

## Godly Choice 2121

Chapter 2121: Take what you need

"It's very simple to say, about a month ago..."

Through Wang Xiangui's narration, Li Yun knew what happened.

As he said, the story is very simple.

A month ago, a person named Yan Shengrong met Wang Xiangui on the golf course of Huangtingshan by "coincidence". Yan Shengrong hinted that he had the elixir to heal Wang Xiangui's body, and he only had to do one thing for him.

But Wang Xiangui did not dare to do it himself, perhaps because of cunning, or perhaps because of more than ten years of ease and courage.

In short, Wang Xiangui finally asked his younger brother Wang Xianneng to quietly take a group of mercenaries from abroad and return them to China, now waiting for the people behind the six doors to issue orders.

"Ding, the host made a choice and ordered the other party to tell the story immediately, otherwise, get away and reward the purple gift bag\*2."

"Really, Mr. Li Yun, you have to believe me!"

Wang Xiangui swears: "Yan Shengrong said that the mercenaries he summoned will never be used in the country, and will only transfer abroad. It is precisely because of his guarantee that I dare to contact my brother.

Otherwise, just give me ten courage..."

"Give you ten courage, you dare to do the same." Li Yun smiled faintly and glanced at him: "Right?"

"this....."

Wang Xiangui wiped the cold sweat on his forehead again, and smirked. Seeing that he couldn't hide it, he could only admit: "People don't die for themselves, Mr. Li Yun, I want to live a few more years."

This means that even if his brother and son are killed, the Wang family will be destroyed, he will get the elixir and survive!

Li Yun laughed loudly, "So I said you are stupid, you don't know the practitioners at all, so you rashly blend in. You don't know how to die, and you will return the elixir!"

Wang Xiangui only felt an icy chill from head to toe. He looked up at Li Yun and saw the sarcasm in his eyes, making his heart colder.

"Lee, Mr. Li, help!!"

Wang Xiangui fell to his knees with a thump, Li Yun's scooter kept running, and Wang Xiangui crawled back and forth on the ground with his two knees, relying on good strength to keep up with the 20-speed scooter.

"Help, Mr. Li, save me, I swear, in the future, Mr. Li will be the only one to watch!"

The former Golden Triangle Emperor and the current Zhonghai Poison King began to swear, but Li Yun felt no waves in his heart, and didn't believe a word of him.

"Ding, trigger the option event, please choose from the host:

Option 1: Send out the Madonna's Heart, save the king's prince, reward +10 for justice, skill: Madonna's Benevolence.

Option 2: Ignore, go home directly, and reward a white gift bag\*1.

Option 3: Intimidate and lure, temporarily accept Wang Xiangui as a younger brother, take the opportunity to act, reward: to be determined. "

Li Yun smiled and said, "Get up first, lest you lose all your prestige under your own hands."

A group of bodyguards with various weapons were far behind Wang Xiangui, and they didn't know how horrified they would see their boss kneeling on the ground.

"Yes! Mr. Li!"

Wang Xiangui ignored the bodyguard behind him, with a heartfelt smile on his face. Instead of relying on the six doors hiding in the dark, he might as well rely on Mr. Li Yun, who has a close relationship with the country!

The six gates are evil and chaotic. If Wang Xiangui hadn't had the opportunity to approach Mr. Li Yun before, he wouldn't risk doing things for them at all.

Li Yun said he was an idiot. However, Wang Xiangui just wanted to live and live well!

A glimmer of ecstasy flashed in his eyes, and Wang Xiangui said respectfully: "Mr. Li Yun, just ask me!"

"I want you... to be..."

Li Yun smiled and said something that made Wang Xiangui's heart tremble.

"Mr. Li, this..."

"In a word, can or can't?"

".....can!!!"

Chapter 2122: kill him

"Li Yun's yellow-mouthed kid, I will kill him in the future!"

Wang Xiangui brought a group of bodyguards back to Castle No. 19 angrily, his eyes were full of anger, and the blue veins on his forehead jumped anger, making everyone in the castle at risk.

"Dad!" Wang Xiangui's eldest son was already waiting in the hall, but at the moment he saw his furious father, he dared not say anything.

"Where is your uncle?"

Wang Xiangui suppressed his anger and asked in a low voice.

