

Godly Choice 2181

Chapter 2181: Play (below)

Li Yun glanced at her chest and couldn't help but smile, "Then let's go play a slide? There is a large slide exclusively for adults, which slides all the way from the 18th deck to here."

"Well, good."

Xia Feiyao finally showed an expression of expectation. After taking a look at the two sisters who were smiling happily, she secretly smiled and left with Li Yun.

Now she finally has a chance to monopolize her husband by herself~.

Moreover, the look in your husband's eyes just now...so shy.

The two surreptitiously left, took the scenic elevator to the top floor of the cruise ship, condescendingly watching the crowds below.

"Ah, husband, the cruise ship has docked!"

Xia Feiyao's slender finger with surprise pointed to the brightly lit port in the distance, and said happily.

The port is especially beautiful at night, especially when you see a group of well-dressed people walking into the cruise ship, there is a sense of joy and excitement that a grand banquet is about to open.

The people on the cruise ship ran to the ship's gunwale and leaned on the railing to watch the tourists boarding the ship.

"This should be the port of Zhendong City."

Li Yun glanced at the phone, Xiao Jiao was asking his location, he couldn't help but smiled, and returned a kiss expression, meaning that I was stealing with Yaoyao.

"Ah, husband, look at that man!"

Xia Feiyao took Li Yun's hand again, and pointed her finger at the port in surprise.

Li Yun looked up, and after seeing people in the distance with his powerful eyesight, he couldn't help but let out a surprise.

Walking into the cruise ship with graceful steps is an extremely rare beautiful girl.

She is wearing casual short-sleeved + skinny jeans, showing crystals like jade, slender arms, long hair reaching the waist, her face can be called a beautiful country, filled with a bright spring-like smile, and she is talking with her good friends Chat together.

This beautiful girl seemed to be able to bring a scent of scent while she was walking, and her eyes were clever looking forward to her posture, and she undoubtedly became the focus of the people around her and those looking down on the cruise ship.

The person in front paused and looked back.

The people behind stepped up to keep up with the pace of this peerless girl.

Both men and women, young and old, are all overwhelmed by her beauty and bright temperament.

"It's so beautiful."

After Xia Feiyao sighed, she couldn't help looking at Li Yun, pursing her lips, and asked, "Husband, what do you think?"

"what?"

"Do you think she is pretty?"

"Who?"

"That person!" Xia Feiyao pointed at the beautiful girl who entered the cruise ship through the covered bridge and pouted.

"Pretty!"

"Woo~"

Xia Feiyao looked at her husband full of resentment, your Yaoyao is about to cry, okay?

"But it's not as pretty as my Yaoyao~!"

Li Yun smiled and squeezed her baby face.

"what!"

Xia Feiyao looked at him in surprise, and then threw into his embrace like a cheerful bird, and said coquettishly: "The husband will coax people~, Yaoyao knows, I can't be more beautiful than her, but Well~, people are still very happy, thank you husband~~~!"

She stood on tiptoe and sipped a scent on Li Yun's face. The tender and cute baby was full of smiles.

"How come, my Yaoer is much more beautiful than her!" Li Yunyi said righteously.

"Hee hee, okay husband, I'll be embarrassed anymore~, it's not better than that, it's not a big deal, it's enough for me to have a husband~!"

Xia Feiyao hugged him and acted like a baby. Although she and Jin Liuli Su Muxin received a lot of attention when they entered the cruise, they were far inferior to the attention received by this beautiful girl.

Chapter 2182: Goodbye Xiao Mingzhu

This girl entered the cruise ship at a brisk pace, and Gu Pan's radiant face attracted thousands of onlookers. 95% of the eyes of the people watching the excitement on the deck were on the girl with a bright smiling face.

In a sense, Xia Feiyao, Jin Liuli, and Su Muxin are all slightly inferior to this peerless girl in appearance.

Xia Feiyao suddenly realized something and looked at Li Yun in surprise: "Husband, do you know her?"

Li Yun nodded calmly, "It's a acquaintance, I have met three times."

"Ding, trigger the option event, please choose from the host:

Option 1: Waving and shouting loudly the name of the alluring girl to attract her attention and reward Xiao Mingzhu with a degree of -40.

Option 2: Do nothing, reward Xiao Mingzhu with -35 favorability, white gift bag*1.

