Chapter 1621: Hot Spring Hotel

The people around looked over, Li Yun quickly reduced his expression, looked at the tall beauty in front of him softly and said: "Tianfeng, you have a good room...cough cough cough, I mean, have you booked a hot spring room?"

"Humph!"

Zhao Tianfeng gave him a blank eye, two crooked Ruifeng eyebrows, and the slender eyebrow corners were raised, making her move look very charming. Li Yun was in a daze to see Gonglian. Yi, and it is the illusion of Gong Lianyi at a certain time.

Lian Yi, the fox charming the beauty, but this charm is hidden, it is easy to not see her such an expression.

"Second, what are you looking at?"

Zhao Tianfeng sipped quietly, turned around and shook his black hair, leaving Li Yun with a beautiful back, and his voice trembled slightly: "Come in soon!"

"Oh oh!"

Illusion? Li Yun seemed to see a blush flashing on her beautiful and arrogant face.

The man at the entrance of the hot spring hotel was stunned, knowing that Zhao Tianfeng's tall figure had disappeared, they came back to their senses—they were pinched a few times by the female companion beside him, and they had to recover.

"Woo, my girlfriend...the gap is too big!"

I don't know how many men are wailing in their hearts, and the more envious the young men who follow the beautiful women, there will definitely be happy things happening tonight.

Being able to bring such outstanding beauties to the hot spring hotel itself can explain the problem!

...

Haraha Hot Spring Hotel, located in the southern suburbs of Adu Mountain, covers an area of 2,000 acres and contains hundreds of large and small hot springs. It is the largest and most luxurious hot spring hotel in Adu Mountain!

Unlike other hot spring hotels, the hundreds of hot springs in Haraha Hot Spring Hotel are hidden in bamboo forests and forests. The overall atmosphere is quiet and simple. While soaking in the hot springs, while admiring the original volcanic gardens, you will become A Duo. The mountain is quite famous for its tourism projects, and many people come here admiringly and spend a few months' salary to get addicted.

Yes, the luxury hot spring hotel charges are also quite luxurious. Li Yun just glanced at the reception hall of the hot spring. The cost of opening the hot spring room is only five thousand per night, not including all kinds of food, barbecue, champagne, and wine. Wait.

If you want to be here unfettered and enjoy all the services, Li Yun conservatively estimated that it would cost at least 100,000 yuan for three days.

"Money is really a good thing."

Li Yun couldn't help sighing, as if he and Zhao Tianfeng are walking on a deep ancient road, surrounded by carefully constructed bamboo forests and ornamental trees. When the hot springs are full of heat, they cooperate with the faintly heard girls' laughter, like a fairyland.

How can ordinary people imagine this situation?

It is estimated that when I heard about a hot spring hotel, at most I imagined an ordinary hotel with hot springs. Without seeing the photos with my own eyes, I can't imagine a hotel covering an area of 2,000 acres, which is completely a hot spring villa!

"Slow down, Tianfeng."

Li Yun walked behind Zhao Tianfeng, not because he didn't want to walk side by side with the beauty, but because the beauty was walking too fast.

A pair of big long legs walked like the wind, irritable.

No, it should be uneasy!

"Humph."

Zhao Tianfeng, who was walking in the front, slowed down, his cheeks getting hotter and hotter, and he snorted insignificantly.

Although before coming, Hu Xiaomeng joked that she would come to the hot spring, she was also ready to put on a swimsuit and go into the water with Li Yun, but it is true that when the three of them are going to enter the hot spring together, Zhao Tianfeng still can't help but feel a fever on his face.

Chapter 1622: be lost

Three days ago, she did not expect that she regretted so many things that happened when she came to Adu Mountain.

She even kissed Li Yun forcibly...

"You... don't mess around tonight!"

Suddenly, Zhao Tianfeng, who was full of thoughts and thoughts, blurted out a word, and then his ears were red with shame.

Li Yun scraped off her little nose funny, and said as if to a little girl, "What do you want, let's soak in the hot spring, what can happen?"

"Who knows~"

Zhao Tianfeng's tone became brisk, and her eyes filled her with a smile, "You bad guy can do something to a cute girl like Xiaomeng, it's impossible to guarantee anything abnormal!"

"Innocent."

Li Yun is very innocent: "It was the little girl who took the initiative to confess to me, I didn't do anything!"

"Believe you to have ghosts, huh~"

"real!"

"Believe it or not!"

