

Godly Choice 2131

Chapter 2131: Blast out, punch in

"My name is Li Yun, from..."

"The pavilion owner has an order to drive me out of the person who claims to be my boyfriend!"

As soon as Li Yun introduced himself with a smile on his face, a person ran out quickly, holding a bright sword, pointing to his face and shouting.

Suddenly, all the disciples of Jin Shengge who were still watching his uncle before, all drew out their swords magnificently, and looked at him sternly.

"Are you not Junior Sister's boyfriend?"

"I knew that Junior Sister would not like this kind of person!"

"Get out, when my Golden Saint Pavilion is? Bah, don't go out to inquire!"

"Get out immediately, or the sword will wait!"

With a stern shout, Li Yun shook his head and sighed. Just as he wanted to do something, the system prompt came again.

"Ding, update option event, please choose from the host:

Choose one, go directly in, and the reward will remain the same.

Option 2: Go in, but don't kill or seriously injure anyone. Reward: To be determined., Extra reward: Jin Liuli's favorability +0.9, Skill: Snatch (passive, anger when snatching, all attributes increase by 100%).

Option 3: Pay for the smiling face and leave, and reward Jin Liuli with a degree of favorability +0.5. "

Grabbing relatives?

I like this skill!

Li Yun smiled slightly and glanced around at the people holding swords: "No matter what, I will see Jin Liuli. You can choose to leave or stop. The only thing that doesn't change is that I must see her!"

The words were so loud that many of the disciples of Jin Shengge were stunned. Zhao Xian couldn't help thinking that he was indeed the man whom the younger sister liked. This courage...Bah, who said he was the son-in-law of Jin Shengge? !

"What a big tone!" The person who came out the announcement sneered, "Do you know what our pavilion master's name is? You know that before the Golden Saint Pavilion..."

"Junior Brother Zhou, shut up!" A person stopped him and said coldly to Li Yun: "You have only two choices, one, get out of here immediately! Second, walk in and be killed by our chaotic sword! Choose !"

"wrong."

Li Yun shook his head, "Only the strong one who has the initiative has the right to choose. Unfortunately, I am the strong one!"

"you!"

Everyone's lungs exploded, and this kid was bold enough, and his tone was too mad!

It was so mad that people wanted to slap him a few big mouths fiercely.

"I want to see how many cattles you have, who dare to be strong!" The senior who gave Li Yun's choice, the sword in his hand shook, and in an instant, a golden sword light shot into the sky.

"The first style of the golden light sword technique, the sword is out of the Golden Gate!"

Dozens of splendid golden sword lights joined together, slicing across Li Yun's chest, golden afterimages accompany the sword, making it difficult to distinguish who is true and who is false, and they are made with a special forging method in conjunction with the Golden Sacred Pavilion. With the golden sword, in the sun, the golden light shines when the sword comes out, which is hard to guard against.

"Senior Brother Liao deserves to be an elder disciple, this sword has...what!?"

Everyone was too late to admire Senior Brother Liao's brilliant swordsmanship, but saw Li Yun chuckled, raising his left and right index fingers unhurriedly, and pressing against dozens of sword lights.

"Ding!"

With a crisp sound, the golden light of the sword disappeared, and Senior Brother Liao's golden sword was given in the air by a finger!

"I said, I am a strong one!"

Li Yun's tone was dull, as if he was just narrating an unremarkable thing. In the horrified gaze of Senior Brother Liao, he flicked his finger and pleaded! The golden sword flew up at the sound, and people took seven or eight steps back, almost unable to stand up and fell to the ground!

"This.....!"

Chapter 2132: Sun beat in

Many Jin Shengge disciples took a step back in fright.

Although Senior Brother Liao is not innate yet, he has already entered the acquired state of consummation, and he can break through with a single kick. Coupled with 20 years of hard training in swordsmanship, his strength can support a period of time even in the middle of the innate state.

But now he was defeated by Li Yun with one finger!

The defeat was clean and tidy, without the slightest ability to resist!

This person... is less than twenty years old!

"No wonder, it's no wonder that Junior Sister would like him!" Zhao Xian couldn't help but regard Li Yun as her boyfriend again.

But Shengge's humiliation prevented him from sitting idly by.

"Brothers and brothers!"

Zhao Xian stood up with a sword and sternly shouted: "Never let this person go in, let's go together and form a golden light sword formation to block him!"

"Yes, stop him!"

