Chapter 1641: Buddha statue

Ignoring their shock, Li Yun smiled: "Mr. Mu is yours. It's a coincidence, so let's make a price and I will buy it directly."

After a pause, Li Yun said in a serious tone: "This Buddha sculpture is not simple. There are dirty things on it. If you accompany it for a long time, bad things will happen!"

"what!"

Manager Mu was obviously taken aback. Without questioning Li Yun's words, he quickly said: "No wonder I have been in poor health recently. I thought I was tired, so I deliberately asked a friend to go to the hot spring to relax my muscles and bones. Because of the Buddha statue!"

As he said, he rubbed his chest and said angrily: "The master of fate is too hateful, because he is still a monk, he lied to me to buy it for 10,000 yuan, but in the end he wanted to hurt me!"

"It doesn't necessarily mean to harm you, but... it may be a coincidence."

Li Yun cautiously did not make a judgment immediately, no practitioner would harm an ordinary person for no reason, and he deliberately made a magic weapon and wasted a lot of energy to curse him.

A group of people were frightened by the existence of the Black Feather Butterfly, all of them closed their mouths and did not dare to breathe.

Hu Xiaomeng curiously asked, "Brother Yun, what is this Buddha sculpture? Why can't I see anything unusual about it?"

"You can't see it with the naked eye, you have to see it with divine mind."

The answer to Hu Xiaomeng was Zhao Tianfeng. She carefully took the Buddha sculpture in Li Yun's hand, stared at it for a while, and then nodded and said: "There is indeed a very tiny thing on it, which doesn't make me feel good, I have never seen anything like that."

After speaking, Zhao Tianfeng looked at Li Yun, waiting for him to answer.

Everyone looked at each other, but no one dared to speak.

They couldn't see anything, but the noble and arrogant beauty said yes, that should be the case.

After all, big beauties are seldom liars. Their existence can attract countless rich second generations and earn enough benefits. Relatively speaking, the efficiency of cheating is too low!

"Divine mind? Oh, people also want divine mind." Hu Xiaomeng has long been greedy for this thing, but unfortunately, it is still a lot of time before she cultivates divine mind.

"This is a demon, it should be."

Li Yun still used uncertain words.

For the monster, he has only seen it twice.

Once at the entrance of Wanfaxian's cave, he was almost spotted by the lion monster with wings.

The other time was on the wreckage of the crashed plane, where many newborn frog monsters were encountered.

Nothing else.

The three-eyed toad and the black feather butterfly are not strictly speaking monsters, nor do they seem to be gu worms, nor are they divine beasts. The existence of the two is very special.

"Are you evil?"

Zhao Tianfeng's hand holding the Buddha statue trembled slightly, not afraid, but a little excited.

Since meeting Li Yun, she has encountered many unknown things, and now she has encountered even the evil spirit.

But if it weren't for Li Yun, she wouldn't even be able to cultivate her spiritual thoughts, and these extraordinary beings would not seem to be in the same world.

Hu Xiaomeng was surprised: "How can there be a monster on the wooden Buddha? The monster is not always in the movie novels that are terrible and disgusting, just like the three-eyed toad monster! "

The three-eyed toad demon...you-eyed toad will cry when it hears it.

Chapter 1642: Statue chanting Buddhist scriptures

"I don't know." Li Yun shook his head, "I don't know much about monsters."

If it hadn't been for the magical pill that he had system rewards that could cure hundreds of poisons, Li Yun would really not dare to physically touch these things, for fear that he would be recruited without knowing it.

"Um~, let me think about it..." Hu Xiaomeng secretly stretched out his little hand, carefully touched the Buddha statue, and then retracted like an electric shock.

"What are you doing?"

"Hehe, Sister Fengfeng, do you think the evil spirit can stimulate my potential and let me have divine consciousness all at once?"

".....What do you think?"

"possible!!"

Hu Xiaomeng clenched her right fist and swung it towards the sky, and said confidently.

"You should practice hard, don't think about the shortcut!"

Li Yun knocked the girl's little head anger, making her scream cutely, and muttering "Big Brother Yun is a badass" with tears in her eyes.

Li Yun ignored her pitiful eyes and turned to Manager Mu and asked, "Can you tell me the origin of it?"

"Good, good!"