"I don't know where I went with the housekeeper."

"Call him back, just say...I want to kill someone!" Wang Xiangui's eyes flashed a fierce killing intent, enough to make the people around him tremble. They seemed to see the golden triangle that was sitting in the same place back then, strategizing and leading Thousands of fierce mercenaries, golden poison king with countless blood in his hands!

Many bodyguards even gripped the handles of their guns with excitement. In their heyday, they even had anti-aircraft missiles from Country M, and they were not afraid of any enemy!

Such a powerful Golden Poison King quietly returned to Huang Xuanguo more than ten years ago, and only stayed with dozens of loyal subordinates, living in Zhonghai City for nearly two decades!

The Poison King's decline was such that he even kneeled down to a young powerful son today, which really chilled the hearts of many people who had followed him.

But that arrogant and domineering child, finally angered the sleeping fierce tiger, the golden poison king, about to show his sharp teeth!

"Boss!"

A forty-year-old bodyguard with a face full of flesh stood up, "Why do you need a second master, let's just do it, kill that kid, if it's a big deal, we will return to the Golden Triangle, and recall the former brothers together. It's better to be the emperor." Get angry here!"

"Yes! Boss, let's do it!"

"kill!"

"Shoot that \*boy!"

Many bodyguards whose hands were stained with blood clamored, but Wang Xiangui coldly said, "Shut up!"

Everyone shut their mouths obediently.

"I have my own opinion on this matter, and I will call my second child back first."

".....Yes!"

At eleven o'clock in the evening, Wang Xianneng brought Zhang Yue and others back. This time not only Zhang Yue, but also more than a dozen strangers, including men and women, white and black, blond and blue eyes, curly black short hair. The only thing in common is: extremely arrogant.

A group of people swaggered into the villa without paying attention to the bodyguards here.

"Big Brother."

Wang Xianneng took another cigar, and after taking a sip, he spit out in a leisurely manner: "So I always said, eldest brother, you are doing things and looking forward to it. We could have won more territory in the Golden Triangle and let more people work for us. , Even uniting some resistance forces, it is not a problem to siege the city!"

"Haha, but what about you?" Wang Xianneng took another cigar and walked slowly in the castle hall. !"

"How about it?"

In the face of the silent Wang Xiangui, Wang Xianneng pressed harder and sneered: "Is you fed up with all the vapid anger in the country? If you are fed up, come back to the golden triangle with me. You are still the eldest brother, and I am the second child!"

Wang Xianneng's eyes flickered, not knowing what he was thinking.

Wang Xiangui, the former boss seems to be more than twenty years old now. After a long time, he said: "Let's talk about going back. Let's finish Yan Shengrong's work first. Now that you have asked my butler, You should know the cause and effect."

"Hahaha!"

Wang Xianneng laughed, stretched out his hand and waved, grinning grinningly: "Kill him."

"Yes!"

Chapter 2123: No. 1 and No. 1

The housekeeper's face was immediately pale, and he hurriedly knelt on the ground begging for mercy: "No, no, no, sir, I was wrong, I... shouldn't."

"boom!"

With a shot, Wang Xiangui's butler fell to the ground, clutching his chest and struggling for a long time before he died.

In the castle hall, no one spoke, everyone quietly watched the butler died on the ground, blood shed all over the ground.

The traitor should die.

"Drag the corpse out, chop it up and feed it to the dog."

Wang Xianneng gave a casual command, threw away the cigar, and walked towards Wang Xiangui with a smile on his face: "Brother, go, you and my brothers go to have a good gathering, drink all night tonight, hahaha!"

...

A few days passed in a flash. More than half a month after the college entrance examination, on June 25, primary and secondary schools generally finished their final exams. When preparing for the two-month summer vacation, the college entrance examination results finally came out!

"Who is the champion?!"

"Nonsense, who is the champion? You should ask if the champion is full score!"

"Tsk tsk, just after 9 o'clock, the Ankang apartment complex immediately hung up the banner, no need to guess I know the result."

"Hahaha, it's the same with Zhicai High School, it's brighter and more lively than the New Year."

Crackling.

A piercing sound of firecrackers sounded in front of the Ankang apartment, attracting the attention of many passersby.

