

Godly Choice 1971

Chapter 1971: Multimillionaire

Ten million gifts!

The aunt looked at Li Yun with wide-eyed eyes. She worked so hard all her life. After building a homestay, she made only a few hundred to a thousand dollars a day.

Ten million is enough to make her struggle for a lifetime!

Huang Changye was too scared to speak. He only dared to think about things like live broadcast income of 10 million.

"Not ten million." Li Yun said.

Everyone breathed a sigh of relief.

"Actually 20 million."

"!!!"

Everyone was frightened again, and looked at him in shock.

Li Yun smiled slightly, "Ten million of them are rewards from the audience, and the other million is the advertising fee given to me by Shark TV. They gave me the full amount of the rewards, so it adds up to 20 million."

Gao Xiaoxiao shook the subject's hand slightly.

The young man she is interviewing now is a multi-millionaire!

A rich man with a net worth of 20 million! !

And in one day, it earned enough 20 million!

She has been an intern reporter for more than half a year, and her monthly salary is only a pitiful 5,000 yuan, which is too big a gap.

The atmosphere froze for a while, and the cameraman wiped the sweat from his forehead: "After I go back, I will pinch off this section, otherwise it's too...that's what."

Gao Xiaoxiao has different opinions, why pinch it off? Shouldn't the college entrance examination champion make money live? Now an Internet celebrity is live streaming, what's wrong with making 20 million?

"Go on, do you still want to interview us?" Fang Xue said, actually having a different kind of pride in her heart.

If these people knew that her boyfriend had a company with a market value of hundreds of billions, what kind of shocking expression would they show?

It must be interesting.

Hee hee, these are all her boyfriend's, and they are also from her University Fang~~!

"Excuse me....."

Gao Xiaoxiao looked at Li Yun, with a three-pointed respectful tone: "Student Li Yun, do you believe in the deeds of the gods and foxes repaying their kindness?"

"letter."

"Oh, you really don't believe it, so what scientific theory and biological knowledge do you infer that this is fake...what?! You just said...believe?"

Gao Xiaoxiao reacted abruptly. What did Li Yun just say to believe? !

how is this possible!

Isn't he a top student in the college entrance examination, he has learned a lot of scientific knowledge, is he a loyal materialist?

Why would he believe such an outrageous thing!

In Gao Xiaoxiao's subconscious mind, Li Yun's college entrance examination champion, or the national college entrance examination champion should be a very rational teenager!

Li Yun smiled slightly: "I mean, I believe there is such a thing as the repayment of grace by the gods and foxes, but I have doubts about the authenticity of this incident in Huangxi Village."

He took a deep look at Huang Changye. The latter's eyes were a little dodge, but he still insisted: "There is absolutely this thing, at most three days, Xiao Hong will definitely appear!"

"Oh? Then I'm looking forward to it." Li Yun's expression was calm.

Gao Xiaoxiao hesitated, and asked him: "Excuse me, Li Yun, why do you believe in repaying favors with gods and foxes? Isn't this kind of vixen only appearing in legends?"

"Before answering this question, I will also ask you a question, Miss reporter." Li Yun smiled: "You are here to shoot the show this time, is it because you want to investigate the fox to repay your favor?"

"Uh....."

Gao Xiaoxiao understood what Li Yun meant. There are indeed many legends about monsters on the Internet recently, and netizens are also very interested in these things.

Therefore, after the incident of the ***** fox repaying favor was reported in Huangxi Village this time, the director made a final decision on the spot and sent someone here to investigate what was going on.

Could it be said that the gossip news on the Internet is true? !

Chapter 1972: Live room guy

eight pm.

After Li Yun and Fang Xue went to the farmhouse restaurant in Huangxi Village for dinner, they took a walk in the village for a while before they walked back to the aunt's house.

According to what the aunt and Huang Changye said, the red fox usually appeared in the dead of night, sometimes it was ten o'clock in the evening, sometimes it was 2/3 o'clock in the morning, and the time was not fixed.

Li Yun and the two women sat in the living room of the VIP suite on the fourth floor, watching TV and chatting while waiting for the time to come.

They had agreed last night that they would do something "interesting" tonight, to end Li Yun's status as a big boy, and to change the two girls from girls to women.

It is naturally impossible now.