Zhao Tianfeng raised his head proudly and raised his smooth chin. The eyebrows and eyes were full of girls' tenderness. If seen by people who are familiar with her, such as those who follow her at school, it will definitely shock a large group of people. s eyes!

Li Yun was chatting with her happily, and wanted to wait for Xiao Meng to come out after she arrived in the room. By the way, she would like to ask Xiao Qian if she would come out to soak in the hot spring.

Well, soaking in the hot spring with the glamorous female ghost holding a red umbrella, wearing a bright red dress and having blood-red eyes is absolutely quite exciting!

"What are you laughing at?" Zhao Tianfeng glanced at him, his face flushed again: "Could it be that you can't wait to soak in the hot springs with me and Xiao Meng?"

"It's not."

"Don't want it?" Zhao Tianfeng asked in disbelief with a pick of Wanwan's beauty.

"think!"

"Sexy!"

"..."

I'm too hard!

Li Yun couldn't laugh or cry, not wanting to be wrong, thinking is also wrong, so sometimes women are so unreasonable to make trouble.

The same goes for girls.

As he walked, Zhao Tianfeng stopped suddenly.

"what happened?"

"Uh....."

The tall beauty with long legs did not answer, and looked suspiciously back and forth.

"Could it be that... lost?"

"Humph!"

Zhao Tianfeng proudly didn't want to admit it.

Li Yun laughed, and took the initiative to take her little hand, searched in the bamboo forest, and found a waiter, who led her to the room previously reserved by Zhao Tianfeng.

"Do not laugh!"

Zhao Tianfeng tensed his face and opened the door with the induction room key, and gave Li Yun annoyed.

What's so funny about getting lost, really!

"I didn't laugh."

Li Yun answered in a serious manner, stepping into this Heshi-style house, and Zhao Tianfeng closed it with the induction room card.

When a guest stays here, only this room card is the only way to open the door of the room. Unless you get the permission of the general manager of the hotel, you can use the spare key to open the door.

In other words, after entering this room, everything that happens inside cannot be transmitted to the outside.

It is impossible for anyone to see the situation inside, absolutely confidential!

After all, most of the people who come here are people who are not short of money, and many even come with Xiaomi, so the confidentiality requirements are quite high.

"Very distinctive hot spring room."

Li Yun entered the room, no, it should be said that after entering a courtyard, he said something approvingly.

The yard is surrounded by walls, covered with vines, and there are pointed barbs on the top. It is impossible to enter unless you can jump five meters high.

The decoration style of the courtyard is the Japanese style of Sakura Country, loose Japanese yukata, screen embroidered with sakura, clean tatami mats, low tables, etc. The Japanese style is quite perfect, allowing people to feel the breath of Sakura Country.

Of course, the most important thing is the independent hot spring in the courtyard!

Chapter 1623: Zhao Tianfeng's entanglement

"Awesome!"

Li Yun glanced at the hot spring in the yard, and he felt itchy just by looking at it.

The hot spring is filled with light heat. It is surrounded by smooth marbles of various colors. The slightly white hot spring water is smooth pebbles. The water depth ranges from half a meter to one meter, which is perfect for people of all heights to lie down. Go in.

The hot spring water is flowing. After each guest stays in, this top hot spring yard will stop picking up guests for at least three days, disinfection treatment and water change, so that the next guest can enjoy a clean and refreshing service.

Perfect service, top-notch health spa, bring supreme enjoyment!

"I will ask Xiaomeng to come out."

Li Yun was trying to recruit Hu Xiaomeng from the Lotus Immortal Mansion, but Zhao Tianfeng stopped him: "Wait!"

"what happened?"

Li Yun looked at her with questioning eyes, Zhao Tianfeng's face was slightly red, and he lowered his head to look at his toes.

After entering the Japanese-style tatami room, both of them took off their shoes. She was wearing a pair of white stockings at the moment, her toes moved restlessly, and she said, "You, you say..."

"say what?"

"Just, yes, that, I..."

Zhao Tianfeng hesitated and talked for a long time, but he couldn't speak out.

Li Yun is not a fool. When she contacted her about the situation that she didn't want Hu Xiaomeng to come out to disturb her for the time being, she could easily guess her current thoughts.

Or worry.

"What's wrong."

Li Yun chuckled lightly, stepped forward to embrace her waist, lifted the chin of this beautiful girl who was usually arrogant but now shy, looked straight into her eyes, and laughed:

"The Zhao Tianfeng I know is not the kind of girl who talks eloquently."

