

Godly Choice 2211

Chapter 2211: Get vaccinated

After a long time, Xia Mingcai smiled bitterly: "Okay, I probably know it, so let's go, since you are talking about mercenaries, I will send you an elite squad, disguise and embark on the ship, and cooperate with you.

After that, find a way to quietly evacuate the tourists from Huang Xuan country on board, no matter what other countries do, save the citizens of our country first!

Then... think of a way to contact country M. "

Undoubtedly, contacting country M is the most difficult. After all, country M claims to be the world's most powerful country, but it looks down on Huang Xuanguo in its bones, let alone trust their reports.

Li Yun nodded, and then hung up the phone decisively.

He was too lazy to care about country M, so he could save Huang Xuan as much as possible.

"So it seems..." Li Yun looked at Xiao Mingzhu, "We rushed to have a conversation with the captain. He estimated that there is a high probability that he would not believe it, because the captain is also from the country M."

Xiao Mingzhu frowned slightly, and the appearance of the peerless beauty made the three women look a little dazed. Her beauty is indeed rare in the world, and they can't help but secretly envy in their hearts, as well as being a woman.

"Country M has always been at odds with the people of Huang Xuan, your concern is right." Xiao Mingzhu looked at Li Yun: "Then you can only wait now?"

"Can't you tell people to disembark directly?" Xia Feiyao couldn't help asking.

"fool."

Li Yun rubbed her head: "You rushed forward to let the other party disembark. Why should others believe you? It takes a lot of time to persuade the other party. Moreover, if there are too many people, it will also cause Yan Jingyi and others Notice."

"...Oh." Xia Feiyao stuck out her tongue. It seems that her IQ is indeed not high, so it's better to let her husband make the decision.

"Then you can only wait." Xiao Mingzhu stood up and clapped his hands, preparing to leave.

"Do not."

Li Yun also stood up, but looked at the captain's room on the top floor: "We just need to meet the captain!"

Jin Liuli was also puzzled now, "The captain doesn't believe us, why should I look for him?"

"Probably... the vaccination first?" Xiao Mingzhu quickly guessed Li Yun's intentions, and there was a bit of approval in her eyes, which was a way she had never thought of.

This time I went to see the captain. I didn't need to do anything. I just informed him that there was someone on board who was about to hijack the ship, but I would not show any evidence.

As a result, there is a high probability that the captain will not believe anything, and will only sneer and drive people.

After Huang Xuanguo came forward to inform and State M notified here again, the captain would become a little suspicious.

After that, when there is evidence, as long as the captain is not a fool, he will naturally ask Li Yun for details.

Facts have proved that when Li Yun and the group of five found the captain, the captain of the countryman M named Davis politely said that he knew it, but there was contempt and arrogance in his expression that could be seen at a glance.

If it weren't for the fact that Su Muxin and Xiao Mingzhu were both big women, the captain would have just drove people away.

"Ding, the host makes a choice to let Xiao Mingzhu join the action, reward Xiao Mingzhu with +15 favorability, and purple amulet*1 (for Xiao Mingzhu)."

Unexpectedly, when leaving the captain's room, the system prompted a reward.

Li Yun glanced at the amulet, and chose not to give it to her for now, and waited until later.

"Next, we can only wait." Xiao Mingzhu looked at Li Yun. For some reason, she trusted this **** more and more!

"Yes, it should be fine for the next two days."

Li Yun looked at the three daughters, Jin Liuli's small face flushed, and after whispering a big satyr, she blushed and walked forward.

Chapter 2212: Kong Rong Rang Pear

In the evening, Li Yun and Xiaojiao Su Muxin had another night of mischief, but when the two women got up and knocked on the door the next day, Su Muxin was awakened.

"Um~, I'm sorry Feiyao, I should let it to you today, I will go to the next room to sleep."

Su Muxin spit out her tongue and directly opened the sheets to get up. Jin Liuli and Xia Feiyao turned red when they saw their faces, and they hurriedly turned around. Xiao Liuli's mouth was screaming again, but the steps were still She didn't move, didn't leave, and she kept staring at sister Mu Xin's body and all traces of chaos in the room with her eyes.

Obviously, there has been an unusually heroic fight here.

Just seeing it, Jin Liuli felt red and red, blood flowing back all over his body, so excited and ashamed that he wanted to find a place to get in.

but!