Option 3: Secretly hide yourself and prevent Xiao Mingzhu from discovering that he and three big beauties are on a cruise for fifteen days. The reward for Xiao Mingzhu's favorability remains unchanged. If the host's affairs are exposed, Xiao Mingzhu's favorability will be reduced to 0, with a high probability There can be no rebound. "

Yes, that peerless girl with a bright smile is naturally the richest daughter in Zhonghai City that Li Yun has seen three times, Xiao Mingzhu!

Xiao Mingzhu's beauty, among the girls Li Yun knew, could indeed rank firmly in the top three.

Except for Fanqing Sheng to stabilize Xiao Mingzhu with his cold and immortal temperament, only Gong Qingyu, a dead housemaid, can compare with Xiao Mingzhu after dressing up.

As for Concubine Wan Qing...

Li Yun hasn't seen her for a long time, and this guy has never shown her true colors, so until now, Li Yun doesn't know how Concubine Wan Qing looks like.

"I have met three times..."

Xia Feiyao murmured to herself, she and her husband only met once to confirm the relationship, while sister Liuli spent a few days with him, and the two went into the tomb together to explore, while sister Mu Xin simply admired him .

In other words, meeting with Li Yun three times is already very dangerous, maybe that beautiful woman who caused a sensation already fell in love with him?

"Her name is Xiao Mingzhu, and her father is Xiao Tianyuan, the richest man in Zhonghai City. What's strange about seeing it three times, the rich circle is originally small."

Li Yun shrugged, how can he be a rich man now?

Thinking of this, Li Yun simply took out his mobile phone and sent a message to someone named "Pearl Girl" in the prestige: "Beauty Xiao, you are now attracting attention~ [laughs]"

Seeing her husband's message, Xia Feiyao looked down and looked far away, and found that the girl named Xiao Mingzhu happened to be holding a mobile phone, and seemed to have just seen the news in the prestige.

I saw Xiao Mingzhu's beautiful face with a surprised expression, raising her head to search back and forth on the cruise ship deck.

As soon as she stopped, the speed of the team on the bridge suddenly became extremely slow. Even if many men had to walk on the deck, they would stop and continue to secretly admire the charming and cheerful beauty of this peerless beauty.

"Li Yun!!!"

Xiao Mingzhu finally saw Li Yun on the top floor, with a brighter smile on his beautiful face, and waved at him.

Of course, the voice she shouted couldn't reach that place, she just waved her hand to say hello.

But I don't know if it was Li Yun's illusion. It seems that when Xiao Mingzhu saw Xia Feiyao next to him, his pleasant smile froze.

"Ding, the host made a choice, attracted her attention, rewarded Xiao Mingzhu's favorability degree of -40, and additional reward: four encounters, Xiao Mingzhu's favorability degree +20."

Chapter 2183: Innermost thoughts

Li Yun twitched the corners of his mouth, and the liking degree dropped by 40 and then increased by 20. What the **** was this? Did Xiao Mingzhu change his psychology twice?

In fact, it is true.

Originally, Xiao Mingzhu was already quite surprised when he received Li Yun's prestige message. When he saw his handsome smile when he looked down at her above the deck, Xiao Mingzhu even had a feeling of heartbeat.

This was the fourth time she had a chance encounter with this man named Li Yun.

Although the wealthy circle is very small, but four consecutive encounters are coincidences, so Xiao Mingzhu inevitably has the illusion of encountering a true emperor.

For the first time, she wanted to buy the jade bracelet in Li Yun's hand at an airport in another province.

The second time, she accidentally ran into him in the parking lot of the auction, and also saw the cold and holy woman who was nicknamed the Lord Saint and had an extremely mysterious origin.

Because the beauty and temperament were suppressed by the Lord Saint, Xiao Mingzhu was particularly impressed by this encounter.

For the third time, Li Yun had a car accident. She ran into a car at the gate of her community. She happened to work overtime at night to live in the company and only went home in the morning, so she ran into it again.

And this time?

She came to travel + work with two friends and several company executives, but she did not expect to meet Li Yun again! !

Xiao Mingzhu was very sure that there was no human factor in these four coincidences. Firstly, she was not sure about her itinerary and could not be arranged. Secondly, Li Yun's identity and strength were not simple, he should Disdain to do "heroes to save the beauty" + "coincidence".

