

## Godly Choice 21

Chapter 21: Ding, Hu Xiaomeng's favorability is increased by 20

"You seem to be looking at me all the time?"

Just when Li Yun was entangled in how to choose, the eldest daughter Hu Xiaomeng walked up to him and looked at her with curious eyes.

A strange feeling rose in Li Yun's heart.

Obviously this Hu Xiaomeng is not very old, and is about the same age as his sister, but she seems to have a natural charm in her body, just like a real demon fox, licking the man's heart.

"Hee hee~"

Hu Xiaomeng showed cute smiling faces, and the two small dimples are especially eye-catching, but such cute smiling faces actually have a different kind of charm that made Li Yun, Brother Hu and others stunned for a moment.

This fox Xiaomeng is really a fox that can hook people!

"Big brother~" Hu Xiaomeng said in a lovely tone: "Looking at your contemplative appearance, can you make a barbecue that satisfies me?"

She seldom comes into contact with the outside world, but she knows from novels and movies that some people with special skills are often hidden in the city.

Brother Hu didn't care, "Ms. Hu, this guy doesn't have any cooking skills, he's just a mess. I've been here many times before, and I haven't seen him cook! This kid definitely won't!"

"Oh, that's it." Hu Xiaomeng nodded disappointedly, she knew there would be no miracles.

Grandpa is right. The alleys are not fun at all. The so-called people with special skills are made up.

"Let's go."

Hu Xiaomeng stepped on her little leather boots and turned to leave.

"Who said I can't make a delicious barbecue?"

"what?"

"Today I will let you see how I learned from my boss in cooking!"

A light flashed from the corner of Li Yun's eyes, and he decided: Conquer Hu Xiaomeng's stomach with his cooking skills!

"Ding, the host has made a choice, and the reward (Advanced Cooking Skill, Hu Xiaomeng Favorability 20) has been issued."

In an instant, Li Yun's culinary skills were infinitely close to those of chefs working as chefs in star-rated hotels. At this moment, he looked at the boss's kitchen counter and scanned the available

materials. He immediately raised dozens of barbecue methods in his heart, guaranteeing It's so enjoyable!

"Really?" Hu Xiaomeng's watery eyes were full of expectation. Before Brother Tiger could speak, he turned around and sat down, sitting quietly, with a reserved smile: "Then Xiaomeng, I'll wait. Big brother's performance~?"

"Haha, wrap it on me!"

Li Yun walked to the boss's side and patted him on the shoulder in the other person's questioning expression: "Boss, leave it to me!"

"Uh, all right."

The boss can only be a dead horse doctor.

Advanced cooking skills may not be enough, Li Yun took out the skill pill from the inventory again, and he didn't hesitate to use it directly!

Li Yun took a deep breath, and many kinds of dishes suddenly appeared in his mind.

Whether it's home cooking such as Buddha Jumping the Wall, Mapo Tofu, Kung Pao Chicken, and exquisite banquet dishes such as golden carp, phoenix nirvana, and dance of the silver dragon, or snacks from such street stalls , Li Yun knows everything!

"You are optimistic!"

Li Yun was holding a kitchen knife, and his whole body was full of confidence, and Hu Xiaomeng's dazzling appearance made Hu Xiaomeng's eyes bright.

She discovered that this boy who was doing chores and washing dishes was actually very handsome, with handsome features and very sunny temperament. He was of the type that made her young girl spring up.

"Does he really possess special skills?" Hu Xiaomeng looked forward very much. She came to the market alleys to play, just to see these strange people and strange things.
