

## Godly Choice 2021

Chapter 2021: I want a gift too

Li Feng, who was born in an orphanage like Li Yun, was originally a rare beauty.

Because of her poverty at home, Li Feng had no time to dress up, and her expression was haggard and not confident enough, but her fair and beautiful temperament still made her a beauty in Zhicai Middle School second only to Fang Xue.

After Li Yun obtained the system, which brought a wealth of material life to the family, so that Li Feng no longer had to worry about money, Li Yun gave her skin care and beauty pills.

The combination of the two made Li Feng's beauty even more amazing, and she became a beauty no less than Fang Xue.

Their two good girlfriends walked in the school together, often letting the male classmates look disoriented, hitting the wall and the pillar.

Until now, Li Yun gave Li Feng and the twin sisters millions of pocket money, and there are tens of billions of assets in the family, so that the three of them really have the confidence to become a big family lady in the upper class!

This time, Li Yun took her to the Taihuang Mountain Tianshen Pavilion where she lived for one million a night, and unknowingly changed Li Feng's temperament, giving her a gentle eldest sister's soft personality, but also nobleness and a sense of sex.

In addition, after last night's relationship with Li Yun... what made Li Feng formally transformed into a mature and young beauty.

"younger brother!"

Li Feng threw his arms around Li Yun's neck excitedly, and offered his touched love.

Li Yun responded to her.

I couldn't help thinking of the brief but unforgettable time he and Li Feng had in the orphanage when they were young.

When he was a child, Li Yun was very withdrawn, perhaps because he was in the orphanage. Before he was three years old, he barely spoke. He always stared at the world indifferently, watching those who came to the orphanage to show love, even if they showed kindness. Smile, the three-year-old didn't mean to be moved.

It's Li Feng.

She has been with him since he was a child, even if others regard him as a monster, Li Feng has always been behind him.

When Caixia Caiwei's grandfather came to the orphanage and wanted to find a sister for the two sisters, the grandfather actually chose Li Feng instead of Li Yun.

But at the end of Li Feng's insistence, Li Yun triumphantly left the icy orphanage and entered a place that could be called home.

"Thank you, sister!"

"Hehe, what silly thing to say?"

Li Feng nodded his forehead with a smile, showing a petting smile, and only she would do this in the world.

In front of the older sister, the younger brother is always just a follower.

Even... experienced something like last night.

Li Yun scratched his head embarrassedly, "Sister, this ring is actually..."

"Hmph, when I'm an elder sister, am I a fool?" Li Feng stroked the ring on his \*\*\*\*\* and smiled: "Of course I know this is the same spatial ring as Xiao Baixue, right? Xiao Baixue!"

She yelled at the room. The school Hua Fang hadn't gotten up yet, but she had already woken up, and she lay down on the bed and grunted lazily, indicating that she was too lazy to be stunned with the jealous guy, and she had already had room to ring.

Li Yun couldn't laugh or cry. I don't know what these good sisters had talked about. It seems that Xiaoxue has shown off her space ring?

Well, it is indeed a silly white sweet Fang's big school flower!

Li Yun gave her a jade pendant of five thunders to exorcise evil spirits again, and Li Feng once again wore it with joy. This time Fang Xue couldn't help it, and ran out wearing a pajamas.

"Husband~~~ I also want~ gifts~ things!!!"

With a soft and tender husband, Li Yun's bones were crunched, and he quickly took out the previous fairy demon pill and gave it to the two of them.

Chapter 2022: Punch your chest

As a result, when the two women took the Immortal Demon Empress, Fang Xue directly broke through to the Innate Realm, possessing Innate True Qi.

However, Li Feng was a little worse, only breaking through to the later stage of the acquired realm.

But this is quite an exaggeration. It is equivalent to less than ten years of hard practice, and the two women suddenly have a little ability to protect themselves.

At least in the face of enemies in the Refining God Realm, the body movements can become more flexible, and the magical equipment given to them by Li Yun may have a miraculous effect.

Of course, Li Yun still prefers that they don't need to use these for the rest of their lives.

"Oh, my husband is awesome~!"

Fang Xue happily kissed Li Yun on the cheek. She had long felt that she was from an ordinary family (compared to his martial arts families in Zhonghai City), and Li Yun was so strong that she could only look up, although Fang Xue believes that he will not dislike her for this, but if he can also possess a certain amount of power, at least he can see her husband's back and won't be completely thrown off.