Fang Xue didn't want to confess her first time in such a place. The soundproofing effect of the homestay was not good at all. Although the environment was very clean, it was not a little bit worse than the Tianshen Pavilion on Taihuang Mountain.

Like in the open-air bath last night, she was very satisfied.

"Li Yun~" Fang Xue looked at him with a three-point apology, "Whether we wait until tonight or not, we will return to the hotel tomorrow morning."

Because of her willfulness, the three talents are trapped here, and because Li Yun, a big pervert, has been watching her, Fang Xue still feels a little owed.

"Why? My Xiaoxue can't help it anymore?" Li Yun said with a teasing smile, causing Fang Xue's anger.

"Good evening, ladies and gentlemen!"

While the two were arguing, Huang Changye's angry voice came from downstairs: "Brother Xiaohuang, I'm broadcasting you again tonight? Didn't you say that you didn't see the red fox last night? I can definitely do it tonight. I see, Brother Xiaohuang, I promise!"

Fang Xue looked out the window in surprise: "Is he still doing live broadcast? Go and see."

She was bored, and was too embarrassed to do something unusual with Li Yun, so she walked out of the living room to the corridor, holding on to the railing and looking down.

Fang Xue had just finished taking a bath, her long black hair was scattered behind her head, she was wearing a white plaid skirt, her skin was smooth and supple, and her lips became moist and red because of the bath.

This big beauty looked down and was caught by the camera of Huang Changye's phone downstairs. The drooping hair made Fang Xue look more beautiful and moving, and there was a commotion in the live broadcast room.

"I'm Cao!? That's okay with Brother Xiaohuang, such a beautiful female tenant, who is close to the water, gets the month ahead, and the anchor gets it up!"

"GKD, the anchor will go upstairs and take a closer look!"

"Yes, we want to see beautiful women!"

"The beauty is better than the vixen, do you understand the anchor?"

Seeing the barrage quickly swiping, Huang Changye laughed, and said to the camera: "Old irons, this big beauty is not simple! I live in my VIP suite, which costs 3,000 yuan a night. I didn't say that. Already? My VIP suite has been unoccupied for half a year. As a result, this big beauty moved in as soon as she came. She is rich!"

The audience in the live broadcast room became more and more interested. Isn't the rich beauty just Bai Fumei? If you add a luxury car, it will be the necessary equipment for the standard Baifumei!

"boring."

With the next cold sentence, Fang Xue turned and returned to the living room. Li Feng smiled upon seeing this: "Xiao Baixue, aren't you usually not interested in these things?"

"I want to see if he is lying!"

Back in the room, the cold expression on Fang Xue's face quickly dissipated, and she changed back to the obedient lady in front of Li Yun.

Chapter 1973: Yunxueshen

She said angrily: "The more I think about it now, the more I feel that we have been cheated. That guy is a liar at all. In order to let tourists come to his house and make his live studio more attractive to the audience, he made up Come that kind of lie!"

Li Yun looked at her in surprise: "Yes, Xiaoxue, you can think of all this, it's not easy."

"Ahhhhh~Bad guy, bad guy, bad guy!" Fang Xue rushed forward and squeezed Li Yun's face with her white and tender hands, "I'm not a stupid. It's normal to think of these things!!"

Li Feng smiled and watched the two arguing, not jealous at all.

"What do I think." After the two of them calmed down, Li Feng said his opinion: "There is a little possibility of being deceived. That Huang Changye doesn't look like a serious person, much less like a kind person leading the fox. Come back for treatment."

The two women looked at Li Yun and waited for him to make a decision.

"I've come here. It's nothing to stay for one night. It's a rare experience."

Li Yun looked at Fang Xue in his arms and said with a smile: "Since it is ten o'clock in the evening, the fox will appear."

"You, what do you want to do?" Fang Xue blushed.

"And we are full again."

"Large pervert, full of warmth and desires are bad...well~"

Being gagged by Li Yun, Fang Xue was speechless. After struggling for less than three seconds, her body softened and she put her head up and put her arms around his neck.

Li Feng bit his lip and blushed, and stood up and closed the door of the living room, turning this place into a closed secret place that outsiders could not see or hear.

...