".....I!"

Zhao Tianfeng blushed more, his arrogant pretty face was full of people's redness and halo, the red and plump double fringe opened and closed slightly, the breath of a girl was sweet and soft, Li Yun could hold back not going up, it was all because he wanted to hear Just listen to what she is.

Unexpectedly, Zhao Tianfeng struggled, pushed him hard and turned around, looking at the hot spring water in the yard.

Li Yun clearly heard her aggravated nervous breathing.

In other words, a girl is indeed a very strange creature.

Before Zhao Tianfeng kissed him forcibly in the hotel, now the two are alone, and they are still in the softly decorated Japanese hot spring room, but the arrogant and beautiful girl is shy instead.

I don't know what I'm thinking.

"Tianfeng." Li Yun shook his head and smiled bitterly, took out a book, and was about to give it to her, but Zhao Tianfeng quickly said: "Give me some time, I...I will go to Zhonghai City, and those who meet you... ..The girls around you!"

Li Yun was taken aback, and finally understood what Zhao Tianfeng was struggling with.

She is probably very scared, or it is difficult to face Gong Qingyu and Fang Xue. After all, the current situation is very difficult for a proud girl to accept.

Before getting to know him, Zhao Tianfeng definitely hadn't thought that he would become one of the confidantes of a boy, and he had to face other girls, have a good relationship with them, and get their approval.

For Zhao Tianfeng, who has always acted in turmoil and a little overbearing, it is no less than changing his character.

However, she did not want to give up.

Li Yun is the best and most incredible boy she has ever seen. Zhao Tianfeng also knows that if he misses him, he will definitely not meet a boy who is better than him in the future.

Even if there is, who is more fate than Li Yun and her?

In the Mist Array, he saved her three times...

Chapter 1624: Phoenix in the sky

"it is good."

Li Yun agreed with a chuckle, and hugged her from behind.

Obviously, Zhao Tianfeng's tall body trembled, and then softened again. Without resisting his embrace, he closed his eyes slightly.

"Tianfeng, you say--"

Li Yun lightly kissed her smooth and beautiful side cheek, Zhao Tianfeng avoided shyly, staggering, and his voice trembling: "What, what?"

"When we were alone, I called you Xiaofeng, or Feng'er? It's also a coincidence that my sister, uh, god-sister who has been growing up since she was a child, has a phoenix in her name."

"Huh, do you have this kind of relationship with her?"

Ever since he fell in love with Li Yun, Zhao Tianfeng seemed to have learned some skills exclusively for girls, and his intuition was terrifying!

"She is in Longyang County now, and they are also very good people, don't worry."

Li Yun was tacitly acquiesced, and smiled slightly: "I still call you Feng'er, I like this slightly softer address, can you ease the...domineering on your face?"

Li Yun used an unsure word, with a slight doubt on his face, stretched out his hand and squeezed her cheek.

Because it is difficult for him to tell exactly what the temperament of Zhao Tianfeng is.

Like a queen in a high position, but also like a female general on the battlefield, an arrogant girl, a domineering big sister, a majestic and handsome girl, especially her slender Ruifeng eyes, after showing killing intent, there is a kind of Handsome, terrifying, and heroic that is different from ordinary people!

The colorful phoenix in the sky came into the world, probably speaking of people like her.

Phoenix is beautiful, powerful, and the leader of the birds.

"Whatever, whatever, whatever you are!"

Zhao Tianfeng stammered, with a familiar and unfamiliar feeling in his body, like when he broke through from the acquired state to the innate state, his body was filled with inexplicable heat, his heart was beating, and unprecedented joy poured into his heart.

"Feng, Feng'er, Fengfeng, all are okay..." Zhao Tianfeng finally escaped. After dropping an awkward "love word", he turned and fled into the changing room in this He's house.

"I'll change my swimsuit and swimsuit, you can ask Xiaomeng to come out!"

If the two stay alone, Zhao Tianfeng's face will be hot enough to boil eggs.

"OK."

Li Yun smiled. He also wanted to take the opportunity to give Zhao Tianfeng the technique of "Slaying the Way" to see if he could break through to 100, but after knowing her inner entanglement, he didn't care about it.

When Zhao Tianfeng went to Zhonghai City, and saw Fang Xue and Fanqing Shengqing Yulianyi and the others, the favorability degree would naturally reach 100, and the current 99 favorability degree was almost impossible to drop.