Seven or eight disciples of the Golden Saint Pavilion reacted, and the golden swords in their hands were raised together, standing in different positions, circled Li Yun, and then stabbed them with their swords.

"Hey, I still don't listen, I hope Xiao Liuli won't blame me."

Li Yun shook his head, sighed, and waved his hand. All the swords broke apart. Zhao Xian and the others only felt an unpowerful force coming. They couldn't resist at all. They flew out seven or eight meters away, just fluttering. Fell to the ground.

It's okay, but the **** has become four petals.

"Today, I, Li Yun, must see Jin Liuli, it's useless for anyone to come!"

The voice was loud and loud, almost spreading to half of the Golden Sacred Pavilion that was built near the lake, causing countless disciples to look at him.

"who is it?"

"Which guy dare to come to our field and run wild?"

"Go, go out and have a look!"

There was a riot in the Jinsheng Pavilion. Hundreds of disciples from the outer sect, inner sect, and the elder's direct disciple rushed out, clutching weapons in their hands.

Zhao Xian stared at the back of Li Yun striding in, not knowing what to say for a while.

"No wonder, no wonder Little Junior Sister would like him..."

Zhao Xian is repeating what he said just now, such a domineering and mighty young man can't find a few in the whole arena, right?

Inside the small building.

Jin Liuli was fidgeting, and tried to stand up and look into the distance several times, but was pressed down by the gaze of the Lord Jin Sheng, her majestic grandma, and was forced to sit in place.

"Grandma, don't hurt him... he, he, he is amazing!"

"Oh? How powerful."

The Lord Jin Sheng's expression remained unchanged and continued to eat breakfast. Her daughter-in-law, Jin Liuli's mother, Gu Yuqing, frowned, seemed to regret telling her mother-in-law last night.

"He he he... he can kill zombies!"

"..."

The Lord Jin Sheng pavilion glanced at Jin Liuli, then lowered his eyes, "Making a fool!"

Jin Liuli was shocked, but she still tried her best to say, "Really, grandma, I didn't lie to you. Last time I really went into an ancient tomb with him and saw thousands of zombies fighting, one of them The big one is called General Xu. It is four or five meters tall. By the way, there is also a dark man who can control Heishui. He is also very powerful..."

Beautiful woman Gu Yuqing held her forehead. After Li'er came back five months ago, she excitedly told her these things.

She had already warned Li'er not to mention these in front of outsiders, lest she be treated as a...lunatic by her grandmother.

Lier still said it!

The servants who were waiting around looked at each other, thinking that the young lady was probably fascinated by the wild man outside...

"Anything else?"

The tone of the main Jinsheng Pavilion was flat.

"Yes!" Jin Liuli hurriedly leaned to her grandma and said to her: "We also entered a fantasy realm, which is a Ming Dynasty city. Later, Brother Li...he also saved Princess Yongning."

Speaking of this, Jin Liuli's voice finally became quieter, because her grandma's face was already extremely ugly.

Chapter 2133: Sweep the Golden Sacred Pavilion

"Who is Princess Yongning?"

"Yes, it's his wife, one of..."

"Huh...noise!"

"Today, I, Li Yun, must see Jin Liuli..."

When the Lord Jinsheng Pavilion was about to furious, Li Yun's voice passed through the palaces directly to Xiaolou.

The full of breath, the majestic and majestic voice changed the complexion of the people present!

"Okay, so bold! I dared to break into my Golden Saint Pavilion!"

The servants were filled with horror. When they looked at the pavilion master, they found that the majestic old woman's face had become completely gloomy, and her turbid eyes were full of vultures.

"The elders will kill him!"

"Yes, yes, pavilion master!"

The servant hurried to deliver the order, and everyone who remained in the small building was terrified.

Jin Liuli's expression was very complicated. There was the surprise that the big stalker was willing to score for her, but also the feeling of self-blame when she was afraid to stand up due to the pressure of her elders.

At the same time, I was worried about him or my senior brothers and sisters.

Soon, she thought that the power that Li Yun showed last time was not something that the ordinary innate realm of Jin Shengge could stop.

"grandmother!"

Jin Liuli stood up, and just about to speak, he was reprimanded by the master Jin Shengge: "Sit down for me!"

"Yes....."

Jin Liuli sat down instinctively in fright, but quickly straightened her legs again and bit her head and said: "Grandma, let the elders stop, they are not the opponent of that big villain, even grandma you..."

Carefully glanced at Pavilion Master Jin Sheng, Jin Liuli gritted her teeth: "Grandma, you are not his opponent!"