At ten o'clock in the evening, Fang Xue and Li Feng changed their outfits. Two glamorous beauties, with ruddy faces, repeatedly adjusted their appearances in the mirror, and when the blush subsided, they confirmed that outsiders could not see that they had been with Li Yun. After what happened, he dared to walk out of the room.

"Alright? Two beauties~" Li Yun jokingly laughed: "It's pretty enough, let's go, let's go downstairs!"

"I'm not to blame you!"

Fang Xue gave him a charming look and muttered: "Sure enough, we can't give you time to spend alone with us, otherwise you will definitely become a hungry wolf, huh~!"

Li Yun is now satisfied, and Xiaoxue is right in everything.

The three of them went downstairs, and all the people waiting at the gate looked over.

Li Yun glanced calmly, and there were quite a few people here.

In addition to Huang Changye, Gao Xiaoxiao and a cameraman were also there. In addition, there were some tourists who came to Taihuang Mountain like Li Yun to visit the gods and foxes to repay their kindness. They are now also gathered near the door.

The yard in front of the aunt's house was surrounded by a wall, and there was a road outside the door, but because it was on the edge of the village, few people passed by at night.

"Old irons, the big beauties are finally down!" Seeing Fang Xue and Li Feng, Huang Changye was immediately excited, but more often he pointed his mobile phone camera at Li Yun and kept screaming:

"Did you see it? Did you see it? Ladies and gentlemen, is this our national college entrance examination champion Yunxueshen!!? I said that I did not lie to you? Look, is it the perfect score champion?"

Instant frying pan in the live room.

"I, Cao, really is Yun Shen!"

"Yun Shen is awesome! Bless my college entrance examination scores last one! [bye]"

"Woo, Yun Xueshen is so cool, he actually took two beauties to Taihuang Mountain for a tour!"

"Correct: The one on the right is the sister who learns God."

"Envy, Yun Xueshen is a proper winner in life!"

Chapter 1974: 666 I'm Sorry

Huang Changye was dumbfounded. As soon as Li Yun appeared in his live broadcast room, his popularity surged threefold in an instant, and he was still rising rapidly!

He accidentally mentioned in the live broadcast room that he now has a reporter and a college entrance examination champion. As a result, within three minutes, the number of people in the live broadcast room directly increased tenfold.

All the people who came here asked in a unified way: Where is the Yunxue God? !

Huang Changye began to suspect that this rich second generation named Li Yun is really that famous?

As a result, after the appearance of real people, this surge of barrage and screen-sweeping gifts-even though most of them are free, made Huang Changye deeply aware of the gap between himself and Yunxueshen.

"Study God! Can you say a few words? Please!"

Huang Changye got excited, and brought up his mobile phone to ask Li Yun to say something, so that he could hug Xueshen's thigh and mention his live broadcast enthusiasm.

Facing Huang Changye's face, Li Yun had no choice but to smile at his mobile phone: "Hello, viewers, I am Li Yun."

"Ahhhhh! Yun Xueshen is so handsome~~!"

"Let's come, this lady is going to give birth to a monkey for Yun Shen!"

"Dinosaurs crawl, I will be born in my next life!"

"Zhou Ke, 6th class of quasi-senior high school of Henghua County No. 1 Middle School, come to worship the cloud and learn from God!"

"Old irons, brush up 666!"

Countless barrage flew by like a rain of bullets. Huang Changye's mobile phone almost got stuck, and he himself passed out with excitement. He really experienced this kind of super anchor treatment, and he finally didn't waste a lot of effort!

The surrounding tourists looked at Li Yun one by one. They did not expect to meet such a famous Internet celebrity in this small place, and he was also recognized as the national college entrance examination champion.

"It turns out that Brother Li Yun is so handsome!" A young girl who was traveling with her parents looked at Li Yun's eyes.

"Learning God, have time to teach our children how to learn? This kid always plays truant!"

A group of tourists gathered around, and the gate became very lively.

Li Yun was annoyed and said, "Everyone! I came to Taihuang Mountain just to travel with my girlfriend and sister. I don't want to do other things, so live broadcast will be avoided."

Huang Changye was in a hurry, "Boss of Learning God, just say a few more words. As long as you are willing to show your face, I will not only exempt you from the accommodation fee for the past few days, but also make you stay as long as you want. ..."