Unless her trip to Zhonghai City is not going well, she is disliked by the girls around Li Yun.

But how is this possible.

"Little Meng, Xiao Qian!"

Li Yun recruited the two girls from the Lotus Immortal Mansion. After Hu Xiaomeng came out, he first laughed and pounced on him to act cute and coquettishly, and then observe the surrounding environment.

"Wow~~~ Hot springs, ooh, you can finally soak in the hot springs~!"

The little girl bounced in excitement, running back and forth in this large Japanese-style house, and the cheerful laughter quickly made the originally deserted yard lively.

Nie Xiaoqian seemed very nervous. After she came out, she looked around. After seeing the hot spring, she froze on the spot, biting her blushing lips tightly.

"This is a Japanese-style house, that is, the style of the Japanese country!"

Seeing Xiao Qian's confused look, Li Yun thought she didn't understand this, so he explained to her.

Chapter 1625: I went back

The biggest feature of the Japanese style is the tatami, which is a mat woven from rush that is spread on the ground.

Tatami, like many domestic things in Sakura, are from the ancient Huang Xuan country. In ancient times, about a thousand years ago, people didn't have stools or beds, and only laid some soft grass materials in the rooms as beds.

After this style of sitting in the Sakura Country, it gradually evolved into a Japanese style with tatami mats.

Therefore, in Nie Xiaoqian's eyes, this large Japanese-style house does not have a bed.

There is not even a room for sleeping, only a changing room.

"At night... shall we sleep together?!"

After discovering the layout of this room, Hu Xiaomeng was surprised, his little face blushing slightly.

Even though her love for Li Yun is very, very high, she is not ready to dedicate herself tonight at all!

Let alone with the other two girls or something.

Li Yun shrugged, "It's not the room I ordered... Forget it, you girls are sleeping outside tonight."

Finally, Li Yun changed his words. After all, this sentence meant a bit of blame on Zhao Tianfeng. .

"I, I, I should go back to Xianfu, father and son, you guys play."

Nie Xiaoqian closed her eyes and said nervously, then she really disappeared.

Hu Xiaomeng chuckled: "Sister Xiaoqian has always resisted going to the hot springs when she heard that the swimsuit is that kind of shameless style, and even said that her ghost is not good to be with us strangers. Hehehe~"

Li Yun was also dumbfounded.

As a female ghost, Nie Xiaoqian is naturally a little sensitive to her identity, and she almost never takes the initiative to mention it.

But now she took the initiative to use the identity of a female ghost as a shield, which is enough to show that her heart is extremely resistant to modern swimsuits!

Li Yun touched her chin, wondering whether she should let Xiaoqian wear a swimsuit alone next time, split, three-point, one-piece, etc., to see if she can break through the shame|shame level, acceptable The next step of psychotherapy.

This should be very helpful to solve the mystery of her life experience! !

——Li Yun received the system prompt of "The Mystery of Nie Xiaoqian's Life Experience", but Xiaoqian was not ready yet, and said that he had cultivated to a certain level.

"Where is Xiao Qian?"

The door of the dressing room was pushed open, and a calm, slightly nervous and shy girl voice came. Li Yun and Hu Xiaomeng turned their heads at the same time.

"hiss!"

"Wow, wow!!"

Li Yun took a breath, and Hu Xiaomeng widened his eyes in surprise. Both of them were shocked by the beautiful girl in front of them!

Curly Tingting, graceful and graceful, tall and graceful.

In front of me, this beautiful girl with a height of 175 and wearing a sling split-piece swimsuit perfectly interprets what is called a bright and indispensable thing!

The round and smooth feet are beautifully stepped on the clean wooden floor, a pair of slender legs are straight together, the figure is slender, the proportions are right, and the curve is exquisite. Wearing a swimsuit causes large areas of white skin to appear, like the finest jade. It can illuminate the whole room!

"Huh, Tianfeng, you are so beautiful!"

Li Yun took a deep breath and exclaimed from the bottom of his heart.

The beautiful girl standing in front of him, at this moment, has two expressions of arrogance and shyness at the same time. She is beautiful and extraordinary from a noble birth. Ordinary men will be ashamed of themselves when standing in front of her. Seeing her in a swimsuit will probably be straightforward. He lowered his head, afraid to look at her too much.