Manager Mu was a little frightened by the topics discussed by the three of Li Yun. He recalled the abnormality of Mount Adu in the last two days. Groups of fighters appeared in this remote town. Helicopters and fighter jets appeared on the side of the Halaha Volcano Group. Also blocked.

Manager Mu now has reason to suspect that these abnormal situations are all because of Mr. Li Yun's arrival at A Duo Mountain, which caused a series of things to happen!

"I bought this Buddha sculpture from a small temple when I was traveling five days ago!"

Manager Mu recalled: "It was placed in the middle of the Buddhist hall, with the large stone Buddha statues, and was visited by tourists.

I thought it was strange at the time, so I asked why I worshiped it.

The monk named Master Yuanjue said...just said. "

He swallowed, with a look of horror on his face.

"Say what?" Sister Li asked tremblingly.

"Say, this Buddha sculpture will recite Buddhist scriptures by himself at night!"

"scare!"

Everyone was frightened. There were bamboo forests all around. In the dim lights at night, the shadows could not see clearly, and the black feather butterfly kept jumping back and forth, babbling happily, just like a female ghost was about to show up. The atmosphere of horror!

The waitress had goose bumps again, and couldn't help but leaned forward, trying to get close to Li Yun to enhance her sense of security.

Think about it, in a temple in the mountains and forests in the middle of the night, in a very dim room dedicated to Buddha statues.

It was supposed to be an empty room, but there were waves of hoarse and vague chanting, just like a tragic death of a monk, the resentful spirit lingered, has been, has been lingering in the temple before his death, chanting Buddhist scriptures in the middle of the night!

"very scary!!!"

Hu Xiaomeng was so scared that she hugged Sister Fengfeng next to her, her small face was buried in her chest, and her ***** eyes wanted to see but didn't dare to look.

Everyone's expressions are also very ugly.

If Manager Mu only said this in normal times, they would just listen to it as a ghost story and tease that the Buddha sculpture is worth buying.

However, Mr. Li Yun, who tamed the elves in myths and legends, had already made it clear that there was a problem with this Buddha sculpture, so they would no longer be able to listen to what Manager Mu said as a ghost story.

It is very possible that the Buddha carvings reciting Buddhist scriptures are true!

"interesting."

Li Yun smiled slightly and asked, "What then? Master Yuanjue felt that this Buddha sculpture was a manifestation of the Buddha, so he enshrines it, and then you buy it?"

"Correct!"

Chapter 1643: If i smell

Manager Mu replied affirmatively: "At that time, I grinded him for a long time, and finally I excused that I had encountered an unlucky thing recently. Only then did Master Yuanjue say that it is the duty of a monk to save hardships, and I bought it at a price of 10,000 yuan! Damn it! , Think about it now... uh."

Manager Mu didn't know how to go on.

Is the old monk harming him or cheating him? Or is there another purpose?

In short, there is a problem with this Buddha sculpture!

"After you got the Buddha sculpture, did you hear the sound of chanting at night?" Li Yun asked.

Manager Mu shook his head, "No, after I haven't heard it for a few days, I just feel a little tired, and I'm not sure if it's because of this thing..."

Li Yun fell into contemplation. The enchantment on this Buddha sculpture really surprised him. He had always thought that only living creatures would have it, but he didn't expect that there would also be dead ones.

Everything can become a demon?

He decided to do an experiment!

"Do you want to see something magical?"

"whats the matter?"

"that is--"

Li Yun threw the small wooden statue of Maitreya Buddha up and down, revealing a mysterious smile: "Recite the Buddhist scriptures!"

Everyone was startled, and then shook their heads together!

But Li Yun has already started.

With the infusion of a little spiritual energy in the Lotus Immortal Mansion, there was a strange and magical change on Maitreya Buddha!

Manager Mu and others were shocked to see that a sacred light gushing from the wooden Maitreya Buddha statue, shining on everyone's face, as if coating their cheeks with a bright golden light.

The Buddha's light is shining, the golden lotus is surging, and the three thousand magic methods are all displayed in front of your eyes.

The horrified hearts of the crowd quickly calmed down, and their eyes worshiped and looked at the Buddha sculpture, which was suspended in mid-air, and had begun to recite the scriptures of God.

"As I heard, for a time the Buddha was only a tree for the solitary garden in the kingdom of Sāvātāva, and he was with the great bhikkhus of two hundred and fifty people..."