"Needless to say." Li Yun waved his hand: "I will pay the accommodation fee, and the live broadcast will be waived. Besides, won't the **** fox you saved come out later? You can live broadcast that!"

Huang Changye wanted to cry without tears, and his anchor dream was shattered like this.

After a glance at the bullet screen, it was even more sad.

"Just for your accommodation fee of several thousand yuan, would you like to invite Yun Xueshen? Climb numbly!"

"Yun Xueshen earned 10 million yuan in one live broadcast, what kind of thing are you anchor?"

"You are not polite at all, the anchor crawls!"

"Don't spray everyone, the anchor works harder, and I will try to shoot more Yunxueshen!"

Seeing this barrage, Huang Changye finally cheered up. Yes, Yun Xueshen will always be here when he is waiting for the fox to come. Wouldn't it be better to take more shots unintentionally while waiting for the fox to come?

"Lao Tie, Yun Xueshen is right! Our task today is to photograph the sacred fox. Hey, the old ties present a wave, and let your little Huang brother tell you about the sacred fox!"

Huang Changye began to broadcast live again with a face full of spring breeze, full of mouths 666, brothers, did I do it right, beg Lao Tie to send a wave of gifts, etc.

Li Yun didn't know how the effect was, but seeing this guy's mouth cracked with laughter, he knew that there were hundreds of thousands of dollars in gift money.

This is all because of his light.

Chapter 1975: Really appeared

Time passed by, and at midnight, some tourists who were guarding the gate finally couldn't help but took their leave and went upstairs to sleep, indicating that they were not waiting.

One of the tourists also said that this is too silly.

Not sleeping in the middle of the night, a group of people waited for the appearance of the fox at the gate of the country where it was so hot and hairy. The owner of the hotel was still yelling at Lao Tie Lao Tie 666, which was really annoying.

"Husband, are we still waiting?" Fang Xue asked, leaning against Li Yun, yawning.

She usually goes to bed at eleven o'clock, and now she is very tired during the day when she travels, and she needs a good rest at night.

After the excitement and curiosity passed, people became more tired.

"Hey? Xueshen you are going back? Don't, Xiaohong is coming out!"

Huang Changye was in a hurry. He received more than half a million gift money in one night and was recommended on the homepage of Shark TV. It was all because Yun Xueshen was there from time to time to show his face. Otherwise, why would Shark TV give him a good recommendation? ?

With Li Yun leaving like this, isn't his live broadcast room about to fall back to the bottom in an instant?

"mom!!"

Huang Changye yelled to the second floor: "Help me get the frozen watermelon and fruit, and some snacks. Yun Xueshen wants to eat supper!"

Li Yun twitched the corners of his mouth, "You are yelling like this in the middle of the night, the guests don't need to sleep?"

"Uh, hey, my fault, it's all my fault! I apologize!"

Huang Changye said embarrassingly. It seemed that Li Yun was still unsatisfied. He patted his chest and said, "Xueshen came to my hotel today, and I decided that the accommodation fee will be free tonight!"

"Really?" The reporter Gao Xiaoxiao looked at him in surprise. There are quite a lot of residents, and they can earn thousands of people in one night.

"Of course, Brother Xiao Huang, I say no two!"

Li Yun was too lazy to bother, lying on the chair and watching the moon.

When the yard calmed down, Gao Xiaoxiao yawned. The cameraman also felt that this was a tiring job. He said several times to end the shooting. Anyway, the post-editing of the shots can handle the first episode of the program.

But Gao Xiaoxiao felt that since Li Yun was still insisting, she had no reason to leave now.

As time passed, the aunt took some fruits and snacks and put them down on the table. After chatting, she went back to sleep without a few words.

In the courtyard, only Huang Changye interacted with the audience in the live broadcast room.

"What time does Xiao Hong come? I really don't know! Sometimes it's ten o'clock in the evening, sometimes it's four o'clock in the middle of the night. Hey, don't you know, that vixen's claws are so powerful that it makes the door creaking. Just like now, listen."

Sure enough, there were bursts of nails scratching the blackboard outside the door, sharp and piercing, and it was creepy.

Everyone fell into a moment's sluggishness, and even Huang Changye himself was stupid.

