

Godly Choice 2221

Chapter 2221: Goodbye Shangguanming

When everyone looked over, they were shocked to discover that a white straw was clearly inlaid in Yan Jingyi's palm!

The straw made of plastic actually got into Yan Jingyi's palm forcibly, and the whole hand became bloody, making people feel very painful just to see it, it hurts terribly!

"who is it?"

Xiao Mingzhu's expression finally became serious, and she looked towards the counter of the cold drink shop. Judging from the direction where Yan Jingyi's palm was facing, the straw flew from there.

Coincidentally, a handsome man with a tall stature, thick eyebrows, big eyes, and a majestic face with a majestic Chinese character, and a determined look just walked in from the door.

Coincidentally, this man, Xiao Mingzhu, happened to know him.

"Pearl!"

After seeing her, the man with the national character face brightened up. A very majestic and handsome face turned a little bit shy, as if it was the first time a junior high school boy saw the person he liked and wanted to get close. , But also ashamed of the green sense of openness.

It is hard to imagine that this kind of youthful feeling will be seen in a twenty-seven-eight-year-old young man with a national character face. This kind of innocent big boy will surely capture the hearts of many young girls.

However, when Xiao Mingzhu saw him, a hint of helplessness flashed in her clear eyes, and she said, "Brother Ming, why are you here too...oh, I see, you really...you should come!"

Brother Ming is Shangguan Ming!

When Li Yun found out that it was his brother-in-law, he almost squirted out a drink. Why did Brother Xia send him?

But on second thought, Shangguan Ming was indeed the most suitable candidate.

This guy has the strength, is consummated innate, and has been a mercenary abroad all the year round, especially the king of soldiers who is like a fake replacement!

Moreover, on the bright side, he has little official contact with Huang Xuanguo. Even if it fails to save the hostages for various reasons, foreigners cannot blame Huang Xuanguo!

In addition, he knew Li Yun and Xiao Mingzhu, and seemed to have a crush on Xiao Mingzhu, so he was more suitable to participate in this rescue operation.

Li Yun's thoughts turned sharply, thinking of their names, he couldn't help but smile: Shangguanming, Xia Ming, Xiao Mingzhu.

The three Mings just got together.

"Husband, it seems that we are about to fight, we...?"

"It's okay, they can handle it. Let's continue watching the show."

"Oh~"

The expression on Shangguanming's face couldn't be suppressed with excitement. He walked quickly towards Xiao Mingzhu, but when he got closer, he couldn't help slowing down, his eyes turned involuntarily to her slender and white legs that seemed to shine in the sun. , For an instant, Shangguan Ming thought he had seen heaven.

It turns out that Mingzhu's figure is better than he believed!

"Ming, Mingzhu, I, I'm here!"

He went abroad for training at the age of sixteen, experienced hundreds of battles of various sizes, and had ten years of rich combat experience. He could definitely call himself the king of soldiers, but now he has become stammered and can't even speak.

".....Um."

Xiao Mingzhu was rather helpless. When she went to her uncle's house, she happened to meet Shangguanming once, but Shangguanming fell in love with her at first sight. Although she did not pursue her passionately, the meaning in her eyes was already obvious.

After that, my uncle invited Xiao Mingzhu to his home several times, and every time she went, she would see Shangguanming who happened to be back from abroad, and the meaning of the matchmaking was very obvious.

Shangguan Ming is indeed a very good man, regardless of strength, character, family background, achievements, and boldness, he can be worthy of her.

but!

Chapter 2222: Joker

Xiao Mingzhu looked at him for three full seconds before she smiled and said, "Brother Ming, long time no see."

but!

In front of him, Xiao Mingzhu didn't have any feeling of being in love, as if he was just facing an elder, a brother, and a respectable person, but there was no feeling of heartbeat.

If she didn't meet Li Yun, she might try to associate with him after graduating from university to see if the two sides fit together, but now...

"Ah, why did I think of Li Yun that playboy?! Damn it!"

Xiao Mingzhu's eyes turned, and when he saw Li Yun that **** was lying on the recliner unscathed, an annoyance appeared in his eyes: This **** could sit still!

She didn't believe that the dude didn't hear what happened here.

"It's the straw you **** threw?!"

