

## Godly Choice 1921

Chapter 1921: Beautiful view at night (below)

"what?"

Fang Xue and Li Feng glanced at each other. Both women felt very strange. They had discussed secretly in the bathroom before. Both of them guessed that after taking a shower, Li Yun would definitely rush in impatiently and sent them. Hugging and throwing it on top and so on.

It's not a good thing anyway.

Unexpectedly, the villain changed to a vegetarian diet?

"Is the bad guy angry?" After all, Li Feng and Li Yun had been a brother-in-law for 18 years. At this time, she spoke very directly.

"No, you two come out too, the scenery here is good."

The two women looked at each other, Fang Xue bit her lip and thought for a while, threw away the sheets, got up and walked outside, "Hey, you're really angry... Um!"

Without finishing a sentence, she was hugged by Li Yun and kissed without hesitation.

The sudden kiss caused Fang Xue to make a loud protest, "Bad guy, you are a lie...!"

Li Feng in the house stayed for a while, did the villain brother make this idea?

She guessed wrong again.

After Li Feng went out, Fang Xue, who was weak after letting go of intimacy, Li Yun grabbed her again.

for a long time.

Li Yun sat contentedly on the wicker chair on the spacious balcony, with a beautiful, blushing beauty on each side. It can be said that he has enjoyed the blessings of the world, and the best things in the world are nothing more than that.

——For men.

"Don't start tonight." Li Yun held one in one hand and said with a smile: "Wait for tomorrow night. Tomorrow we will stroll around the top of the mountain, relax, and come back later in the evening. What do you think of Xiaoxue?"

With the decisive action just now, the next thing went more smoothly. After all, there was only a very thin layer of paper between the three, and there was no barrier after the point was broken.

"Huh~, big \*\*\*\*\* ghost!"

Fang Xue gave Li Yun a coquettish cast of eyes, and did so by default...It was also equivalent to getting ready to dedicate herself tomorrow night.

In fact, she was still a little touched in her heart. After all, Li Yun was not anxious about how she would treat her, leaving her a buffer time for the day.

Anyway, with the experience of being bullied just now, Fang Xue felt that she could already have a greater degree of shame in front of Li Feng and Li Yun.

"Oh?"

However, Li Feng looked at Li Yun with a faint smile, "Why didn't I know that my brother is such a good talker? Before-for example, on the day of the college entrance examination, I was still up at twelve o'clock in the evening, so I had to let me help....."

Fang Xue was dumbfounded.

It turned out that on the day the college entrance examination was over, after the villain Li Yun sent her home, he went back to mess around with Xiao Fengfeng.

That's it!

"you!"

For some reason, Fang Xue felt a "peculiar" feeling inexplicably. Looking at her boyfriend and girlfriend, she couldn't help thinking about it.

What is the relationship between the two? How is it done? Wait, there are many things that shouldn't be written, she wants to see with her own eyes how...

"I still can't hide my sister from you."

Li Yun smiled, Fang Xue came to his senses at this time, thinking of something, her eyes widened and staring at him: "Li Yun, are you going to watch the night spy?!"

"Night detective? Good word."

"It's really true, then I'll go too!" Fang Xue became excited, forgetting the shyness of being bullied by Li Yun just now. The whole person lay on him and acted like a coquettish, "Okay? Li Yun~ I'll go too. La~~~, Yun~, husband~~~"

With a sweet and greasy husband, Li Yun's bones were numb, and he wanted to mention what was going to happen tomorrow night to do now.

"Husband~~~"

"it is good!"

"Okay, husband... Huh? Did you agree? That's great, hehe, I'm going to change my clothes-you are not allowed to look back!"

Li Yun: "..."

I only agreed to take you there, why didn't you give me any benefits?

Chapter 1922: fly

"Sister, are you going to have fun?" Li Yun looked at her, and found that her eyes were full of worry, so he held her little hand to comfort him: "Don't worry, sister, the Taoist priests are not enough for your brother and me. You have a good finger, just go for fun, do you want to go?"

"I won't go, I'm not as naive and curious as Xiao Baixue."

"You are naive!"-Xiao Baixue's voice of protest came from the house.