The audience in the live broadcast room got excited, and shouted, let the anchor point the camera to the outside quickly, and see what was scratching the door at the bottom!

"Is it really a vixen?"

Li Yun sat up straight with a strange expression and looked at the door of Huang Changye's house.

The iron gate of this rural village was closed tightly, and the bottom was about three or four centimeters from the ground. Looking out from this gap, everyone saw a flaming red color.

"Quick, quick!" Gao Xiaoxiao awakened the cameraman excitedly, "The fox is here, get up and take the picture, my God, it's true!"

She has a hunch that if she can personally report the sensational news of Shenhu repaying grace, she will definitely accept the internship and will benefit from it in the future!

Chapter 1976: Cute fox

Huang Changye is the most excited one.

Tonight is so perfect, not only Yun Xueshen is the guest of the live broadcast, but also the vixen who hasn't been here for three days now!

He can already predict that he will become famous, and there will be a spectacular scene of millions of viewers in any live broadcast in the future!

Although it is impossible to compare with Yun Xueshen's arbitrarily collecting 20 million a day, one or two million can always be earned, right? Hehehe!

"Old irons! Come on? Little Huang said that if you don't lie, you won't lie...Ouch!"

Li Yun patted his head and said in a deep voice, "Don't be old-fashioned, the fox has already appeared, don't scare it away."

"Hey, Xueshen you don't know, that vixen is not afraid of people at all, so he can do whatever you like...Uh, you are right about Xueshen!"

After being glared by Li Yun, Huang Changye hurriedly changed his mouth, took the initiative to move forward with his mobile phone, and gently opened the gate of the yard.

Everyone held their breath and stared at the direction of the door.

Soon, a fire-red fox squatting on the ground appeared in front of everyone.

"what!"

Fang Xue covered her small mouth in surprise, her eyes gleaming at the fox, and the reactions of the others were similar. They were all surprised by the special appearance of "Xiao Hong".

The fox squatting in front of Huang Changye's house is not big, just like a puppy. It has a slender body, long and thick red hair, and a fluffy tail tossing around leisurely. It looks very cute.

But this fox is completely different from ordinary foxes.

First, the red fox's hair is unusually bright, red as a ball of fire, and under the light of the gate, it seems to be able to emit light, fiery red.

Second, the scarlet fox was wrapped around a vine with a bunch of ripe grapes hanging on it. When everyone looked at it, the fox screamed.

Sure enough, he was not afraid of people at all.

Third, the eyes of the fire-red fox are very big, and a pair of eyes are shining brightly with a humane light, just like the legendary vixen!

——The vixen here refers to spirits, not people.

"So cute~~~!"

Fang Xue looked at the fox with shining eyes, wishing to hug it in her and knead it hard.

Li Feng's sleepiness also dissipated, watching the fox outside the door about to move, trying to rush to catch it.

Sure enough, girls have no resistance to these cute things.

"Ding, trigger the option event, please choose from the host:

Option 1: Grab a fox and give Fang Xue a pet, reward experience value +1 million, all attributes +500, purple gift bag*2, extra reward: Fang Xue's special dedication once.

Option 2: Grab the fox and give Li Feng as a pet. The reward is the same as above. Additional reward: Fang Xue's jealousy increases.

Choice 3: Ignore, let the fox return to nature, reward justice value +100, white gift bag*5.

Option 4: Other, reward: to be determined. "

With the rare four-choice incident, Li Yun fell into thinking for a while, should he catch Fang Xue and Li Feng as pets, or let the fox run back to nature?

"Xiaohong, are you here?" Huang Changye greeted the red fox excitedly, and quickly took out some melon and fruit snacks from the table and threw it to him.

It's a pity that this red-haired fox doesn't seem to be hungry at all. He only glanced down at the food that fell on the ground, then raised his chin proudly, and used his big beautiful eyes to trickle at the people in the yard. Watched.

Chapter 1977: If something goes wrong, there must be a demon

"Okay, so cute~!"

The flaming little fox is proud like a well-tutored eldest lady. Not to mention that women such as Fang Xue and Li Feng and Gao Xiaoxiao fall under its charm. Many men among the tourists admire how beautiful this fox is.

If he can become a human, he must be a arrogant and beautiful vixen who can fascinate men all over the world.

"Well... it's really cute."