Chapter 1626: Very beautiful, don't lie to you

After all, Zhao Tianfeng in front of me is so beautiful!

"Huh... don't, don't think about it!"

The blush on Zhao Tianfeng's face was visible to the naked eye, she no longer knew what she was thinking, and what she was saying indiscriminately!

In the dressing room, she made countless psychological preparations, but she really appeared in front of Li Yun in a swimsuit. His words made Zhao Tianfeng so nervous that she couldn't even speak.

She hadn't been to public swimming pools before. Nobles' middle school had swimming lessons. However, Zhao Tianfeng always wore a conservative one-piece swimsuit during class, and she didn't show it too much.

However, when she was in class, she swam so fast that she crushed a group of boys and made a group of girls scream.

It's like now, after putting on a split swimsuit, he was too embarrassed to look up in front of Li Yun, and the situation was completely reversed.

—In fact, in the dressing room, the hot spring hotel has prepared a variety of swimsuits. Zhao Tianfeng can actually choose other more conservative swimsuits, but inexplicably, she still chose this one, which is even more...beautiful swimsuit.

"It's really beautiful, I won't lie to you."

Li Yun smiled calmly, trying hard not to show a strange expression.

After all, in this situation, a separate yard, surrounded by walls, bathing in Huaqing Pool, condensed like jade, and the beautiful lady is beside him, shy and shy.

All mysteries are unspeakable. If Li Yun is mad again, he may come to the end of the story, and he will be a **** on the spot.

"Hehe, Big Pervert Brother, you have a nosebleed!" Hu Xiaomeng on the side suddenly pointed at Li Yun's nose and smiled.

"Eh? Isn't it?"

Li Yun quickly wiped his nose and found that there was nothing on it.

"Hee hee hee, la la la, the big pervert was deceived~~"

"puff!"

The shy Zhao Tianfeng also couldn't help laughing, trying his best to maintain the same look as usual in the swimming pool, scolded, and rolled his eyes, and asked: "I asked you just now, where is Xiaoqian?"

Although it was cursing, the smiles and frowns of the beautiful lady were all beautiful and beautiful. How can a man be angry at this time?

Li Yun fluttered in his head, and subconsciously answered her: "Xiaoqian didn't dare to take a hot spring together, and went back."

"...Well, where's Fluttershy?"

Zhao Tianfeng is still a little bit shy, it's not enough to have only one Hu Xiaomeng, it is best to have one more, so that this guy does not come around!

It just so happened that Xiaodie is the daughter and pet raised by this guy, and if she is there, this **** will not be messed up.

——For the Nine-winged Black Feather Butterfly, Zhao Tianfeng loves the house and Wu. Because of Li Yun's relationship, he naturally has a good impression of her. He treats her as a close child and loves her. During the two days in the Lotus Fairy Palace, she ran near the herbal garden. Cultivation is to play with Xiaomeng and the Black Feather Butterfly. The three of them have already visited the Lotus Fairy Mansion.

As for Nie Xiaoqian, her personality is more beautiful than other ladies, and she has always watched silently.

"How does Xiaodie take a hot spring... Ah, that's right, I'll go in and call her."

Li Yun suddenly thought of something, and finally recovered from the confusion brought by Zhao Tianfeng, let them play first, and he went into the fairy mansion to take a look.

"Hey? Brother Yun...Brother."

Hu Xiaomeng wanted to say something, but Li Yun had disappeared. Hu Xiaomeng suddenly puffed up his mouth: "Really, I still want to ask you what kind of swimsuit you like, or if you don't want to wear it."

"!!!"

Zhao Tianfeng looked at her in surprise, Xiao Meng, this girl is really getting bolder and bolder!

Chapter 1627: Son, sorry

"Hehe~, Sister Fengfeng is so beautiful~"

Hu Xiaomeng ran up to her, hugged her naughty and looked back and forth, muttering something as she watched, "I can grow so beautiful in a few years", "Woo, Sister Fengfeng is so tall~", tumultuous movements, Zhao Tianfeng was so annoyed that she couldn't help but stretched out her hand and knocked on her head.

"Stop making trouble, go and change your clothes. Haven't you been thinking about bathing in hot springs?"

"Yes~~~"

Hu Xiaomeng's voice dragged a long, jumping into the locker room, without closing the door, directly choosing a swimsuit inside.

"Huh? There is actually a dead reservoir, and there is still a bib. This hot spring hotel must be a black shop!!"

