

## Godly Choice 2231

Chapter 2231: Gains and losses

However, in Xiao Mingzhu's opinion, those little milk dogs are boneless, greedy for money, and tend to be inferior. Raising more is just like raising puppies for fun, and it's not worth mentioning.

The girls around Li Yun are different. Each of them is very good, and they are also from rich families, with their own way of thinking and independent personality.

For example, Su Muxin, the daughter of the richest man in the country, how could she agree that there are so many girls around her boyfriend, and she actually went abroad on a cruise together...

Ok, not to mention Su Muxin, just as if she had a brain problem, she said that Xiao Mingzhu knew someone: Gong Qingyu!

Miss Gong Family, an absolute genius girl, rebellious and left her family to come to Zhonghai City to study. For two years, she has been arrogant and alone. She dared to paint on campus with her drawing board behind her back and ignored the surprise gaze of the people around her.

Good-looking, noble birth, arrogant personality, rebellious.

Such a girl actually followed Li Yun? !

Ok, even if you don't talk about Gong Qingyu, you will treat her as a weird character and only serve people who are better than herself.

But what about Gong Lianyi? This is an absolute celebrity lady, she actually followed Li Yun...

These are all things Xiao Mingzhu can't figure out at all!

"Uh, it's okay if you don't want to answer."

Seeing Xia Feiyao sinking into thinking, Xiao Mingzhu quickly said, after all, these are quite secret things, and it is natural that they don't want to tell outsiders.

"It's not that I don't want to answer, but... how do I say it."

Xia Feiyao lowered her head and thought for a while, then tilted her head to look at Xiao Mingzhu: "I think, if there is gain, there must be loss, right?"

"Gains and losses?"

"Yeah~"

Xia Feiyao quickly sorted out her thoughts and said: "Ordinary couples may be able to sing and sing along with each other. If they form a family, they may have a very happy life. They will have children and watch their children grow up. It will be sweet and worried. Life, right?"

Xiao Mingzhu nodded, "It may also be unhappy, quarreling because of the parents' shortcomings, arguing, or even changing hearts, divorcing, etc."

"Hehe~" Xia Feiyao smirked, covering her mouth, "I won't talk about these bad things, just say the good ones. Ordinary people can live happily, do you agree with Mingzhu?"

"certainly!"

"So, this is the 'lost' side."

Xiao Mingzhu nodded again, meaning that with Li Yun, Xia Feiyao would not be able to enjoy what an ordinary couple would experience. Although she also reborn children, it is never possible for Li Yun to stay with her for the rest of her life. Be a double for a lifetime.

"But I can get it too~"

Xia Feiyao said seriously: "Following my husband, I can spend my whole life not worrying about money and clothes. My husband is strong and can allow our sisters to live a good life; I don't have to worry about my husband's change of heart. I trust him very, very much, and don't worry. For my family's health problems, my husband has a very powerful pill that can keep my family healthy for the rest of their lives."

Xiao Mingzhu did not speak, but carefully considered her words.

There is no doubt about Li Yun's ability to make money. Even if Baiyun Technology goes bankrupt, he can quickly have a lot of wealth. Although her Xiao family will never spend money in a lifetime, there is also a small probability of bankruptcy.

Only Li Yun, who is extremely powerful, can guarantee that he will have no worries about food and clothing for a lifetime!

Chapter 2232: It is so

In addition, Li Yun will never change his mind. After all, aside from other people's qualities, he can no longer have the mind to hook up other women with so many beauties around him.

Family health issues are indeed a very big advantage. Xiao Mingzhu asked herself that if her parents were seriously ill, she might also pray to Li Yun for her parents and sacrifice her body at all. The premise of this decision was that she was right. Li Yun does have some good feelings.

"Also."

Xia Feiyao shook a white finger and said with a smile: "The husband is open-minded and has a super good personality. He said that we can do whatever we want without having to be with her all the time.

For example, Sister Lingxian will become a doctor in the future and open a hospital, and her husband will also help her with money.

Sister Qingyu is lazy and hides at home all day to draw and watch anime. Her husband also allows her to do so, and she will also conceive a manga for her to draw.

