

## Godly Choice 1631

Chapter 1631: Nine wings, nine magical powers

Absorb supernatural powers!

To be honest, Li Yun was really taken aback when he saw this explanation, thinking that the clothes could resist a magical spell attack, completely immune to the special effects of magical powers, and so on.

But after reading the instructions, he knew that this dress was for Black Feather Butterfly.

The golden-quality fairy skirt may only have the effect of being big or small and tough and strong. After Li Yun spent a colorful gift bag to upgrade it, he had the mysterious ability to absorb magical powers!

"The nine-winged black feather butterfly is said to be the ten greatest evil insects in ancient times. I was in an ancient cave that had long been abandoned...every time I gave birth to a wing, I gained a magical power. When I reached the nine wings, I went up to the blue sky and went down to the underground palace. It's hard to hurt, the fairy makes the change easy."

Li Yun once again recalled the words recorded in Yu Li Sheng's notes. At first he thought that the black feather butterfly would acquire a magical power every time it evolved, but Xiaodie had actually evolved once and reached the level of two wings.

It stands to reason that the current Black Feather Butterfly has two magical powers, but Li Yun has never found her to show it.

The ability of flapping wings to smash bones and forming formations is more like this little guy for a quick meal.

Yuyifeiwu's offensive ability was a small trick she came up with.

The only time she learned the red light rays of the Youyan God Toad, a third eye grew out of her forehead, and the red light directly penetrated through the defenses of the spiritual fire master, destroying two superb magical artifacts. , The Master Linghuo surrendered directly.

"In other words, the nine-winged black feather butterfly does not grow a wing to gain a magical power, but grows a wing and can have a magical power at the same time!"

"Nine wings, nine magical powers!"

Li Yunguang felt shocked when he thought of this possibility.

Powerful monsters are born with magical powers. This is the basis for the monsters to settle down, and it is also the reason why the monsters are stronger than humans!

But Black Feather Butterfly can copy the other party's supernatural powers and turn it into his own.

What's even more outrageous is that she can also possess nine magical powers at the same time!

The most unacceptable, no, what makes other monsters unacceptable is that the Nine-winged Black Feather Butterfly can change its magical powers at any time, and she can be invincible regardless of any enemy or any dangerous environment Earth, even restrain any monsters forever!

"It's no wonder Little Toad fears my daughter so much. She is indeed terrifying, even terrifying!"

With emotion in Li Yun, he glanced at the Black Feather Butterfly who had changed his clothes after Xiao Qian blocked his sight, raised his hand, palm up.

"Hehe, Baba~~"

The black feather butterfly put on new clothes has a different kind of beauty.

She turned out to be a black, black skirt, black long hair, black wings, dotted with mysterious patterns like a starry sky.

Now after putting on the colorful fairy dress, she immediately became different. The snow-white skin matched the two pairs of black wings. The sparkling fairy skirt made her look like a noble young lady, beautiful and elegant.

"Baba~" After showing off, Black Feather Butterfly showed a twisted expression on her small face, and stepped on Li Yun's palm with her bare feet uneasy.

"My good Fluttershy, what's the matter?"

"Xiaodie thinks, thinks...hmm~"

"Want to eat?"

"Hmm!"

Black Feather Butterfly nodded fiercely, her eyes full of longing, and she opened her hands and gestured in a big circle: "Baba, Xiaodie is going to get bigger and more powerful! Help Baba beat the bad guys!"

Chapter 1632: Bare clothes

Li Yun was startled. Could it be that she found that she couldn't beat the Void Return Realm, so she wanted to evolve quickly?

What a...good girl!

"Will Xiaodie eat up the fairy mansion?"

He shook his head violently, stretched out his little finger and little index finger, and gestured at a very smiling distance, indicating that he would eat just that little bit.

"Will it grow too fast? Dad's enemies don't rush to fight."

Still shook his head and patted his stomach to show that he could eat a lot!

"Okay, you can eat!"

"Wow~~~! Papa is the best, I love Papa~~!"

Black Feather Butterfly became happy all of a sudden, and was about to fly and scream a few times, but Li Yun pinched her and said with a smile: "It's not in a hurry now, follow Baba to go out to the hot springs first."