The silence became more terrifying.

"Ha ha ha ha."

The Lord Jin Sheng sneered, like the fangs of a poisonous snake hidden in the forest, which is frightening, "My dear granddaughter, it seems that you are going out on a trip, and even your head is confused by the man. Come, let her ..."

"Mother-in-law!!"

Beautiful woman Gu Yuqing stood up, the sorrow between her eyebrows disappeared, her expression dignified, and she said, "Mother-in-law, the situation is unknown now, and various strange things have happened recently, including the destruction of Yuwen's house overnight in the capital, and the recent Tiandao. The movement of the door and the ground sword pavilion all show that... what Li'er said may be true!"

"You, you, one by one..."

The Lord Jin Shengge was trembling with anger, and when he was about to sternly reprimand, a person ran up in a panic outside the door and knelt on the ground to report: "Pavilion Master, the person who broke in was extremely brave and defeated all the disciples. None of the innate realms are opponents, and the three elders will be blown away in one palm, and the rest will not dare to go back!"

Everyone's complexion changed again.

"Liu Li, where are you!!"

What's bad is that the arrogant's voice is getting closer and closer, and the entire Golden Saint Pavilion is like an empty city, letting the opponent walk in with a sway.

"Pavilion, pavilion master!"

Another person ran up, his face was bruised and swollen, and he cried and knelt on the ground: "It's not good. The pavilion master, the third elder, the fourth elder, and the seventh elder, no, all the elders were defeated by the enemy. It's already a Grandmaster Realm!!"

Inside the small building, fell into deathly silence.

The servants flinched in fright, didn't they say that the man was the young lady's boyfriend? Why is it a Grandmaster Realm? !

In the entire Golden Saint Pavilion, there is only one Grand Master Realm, Jin Liuli's grandmother, and the current pavilion owner of the Golden Saint Pavilion, known as the Jiuju Jin Jihua!

Chapter 2134: The youngest master

"Grandmaster Realm?"

The Lord Jin Sheng stood up slowly, but the small old woman exuded a majestic aura, which made everyone feel very depressed, as if her heart was severely held.

"Milk, grandma!" Jin Liuli plucked up the courage and said seriously: "Li Yun is very powerful, really, I don't lie to you! He can control the lightning, and instantly kill a very powerful person! And by the way Many zombies were killed, what I said is absolutely true!"

This time, no one dared to laugh at it anymore.

Because Li Yun's voice was getting closer and closer, this clear and loud man's voice, like a sledgehammer, smashed into the hearts of the people of Jinsheng Pavilion.

"I heard..." Beautiful woman Gu Yuqing also spoke, and whispered: "A fairy, Li'er, that Li Yun...?"

"Well, he... is a fairy!"

Jin Liuli bit her scalp to speak, then took a cautious look at her grandmother, walked quickly to the railing, and looked down from the second floor, just in line with Li Yun's eyes below.

In an instant, Jin Liuli seemed to feel cheering all over her body, her heart jumping for joy, and a smile on her round face was extremely beautiful.

"Li Yun, you...what are you doing?!"

The hand that Jin Liuli wanted to wave at him stopped abruptly and turned into fierce interrogation, with complaints on her small face.

But if Li Yun left now, she would definitely die of sadness.

"I'm here to see my little Liuli."

Li Yun spread his hands, and smiled at her upstairs as a sunny boy.

Not far away, the disciples and elders of Jin Shengge, who had been crushed and beaten by him, all silenced, no one dared to step forward.

Hundreds of people took turns to besiege, knives, guns, axes, darts and hidden weapons, but they just couldn't stop him!

Whether it is a knife, axe, chisel, or a poison dart missile, all attacks are ineffective against him, even if the sharp and abnormal flying needle hits his most vulnerable eye, it still can't get half a point!

When seeing that scene, all the besieging people were frightened, and then Li Yun shot them away!

Hundreds of people were all slapped flying by him!

Regardless of the acquired or the congenital realm, and no matter the later or consummation of the congenital realm, all of them were shot flying, no one left!

What's more terrifying is that, no matter if they fell into the pond, fell into the lake, or smashed on the wall, they didn't hurt a single bit when they flew tens of meters. Everyone felt the terrifying power from Li Yun's body. , But this kind of power is so cleverly grasped that it didn't hurt anyone!