Right?

Li Yun gave a chuckle and hugged Xiaoxue's slender waist and kissed her pretty face: "Well, don't think too much, be honest and obedient, and live a happy life, that's enough!"

"Follow my husband," Li Yunhao waved his hand dryly, "No need to worry about everything from now on!"

Fang Xue and Li Feng looked at each other, and the two women smiled at each other, kissed each other, and kissed Li Yun's left and right cheeks.

So comfortable that Li Yun almost couldn't find North.

"Two good wives!"

Li Yun smiled and said, "Where are we going to play today? Or do we want to stay in Tianshen Pavilion? I personally prefer the latter. I don't know the opinions of the two wives?"

"Who is your wife!" Li Feng glared at him, his sister's murderous look in his eyes, full of deterrence.

Li Yun smiled.

Fang Xue gave him a roll of eyes: "You bad guy just praised you and you are going to make things worse. Staying in the Tianshen Pavilion is not only for you to play... me." As he said, Fang Xue blushed on Li Yun's chest. Hammered with a small pink fist.

Hammering your chest with a small pink fist in the real sense made Li Yun shout cute and almost couldn't help starting today.

Sure enough, once the meaty precepts are prescribed, everything will feel a little unbearable, and all kinds of evil thoughts will come up.

Feeling his strange look, Fang Xue once again gave Li Yun a blank eye, got up and slapped him on the chest: "Get up, we will go to the top of the mountain in the afternoon, and we are not allowed to stay in the room all the time!"

".....Yes."

Li Yun replied weakly, causing the two to laugh.

...

Three days later, Li Yun, Fang Xue and Li Feng left Taihuang Mountain, preparing to fly back to Zhonghai City.

"Mr. Li Yun! I wish you and the two young ladies a happy return trip, welcome to visit Shenqi Hotel again, and we will serve you wholeheartedly!"

The front desk lady, as well as the hotel manager and a kind of beautiful and beautiful welcome ladies lined up in two rows, and respectfully sent away the great \*\*\*\* Li Yun.

The three of them lived for six days and spent a total of nearly seven million. All kinds of high-end food and beverages were readily available. The ostentatious style made everyone at the Shenqi Hotel unable to help discussing the origins of these three people. So generous!

"Well, we were very satisfied with our stay. We will definitely come again next time we have a chance."

Li Yun smiled slightly and glanced at Fang Xue and Li Feng. He was indeed very satisfied over the past three days!

For a crooked poem, it is:

Young people do not know the taste of love, fall in love with the floor, love the floor.

Now that I know the taste of love, I don't know how to stop or stop.

Chapter 2023: Leaving Taihuang Mountain

Keke, the poem is not important, the important thing is that the following three times without rest, fully demonstrated the living conditions of Li Yun and Fang Xue in the past three days.

Eat, sleep, and...

High-end living room sofas, open-air balcony views, modern kitchens, luxurious baths, soft carpets, and office study rooms full of books.

Wait a minute.

Anyway, the decoration of the Tianshen Pavilion is gorgeous. In order not to waste money, Li Yun and the two girls naturally went through various places. By the way, Colonel Fang put forward decoration suggestions, and compensated after all kinds of things were broken.

Of course, it was not their intention to mess up the furniture. Who called Li Yun that the bad guy would behave against them in various places?

"Goodbye Mr. Li Yun!"

The hotel manager bowed respectfully again and sent away the three of Li Yun. When he raised his head, he couldn't help but glance at the tall and charming figures of Fang Xue and Li Feng. They were impressed by their mature and young charm. Amazing.

Compared to the time they came, these two great beauties are really glamorous and unspeakable at the moment, and they are full of feminine charm with every smile, and they can fascinate thousands of men in the world.

"In six days, Mr. Li Yun will deal with them alone. I can only say that they are amazing, amazing! You deserve to be a young man!"

As an experienced man hotel manager, he can naturally see what happened in the past six days at a glance. He can only envy Li Yun's glamorous blessings, and he does not dare to have any delusions.

My net worth is not enough for others to live in these few days.

And those two beauties are the eldest ladies of wealthy people, and God knows what their net worth is.

Such Bai Fumei can be owned by a person like Mr. Li Yun who spends a lot of money.

"manager."

After the three of Li Yun disappeared, the lady at the front desk withdrew her envious eyes and enjoyed six days and six nights. She also wanted to experience it.

"What's up?"