Yan Jingyi jumped like thunder. He covered his trembling right hand with his left hand, and the white straw was clearly embedded in the palm of his right hand. He slammed into the flesh and blood, and looked abnormally painful.

"Mingzhu, who is this guy?" Shangguanming regained his composure. No, it would be better to say that he had restored the style of a soldier. The face of the Chinese character was resolute and determined, and his eyes revealed three-point fierceness.

"A beam jumping clown." Xiao Mingzhu replied calmly.

"Oh? The clown jumping beam, dare to jump in front of me Shangguanming?"

Shangguanming strode forward, and in Yan Jingyi's panicked eyes, his big hand grasped his hair accurately, like an eagle catching a chicken, and with a strong throw, Yan Jingyi suddenly leapt more than ten meters away and turned 720 degrees in the air. , Alive was ran out of the beverage store and hit the ground in a straight line.

"Ohmygod!"

The waiters were dumbfounded, what kind of power is this? Can he throw people so far, is he a boxer! ?

"you you you!"

Yan Jingyi's bones fell apart from the fall, his whole body was aching fiercely, and the palm of his right hand was **** and terrible.

"Get out of me if you know it."

Shangguan Ming clapped his hands, with a joking smile at the corner of his mouth, "Just you, dare to jump in front of Mingzhu? Dare to show up again, see if I don't beat you up!"

Xiao Mingzhu smiled, Zhou Yingcai shrank his head. Sure enough, the truly outstanding Bai Fumei was surrounded by young talents. If you want to return to beauties, you have to defeat the proud of these days, far from flowers. A few stinky money, and showing off a few family backgrounds as simple as that!

"Asshole, you dare to be so arrogant when you make a shot, I want you to die!"

Shaking, Yan Jingyi stretched out his left hand and touched his pocket. Shangguanming's pupils shrank and he subconsciously stood in front of Xiao Mingzhu: "Danger, this guy wants to take... a gun."

As a result, what Yan Jingyi took out was a mobile phone, calling someone!

Shangguanming: "..."

"Hee hee hee."

Xiao Mingzhu couldn't help laughing again, making a fool of himself in front of the beauty, making Shangguan Ming extremely embarrassed. The **** didn't drew out a gun, and yelled at what made him die?

Several fierce people ran over from the neighborhood, and seeing the fighting movements and expressions they made, Shangguan Ming thought of something vaguely, and his face sank.

"People from the Golden Triangle dared to go to Huang Xuanguo to run wild? I'm so impatient!

He strode out and knocked all those people to the ground in twos or twos, and unceremoniously ordered the security guards on the boat that came to them to lock them up!

The farce ended in this way. Before being taken to the doctor, Yan Jingyi gave Shangguan Ming a vicious look, and the straw on his right hand was still in his flesh and blood.

Chapter 2223: Turning straw

"what happened?"

Shangguanming looked at the **** right hand of Yan Jingyi who was leaving, and gave Xiao Mingzhu a surprised look. Could it be that she made the hand? Dare to love him because of the beauty.

"Not you?"

Xiao Mingzhu also had the same question, "From the direction where the straw flies, it's obviously Brother Ming that you made the shot."

"How is it possible!" Shangguan Ming hurriedly waved his hand, "I just came back then, and I still don't know what happened. I just saw you, Mingzhu, how could it be possible? There must be other masters!"

"Other masters?"

Xiao Mingzhu looked at the people gathered at the counter. There were many foreigners among them, but she didn't think these people could directly penetrate the soft straws into the flesh and blood of people.

Unless there is another possibility, the straw will turn... a turn?

"It's you, Li Yun!!"

Xiao Mingzhu's voice grew louder, and Shangguan looked at her in amazement: "That kid Li Yun is here too?" He looked around, and quickly found the "brother-in-law" hidden behind the ornamental plants!

"Hahaha, Xiao Ming, long time no see!"

Li Yun sat up and greeted him, only to be punched again by Shangguan Ming-in my impression, this guy also punched him the last time he met.

"Well, you Li Yun, you actually planted on me!" Shangguanming gritted his teeth and punched him in the shoulder. He was "planted and framed" by this ***** when he first arrived, and it took a long time to find out that he was making a ghost!

"Hey, didn't I see Brother Ming, you happened to be standing, and I was lying down too lazy to get up?"