Last night, when Sister Mu Xin was messing around with Li Yun here, she deliberately said in a chat group with only three of them, and asked them to visit in the morning to learn a little experience-and she secretly took pictures of the scene. They look.

Originally, Sister Mu Xin wanted to invite them directly, but the two women refused to come over. First, they didn't want to disturb her time when she was monopolizing Li Yun. Second, they were too shy to watch with their own eyes.

"Sister Mu Xin, are you... okay now?"

Xia Feiyao's face flushed, and she helped Su Muxin get up, looking at her tired look, she couldn't help but feel a little worried, but also a little expectant.

Today, she has to experience the same thing as Mu Xin's sister.

"Blame that big pervert!!"

Jin Liuli glared at Li Yun, who was leisurely looking at his phone on the balcony, before going to him to settle the account.

Of course, Jin Liuli also knew that if she dared to go out to the balcony now, she would definitely be hugged and kissed by the badass pervert.

"not bad."

Su Muxin closed her hair, her eyebrows were in a chrysanthemum, she smiled charmingly, and told them her experience in a low voice: "Dad, uh, brother Li Yun has a small recovery pill, so you don't have to worry about physical strength and injury. Anyway... just listen to Brother Li Yun's words and do it."

Jin Liuli was so embarrassed to cover Yuanyuan's face, she didn't dare to look at people, and said angrily: "That big bad guy, I thought that small recovery pills are very rare, so they can be used..."

She dared not say the following things.

Xia Feiyao hesitated to speak but stopped, wanted to ask, but was ashamed to ask.

After putting on a pajamas, Su Muxin chuckled a scent on Xia Feiyao's cheek, "Sister Feiyao is so cute, it's your turn today, go."

Jin Liuli was sour and didn't know what to say. Tomorrow, it was her turn.

"I'm sorry, Xiao Liuli,"

Su Muxin held Jin Liuli's small hand, her eyes were a little tired and said, "I will go to bed this morning, and I will accompany you to the cruise in the afternoon, okay?"

"It's okay, Sister Chili, please sleep well. I can practice on the balcony in the morning, and we will play in the afternoon."

Jin Liuli glanced at Xia Feiyao, with a slightly jealous tone: "Then Feiyao, we are leaving. If you don't want to accompany that big pervert, just come to us. If he dares to mess around, see if I won't take him away!"

She brightened her small fist, and she didn't know if she would be able to say such arrogant words tomorrow.

"Um."

Xia Feiyao also took Jin Liuli's hand and whispered, "If you want to, Xiao Liuli, you will be the first today? I don't mind."

The ancients had Kong Rong let the pear, but now Feiyao let Li Yun.

Jin Liuli's small face turned red immediately, and she helped her sister Mu Xin fled the room in a panic, "No, I won't accompany that big-eyed villain tomorrow!!"

She also deliberately spoke very loudly, obviously for Li Yun.

Chapter 2213: A day's schedule

Li Yun lay leisurely on the balcony to watch the sunrise. He did not participate in the conversation between the three women during the whole process, but he listened to his ears without fail.

Why doesn't he participate in the dialogue?

Because last night, he saw everything that Little Pepper secretly did on the phone!

Li Yun will naturally not bother Master Little Pepper, who is preaching to the two women who are puzzled by karma.

"Yaoyao, come here."

When the two women went out and the door closed again, Li Yun shouted at Xia Feiyao, who was standing at a loss inside.

Then, his obedient little daughter-in-law walked out obediently, was hugged by Li Yun, and kissed her immature and cute baby face.

"Husband~"

Xia Feiyao called out in a soft milky voice, and her body quickly softened and hugged Li Yun tightly.

Today is her happy day. Even though there is no grand wedding ceremony, no phoenix crown, majesty, and big sedan chair, today, it will still be a memory she will never forget.

"Let's watch the sunrise with your husband for a while." Li Yun hugged her soft body and said warmly.

"Yeah~"

Xia Feiyao changed her posture, lying in Li Yun's arms obediently and watching the sunrise on the horizon.

The huge cruise ship is driving on the blue sea, on the balcony of the sixteenth floor, hiding in the closed door, only in the room of her and her husband, watching the sunrise warmly and happily, illuminated by the warm sunshine In her body, Xia Feiyao only felt that her heart would melt on her husband.

"Should I start directly, or do something else first? I will listen to my Haoyaoer's arrangements today!" Li Yun chuckled and asked directly.