"Are you going to send someone to clean up the Tianshen Pavilion?"

In the past three days, the lady at the front desk has received a call from Li Yun requesting to change all kinds of carpets, towels, sheets, etc. As for why the furniture is so expensive, the lady at the front desk can probably guess too, it is nothing more than playing too much. ...Envy, really envy!

"Um."

The hotel thought after an ideal, "You call someone to come, remember to be a reliable person who will not talk too much! Forget it, I will personally supervise and clean up, and be sure not to let the customer's privacy be leaked."

A distinguished guest like Mr. Li Yun must have a lot of traces of life after six days of staying, and it would be terrible if it was used by someone with a heart.

For example, in a certain piece of news, a hotel waitress used things thrown in the trash to get herself pregnant, and thus received a high amount of support.

Although the news is a bit exaggerated, it is hard to guarantee that nothing else will happen.

"Yes! I'll call someone to come right away!"

...

While the hotel manager was dealing with the various things left in the Tianshen Pavilion, Li Yun had already boarded the plane with Fang Xue's two daughters and returned to Zhonghai City.

"The people who cleaned up our room... shouldn't they see anything?" Fang Xue asked worriedly again.

Although she, Li Feng and Li Yun left too many unspeakable traces to prevent them and discarded all kinds of furniture before making compensation, it is difficult to guarantee that there will be places where they have left for three days...

"I saw it, I saw it." Li Yun shrugged indifferently, but Fang Xue and Li Feng pinched.

Chapter 2024: The idea of buying a house

Li Yun had an innocent expression on his face: "They must have seen more of this kind of thing in their hotel, and the follow-up is very professional, let alone we are guests of the presidential suite, they will handle it more carefully!"

"That won't work either!"

Fang Xue bulged her mouth, her expression was indescribably cute, but compared to before, she now has a different charm, which belongs to a woman alone.

Of course, the school flower is just the first year of freshman year, so young and shy are indispensable.

"What do you say?" Li Yun asked with a smile.

"Anyway..."

Fang Xue bit her lip and blushed and said, "I will definitely not go to the hotel next time. I will still stay at my own house...Ah, why should I tell you this! Big pervert!"

Li Yun smiled, and took the initiative to hold the small hand of the embarrassed Fang Dahuahua, "Okay, we are at home, and it just so happens that I also want to buy a house in Zhonghai City."

"You want to buy a house?"

"Brother, you want to buy a house again?!"

Fang Xue and Li Feng both looked at him at the same time.

"Did I not talk about it?"

"No!" x2

"Well, it seems I forgot."

Li Yun smiled and said, "I actually made the decision to buy a house very early. Although Gong Qingyu has always asked me to live in her house, considering the residence of the three of your sisters and the little princess, I finally decided to buy a house. "

Although Gong Qingyu is his girlfriend and fiancée, and Li Yun taking his family to live is not under the fence, but there will always be inconveniences, and it is not good for the growth of Caixia Caiwei's two sisters.

Even if he wants to live in Qingyu's house, Li Yun has to buy a house in Zhonghai City!

"Xiaoxue, will you choose with us when that time comes?" Turning his head to look at Fang Xue, Li Yun smiled.

"What am I going to do... wait, don't you want to use the house you buy now to marry... I'll go through the door?"

A red glow appeared on Fang Xue's face.

The person has been handed over to him, and the permission of his parents and family members has been obtained. It is indeed a matter of considering marriage, although she and Li Yun still have four years of university time to spend.

"What if I say yes?" Li Yun smiled and held Fang Xue's little hand.

"Think beautiful~"

Fang Xuejiao shook off his hand angrily, "I want to kidnap a wife when I buy a house now? Huh~, at least it has to be a super beautiful castle!"

She heard that there are ten beautiful castles in Zhonghai City, and there are also some historical and cultural relic houses in the French Concession, all of which are very expensive and expensive.

However, her husband's current wealth should be easy to buy.

"Castle? So Xiaoxue, you want to be a princess!"

"Of course~~ hee hee."

Chatting with them happily, Li Yun could not feel the passage of time, and soon the plane landed at Zhonghai Airport.

"Go, let's go home!"

Li Yun and the two women were about to go from the airport to the train station. He didn't expect that as soon as he left the exit, someone he knew greeted him.

"Auntie."

The palace driver who had previously carried Li Yun respectfully saluted him, making Fang Xue jealous on the side.