Li Yun smiled, looked at Zhou Yingcai, and said, "Just now it is worthy of what you asked me to drink before. I advise Zhou Shao to get off the boat as soon as possible. It will soon become unsafe here."

"Uh?"

Zhou Yingcai was full of doubts, but no one at the scene explained, and no one talked to him. He could only leave with a smile.

After he left, Shangguan glanced at Xia Feiyao, frowned slightly and said to Li Yun: "You guy...you really have beautiful women around you anytime, anywhere."

Xia Feiyao's face blushed.

"What then?" Shangguan stared sharply at Li Yun: "Where are you going to put my sister? If she knows you and..."

"Ahem, brother!"

Li Yun interrupted him, "Lingxian knew about my visit, I didn't hide it from her."

Shangguan choked for a moment, and finally patted him on the shoulder fiercely, "You can grasp it yourself, I won't say much, I will fight you if I dare to be sorry for my sister!"

Li Yun smiled and nodded. Shangguan Lingxian's favorability level was still 99. She went back to the family to deal with some problems this time. When he had time, she would go and talk to the spiritual doctor fairy.

I believe that with their last emotional exchange, Shangguan Lingxian will rest assured that he will completely throw himself into his embrace.

"This is...?" Shangguanming looked at Xia Feiyao again. There are no ordinary women who can follow Li Yun, and it is likely that his family background is not inferior to his Shangguan family.

"I am Qingleigu's disciple, Xia Feiyao, may I ask you who are you?" Xia Feiyao took the initiative to introduce herself, and she was also very interested in the family background of another confidante of Li Yun!

Shangguanming was silent for a while before reporting his origin: "Shangguan's house, Shangguanming."

Shangguanjia?

Xia Feiyao suddenly realized that her guess was correct last time. Li Yun really has a close relationship with Shangguan Lingxian, and it has been settled, otherwise Shangguan Ming would not say that.

Chapter 2224: Xiao Mingzhu's surprise

"It turned out to be Senior Brother Shangguan." Xia Feiyao smiled slightly, "I met with Lingxian last time. She...knows about Li Yun and me, please don't worry."

It means that Shangguan Lingxian has not been kept secret, she has always known that Li Yun and Xia Feiyao and other girls are very close.

Shangguan Ming shook his head, did not say anything, found a stool to sit down, and also found a stool for Xiao Mingzhu by the way.

After a few people sat down, the waiter came over with four glasses of drinks. This time he didn't dare to stay any longer. After putting down the drinks, he hurriedly left. The fights of these yellow races were terrible, and they would throw people more than ten meters at every turn!

Sure enough, Huang Xuan people know kung fu!

The four of them drank their drinks silently. Because the atmosphere of the matter was a little stiff for a while, Li Yun took the initiative to speak, "Brother Ming, how many people did you bring on board?"

"A team of 12 people, you've seen a few of them before."

In other words, Shangguanming brought Gu Jian, Wei Chao, Qian Shuxi, Feng Xuemei and other elite special forces to solve the chaotic situation on the cruise ship.

Li Yun nodded: "Then what are you going to do?"

"What about you?" Shangguanming glanced at him, with a smile on his lips: "I don't believe that people like you didn't come up with suitable suggestions. You relied on you to save the hostages last time."

"Last time?" Xiao Mingzhu couldn't help asking, Meimu couldn't help looking at Li Yun. He saved many hostages without anyone knowing?

Shangguanming hesitated, saying that other men are good in front of the person he secretly admired. Wouldn't he push the person he likes to others?

Li Yun smiled and shook his head, and said lightly, "It's nothing, it's just that a few gangsters were killed. This time, you have to rely on you professionals like Brother Ming to save people on the cruise ship!"

"Huh~! If you don't say it, don't say it!" Xiao Mingzhu gave him a white look, always feeling that this guy didn't tell her on purpose!

Shangguan was stunned. Is it his illusion? Xiao Mingzhu didn't sunbathe with Li Yun before, but it seems that the relationship is faintly good?

At least such coquettish white eyes, she had never shown it in front of him, but now she has done this "indecent" thing to Li Yun!

"Li Yun, you are humble."

Shangguan Ming glanced at the person he had a crush on, and finally began to speak: "Last time you broke the ecstasy array, exposed the hostage to provide us with the opportunity to kill the gangster, and then boarded the plane alone and moved the enemy thousands of miles away. Lao Lao was defeated and successfully rescued the hostages on the plane. It can be said that we couldn't even find the hostages without you last time!"