The Buddha's voice is huge, such as Huang Zhongda Lu is shaking and deaf, faintly revealing an unstoppable majesty, making people want to worship it!

Manager Mu and the others trembled their legs and looked at the Buddha statue with dull eyes. Boss Zhang couldn't control himself at first, so he thumped and knelt on the ground.

"My brother and disciple would like to become a monk, obey and follow the Buddha all his life, and run around and serve to promote the majesty of my Buddha!"

Boss Zhang kowtowed and stammered these words.

Later, I also began to recite the scriptures.

"If, so... if Yisek sees me, ask me with voice."

Seeing the ugliness of the crowd, Hu Xiaomeng opened her mouth in surprise. She only felt an inexplicable evil spirit emanating from the Buddha sculpture. Although the Buddha sculpture was enveloped by a sacred golden light, it could not stop it. The evil, her brain is trying hard to resist this weird power!

"Pro!"

Suddenly, the real Buddha sounded, shaking people's hearts suddenly. After the mind returned, everyone saw a very shocking scene.

The golden light on Maitreya Buddha was dissipated and dissipated by the sound of the Buddha. In a daze, Manager Mu saw Maitreya Buddha, who was always smiling, and his smiling face suddenly became extremely hideous, making his face pale with horror.

Fortunately, the weirdness of Maitreya Buddha quickly disappeared, and it changed back to the appearance of a smiling face, and fell to the ground with a loud sound, no more movement.

"..."

After a long dead silence, after seeing Li Yun go to pick up the Buddha sculpture, everyone gradually recovered.

After looking at each other, everyone saw that their faces were already covered with sweat, and their lips were pale and pale, and they were obviously terrified.

Chapter 1644: Gift

"never mind."

Seeing that they were all frightened, Li Yun regretted it a bit. This Buddha statue was really evil, and it was quite terrifying to ordinary people. It was also a mentally confusing attack, and it was indistinguishable in a wide range, and it was impossible to prevent.

However, it can be considered to have figured out some of the doorways contained in this demon-buddha statue.

"Sorry, I was too reckless."

Li Yun smiled apologetically, waved out a few pills and put them on the table next to the hot spring, and said to them who were frightened: "These pills can restore your health, and even some stubborn physical illnesses can be eradicated. My compensation."

"That's right, Manager Mu." Li Yun took out his cell phone again, "I'll give you another one million. You can sell this Buddha sculpture to me. Are you satisfied with the price?"

Manager Mu panted slightly, as if he hadn't recovered from the shock just now, only shook his head subconsciously, "No, no need, too much."

"Take it, if you feel too much," Li Yun glanced at Boss Zhang who was bleeding on his forehead, "The rest will be used as medical expenses for you. Okay, I will leave first. I will add your phone number. Empty, or contact me if you encounter any strange things!"

Li Yun finished the transfer of his bank card neatly, and left with a cool wave.

The rest of you, look at me, and I look at you. It took a long time to breathe a sigh of relief.

"Unexpectedly, there is such a...magic man in this world!"

Sister Li was full of emotions, thinking that she had almost offended Li Yun before, she couldn't help being afraid for a while.

Fortunately, Mr. Li didn't remember the villain's past and didn't take her to heart, otherwise she would die now without knowing how.

Boss Zhang nodded in agreement, and he almost offended this big man too, so dangerous!

"You said, the pill that Mr. Li left behind..."

Soon someone turned the topic to this aspect. Boss Zhang didn't hesitate, he simply picked up a small white pill and put it in his mouth. While swallowing it, he said vaguely: "A person like Mr. Li, It will not harm us. He said that this medicine can cure the hidden diseases of the body. It just so happens that I have mild asthma, which can be...sigh!"

Before he could finish a sentence, Boss Zhang took a sigh of relief, covering his chest and abdomen with his hands, sweating all over his body, and he was crying and speechless.

"Boss Zhang!?"

"Boss Zhang, what's wrong with you?"

The crowd was terrified, almost thinking that the white pill was some kind of poison.

Fortunately, Boss Zhang quickly eased his breath, and when he opened his mouth, he spit out a large cloud of turbid black blood.

Everyone was frightened again.

However, Boss Zhang jumped up and shouted: "So cool!"

"Oh my god, my body hasn't been so cool since I was twenty!"