Ignoring the girlfriends in the house, Li Feng gently exhorted: "My sister will not stop you from what you are going to do, but you must be careful and careful, you must know—" The emotion in her eyes, "Me and your sister We are all waiting for you to come back!"

Li Yun was moved in his heart, but he did not use words to express, but directly used actions.

Li Feng slowly closed his eyes like water.

"..."

"Pervert!"

When Fang Xue put on black long-sleeved trousers suitable for sports and came to the balcony, she saw the two close together at a glance, making her face flushed again.

However, she and Li Feng had already been bullied once, and now Fang Xue could hold back her shyness and looked at the intimacy of the two with some curiosity.

I don't know how long I watched it, and in the end even she was pulled into the company by Li Yun.

It's another five minutes.

Fang Xue was leaning weakly in Li Yunqi. She could already imagine how messy the relationship between the three would be in tomorrow night, during the next travel time, or even in university in the future.

"Go, go! Don't be foolish anymore!"

After regaining some strength, Fang Xue turned into a tigress and ordered Li Yun fiercely.

"Yes, wife!"

Li Yun, who was about to get his wish, smiled with satisfaction, and the rest will continue tomorrow night.

He stood up and hugged Fang Xue's slender waist, causing the latter to stare at him again: "Big pervert, you take advantage of me again!"

"Aren't you going to go to the night exploration Taoist temple with me?"

"I will go by myself!"

Professor Fang gave him a roll of eyes and hugged her like this. Wouldn't it mean that he had to kiss as he walked? She didn't believe that Li Yun could hold it back.

Li Yun smiled mysteriously: "Xiaoxue, do you want to experience the feeling of flying?"

Fly?

Forgive the innocent and curious school flower of Fang Da, she is really not that kind of impure girl, but now in this situation-Li Yun took her and his best friends together in the presidential suite of the hotel on the top of Taihuang Mountain, and they were still locked. Well, the mood and atmosphere are all brewing, and it's almost a step forward.

How can she not want to be crooked?

"Hahaha, where did my Xiaoxue go?"

"...Huh~, it's not all your fault!"

Fang Xue puffed up her cheeks, this bad guy always bullied her at this time.

"Okay, I apologize, can I apologize?"

Li Yun said to apologize, but his right hand held Fang Xueyu's soft willow waist tightly, and led her to the balcony.

"What do you want?" Fang Xue guessed what, her expression suddenly became flustered, her hands subconsciously hugged him tightly, her beautiful eyes widened.

"Brother, don't mess around!" Li Feng lying on the chair also shouted.

"Don't worry, it's okay, come!"

Li Yun jumped up and led Fang Xue down: "I will show you the feeling of flying!!!"

Fang Xue is really flying!

Seeing the two of them falling straight down, his girlfriend and younger sibling screamed, Li Feng was so shocked that a heart beat to his throat, and after a long moment in the chair, he realized that the two were actually okay.

Although it is impossible to see the whereabouts of the two due to the darkness, since the younger brother took the initiative to jump down with Xiao Baixue, he must be fine, right?

After thinking about it, Li Feng sent a message to Fang Xue and Li Feng to confirm the situation.

"Bad brother, what a mess!"

Li Feng lay down on the chair again and closed her eyes to rest. The feeling of happiness and joy still faintly remained on her body.

Thinking of what was going to happen tomorrow night, Li Feng blushed and went back to the bedroom shortly after resting on the balcony.

She wants to take a good rest, and she will show her perfect side to Li Yun tomorrow...

Chapter 1923: Excited Fang Xue

"what--!!!"

A scream cut through the night sky of Mount Taihuang, causing the people near the top of Mount Taihuang to think who was the victim. After waiting for no subsequent shouts, it was confirmed that this was a prank.

The person who screams is naturally the school flower of Fang Da!

She is really flying in the air now, without a parachute, and no winged flying props. The only thing she has is her boyfriend, Li Yun!

The sound of the wind whispered in her ears, and the feeling of weightlessness made her feel weak. If it weren't for Li Yun to hug her tightly, Fang Xue would definitely fall directly and fall into a ball of flesh.