She is actually called Uncle, which clearly doesn't put her in the eye!

"Uh, what's the matter?"

Li Yun bit his scalp and asked, he didn't need to look at Xiaoxue's face now, he knew that he had a premonition of the terrifying aura of the wind and rain coming over the mountains!

"It's such an uncle, the lady wants to invite you, and--" the driver bowed slightly to Fang Xue and Li Feng, and said respectfully: "The two ladies will go back to the mansion to discuss something."

Chapter 2025: Fire in the backyard

"Something?"

Li Yun was not surprised that Gong Qingyu was able to intercept him. He mentioned it when chatting with her last night and also told her the flight information of the plane ticket.

It's just that Qingyu suddenly sent someone to invite him, as well as the two daughters of Fang Xue and Li Feng, which Li Yun hadn't expected.

"Yes. As for Miss, I don't know if you have anything to do with your uncle."

"Uh."

Li Yun looked at Fang Xue and was about to speak when the system prompt sounded.

"Ding, trigger the option event, please choose from the host:

Option 1: Leave Xue Lifeng behind, stand alone in the former Mansion 3, reward a white gift bag\*1, extra reward: fire in the harem.

Option 2: Reject Gong Qingyu's request and don't go! Reward white gift bag\*2, additional reward: the harem is on fire.

Option 3: Agree to go with Fang Xue and Li Feng, reward purple gift bag\*2, extra reward: Shurachang. "

Li Yun swallowed. All three options are fire in the harem. One is more serious than one. How else would he choose?

No choice!

"Huh, just go!"

Fang Xue stood up, her eyes were full of dissatisfaction, as if she wanted to personally fight the eldest lady of the palace family: "It just so happens that I have been fascinated by your eldest lady of the palace family for a long time, and I heard about it from my husband. She has a lot of things, come to Zhonghai City today, then go and see her!"

"...Yes, Miss Fang."

The driver dare not say too much, lest he get involved in this tragic struggle.

He couldn't help sighing in his heart, uncle is good in everything, looks, temperament, methods and strengths, etc., are all suitable for the candidate of the palace.

But just like to show mercy, now the eldest lady has to face this... ridiculous thing of being jealous!

The key is that the driver still doesn't think his eldest lady will win, after all, the two beauties in front of him are all of the first-class looks and body.

"Ding, the host makes a choice, reward: purple gift bag\*2, extra reward: Shurachang."

Li Yun's eyebrows jumped, Shura Field...refers to the fierce battle between Shura, and the extended meaning has become a battle between polygamists.

Unfortunately, Li Yun is in the middle of the storm!

"Huh~!"

Fang Xue got into the car driven by the Gong family driver, wrapped her arms around her chest, and looked out the window bulgingly.

Annoyingly, Li Yun still had to sit in the co-pilot position and couldn't coax her.

Li Feng looked funny, and took the initiative to squeeze the soft palm of his girlfriend, and whispered to her: "Don't worry, I will stand by your side and I will definitely support you!"

Her position is somewhat subtle.

Being one of Li Yun's confidantes and his god-sister, when facing his sister-in-law, she was born with oppressive power, so that a group of little fairies did not dare to make mistakes.

Li Feng is quite happy to sit on the mountain and watch tigers fight, and to reap the benefits of the fisherman.

"Need not!"

Fang Xue puffed up her mouth, "I don't believe that Gong Qingyu can still have three heads and six arms?! At that time... Soldiers will stop, and the water will cover the earth!"

"Well, according to you." Li Feng covered her mouth and smirked. It was the first time she saw Fang Xue's fighting spirit.

The strange thing is that Fang Xue had never met Gong Qingyu, but was very hostile to her. It was not like that before Fang Xue and Liu Xianxian met.

...

Palace house.

"Auntie Lian~"

A tall and graceful girl, wearing a beautiful ancient undergarment, the skirt flutters when she walks, her hair dances lightly, and a pair of beautiful slender jade legs appear between the skirts, which is so beautiful.

"That guy, and our good sister... or the good sister is here!"

"Good sister, good sister? Is it a sister or a younger sister?"

"Hehe, I'll know soon~!"

Chapter 2026: Two women fighting

"Here, uncle, two young ladies."

The driver drove the car into the old French rental realm, drove to the No. 3 mansion, parked the car in front of the gate, and said respectfully.

Fang Xue took a deep breath, opened the door and walked out.

At first glance, I saw two classical beauties standing in front of the gate in costumes.