Big-bellied, classic wealthy businessman, Boss Zhang clenched his fists and made a bodybuilder's posture, yelling: "It's so cool, it's so cool! I'm full of strength now! I'm Cao, even my skin is white and smooth." NS!"n/o/vel/b//in dot c//om

"what?!"

When Sister Li and a few women heard it, they rushed to the table like crazy, each rushing to eat the pills one by one.

No woman can resist whitening her skin!

The so-called one white covering one hundred ugly, let alone the pill can make the skin smooth and delicate, it can make women all over the world go crazy!

"It's so hot... Oh my god, really, there is a layer of black mud on my skin, but it's really white!"

Chapter 1645: Black feather butterfly evolution, three-winged black feather butterfly

"It's the same with mine. The crow's feet are gone. Oh, thank you Mr. Li Yun!" The waitress also grabbed a copy, and now burst into tears of happiness.

After her skin became better, her beauty rose a few levels out of thin air, maybe she could catch a diamond Huang Laowu!

Everyone was in a mess, shouting again and again in surprise.

After a long time, Manager Mu stopped them.

"Everyone!"

Manager Mu said very solemnly: "Although Mr. Li didn't say it clearly, I suggest that you never say anything about tonight, and always rot in your heart. Otherwise, others want this kind of pill, but you can't get it out. On the contrary, it brings disaster to yourself! After all, you can't ask Mr. Li for it, right?"

Everyone nodded their heads again and again, unanimously decided to forbid revealing what happened tonight, and never tell others to listen, even if it is a wife and husband!

Boss Zhang looked at Manager Mu enviously: "Brother Mu, you not only made a million back during a trip, but you also met a big man like Mr. Li, so that all of our friends like you, brother Mu, big Don't say thank you, please come to me if you have anything in the future!"

Manager Mu was embarrassed and looked in the direction where Li Yun had left, "Maybe this is just going out to meet a distinguished person!"

The things given by the big people casually have become the opportunities for ordinary people like them and unquestionable, and now he still finds it incredible in retrospect.

"Finally, let us thank Mr. Li Yun again!"

"Thank you Mr. Li Yun!"

A group of ordinary people who ate the small detoxification pill became grateful to Li Yun, and the topic after that was not separated from Mr. Li Yun, and the discussion was enthusiastic.

And Li Yun leisurely returned to his hot spring yard, and once again closed the door to isolate all the noise from the outside world.

It also blocked all movement in this top hot spring room.

"Ding, the host made a choice, perfect investigation into the origin of the smiling Buddha, rewarded experience value + 1 million, free attribute points + 5000, blue gift bag * 5, extra reward: small pill * 20."

Li Yun was startled, there is such an extra reward?

The system wanted to compensate for the small detoxification pills he gave to Manager Mu and others?

Probably.

"Little Meng, I'll come out to teach you later."

Li Yun gave Fox Xiaomeng a waiting look, and entered the Lotus Fairy Mansion with Black Feather Butterfly.

The reason why this little guy ran out to find something to eat was because his stomach was already very hungry and he couldn't wait to evolve, so Li Yun didn't play the hot springs for her at all and just opened his stomach to eat.

"Wow, dinner~~"

After getting permission, the black feather butterfly no longer greeted the Buddha statue, excitedly rushed into the sky of the Lotus Immortal Mansion, its wings flicked, and the surrounding aura was madly swept into her mouth. Swallow it all in one go!

The speed is so fast that even the surrounding spirits form a whirlpool.

The center of the whirlpool is undoubtedly this one that is said to be the third-ranked evil creature in ancient times, the nine-winged black feather butterfly!

Countless spiritual energy was swallowed by her, Li Yun and Nie Xiaoqian looked terrified, for fear that her belly could not hold so many things.

"Fluttershy, slow down!"

"Crack!"

The little toad on the ground could only have tears in his eyes, eagerly watching the big sister's head eating happily.

"Woo, boss, I also want to do meritorious service, I also want to open my belly to eat aura!"

Chapter 1646: try again

Three-eyed Toad thought this way, but what he said was a croaking voice.

Li Yun knew what he was thinking without guessing, and just ignored it.

Soon, after the concentration of aura in the Lotus Immortal Mansion was reduced by one level, Black Feather Butterfly finally closed her mouth, burped a lovely full, and flew towards Li Yun obliquely, and fell directly into his hand.