In addition, sister Xiao Liuli will serve as the pavilion master of the Jinsheng Pavilion in the future, and her husband will fully support her and make her a good pavilion master. There is no need for Xiao Liuli to become a housewife who is a husband and a child, hehe~"

Xia Feiyao chuckled, because she couldn't imagine how lively and lovely a girl like Jin Liuli would be when she became the pavilion master, how might she become so majestic?

Xiao Mingzhu also smiled at the overly lively Jin Liuli.

"In that case, Feiyao, your husband is kind of...care about your opinions." Xiao Mingzhu finally used "care" instead of "respect".

"Of course~" Xia Feiyao blurted out: "When Xiao Liuli was still awkward, her husband specially opened a room for her...erh."

She suddenly realized that this is a very private matter.

Xiao Mingzhu widened her eyes and said quietly, "You and Mu Xin... live with Li Yun?"

Xia Feiyao blushed and lowered her head, shook her head, and replied in a low voice: "Wait, wait for the day to come, now we take turns to accompany her husband, wait, wait, we will be together..."

She was too embarrassed to speak, but Xiao Mingzhu had already fully understood and fully understood her underlying meaning! !

"Unexpectedly, this is actually the case..."

When Xiao Mingzhu saw Li Yun and three confidantes visiting, he was actually mentally prepared, but from the person who knew it, it was completely two things that he had guessed!

From Xia Feiyao's mouth, telling what she and Li Yun will do in the past two days and in the future, hearing in Xiao Mingzhu's ears is no less than a bomb exploding in her ears, shocking her whole person. .

"Mingzhu, don't say it out~" Xia Feiyao blushed so much that water dripped. "It's, in fact, in the morning, I and I were with my husband... Well, in any case, you are not allowed to speak out, Mingzhu!"

".....clear!"

Xiao Mingzhu agreed with a smile, Xia Feiyao was still a little worried, and said: "I, I see Mingzhu, you also like your husband, that's why..."

"What! Impossible!"

Xiao Mingzhu stood up in fright, making Li Yun and Shangguanming in the distance look at her in surprise, and some of the shoppers attracted by her beauty also looked over.

Xiao Mingzhu hurriedly sat down again, her exquisite and perfect face was full of sunrise, and he said: "Anyway, it's impossible, Feiyao, don't talk nonsense, how could I like..."

Xia Feiyao snickered and said, "Yes, yes, you know, you don't like Mingzhu, you just have a good opinion, right?"

"..."

Can you not answer this question?

Chapter 2233: Xiao Mingzhu's problem

Xiao Mingzhu took a deep breath and said calmly: "You are right, I do have a good impression of him."

"what?"

Xia Feiyao was surprised that Mingzhu actually admitted.

Originally, because of Xiao Mingzhu's initiative to ask, and Xia Feiyao saw that she was really good-looking, since she was also interesting to her husband, she simply pushed the boat along.

Didn't expect Xiao Mingzhu to admit it?

"But." Xiao Mingzhu smiled again: "I think I'm just because of Li Yun's extraordinary ability. Maybe I will forget it after a while. Xiao Mingzhu is not someone who will fall so easily."

"Is the counterexample?" Xia Feiyao pointed to herself.

"Hehe, no, I also envy Feiyao that you can fall in love at first sight."

The two women looked at each other and smiled. The atmosphere seemed much more harmonious than before. Xiao Mingzhu took the initiative to pull the chair and leaned over, and asked in a low voice: "Feiyao, aren't you jealous? To be honest, I can hardly imagine how many of you. Girls together... what it's like to travel."

Travel is not the point, the point is to play together.

Xia Feiyao's face blushed, her voice with some shy trills: "No, nothing. At noon, Sister Mu Xin spent time with her husband in front of me. Although she is a bit shy, Sister Mu Xin has a very close relationship with me. Okay, these are nothing."

Xiao Mingzhu's eyes widened in disbelief, is that true? Are they shy when the three are together? Or is Li Yun...excellent?

"As for being jealous."

Xia Feiyao tilted her head for a moment, and resolutely said, "No, the girls around her husband are all very good people. Sister Mu Xin, Sister Liuli, Sister Lingxian, Sister Qingyu, etc. They are very nice people. Although we all get jealous, we get along very happily."