One of them is a big sister like Li Feng, gentle and virtuous, with a soft smile on his beautiful face, and looks slightly older than her and Li Feng, about twenty-three or four?

On the other, Fang Xue only glanced at it and knew that she must be Gong Qingyu!

The eldest lady of the Gong family was wearing a white undergarment, holding a delicate folding fan in her hand, with a long green silk hanging behind her head, combed into an ancient bun, and wearing a very beautiful shimmering Headdress.

What's even more wonderful is that the hateful Miss Gongjia clicked three bright red flowers on the center of her eyebrows, which made her outstanding classical beauty image more and more noble and noble daughter.

"..."

Fang Xue was visibly stunned. She had always imagined what it would be like to see Gong Qingyu, but she didn't expect that just after meeting, there was a vague illusion that she would be beaten by her and completely lost.

Costume underskirts look bloated and complicated to ordinary people, but they are just right when worn on Gong Qingyu, with a quiet, elegant, classic, and demure beauty of a lady.

And Fang Xue looked at her dress again. She was wearing short-sleeved and long trousers, and wearing a very old-fashioned sun hat. She had almost no makeup on her body, and she didn't have such a splendid outfit like Gong Qingyu.

In front of her, the school flower of Fang had a hateful feeling that she was a maid and the other party was the eldest lady!

"Miss Fang, hello."

Gong Qingyu showed a standard eldest smile on her face. Lianbu moved forward gently, folded her hands on her waist, and bowed to Fang Xueying. Everyone's ladylike temperament rushed towards her, making Fang Daxiaohuan a little unaware. Taken.

"Hehehehehe~!"

Gong Qingyu's heart broke, and the next moment, a finger poke her forehead.

"Ouch~!"

With an exclamation, Gong Qingyu was clicked to take a step back. The attitude of the lady just now was broken. The three plum petals on the center of the eyebrows were pressed by the finger, the shape was destroyed, and it became funny. stand up.

"Li, Yun!" Gong Qingyu's beautiful Feng glared at him, "You badass, do you know how long I have used makeup? Damn it~~!"

"...?"

The expression on Fang Xue's face turned into a thick consternation. At first glance at Gong Qingyu, she thought she was a dignified and virtuous and beautiful lady. She usually speaks softly and acts like a weak Liu Fufeng, without a smile. , Can you put on a skirt, just like the little princess Yongning raised by Li Yun at home.

Unexpectedly, Gong Qingyu suddenly became...such a character?

"Why the dead house girl is so pretentious?" Li Yun "sneered".

Gong Qingyu raised his eyebrows and was about to come forward to grab him and scratch him.

It's a pity that there was a real elegant lady standing behind her, and when she saw that she wanted to do something rude, she immediately stopped her.

"Alright Qingyu."

Gong Lianyi with graceful temperament gently took her little hand, and Xue and Li Feng nodded with a smile, and said softly: "Welcome to the palace, Qingyu has no other meaning, you just Think of yourself as your home in Zhonghai City, after all..."

She paused, her cheeks reddened, "Because of someone, we are also sisters. It's okay to make a fuss, but don't let others watch a joke."

Chapter 2027: Who is sister

Gong Lian's words were equivalent to straightforwardly clarifying the relationship, which made the three women present a little embarrassed.

Fang Xue thought for a while and felt that this sentence was right. After all, she couldn't change the merciful style of Li Yun that big villain, so she could only accept it.

If you are always jealous, you don't know how much you will be jealous in the future.

Thinking of this, Colonel Fang put away her dissatisfaction and gritted her teeth to Gong Qingyu. She tried her best to put a smile on her face: "Hello, my name is Fang Xue, I am Li Yun's girlfriend and fiancée!"

really!

Sure enough, I still can't bear it!

It's totally unbearable!

The war broke out again.

"Oh?" Gong Qingyu's delicate folding fan in his hand blocked the delicate face of the lower half, and said with a slight smile: "Miss Fang, you are my sister? Ashamed and ashamed, this is the first time I have heard of it. Li Yun never told me about this before, so I'm really sorry."

you're lying! !

School Hua glared at her, this classical beauty looks very elegant in temperament, she did not expect her mouth to be so powerful, and her personality is also terrible!

If this guy had never heard of her Fang Xue's name, why would he come here to wait?

Obviously you are lying!

"Really."