After this battle, all the people in the Golden Sacred Pavilion were convinced, and they could only put their final eyes on their pavilion master: this old woman who was over eighty years old, had been famous for many years, and had already entered the realm of the Supreme Master!

"Pavilion Master!"

The big elder with a blue nose and swollen face was ashamed and embarrassed. He showed his light work and came to the front of the small building.

"It turned out to be true... Grandmaster Realm!"

Jin Liuli's mother, the beautiful woman Gu Yuqing glanced downstairs, and saw that everyone was extremely embarrassed. It was either a chicken or a duck. If Gu Yuqing hadn't known them, she would definitely not think that these embarrassed people would be extremely embarrassed. A well-known strong man with consummation in the innate realm!

But such a strong man, in the hands of the person her daughter likes, was defeated like a chicken dog, standing still in shame, afraid to step forward.

"The Grandmaster Realm less than twenty years old...No, maybe even more powerful than the Grandmaster Realm!"

Chapter 2135: Meet grandma

Gu Yuqing's heart was shaken, maybe her mother-in-law might not be able to do such a heavy lifting!

The surroundings were silent, and the hundreds of people in Jinsheng Pavilion were shocked by Li Yun's bravery.

"Junior Li Yun!"

Li Yun took a step forward and arched his hands at the old woman upstairs, "Farewell to—" Looking at Jin Liuli, the latter hurriedly whispered: "My grandma, Lord Jin Sheng Pavilion!" "Meet grandma!"

"..."

A large group of people look at me, and when I look at you, they are speechless again.

But inexplicably, they actually have a secretive feeling.

Such a powerful young man, not only is now too powerful, his future achievements are even more unimaginable, but he actually has a lot of relationship with Jin Shengge!

Doesn't this mean that in the future, Jinsheng Pavilion will have another grandmaster level backing?

"Who, who asked you to be grandma!" Jin Liuli stamped her feet with anger, and bulged her small mouth: "I haven't promised you...to go together."

Li Yun invited her to travel overseas, and together with the other two girls, and did not conceal him and those two girls, Jin Liuli could naturally hear his overtones:

To agree to travel together is to promise his... fiancée.

Li Yun smiled, "Sooner or later, right?"

At the moment he saw Jin Liuli, the system prompted him to choose the event to complete. In addition to 30 million experience points, five thousand attribute values, and three golden gift bags, Jin Liuli's favorability directly reached 99.9.

Only 0.1, it's 100 full!

"No!" In front of so many people, and still in front of people she knows, her relationship with Li Yun was exposed. Jin Liuli's lovely round face has long been red, and now the movement of stomping her feet to deny will only strengthen Persuasive.

Li Yun smiled and blinked at her, his eyes turned to the old woman, and finally to the woman next to Jin Liuli: "Are you Jin Liuli's mother? Last time I met, I often heard her talk about you, the younger Li Yun, see you Auntie!"

The beautiful woman frowned slightly, did not answer, but looked at her mother-in-law.

Li Yun is already in the limelight now. If he talks to him again, he will undoubtedly lose her mother-in-law's face and make her ugly.

Everyone seemed to feel it too, the pavilion master didn't like this powerful young man who came in!

"You can leave."

Throwing a word of indifferent words, the Lord Jinsheng turned and walked into the small building, and everyone who was left was very surprised.

What does it mean?

"Ding, trigger the option event, please choose from the host:

Option 1: Jump upstairs, slap the arrogant old woman with a slap, and turn the Golden Sacred Pavilion into ashes with a fire. The reward for evil is +1 million, and the refreshing value is full. The rest of the rewards are to be determined.

Option two: sneer, grab your wife directly, reward Jin Liuli with a favorability degree +0.09, and upgrade her skills in grabbing relatives.

Option 3: Find a way to make Jin Liuli's grandma change her mind, reward: experience value + 5 million, attribute value +1 million, golden gift bag*2, Jin Liuli favorability degree + 0.1. "

Li Yun glanced at the three options. In other words, can Jin Liuli's favorability reach 100% only if he is approved by his family?

"Little Liuli!"

Li Yun jumped and came to Jin Liuli's side and grabbed her little hand directly. He wanted to directly...grab his relatives!

"You, you, you, you let go!!"

Jin Liuli's little cheek was even redder. When she was separated last time, she kissed Li Yun and ran back. As a result, she blushed for half a month before disappearing-every time she thought of him, she couldn't help but blush.

Chapter 2136: Your catastrophe is imminent

"Come with me, Xiao Liuli!"