Li Yun touched his chin. He didn't feel any monsters in the fox, and he couldn't tell if the other party was a monster.

It might be because of its weak demon energy, which caused its divine consciousness to fail to detect it.

"Little Red!"

Huang Changye, as the master of the legend of the **** fox repaying his kindness, naturally stood up now. He pointed the camera of his mobile phone at it and said, "Look at this, hehe, I'm broadcasting live, and you also appeared in the live broadcast room. Inside, everyone likes you very much, do you see it?"

With the appearance of the sacred fox, the viewers who insisted on watching in the live broadcast room were naturally very excited, especially seeing the fox's very strange and lovely appearance, and it was even flying up with the barrage.

"Woo, it seems to hug it~!"

"Cute, cute, cute, cute."

"Oh my God, how could there be such a beautiful little fox? I almost thought I was not looking at the fox, but at a proud princess!"

"This fox thief is beautiful!"

"What makes me feel like a girl? It's unreasonable! Foxes have always been more prettier than me..."

"Did you not find out? This fox is too fake! As beautiful as the fake one!"

Li Yun actually noticed.

This flaming red fox is indeed so beautiful that something is wrong. To be precise, there is no trace of dirt or dirt on its body.

It is undoubtedly a wild fox, and it has come out step by step from the forest.

But the hair on this fox showed a beautiful red color, and there was no sign of walking. It was like being raised in a mansion with a dedicated domestic fox!

"Be careful." Li Yun warned the people around in a low voice, pointing out the abnormality of the fox's body.

"Uh!"

Some excited tourists calmed down, and when they looked at the fox in front of the door, they couldn't help but frighten them.

If something goes wrong, there must be a demon.

"Dear audience friends, our college entrance examination champion Li Yun, he has discovered an incredible thing!" Gao Xiaoxiao whispered to the live commentary. In the future, as long as this section is edited into the program, the audience will feel like they are on the scene. "From the lens, we can see that the **** fox who came to repay the gratitude with the bunch of grapes in his mouth is clean... this is a very good point!"

"Old, old irons."

Huang Changye swallowed, and his voice began to tremble: "This vixen...no, it's Xiaohong. It's a bit weird. We'd better not get close to it. Just look at it from a distance. Old irons, do you think I'm doing the right thing? Feel right, deduct 666!"

"To you a big-headed ghost!" The audience in the live broadcast room began to curse, "You. Didn't you say that you saved the fox? Are you afraid of a wool now? Go ahead and get closer,"

Huang Changye was about to cry, "I'm not old guys, you heard me, that fox really has a problem, look at its tail!" He pointed the camera at the fluffy fluff of the flaming red fox on the ground.

Foxtail said with a trembling voice:

"Oh my god, this fox's tail has been sweeping the floor, but why... its tail hasn't gotten dirty at all?!"

The live broadcast room suddenly became quiet.

Chapter 1978: Grab it and be a pet

"Really!"

"It's weird, Xiaohong's tail is amazing!"

"I want to raise it even more."

"According to the judgment of the Taoist priest, this fox has been practicing for thousands of years and is about to transform into a human form. Now it is approaching the anchor in the name of repaying grace. The anchor will be sucked up and turned into a dead bone!"

"Really? Isn't that cool?"

"roll!"

The live broadcast room was frying again, and everyone expressed their curiosity about the **** fox and urged the anchor to go up and see what was going on.

The commotion at the gate soon affected the residents upstairs. They poked their heads out to see what was going on. After learning that the **** fox had really appeared, they all rushed down wearing pajamas and slippers.

"Where is the **** fox?"

"Great! This trip is worth it!"

"I'm Cao, the fox is pretty pretty!"

The yard was even more lively, but after learning about the miracle of the fox, no one dared to step out, so he straightened his neck and watched.

The situation became extremely weird.

In the yard is a group of human beings who say less than 20 or 30 people, all craned their necks and looked out.

Outside the gate is a red fox, with a bunch of mature grapes hanging on its neck, its fluffy tail fluttering, and a pair of big smoky eyes looking at the courtyard curiously. people.

"So cute~~~" Fang Xue cupped her face with her hands, her eyes were full of drunken eyes and stared at the fox: "Li Yun, it's really so cute~~! Oh, I really want to take it home to raise, Hug and kiss every day, so cute~~"

Li Feng smiled and said, "You can't afford it even if you take it home?"