Fortunately, her boyfriend, or her husband, kept his arms around her waist with his powerful hands. After Fang Xue felt the familiar breath of her husband's body, a pounding heart slowly calmed down.

"Okay." Li Yun smiled: "My Xiaoxue can now open his eyes. Look at the bottom, how beautiful the scenery is."

".....Um."

Fang Xue snorted softly, her eyelashes trembled, she opened her eyes slowly, and looked down.

She was so scared that she hugged Li Yun again.

Under her is Mount Taihuang hidden in the night. Some lights are faintly revealed halfway up the mountain. There are street lights on both sides of the mountain road, but they are only installed on the main road, and they are not turned on in normal times, only on certain occasions. Will light up the whole mountain.

It is precisely because of the scattered lights that Fang Xue has the feeling of being at an altitude of several hundred meters!

Under her feet, there are now all weird dark things-pine trees, strange rocks, pavilions, inscriptions and so on. These things seem to be incarnations of terrifying monsters lurking in the dark night.

"Li, Li Yun!"

Fang Xue's voice trembled, and her excitement and fear were mixed together, which made her feel the excitement that she would never forget in her lifetime.

How many people can fly in the night sky?

Even flying in a wing suit is far inferior to Li Yun flying directly in the sky holding her directly.

"Exciting?"

Li Yun had already put on a pair of uniquely shaped shoes, Ling Xiao stepped on the clouds, and he had true essence in his body, it was easy to take a person to fly.

"Exciting, really exciting!"

"Is it fun?"

"Fun!"

"Happy?" Li Yun teased with a smile.

"happiness!"

Fang Xue was so excited that she had turned into a repeater, and she would probably answer whatever Li Yun asked, and she couldn't think about it at all.

Li Yun was very satisfied to cheer up his girlfriend.

Fang Xue was undoubtedly a burden to the action of the Taoist Temple at Night, but Li Yun was willing to take her and Li Feng, but she didn't choose to follow it.

The reason is simple, this action is not dangerous, even if there is, Li Yun can let her enter the fairy house to hide.

In the absence of danger, Li Yun opened his girlfriend's horizons, and it was a matter of course to increase her knowledge.

After all, as mentioned earlier, Li Yun does not want to see the confidante around him become a vase role, and does not seek to be a strong woman, but at least he must have his own opinion, independent personality, and independent thinking.

"Is it touched?" Li Yun continued to instigate and say.

"Moving!"

"Will you give me some blessings for my husband tomorrow?"

"To... badass!!"

Colonel Fang finally reacted, and Xiaofen raised her fist and knocked it on Li Yun's shoulder.

The force is very light.

After all, the two of them are flying in the sky now, and the surrounding wind is roaring, and it will be miserable if they fall.

Chapter 1924: Accidentally encountered

"Hahaha~, well, tomorrow night my Xiaoxue will fulfill the agreement with my husband!"

Li Yun laughed and flew down with her.

"Big pervert, are you thinking about getting me?" Fang Xue blushed and muttered, but did not object.

She... is ready to give herself.

Li Yun smiled slightly and calmed down the restlessness in his heart. Tomorrow night he could end his identity as a boy and officially become a man. Now he is not hungry for a while.

He took Fang Xue down to half a mountainside 500 meters below the hotel, which was about the vicinity of Quanyiguan, and there was a light not far away, looking at restaurants similar to those at dinner.

"Ah, ah!!!"

Suddenly, a girl's scream sounded, frightening Fang Xue and hugging Li Yun tightly, almost all of her delicate body squeezed into Li Yun's sorrow.

"It's you?" With his arms around Xiaoxue, Li Yun raised his brow and saw his acquaintances, the foreigner Abbott and his girlfriend Lucini.

Why are the two of them here?

"Li, Mr. Li?"

The stunned Abbot raised his head and looked up, and then lowered his head to look at Li Yun. After holding back for a long time, he said excitedly: "Qinggong, this is light gong! Lucini, did you see it? Mr. Li's light gong. so amazing!"

Lucini opened her mouth wide and didn't know what to say.

The behavior of Li Yun and Fang Xue falling from the sky completely defeated her three views.