Li Yun said sternly, "Jin Shengge is about to suffer a catastrophe. You will only lose your life innocently if you stay here, it's not worth it!"

"Wh, what?" Jin Liuli was startled, "What catastrophe is imminent? Except for you bad guy, who will hit us?"

The disciples and elders also found it inexplicable.

They don't say how strong they are, but they are also one of the eight sects of the world. There are more than fifty people in the congenital realm, and there is a master realm sitting in the town. Who dares to offend them? !

The Lord Jinsheng who was walking inward stopped.

"No one will hit you, it's the way of the Golden Saint Pavilion's own destruction. Within three years, the Golden Saint Pavilion will surely disappear!"

Li Yun's words were sonorous and powerful, and there was no doubt that everyone at the scene was eye-catching.

"Crazy, arrogant!"

The great elder couldn't help cursing, but because he was defeated by Li Yun in one move, the old man with congenital consummation appeared to be particularly weak in speaking in front of Li Yun.

The great elder is still like this, let alone other disciples.

"Facts."

Li Yun didn't let go of Jin Liuli's hand, and said in a flat tone.

The next moment, a gloomy old woman's voice sounded behind her: "Your name is Li Yun? If I can't tell why Jin Shengge is going to die today, the old man is fighting his life and I will leave you here!"

The atmosphere suddenly cooled down, and Jin Liuli's soft palms were full of sweat. Li Yun gave a chuckle, and shook her palms to show comfort.

However, his words finally played a shocking role!

Next, Li Yun let this old woman know what it means to call art!

"The reason for the destruction of the Golden Saint Pavilion is not because of others." Li Yun said slowly, "It is because of you!"

Jin Shengguo Jin Jiuhua turned around abruptly, her twinkling eyes were full of anger. At this moment, she was not like an old woman, but a lioness about to get angry!

"Because you are the master of the Golden Saint Pavilion!"

Before she became angry, Li Yun continued: "It is precisely because of your ignorance, arrogance, retreat, and stubbornness that the Golden Saint Pavilion is destroyed!"

"you!"

The 80-year-old Jinsheng Pavilion Master was so angry that his chest was about to explode. The entire three-story small wooden building was crumbling under the power of the Grandmaster Realm, and the servants turned around in fright and fled.

"Do you think what I said is wrong?"

Ignoring the anger she was about to explode, Li Yun smiled faintly: "Have you ever read history books?"

No one answered, the ancients said that by using history as a mirror, one can understand the gains and losses. As Jinshengmen who have passed on for hundreds of years, they have naturally read history books!

"Do you know how the Qing Dynasty perished?"

"Do you know that there is a saying in the history books that you will be beaten if you fall behind?"

Looking directly at the Lord Jin Sheng Pavilion, Li Yun's tone was flat: "I don't think you know at all! Earth-shaking changes have taken place in the outside world, but your Jin Sheng Pavilion still regards an ignorant old woman as the pavilion owner, and is indifferent to changes in the outside world. .

Seeing a genius who reached the realm of a grandmaster in less than twenty, not only did he not be regarded as a guest, he actively made friends with him, but also planned to drive him out. He was not surprised at his abnormal strength. The entire Golden Sacred Pavilion was like a pool of stagnant water! ! "

Everyone was silent.

"Just ask—"

Li Yun looked around and reached out his hand to the Jin Sheng Pavilion, which is located on the edge of the beautiful lake. "How can such a backward and lifeless Jin Sheng Pavilion continue to exist?"

Needle falling at the scene can be heard.

Jin Liuli's excitement slowly cooled down.

Chapter 2137: Angry into anger

Yes, it was precisely because she couldn't stand the lifeless, unchanging Golden Sacred Pavilion, that she left alone six months ago and went to the metropolis to find a way to at least improve her mood.

Jin Liuli didn't know what he was upset about until Li Yun woke up. After listening to his words, she suddenly woke up.

"One proof is," Li Yun grabbed Jin Liuli's small hand, raised it up and said to everyone: "I and Liuli entered an ancient tomb four or five months ago and encountered many weird things, but Liuli came back. After that, why didn't you dare to tell you this? She didn't believe you, or she said--"

Li Yun looked straight at the old woman standing in the house, "Because her grandmother, the Master Jin Shengge was too domineering, she couldn't listen to any suggestions, and she wouldn't accept anything she hadn't seen in her 80 years of life. thing!"

Everyone fell to the bottom with one heart.