Anyway, both of them knew what they were going to do today, and Li Yun also asked the young wife's opinion with a cheeky.

"Well."

Xia Feiyao was very shy, but she still mustered the courage to say: "Husband, let's do it first in the morning... No, no, stay in the room first."

Li Yun laughed, kissed her again, and said something? Then, Xia Feiyao lowered her head shyly.

"What about this afternoon?"

"In the afternoon..." Xia Feiyao continued, "Shall we go sunbathing?"

She was a little embarrassed, "Yesterday, Xiao Liuli and I saw someone sunbathing. We were very envious, but we didn't go. I want to wait to be with my husband. Should Xiao Liuli be too?"

"Well, I will go sunbathing with my Yao'er in the afternoon!" Li Yun didn't mention the golden colored glaze. Today is Feiyao's exclusive day.

"Well, if I don't wear a bathing suit, I will wear a skirt."

Xia Feiyao still didn't want to wear a swimsuit in front of outsiders. Fortunately, she saw people wearing short skirts. For example, Xiao Mingzhu was wearing short sleeves + hot pants yesterday, and she could get most of her skin exposed without being too ashamed.

Especially her figure, wearing a swimsuit is too... ashamed.

Li Yun looked down at Xia Feiyao, smiled knowingly, and said, "What about the night?"

"At night... after we have dinner with Sister Mu Xin and the others, we two will go to the movies together?"

Xia Feiyao was eager to try, and the cute baby's face showed an expectant expression: "I saw in books and on TV that lovers will go to the movies together, so Yaoyao also wants to go with her husband!"

She said firmly, and decided to have dinner with them in the evening. She didn't mention it at noon, because she knew that at noon she might not even be able to stand up, so she could only lie down and wait for the waiter to deliver the meal.

"Okay." Li Yun agreed, and gently stroked her face: "Then...Shall we start the morning business now?"

"Yeah~"

Xia Feiyao slowly closed her eyes, waiting for her husband's kiss.

Soon, one morning passed.

Chapter 2214: Please

When eating at noon, it was Jin Liuli who pushed the dining car in again, but the person next to her was not Xia Feiyao, but sister Xiaojiao.

As for Feiyao... she was lying on the bed at the moment, with a lingering charm between her eyebrows, and even her shy smile seemed to be enchanting, making Jin Liuli stunned.

In the morning and noon, Xia Feiyao was totally two people in temperament!

Only after spending the morning with that big pervert, the change was so great!

"Feiyao, you..."

Jin Liuli was very uneasy, with a somewhat fearful expression on her small face, holding the handle of the dining car in both hands, hesitantly did not dare to move forward-she was afraid that she would be swallowed by the big hungry wolf!

"Me? I'm fine."

Xia Feiyao bit her lip, lowered her head and smiled shyly and contentedly: "It's just that my body is a bit sore, but...I'm satisfied and happy, Xiao Liuli, you will know tomorrow, don't worry, don't worry." She glanced at Li Yun. , Said shyly: "In short, the experience is very good, the husband is very good, don't worry."

"I, I, I don't want it!" Jin Liuli stammered in refusal, but couldn't help but continue to look randomly.

She was shocked to find that Xia Feiyao hiding under the sheets seemed to have nothing, nothing...clothing!

"Hehe, let me have a look!"

Little Chili, who had slept all morning, recovered her lively character and stepped forward with a smile, taking advantage of Xia Feiyao's carelessness to open her quilt.

Suddenly, the room filled with fragrance.

"Wow, sister Mu Xin don't!"

"Hee hee hee, it doesn't matter, everyone is brother Li Yun, oh no, they are all fathers, what matters~"

Su Muxin chuckled, her eyes kept looking at Xia Feiyao, who was shrinking on the bed and holding the sheets tightly, covered in scars: "You want me to look at it, at least five times! Tsk tsk, it's better than me yesterday morning, it's Feiyao~ "

"Woo, it's not."

"No? That's seven times?"

"No, no, no!"

This time it was Xia Feiyao's turn to be shy. She was pretending to be the eldest sister in front of Jin Liuli just now, but she was too ashamed by Su Muxin's bold actions.

As for Jin Liuli, who had never experienced it on the side, she was so ashamed and angry, she ran to the balcony to chase Li Yun and beat him with a small fist, "Big pervert, big villain, look at the good things you do, Feiyao can't get up!"

"Ahem, eat and eat, we can eat by the bed~!"