As a result, when Xiao Mingzhu was so heartbroken that she felt that she had met her own destiny, she saw Li Yun next to him, and another beauty she had never seen before appeared!

"This time I was still a junior high school student? No, not a junior high school student, but a little beauty with a baby face!"

"That's amazing, Li Yun, why are you so amazing? Amazing, amazing, you found even such a beautiful woman!"

"What's this? What the hell, who are you kidding? You dude!"

Xiao Mingzhu desperately complained in his heart, and his affection for Li Yun suddenly fell to the freezing point.

She hates people who are not attentive to feelings, and she can't understand why those excellent girls don't want to follow Li Yun with self-esteem. This is simply unreasonable to Xiao Mingzhu!

She, Xiao Mingzhu, the dignified daughter of the richest man in Zhonghai City, an independent new era strong woman, will definitely become the chairman of a multinational chain group in the future, and even a genius girl who is very hopeful of breaking through the realm of masters in martial arts, will never "shameless" "Share a man with other women!"

"Huh, no matter how good you are, you are only my business partner. Want to be my friend of Xiao Mingzhu? Don't even think about it!"

After waving his hand to Li Yun with a smile on his face, Xiao Mingzhu took a few executives and her two girlfriends into the cruise ship with great momentum.

"Did you see it?" Li Yun retracted his hand and smiled and said, "I said I'm an ordinary friend with her."

"Still don't believe it~"

Xia Feiyao wrinkled her little nose pretty and pretty, "The charm of the husband is so great, will there be a girl who can resist it?"

"Hahaha, Yaoyao, you really can see your husband and I... Hey, that's not right!" Li Yun picked up Xia Feiyao and looked at her eyes in surprise: "Could it be that my good Yao'er was fascinated by me? reverse?"

"Hehe, don't tell your husband...well, badass husband, come to kiss...people again."

Chapter 2184: conspiracy

When Li Yun and Xia Feiyao were intimately communicating with each other, on the 7th deck, Yan Jingyi, who clearly heard the word "Li Yun" called by Xiao Mingzhu in his ears, trembled with anger again:

"Damn it, that **** again!!!"

Like Xiao Mingzhu, he lives in Huangtingshan, and he was in a kindergarten or even a primary school when he was a child.

Unfortunately, the relationship between the two became weaker and weaker, and gradually they could not even enter Xiao Mingzhu's house. When they were in high school, the relationship between the two became even stranger. Yan Jingyi just tried to lick the goddess and try to please her. , The goddess didn't even look at him at all.

When Xiao Mingzhu raised her hand just now, Yan Jingyi thought she was going to say hello to herself. After all, the 7th deck was very close to the bridge, and Xiao Mingzhu could see him as soon as she raised her head.

However, Yan Jingyi heard the name he least wanted to hear from her beautiful ruddy little mouth: Li Yun!

"Asshole! Asshole! Go to hell!"

The more I thought about it, the more angry, the stinky girl whipping still faintly remained behind his ass, and Yan Jingyi became more and more furious, almost bursting with blue veins on his forehead.

The frustration received in the waiting hall completely broke out at this moment!

"Yan Shao."

An unfamiliar man appeared beside Yan Jingyi. His name was Yu Shengnan. He was not the fierce men Li Yun met before, but another group of people.

"Why bother?" Yu Shengnan had a short stature, casually holding a cigar in his hand, took a leisurely sip, and smiled: "Anyway, the people in this boat will be able to live in a few days. When the brothers are in South Vietnam After boarding, everything here is ours!"

Yan Jingyi suppressed his anger and glanced around. The people around seemed to be frightened by Yu Shengnan with cold eyes and the powerful bodyguards of Kong Wu beside him. No one dared to approach him.

"Did things go well?" Yan Jingyi asked in a low voice, he couldn't wait to control the ship for a moment.

Until then, everything here is his!

Including the stinky watch of the Su family, and the beautiful girl Xiao Mingzhu who just boarded the ship!

"Hahaha, I'm doing something, Yan Shao, don't you worry about it?"

Yu Shengnan laughed and patted him on the shoulder, "Huang Xuanguo, I dare not say that the Nanyue side is my site. I will spend 10 million to buy a few ghosts at will. Then...hehe."

Yan Jingyi nodded.