It turns out that Huang Xuanguo's kung fu is really amazing!

"Uh."

Accepting the gaze of the two worshippers, Li Yun didn't know how to explain the difference between kung fu, martial arts, and magic practice. He could only change the topic and asked, "Why are you two here?"

"You are also going to Taoist temple?" Bai Xue asked in surprise when she thought of something.

Abbott's face turned awkward.

He wanted to watch the whole Taoist temple quietly at night. After all, Mr. Li is very interested in this Taoist temple. If he takes the initiative to pass the information of the Taoist temple to Mr. Li, maybe Mr. Li will accept him as a disciple when he is happy. ?

Abbott has been in the society since he was a child, and he is fairly experienced in sneaking in, and he is confident that he will not be discovered.

But as soon as he got up, he was caught by his girlfriend.

Li Yun was speechless. He didn't expect that there are people who are more deadly than him. Abbott is not capable of three-legged cat kung fu. It is estimated that he will be spotted immediately within twenty meters of a martial artist in the Hou Tian realm.

"you....."

Li Yun was about to drive the two of Abbott back, when the system prompt sounded.

"Ding, the host made the right choice, and the night explorers watched all together. Rewards: Justice value +1000, experience value +5 million, all attributes +2000, and disappeared to the \*\*\*\* level. Additional reward: aura value + 50,000 ."

Li Yun's eyes lit up, he just thought of the system prompting him to come to investigate at night when he was eating, so he chose the night exploration Taoist temple, and now he chose the right way, and he directly rewarded 50,000 auras!

What a surprise.

"Ding, trigger the option event, please choose from the host:

Option 1: Explore the whole view together with Fang Xue, Abbott and Lucini, find the abnormality, reward experience value + 20 million, all attributes +1 million, extra reward 1: a golden weapon suitable for Fang Xue ; Bonus 2: Two invisibility charms.

Option 2: Drive Abbott away, reward experience value +1.5 million, all attributes +100, green gift bag\*2.

Option 3: Act alone, reward experience value + 100,000. "

Seeing another selection event of the system, Li Yun couldn't laugh or cry.

Chapter 1925: Ding, invisibility

Dare to love Abbott to make him more difficult. After bringing three oil bottles, he was rewarded with great rewards, and he only had a poor 100,000 experience for acting alone.

However, this also proves in disguise that there is no danger in the whole view, at least Li Yun alone can deal with it easily, as long as Fang Xue and the others are protected.

"Li, Mr. Li!"

Foreigner Abbott said cautiously: "Don't worry, we won't mess with you later, and we promise to do what you say!"

"...Okay, wait and act according to my orders."

Li Yun agreed, not for anything else, just for the golden weapon suitable for Fang Xue's use!

Although he doesn't need Fang Xue to fight, of course, the more good things, the better.

"Thank you, thank you Mr. Li!" Abbott was overjoyed, and even Lucini couldn't help being excited. Being able to act with a kung fu master like Li Yun, Huang Xuanguo's trip this time is worth it!

"Say okay first, and then you must not be reckless, otherwise, if you are discovered, I will give priority to protecting my girlfriend, not you."

Li Yun put the ugly words first, lest they complain later.

Abbott nodded quickly to express his understanding. Lucini said regretfully: "It's a pity that my pistol can't be brought into Huang Xuanguo. My marksmanship is quite accurate."

"That's it."

Li Yun paused, took out a pistol from his pocket and handed it to her: "Do you know how to use this?"

Lucini was taken aback for a moment, then took the pistol and tried it and said it was okay.

It's just that she was very puzzled. She took a quiet look at Mr. Li's clothes, short-sleeved shorts and slippers. She didn't seem to see Mr. Li's pockets bulging just now. Where did this pistol come from?

"Ding, the host makes a choice, early reward: two invisibility charms (medium)."

"Invisibility (middle)

Effect: Hide your breath and body shape for fifteen minutes.

Explanation: The stronger the strength, the better the effect of the invisibility talisman. "

Li Yun raised his eyebrows, and the spell rewards hadn't been seen for a long time. This thing seemed to be rewarded only in the system before the war. Normally, even gift bags were rarely opened.