Gong Qingyu stepped forward and grabbed Fang Xue's little hand, as close as a family and sister, and said with a smile: "Sister Fang Xue, you don't come to Zhonghai City to talk about the family affairs, isn't it a good idea?"

Fang Xuewu got it!

The eldest lady from the Palace family did not shy away from the relationship between the three, not only admitted that she and Li Yun were boy and girl friends, but also added herself.

What's more, she actually wants to be a sister? !

Want to be beautiful!

"Ms. Gong, how old are you this year?" Fang Xue did not back down, looking straight into her eyes: "Who is the sister, who is the sister, it's hard to say!"

Li Feng couldn't help covering his eyes and looked facelessly.

Little Baixue is really an idiot. She cares about her age at this time. She can sit firmly in her sister's position just because she is Li Yun's first girlfriend. Why should she compare her age with other girls?

Besides, you are better than Gong Qingyu, but also not better than Gong Lianyi behind!

Uh, she didn't mean Gong Lianyi was older...

"The little girl is not talented."

Sure enough, Gong Qingyu smiled more and more proudly, and said in a polite manner: "I am eighteen years old, and I will be in my boudoir, fortunately...Ouch!"

Without finishing a sentence, Li Yun pointed it with his finger again.

"What are you doing!?"

Gong Qingyu glared at him again with teeth and claws.

"I didn't do anything." Li Yun said innocently: "I just listened to disgusting things. Where did you learn these words?"

"Go to die~"

Gong Qingyu rushed over, and finally couldn't help but started scratching the cat. The image of the classical beauty was so damaged that Gong Lianyi couldn't stand it anymore.

Li Yun eventually became a victim.

"Say!" x2

Gong Qingyu, the two beauties and Fang Xue looked over at the same time, pointed at each other, and asked him fiercely, "Who is the sister, me and her?"

"Ding, trigger the option event, please choose from the host:

Option 1: Answer that Fang Xue is the older sister, reward: death.

Option 2: Answer that Gong Qingyu is a sister, and reward: death.

Option 3: Answer that Gong Lianyi is the older sister, reward: a virtuous beauty with a faintly resentful look. "

Li Yun's scalp is numb, this is the real death option!

"talk!"

Colonel Fang furiously pinched Li Yun's waist, "Who is the older sister between me and this guy?!"

Well, she directly called Gong Qingyu this guy.

At the same time, Gong Qingyu also looked over with a pair of beautiful phoenix eyes.

Chapter 2028: Liuhei's Coffin Carrying Ceremony

"or....."

Li Yun bit his scalp and slowly stretched out his arm to embrace the waists of the two beauties in front of him, "I'm here to be a brother, are you all younger sisters?"

stare--!

The two great beauties launched the death pupil technique, and the terrible killing intent and cold light in their beautiful eyes made people flustered.

"Go to hell!!"

The two big beauties activated the girls' pinching skills, and Li Yun was attacked on both sides at the same time, unstoppable, and died on the spot.

"I'm a younger sister..." Gong Lianyi of Xianshu Yujie glanced at Li Yun with a faint look, as if to say, how can I be your younger sister when I am so old (thirty years old)...

"Brother, my sister?"

His sister said with a smile, and Li Yun's expression froze again.

"Ding, the host made the choice of death, reward: Liuhei's gift of carrying the coffin extended the luxurious special edition."

Li Yun: "..."

Sure enough, in this situation, everything is dead.

Gong Qingyu turned his head and Xue Xue smiled slightly, "Miss Fang, welcome to visit my house, um, this will also be my boyfriend's residence in Zhonghai City for the next four years, if--"

She specifically emphasized: "Ms. Fang, you want to live here, and I sincerely welcome you to come together. I believe that Miss Fang is also going to apply for Zhonghai University, right?"

Fang Xue's expression froze, and her neck turned to Li Yun inch by inch.

"Ahem, Qingyu..."

"You don't want to live with me?"

Before Li Yun finished speaking, the clever Gong Qingyu immediately guessed what he wanted to say, and his expression suddenly changed.

Seeing this, Fang Xue finally had a feeling of winning back a city!

The eldest lady of the Gong family really can't underestimate her, she is classical in appearance and domineering, and she is indeed one of the famous geniuses in Zhonghai City, and she can't stand her words one after another.

Li Yun did not answer, but looked at Gong Lianyi.

The latter immediately understood, and stepped forward, showing a gentle smile: "Ms. Fang Xue, Ms. Li Feng, this is not a place to talk, let's go in and talk."