Fox Xiaomeng began to mutter again. Zhao Tianfeng looked at her slender and petite back, with a slightly strange heart. Fox questioned: "A black shop? Are you serious? Also, what kind of swimsuit is the dead reservoir? Why didn't I? Have you heard of it? And, how do you know this hot spring hotel is not serious?"

On the battlefield, she was full of murderous intentions, like a valkyrie girl, now after hearing this unknown knowledge, she appeared very curious.

"Hmph, I know a lot of animation knowledge... Sister Fengfeng, you don't know, the swimsuit of Dead Kushui is the favorite of gentlemen from the Sakura Country, um, very abnormal and abnormal gentleman!"

"?"

Zhao Tianfeng was still puzzled.

The swimsuits in the hot spring hotel are all prepared. When the guest has booked a room, the waiter will ask how many people the guest will bring to the hot spring, and ask about the height, body, gender and other data, and take out all kinds of things from the inventory. All kinds of swimsuits are placed in the changing room.

If the guest uses it, it will be calculated at the time of checkout.

Therefore, Hu Xiaomeng said that this hot spring hotel is not serious!

However, she chose this kind of indecent one-piece dead-tank swimsuit, pinched the soft and delicate navy blue fabric for a while, and put on her face blushing and blushing...

——

"The son!!"

As soon as Li Yun entered the Lotus Immortal Mansion, Nie Xiaoqian's pleasantly surprised and apologetic voice heard in her ears. Li Yunguang could tell from her voice that she was actually guilty. She felt that she should accept the things of modern society more. It's okay to wear a swimsuit...

"Xiao Qian."

Li Yun greeted her with a smile, and saw that she looked a little awkward, and rubbed her cheek again-it was cold to the touch, she deserved to be a female ghost.

"My son, I'm sorry."

Nie Xiaoqian apologized frankly, but did not make a Wanfu gift. She simply lowered her head and blushed with shame.

With her current relationship with Li Yun, she naturally doesn't need to do those estranged etiquettes.

"Apologize? Xiaoqian, you don't need to apologize." Li Yun held her cool little hand, "If I suddenly go back to ancient times, I will be very uncomfortable. I am still a modern person, let alone Xiaoqian you. "

Modern times are more open than ancient times, but if Li Yun really traveled to ancient times, for example, when he was tested and brought out Princess Yongning, his performance was not very good. Standing on the streets of ancient times, he looked like an alien and couldn't blend in at all.

"Um....."

Nie Xiaoqian lowered her head and fiddled with her collar. After a long time, she whispered: "My son, if Xiaoqian lives here all my life, you say...couldn't it be that way, son."

After hesitating, her cheeks were already covered with red clouds of shame.

This decision is undoubtedly evading everything from the outside world.

"sure!"

Chapter 1628: Xiaoqian is a ghost

Li Yun rubbed her head with a smile. Nie Xiaoqian was tall and tall. Although he was not as tall as Zhao Tianfeng, he was also taller than 170. In ancient times, he was even more slender and slender. I don't know how many ancient elder brothers could buy a smile.

Nie Xiaoqian raised her head in surprise, a pair of blood-red jewel-like eyes bursting with joy and happiness.

"But." After a pause, Li Yun said again, "Xiaoqian, you are still too early to make a decision. When you practice the exercises to a high level and become like ordinary people, then you will like to go out and play."

"Yeah~"

Nie Xiaoqian's soft tone rose, and she took the initiative to stretch out her hands, embracing his waist, leaning her cheeks on Li Yun's chest, and said in an idiotic tone: "My son, Xiaoqian met you the biggest in her life. Blessing...Woo~, that's not right, Xiaoqian is dead, is she still alive in this life?"

Li Yun couldn't laugh or cry, "Of course you are alive! Otherwise, is it a ghost holding me... Well, I mean, as long as you feel it, you are alive!"

"Hehe, Xiao Qian is a ghost~"

Nie Xiaoqian deliberately made a very fierce expression, and then she covered her mouth and smiled: "Don't blame Xiaoqian, son, sometimes I just think about something, actually..."

After a pause, she looked at Li Yun's eyes earnestly: "Xiaoqian thinks that life is good here. With sister Xiaodie, she can talk to the son at any time, and usually help him take care of the flowers, read books, and enjoy the flowers. Life couldn't be more leisurely~"

Li Yun nodded slightly.