Buying the ghosts from the Nanyue Wharf and letting those weapons pass the security check smoothly, the people coming from the various wharves-Malay, Indo-West, Thai-Burmese, etc., can easily control the entire ship!

Controlling the cruise is simple, and Yan Jingyi is worried about another thing.

"Boss Yu." Yan Jingyi looked at the pier in Zhendong City, and his voice was lowered: "Do you know how we should end up after we control the cruise ship?"

The hijacking of a giant cruise ship will be a major event that shocks the world. By then, the coastal countries will refuse the cruise ship to dock.

Without supplies, this cruise ship can last up to ten days at sea.

"who knows."

Yu Shengnan's smile receded, and the cigar in his hand stopped smoking. He frowned and thought for a while, then said indifferently: "It is estimated that there will be some ransom, or... Hey, force a certain country to pay. Take some hostages or something."

Yu Shengnan didn't care about these, anyway he had the money to take it, even if things went wrong, he could get away safely.

"No, it's not right." Yan Jingyi said in a low voice: "This matter is far from simple!"

Chapter 2185: The Three Women's Decision

Li Yun Xia Feiyao slid all the way to the deck below while sitting on the slide. The journey was accompanied by Xia Feiyao's happy laugh, which made people feel more comfortable.

As soon as they got off the slide, they were caught by Jin Liuli and Su Muxin. The two women teased the blushing Xia Feiyao. After that, the four went to Sea Paradise to watch a beautiful and cool dance in the water: by eight The beautiful beauty dancing in the water, with a slender figure and graceful posture, made the three women amazed.

Then I went to listen to a piano performance, and one person took a piece of ice cream to eat.

After playing for four people at eleven o'clock in the evening, the excitement on the cruise ship gradually ceased. Of course, many people were on the cruise all night. The cruise did not restrict the movement of people at night. At least when Li Yun went back, he saw many couples. Chatting on the deck chair and kissing a few times from time to time-it is not convenient to have children during the day, but it is time for lovers at night.

It also includes Li Yun and Xia Feiyao.

"Tonight..." Li Yun said.

"Pervert!"

"..."

Li Yun looked at Jin Liuli with an innocent look, "I mean, I'm tired tonight. I'll go to bed early when I go back. Where did you think of Xiao Liuli?"

Jin Liuli's face flushed immediately, and she couldn't speak.

This is not to blame for her. After kissing her for so long in the afternoon, she agreed to live with the four of them. Could it be that the big bad guy can hold it back?

"Really don't want to?"

Quietly glanced around, and after confirming that there was no one, Xiao Chili Su Muxin leaned in front of Li Yun and said with a smile: "Brother Li Yun, do you really want nothing?"

"What do you think?"

Li Yun was serious, "Of course I want to sleep at night, is there anything else?"

"Puff chuff~, okay okay, go to sleep, oh~~ go back to sleep~"

Su Muxin had an expression that I understand, and ran forward happily: "Hurry up, sister Xiao Liuli, Feiyao, let's go back to sleep~!"

The two women blushed.

Returning to the suite, Jin Liuli stubbornly refused to take a bath. As a result, Li Yun took the initiative to wash in the next room, leaving the bathroom in this large suite for the three women to use, but Jin Liuli was rather surprised.

"The big pervert really doesn't want anything? Well, maybe it's really too tired today..."

Jin Liuli was obviously relieved.

Although she was indeed prepared, but when things came, there was still some fear and tension, and her heart was extremely disturbed.

After all, to change from a girl to a woman, you still have to experience severe psychological ups and downs.

"Little Liuli~"

After confirming that Li Yun had left, Su Muxin tiptoedly locked the door behind her, turned her head to look at them, her face turned red, and made a bold suggestion to the two women.

"What?!" Jin Liuli's eyes widened in surprise.

"Shh~~!"

Su Muxin put up a finger to block her mouth, "Speak down, Brother Li Yun's hearing is very good, don't let him hear it."

The two women looked at each other, Xia Feiyao hesitated, and the cute baby's face blushed:

"This... Sister Mu Xin, is this really going to be like this? Will it be... too anxious?"

She didn't expect that it was only the first night that Su Muxin put the matter on the table and said, making her a little shy when she was ready.

"How can you be anxious? Isn't this great?"

Su Muxin said plausibly, "Brother Li Yun accompanies us out to play...Uh, I don't know what you think, anyway, I am ready to hand myself over to Brother Li Yun!"