"Ankang apartment complex, the hometown of the champion, and the well-being of the students, I warmly congratulate the student Li Yun in this community for getting a perfect score of 750 points and becoming the provincial champion in science!!"

The pedestrians passing by were surprised, "Student Li Yun really got full marks?"

"Sure enough, he directly scored the full score of the national test paper during the live broadcast. It is not surprising that the full score of the college entrance examination is not surprising!"

"All I can say is awesome!"

"I'm Cao, Ankang Apartment has one hand, and the house price has skyrocketed by two thousand!"

"Good feng shui with a perfect score, 2000 is not much, I also want to buy a set."

Amidst the envy of the people, a lion dance team walked over with the beating of gongs and drums. First, it danced around the gate of the community. After attracting more people to watch, it danced and walked in.

Seeing that the community is not forbidden to visit, passers-by went up to join in the fun, and followed the lion dance team to the downstairs of Building D.

At the strong invitation of the sales manager of the community, Li Yun was forced to take the family downstairs and distribute the wedding candy with the manager, making it look like he was married.

"My mother, this is our Longyang County genius champion Li Yun? Really handsome!"

"His family is also very beautiful!"

"I like that plump one, hehe."

"The cold one has an appetite for me, like my boss."

"The champion's twin sister is so cute"

"Oh my God, who is that soft and cute girl in a pink dress with a sleeping face?!"

Everyone was amazed. Li Yun and his family of four, plus Zhuang Siliu and Zhuang Mengdie, etc., men are handsome and handsome, and women are graceful and charming. Each has its own characteristics. It is an eye-opener and sighs that the champion is life. Winner!

"Husband, husband~" Zhu Shue at nine o'clock in the morning forcibly endured sleepiness and asked excitedly with his sleepy eyes open: "Is the husband now the champion?!"

"Correct!"

Li Yun petted the little girl's head. Since knowing that the pill is precious, the little princess has eaten less and less pill. She only takes it once every ten days. Other times, she let her pajamas attack.

Even this morning, she could have taken a pill to resist drowsiness, but Princess Yongning just refused to take it.

Chapter 2124: No. 1 Scholar

"Great~"

Princess Yongning's lovely face was full of happy smiles, and she lowered her head shyly: "If the father is there, people will be ordered to open the treasure gate and let the students of the world pass through it, and the husband~~~ is the first to go. Bit!"

"Jubaomen?" Li Yun was a little puzzled. Why is this name a bit like something recorded in third-rate wild history, but Princess Yongning, as a real royal princess, is history in her own right!

"It's the gate built by Emperor Taizu, but later Ming Chengzu built another gate called Daming Gate, but we are still used to calling Jubao Gate."

We are referring to Princess Yongning already a group of royal descendants.

"Aren't the champions and the second place in the middle?"

"Also go to the middle door, but go to the treasure gate first, then the middle door."

"Nafujun, how is my current treatment better than that of the ancient champion?"

Li Yun asked with a smile. Princess Yongning tilted her head and looked at him, then she suddenly covered her mouth and laughed: "It's so far away. The emperor now hasn't met you with your husband, so stingy!"

"The current emperor...cough cough cough!"

Li Yun touched the little princess' head, "Goodbye, don't watch so many TV series when you have time in the future, read more books."

The little princess is at home, and she must watch TV in the afternoon, and she mostly watches ancient dramas-the most favorite is the plot of the princess and her husband who love each other.

Although she said all day that the life in the TV series and the ancient life is very fake, the scenes, knives, palaces, etiquette, costumes, etc., and the princess's daily life is not the way she plays and falls in love all day long. It won't be the champion (there's only one in history who was the champion), but she still insists on chasing the drama every day, and she never gets tired of it.

"Okay~, my husband told Yongning to do it~"

Princess Yongning obediently agreed. Reading romance novels is also reading. She recently learned that there is a novel on the Internet called romance novels. There are too many plots about the princesses and the princesses~, I want to watch it at night.

——Of course, when I look at it, the princess=she, and the prince=Li Yun.

The first batch of talents who watched the excitement dispersed, and the congratulatory team from Zhicai High School came again.

The team was personally led by Principal Wang, who was in his fifties, and a group of deputy principals, teaching directors, grade directors, class teachers, subject teachers, and student representatives walked over from the gate of the community beamingly.