Li Yun didn't need to say too clearly, they also knew what a self-proclaimed head and pavilion meant to a big power.

"shut up!!"

boom!

A fierce wave of air erupted from the look of the Lord Jinsheng, and directly shattered the three-story small wooden building. Pieces of wood flew all over the sky. Li Yun held Jin Liuli's little hand, and the beautiful woman Gu Yuqing was shocked. With a cry, the body couldn't help falling down.

Even in the Xiantian realm, it is impossible to hover in the air without any help!

"carefully."

Li Yun reached out in time to catch Gu Yuqing, but she didn't expect to catch her belt so she would die, and this beautiful woman was shocked by the sudden outbreak of her mother-in-law, and she subconsciously clenched her only support: Li Yun .

It was as if the drowning person caught the person who came to rescue her. Gu Yuqing directly hugged Li Yun by the waist, alone with her daughter, and hugged him!

"Junior, you!"

At exactly this time, the Lord Jin Sheng shot angrily and slapped Li Yun's face with a palm, but when he saw him saving her granddaughter and daughter-in-law, he stopped his palm abruptly.

boom!

Even if it was a stopped attack, the wind was still blowing, and a large tree in the distance was slammed into the ground by the volley of the Grandmaster Realm, and it stopped after blowing for more than ten meters.

Everyone was shocked, they hadn't seen Grandmaster Realm make a move for a long time!

Just the aftermath of a palm is enough to change the colors of the world.

However, Li Yun, who was facing this palm in front, was holding a beautiful woman in one hand, standing on the sky with an expression of indifferent expression, facing the angry grandmaster realm!

"Li Yun!!!"

Jin Liuli's voice was extremely pleasantly surprised: "You can fly? You have reached the Grandmaster Realm? Four months ago you haven't reached the Grandmaster Realm yet! What about now? Isn't it now?!"

Although she was surprised by Li Yun's ability to break into the Golden Sacred Pavilion, she never said that he was a Grandmaster Realm, only thinking that it was the effect of the wonderful equipment.

"No, I don't have a grandmaster level yet."

Li Yun smiled mysteriously: "I broke through the congenital Dzogchen and reached the congenital limit, which is the realm called the Dharma Embryo Realm in ancient times!"

"Great, Dzogchen!?"

The people underneath were extremely shocked, and even the Opposite Pavilion Master Jin Sheng couldn't help being shocked.

Not to mention how strong and strong the Dzogchen is, they are now concerned about another thing: above the Dzogchen, there is actually a realm? !

"Grandma, you should change your temper."

Without explaining too much about the fetal movement, Li Yun turned his eyes to the grandmother and smiled faintly: "The Grand Master is very strong, however."

Chapter 2138: Words

Li Yun looked directly at the old woman in the Grandmaster Realm: "Even if I broke through the Grandmaster Realm and stepped into the Divine Realm, the old predecessor of the Guardian Excalibur who was sitting in the capital was almost killed by an ordinary practitioner of the Six Dao Sects, and this The practitioner, who had lost his body at that time, was extremely weak!"

Everyone was dumbfounded again.

Many of them have never heard of the name of the so-called Divine Sword of Protecting the Country, but just breaking through the Grand Master Realm and stepping into the Divine Realm in half is enough to make them feel terrified.

Such a peerless powerhouse was almost killed by an ordinary practitioner? !

"Surprised?"

Seeing the old woman with a gloomy face that abruptly retracted her palm, Li Yun smiled: "Six Dao Men, right? I think even if you are a closed person like you, grandma, you should have heard of what kind of school it is.

There was Song Yuan before, and Yuwen's family behind. Every movement of the Six Daomen will cause a huge movement. I think you should have heard of these two things! "

Gu Yuqing, who was standing in the sky with his arms around the willow, forgot to be shy, couldn't help but look at him and asked: "I heard that Song Yuan suddenly changed from the acquired perfection level to a powerful person who can kill the congenital perfection. , This thing...is it true?"

"You Jinsheng Pavilion don't have intelligence collection personnel?" Li Yun asked back.

No one answered.

Everyone, you look at me, I look at you, and finally put their eyes on the pavilion master.

The meaning is self-evident, this matter has been reported, but the pavilion owner does not believe it, naturally no one believes the elders.

But now, at the age of less than twenty years old, Li Yun stood upright in the sky like a grandmaster. This kind of powerful posture like a ***** made them have to believe!