Nodded violently, "Hmm!"

The three-eyed toad on the side looked envious, not because he could go out to the hot springs with his owner, so he didn't want to go out to the outside world, and he didn't like it even more.

It envied the feeling that the eldest sister can eat whatever she wants and absorb a large amount of spiritual energy into her belly. It must be pretty awesome!

"Xiaoqian, do you want to go out together?" Li Yun looked at Nie Xiaoqian with a smile on his face.

Nie Xiaoqian hesitated, lowered her head and blushed and said, "No, no, let's go out with Xiaodie, son, next time Xiaoqian will be with son."

"Alright, then we are leaving."

"Well, goodbye son, goodbye Miss Xiaodie."

"See you, sister Qian~!"

After saying goodbye to her, Li Yun was about to go out and suddenly thought of something: "By the way, Xiaoqian."

"What?" Nie Xiaoqian looked at the son in doubt.

Li Yun smiled and said, "Although it is not necessary, I think it is better to live in a house as a human. I will give you a task."

"Ah!" Nie Xiaoqian covered her small mouth in surprise, and looked at Li Yun in surprise: "My son, what do you mean... you want me to build a house in the fairy mansion?"

"Correct!"

Li Yun nodded with a smile.

As the spirit of the Lotus Immortal Mansion, Nie Xiaoqian has certain control over the Immortal Mansion, and he can move the soil and trees inside with his thoughts, and building houses is not a problem.

Moreover, as a ghost with a level equal to that of a \*\*\*\* refinement, she is naturally quite strong.

The only trouble is that Nie Xiaoqian doesn't understand architecture, and she must have stumbled upon building a house.

"Thank you son~"

Nie Xiaoqian raised her eyebrows with joy. She had always had this idea before, but building a wooden house in this fairyland-like place always felt that it would ruin the beauty of this place. Besides, she would not build a house, so she didn't mention it.

Li Yun smiled and said: "This matter is not in a hurry. I will find you some videos and books on building a house later, and you can learn it slowly."

"Okay~"

Nie Xiaoqian's tone rose, she has countless time to try and make mistakes, and it is very convenient to modify the house, it can be built beautifully, for the son and the girl next to him.

"Well, how many rooms do you want to build?"

After Li Yun and Xiaodie left, Nie Xiaoqian walked briskly in the fairy mansion, looking for a comfortable place to live.

"The son has several confidantes. If they all live in the fairy mansion in the future, at least four or five rooms, no, at least seven or eight rooms... to build a second floor, right?"

"Small bamboo building on the second floor... Well, it seems that the place where I lived was on the second floor?"

Some memory fragments flashed in his mind, this time Nie Xiaoqian did not resist, trying to recall the scenes he had seen before.

"By the way, it's a three-story exquisite small building. I actually live on the third floor."

"Many people downstairs are men. They all look at me, their eyes are... disgusting!"

"They seem to call me... Su Yi."

Chapter 1633: Fengfeng, Fenger

Li Yun naturally didn't know that Nie Xiaoqian recalled her real name. After taking Xiaodie out to the outside world, he only took a look at the hot spring. The inside was dazzlingly white, amazingly beautiful, and charming. He felt Xiaodie. It is still necessary to be by my side!

After all, the hot spring at this moment has "looks back and smiles, and there is no color in the six palaces", and "the spring cold baths the Huaqing pool, the hot spring water slides and condenses fat", the beautiful smiles are beautiful, the beautiful eyes look forward to be beautiful, and there is no beauty. , Fascinating everywhere.

Li Yun didn't even dare to imagine or describe too much, lest he would explode like Haraha Volcano.

"Ah, Brother Yun, you finally figured it out!"

Hu Xiaomeng, wearing a pale blue dead reservoir water, with a bib on his chest, with the words 6-4 written on it, waved to Li Yun happily in the hot spring water. After seeing the black feather butterfly coming out, it was even more so. Shouted with joy:

"Wow, Fluttershy, come here and play with Sister Xiaomeng!"