Then the principal began to speak: "Li Yun, congratulations on becoming the first champion in Longyang County, winning glory for your alma mater and the county seat!"

applaud!

There was a clap of applause, and the next step was to talk in turn. The crowd did not disperse but increased.

When the leaders finished speaking, Li Yun's class teacher also got the opportunity to speak. Seeing his trembling tone, he knew that the old class was very excited.

"Finally, I announced that in recognition of classmate Li Yun for picking the province's champion, a special reward of cash: 500,000 yuan!"

500000!

Everyone was amazed and looked at Li Yun with envy.

But soon, they remembered that Li Yun had broadcast test papers, and according to the news, he made tens of millions a day, so everyone was not surprised.

When someone becomes the champion, he is already a winner in life!

"Thank you, thank you principal, thank you all the leaders, and thank my head teacher and teachers!"

When Li Yun finished talking about the scene, he wanted to breathe a sigh of relief when there was noise from the community again.

"It is the district leader who brought the county leaders here!"

Chapter 2125: Women's achievements

Someone yelled, and immediately, the people around Li Yun—the principal, the director and others, all walked out quickly to welcome the arrival of the leader.

Only Li Yun smiled without saying a word, and asked Princess Yongning to go back to sleep first, and then repeat the plot just now, nothing to watch.

Zhu Shue hesitated, took out a small recovery pill and ate it, yawned again, his face flushed, and embarrassedly said: "Husband is the number one in Dengke today. As his husband's wife, why don't Yongning stay with him? Row?"

Li Yun can only let him go. However, there is a saying that is the three great joys of life: the time when the title of the gold list, the night in the cave |

Is the little princess going to give him a second happy event tonight?

After meeting the leaders of the county, Li Yun won another 300,000 awards. He took various photos to commemorate him. After noon, the leaders of the county came forward to invite Li Yun to have a meal, including the leaders of Zhicai High School.

As a result, the hotel heard that it was the champion who came to eat. The boss hurried over and gave him a free discount. He didn't even need to talk about any cooperation with Li Yun. He only needed to spread the matter throughout Longyang County, and it would naturally happen in the future. Parents brought high school seniors to be happy, and even here may become the only designated place for college entrance banquets in Longyang County.

In short, everyone is happy!

The celebration didn't end until 3 o'clock in the afternoon.

After lunch, Princess Yongning fell asleep in Li Yun's arms and woke up until she went home.

In the evening, Li Yun flicked Weibo and chatted with people.

Li Feng's college entrance examination score is not bad, 720 points, ranked 18th in the province, the national colleges and universities randomly selected, Shangqing North is not a problem.

Unfortunately, Li Feng, Li Yun, and Fang Xue had no intention of applying for Qingbei, which disappointed the school's leaders.

Fang Xue's score was slightly higher than that of Li Feng, with 725 points, the fifteenth in the province.

Gong Qingyu is second in the province, only 1 point less than Li Yun. Her language still fails to get a perfect score. According to the school teacher, it is a pity that she missed a single word.

Song Yidao 747 was deducted a lot of points in mathematics. It is rumored that it was because of the competition for time to get out of the examination room, and he did not check carefully.

However, Song Yidao has gone abroad and will not return in the next few years.

Zhao Tianfeng, who was in Beijing, got 685 points on the test. It doesn't matter whether Shangqingbei is still going abroad. She and Hu Xiaomeng called to congratulate them in the morning. Now they are watching movies with friends.

Li Yun also received a call from a person.

"An Xi? How is it, how many scores did it take?" Li Yun asked with a smile. Tang Anxi had a very high IQ. After taking his pill, his memory became very good. High scores on the test shouldn't be a problem.

"Just went to 700." Tang Anxi's tone was filled with excitement and joy that could not be concealed. She had wanted to call Li Yun since the morning, but considering that he would be busy today, she endured it till now.

"Not bad, how much is it?"

"705...is it very low?"

Tang Anxi was a little uneasy. She already knew that both Li Feng and Fang Xue had 720+ grades, and felt that her 705 was ashamed of Li Yun-she was inherently inferior and sensitive.