"Dad, An An~"

After saying good night, a black radiance gushed out of the black feather butterfly, and it quickly formed a pure black cocoon, quietly and no longer moving.

"Sure enough, it's going to evolve."

Li Yun glanced at this black cocoon, and some strange lines were faintly visible on it, like a black hole in the color, there are dots of brilliance, it looks very beautiful.

Knowing what happened before Fanqing Sheng, Li Yun simply took out a pen and paper and described all the strange lines on the cocoon.

Although I don't know if it's useful, it's always correct to write it down first.

After painting, it is estimated that Xiaodie will take some time to digest. Li Yun handed her to Nie Xiaoqian's hands and said to her: "Xiaoqian, you put Xiaodie in the herbal garden, if she wants to eat something Just give her food, don't mess up the fairy house."

The aura with system rewards is continuously provided, and the things in the fairy herbal garden are nothing more than weeds that can grow back at any time.

"Xiao Qian?"

"what?"

Nie Xiaoqian seemed to have been awakened, and she lowered her head in shame: "Master, son, what are you talking about?"

Li Yun repeated it again, and asked her, "Are there anything wrong with you?"

"No, nothing, I'm just...somewhat distracted."

"Well, rest and rest, and rejuvenate."

Li Yun smiled at her and left the fairy house again.

The remaining Nie Xiaoqian held the black cocoon and stood there for a long time, looked faintly into the distance, and muttered: "My son, Su Yi has already..."

...

Back to the outside world, Li Yun just stood still, a petite and exquisite body plunged into his stun, holding him coquettishly, while begging for cuteness: "Brother Yun~, don't punish Xiaomeng, Xiaomeng knows that he was wrong. Never dare to do this again~~"

"Don't dare?" Li Yun raised his eyebrows and waved to "learn" her.

"Oh, bad brother Li Yun!"

Hu Xiaomeng's face was blushing, and he twisted and said in a soft voice: "Big, big deal, I will give Brother Yun a kiss again~, Brother Yun, look, I changed into the beautiful and cute dead reservoir water. "

"Ahem!"

Li Yun was almost choked.

Only then did he discover that not only Zhao Tianfeng threw down his bathrobe and put on a swimsuit, but even Xiaomeng was ready to soak in the hot springs.

The navy blue standard swimsuit originated from the Sakura Junior High School students' swimming class shows Hu Xiaomeng's slender figure and shows the youthful vitality of the girl. Like the flower bones that will bloom in the warm spring, it is so beautiful that you can't look away.

"Hee hee~"

Hu Xiaomeng snickered, and took the initiative to stretch out his arms around Li Yun's neck, and said coquettishly: "Brother Yun, here, Xiaomeng will give you the reward of love to kiss, just give it a kiss, not too much! "

Li Yun jumped his eyelids and taught the little girl again: "Even if your surname is Hu, don't mess around! If you are not hungry for dinner, I will be hungry."

"Woo, bad brother Yun!"

Hu Xiaomeng puffed up her mouth, she is not a fool, she has already plucked up a lot of courage, okay!

Sitting on the sofa in the Japanese-style room without going to the hot spring, Zhao Tianfeng glanced at the two of them, then quickly lowered his head, a touch of shame quietly appeared on his beautiful face.

Hu Xiaomeng decided to try again!

Chapter 1647: Universal Detoxification Pill

After a lot of toss about the smiling Buddha, when Li Yun and the three had dinner, it was already past eight o'clock in the evening.[n/o/vel/b//in dot c//om](#)

Moonlight shone into this independent courtyard. Li Yun and two beautiful women sat in the courtyard, watching the moon and eating by the hot spring.

For Hu Xiaomeng's small actions, such as reaching out and kicking him with a small foot, deliberately saying something dark, deliberately stretching his arms, showing a girl's graceful posture, etc., Li Yun naturally saw it.

These actions deliberately used to attract men's attention were used by Hu Xiaomeng, but they seemed very funny.

After all, this girl has never experienced this. How can she be full of charm and charm based on her experience in reading and watching movies?

"Li Yun."

Picking up a glass of wine and taking a sip with moist red lips, Zhao Tianfeng asked indifferently, "Is it a problem to let ordinary people know about Xiaodie's existence?"