"!!!"

Xiao Mingzhu's hands holding the cup tightened, and he looked at Li Yun in disbelief.

It turns out that this **** did such a great thing without anyone knowing it!

The last time an airplane was hijacked in Huang Xuan, this extremely sensational news finally ended with most of the hostages being rescued. For a while, the major media praised it wildly, saying that this was an extremely rare feat at home and abroad!

But who knows that the real behind the scenes of this feat is relying on Li Yun to turn the tide!

Suddenly, Xiao Mingzhu had mixed feelings in her heart, and she couldn't help but think that although this **** is a good person, he can attract so many outstanding girls, it really is not just relying on a mouth, but having a real ability!

"It's too exaggerated." Li Yun laughed and said humorously: "Uncle brother, you have been in the war-torn areas overseas for many years. You have saved less than 8,000 people but also 10,000, right? In front of you, brother, I'm still not good enough. Far away!"

Chapter 2225: analyze

Shangguanming was very comfortable being slapped by this flattery, and he couldn't help but look at Xiao Mingzhu floatingly, but was surprised to find that the person he secretly admired was just a polite compliment, and he had never heard of Li Yun's rescue of the hostage of the plane. That kind of shock and worship.

In other words... Xiao Mingzhu admires Li Yun just because he is Li Yun?

"Hee hee, okay, two great heroes~" Xia Feiyao covered her mouth and smirked, body next to Li Yun, and said: "Let's discuss how to save the ship's people, right?"

"That's right!" Xiao Mingzhu was also a little excited, and a bright smile appeared on her face, which can be called a beautiful country. "Listening to your legendary deeds makes me a little bit eager to participate in it, Ming Brother, do you have any suggestions?"

She decided to listen to Shangguanming first, then Li Yun's, and finally compare with her own way of thinking to see whose way is better!

"Mingzhu, do you want to participate too?" Shangguan Minglue was a little surprised.

"of course!"

Xiao Mingzhu smiled and said: "How can I say that I am also a mid-innate stage, and half a quagmire, right? Miss Xia?"

Xia Feiyao nodded.

"Uh, well, then you will help us, just don't be impulsive."

Shangguanming hesitated, "I learned some things on the way here, and I also made a simple plan with the team members."

"What plan?" Xiao Mingzhu asked, and at the same time glanced at Li Yun.

"Is such that."

In front of the crush, Shangguanming sat upright, glanced left and right to confirm that there was no other person, and then said: "First, evacuate, second, surveillance, third, arrest, fourth, follow-up. ."

The surroundings calmed down. After a while, Xiao Mingzhu clapped his hands and gave Shangguan Mingbi a thumbs up admiringly: "A great plan, basically safe, cautious, and thorough!"

Shangguan Ming was overjoyed, he was even more excited than when he was promoted as a general.

Xia Feiyao blinked her eyes: "It's that simple? But what should I do?"

Both Shangguanming and Xiao Mingzhu looked at Li Yun, but Li Yun looked at Xiao Mingzhu, meaning you speak first.

"me?"

Xiao Mingzhu was not nervous at all, but generally said: "The first step is to evacuate. We will find a way to let Huang Xuan people on board know that the ship is not safe now. It is best to dock at the port in the next two or three days. Disembark at the time, and the embassy on the shore will send people back to China!"

"Yes, I think so too!" Shangguan smiled, "We, Huang Xuan, leave first. As for people from other countries, we can take care of it!"

Xiao Mingzhu has clearly stated that Huang Xuan is a member of the country. It can be seen that she does not value foreigners very much, so Shangguan Ming has said this.

"second."

Xiao Mingzhu continued: "Surveillance, the military book has said, knowing ourselves and the enemy, a hundred battles are not dead, we control all the enemy's movements, and the initiative is in our hands!"

"Very good!" Shangguan Ming exclaimed, everyone could tell that he was flattering Xiao Mingzhu...

Li Yun smiled, and took another sip of the ice drink with a straw.

Not to mention, a well-behaved and cute baby-faced daughter-in-law next to her, and a peerless beauty in front of her, the feeling of sunbathing with a drink could not be better.

"fourth!!"