"No, I can enter your favorite university. By the way, you didn't mean to go to study... I will introduce you to someone, my sister Li Feng, and her mother and relatives can give it to you. Some help..."

"Um."

Tang Anxi blushed and nodded, her heart was warm, with Li Yun's words, she hadn't waited in vain these days.

Her dream has finally come true, she will no longer be a ktv princess, but...a freshman in the Performance Department of Zhonghai Drama Academy!

Chapter 2126: Go to sea the day after tomorrow

"Congratulations to Brother Li Yun for winning the Zhonghai City champion and the national champion~~~ La la la, brother Li Yun is the best~~!"

Just after finishing Tang Anxi's call, Li Yun received another call from Su Muxin. In the crisp and sweet voice of this little pepper, there was a faint tremor, as if he was expecting something.

"Didn't you congratulate you in the morning?"

"The morning is the morning congratulations, and the evening is the evening congratulations. It's different."

"...Okay, you are right."

Li Yun smiled happily, "What then? What do you want me to do?"

"Ah!? You don't even remember Brother Li Yun? We are together...Ah!!! Brother Li Yun is necrotic, playing with others again! Humph~!"

Su Muxin puffed up her small mouth. Bad brother Li Yun must have guessed that, but now she only deliberately asked her to speak out to make her embarrassed.

so bad!

"What's the matter? How do I know if you don't tell me?" Li Yun smiled jokingly.

"...Bad husband and brother always bully me!" Su Muxin bit her lip and said after a long time: "It's just... to go to the holiday island together! Satisfied? Huh~"

Li Yun chuckled, teasing his girlfriend with a different flavor.

"I already asked."

"Well, how many people?"

Su Muxin was a little uneasy, afraid that Li Yun would take seven, eight, or even a dozen girls with her, and the attention she would receive would inevitably decrease.

"Only four."

"Four girls? Well, that's okay, I'm going to book tickets now, and we will leave the day after tomorrow!"

Su Muxin breathed a sigh of relief. Although the four were a bit too many, they were still acceptable.

"No, it's you and me, Xia Feiyao, and... another girl with a personality similar to yours!"

"Huh? Only, only two?"

Su Muxin was inexplicably delighted. She knew that there were many confidantes around Li Yun, and she was already ready to go out with a group of girls, so she was with her best friends, but she didn't expect that Li Yun only brought two!

In this way, she almost spends her honeymoon with brother Li Yun? Hehe~

"Just? Do you want more?"

"No, no, it's just... happy, hehe~."

Li Yun was moved in his heart and said softly: "Mu Xin, I will compensate you when I get on the cruise ship. It's not the time... Little Pepper, are you ready to take on the battle for several days?"

Since one of the purposes of taking the cruise this time was to "honeymoon" and was approved by Su Muxin's parents, then Li Yun was not afraid to drive in front of Xiaojiao and say nasty things.

"Yes, ten days."

Su Muxin blushed, "I booked a ten-day cruise, starting from Zhonghai City, passing through South East Asian countries, and finally stopping at the Haowei Islands."

Her voice was trembling.

In the next ten days, she and the Xia Feiyao, and another girl she doesn't know, will be taken together by Brother Li Yun... ooh, so shameful.

Just thinking of what would happen in the next ten days, Su Muxin would cover her blushing face and dare not look at people.

This kind of thing, except between the sisters, no one can know, otherwise she will have no face to meet people!

"Ten days? No problem!" Li Yun jokingly laughed: "Don't talk about ten days, your husband and brother, I just 'travel' with you for half a month. One month is not a problem!"

"Bad guy!!!"

Su Muxin was so embarrassed that she buried her face in the pillow, and finally muttered: "I, I will pack those clothes. Brother Li Yun, I will... bring the clothes you have seen."

She hung up the phone in a hurry, too embarrassed to speak anymore.

With the space ring given to her by Li Yun, Xiaojiao can bring all the more than 100 custom-made clothes she bought recently.

Chapter 2127: Rogue

Everything is ready, only the last one is left.

Li Yun took the initiative to call her. After the bell rang for a full half a minute, she was answered by the other party.

"..."

"..."

Neither party spoke. Li Yun could hear her nervous breathing. It should be the girl who put the microphone on her mouth, and she wanted to say but couldn't say it several times.