Chapter 2186: I'm welcome

When she said this, Su Muxin's youthful and invincible girl's delicate face was full of happiness and expectation.

"But..." Jin Liuli blushed with a small blush, and whizzed speechlessly.

The comments made by Sister Mu Xin are too bold!

"It's nothing."

Su Muxin smirked, covering her small mouth: "We have one day to occupy Brother Li Yun alone. If you don't want to do anything, it's okay. I don't think Brother Li Yun will force you. After three days of rotation, we will be together again... ..If you guys—"

Su Muxin looked at Jin Liuli specially, because she knew Xia Feiyao would definitely do it, but Jin Liuli was not sure.

"If you don't have anything like that, um, let's talk about it then!"

According to Su Muxin, she wanted to have fun with the four of them. After all, she had prepared all kinds of beautiful clothes for Xia Feiyao and Jin Liuli.

But if Jin Liuli was unwilling, or didn't agree so quickly, she wouldn't force it.

"I....."

Jin Liuli bit her lip, not knowing how to answer.

"Sister Liuli."

Xia Feiyao took the initiative to hold her little hand and blinked at her and said, "Don't worry, you can think about it tonight, or... Sister Mu Xin and I will accompany her husband first, and you will consider it later?"

Jin Liuli... nodded, too embarrassed to look at people.

Su Muxin chuckled and turned her gaze to Xia Feiyao: "Little Yao'er, then we...who will accompany Brother Li Yun tomorrow?"

"Well... Sister Mu Xin first." Xia Feiyao lowered her head and whispered.

"Really? I don't mind who comes first, Feiyao, you know Li Yun's brother before me, so you first?"

Su Muxin gave way, fearing that Xia Feiyao would be embarrassed to take the lead.

"no need."

Xia Feiyao blushed and shook her head, and said quietly: "Sister Muxin, you go first... After you experience it, then, again, teach me again, okay?"

She knew that Su Muxin knew much better than her. After all, Sister Muxin lived in modern society and knew much better than her ignorant woman who was born in Qinglei Valley.

"Hehe, okay, then...I'm not welcome~"

Su Muxin agreed shyly, leaning to Jin Liuli's side, pursing her lips and smiling: "Xiao Liuli, you are the last one, Feiyao and I can pass on experience to you, okay?"

"I am me, I don't want it!"

Jin Liuli fled into the bathroom in a panic. She couldn't listen to this topic, otherwise, her face could burn the entire Pacific Ocean!

"Puff puff puff~, sister Liuli is really a shy little cutie."

Su Muxin covered her face, "But, Brother Li Yun can definitely enjoy it...well, it's definitely possible, otherwise Xiao Liuli would have escaped long ago instead of listening to our proposal, right?"

"Yeah." Xia Feiyao nodded gently.

...

After taking a shower in the small suite next door, Li Yun sat alone on the balcony and chatted with his mobile phone for a while, sharing the interesting things he encountered today with the people around him, such as Li Feng and the little princess at home, and Fang Xue.

However, when chatting with Liu Xianxian, the other party replied mysteriously: I will give you a surprise then.

There was no beginning and no end to these words, Li Yun asked no results, so he did not continue to inquire.

"Mr. Li Yun, are you on the Ocean Princess now?"

This is a message from a mysterious person. After reading it, Li Yun laughed blankly and replied: "I have seen the Yan family."

"Uh....."

Chapter 2187: conversation

After sitting on the balcony for more than 20 minutes, it is estimated that after the three women had taken a shower, Li Yun came to the door of the next large suite, raised his hand and knocked.

"Husband."

Xia Feiyao cleverly opened the door for him, as if Little Red Riding Hood had put the big bad wolf into the house. As soon as Li Yun entered, he was noticed by a pair of extremely vigilant eyes.

"Little Liuli."

Li Yun smiled and said hello to the little wild cat who was curled up on the sofa, bare-footed, dressed in kitten pajamas, and hugging a huge pillow, staring at him vigilantly.

"Big pervert!!"

"Pervert?"

Li Yun showed a wicked smile: "Hey, you are really right, the big satyr has entered the cat litter and will catch you all!"

"What do you want to do, don't come...wow~!"