"Who said I can't afford it? I will give it whatever it wants to eat. All kinds of fruits and high-grade feeds can afford 10,000 yuan a day!"

Everyone has weird faces, ten thousand a day, 3.65 million a year, dare to love this beauty is still a white and rich beauty!

"Woo~~"

As if hearing Fang Xue talking about it, the flaming fox turned his head to look at Fang Xue and screamed at her.

The barking is not threatening, but cute, just like a puppy waiting to be fed, the barking is really cute.

Fang Xue was even more excited and shook Li Yun's arm vigorously.

"Old irons, did you hear?" Huang Changye continued to rant, "This fox was rescued by Brother Xiao Huang in the wild personally, and now he is holding a bunch of grapes in his mouth to repay his favor!"

"Wild?" A big man stood up and said, "Since it's wild, then I'm not welcome, wife, wait! I'll catch it for you as a pet. We don't need money at home." , Can afford a fox!"

"what!"

Fang Xue watched the big man really go out, and suddenly became anxious: "Husband, look at him...!"

"It's okay." Li Yun calmly shook her little hand. "This fox is not that simple. Watch it carefully. I'm afraid you won't want to raise it later."

"what?"

Fang Xue watched as the big man walked out the door step by step, stood in front of the cute flaming red fox, and slowly stretched out his right hand towards it.

The little fox still squatted still, looking at him with big eyes, his tail was still swinging leisurely, as if he was not afraid of being harassed by the big guy.

Everyone held their breath, and Huang Changye turned the camera towards the door-he forgot to protest that the fox was his.

"Little fox is good~"

The big man squeezed out a kind smile: "Come home with my uncle and I promise you every day!"

"The fox is a canine, an omnivorous!" someone said.

"Yes, canine dogs also eat big fish and meat, are they okay? Hey"

The big man licked his lips and approached the fox with his right hand little by little: "Little boy, come to the uncle's bowl, your aunt likes it too...Ouch!"

Chapter 1979: Awesome little fox

When the big man's right hand was about to touch the fox, the fluffy red tail behind him flicked and hit the big man's hand with a snap.

The big man screamed in pain, clutching his right hand and backing back again and again, hitting the threshold with his back heel, and suddenly fell to the sky.

"Hahaha!"

Everyone laughed, and there was also a 233 screen in the live broadcast room.

"I'm Cao!"

The man got angry, got up and walked towards the fox again cursingly: "I don't believe me, Zhao Neng, and I can't surrender a little fox. Come here and come with me again... Ouch!"

Before he got close, a fiery red shadow flew up, hitting the big man's face righteously, and slammed his tail over again!

The hit was fierce enough, the big man's face was hot and painful, and the hairs were drawn on his face like a whip.

"Ha ha ha ha!"

Everyone laughed louder, and the angry man picked up a broom beside the door and hit the fox severely.

"No!" Fang Xue and the other girls shouted in horror.

The brooms in the countryside are very long and are woven from small bamboo strips. They are absolutely the same as a braid when hitting people.

People can't stand it, let alone a little fox? !

"It's okay." Li Yun calmly shook Fang Xue's hand and said, "This fox... is more powerful than Xiaoxue you think!"

Sure enough, the big man furiously slew the broom in his hand, chopped his hands down, and the broom screamed through the air.

In the next moment, the fox on the ground with its tail wriggling leisurely disappeared again, and the broom slammed on the ground, shaking the big man's hands numb.

"Where did...?"

The man turned his head and looked around, but everyone pointed in front of him in horror, causing the man's forehead to jump with blue veins. He turned his head stiffly and found that the fox was standing on his broom!

"Woo~~"

The flaming fox screamed triumphantly, his tail flicked happily, not as if he were fighting, but as a fun game.

"Oh My God!"

Everyone was shocked, the speed of this fox was too fast, and his movement trajectory could not be captured by the naked eye!

The big man already had the idea of shrinking, but for the sake of face, he lifted the broom fiercely and snapped it again.

"Woo~~"

The little fox leaped high, and the puppy-like body seemed to stop in mid-air. The next moment, in the horrified eyes of the big man, it showed its own fingers, and its big cunning eyes were full of cunning light.