She deliberately acted indifferently.

After all, Zhao Tianfeng can also see that Hu Xiaomeng has always wanted to make trouble! !

Especially after I asked her about her relationship with Li Yun in secret, Zhao Tianfeng was taught a lesson, but after he didn't deny it, this girl became bolder and constantly wanted to do something beyond the normal range.

But Zhao Tianfeng was a little disappointed, and he secretly rejoiced that Li Yun was not immediately confused, sitting upright like a gentleman.

"Could it be that... he's afraid of getting out of hand?"

The scenes that had been seen in the movie flashed in his mind. Zhao Tianfeng couldn't come down anymore, his face blushed again, and his heart beating fast. He couldn't help but glance at Li Yun who was sitting tightly.

Hu Xiaomeng saw Sister Fengfeng's performance in his eyes, and his cheeks turned red again.

Since Sister Fengfeng doesn't object, then just...point it directly?

Anyway, Brother Yun will go back later. She doesn't take the initiative. It won't be good to be robbed by the girls in Zhonghai City.

"Will not."

Li Yun looked down, and did not look at the two beauties in swimsuits and eating him. His voice pretended to be indifferent: "Without pictures, no one will believe them even if they say it. The only danger is to be found by the Taoist Baihe. This information, so as to know my identity.

But it also doesn't matter. "

Li Yun smiled: "My home is already protected, and the information in the home is hidden. If you want to find me, you will definitely attract attention, unless he finds it himself."

Zhao Tianfeng curiously asked: "Will there be any magic to search for similar information? For example, a certain smell is attached to us."

She knows that there are such well-prepared drugs on the rivers and lakes. As long as they are stained, they will continue to emit odors, and they will be easily tracked by people with sensitive smell.

There are all these things in the arena, let alone the spiritual world.

"Perhaps, but as long as we eat the detoxification pills, even if there are abnormalities in our bodies, they will be cleared!"

Li Yun's handsome appearance when he was confident, coupled with the good smell of boys next to him, made Hu Xiaomeng finally made up his mind.

"Yun, Brother Yun!"

Hu Xiaomeng's cheeks glowed with intoxicating red clouds, as if he was drunk with juice, and his voice became different from usual.

More moving, more charming.

At this moment, she is charming. She looks at the person she likes with silky eyes, just like the legendary nine-tailed monster fox, exuding amazing charm!

"What, what's wrong?"

Li Yun had long been afraid to stand up, and now he was shaking with nervousness even when he spoke.

In this situation now, it's as if he threw a three-ton CL18 into a volcano, and it would explode at any time!

Chapter 1648: Order

What shocked Li Yun even more was that Zhao Tianfeng didn't scold him!

"Big Brother Yun, don't you think it's a bit boring now?"

Hu Xiaomeng took a sip of the juice in the glass, and continued to coquettishly said in a drunken tone: "Why, let's play or play a game?"

The skills she learned in some romantic comic books can finally come in handy!

Although he was very shy and shameful, Hu Xiaomeng was willing to try it for Brother Yun.

"What, what game?"

Li Yun suddenly felt that the atmosphere had become ambiguous again.

Lonely man and widow-although they are two girls, staying in a Japanese-style room is not enough dark enough?

"The Emperor's Game!"

Hu Xiaomeng closed his eyes and tried to say this bold statement.

"The Emperor's Game!?"

Li Yun is not pure, how can he not know what this means?

The so-called emperor game is to use a deck of playing cards to draw a ghost card to represent the emperor, and the other 1~10 to represent the courtiers.

The person who wins the emperor can order the courtier to do anything, just like a real imperial court.

In this environment, on this occasion, the emperor and his courtiers command and conquer, the emperor's grace is majestic, the world is the mother's rite, and the courtiers can only obey!

"Uh-huh!"

Hu Xiaomeng Hongxia was covered with cute little faces, her lips pressed tightly, and she whispered: "It's just an emperor's game. Don't think about it, Brother Yun, ah, Sister Fengfeng, let's be the emperor together. Let Brother Yun do this. The bad guy goes east, he dare not go west, hehehe~"

"!!!"

Li Yun's head is about to explode!

On the day when he met Hu Xiaomeng on the street, he always vaguely knew that this girl Hu Xiaomeng was not "pure", she looked so innocent and cute, and she was ignorant of everything.