"Unlimited use? Hehe."

There was a smug smile on Li Yun's face. The system was obviously for him to give to Abbott and Lucini to use, and Fang Xue was protected by him.

But Li Yun decided to play a big one!

He wants to keep these two invisibility charms!

What's wrong with being discovered? It's a big deal, just do it directly, a fire will burn all of them, and Li Yun will also leave invisibility!

"Li Yun, what's the matter?" Fang Xue asked curiously.

"It's okay, by the way, Xiaoxue, would you fight \*?"

Fang Xue: "..."

She was shocked.

"Ahem." Li Yun's expression remained unchanged, "I mean, would you shoot?"

"Will not!"

Fang Xue gave him a coquettish cast of eyes, she would do the former and not the latter.

The reason for the former meeting is very simple. In the past three months, she has practiced a lot under Li Yun's guidance...

"I, I will!"

Abbott raised his hand quickly, he didn't understand such "black" words at all.

Li Yun thought for a while, stretched out his hand to his back, took out a submachine gun and threw it to him, "Use it carefully, don't shoot randomly."

Lucini was shocked again. How did Mr. Li pull out a submachine gun?

This is simply a different dimension pocket of Doraemon!

Li Yun smiled without saying a word. Of course he took it out of the inventory, but Li Yun wanted to give Fang Xue the Shilvin pistol. Unfortunately, she hadn't practiced shooting. It's too dangerous to use it directly. Need not.

"Let's go, we have been delayed for too long."

Li Yun took the lead to walk towards the whole view in the night, Fang Xue followed him closely, her beautiful little face extremely excited.

Behind them were Abbott and Lucini, each holding a gun, as if two bodyguards were protecting Fang Xue.

## Chapter 1926: Taoist Temple at Night (Part 1)

Taihuang Mountain, nine o'clock in the evening.

Li Yun stood on a rock and looked down at the Taoist temple below, observing the topography and architectural structure of the Taoist temple.

The restaurant has been closed, and there are only three or two tourists left. They are staying at Taoist Temple tonight, so they are still staying outside.

However, these tourists had little effect on Li Yun's infiltration. The surroundings were dim and dim, and as long as they were not close, they would not be able to find them. The only thing that needed to be careful was the mountain road at the foot. It is not a joke to accidentally slip into a pothole.

"Let's go, let's go to the backyard of the Taoist temple first!" Li Yun gave instructions in a low voice, for him tonight is not mainly to explore, but to take his girlfriend to play.

It's like visiting a haunted house and experiencing a thrilling adventure.

"Etc., etc."

Fang Xue grabbed his arm nervously, and asked in a very quiet, uneasy tone: "Should we sneak in like this? If we are discovered, will we be reported to the police by the Taoist temple? And... we seem to have no reason to go in. !"

I didn't think it was when I came here before, but now when I'm close to the door, the good girl Fang Dahuan shrinks a little, feels that she is doing something bad, and her heart is very bad.

Li Yun knew what his girlfriend thought, and smiled: "We are not sneaking in tonight, but looking for our friends!"

"Looking for a friend? Who?"

"Bu Junxian." Li Yun spread his hands. "After all, we have seen him several times, so we are friends, but we didn't see him in the restaurant just now. We have reason to doubt Bu Junxian, an old friend. , It was caught by the Taoist people and prepared to feed the tiger!"

"...Poof!"

Staring at Li Yun for a while, Fang Xue couldn't help but laugh out: "Yes, yes, we are going to find old friends tonight, not sneaking in and doing bad things, hehe, let's go~~"

She just felt bad, so Li Yun gave her an excuse.

Lucini's face was weird, she didn't have any psychological burden, she held the gun firmly, and she was ready to shoot when the situation was bad!

The four of them did not dare to turn on the lights of their phones, so they could only walk towards the backyard of Taoist temple in the dark, making a large circle with one foot deep and one shallow foot, and finally came to the back mountain of Quanyiguan—that is, a piece of fence surrounded by

fences and barbed wire. Get up, there are tens of thousands of square meters, which is bigger than a football field.

"Sure enough, there are a lot of wild animals here."