"What's the matter?" Li Yun took the initiative, lying on a chair on the balcony and talking to her, laughing jokingly: "The one who used to be the one who was able to slay zombies with a whip and ran into the tomb. Don't you dare to say anything?"

"You, you, you, you, you...big color embryo!!!"

She seemed to be puzzled. The little \*\*\*\*\* the phone took another deep breath, a small mouth, and the cursing words burst out: "Pervert, pervert, pervert, rascal, rascal, rascal. , The gangster, the disciple, the thief!!!"

Li Yun's forehead jumped, he was so familiar with this kind of curse, he was so familiar with it!

When he went to Zhonghai City Airport to go to Fair City, Jiandong Province, he was scolded by her and almost couldn't get off the stage.

Listening now, there is an inexplicable feeling of nostalgia. It has been less than half a year.

Fortunately, she didn't hang up the phone this time, just waited for him to speak in a hurry.

"I didn't say anything." Li Yun defended.

"Big pervert, do you think I don't know what you want to do? You go on a boat trip with the women around you, but you specially invite me, don't you want, want..."

The quirky little girl stammered, her small face turned flush, "Want to eat my body!"

"puff!"

Li Yun spouted a sip of tea, "Xiao Liuli, where did you learn such things?"

"Humph~~"

Jin Liuli, that is, the little girl from the innate realm who once went to the Princess City of Yongning with Li Yun, entered the Sun and Moon 28 stars and rescued Zhu Shue, she snorted proudly:

"Don't think of me as a deep-bowed lady who didn't know anything in ancient times, you big pervert, I'm not Princess Yongning... By the way, how is the princess now? You \*\*\*\*\* haven't contacted me for many days... ."

At the end of the day, her voice became quieter, she should be shy.

"She's fine, you want to come... see."

Before Li Yun finished speaking, the option event of the system came.

"Ding, trigger the option event, please choose from the host:

Option 1: Go directly to Yingdu, where the Golden Saint Pavilion is located, and pick up Jin Liuli, reward experience value +5 million, all attributes +100, Jin Liuli favorability +5, and purple gift bag\*1.

Option 2: Invite her on the phone, reward: Jin Liuli's favorability +5.

Option three: scold her, hang up the phone directly, reward: Jin Liuli's favorability degree -1. "

Li Yun's whole body was shocked. It turned out that after a few months of separation between him and Jin Liuli, her favorability has not fallen, but has it become more?

Now Jin Liuli's favorability for him is 94, and if you add 5 points, it will be infinitely close to one hundred.

Even if she scolded this girl badly, she only lost 1 point of favorability, and it still remained above 93!

"Little Liuli!"

Li Yun did not hesitate to choose the first item: "I will pick you up tomorrow!"

"...No! I don't want to go out to sea with you, this big-eyed embryo, you will definitely do it, and you also bring other girls!"

She said she refused, but Jin Liuli's mouth had a smile that could not be concealed. Even if she tried to cover it after she finished speaking, joy was still in her bright big eyes.

"That `s a deal!"

"You, you, you... Da Er\*, ignore you! I'm hanging up!"

Chapter 2128: Jin Liuli's Efforts (Part 1)

After hanging up the phone, Jin Liuli couldn't help kicking her feet in a chair with her mobile phone in excitement, her round face was full of smiles, and the girl's crisp laughter was extremely sweet.

"Da Lugui, even if you come to me, I, I will definitely not go with you!"

"Huh, why did you call so many girls around you? Princess Yongning is following you, not enough, there are others!"

"There isn't anyone in the world like you, so you still dare to come and invite me together!"

It took a long time for Jin Liuli, who was muttering to vent his excitement, and stood up to take a shower to pack her things.

But as soon as she turned around, she saw a black figure standing at the door, scared her to scream "Ah!", holding her mobile phone for a few steps, and sitting on the ground, her little face looked at her in horror. People:

"mom, Mom, Mom!"

At the door, stood a beautiful woman with an extremely beautiful appearance. Her graceful figure was wrapped in a light blue dress, with a melon seed face, willow eyebrows, cherry lips, plus white jade skin, and a quiet and dignified temperament. , It's exactly a standard beauty.

It is a pity that there is a lingering sadness on the center of the beautiful woman's eyebrows, which makes her look very thin, as if a gust of wind can blow away.