As she said, she pulled Qingyu's clothes corner: "Qingyu, what is it like to let guests stay at the door?"

Gong Qingyu's face was happy.

"Besides, Sister Fang Xue and Sister Li Feng are not guests either."

Gong Qingyu's expression froze again. It was not a guest, it was a family!

Fang Xue was a little awkward when he was called her younger sister. Fortunately, Gong Lianyi was indeed a big sister, and her personality was not as bad as her younger sister!

and many more.

Fang Xue fiercely looked at Gong Lianyi, and then at Gong Qingyu. In terms of appearance, they were indeed similar in six to seven points.

In other words... these two are sisters!

"Pervert!"

Fang Xue pinched Li Yun's waist again, and a slight blush appeared on her face. This guy really... gave the other two sisters to that.

Gong Lianyi saw the meaning in her eyes, her beautiful and gentle face couldn't help but flushed slightly, she lowered her eyes and didn't dare to look at people.

"alright, alright!"

Li Yun clapped his hands and quickly took Fang Xue and Gong Qingyu's little hands and walked forward, "Let's go in and talk about it."

Fang Xue struggled, took off Li Yun's hand, and hugged his chest to look at the surrounding scenery.

This is the French Concession, one of the most expensive areas in Zhonghai City. Every house starts at one billion yuan, and she knows all this.

She had imagined owning a house here before, but the Fang family could buy one, but it didn't make any sense. The Fang family couldn't really establish a foothold in Zhonghai City, and the real estate here could not be used as a family residence, which was wasted. .

Now that she is finally lucky enough to come in, Fang Xue's mood is very complicated.

"The palace... seems to be a very big family!"

Chapter 2029: Historical relics

As if seeing Fang Xue's eyes, Gong Qingyu stepped gracefully, swaying the fan in his hand, like an ancient lady enjoying the flowers in the garden.

"This place was built in 1845. After the "Huangjiang Treaty" was signed, the old Huang Xuanguo was forced to open the concession to foreigners, so a Frenchman named Min Tini came to Zhonghai City and built this mansion as The French consulate in Huang Xuanguo.

After the downfall of the Qing court, he was bought by another diplomat as a separate residence. "

"Later, it was bought by a warlord named Sun Chuanfang in the Republic of China and used it to—"

Gong Qingyu paused, glanced at Li Yun with a reddish face, and continued: "Used as a house for his concubines."

Li Yun suddenly realized that several aunts and wives... are they just Jinwu Cangjiao?

"Sun Chuanfang..."

Fang Xue couldn't help but look around again. This is the former residence of a historical celebrity. Although Sun Chuanfang is not a good person, he has appeared in modern history books after all.

Now she actually came to visit the former residences of historical figures, no, no, it's not like this, it's different from a tourist visit.

This mansion was completely occupied by a confidant of her husband, who used it as a home.

History has changed, time has changed, the once romantic figure has passed away, and the present one has taken his place.

Will others come here in the future? Will people today also become history in the future?

A kind of vicissitudes of life, the unpredictable touch of the world, welled up in Fang Xue's heart.

"Here is a rockery built a hundred years ago. There is a big tortoise in it."

Everyone walked through the garden in front of the mansion and came to the rockery pool. Gong Qingyu continued to introduce: "It was put in the pond when the mansion was built. After several owner changes, it is still in the rockery pool. Eat and drink and live."

With that, Gong Qingyu lowered her body, letting a head of blue silk fall on both sides of her shoulders, she stretched out her delicate hand and spooned half a spoonful of water in the pool water, and poured it into the rockery:

"Da Hei, come out!"

Fang Xue stayed for a while, the classical beauties' movements, expressions, and tone in front of her were really like ancient ladies frolicking in the garden. Looking at Gong Qingyu in ancient costume, she even gave her a kind of Back to the ancient illusion.

Gong Qingyu...it's no wonder Li Yun likes her, she is so beautiful and temperamental!

"Big black?"

The corner of Li Yun's mouth twitched, "Qingyu, your ability to choose names doesn't seem to be very good."

He was rolled his eyes by Gong Qingyu again.

"It's not my name, it was named by the French nobleman Min Tini!"

Gong Qingyu splashed water vigorously with his hands again, trying to call out the big tortoise: "He was not good at Chinese at the time, so he called Dahei. Later, the group of aunts and wives didn't change it, so the name was used."