Glancing at him secretly, Xiao Mingzhu continued: "It goes without saying that the arrest, the main point of the investigation is that we need to know what the six doorsteps have gathered so many cruel mercenaries, and what they want to do to prevent problems before they happen Solve the problem passively!"

Chapter 2226: clever

"very good!"

Shangguanming applauded directly, he was definitely not flattering, but sincerely praised Xiao Mingzhu for his intelligence and delicacy.

Being able to derive the action intentions they discussed last night from a simple action plan proves that Xiao Mingzhu has a very clear view of the situation, so that he can break it down in one word and smoothly reason about a complete action plan.

Just inferring from this, Xiao Mingzhu's IQ is amazing enough!

"It seems that I am a fool?"

Xia Feiyao glanced at her husband and saw that there was still a spring breeze-like smile on his face, the husband should have thought of this a long time ago.

"Brother Ming praised."

Xiao Mingzhu didn't have much joy unexpectedly. After all, there was a nasty guy lying on a chair with a grinning face, and couldn't bear to praise her at all!

"Hey, Li Yun!" For some reason, Xiao Mingzhu became more and more unceremonious when getting along with him. From being respectful and respectful before to directly calling "Hey", the attitude change is evident.

"what happened?"

"Do you have any suggestions for my statement?" Xiao Mingzhu asked angrily.

"Ding, trigger the option event, please choose from the host:

Option 1: Compliment her, reward Xiao Mingzhu with a degree of -5, and a white gift bag*3.

Option 2: Taunt her with reason and evidence, reward Xiao Mingzhu's favorability degree +12, blue gift bag*3.

Choice 3: None of the above, reward Xiao Mingzhu's favorability degree +10, green gift bag *3. "

Li Yun's face is weird, how can praise her but reduce his favorability? However, if you choose 2 and 3, add 10 points at a time to make Xiao Mingzhu's favorability directly reach 85+, which is equivalent to an ordinary couple relationship.

If you don't consider other factors, Li Yun confessed directly, it is very likely that he will be favored by this bright and cheerful peerless girl.

"What do you want to say!" Xiao Mingzhu's face was reddened by him, and then asked after a little bit of anger, "Do you have any suggestions?"

"Suggestion? No."

Li Yun shook his head solemnly, "Brother Ming has already stated the general plan of action, and there is no problem in his thoughts. The key is how to implement it." With a smile, Li Yun continued: "Just now Mingzhu, you have already said the first step. It's a rough idea. Now we can talk about the specific implementation methods in detail. After we have reached the conclusion, we will pass it back to the capital for analysis by those professionals."

Xiao Mingzhu's face was weird. Although this guy recognized him, she always felt that something was wrong.

"A detailed method?" Xiao Mingzhu thought for a while, "you can start with the tour group to persuade, in addition, contact their work unit and let their leaders do the persuasion work, it is better than we talk about it ourselves!"

Many people travel abroad as a group. In addition, calling people back in the name of work is more convenient and quicker than many methods.

"Smart." Li Yun smiled approvingly. This compliment made Xiao Mingzhu regain his confidence, with a smile that dumped all living beings at the corner of his mouth, and began to talk about the evacuation method he thought of.

I have to say that Xiao Mingzhu's IQ is higher than Li Yun and Shangguanming had imagined. She is not the kind of super-high IQ who can quickly memorize words and solve math problems, but is agile, able to draw inferences about other things, and solve them easily. The actual problem, the person in charge of the situation, the one who gives orders!

Xiao Mingzhu's academic performance may be worse than the super young genius Shan Xiaoxiao, but he is not bad in handling matters.

Chapter 2227: Ding, likability 88

Among the people Li Yun knows, perhaps only Hu Xiaomeng and Gong Qingyu's talents can compare with her. However, Hu Xiaomeng is strange and strange, Gong Qingyu is a dead house girl who is lazy and does not want to move, but Xiao Mingzhu is different. She is talented and willing to work hard, and her future achievements are limitless.

"Look at what I'm doing?" Xiao Mingzhu was inexplicably impulsive, and joked: "Could it be that I was stunned by my beauty?"

After saying this, her beautiful face appeared blush, and her eyes were a little flustered, but at this time, the more flustered, the more suspicious. Xiao Mingzhu forcibly endured the strangeness in her heart and kept joking on her face. Similar look.

"of course."