"Yeah, elder sister, Diedie is here~~"

Black Feather Butterfly did not refuse at all, nor did she take off her fairy skirt. She slammed two pairs of beautiful black wings and fluttered to Hu Xiaomeng's face.

The two of them, one big and one small, but with little girls in their minds, played directly, thumping back and forth in the half-pool-sized hot spring, making waves of water, and the laughter made people feel comfortable when they heard it.

Li Yun changed into a pair of swimming trunks and lay comfortably in the hot spring water, allowing his body to soak in the comfortable warm spring water to relieve the fatigue of these days.

The beauty beside her smiled, and she raised her hand to remove the frozen milk and fruit from the low table on the shore. It was a supreme enjoyment!

"Hey, hello!"

Zhao Tianfeng, who had always wanted to see him, but dared not stare at him, sat in the spring not far from him, glanced at Li Yun's figure squintly, and blushed immediately.

"What?" Li Yun asked lazily.

Zhao Tianfeng's cheeks are hot, and this person's figure is really the most beautiful she has ever seen!

Yes, a boy's figure can also use the word beautiful.

All because of Li Yun's height ratio, muscle lines, skin texture, etc., he has reached a perfect point!

It is a work of art, so it is absolutely correct to describe it as beautiful!

"No, nothing."

Zhao Tianfeng shrank and let his chin soak in the spring water.

It was strange that she didn't dislike the hot spring water at all. Although Li Yun had soaked it, she did not dislike it, as if... Even if she accidentally drank some, she would not feel sick, but wanted to get closer to him.

"Fengfeng, you are so strange."

Li Yun gave a chuckle, and Zhao Tianfeng immediately blushed again, "Don't call me that! You, you are going to die!"

Xiaomeng is still around, but this \*\*\*\* calls her a nickname at this time. Isn't this a deliberate attempt to make a fool of her?

Moreover, this phoenix call really made her numb, and her tone was incredibly soft.

"Feng'er, do you want to eat grapes? It's frozen, very cool!"

"Yes... ah, don't call me this again!"

"What this? Feng'er?"

"you you you!"

An annoyed Zhao Tianfeng rushed over, took a burst of spray, and stretched out his hand to pinch Li Yun's face.

"Ahem, no, I'm eating."

"Eat, eat, I will let you eat!"

Hu Xiaomeng, who was playing scuba diving with Xiaodie, had a pair of eyes popping out from under the water in surprise, turning around to look at the two people who were fighting.

"It seems... Huh? So fast!"

"Woo, Sister Fengfeng is so bold, she's all fast...well, use her strong physical strength to suppress all the resistance of Brother Yun!"

"Hehe, Brother Yun must... enjoy it? Sister Fengfeng is in such a good figure."

Chapter 1634: Xiaomeng is gone

After playing with Zhao Tianfeng for a while, the two people's hair was covered with wet water drops. In the end, I don't know if something happened or something happened. Zhao Tianfeng slapped Li Yun and slapped him. Pushing into the water, he was completely submerged under the water, and he didn't even dare to show his forehead.

His face was already red.

"Uh?"

Li Yun couldn't laugh or cry. Tianfeng's hair was very long. After she was soaked in the water, her long black hair spread out, like a black rose in full bloom, beautiful and revealing coquettish beauty.

Well, like a beautiful girl drowning in the bottom of the water! !

"Okay, get up." Li Yun reached out to hold her fragrant shoulders, lifted her up from the bottom of the water, and gently hugged her.

"Feng'er, don't be shy. Xiao Meng and Xiaodie have already gone to play with Xiaodie. No one has seen what happened just now."

In fact, nothing happened just now.

Zhao Tianfeng is so shy, purely because he reacted suddenly, which led to an overreaction of shame.

"Humph!"

Zhao Tianfeng stroked Li Yun's face with his hand to see if there was any pain just now. After confirming that there was no pain, he immediately pushed him away, soaking his body again like a hot spring, swimming a few meters under the water like a beautiful mermaid. The deep water area came out with a crash.

Li Yun's eyes lit up, and the moment the beauty in front of him jumped out of the water, the moment when the drops of hair were shaken and scattered, it was amazingly beautiful!

"What are you looking at?"