The little wild cat couldn't escape, and was hugged by the big bad wolf. After a few bites, the little wild cat became a domestic kitten, very well-behaved.

Even those big eyes kept staring at Li Yun, and the pointed little tiger teeth also showed up.

"Hahaha, my little Liuli is so cute."

"Go to death, pervert~~!"

After messing around with Jin Liuli for a while, Li Yun was finally able to sit in the middle of the sofa, with Xia Feiyao on the left and Su Muxin on the right. Xiao Liuli was still hugged by him, soft and weak.

"Ahem!"

Li Yun sternly said: "Okay, the trouble is over, it's time to say business."

"Business?" Su Muxin suppressed her laughter, frowned slightly and said, "Is it about Yan Jingyi?"

Jin Liuli originally thought that Li Yun was lying to her. When she saw the serious look of Little Pepper, she got serious. She hurriedly jumped out of Li Yun's embrace, moved a small stool and sat across from him, and asked:

"The person I met at the dock? Isn't he just a rich second-generation? I can handle him with a few whips!"

As the most luxurious room on the cruise ship, although this suite is small in size, it is unambiguous to refurbish. It has a refrigerator, air-conditioning, LCD TV, plus a small dining room. The floor is covered with soft high-end carpets. The golden colored glaze takes a shower. You don't need to wear shoes at all, just step on the ground with bare feet.

You can even roll around on the carpet, like a cat.

The three women looked at him, and Li Yun smiled slightly: "The thing behind it is not that simple, of course, it is not too complicated. I can handle your husband!"

Except for Jin Liuli who gave him a symbolic glance, the other two women believed this sentence very much. They had all seen the strength of their husband!

"Talk about something specific!"

Jin Liuli puffed up her small mouth, and eagerly said, "Could it be that they want to hijack the cruise ship?"

"Hahaha, it's impossible." Su Muxin smiled and shook her head. "You don't know Xiao Liuli, hijacking a large cruise ship is not worth it at all. It will offend...Huh?"

She saw the expression on Li Yun's face.

"sure."

Li Yun looked weird, "You really guessed it by Xiao Liuli!"

"Hee hee~"

Jin Liuli looked at her sister Mu Xin proudly, and said proudly: "I have seen those people who came from unknown and arrogant, and ah, they were humiliated by us, not only did they not take revenge on the spot. Instead, they continued to board the cruise ship, which shows that they must have something to follow!"

The two women looked at each other. Jin Liuli, who looked like an idiot, was actually very smart?

"Yan Jingyi really dare to hijack the cruise ship?"

Chapter 2188: Su Muxin's analysis

Su Muxin still couldn't believe it, "It's totally unreasonable! Even if Yan Jingyi is bold enough to abandon the Yan family's business in Zhonghai City, and join Brother Li Yun, what six gates did you say, but... it's not worth it at all!"

A ship is no better than an airplane, although it is also a closed space, allowing the robbers to better control the situation.

Compared with airplanes, ships, especially cruise ships, are too big. If you are not careful, you can make hostages run away. Every room and ship's facilities can hide people. It is too difficult to completely control the hostages.

Moreover, the cruise ship is traveling in the sea, so it is not flexible, and it is also limited by the problem of pier supply.

The airplane is different. It can fly thousands of miles in the sky easily, making it impossible for people to catch it.

"Furthermore!"

Su Muxin is not an idiot. She thought of a lot at once, and added: "Although the Ocean Princess departs from Huang Xuan country, the cruise ship belongs to country Y and will call at more than 30 ports in 18 countries along the way. By then, tourists from dozens of countries will board the ship."

"So what?" Jin Liuli asked stupidly, "Is the number of people just enough for the robbers to demand more ransom?"

Su Muxin clicked her smooth and round forehead amusingly: "Xiao Liuli, the robbers hijacked a huge cruise ship. It is impossible for the robbers to hijack a huge cruise ship for ransom. I won't talk about the trouble, and they can't steal a few money. They must have something to do with it. Purpose."

"Oh... I don't understand." Jin Liuli shook her head, she didn't understand what politics.

"But, if it is for political purposes, citizens of dozens of countries on board are on the cruise ship, and they are really going to be hijacked. The robbers will directly offend one-third of the world's countries and be strongly condemned by the world!"

Su Muxin said seriously: "Just ask, which organization would dare to do such a thing?"