So Li Yun and the three moved the dining table to the bedside and ate with Xia Feiyao, who was naked—of course, she hid under the sheets.

Jin Liuli's cheeks flushed throughout the whole process, she didn't understand what food she ate, and didn't feel any taste. After eating, she hurried away.

"Sister Feiyao, I beg you~, okay?"

"What, what's the matter?"

Su Muxin bit Xia Feiyao's ear and said something secretly. After the blushing Xia Feiyao agreed, the little pepper happily hugged Li Yun and offered a fragrant kiss.

...

After half an hour, Su Muxin sighed deeply and cried, "I really want to hurry to the day after tomorrow. There will be Xiao Liuli days tomorrow. Time flies really slowly~"

Xia Feiyao, who had been watching the game for 30 minutes, hesitated and suggested in a low voice: "Why... Sister Mu Xin will also go to play with us today?"

"do not want!"

Su Muxin got up, put on her pajamas lazily, turned her head and smiled at her and said, "I'll leave it to Feiyao today. I was so greedy just now, thank you sister Feiyao~~hee."

"No, it's nothing."

"Okay, then I'm leaving, you guys have fun?"

"Um."

Chapter 2215: Sunbathing (Part 1)

After Su Muxin left, Li Yun accompanied Xia Feiyao to a nap. After getting up, she got up and took a shower. At 2:30 in the afternoon, she put on a cool knee-length skirt, a pair of large sunglasses and a wide top. Xia Feiyao, in a brimmed hat, stood in front of Li Yun happily, hugging his arm and happily said:

"Husband, shall we go sunbathing?"

"go!"

Li Yun took his little daughter-in-law out of the room with a smile on his face and headed to the 12th floor deck.

Near the bow of the ship, there is an open-air cold drink shop. The location is not too much. There are only about 30 tables. Each table has two recliners for guests to enjoy a cold drink while lying in the sun.

Compared with the public open-air lounge chairs in other places of the cruise, the environment in the cold drink shop is much better. There are a few small coconut trees in the store, and the lounge chairs also have adjustable sun umbrellas. The environment is quiet and comfortable, and the view is excellent. I saw the blue water at a glance.

Coupled with the occasional seagulls flying by, and the fading white fishes, while sunbathing, while drinking a cold drink, surrounded by someone you like, a sense of happiness arises spontaneously.

"Husband, husband~, here~"

Before coming to this open-air cold drink shop, a certain little beauty with a childlike face could not help but cheer after seeing the better environment in the shop than she expected, and happily hugged her husband's arm, and couldn't wait to want it. Go in and lie down and sunbathe with your husband.

"My good Yaoer is in such a hurry?"

Li Yun smiled and scraped Yaoyao's little nose. The latter wrinkled cutely, and said in a low voice, "I have been looking forward to it for several days. I have been looking forward to it since I knew I was going to travel with my husband~"

"Okay, let's go in!"

"Hee hee~"

Xia Feiyao and Li Yun walked into the cold drink shop and asked her husband to talk to the clerk in English. If she came alone or with Jin Liuli, she would not dare to come in—because she could not speak English.

But she soon found out that she was thinking too much. The staff seemed to know the simple language of many countries, and at least ordering a drink was completely communicative.

"Yaoyao, what do you want to drink?"

Li Yun gave her the menu, and Xia Feiyao tried to look at it. Although it was marked with Chinese characters, it was all incomprehensible things like "vanilla latte", "Oreo chocolate", "popping lemon four seasons spring", etc. .

Therefore, she randomly ordered one of the few drinks that she could understand: fresh passion fruit drink.

Anyway, drinking is just by the way, and sunbathing with your husband is the main meal~.

"Okay, then I will have a cappuccino."

Li Yun thought of the famous saying on the Internet: Give Auntie a cup of cappuccino!

He has heard the name of this drink, but he has never drunk it before, and he can just experience it now.

"Okay, please find a spot for the two of you. Drinks will be delivered soon."

The waiter politely gestured to the store, and Li Yun led Xia Feiyao in.

The drink shop is open-air. There is a half-person high flower garden around the shop. There are many small tropical plants in the shop. The whole shop is beautifully decorated.

"Husband, it seems that the drinks here are particularly expensive?"

The price was marked on the menu just now, and Xia Feiyao saw that it started at 100, which seemed to be different from outside stores.

"Because the drink includes the price of the recliner."