Zhao Tianfeng stayed away from Li Yun and glanced at him from a distance. The eyebrows were full of complacency, and there was a trace of flattery: "I haven't seen enough? Sure enough, I can't easily trust a man's promise. What my mother told me correct!"

Luckily, this guy said that nothing happened, but it was just a slapstick, this \*\*\*\* is what it is!

Li Yun shrugged innocently: "Tianfeng, you have to believe me, no, you have to know a piece of common sense, that is a natural reaction that is impossible to control! Especially for a \*\*\*\* and energetic boy."

"Believe you to blame!"

The two chatted apart, and there was a faint ambiguity in their speech, but they were not worried about catching fire because of the distance, which was a different kind of enjoyment.

Zhao Tianfeng was chatting, but suddenly thought of something, and immediately looked around.

"Where are Xiaomeng and Xiaodie?"

"Um?"

Li Yun was taken aback. The two girls ran away from the hot spring and ran into the Japanese-style house. It seemed that they hadn't heard their frolic for a while.

"I went to see."

Li Yun stood up and left the water with a healthy and perfect figure, which made Zhao Tianfeng blush again as he dodged his eyes awkwardly.

After he entered the house, Zhao Tianfeng took a deep breath and stood up. He picked up the generous white bathrobe that was next to the hot spring and wiped off his hair and the delicate body that was running hot spring water with a towel. , Hide the beautiful figure in a thick bathrobe.

—This bathrobe was put on the side of the hot spring for precaution, after all, maybe the \*\*\*\* was impulsive and kept watching her figure in a bathing suit with her squinted eyes!

However, in the end, instead... she was staring at Li Yun.

"Little Meng is gone."

Li Yun looked around, and after confirming that he could not find Hu Xiaomeng and Xiaodie, his voice was slightly serious and said: "The two of them should be out to play, I will look for them, Tianfeng you..."

"Together."

Zhao Tianfeng didn't say much. He took out another rubber band from the low table in the Japanese-style house, \*\*\*\* a simple hair, put on a pair of women's sandals, looked at Li Yun, and motioned to him. Wear it like this.

Chapter 1635: Ghost

"Alright, let's go."

Li Yun made a decisive decision, and put on a man's bathrobe, just like this and opened the door with Zhao Tianfeng and walked out.

Although the two people walking around in the hotel in bathrobes were a bit unsightly, considering that they were looking for someone, they couldn't take care of that much.

Besides, the bathrobe is actually very thick, Zhao Tianfeng's curvy figure will not be exposed too much when he wears it, and Li Yun doesn't care!

"Mr. Li, Miss Zhao!"

As soon as Li Yun and Zhao Tianfeng left the house, the waitress who was standing not far away waiting for the guests to summon immediately walked up, eyes flashed with surprise, and then quickly bowed their heads and saluted them respectfully, and asked softly: "Do you want to find that little lady?"

"Yes!" Li Yun breathed a sigh of relief. Hu Xiaomeng's girl really sneaked out to play, and she also brought Black Feather Butterfly, this crazy little girl, wait for her to find her and have to knock her head a few times!

"PLZ follow me."

The waitress politely made a please gesture, "The little lady said she wanted to stroll around in the hotel. Don't worry, Mr. Li. We have the most professional security measures in the Haraha Hot Spring Hotel. Guests here are guaranteed not to Anything dangerous will happen!"

Li Yun made a helpless gesture.

He was not afraid that Hu Xiaomeng would encounter danger, but that others would encounter danger!

Especially the Black Feather Butterfly, don't look at her being so well-behaved in front of Ba Ba, she is also very easy to talk in front of several other sisters, but for strangers, Black Feather Butterfly is absolutely crushed to death without a blink of an eye.

The waitress led the way and couldn't help but look back at Li Yun and then at Zhao Tianfeng, the awe-inspiring expression in her eyes was very obvious.

Not to mention Li Yun's handsome face, but Zhao Tianfeng, she is definitely the most beautiful girl a waitress has ever seen in her work for nearly five years!

In the past, the rich and powerful people are not little stars who have not brought second and third lines, or some big schools spend a trip to A Duo Mountain, she can be regarded as seeing more beautiful women with tender faces and good figures.

