to complete the task, you also had a fight with someone? Hehe, Red Wolf, I think you don't want to follow me anymore. ."

Brother Bald Wolf was so frightened that his face paled, and he didn't care about the pain all over his body. He knelt on the grass with his knees, and kept begging for mercy: "Go, boss, you forgive me. It's because I have been with you for so many years. superior....."

"Throw it out."

Tu Kai waved his hand indifferently, and the thugs on guard came over immediately, set up Brother Wolf and walked out!

Only then did several girls realize that Tu Kai was actually going to kill his own subordinates!

Another meaning of not wanting to follow is to have Brother Lang die? !

Joining this kind of gang, there is only one consequence of leaving, and that is death!

"Boss, brother, oh oh!"

"and many more."

Brother Lang cried bitterly and begged for mercy, but it wasn't until Song Xianshi spoke that the two thugs stopped and looked at Tu Kai with questioning eyes.

"Listen to what's going on."

Master Song was still lying on the Grand Master's chair, closing her eyes and resting, beckoning with a lazy motion, a maid understood, carefully cut a small piece of barbecue, inserted it with a bamboo stick, and carefully handed it to Master Song's mouth.

"Well, roasted whole lamb is good, the meat is tender enough! Let's talk, who hit you."

Chapter 1470: throw it out

Immortal Song's casual tone, as if a ruler from a noble family, who is in charge of the life and death of all beings in the world, and vaguely revealed a weird temperament, making these girls from common people terrified, and their teeth trembled. , I'm afraid that this big man will be tortured to death by him!

"Yes Yes!"

Brother Bald Wolf kowtowed again, and then began to tell tremblingly.

He regretted that his intestines were all green. Originally, he was only returning to rescue the soldiers, but he did not expect that Master Song would actually play an open-air barbecue on the ranch.

Crashing into Master Song Xian is even more terrifying than offending the boss!

So, in order to survive, the bald wolf brother decided to make up a lie!

"Boss, Master Song!"

Brother Wolf gritted his teeth, covered his face and said bitterly: "I was beaten by an outsider, and," he immediately added, "This outsider's origin is definitely not simple. They may have come to see you, Master Song!"

"what!?"

Teacher Song Xian jumped up from the chair of the grand teacher, his eyes suddenly revealed a cold light: "What is going on, you can tell me more clearly!"

"Uh, I...I."

Master Song exudes an aura, and Brother Wolf's mind is chaotic. He actually vaguely feels that this aura is somewhat similar to the woman with long legs. No, the woman is even more terrifying. He was just taken a look at that time. , Almost fell to his knees, but a knife on his head, coupled with the kid's timid performance, made him ignore this matter!

"I....."

Brother Bald Wolf was in a cold sweat, but couldn't say a word.

If he just wanted to lie before, but now he is so sure, then a woman is definitely not easy!

The origin is even the same as Master Song!

"waste!"

Tu Kai kicked him into the air, and the opponent shouted: "Who went to purchase with this waste today? Bring in!"

"Yes!"

Soon, several subordinates with swollen noses and swollen noses were brought in. They didn't dare to lie, and honestly explained what happened.

This also made the lie of the bald wolf brother instantly seen through.

"Go away!"

Tu Kai was very angry, but Immortal Song showed a lewd smile: "A woman with a height of 175 and long legs? Hey, I've played with so many beautiful women, and I have never seen such a tall man, Tu Open, no matter what method you use, find that woman for me!"

After a pause, Master Song said with satisfaction to Brother Lang: "As for you, although it is a death penalty to deceive this master, but for the sake of finding a beauty for this master, I will spare you this time. ."

The bald wolf brother was overjoyed, no matter what the woman's momentum was, he quickly kowtow to thank you!

"The premise is that the woman you are talking about is really beautiful! Hahahaha!"

Master Song laughed, the surrounding Tukai and his subordinates also followed and laughed in agreement, only the group of girls who had just been kidnapped by coercion were trembling with fright.

at this time.

boom! ! !

At the entrance of the Flying Horse Ranch, there was a loud noise, as if something was interrupted abruptly by someone, and then it hit the ground with a violent roar.

In an instant, thunderous waves swept across the Pegasus pasture, and everyone looked towards the door.

"who?!"

"what happened?"

"Who broke in?!"

"So bold!!"

Slaughter was furious, the blue veins on his forehead were exposed, and a pair of fists were tightly squeezed: "Since the establishment of the Flying Horse Ranch, no one in this A Duo Mountain dared to disobey my order to slaughter, and no one dared to break into my slaughtered pasture !"

"Everyone, take the guy, and follow me to kill!"

"Yes!!"