"Although Xiaoqian can't remember the past, she vaguely knows from the memory fragments that Xiaoqian was very unhappy before her death. Although she spent money like water, there is no day that is happy. Unexpectedly,"

Nie Xiaoqian stretched out both hands to hold Li Yun's increasingly handsome face, and said affectionately: "After Xiaoqian died, Sansheng was fortunate to meet the son. Every minute Xiaoqian was a ghost, she was at ease. Yes, there is not a trace of worry, the son is blocking everything for Xiaoqian, Xiaoqian, Xiaoqian has nothing to pay for..."

As she talked, her face was as pale as a dead person, but her delicate and elegant face blushed, "Xiaoqian is the only one, only..."

"Is it the only way to agree?"

Li Yun laughed teasingly, provoked her chin with her fingers, Nie Xiaoqian snorted, closed her eyes trembling, and let out a hum from her nose.

The beautiful and evil female ghost showed shame, closed her eyes, raised her head and waited, how could Li Yun know her intentions.

Immediately, he lowered his head slowly.

The heads of the two got closer and closer, finally...

"Yeah!!! Baba Baba Baba~~~!"

The black feather butterfly's bluffing sound came, interrupting the two people's approach, Nie Xiaoqian shyly pushed Li Yun away on the spot.

"Uh."

Li Yun couldn't laugh or cry. If it wasn't for Xiaodie, maybe Xiaoqian would be able to solve her happy knot and she would be full of affection.

"Xiaodie, what are you doing...?"

Li Yun looked at her in surprise, and saw a little butterfly elf wearing a black skirt like a starry sky, triumphantly standing on a basketball-sized crystal toad with his hips akimbo.

"Three-eyed toad?"

"Crack quack!"

Crystal Toad nodded frantically, and his human face was full of flattering expressions.

Li Yun was shocked. The original three-eyed toad looked hard to describe, and his body was covered with skeletal sarcomas. It made people think it was a demon.

But now the little toad really turned into a little toad, reminding to shrink, the skin became smooth and smooth, and there was a faint layer of silver light flowing, which looked extraordinary.

Chapter 1629: Ding, Lingshiyan

Hei Yudie saw Ba Ba's doubts, and stepped on the three-eyed toad under his feet with his little feet, and said angrily: "Ba Ba, it has eaten a lot of things before it becomes like this, it's really bad!"

"Quah~!"

Three-eyed Toad was wronged and shrunk, apparently very afraid of Xiaodie's scolding.

Li Yun's face was weird. After the Three-eyed Toad entered the Lotus Immortal Mansion, he probably absorbed a lot of aura and evolved again, so his face value suddenly rose from -100 to 5, to the point where he could at least see it. .

Li Yun didn't blame it. After all, the system gave a reward for killing the spirit fire master. The 100,000 spiritual aura was actually given to this toad.

"You still call it, a big foodie!"

Black Feather Butterfly stepped on it with her small feet wearing embroidered shoes. Li Yun always teased her as a snack, and now she also uses it on this big frog!

"Qua~~!"

Knowing that the three-eyed toad couldn't fight this fierce insect, he quickly croaked to Li Yun's favor, with very obvious intentions.

"Ding, trigger the option event, please choose from the host:

Option 1: Take the Secret Eye Toad as a pet, reward a golden gift bag*1, aura value*500,000, extra reward: a random pupil technique.

Option 2: Reject, no reward.

Choice 3: Kill it directly, reward evil value +100,000, colorful gift bag*1. "

"Secluded Eye Toad?"

Li Yun glanced at the little toad that was crawling on the ground and croaking in favor of him. He didn't expect this shameless monster to have a big name.

He dared to call himself a divine toad, and it seemed to be related to You Ming, which shows that its skills should be pretty good.

Of course, judging from its shameless kneeling and licking, and the act of being threatened by the Black Feather Butterfly to surrender its demon pill, this guy is also limited in his power, which is approximately equal to the level of an ordinary evil creature in the ancient times.

"Okay!" Li Yun waved his hand. "You will follow me from now on. Xiaodie is your superior... Do you know what the superiors mean?"

Three-eyed Toad-also called Youyanshen Toad, nodded and croaked crazily. It lived for so long, often to earn some mana, and was awakened from the shriveled state of hibernation and suspended animation. It is considered a modern person. No, modern toad, of course Know the meaning of the word.

"Very good, good IQ!"

Li Yun squatted down and patted its head, "Your task is to play with Xiaodie. You usually stay in the fairy mansion. It is forbidden to absorb the aura here unless you have done meritorious service, you know?"