However, those star school girls are completely vulgar fans compared to the little girl before and the girl with a model figure and a cold and arrogant temperament!

"Mr. Li is so handsome, with two top beauties by his side, it's a combination of golden boys and girls!"

The waitress couldn't help guessing Li Yun's identity in her heart, but suddenly thought of something.

When registering, Ms. Zhao only registered two people. Even when she stood not far away and saw two people entering the guest room, she only saw two people, and no third person had ever entered.

But how did that young young lady suddenly walk out of the house?

The more the waitress thought about it, the more strange it became. As she walked in the bamboo forest of the hotel in the deep environment, she suddenly felt a kind of creepy feeling.

Moreover, Mr. Li is so handsome and Ms. Zhao is so beautiful. The two are not like normal people at all, maybe they are some kind of ghosts and spirits.

"correct!"

The waitress suddenly thought of another thing. When the lovely little lady left, she seemed to say something to the air.

Could it be that...yes, ghost?

"what!!!"

A woman screamed in the distance. The waitress with cold skin and hairy heart was frightened on the spot and her legs weakened. She sat directly on the ground, her face pale and looked at the handsome man and beauty behind her: "No, no, no Eat me, my meat is not delicious. I, I often go to hot springs, and my body smells of sulfur. I, I, ooh, I have a boyfriend and it's not good anymore. It's definitely not delicious!"

"...?"

Chapter 1636: Little girl, who are you from

Question marks appeared in both Li Yun and Zhao Tianfeng's minds at the same time. Why did this waiter who looked pretty normal before suddenly become neurotic?

"What's wrong with you?"

"me!"

Seeing that the two "ghosts" did not think of eating themselves, and behaved very normally, the waitress blushed directly, and could not speak for a long time.

Of course she could not say, nor could she ask Li Yun who was the young lady who suddenly appeared.

After all, those who can come to high-end places like Haraha Hot Spring Hotel to soak in hot springs are all people who don't lack money at home. It's normal to have a few beautiful girls. Maybe that cute little lady doesn't want to be known by others, so Only secretly entered the hot spring.

"Forget it, I found it. Go ahead."

Li Yun waved his hand and walked straight to the place where the scream was made. His spirit had already noticed the abnormality there.

Zhao Tianfeng tightened his bathrobe and followed him. The waitress sitting on the ground ashamed behind him bit her lip for a moment, and hurriedly stood up to follow, and walked, tidying up her clothes indiscriminately, trying to maintain positive image!

"Mr. Li, I'm very sorry, I lost my mind just now, please, please don't complain to me."

The waitress is nervous, in A Duoshan, you can't find a better waiter job than this.

In this small fourth-tier city, the salary of the sweeping aunt at A Duoshan Hot Spring Hotel starts at 5,000, which is an absolute high salary!

When the scene was about to be chaotic, Li Yun and Zhao Tianfeng arrived. Hu Xiaomeng quickly dodged behind him. Zhao Tianfeng clearly saw that the little girl's cute face was full of triumphant expressions.

"Humph, call you grandma if you ask you to scold me!"

Li Yun pretended not to hear, looked at the front few people indifferently, and said: "Sorry everyone, my girlfriend was a little bit messy. If there is something offended, I will apologize for her like you!"

"girlfriend!"

Several men, sister Li and other women all looked at Hu Xiaomeng in surprise. This little girl looked very young, and she didn't expect to have a boyfriend.

But then I think about it, now that there are more dating in junior high and high schools, and Li Yun's handsome appearance, even after Sister Li sees it, a hint of envy flashes through it.

"This \*\*\*\* little girl has such a handsome boyfriend, it's not reasonable!"

Sister Li glared at Hu Xiaomeng, who had a blushing face. She stood up and opened her mouth to curse vigorously, but for some reason, her words became: "You... forget it, little girl, you will pay attention to it later. point!"

After speaking, she took a small step back.

I don't know if he was shocked by the inexplicable aura on Li Yun, or because he was too handsome.

—Men will involuntarily cultivate themselves in front of beautiful women. Women are actually the same. They will always pretend to be a lady in front of handsome men.