"Li'er, what are you doing?"

The beautiful woman with frowning eyebrows walked into the room and stretched out her slender hand to support her daughter. Jin Liuli hurriedly stood up, she couldn't tell why she came. She didn't want to lie to her mother, but she didn't want to expose her relationship with Li Yun. Can be fooled.

"I told you not to agree for a long time. Okay, let's take a shower. Mom will sleep with you tonight."

"Uh huh!"

Jin Liuli said goodbye with a guilty conscience. As soon as she stepped out of the door, the beautiful woman suddenly said, "Do you have someone you like?"

"What...cough cough cough~!"

Jin Liuli almost fell to the ground again, her small round face flushed, and she said: "How, how is it possible, how could I like that big ghost, I, I, mom, I'm going to take a bath~~!"

Jin Liuli ran away quickly, leaving behind the beautiful woman looking at her leaving in a trance. After a long time, she sighed softly, "My daughter is older."

the next day.

Before six o'clock in the morning, Jin Liuli opened his eyes. After a while, she turned her head and peeked at her mother who was sleeping next to her.

Her mother was wearing a light veil, her eyes closed and she was asleep, and there was a lingering sadness between her eyebrows. Jin Liuli couldn't help but want to reach out to heal her, but she was afraid of waking her mother. Anxious put down his little hand.

"Mother?"

After a soft cry, Jin Liuli got out of bed cautiously and began to pack things after seeing that she didn't respond.

She wanted to clean up last night, but her mother was by her side all the time and she couldn't do anything, so she had to get up in the morning and clean up.

After finishing the things, Jin Liuli picked up the brush and wrote a letter, folded it and placed it quietly on the table, pressed it with the inkstone, revealing a corner, and you can find it by looking for it carefully.

"Mom, I, I'm leaving~, I'm sorry, this time... I'll let my daughter be willful!"

Jin Liuli bit her lip and spoke to the sleeping beautiful woman. After thinking about it, she leaned forward and kissed her mother's cheek gently. When she covered her mouth and tried to leave--

"Li'er."

"!!!"

Jin Liuli froze in fright, raised his back heel, and did not dare to fall.

Chapter 2129: Jin Liuli's Efforts (Part 2)

The next moment, she immediately threw the baggage she carried behind her back and threw it directly on the bottom of the bed, and the people flew back to the bed, took off the clothes in twos and threes, and got into the bed and hugged her mother.

"Uh-huh."

Jin Liuli replied while panting nervously with her mouth open.

She felt her own heart about to jump to her throat, too nervous.

Fortunately, just after opening her sleepy eyes, the beautiful woman with chaotic hair didn't seem to notice her movement, she just rolled over, embraced her daughter's petite body with her hands, and whispered: "Li'er, your grandma is closed this morning. Come out, let's go to Ann, and have breakfast with your grandma by the way."

With such clear and clear words, where is it like a person who hasn't awakened?

It's a pity that Jin Liuli was so nervous now that she didn't notice her mother's abnormality.

"Me, me, mother, me..."

"Okay, Li'er, be good, sleep a little longer."

"..."

Jin Liuli lay on the bed with her eyes open, and was firmly hugged by her mother, and spent the most difficult half an hour abruptly.

After that, she was pulled up by her mother, dressed, washed, and then went to the small building where the master of the Jinsheng Pavilion was located to ask for peace and have breakfast.

Jin Liuli was restless throughout the whole process, her eyes panicked, and several times she whispered her mother to hurry up, but the beautiful woman just heard nothing.

"Li'er."

The master of the Jinsheng Pavilion, a gray-haired, kind-looking old woman looked at her and asked with a smile: "Why? Doesn't the rock sugar stewed bird's nest made this morning suit your taste? You used to love it."

"Wh, what?" Jin Liuli didn't listen at all, and asked subconsciously, and then received a training from the beautiful woman: "Li'er, grandma asked you why you are so gaffey this morning!"

"Uh, me, I..."

Jin Liuli froze for a long time without being able to speak.

"Li'er." Pavilion Master Jin Sheng slowly stirred in the soup with a spoon, his tone was low and slow, and his expression became gloomy: "You have to remember, in this world, the daughter's body is the most precious and precious. If you are deceived, there will never be a way back! Otherwise, the world will scold you for not observing women's way, tarnish your body, slander your honor, and make you shameless!"