Li Yun said solemnly: "Brother Ming is attracted by Miss Xiao, your jewel of the sea, of course I am no exception!"

"puff!"

Shangguanming squirted out a drink, looked at him in horror, and then glanced at Xiao Mingzhu in a panic.

Then, Li Yun's waist was pinched by Xia Feiyao-his little daughter-in-law was jealous.

".....Hahaha."

Xiao Mingzhu was stunned for a moment, and then concealed her panic by drinking a drink. The slight red glow on her face actually made Shangguan Ming not know whether she blushed because of herself or because of... Li Yun?

"Ding, the host makes a choice, none of the above, rewards Xiao Mingzhu's favorability degree +10, green gift bag*3, extra reward: Xiao Mingzhu's favorability degree +3."

Li Yun couldn't help but glanced at her, his favorability was already...88.

"I've made a joke too." Xiao Mingzhu was educated as an independent girl since she was a child. She quickly calmed down and continued to look at Li Yun with her iconic bright smile, then glanced at Shang Guanming and asked. Said: "What do you think of my suggestion?"

"very good!"

Shangguanming continued to use his iconic flattering words, and exclaimed: "Mingzhu, you are very thoughtful, you are much more perfect than me, a crude person. I will immediately organize what you just said into a report and send it to your uncle. Let him have a look!"

Xiao Mingzhu was noncommittal, looking at Li Yun with bright eyes, waiting for his opinion.

"Me? I have nothing to add."

Li Yun smiled, "But there is one thing that needs to be added."

"Which point?"

Xiao Mingzhu immediately asked. In fact, the suggestion just now was not made up temporarily by her, but a conclusion she reached after a day of comprehensive consideration. Even without Shangguanming's guidance, she could come to roughly the same action plan!

"Six doors of strange and mysterious spells."

The atmosphere suddenly quieted down.

After a while, Xiao Mingzhu leaned back on the chair like a discouraged, a pair of graceful slender legs overlapped, and unconsciously tapped the armrest with her slender fingers, "Spell...Here, only Li Yun can solve it. , And only you can make comments!"

She couldn't help being discouraged. Li Yun was the only expert in this field. No matter how genius she was, she couldn't understand what the world of immortality was completely unfamiliar.

Everyone looked at him, but Li Yun shrugged, "I don't know much about spells."

"Ah!" Xia Feiyao was disappointed.

"But I can ask for off-site support."

Li Yun smiled and took out her mobile phone and called directly to Fan Qingsheng. He didn't say who it was, but Xiao Mingzhu could tell at a glance. Moreover, she straightened up straight, seemingly afraid of offending the saint with a loose attitude. The same as adults.

Shangguan Ming looked a little surprised, and there were very few people who could make Xiao Mingzhu so respectful.

Chapter 2228: Backed up

"What did Master Saint said?"

When Li Yun hung up, Xiao Mingzhu immediately asked, which surprised Shangguanming again. The person Li Yun asked about was called Lord Saint?

"She said that there are three kinds of spells that may hinder our plans."

Li Yun stretched out a finger, "One, Gu Shu."

"Gu technique?! Are there those Miaojiang bugs?"

Xiao Mingzhu felt a burst of goose bumps, and Xia Feiyao was even more flustered, and she hugged Li Yun's arm tightly. The blood-colored bead that penetrated her grandfather's body last time gave her a deep impression. In her opinion, Spells are some very strange existence!

"It's more powerful than the Gu worms spread by the outside world."

Li Yun said roughly, "There is something called Son-Mother Gu, which can control the life and death of others, and can also sense the death of the parasitized person. Once we kill Yan Jingyi, if he has Son-Mother Gu, the six-door gu. People will know immediately."

Although he could use Jiedu Pill to remove Gu worms, it is not necessarily only Yan Jingyi alone who has Gu. It would be too wasteful to use Jiedu Pill directly.

"It's a sinister thing!" Xiao Mingzhu asked with a serious expression, "What about the second one?"

She is indeed very curious about spells now. After all, if she inevitably meets people from Six Doors, she still needs to know more to protect herself. Li Yun won't be by her side all the time, unless... it's her boyfriend.

"The second type is possessed by the soul. The person who controls it behind leaves a divine mind here, and can easily know the situation here."