"Yes~~~"

Hu Xiaomeng's voice deliberately dragged the old man, "I know, auntie~~!"

"you!"

Sister Li became angry again, Li Yun dumbfoundedly knocked Xiaomeng Hu's head, "Don't make trouble, although your surname is Hu!"

"Humph!"

Li Yun had learned that Sister Li was not very angry, so she had to give up.

"Hee hee~" Seeing her like this, Hu Xiaomeng also took it as soon as he saw it, smiled at her, and said sweetly: "I'm sorry, Sister Li~, I was a little anxious just now, Xiaomeng is here to talk to you Apologize~"

The soft and cute tone instantly melted most of the people's anger, even if it was Sister Ruli.

In particular, this kind of messy little girl took the initiative to apologize, and the effect is even better!

The evidence is that Sister Li's expression immediately eased.

"Xiaomeng, where is Xiaodie?"

The voice of a woman with a trace of reproach in the coldness attracted the eyes of all the people present. After seeing the appearance of the person who was speaking, all the men's eyes widened.

"What a nice view!"

The same thought flashed in their minds.

Wearing a white bathrobe, she wrapped her tall model-like figure in a thick and soft fabric, only vaguely visible the grace of her figure.

But even so, Zhao Tianfeng's beauty still shocked them!

The black waterfall-like hair hangs wet behind his head, the temperament is noble and arrogant, but the white and jade cheeks show some charming redness because of the hot springs, like an indifferent fairy after estrus, directing people's index fingers to move!

"Humph!"

Zhao Tianfeng let out a cold snort of disgust, awakening the group of men who showed their stupidity, making them embarrassed.

Their female partner is jealous, but they have to admit that in terms of beauty, temperament, figure, etc., the woman in front of them is a crushing level!

"Fluttershy..."

Speaking of this, the girl Hu Xiaomeng finally had an awkward expression: "She suddenly said that she wanted to eat, so I took her out, but Xiaodie suddenly disappeared!"

Chapter 1638: trigger event

"Do you suspect that she has entered this room?" Zhao Tianfeng asked, looking sharply at the back room behind the hot spring. The seven or eight men and women in her line of sight were shocked by this extremely sharp gaze. Stabbed!

"Correct!"

Hu Xiaomeng clicked on the baby's fat cheeks and recalled: "After she came out, she flew all the way to this side. When she came near here, she rushed in with a cheer, and I couldn't stop it."

Li Yun probably knows why his daughter is doing this.

Apart from eating, there is nothing else that can make Black Feather Butterfly so impulsive.

"Ding, trigger the option event, please choose from the host:

Option 1: Investigate and buy something that attracts Black Feather Butterfly, reward experience value + 1 million, free attribute points + 5000, blue gift bag \* 5, a small probability to trigger subsequent unknown events.

Option 2: Ignore, call Black Feather Butterfly, leave, no reward.

Option three: sling the person here, take the treasure forcibly, reward the evil value +100,000, and obtain the skill: rampant and domineering. "

"A choice event?"

Li Yun moved in his heart and said directly to them: "Several people, I am willing to use money to buy something that you are carrying, and the price will definitely satisfy you!"

Sister Li looked at each other, and they said so well before, why suddenly they said they wanted to buy something with money.

The key thing he wants to buy doesn't know yet!

"friend."

A successful man with a big belly stood up. He first glanced at Zhao Tianfeng with an insignificant, fiery look, and then said: "I know you may have a few money, but we are not poor. In addition, don't think that you are the only one. smart people!"

Li Yun frowned, realizing that he might be too reckless.

"Sorry, I didn't mean that."

"Then what do you mean?"

The big-bellied man was not forgiving. He saw Li Yun surrounded by two top beauties, and he felt that this kid was not pleasing to his eyes, and he wished to ridicule him in front of the beauties and make him foolish.

Maybe beautiful women will change their minds because of this.

"Mr. Lee!"

At this moment, a surprise shout came from inside the house. A 30-year-old man hurriedly walked out and shouted: "It's really you, Mr. Li! I didn't expect to see you here... oh Yes, yes, my fault, hahaha, Mr. Li, you originally came to the hot springs at A Duo Mountain."