"It's actually quite appropriate." Gong Lianyi added.

It's really appropriate.

Everyone saw the big tortoise. It was hiding in a cave under the rockery. Gong Qingyu called it for a long time. It was a big tortoise that was black and big, and it was the size of a millstone, so it slowly poked its head out to take a look. She glanced.

Then he lay down on it to bask in the sun.

"I'm furious!"

Gong Qingyu poured a handful of water over again, muttering: "It won't give me any face, one day I will make you stew in soup!"

"Alright!" Gong Lianyi pulled her amusedly, "Why bother with a tortoise. People who don't know think you are a little tortoise."

"Hahaha!"

Chapter 2030: Fox Mengmeng, the ultimate skill for girls

"Auntie Lian hates it~"

Gong Qingyu put her arms around Aunt Lian's arm and said coquettishly. Now she has the noble elegance of Miss Jin Jin and the lively and cuteness of the sister next door. She is amazingly beautiful with every smile.

Fang Xue couldn't help feeling sour in her heart, and blurted out: "Pets...I have them too!"

"Um?"

Everyone looked at her, and Fang Xue's small face flushed suddenly.

Li Feng couldn't bear to look again. Wouldn't it be a definite defeat in this way?

Fang Xue also realized that she was jealous of being jealous, but she had already lost another battle, but she had already spoken, she could only bite the bullet and said, "I, I also have a pet!"

"You too?" Gong Qingyu glanced at Li Yun with a weird expression: "You can't talk about him, right?"

"Cough cough cough cough cough!"

Li Yun almost couldn't catch his breath.

Others may not know the implied meaning of this sentence, but Li Yun dare to be extremely sure that Gong Qingyu, a dead housemaid, must have seen the anime of the queen and the first face, so the implied meaning in her words... Very evil. Evil!

"Yes!" Fang Xue replied in a crisp voice, and Li Yun instantly widened his eyes, right?

"Husband, let Xiao Meng out!"

Fang Xue urged that the little fox could not wear the plane, so he stayed in the fairy house.

In those three days, Li Feng also entered the Lotus Immortal Mansion, and even played a game of catching and hiding there with Fang Xue and Li Yun.

"Husband? Little Meng?" Gong Qingyu frowned, how did she feel that she had lost a game?

Her name is Li Yun's boyfriend, but Fang Xue's name is Li Yun's husband? !

"Go in first."

Li Yun said helplessly, the two women are really jealous, and he can't stand it anymore.

Fang Xue gave Gong Qingyu a provocative look, and the latter smiled radiantly, indicating that he didn't care.

The five entered the mansion, Gong Qingyu went straight to the stairs and led them to the third floor.

"Qingyu this child..."

Gong Lianyi smiled slightly. The third floor was actually where she and Qingyu lived. Generally speaking, except for a few close servants, the rest were not allowed to go up. Even if classmates and friends came, they would only entertain them on the second floor.

Only Li Yun, and the confidantes around him, were allowed to take to the third floor by Gong Qingyu.

For example, Xia Feiyao, who had been here once, was tossed by Gong Qingyu in the room on the third floor and changed into various animation cos costumes.

Now that Fang Xue and Li Feng are also taken up to the third floor by Gong Qingyu, they have actually proved Qingyu's inner thoughts...

"Where is your pet?"

After the five people sat down in the cozy little living room, Gong Qingyu was the first to ask, a pair of eyes staring at Fang Xue and Li Yun, with an expression of dissatisfaction with me.

Seeing that she didn't ask where to take out the pet, Fang Xue knew that Gong Qingyu must have also entered her husband's fairy mansion, and knew that there could be living creatures.

"Husband~~" Fang Xue turned her head to look at Li Yun, her voice with a shy, coquettish scent, making everyone feel Su Shuang.

"coming!"

Li Yun laughed and released the little fox from the space ring. Suddenly, the flaming red fox suddenly appeared from mid-air, bumped his head on the sofa, and fell a fox to gnaw on mud.

Well, it's just like waiting for the rabbit, except that the rabbit has become a fox.

"Hehehe~"

Fang Xue hugged Mengmeng Fox in her arms, "What is the little idiot running? Did Xiaodie ride away again? You are a badass, I don't know, be careful!"

Then he raised Mengmeng Fox and smiled triumphantly at Gong Qingyu: "How about? Does my pet look good?"

Gong Qingyu was stunned!