"Crack!"

"Of course, you can't eat the immortal grass Lingzhi here, otherwise, Fluttershy can tear you apart!"

"Quah~~~"

"Hehehe, call you green frog, toad? Toad toad?" Black Feather Butterfly was very happy, and flew to the toad again, using it as his mount.

"Crack quack quack!" The third one!

Nie Xiaoqian covered her mouth and chuckled, the fairy mansion became more and more lively, and she didn't seem lonely when she lived.

She was not worried about the gender of the three-eyed toad, after all, Nie Xiaoqian learned a very strange thing from Li Yun.

Monsters, especially the ancient monsters, are mostly genderless. The black feather butterfly looks like a human little girl, but it is not actually a female, and of course it is not a male.

It is said that many ancient monsters are in their own family. In extreme cases, they can even give birth to offspring by themselves. Human gender concepts cannot be applied to them.

"Ding, the host makes a choice, accepts the ghostly eye toad as a pet, rewards a golden gift bag*1, aura value*500,000, and additional reward: Spiritual Vision (Elementary

Chapter 1630: Fairy skirt

Spiritual vision!

After receiving the knowledge from the system, Li Yun nodded with satisfaction.

Although this kind of pupil technique does not seem to be as powerful as the natural magical powers of the Youyan Shentoad, and it does not even have the eyes of the Baihe Taoist shining on all evil things to be majestic and majestic, the Lingshi Eye also has its own advantages:

It consumes less, and can see through the concealment method, formation method, and insight into abnormalities. Whether it is a monster or a ghost, there is nothing to hide in front of the eyes of Lingshi.

Of course, if you want to see through the other party, it is still linked to the strength of Li Yun's own spiritual thoughts.

"Lingshiye... is equivalent to the advanced application of Divine Mind!"

Li Yun turned his eyes around and quickly came to a conclusion.

The Lingshi Eye allows the divine consciousness to observe the world from a linear angle. Compared with the divine consciousness that "spreads" out before, the "see" method is undoubtedly more convenient.

In addition, the aura value of 500,000 directly increased the concentration of the aura in the Lotus Immortal Palace by a small amount, and Youyan Shenchan clearly saw this change, and the three eyes gave Li Yun a shocked look.

In this era of declining Taoism, there is still a steady flow of energy to obtain spiritual energy. What kind of power is this? Is it the supreme mystery that has been preserved since ancient times?

Black Feather Butterfly didn't think so much. The more food, the happier she would be. Therefore, the happy Black Feather Butterfly flew directly to Li Yun's cheek and kissed Li Yun.

"Hee hee hee, so satisfying, Ba Ba, well here, Xiaodie doesn't want to go out anymore~"

"Satisfying that simple?"

Li Yun smiled and took out a colorful fairy skirt, and covered this radiant, normal-sized skirt on the black feather butterfly flying in the air.

"Yeah~~!"

The black feather butterfly screamed, and was covered by the skirt and fell to the ground, babbling on the grass like a small steamed bun for a long time. The dress slowly became smaller, and she was surprised to hold it in. Hands.

Youyan Shentoad looked up at the sky. If the ancient folks saw that the nine-winged black feather butterfly was raised by a human as a pet and put her on the ground, I don't know how it would be shocked. I'm afraid it's not. Even the jaw dropped.

"Baba, is this...?"

Hei Yudie opened his eyes wide, and stood on the ground stupidly holding this beautiful little skirt, kneading the skirt back and forth.

"The colorful fairy skirt, which my father gave to Xiaodie, after all, Xiaodie is just a piece of clothing."

Li Yun knelt down and clamped the black feather butterfly with **** and placed it in the palm of his hand. Regardless of how weak and weak, this little guy is actually very strong.

"Huh? Really?"

"real!"

"Wow!"

The Black Feather Butterfly happily flew to Li Yun's cheek, rapped and kissed, to express his joy.

Although the ancient monsters have no gender, Ba Ba has always raised her as a daughter, which has caused Black Feather Butterfly to also like girls' things. Of course he likes to wear beautiful colorful fairy skirts!

As for why Black Feather Butterfly wore a black starry sky dress a long time ago, it was because the memory originated from her bloodline and unconsciously turned it out.

Li Yun enjoyed the intimacy of his daughter and pet Black Feather Butterfly, thinking about one thing in his heart.