Before he got closer, Li Yun could smell the stench and urine of many wild animals. This special smell can only be understood by people who have experienced it. It is much heavier than the often cleaned place in the zoo. No wonder this garden is far from Taoist temples. There is a distance.

"Is there a tiger in or inside?"

Fang Xue said in a low voice, she was excited now, especially excited.

For a good girl, doing night spying and sneaking is no less than opening a room without telling her parents, and it's even more exciting.

"There should be." Li Yun nodded and looked at the iron gate. The roar of tigers during the day should have come from here.

In the entire Taoist Farm, only the lights near the iron gate are visible, and a sentry pavilion can be vaguely seen inside.

The surrounding wall is as high as three meters, and it is piled with barbed wire full of thorns. It is almost impossible for ordinary people to enter.

At least Abbott didn't know how to get in.

"Mr. Li, how do we get in?"

If only Abbott had come with his girlfriend, he would have turned around now and looked back in the Taoist temple to find out what he could find.

Chapter 1927: Taoist Temple at Night (Part 2)

"Who said you must go in?"

Li Yun smiled slightly, turned and walked back.

"Hey?" Even Fang Xue was surprised now, really wouldn't he go to the "zoo" to see?

Although she also hates the smelly Taoist Zoo, since she is here, she still has to take a look at the tiger inside, right?

It's best to find it and see if you can find Bu Junxian and others.

"We can know what a tiger looks like without going in."

Li Yun smiled mysteriously, and walked back to the back door of the Taoist Temple. The back door was some distance away from the zoo, and there was no one around, and it was so dark that even a ghost could not be seen.

Abbott, who was following him, was about to ask what to do. He saw Mr. Li stepping directly into the Taoist temple, his expression and movements were not at all panicked, as if he were walking around his back garden!

"Uh?"

Abbott scratched his head, glanced at his girlfriend with his submachine gun, and chose to follow.

Anyway, when the time comes to fight, he must be the first to rush!

"Be careful, don't shoot or hit anything else."

Li Yun exhorted him, causing Fang Xue to hold his arm tightly and follow along.

The four entered the Taoist temple through the back door.

The Quanyi Temple occupies a large area. The front yard is a place for paying tourists. There are various palaces enshrining statues of gods, and the back yard is where the disciples and handymen live. As for the head and elders, Li Yun estimates that they live There is a separate place to live on the pavilions on the east and west sides of the Taoist temple.

Sneaking in other people's Taoist temples in the middle of the night made Fang Xue's heart beat with nervousness, and firmly grasped Li Yun's hand to follow behind her.

The stone road at his feet was surrounded by dim lights. Fang Xue looked back and forth restlessly and found that there was a small three-story building not far away, which should be the student's dormitory, and it was still brightly lit.

"Here."

After turning a turn, Li Yun suddenly pulled Fang Xue to walk aside. The two of Abbott quickly followed, and the four of them quickly hid behind a flower bush.

"What's the matter?" Fang Xue lowered her voice, crouched beside Li Yun and asked, her beautiful eyes gleaming at the end of the stone road.

"Someone." Li Yun answered simply.

"Someone?"

Abbott was puzzled. Two young men in short coats and long sticks came along the stone road. Seeing them walking casually, they were probably night watchers in Taoist temples, commonly known as security guards.

Ancient name: watchman.

"what."

Seeing people appearing, Fang Xue whispered in panic, and then hurriedly covered her small mouth, squatting lower, for fear that the other party might find herself hiding behind the flowers.

"Senior Brother Zhao, shall we go back after this trip?" One of the two night watchers said in a lazy tone, "We patrol like this every day, and there is not a ghost. Who will come and watch us all at night? ? Even tourists dare not come to the backyard!"

"It's always good to be careful." Senior Brother Zhao lowered his voice, "Don't you think the Taoist temple is weird recently?"

"What's weird? You mean Jinwei is getting more and more irritable?"

Zhenwei?

Li Yun chuckled and said, "This Zhenwei should be that tiger."

Fang Xue: "... Stop talking, big bad guy! ! !

She is so nervous now, especially as the two night watchmen are getting closer and closer, as long as they approach the flowers and sweep with a stick in their hands, they can see the four people hiding inside!