Even the most conscientious terrorist forces in the Middle East, those organizations have to accept the support of a certain country or a certain force in order to maintain their existence.

Otherwise, how to fight without a gun or food?

Now it's not ancient times. Just grab some villages and you can continue to fight in the mountains. Not to mention, the bullets need to be manufactured by factories. If you want to have a stronger combat effectiveness, you have to get a batch of various heavy fire weapons.

"So no one dares to offend citizens of dozens of countries on a cruise ship!"

Su Muxin said confidently.

"uncertain."

Li Yun shook his head and smiled, "Six doors, it dares!"

Su Muxin's expression froze, and then she hugged his arm and acted like a baby: "Brother Li Yun will tear down my stage and hate it... But, is this six gates really that powerful?"

She had never seen what a spell was like with her own eyes, she had seen Li Yun summon a flame once.

"It should be... very powerful."

Xia Feiyao thought of the last time she was in Qinglei Valley, a very ordinary cultivator, who almost wanted her grandfather's body... Well, she said, she almost robbed her grandfather!

"I know this!" Jin Liuli said with a look of fear: "The practitioner can control the power of the heavens and the earth, release a thunder flame between his waves, fly freely and flexibly in the sky, and also have his soul out of his body. It is much more powerful than the Grandmaster Realm. NS"

Grandmaster realm can fly and control the power of heaven and earth, but compared to practitioners, the power of master realm to control heaven and earth is transformed more by its own true essence, and its energy is much smaller.

The only advantage of the Grandmaster Realm is probably only a strong body, which can resist some weaker spells.

Chapter 2189: The heroine must act

Li Yun said: "Don't be too nervous. The news I have received is that the Yan family is secretly transporting some people. What they want to do is still to be discussed."

He has two sources of information, one is the mysterious person just now, and the other is Xia Ming.

The country has noticed the news that many people have entered the country recently. Except for Zhonghai City, there are suspected overseas mercenaries and criminals in Zhendong City, Fugang City, South Island Province, etc., who have entered the country through various methods. .

Li Yun received another message from Secretary Xia Ming just now that there were also some suspicious people on the cruise in Zhendong City.

"Transport some people?" Xia Feiyao was a little strange, "What do they want to do? Entering the country and appearing again? Is there any purpose? It's strange."

"Not surprisingly."

Li Yun smiled, "If they really want to do something big, then thirty or forty people are still needed. So many people will definitely not be able to enter the cruise ship at one port. Even if they are divided into batches, they are very eye-catching, so the best way is to distribute it in various ports, even... in various countries!"

"Oh, I see!" Jin Liuli clapped her hands and said excitedly: "They must be trying to deliver some guns and bullets when the ship is docked in other countries. I heard that the country in the south is very messy. There is a chance, right?"

Su Muxin widened her eyes, "Xiao Liuli, how do I think you really want the robbers to have a chance to kidnap us?"

"I don't think, that's what she thinks." Li Yun smiled.

"Hehehe~"

Jin Liuli smirked, "It would be boring to travel alone, so I can take the opportunity to do something, such as...save the next cruise ship, so that we are acting heroes? Right?" She turned her head again. Leaning in front of Xia Feiyao, "right? Right? Feiyao, you look forward to it too, don't you?"

Xia Feiyao blushed and shook her head.

"Huh, Feiyao, you lied!"

Jin Liuli threw her teeth and claws on Xia Feiyao, "Admit it, you just want to be a chivalrous hero like me, you who came from the rivers and lakes, it is impossible not to have the heart of a heroine~~!"

"No, it's not!"

"That's it~"

The two women laughed and quarreled. In the end, Li Yun hugged them and took a sip of each of them. It made Jin Liuli scream and bit her after showing her little tiger's teeth.

"Alright, okay, go to bed, tomorrow we will go to the cruise ship, if someone really wants to kidnap us, we have to be familiar with the terrain, right?"

"Huh, badass!"

Jin Liuli slammed the pillow at him, his face flushed, and said angrily: "You are not allowed to come near tonight, you sleep alone!"

"Not tonight, tomorrow night?"

"Nor! Think of it beautifully!"

After teasing the little wild cat happily, Li Yun was in a good mood. He really didn't mean that tonight. How can I say that he had just boarded the ship after taking a plane today, and the three girls should deepen their feelings, not in a hurry.