But in fact, this mischievous little girl has a lot of bad ideas and pranks in her head, otherwise she would not take her bodyguards to visit the night view of the county town in the middle of the night, and go to the roadside stalls to eat. It is enough to see that her people are big and messy. Learned a lot of knowledge.

Li Yun took a deep breath and said straightly: "Little Meng, don't mess around, how could your sister Fengfeng agree..."

"it is good!"

In the shock of Li Yun's open mouth, Zhao Tianfeng stood up leisurely, with a smile on the corner of his mouth: "Isn't it the Emperor's Game? What's not to dare!"

She had known for a long time that once the three of them came to the hot springs, something would inevitably happen.

Just now when Li Yun entered the Lotus Immortal Mansion, the girl Hu Xiaomeng asked her if she liked Li Yun. Zhao Tianfeng didn't answer at the time, but he didn't deny it either. This had already expressed his intentions.

That's why Xiaomeng, the girl, would so boldly propose the emperor game.

Even if Zhao Tianfeng has never played this kind of game, he has heard of it from other places.

Especially some of the boys and girls who have a good time, like to go to the high-end KTV to open a box, order a few bottles of high-end wine, precious snacks, while singing, play the emperor game with a group of peripherals and princesses, and whoever clicks Whoever ordered, the extravagance to the extreme!

In the past, Zhao Tianfeng had always disgusted such disgusting games.

But now Hu Xiaomeng offered to play this kind of game too, but she was a little - no, she was already very shaken.

It seems that playing the emperor game with a boy he likes and a girlfriend who he does not hate is not bad, and Zhao Tianfeng is even looking forward to the next thing.

Anyway, she has decided to be with Li Yun in the future, and these things are fine.

Chapter 1649: Aggression

"Feng'er..."

Li Yun was moved, "You don't actually need to be like this..."

"Are you a man?"

Zhao Tianfeng was determined, and when Li Yun flinched, he sneered deliberately, "Don't dare? Or is there something messy you are thinking about? Huh! Dare to think about it and see if I won't beat you to the eunuch!"

Li Yun smiled wryly, his Feng'er... is quite violent!

"Ding, trigger the option event, please choose from the host:

Option 1: Do it and you're done! Reward experience value +1 million, all attributes +1000, purple gift bag*3, Hu Xiaomeng exclusive gift bag*1, Zhao Tianfeng exclusive gift bag*1, special reward: Combine 2 upgrade to advanced.

Option 2: Reject! Reward skill: I am Liu Shanghui.

Option three: scold these two women, and reward skills: Cheng Zhu is proficient in advanced science. "

Li Yun almost vomited blood. The special reward in Option 1 came out of the red envelope. The Dao Qing system has not forgotten this skill that he seems to be just cheating!

It seems, also right...

It was only at this time when this skill would come in handy. I thought I had to wait for the college entrance examination to end.

But Li Yun really didn't want to use it now, and always felt that he would not be able to afford Xiaoxue in Longyang County.

"Really not playing?" Zhao Tianfeng squinted at him. When was this guy so serious? Even Xiaomeng and her personal invitation refused to agree.

"Play, isn't it the emperor game, who is afraid of whom!"

If you want to play, then play, because Li Yun won't suffer anyway.

Seeing the confirmation, Hu Xiaomeng's cute cheeks became more red and moist. He said "I'll get something", and happily ran into the house and took out a deck of playing cards.

"Here comes, the rules are set first!"

Hu Xiaomeng triumphantly played the role of rule maker. The little hand spread out the playing cards, took out a clown card from it, and took out the number 1 and number 2 cards, which were displayed on the table.

"Three cards, the one who draws the ghost card is the king, and the rest are the courtiers."

Hu Xiaomeng rolled his eyes and said with a smile: "Although the general emperor game only orders the courtiers, we only have three of us, so the king also has the right to order the courtiers to do something to himself, or the king himself to do one thing to the courtiers. Okay, how about it?"
anything!

The meaning contained in this sentence is quite obvious. Li Yun glanced at Tianfeng and found that she was only squeezing her hair with her hand, her beautiful face was slightly blushing, but she did not object.

Suddenly, Li Yun felt that the Halaha volcano was about to explode again.

"I have a proposal."