For some reason, the two of them did not hold flashlights, only a stick in their hands.

Chapter 1928: Nervous eavesdropping

"no."

Senior Brother Zhao gave a weird smile, "We have raised the beast for a long time, but we have never been familiar with it. After all, the beast is a beast, and it is not a strange thing to be wild."

"Then Senior Brother Zhao, what are you talking about...?"

"I'm talking about the head teacher!"

"Teacher!?"

The man screamed, but Senior Brother Zhao knocked his head with a stick and reprimanded, "Speak down to me!"

"Yes, Brother Zhao, I was wrong."

The man who was the brother hastily apologized, he secretly glanced around, lowered his voice, and asked: "Brother, isn't the master teacher in retreat? I haven't left the customs for these two months, only let the senior brother Give him food every day!"

Coincidentally, the two of them just walked to the flower bush and stood in front of Fang Xue, separated from her by a thick bush less than half a meter thick.

Even as long as the two night watchers are close to the bushes and look inside, you can find someone hiding without a light! !

"Uuuuu, what should I do? What should I do? It's dangerous, I will be discovered..."

Fang Xue's mind was blank. She covered her mouth with her little hand, fearing that she could not control the sound, her body trembled with nervousness, and Li Yun, who was next to her, could clearly feel the trembling of this girl's tender body. , Making Li Yun dumbfounded.

Was it too exciting for Xiaoxue to play the dive game for the first time?

On the other side, Abbott and Lucini were uncomfortable. The two shook hands with the guns and squatted on the ground. If they were found, they would suddenly rise up. They shot them first to frighten them. A night watcher!

Then run away!

"Haha, do you really believe it?" Senior Brother Zhao's tone was full of mockery.

What caused Fang Xue to mention his throat again was that he actually put the stick in his hand randomly on the flower bush and clicked a few times, as if he was sweeping the fallen leaves on the flowering bush, and he seemed to be looking for hiding. The people in it!

"Uh?"

Another night watcher hesitated, "Isn't the head teacher retreating?"

"I ask you, how old is the head teacher now, and how many years has it been since you entered the congenital realm?" Senior Brother Zhao asked rhetorically.

This question made Li Yun quite interested. Generally speaking, if there is a problem with the whole view, then the head of the Taoist temple will definitely not be able to get out of the relationship.

Unless the head is a puppet.

"Master...?" Another night watcher murmured: "The Master of the Taoist Taoist Yunlong is now seventy to eighty years old. He has crossed the ancient times and reached the age of the elder. The headmaster will break through to the consummation of the congenital realm. Let us all Yiguan has been promoted from a third-rate sect to a second-rate sect for nearly thirty years, right?"

"Yes, it's been thirty years!"

Senior Brother Zhao's voice is strange: "Generally speaking, the head teacher only breaks through to innate consummation at the age of fifty. It is impossible to become a master in this life, but the head teacher is not convinced. Over the years, he has been in retreat, but the past ten years have been more and more. The less, the more retreat for the first time in the past five years.

Do you know why? "

"...I don't know, Brother Zhao, you know?"

"I don't know either, huh."

"Uh."

"But I know one thing!"

Brother Zhao sold a pass, and after suffocating his appetite, he said mysteriously: "Actually, the head is not in retreat."

"What?!" Junior brother was taken aback, "There is no retreat? How could it be possible?! Where did the master teacher go?! Death, death...no, the immortal is gone?"

The headmaster is dead, which is not surprising.

After all, the head teacher is already seventy-eight years old, even if it is a congenital perfect cultivation base, he has lived long enough.

Chapter 1929: Taoist Secret Fortune

"Haha, who knows." Senior Brother Zhao sneered.

It seems that I stopped by this flower bush just to secretly exchange these things. I have to say that gossip is human nature.

"They're gone, let's go too."

Li Yun stood up and stretched, listening to these gossips is also pretty good.

As a result, when he wanted to support Fang Xue, he found that she was still in a weak and weak state of collapse.

"Xiaoxue is still nervous?" Li Yun cried and held her back, Fang Xue leaned half of her body on him, and said with a trembling voice: "I, I... you big villain!"