"Stab!"

The fox's claws fell, and there was a sound of cracking clothes.

Everyone was stunned again, watching the 1.5-meter-high man, his clothes torn apart and falling from the middle, and finally turned into a naked and fruity state.

Second, the flaming red fox landed on the ground gently and skillfully, retracted his nails, flicked his tail and looked at the big man with an expression of "I can still fight, come again".

"Ahem!" Li Yun's cough awakened everyone.

"what!!!"

The big man screamed like a woman, and ran back upstairs with his ***** in a hurry, he didn't have the face to stay any longer!

Huang Changye was warned by Super Tube. Fortunately, Super Tube has been watching the live broadcast. Otherwise, this incident will definitely be sentenced to deliberately revealing the body, and the live broadcast room will be sealed directly. Don't even want to take any gift money tonight!

Everyone, you look at me, I look at you, and then at the proud little fox, they are all stunned.

Chapter 1980: Dialogue with the vixen (part 1)

"What a terrific little fox!!!" Fang Xue exclaimed, but was pulled back by Li Feng in the next second, "Little Baixue, don't get close to this fox, it's...something is wrong."

Li Feng still didn't want to admit the existence of monsters.

The crowd stepped back in a hurry, leaving a large open space for the only person in the field who dared to stand in front of the fox:

Li Yun!

"My Cao?"

"Study God is awesome!"

"And what astounding move is Yun Xueshen going to use to subdue that fox?"

"Ah, ah, so handsome~!"

"Pretending to be force will be struck by lightning!"

The audience in the live broadcast room became commotion, whether they were despising Li Yun or not, the fact that these audiences could insist on staying in the live broadcast room until after 12 o'clock in the evening has proved that they at least love it deeply.

"Brother, be careful!" Li Feng was worried, as if his parents told their children about to go out for a long journey.

Fang Xue smiled and said, "Don't worry, Xiao Fengfeng, he's amazing. What is a small fox? He will be caught later and be us pets~~ Husband?"

Husband~ Come on~! "

Colonel Fang put two hands in a trumpet shape and placed it on his mouth, shouting excitedly.

Li Yun was content to be called her husband by his girlfriend in front of the crowd of onlookers, and was about to reach out and grab the little fox when the system prompt just sounded.

"Ding, select the event refresh, please select the host:

Option 1: If nothing else, grab this fox as a pet, reward experience value +1.5 million, all attributes +700, other rewards: to be determined, depending on the speed of the host's capture.

Option 2: Wait a while, play with this little fox for a little scare (hia), reward skill: burst of love (make girls who love small animals, or fairies more likely to like the host).

Choice 3: Kill with one sword, reward skills: non-my race, their hearts must be different, kill kills kill! (Causes greater harm to non-human races

Li Yun raised his brows, the skill rewards of choice two and choice three were a bit interesting, as if there were some hints in it.

After thinking about it, Li Yun turned his head and looked at Huang Changye behind: "Didn't you say that the **** fox repays his favor? Why are you running so far now that the fox is here?"

"...Brother, is it time for the fox to repay his favor?"

Huang Changye cried a face, "How did I know that this fox is so powerful before? I think you should come back quickly, let's lead him out, close the door, and the live broadcast tonight is over!"

The audience in the live broadcast room suddenly became dissatisfied, but Huang Changye was already a little frightened. He repeatedly said that tonight is enough, no live broadcast!

As if hearing his voice, the flaming fox jumped up, jumped onto the table, lowered his head and grabbed the grapes with his paws, and shrank his head, and the bunch of grapes fell on the plate.

"Wow~"

The little fox called to Huang Changye, no one knew what it meant.

Everyone was shocked once!

This fox is really refined, and it actually puts grapes on the table. No wonder it dismissed the food that was thrown on the ground before.

Li Yun moved in his heart, calmly walked over, sat back at the table again, and stared at the fox sitting on the table with shining eyes.

"Wow?"

The flaming little fox tilted his head and let out a bewildered cry to Li Yun, as if asking why you weren't afraid of me.

"Okay, so cute~!"

Fang Xue couldn't help it, and took Li Feng's hand and walked happily, but they only dared to stand behind Li Yun, staring at the little fox with greedy eyes.