"In less than a month, you will go straight from the acquired realm to the congenital realm to Consummation." Jin Jiuhua said in a low voice: "Such a nonsense thing, no one will believe it!"

She practiced hard for more than 30 years before reaching the congenital Consummation, and she couldn't accept that someone would be worthy of her 30 years of hard cultivation in just one month!

"In this world, there are more than one or two nonsense things!"

Li Yun said, "Fifty years ago, Huang Xuanguo, had anyone ever guessed that there would be a nuclear bomb in the world that could destroy a city? Now the fairy law has appeared, the practitioners are rampant, and the monsters are in the mountains and forests. Born in the middle, and ready to move, will you believe this?"

"I know!"

Ignoring the suspicious eyes of these people, Li Yun continued: "If you hadn't seen me, most of you would not believe it! Unfortunately, these are already facts."

Li Yun pointed to the mountain peaks in the distance and the large lake nearby: "For example, monsters may have appeared near you, and there is even a big fish you have never seen lying in ambush in the lake, but you are as if you don't know, there is no danger. The sense of crisis that is coming, how can such a golden pavilion not perish?"

It was quiet around, no one dared to speak.

"Li...Brother." Jin Liuli started acting like a baby again, and asked curiously with her big shiny eyes: "What monsters will really hide in the lake?! Why are monsters suddenly appearing? Like those zombies, they are raised by humans Is it?"

"Not raised by humans, but made by humans."

"How strong is the monster?" Gu Yuqing, who held him tightly, couldn't help asking.

"How strong? Not necessarily."

Li Yun said casually: "It may grow into a towering tree, with its hanging branches covering a radius of several kilometers. It can entangle a grandmaster realm alive in its thousands of branches, or it may be so weak that it can even reach the acquired realm. Deal with."

"The only thing that is certain is that the cultivation speed of monsters far exceeds that of human beings, and reaching the strength of the innate realm is like eating and drinking water!"

Chapter 2139: Fight

The big tree that can entangle the grandmaster realm alive, entering the innate realm is like a cultivation speed of eating and drinking water!

Up and down the Jinsheng Pavilion, they felt that what they heard today was like a fantasy, but the young man standing above the sky and being hugged by the little junior sister and his wife made them have to believe in such a bizarre thing!

"Humph!"

The Lord Jinsheng snorted coldly, his eyes were no longer the gloomy and anger he had before, his face had already softened a lot unknowingly, but he was still very unhappy: "These are all words of your side, since you say that you have reached your innate limit— —"

She glanced at the daughter-in-law who was hugged by Li Yun, and she didn't say anything. There was an inexplicable and complicated look in her eyes, but she seemed to have made some decision, and her tone turned sharp: "Then, come here. In a fight with me, if you win, then what you said is right, and Li'er will let you take it away. Otherwise, hum!"

"Ding, the host made a choice and initially made Jin Liuli's grandmother change her mind, and the rewards were reduced: experience value +2.5 million, attribute value +5000, golden gift bag*1, Jin Liuli favorability degree +0.05."

"Ding, trigger the option event, please choose from the host:

Option 1: Defeat Jin Jiuhua, reward experience value +20 million, all attributes +5000, golden gift bag*3.

Option 2: Defeated by Jin Jiuhua, reward experience value +30 million, all attributes +1000, golden gift bag*4.

Option 3: Tie, reward: to be determined. "

If you are defeated, you will be rewarded more! ?

Taking a look at Jin Liuli who was hugged by him, Li Yun said that I understood that it was like this.

"Okay, I can't ask for it."

Li Yun replied lightly. He glanced at Jin Liuli and then at the person he was holding with his other hand, which happened to meet the slightly melancholy eyes of the beautiful woman Gu Yuqing.

In an instant, the faces of both of them were red.

"I am, let me go!" Gu Yuqing flushed with shame. Since the death of Jin Liuli's father, she has never touched any man again. She was attracted by what Li Yun said before and did not realize it, but now ...

She felt that this young man, the young man who was vaguely likely to become her son-in-law, was holding her waist, so powerful, and his broad chest was so strong that people felt dependent, and his body exuded a kind of enchantment. The good smell that women can't refuse.

Gu Yuqing started breathing quickly, struggling several times, but made her thin and graceful body more...close to Li Yun.

"Ahem, sorry!"

Li Yun released his hand and pushed gently, and quickly put the mother and daughter on the ground.

Seeing this scene, everyone was silent.