"Mean...you sisters live together in harmony?" Xiao Mingzhu felt a little heartbeat speeding up inexplicably, and vaguely sensed her own intentions: she didn't dislike this kind of life.

"Well, how do you say it."

Xia Feiyao bit her lip, "We all have our own lives. We occasionally get together. In the future... Maybe I will live with my husband, or I may go to Jinsheng Pavilion to see Xiao Liuli, or go back to Qinglei Valley, or go. Look at sister Lingxian and so on, it doesn't have to be together all the time, right?"

Xiao Mingzhu couldn't answer. Her parents had only one daughter. In the future, she would definitely not marry away, otherwise she would be too sorry for her parents and might even hire a son-in-law.

Xia Feiyao added: "Also, my husband bought a house in Zhonghai City. He said that he left me a room exclusively for me on the third floor, so I can live in at any time."

Speaking of this, Xia Feiyao's lovely face turned red.

Of course she knew exactly what it meant to live in the past.

"Is the townhouse No. 36 in Huangtingshan?" Xiao Mingzhu smiled slightly. "It's really big. It's not a problem to live with dozens of girls. Hehe, Feiyao, do you know how many girls that guy has? "

"It seems... more than ten?"

Xia Feiyao stuck out her tongue, "But the husband said, he will never provoke other girls in the future, so if you want to, Mingzhu, you have to seize the opportunity, hehehe~"

"Hate, I said I didn't like him!!" Xiao Mingzhu's face blushed. No wonder that dandy didn't mean anything to please her. Doesn't he want to provoke girls?

"Really? Husband is super nice~"

"I don't like it so much!"

Li Yun couldn't help but glanced back at the two women, took a picture of Xia Feiyao and Xiao Mingzhu, and then sent it to Shangguan Lingxian—this was her request.

Shangguanming pulled him here, and immediately asked him to take out his phone and call his sister.

Li Yun had no choice but to follow suit. In fact, he had a chat with Lingxian yesterday.

"Li Yun, you...send me some pictures of the boat!" Shangguan Lingxian demanded, she wanted to see what Li Yun's trip was like.

Besides, she also wants to visit famous mountains and historic sites with him next time...

Chapter 2234: In front of Uncle Brother

"Well, well, I forgive you~"

Shangguan Lingxian was quickly coaxed to laugh, and her voice was so gentle that her brother got goosebumps. Shangguan knew that his sister was a fairy doctor, and she always looked like a gentle and elegant doctor fairy, but this kind of softness went to the bone. Shangguan Ming couldn't imagine the tone of sweet interaction with his lover!

Until now, Li Yun turned on the speakerphone and personally chatted with Shangguan Lingxian in front of him, that Shangguanming was fortunate enough to see the appearance of his sister Qingdouchukai.

"But I can't forgive myself, Lingxian, I miss you so much!"

Li Yun glanced at Shangguanming, as if saying, look, this is the real trick to coax people, if you can learn half of it, finding a girlfriend will be easy in the future!

"I, I miss you too~" Shangguan Lingxian flushed, and said softly, without knowing that his brother was listening next to his lover.

Shangguan Ming was almost crying when he heard it, and sure enough, his sister had completely fallen!

"This, it's not that I don't want to go this time." Everyone in the rivers and lakes praised the gentle and kind spiritual doctor fairy, but now he talks to Li Yun in a coquettish voice, with a rather helpless voice: "My parents have been If you want to find me a fiance, you won't listen to anything, but don't worry, I'll refuse them all. No matter how good the person they find, I will not agree.

The voice was flat, but with unquestionable firmness.

Shangguan Ming was very scared. My sister from my home also wanted to travel abroad with this guy? Almost agreed?

"Lingxian, I'm sorry." This time Li Yun did not show off, but sincerely said, "I will find you, please believe that I will definitely get your parents' approval!"

"Well, wait, wait for a while."

Shangguan Lingxian secretly said: "I recently said that I was in retreat and was cultivating in the herbal garden inside my home. My parents knew that I was going to break through the late congenital stage, and they didn't dare to disturb me more, hehe~"

Shangguanming: "..."