Everyone was taken aback and looked at Manager Mu together.

Yes, the man in front of him was the same supermarket manager Li Yun met before, and he drove the three of Li Yun to the Flying Horse Ranch.

"It's a coincidence indeed."

Li Yun chuckled, "Manager Mu, please explain to your explanation. I'm here to find someone. Secondly, I want to buy something from you!"

Although it was sudden, Li Yun still wanted to buy something that could attract the black feather butterfly to fly over. Maybe it would be useful.

"Looking for someone? Shopping?"

Manager Mu was puzzled, but still turned his head to explain clearly to his companions, and emphasized: "You must not offend this Mr. Li!"

Sister Li is already a little imaginary.

Among them, most of them are small local bosses and company managers. Manager Mu, who owns multiple supermarkets in A Duoshan, is the best among them.

But now, Manager Mu showed respect for the handsome young man in front of him, and even showed awe, which made them have to look at Li Yun.

"Mr. Mu, is he really that amazing?" The big-bellied man, as a successful person, couldn't believe it, and glanced at Li Yun sideways.

Chapter 1639: Order the horses, don't dare not follow

Judging from the two beauties around this kid, one big and one small, it seems that the background is really big!

Big-bellied men have also seen many wealthy businessmen from other places, but the female companions they bring are no better than a finger of these two beauties!

"Boss Zhang is more powerful than you think!"

Manager Mu looked at Li Yun with admiration, humble and enthusiastic to the extreme: "Mr. Li used one person to overturn the Pegasus pasture and slaughter the earth emperor of Mount Aduo. How much do you say about Mr. Li? sharp?!"

"Wh, what!?"

Boss Zhang, Sister Li and others all opened their mouths wide, and the eyes that looked at Li Yun were full of weirdness and fear.

It's hard for outsiders to believe that the boss of Flying Horse Ranch has what kind of psychological shadows among the locals in Aduo Mountain!

It can be said that there is massacre at Mount A Duo, and only massacre.

He occupies the most profitable industry in Aduo Mountain, and has raised hundreds of thugs, hoarding them in the Flying Horse Ranch, like a city within a city.

No one dares to take the edge!

The name of the boss can stop the children from crying at night, and the adults are panicked and dare not talk more.

result.

"Mr. Mu, Manager Mu!" Boss Zhang looked at Li Yun in shock, and stammered: "This Mr. Li and Mr. Li are really going to the Pegasus Ranch... just what you said, one person will do the Pegasus Ranch A fierce man turning over?!"

"I saw it with my own eyes!" Manager Mu pointed to his eyes and said with certainty.

He looked at Li Yun cautiously, and only after getting the tacit approval of Mr. Li, did he tell what happened last night in an exaggerated tone.

"Mr. Li Yun is so powerful that he can lift the big sculpture of the Pegasus Ranch, which weighs several tons, with one hand!

He kicked over, and countless Pegasus ranch thugs suddenly turned their backs!

With a loud roar from Mr. Li, the hundreds of frightened galloping horses immediately hissed to a halt, ordering the horses, don't dare not follow! "

"..."

Boss Zhang was dumbfounded, Sister Li dumbfounded, Zhao Tianfeng laughed out loud directly.

"It's OK"

Li Yun held his forehead and quickly called Manager Mu: "Although what you said is true, it always feels weird to say it from your mouth!"

What does it mean to order Gunma and dare not follow?

It made him look like Bi Mawen who specializes in horse management in myths and legends!

"Yes, is it true?"

Boss Zhang was trembling with fright. He thought it was an exaggeration, but he didn't expect it to be true!

"Although it is exaggerated, it is definitely true!" Manager Mu assured him, patted his chest again.

Li Yun didn't bother to pay attention to this guy. Why didn't he think that Manager Mu was such an unreliable person before?

Then I thought about it, Manager Mu's identity as an ordinary person, but able to stand up and face Tukai bravely and send them to the Pegasus Ranch is enough to prove his courage!

Thinking of this, I admire him a bit.

"Talk to business."