Fortunately, Jin Liuli said, after all, after Li Yun showed his strength and didn't hurt anyone, as long as Jin Liuli liked him, no one in the Jinsheng Pavilion could stop him, including the pavilion master.

Even if Li Yun has other confidantes, the strong are inherently privileged!

However, Gu Yuqing was the "lady" of their Golden Sacred Pavilion. She was supposed to be the wife of the pavilion master, but it was only good fortune to make people, and Jin Jiuhua had been sitting as the pavilion master for decades and no one could take over.

What does the madam say, I can't let it be given to Li Yun. If nothing else, Jin Liuli is also here... Isn't it a mother and daughter following him?

".....let's start!"

As Gu Yuqing's mother-in-law, Jin Jiuhua couldn't get angry yet, it was her who destroyed the small building, but it was Li Yun who saved Gu Yuqing to keep her from being embarrassed.

Therefore, she can only grit her teeth and admit it!

Chapter 2140: Jiuju

"Grandma, please!"

Signaling everyone to stay away, Li Yun smiled and gestured to the Lord Jin Sheng in the air with a please gesture. He was domineering in front, and now respectful and humble, the contrast was very obvious.

But this gave the people of Jin Sheng Pavilion a feeling of great glory. Li Yun had already achieved all the desired effects before the battle began.

Therefore, the outcome of the battle is not important.

The only thing that surprised Li Yun was that the Golden Saint Pavilion Master was actually a poisonous expert. When the two were fighting, an inexplicable fragrance of flowers invaded his nose, spreading across the limbs and skeletal bodies in a flash, making him full of real energy. With the power of the true essence, it became soft and unable to lift its energy.

"Boy, it looks like I won!"

The Lord Jinsheng took a breath, the surrounding buildings had been destroyed by the aftermath of the battle between the two, and the battle with Li Yun just now was beyond her imagination.

At first, she thought that Li Yun's Grandmaster Realm, when fighting, did feel that the other party could also use his true essence.

Beating from behind, she found something wrong!

In Li Yun's Zhen Yuan attack, he gradually took on the appearance of Zhen Qi, although this Zhen Qi was extremely pure and vigorous, far beyond her imagination.

But true qi is true qi, which is completely different from the true essence of the Grandmaster Realm!

For this reason, the Lord Jin Sheng believes what Li Yun said before: He is now at the limit of the innate realm, the so-called fetal movement realm is a special realm rarely reached by the ancients!

The innate realm has the strength comparable to the grandmaster realm. In the future, how powerful will Li Yun truly break into the grandmaster realm?

The Lord Jinsheng couldn't imagine that, I am afraid that the entire Grandmaster Realm of the rivers and lakes is not his one-to-one enemy!

Jin Sheng Pavilion, relying on this uncle, will truly stand on the top of the rivers and lakes.

But now... it was her Jin Jiuhua who won!

"Hehe, stop struggling, you lose."

After winning the victory, Jin Jiuhua was suddenly relieved, and smiled: "Give up, I agree with you and my granddaughter, as long as you promise to treat her well in the future!"

Jin Liuli's face blushed, and she lowered her head without objection.

"Grandma, it's too early to say this." Li Yun smiled, he found a way to crack this floral poison.

"Humph!"

Jin Jiuhua sank her face, "Do you know the name of my old man when I drove through the rivers and lakes?"

"Unknown, please enlighten me from grandma!"

"...Jiujue!"

Li Yun's attitude eased Jin Jiuhua's face a lot, and she only sneered: "It means that I have no sons and grandchildren, fathers and mothers, and even two husbands are dead, so I call me Jiujie!"

Li Yun was stunned, he realized that Jin Jiuhua was also surnamed Jin, and her husband was probably married.

"Hey." Jin Jiuhua sneered. "My two husbands were indeed poisoned to death! I used this kind of Jiujuan, and on the day I found out that they were wild|species, I personally poisoned them. They are dead!"

Everyone in Jinsheng Pavilion was silent, and this dark history was the last thing they wanted to mention.

Two of the men who were married were poisoned to death by the pavilion master, what is this?

Coupled with the accidental death of Gu Yuqing's husband, her son, outsiders also count this incident on her, resulting in the reputation of Jiujue Grandmaster being the worst of all masters!

"Ugh."

Li Yun shook his head and sighed, "I have no intention of judging grandma what you did. After all, it has been decades, but I, Li Yun, swear once again that I will never be sorry to Liuli!"

Jin Liuli bit her lip, her small face was red, and she lowered her head to play with the corners of her skirt again.