Li Yun led her to find a corner location. Two small palm trees blocked most of the sight outside. They were close to the railing and facing the sea, which was a great location.

Chapter 2216: Sunbathing (part 2)

"Just as the mineral water in a five-star hotel is more expensive than outside, so are the drinks in this drink shop." Li Yun said again.

"Oh, I get it~"

Xia Feiyao said happily: "That is to say, we only need to pay for the drinks, not for the recliner?"

"Correct!"

"Hehe, it turned out to be like this. I thought there was an extra charge." Xia Feiyao walked to the railing and took a deep breath at the sea. The tender baby's face showed a satisfied expression, and she narrowed her eyes and said: "After all The environment here is so good, you must add money~"

At this moment, the cruise ship is driving in the ocean south of Huang Xuanguo, heading to countries such as Yueguo, Laoguo, Taiguo, Burma and other countries on the southeast cliff. Therefore, the environment here is hotter than any place in the motherland, and the sun is almost directly shining down. , Walking barefoot on the deck within a few minutes, the soles of the feet will be cooked.

Fortunately, Xia Feiyao and Li Yun are now on the cruise ship in motion. The ocean is blowing all the time. In addition, there are sun umbrellas above their heads and the vegetation in the store is cooling down. There are also cold drinks on the small tables. The tropical sun is just right~ .

Cloudy days are not beautiful.

"It was written on the menu just now that customers only need to pay for the drinks."

Li Yun lay lazily on a comfortable recliner, took a sip of a cold cappuccino, and realized after drinking that this thing is actually a mixture of milk foam, milk, and espresso. It seems that latte and mocha are the same. So, it's just that there is more chocolate sauce, whipped cream, etc. in the mocha.

Drinking too much will feel very greasy. Li Yun still likes simple fruit juice with fresh lemon, or simple iced tea.

"You can sit for a cup from noon to night?" Xia Feiyao leaned back against the railing and looked at him curiously.

"No, the waiter will ask you if you want to add a cup after two or three hours. In fact, it means that the time is up."

Li Yun explained to her some of the rules of modern cities, "You can choose not to add it. A higher-end store will not rush people, but it will ask you again for half an hour to an hour. As long as your skin is not so thick, you will choose to add. Cup."

"Oh~~" Xia Feiyao chuckled, "In fact, it's just to pay for the recliner again, I get it~"

"Correct."

Li Yun hurriedly smiled and said: "But, your husband, I have money, so Yaoyao, you only need to spend money, you don't need to care about whether money is not money or not."

"My husband is so nice~" Xia Feiyao looked happy.

"Since your husband is really nice, why don't you come over and reward me for your husband?"

"what?"

"Husband wants to drink, come on, Yaoyao will feed her husband with her small mouth."

"...Woo, my husband is really bad."

In the end, Li Yun still yelled a very special cappuccino: a special cappuccino specially dedicated by the blushing childish giant o the little beauty, brewed with the sweet little mouth of the girl, and mixed with the special cappuccino.

There are two palm trees blocking most of the view, and the point is that this open-air beverage shop is originally a table and two lounge chairs, a sweet dating place specially created for couples.

Therefore, the intimacy of the two did not arouse too much attention from everyone. There were several couples in the drink shop, and they all kissed each other while drinking a drink.

People passing by looked at the two curiously at most. Some people might suspect that the childish-faced little beauty is under fourteen years old, but they usually have no such doubts when they look down a little bit.

This little beauty has grown so well that she can tell at a glance in her knee-length skirt.

Chapter 2217: Stunning Beauty

"..."

"..."

"Hell it!"

As soon as Xiao Mingzhu entered the door, he glanced at the open-air beverage store before ordering a drink, and saw the two close friends.

Especially through the leaves of the palm tree, I saw that the baby-faced little beauty overlapped with Li Yun's figure. The little beauty also took a drink, took a sip, and lowered her head to move towards it. Any fool can Thinking of what the two are doing.

"How could it be so coincidental??!"

Xiao Mingzhu's beautiful and exquisite face was full of gloomy expressions, even the previous few times, it was a compelling encounter.

But this time, after the two girlfriends got off the boat, she was going to sunbathe by herself. This incident was absolutely not said, and she came here on a temporary basis, and it happened to meet that guy again!

For a moment, Xiao Mingzhu even wanted to turn around and leave, too lazy to watch the couple in love again-and they were still mouth-to-mouth kisses. Feeding drinks made people feel goose bumps.