Zhao Tianfeng's eyes were full of inexplicable looks, shyness, anticipation, tension, anxiety, etc., as if a young daughter-in-law who was about to meet his in-laws was full of excitement and anxiety.

"Sister Fengfeng, what do you suggest?"

"Three people are too few, and three cards are easy to see."

Zhao Tianfeng smiled slightly and said, "It's better to draw ten cards directly. Numbers 1 to 5 are number 1, and numbers 6 to 10 are number 2... Well, this is a bit awkward, then numbers 1 to 5 are trumpets... or It's awkward, so just go ahead."

Zhao Tianfeng glanced at Li Yun with a smile at the corner of his mouth: "By default, 1-5 are courtiers and 6-10 are concubines. If the two are on the same side, the smaller card in the range of 1-5 is Concubine, the larger one is the courtier, the opposite is the case within 6-10, which is more interesting.

Put two more clown cards in, if both of them draw the clown, it is a big win. If none of the three can touch the clown, then they will take turns to be the king! "

Chapter 1650: I am a courtier

"Yeah!"

The playful Hu Xiaomeng immediately clapped and agreed, and immediately took out 1-10 cards and another clown card, all mixed together.

Li Yun thought about it and made a suggestion: "For those of us with strong eyesight, we see that the cards are very simple, so I also have a suggestion. When shuffling the cards, close your eyes and have all three of them shuffle. once."

Hu Xiaomeng blinked, "That's not right, you all have divine minds, isn't it that I have suffered?"

"No." Li Yun said with a smile: "God can't remember ordinary playing cards, so don't worry."

Unless you make a mark on the card, such as putting some evil spirits on the playing cards, it will naturally be able to be easily identified.

Of course, Li Yun didn't want to do it yet, it was too cheating.

Hu Xiaomeng, who knew nothing, nodded in satisfaction, first handed the playing cards to Sister Fengfeng for washing, then gave it to Li Yun, and finally returned to her hand.

"Yeah, I can't see what cards are at this time!"

Hu Xiaomeng used a pair of small hands to mix the twelve playing cards back and forth. After thoroughly washing the twelve playing cards, he arranged them on the table.

Then.

She chose the first card from the left and held it tightly in her hand. Her cute little face was full of excitement, and she yelled, "I've chosen it!!"

The girl's heart is sprouting, and she is already looking forward to the next thing.

"Then I choose this."

Li Yun randomly drew the middle one of the remaining 11 cards.

Next was Zhao Tianfeng, and she also picked a card.

"Huh~!"

Clutching the cards in his hand, Zhao Tianfeng secretly took a deep breath, trying to suppress the thumping and rest assured.

She was mentally prepared for what would happen next.

Just treat it as repaying Li Yun's three-time life-saving kindness...No, that's right, Zhao Tianfeng shook her head again in her heart to deny that she already liked this bastard... She was not very resistant.

It's just that, although you don't resist, it's better to take your time. Let her mentally prepare one more time.

"Li Yun, bastard, don't let me do those... very bad things as soon as you become a king!"

Zhao Tianfeng's cheeks were blushing, and in order to conceal her feelings, she glanced directly at the card in her hand.

number 6.

Not a king, but a concubine by default. But if Li Yun also draws in the 6-10 range, then she is a courtier, because 6 is the smallest in this range.

"what!"

Hu Xiaomeng exclaimed, "I am the king!! Wow wow wow, I got the clown~~~!"

Li Yun also glanced at his card, shrugged, and said that he was not a ghost card.

The king was sure, and the atmosphere changed a bit.

Hu Xiaomeng's big wry eyes looked back and forth at Brother Yun and Sister Fengfeng, trying to see who the two are the courtier and the concubine!

Well, she decided that when she became a king for the first time, she would not punish the courtiers and concubines, but punish one of them, which is more exciting!

"The king's order is:"

Hu Xiaomeng's slender white index finger and **** were displayed with the clown card, the voice was long, and after the appetites of the two were suffocated, he satisfactorily ordered: "The courtier said something he feels most ashamed of. !"

—Now that it has been decided, Hu Xiaomeng will naturally let things develop in that direction.

"The most shameful thing?"

Li Yun looked weird and showed his card: "A!"

A, which is 1.

"Hehe~" Zhao Tianfeng blushed and laughed, and showed the card in his hand: "Sorry, I am 6!"