"Thirdly, it is the projection of divine consciousness. The Saintess once used this trick to make the avatar appear directly thousands of miles away."

Li Yun said them one by one, and the three of them were dumbfounded for a long time.

"Too rascal, these immortal cultivators!" Shangguan Ming smiled bitterly, "I originally had a backup plan. We hijacked the captain, let him dock and drive the tourists off, but now it doesn't seem to work. Once we do it, it is possible. Known by the other party, but the people of the six gates are still secretly not knowing what conspiracy is brewing, and they have moved their whole body."

"...It's troublesome." Xia Feiyao murmured. She didn't know how to solve this problem at all. She couldn't think of any good way, so she could only listen to her husband~.

"Don't be so anxious, at least there is good news." Li Yun smiled.

"Oh? What's the good news?" Xiao Mingzhu's eyes lit up, "Could it be that the saint lady is willing to send out to help us?!"

"...You really guessed it!" Li Yun's expression was strange.

"Hehe, it's easy to guess."

Xiao Mingzhu grinned and said, "After all, I heard you said that the Hidden Sacred Valley and the Six Demon Gates are deadly rivals. Now that the six doors have been started, there is no reason why the Hidden Sacred Valley is still indifferent."

Shangguan Ming suddenly realized that the lady in Mingzhu's mouth is really the lady of the cultivator, and the background is really not trivial!

Li Yun sighed slightly: "Six Daomen walked in front of the Hidden Sacred Valley, allowing the saint as a back-hand, but if you want to provide early warning or find out the true conspiracy of Liu Daomen, you must rely on the power of the country!"

"Of course." Shangguan was obviously very confident. "The energy of the country is not imaginable by the two cultivators. I believe that they are not to the point of sweeping everything. They are bound to be afraid of the long guns and cannons in our hands. , Otherwise they would have attacked the capital long ago and manipulated everything in the world!"

Li Yun smiled: "They tried it last time."

"what?"

Chapter 2229: I go first

Several people were surprised to hear that Beijing was attacked.

"Let's not talk about it yet." Li Yun shook his head and looked at Shangguanming: "Next, when you move on board, it is best to get the captain's support first. The important thing is to find evidence that Yan Jingyi and others want to hijack the cruise ship. , Let the captain support you to start the next step!"

Shangguanming's eyes widened: "Why did I do it? What about you?"

Li Yun glanced at Xia Feiyao: "Of course I am on my honeymoon with my daughter-in-law, but I have a girlfriend!"

"You guy!"

Shangguan Ming wanted to say "Don't forget my sister!", but considering that he was in front of Xia Feiyao, he could only swallow the words back.

"Okay, I get it!"

"Ok, so be it, Yaoyao and I are leaving first."

Li Yun stood up, stopped drinking, and directly took Xia Feiyao's little hand and wanted to leave.

After all, today is his honeymoon with Yaoyao. His Yaoyao has just turned from a girl to a daughter. Of course, Li Yun wants to accompany her instead of chatting with them.

"Wait, you are leaving?"

"Otherwise?" Li Yun spread his hands together. "The plan is finished, and the next step is determined. Why don't you leave?"

He knows that Shangguan Ming secretly loves Xiao Mingzhu, and he also has a good impression of this bright and beautiful girl, but compared to Xia Feiyao, Xiao Mingzhu is just a better friend, and Li Yun cannot be left out in order to please Xiao Mingzhu. His Yaoyao!

"Fuck... trough!"

Shangguan Ming exploded with a foul language, and he was speechless. This kid is really anxious, no wonder the beautiful women around him are like clouds.

"Do you still need support?"

Li Yun looked very helpless, thinking for a while and saying: "I will introduce you to someone, Nelson, the famous black Satan with black technology, do you know? He is on the ship!"

"Black Satan?" Shangguanming's eyes widened. Unfortunately, he and one of the international policemen who hunted down the black Satan are friends. That friend once asked him to assist in the arrest. He didn't expect it to be so long. Didn't catch it.

After listening to what Li Yun said about Nelson, Shangguan Ming's eyes lit up: "This guy is hiding in Tibet. Why don't I bring him back to the country in the name of trial. It would be a waste to shoot him directly for his talent!"

Li Yun said indifferently, "Just go to him quietly, just say that I introduced him, and he will understand. Heh, I guess that guy would like you to take him away, but you don't want him to follow you. It's okay to go to the battlefield and engage in an invasion in the rear."