Li Yun looked around for a week, nodded specifically to Manager Mu, and said: "I'm here to find someone, and that person is here to find something, so I said I wanted to buy it."

"Looking for someone?" Sister Li's pungent temper was completely gone. In front of Li Yun, the person who took the slaughter, she did not dare to get the slightest anger, and said weakly: "But Mr. Li, we have been in the yard. I was soaking in the hot spring before, and I didn't see anyone flying in...Uh, flying in?"

Sister Li was stunned. Hu Xiaomeng said the statement that flew in. She didn't pay attention at the time. Now she subconsciously uses this very strange word!

Can someone fly in?

"Ghost, ghost!"

Chapter 1640: Just know to eat

The waitress, who had been not far behind, screamed again, and when everyone looked at her, she blushed again.

"Me, me, that... still feels weird!"

She remembered that when Hu Xiaomeng went out, she seemed to see something flashing past her eyes, a colorful skirt, black wings...

Manager Mu settled down and smiled to Li Yun in kind: "Mr. Li, we really didn't see anyone coming in, did you get it... wrong?"

If it is someone else, Manager Mu will definitely say that you made a mistake.

But Mr. Li Yun, his judgment will never be wrong!

Probably it can't be wrong.

"Yes."

Li Yun smiled and shouted directly into the room: "Xiaodie, is your little girl itchy butt? Don't come out quickly!"

There was no movement in the room.

The scene suddenly fell into a weird and quiet atmosphere. Everyone had weird faces.

Photographed by Li Yun's astonishing act of going over the Pegasus Ranch alone, no one dared to stand up and laugh at her.

"Xiaodie, your food will be gone if you don't come out!!" Hu Xiaomeng put his hands in a trumpet shape to his mouth, and shouted inside with a crisp and tender voice.

"Eh, oh~~Don't, Didie is coming out~~Don't fight, come out~~"

Accompanied by the shrill little girl's voice, a strange little elf flew out and appeared in front of the crowd in a majestic manner.

"!!!"

Manager Mu and the others were stunned again, staring at the dreamlike butterfly elf floating in the air and tapping its wings.

The size of a palm, the human figure has wings, the proportions are flawless, exactly the same as the naughty elf in the movie!

No one doubts whether this is modern technology. Anyone with a bit of IQ knows that it is impossible to make such a realistic flying doll with the current technology, let alone fly so naughty up and down so flexibly!

This one is definitely a magical creature only in mythology!

"Fluttershy, what are you doing naughty again?"

Li Yun couldn't laugh or cry and caught the little devil's head with his palm, and tapped her head with his finger to show punishment.

"Hehe, Baba~"

The black feather butterfly showed off what he was holding, a wooden Buddha sculpture, "Look, delicious meal~!"

"delicious?"

Hu Xiaomeng came up and looked left and right at this ordinary Buddha statue. Nothing unusual was found no matter how he looked at it. It was a very ordinary wooden Buddha statue.

It looks like Maitreya Buddha, with the iconic big belly and the iconic smiling mouth, so it is also called the smiling Buddha.

"How to eat?" Hu Xiaomeng looked at Black Feather Butterfly with a weird expression. She always felt that Xiaodie was eating very strange things!

"That's it~ Eat!"

The Black Feather Butterfly was about to flap her wings to crush this thing, turning it into pure energy to absorb, and Li Yun stopped her in time.

"Baba, do you want?" Hei Yudie tilted her head and looked at Li Yun.

"No, this is someone else's thing, a good boy can't eat it casually!"

Li Yun started to have a headache. Hei Yudie was only a few months old, and the education issue had to be put on the agenda.

Putting aside education for now, Li Yun picked up the wooden smiling Buddha sculpture, looked at Manager Mu and others, and asked, "Manager Mu, is this thing yours?"

Manager Mu, Boss Zhou, waited for a while, and then Manager Mu nodded quickly, "Yes, it's mine. I bought it from a place. If you want, Mr. Li, just take it!"

"what!!"

Behind her came the scream of the waitress after reacting, but this time, before Li Yun called her, she covered her mouth, slammed it, and looked at Hei Yudie with shocked eyes. .

There are really ghosts in this world!