At night, Li Yun slept alone in the corner of the bed.

In this suite of 8,90 square meters, there are a total of two double beds. It is no problem for him to sleep one by himself, but one of the three women is a bit crowded, so Li Yun lifted his hand to change the two beds. A huge bed can sleep five or six people.

But because of this... Li Yun could only sleep in one corner of the bed, and the rest was occupied by the three women.

I do not know how long it has been.

"Husband?" Xia Feiyao's whispered voice sounded, and Li Yun felt strange, "Why aren't you sleeping?"

"Does your husband feel uncomfortable? Do you want me..."

"Ahem, no, go to sleep."

"But....."

A gentle body came over and squeezed into Li Yun's humiliation, his voice shyly said: "I want to be with my husband."

"Okay, go to sleep."

"Um."

Chapter 2190: A spoiled saint

No words for a night.

When Li Yun woke up in the morning, he felt that he was about to become a saint. He had warm fragrant nephrite in his arms, and there were two beauties beside him. He really didn't do anything!

"Oh, no way, I am a rare good man in the world."

Li Yun turned on the air conditioner and got up. After washing it off, he took his mobile phone on the balcony and continued to watch the sea view and play with his mobile phone leisurely. The picture of the morning sun leaping out of the sea was so beautiful that he almost asked the three beauties in the house to appreciate it.

But thinking that there are more than ten days in the future, I am not in a hurry.

"Qingsheng, show you the sunrise in the sea! Isn't it pretty? I'll go see the sunrise with you some time."

"Well, look forward to it."

Not long after the message was sent, Saint Fan Qing returned to him, and Li Yun was not surprised. In the morning, he and Master Saint usually got up first. At this time, she should be doing morning exercises.

Even as a practitioner, Sage Fanqing has not really become a fairy. She usually walks and meditates in the garden in the early morning. Recently, she learned yoga online and occasionally practiced it.

Seeing her message, Li Yun couldn't help laughing. His sage was as honest as ever. She really wanted to watch the sunrise together.

"Well, when I return to Zhonghai City, I will go on a trip with you? Or go to Huangting Mountain together. It is also beautiful to watch the sunrise from the top of the mountain."

"No hurry, I plan to go to Heavenly Blade and Sword Gate."

"Heavenly sword and earth sword? Qingsheng, you mean the heavenly sword gate and the earth sword pavilion, right?"

These two sects are well-known in the arena and are the second of the two sects and four schools, and the eight sects and eight evils.

Li Yun faintly guessed what, these two sects, which are better than the four, are so similar in name, now it seems that they are related to the hidden sacred valley, or even to the six sects?

Fan Qingsheng did not answer this question, but asked again: "Are you on a cruise ship? Recently, my doorman inquired about a piece of news that some people from Liudaomen had gone overseas for an unknown purpose."

"Oh? There was action." Li Yun smiled and told Qing Sheng about the previous affairs on Huangting Mountain, focusing on the secret plot of the Yan family in Zhonghai City.

"overseas....."

Sage Fanqing frowned, and finally shook his head slightly: "I can't guess what they want to do, Li Yun, if you encounter any trouble, I will help you."

"Haha, does Qing Sheng plan to fly with the sword to save her husband?" Li Yun deliberately teased her, Qing Sheng always looks cold, even if she dated her last time, she didn't show much emotion.

So Li Yun molested her when he had a chance, lest Master Saint really became a fairy.

"It's not flying with swords, it's a combat aircraft."

"? Airplane? Fighter?"

"Um."

Li Yun almost squirted out a sip of tea, and the flying sword of Lord Saintess could not last, so he could only fly into the sea in a fighter jet.

"Okay, so I have a bottom line."

"Um."

Li Yun chatted with her for a while, and when he was about to hang up, Sage Fan Qing suddenly said, "Kiss me."

"?what?"

"Kiss me."

Fan Qingsheng repeated, her voice was as cold and ethereal as ever, like Chang'e in Guanghan Palace, beautiful but never touched.

but now!

The fairy took the initiative to land on the earth and asked Li Yun to kiss her! !

"it is good!"

Li Yun didn't ask too much why Qingsheng wanted to do this. Maybe she missed herself, or maybe it was because Qingsheng was only fulfilling her responsibilities as a couple, but Qingsheng wanted it, he would give it.