But in this way, didn't she give up? Besides, the store is so big, why should she leave?

"Miss, what would you like to order?"

The waiter asked politely, Xiao Mingzhu took a deep breath, and walked in with his head upright after a little messy on the menu.

However, she still found a place far away from the "dog man and woman", unless the two turned around and looked through the leaves carefully, otherwise they would not find her!

"Calm down! I don't need to think too much, just if I didn't see him!"

Xiao Mingzhu lay down with a calm expression, a pair of extremely slender, snow-white beautiful legs that accounted for almost half of the body, resting on the chair, the white jade-like insteps glowing in the sun, slender and round legs, making him walk over with a plate. The waiter's eyes were straight.

He has been working here for many years, and the beauties of various countries who have seen hot bodies are not 10,000 or 8,000. Those beauties are wearing three-point swimsuits, and most of their beautiful bodies are displayed.

But there has never been a person as dazzling as Xiao Mingzhu!

She didn't wear a bathing suit, just a hot pants with cartoon short sleeves, but she was far more beautiful, more beautiful, and more swaying than the beauties in cool clothes!

When the waiter walked to her, some of his legs were weak and his eyes flustered. He was shocked by Xiao Mingzhu's beauty, and he unconsciously became inferior.

Such a noble and beautiful princess, who can be worthy of her? I am afraid that only the real handsome prince, who is also from an extraordinary background, is qualified to kiss Fangze!

"Just put the drinks on the table."

After waiting for more than ten seconds, the waiter hadn't walked away, Xiao Mingzhu's expression remained unchanged, and the tone was flat.

She knew why the waiter didn't go away. It was because she was fascinated. She had seen this kind of thing countless times. Yesterday she went to another store to sunbathe, and the waiters were attracted to her beauty one by one, single. All of the men are enthusiastic about coming to strike up a conversation.

So today Xiao Mingzhu simply finds a hidden place to sunbathe.

"Very, sorry!"

The waiter hurriedly put down his drink, and when he bowed, he couldn't help but glanced at Xiao Mingzhu's big white legs, and left in a panic.

With slender legs like beautiful jade, he will probably never forget this scene!

What is hateful is that there are a lot of plants in the store, so that he can only vaguely see a little white scenery at the counter, it is tickling his boots, and it can't satisfy his restless heart.

What's even more hateful is that the waiter clearly saw a man walking in with two beautiful women. When he saw the stunning single girl, he immediately repelled the female companion beside him, and walked towards her with a glass of drink with a smile.

"Damn, this guy is a playboy, don't be fooled, beauty!"

Chapter 2218: Strike up a conversation

"Beautiful lady, your light has dimmed the sun in the sky. Can I have the honor to know you such a beautiful beauty?"

The one who took two beauties to sunbathe was naturally the ***** Zhou Yingcai Li Yun had met before. He did not see Li Yun because he was completely affected by Xiao Mingzhu's slender legs lying on the armrests of the recliner. absorb.

Judging by these beautiful legs and her flawless figure, plus a small blush and cute little cherry mouth under dark sunglasses, Zhou Yingcai can conclude that this beauty is the one he has seen. One of the most outstanding beauties!

"You are.....?"

Xiao Mingzhu asked in Chinese while pulling down the sunglasses.

Suddenly, her eyes, which were as bright as stars in the night, appeared. Zhou Yingcai was struck by lightning. He was wrong just now. This beauty is definitely the most beautiful, most beautiful, noble and perfect he has ever seen. Flawless princess!

Body, temperament, skin, manners, voice...

All are top-notch!

Even the nose, eyes, ears, and mouth are all the most perfect and top-notch. They all hit Zhou Yingcai's pain points. He could hardly imagine such a beautiful girl in the world.

"I, I, my name is Zhou, Zhou Yingcai, yes..."

This ***** who wandered through the flowers, in front of the alluring girl, became stuttered, and could not speak Chinese anymore.

"Zhou Yingcai? Are you the son of the chief of the capital?"

Xiao Mingzhu was not surprised, her outstanding beauty and noble temperament were enough to make many men feel at a loss in front of her, just like Zhou Yingcai in front of her.

On the contrary, it was Li Yun, who did not show any indecent expression after seeing her several times, which surprised Xiao Mingzhu.

"Yes, the chief of the capital is my dad!"