"And men are not like that. They can look for flowers and ask Liu, they can have three wives and four concubines, they can play in the dust, but the world compliments: What a graceful son in the world, what a loving and righteous hero!"

Speaking of this, the eyes of Pavilion Master Jin Sheng were full of murderous intent, and a strong aura engulfed everyone present, making the position of the servants frightened, and also making Jin Liuli pale with fright, and sighed and dared not speak.

"Pavilion, pavilion master!"

At this time, a servant came in tremblingly to report. He knelt on his knees and knocked his head before he dared to speak: "A man named Li Yun, who claims to be, who claims to be..." He glanced at Jin Liuli in a tone of voice. Even more frightened: "Miss's boyfriend..."

Inside the small building, the atmosphere became more and more frightening.

"Boyfriend?" Jin Sheng's voice returned to calm.

"Yes, yes! That's what he said!"

Everyone looked at Jin Liuli.

This lively, cute and mischievous little girl in the past is now so scared that she is about to cry. After eagerly thinking for a while, she suddenly stands up: "I'm going to see him, let him go!"

"sit down!"

An inexplicable force pressed on Jin Liuli's shoulders, causing her to sit down abruptly.

"Continue to eat!" Pavilion Master Jin Sheng said indifferently, "I want to see, who is the husband-in-law chosen by my Lier!"

Standing in front of the Golden Saint Pavilion, which was built by the lake, Li Yun received a prompt from the system after being stopped by a guard disciple.

Knowing that Jin Liuli still had deep feelings for him, Li Yun decided to come to Jinsheng Pavilion early this morning. Even if Jin Liuli didn't want to go with him, Li Yun would come!

After all, Jin Liuli had already proactively kissed him once during the last parting, so this time he will take the initiative to attack!

Sure enough, the system prompts that if you choose the right one, it will increase the favorability of 0.9 again, which is infinitely close to the full 100!

"Are you really a junior sister...boyfriend?"

Zhao Xian, who is both a disciple of the Golden Saint Pavilion and a doorman, couldn't help but observe Li Yun up and down again to see what kind of person could take away the heart of the little junior sister!

The younger sister is lively and cute, and she is very naughty. She usually likes to do some innocuous pranks on the brothers and sisters in the martial arts. Jin Shengge treats her as a treasure, and can't bear to let her feel wronged.

Of course, many seniors also have a crush on her, but unfortunately, the younger sister seems to have not grown up, turning a blind eye to all kinds of flattering hints.

But five months ago, after the little sister came back with a strange wooden sword, she lost her previous naughty and vitality. She held the wooden sword in a daze all day long. Sometimes she could look at the lake with her sword. All day long.

Everyone here knows that the younger sister... is in love.

Sure enough, after five months, that hateful and enviable guy appeared!

"how to say--"

Li Yun clenched a fist with his right hand and coughed in his mouth, "Although it is still not sure about the relationship, but they have a good impression of each other, I gave Xiao Liuli a gift, and she also—"

"She too...? What did Junior Sister do?" Jin Shengge disciple Zhao Xian asked quickly. Although he already has a fiancée, as a senior, of course, he still hopes that Senior Sister Liuli can find a good husband!

"She kissed me too."

"what!?"

Zhao Xian and several Jin Shengge disciples all opened their mouths stupidly, and looked at Li Yun in disbelief.

Little Junior Sister... kissed this guy?

They can't imagine what the lively and lovely little junior sisters would be like when they kissed others?

Blushing? Shy face? Feeling embarrassed with a small hand holding the corner of his clothes

"Oh my God, kill me!" a Jin Shengge disciple yelled while holding his head.

"It's actually this guy!"

"Why? I'm not so handsome, so I can barely see it."

"Hey, what is your origin? Who are your parents and brothers and sisters in the family? Let me know!"

A group of disciples shouted that the Golden Saint Pavilion is located in a place with beautiful mountains and clear waters, by the big lake at the foot of the mountain. Many disciples are very straightforward and simple. After hearing that the younger sister has a boyfriend, she immediately assumed the responsibility of the younger sister. Keep good character off!