"Well, I'm a bad guy, and Xiaoxue is a good guy."

"Why am I a good egg? Nope!"

"You are my wife, I am a badass, of course Xiaoxue is..."

"No, no, no~!"

After playing around with Li Yun for a while, Fang Xue finally recovered her strength, her small face was flushed with excitement, which shows how exciting the things just now were to her.

Li Yun chuckled. He actually spoke on the way on purpose, because this person would have to experience something to grow up.

Xiaoxue is a good girl, and Li Yun takes her to feel the atmosphere just now, which can cultivate her attitude of dealing with things in danger, which is of great benefit to the future.

"Xiaoxue, let's continue diving in."

"Good~!"

Chapter 1930: acting

This time, Fang Xue was not too nervous, but turned into a sense of anticipation and excitement. He grabbed the corner of Li Yun's clothes and walked forward: "Husband, where are we going?"

The husband yelped Li Yun's body comfortably. He couldn't help holding her little hand and rubbing it back and forth. He smiled and said, "Let's go to the kitchen to find something to eat."

"Looking for food?"

"It's not for us to eat, but for others to eat."

Li Yun took the three of them through the Taoist Temple, and every time he encountered a night watcher, he could lead the team to avoid it with great precision, which made Lucini even more surprised.

This is simply the same as opening a real-time satellite map plug-in.

Not long after, Li Yun came to a house that exudes fragrance and fireworks. When everyone smelled this smell, they knew it was a kitchen.

"It's quite big." Fang Xue and Li Yun hid in a corner, commenting in a similar way.

"After all, there are hundreds of handymen and disciples in the whole group. The kitchen is very normal."

"Then how do we get in?" Fang Xue thought of the scenes in those movies, "Is it going to knock out a few people, then take off their clothes and put on them?"

"what?!"

Abbott was dumbfounded, touched his face, and looked at his girlfriend's tied blond hair.

Both of them are foreigners, this blond and blue-eyed person can't pretend to be Huang Xuan countryman no matter how disguised!

"Don't be so troublesome."

After observing for a while, Li Yun stood up and said to the two Abbots: "You take off your mask and headscarves, Lucini, show your blonde hair, don't be nervous and afraid, pretend you don't understand Chinese, everything is I."

"what?"

The two of them didn't know why, but they did so, and put away their guns. Abbott's submachine gun could only be temporarily thrown in a dim corner, too big to be carried in.

"Go straight in?"

Fang Xue was dumbfounded. She had just experienced the excitement of hiding and eavesdropping. Now she is again disguising, deceiving, and stealing?

These exciting events one after another, Fang Xue felt that she would never forget tonight... and tomorrow night.

"Yes." Li Yun chuckled, "Xiaoxue, calm down, just as if it was to wake up at night and secretly go to the kitchen for supper."

"What are you talking about!" Fang Xuejiao snorted and touched her belly: "In order to stay in shape, I don't eat midnight snacks at night, at most I will eat some fruit. Are you bad guys stealing midnight snacks?"

Self-disciplined girls are the most terrible. They can do anything to keep their figure.

"Then make an exception tonight, let's go and have supper!"

Li Yun walked out grandiosely, his pace was calm, his expression was indifferent, and the three people behind him looked stupid.

"Wait for me." Fang Xue hurriedly followed, her heart pounding again.

When he came to the kitchen door, Li Yun knocked directly on the door, and Fang Xue was frightened.

"Who?"

A man's voice came from inside, frightening Fang Xue again.

"Hello, we want to get some meat!"

Li Yun replied loudly, shook Xiaoxue's hand to comfort her, opened the door and walked in.

The whole kitchen is very large, with a total area of more than 400 square meters. There is also a storage room to store ingredients. Outside, there are pots and jars everywhere.

In addition to the modern gas stove, there are also two wood-burning stoves. Fire is still burning in the stove, which seems to be maintaining the temperature of the hot water in the pot for standby at any time.

Li Yun glanced around and found that there were only two people in the kitchen, both men, one fat and thin, about forty years old, wearing stained clothes, looking over suspiciously.

"Meat? What meat?"