Zhou Yingcai hurriedly stood up and said.

In the past, he would never use his father's name when he went to pick up girls. For one thing, he was too ostentatious and did not conform to the low-key style of officialdom. Secondly, it was unnecessary, just his handsome appearance, fit body, and richness. The second-generation son's temperament, everything is white and rich, you have to look at him high.

But this time, Zhou Yingcai was eager to reveal all his family background: Dad is a high-ranking official, his mother is the president, his grandfather is a retired cadre, grandma is the president of the university, my aunt is a celebrity, my aunt is a director of a listed company, etc. .

Anyway, how arrogant and how to blow, try to make this peerless beautiful girl look at him with a small eye! Don't be too much, just a small eye, he will be satisfied!

Zhou Yingcai even decided to wait for Zhen Zhen Lingling to get off the boat. For this beauty, he decided to go all out!

"Oh, it turned out to be the son of Tuesday."

Xiao Mingzhu stretched out her hand towards him with a smile, and Zhou Yingcai hurriedly grasped the extremely tender and beautiful little hands with both hands.

At this moment, he even burst into tears, just a simple handshake, nothing special, it moved him too hard!

"I heard from my friends that the fame of the son on Tuesday is quite famous in the capital."

Xiao Mingzhu withdrew her hand calmly. Although it was just normal etiquette, but the **** gave her a rather disgusting feeling, and later asked the waiter to wash her with a glass of water.

"Oh?!"

Zhou Yingcai took advantage of the situation to sit on another recliner, and his eyes lit up and said, "I don't know the beauty of the friend you are talking about? Uh, I don't know the name of the beauty~"

"Surnamed Xiao, from Zhonghai City."

Chapter 2219: Son of tuesday

"Surnamed Xiao, Zhonghai City...You are the daughter of Wanyuan Real Estate Group, Miss Mingzhu!?"

Zhou Yingcai quickly guessed her identity. After all, Wanyuan Real Estate has properties in all major cities across the country, especially the shopping mall Wanyuan Plaza is well known. As Xiao Mingzhu of Wanyuan Group, he is also on the Internet. A small or small internet celebrity, but she doesn't like to show off too much, she can't compare to a certain king who likes to play tricks.

"Yes, Zhou, two, son!"

Xiao Mingzhu smiled and "emphasized" his identity, the meaning is already very obvious: I heard about your reputation as a playboy, hurry up to get out of me before I get annoyed!

But Zhou Yingcai didn't care, and said cheeky: "What Tuesday, the second generation of Quan II who has nothing to do in the capital slandered me. Although I have more scandals, Zhou Yingcai is definitely a good man! "

He patted his chest vigorously for assurance.

"Oh?" Xiao Mingzhu put on his sunglasses and continued to lie on the chair to sunbathe, and said in a flat tone: "I wonder what kind of business you have done?" Is that guy's Baiyun technology good?

She didn't say the last sentence. For some reason, Xiao Mingzhu always compares the men she met with Li Yun.

"this....."

Hearing the sarcasm in her words, Zhou Yingcai said awkwardly: "I am going to take over my mother's company recently, with a market value of more than 50 billion yuan, and it's okay!"

He is even more embarrassed. In front of Wanyuan Real Estate Group, a company with a market value of 50 billion is simply the difference between gathering and a small loach.

Compared with Baiyun Technology, it is even worse.

Xiao Mingzhu let out a faint "Oh", and was not interested in talking to him again.

She is already familiar with the business of Dad's company before she goes to university, and is striving to figure out how a large company operates within four years of university. However, Zhou Yingcai has been graduating from university for several years before she is ready to take over?

hehe.

Even with such a good background, Xiao Mingzhu would be too lazy to talk to him. Zhou Yingcai didn't have much say in Zhou's family. Even if he had a good relationship with him, there would be no such kind of connections.

Zhou Yingcai became more embarrassed, and only then did he deeply feel that his family background was inconspicuous in front of real wealthy daughters, and it was of no use to picking up girls!

Could it be that he can only taste those second- and third-tier starlets, peripheral women, little supermodels and the like in his entire life?

Xiao Mingzhu didn't speak any more, it was already obvious that he meant to drive people.

But Zhou Yingcai just stayed with a cheeky, nothing else, just seeing the slender, white, round and beautiful legs close at hand, he felt comfortable all over.

To say that he has seen the long legs of many supermodel young girls, and various white and flowery legs can be seen everywhere on cruise ships.