"Hey, I know." Shangguan Ming was very excited. With the assistance of a top hacker, he will be much easier on any task he encounters in the future!

Although his team also has experts in computer security technology, it is far worse than a world-famous hacker like Nelson.

"Ok, I'm leaving now."

"and many more!"

Shangguanming stopped him for the second time, and said with a smile: "Are you in that hurry? Come with me, I'll call Mingzhu's uncle."

As he said, he smiled apologetically to Xia Feiyao, dragged Li Yun to the side, leaving the two women to continue drinking.

Xia Feiyao was a little bit shy. After all, Li Yun meant to take her away just now. It was obvious that she was going to go on a close date. If she can't go now, it will naturally be a little embarrassing to stay.

"Let me see." Looking at Li Yun who was calling from a distance, Xiao Mingzhu's beautiful eyes had a faint smile, and said: "They didn't call my uncle, they called..."

"Sister Lingxian, right?"

Chapter 2230: Can i ask you questions

Xia Feiyao helped her to finish, but instead made Xiao Mingzhu a little embarrassed, she sincerely apologized and said, "I'm sorry, Miss Xia, I shouldn't have said this."

"fine."

Xia Feiyao gently shook her head, "Shangguan is clearly the brother of Lingxian Sister, he should care about his sister. After all, we are going out and traveling this time, it is indeed a bit..." nonsense.

Xia Feiyao's face turned redder when she thought that she and Sister Mu Xin had been playing with Li Yun for a day, and that she would add another golden colored glaze tomorrow.

Seeing the beautiful red glow on her face, Xiao Mingzhu faintly guessed what Xia Feiyao was yesterday, and she was vaguely different from today, with a little springiness between the corners of her eyebrows.

"That **** dude is really... messy!"

Secretly despised him, Xiao Mingzhu looked at this lovely girl with a baby face but a very good figure: "Miss Xia, uh, can I just call you Feiyao? Just call me Mingzhu, my friend. It's called that way!"

"sure."

This means that the two can become friends. Xia Feiyao naturally agreed, with a smile on her cute face: "Mingzhu, do you want to ask me about Li Yun? Ask it~"

The voice was clear and sweet, revealing the girl's cuteness, Xiao Mingzhu opened her eyes slightly, it turns out that this young girl is not an idiot, she is quite sensitive.

"Um, did I ask?" Xiao Mingzhu does have a question that I really want to ask!

"Well, ask."

"That... I really asked? Don't mind, it's okay if you don't want to answer, I'm just simply curious!"

Xiao Mingzhu's beautiful face was a little embarrassed, which made Xia Feiyao cover her mouth and smile. This sunny girl before was also shy.

"It's okay, ask Mingzhu."

"Okay... Then I'll ask!"

Xiao Mingzhu took a deep breath, and when he was ready, he glanced at Li Yun who was calling Shangguan Lingxian, and then whispered, "How did you... meet Li Yun?"

that's it?

Xia Feiyao blinked, "It was my husband who saved me. At that time, I, um..."

She was a little embarrassed to talk about the events at the time, leaving Xiao Mingzhu dumbfounded, but simply showing an ugly attitude in front of Li Yun, Xia Feiyao decided to marry him?

Therefore, girls from the Jianghu school have the concept of three observances and four virtues very important!

Xiao Mingzhu felt that he asked the wrong person? You should ask Su Muxin directly.

But Su Muxin was so desperate towards Li Yun, like an avid fan, asking her could not get any answer.

"Mingzhu, do you think my decision was too reckless?" Xia Feiyao stuck out her tongue and said embarrassedly.

"is a little!"

Xiao Mingzhu immediately replied, seizing this opportunity to ask her again: "Fiyao, don't you think that sharing a man with several girls would be very...painful?"

good!

This is what Xiao Mingzhu really wants to ask! !

In terms of her education and outlook on life and values, monogamy, loving couples, and closeness should be the most correct relationship between husband and wife.

However, after knowing Li Yun and knowing how good a girl he was with him, Xiao Mingzhu's whole body is not good!

It is not that she has never heard of the mess of rich people. For example, she knew that a rich woman whose husband had died, raised four or five handsome young men, and left the company to professional managers. Those "little milk dogs" flew around the world to play.