But compared with this beautiful girl who is full of country and city, those big long legs have become vulgar things, and there is no sense of beauty at all!

"Miss Mingzhu, I..."

"Mingzhu, you are here!"

Just as Zhou Yingcai wanted to continue searching for a topic, a man's enthusiastic voice came not far away.

After Xiao Mingzhu heard this sound, her delicate body tensed slightly, but quickly relaxed again, took a sip of the cold drink on the table, and waited for him to appear.

Li Yun and Xia Feiyao also heard this voice. Xia Feiyao, who was comfortably leaning on her husband and basking in the sun, raised her head, glanced at the direction of the door, and whispered: "Husband, it's him, the Yan family. Yan Jingyi!"

"Well, don't care about him."

"No, it's not good to be seen."

Xia Feiyao got up shyly and sat on the recliner beside her, looking in the direction of Yan Jingyi, and suddenly said in surprise: "Husband, it's Miss Xiao!"

"Well, don't care about her."

"How did the husband know?"

Chapter 2220: One after another

"Mingzhu, I have found you for a long time... long time!"

Yan Jingyi's smile continued until he saw Zhou Yingcai, and the moment he saw another man appearing beside Xiao Mingzhu, Yan Jingyi's expression quickly became gloomy, and said coldly, "Mingzhu, who is this guy?"

"Ah."

A pair of beautiful slender legs resting on the armrests of the recliner was put down, Xiao Mingzhu sat up gracefully, a mockery appeared in her eyes: "Yan Jingyi, I remember I told you a long time ago that you are not my friend, we Apart from living in Huangting Mountain, there is no relationship, remember?"

With her hands on the armrests, her aura was as strong as an inviolable queen.

Yan Jingyi's face darkened a bit.

His reputation among the wealthy circles in Zhonghai City is not very good. The rich ladies including Xiao Mingzhu will look at him with contempt every time they see him.

In desperation, he could only pursue Su Muxin, who came from other places, but unfortunately, even the daughter of the Su family in Zhendong City showed no words to him!

"What this guy, who are you?!"

In front of the peerless beauty, Zhou Yingcai naturally didn't want to fall behind, and directly responded to him: "Mingzhu has already said that someone like you is not worthy of being her friend. Why don't you get out as soon as possible?!"

Yan Jingyi sneered, "I really don't know how to live or die, what are you, dare to yell at me?"

"Oh, it's arrogant!" Zhou Yingcai did not show any weakness, with the classic playboy's cynical smile on his face, as if looking at a turtle from the countryside: "Are you the rich second generation of Zhonghai City? Know the Beijing Week Home?"

As the saying goes, at the feet of the emperor, on the roots of the imperial city, throwing a brick on the street can hit several five-rank officials. In the eyes of the people in Beijing, foreigners are equal to the hillbilly. Even in the international metropolis Zhonghai City, it is only slightly The rich landlords despise them at all.

"The capital?"

Yan Jingyi sneered. In the past, he might still worry about it, but since following his father to join the Six Doors, he has seen too many magical things. Now Huang Xuanguo has few families in his eyes!

Zhou Yingcai's face finally changed, and she said solemnly, "Friend, you are very arrogant."

When he was playing outside before, he didn't clashed with the local rich second generation and the second generation. Both parties would fought a big fight if they saw a girl in the dance hall.

But every time Zhou Yingcai reveals his identity from the capital, the locals often retreat. Although the strong dragon does not crush the snake, no snake will offend the nobleman from the capital for a woman!

"You haven't seen my arrogant place!"

Thinking of the suffocation suffered over the past few days, Yan Jingyi suddenly slapped him and slapped Zhou Yingcai's right cheek viciously. Zhou Yingcai couldn't react and froze in place.

The expression of Xiao Mingzhu, who was closest to him, moved, but in the end he didn't choose to take action, as it was to teach him a lesson, lest this guy come to pester her again.

Just when Zhou Yingcai thought he was about to slap in the face, with a whistle in the distance, a white object flew up and hit Yan Jingyi's palm very quickly.

Snapped!

The tremendous strength made Yan Jingyi take three steps backwards. If it weren't for the barriers of the railings, he would have to turn over and fall into the next deck!

The scene was quiet for a moment. After a while, Yan Jingyi called out like a pig: "Who, who put a hidden weapon to hit me? Who is it?!"