He was completely speechless. In his cognition, his sister was obviously a very well-behaved and kind-hearted girl. How could she lie when she got along with Li Yun for a while?

Li Yun smiled, thinking that the rivers and lakes have not been peaceful recently, and urged her to pay attention.

"Don't worry!" Fairy Lingyi said softly, "I have the beads you gave Li Yun, plus the strength of the Shangguan family, enough to protect myself... right?"

It has indeed been turbulent recently. Many people have been restless because of the six masters of the elixir, especially after the Song and Yuan Dynasties, those who have no hope of breaking through the innate, are looking for the same opportunity everywhere, even reaching the point of madness!

"Okay. If you feel any danger, tell me, I will fly to see you immediately!"

"Yeah~"

"Come on, my good spirit will kiss one."

"Huh? What? How to kiss?"

"It's... kiss like this~"

"No, no, so ashamed, wait, wait for the next meeting, right?"

"This time is this time, next time is the next time. Come on, open your mouth and let my husband kiss me~"

"Hmm~"

Shangguanming: "..."

I beg you to hang up the phone, listen again, his eldest brother is about to explode!

It turns out that his sister has kissed Li Yun so many times!

After hanging up the phone contentedly, Li Yun turned his head to see his elder brother's languid expression like a creamy eggplant.

"What's wrong? What's wrong with you, brother?"

"...It's nothing, I just want to chop you down!"

Chapter 2235: I will be jealous too

Li Yun can understand that his sister, elder sister, and daughter will feel this way when they are married.

"Forget it!" Shangguanming patted him weakly on the shoulder: "Find a time for you to go to my house, and then I will go back to help you speak. I believe that with your strength, it is not a problem to convince Shangguanjia. In the future... You must be nice to my sister."

He gritted his teeth and said: "Just like those sweet talks just now, make my sister so happy!"

Shangguan Ming could hear that when his sister talked with Li Yun, the happiness and sweetness that overflowed could not be faked. If Li Yun could spoil her like this in the second half of her life, his sister would definitely be able to live a very happy future. !

"must!"

Li Yun solemnly made a man's promise to make his woman live happily, which is the responsibility of every man!

Shangguan Ming gave him a deep look, then turned and walked back.

"Let's go, the next thing to solve is the problem on the cruise, don't think about other things!"

Li Yun smiled, returned to Xia Feiyao, and looked at the two women strangely. They always felt that their relationship suddenly became very good. What did they talk about?

"Then I will leave first."

Xiao Mingzhu stood up and blinked at Xia Feiyao with a smile, as if the two had agreed on a secret, and Li Yun was inexplicable.

Shangguan couldn't help looking at Xiao Mingzhu's leaving. After she disappeared, he looked back in a daze, bid farewell to Li Yun, and left.

"Uh."

Xia Feiyao whispered: "Husband, sister Lingxian's brother is secretly in love with Pearl."

"I can see it."

"Husband, you..."

"what happened?"

"No, nothing."

Xia Feiyao decided not to talk about it. Xiao Mingzhu was so good, if she really contributed to the relationship between the two, she would be a little jealous~.

Poor Shangguan Ming is destined to be a crush.

...

Now that the two of them have left, Li Yun and Xia Feiyao stayed, sunbathing leisurely all afternoon, and drank three drinks.

At 6:30 in the evening, Su Muxin and Jin Liuli appeared together. In Xiao Liuli's resentful eyes, the four of them had dinner. Later, Li Yun took Xia Feiyao to the small cinema on the cruise ship to watch a love|movie .

During the period, when the male and female protagonists were exchanging feelings, the two also kissed each other. A movie totaled ten times, each for five minutes, causing Xia Feiyao to complain that she didn't even have to watch the plot. But there was a smile of contentment and joy on her little face.

When the movie ended, it was already ten o'clock in the evening. Originally, Xia Feiyao planned to go to the deck to watch the stars and the moon together, but when no one was around, the two became close again.

As a result, less than five minutes after seeing the stars, Li Yun's restless heart couldn't bear it, put his arms around her small waist, and brought Xia Feiyao back to the room in a nearly hug manner.

Wind and cloud will meet, the fire ignited a prairie fire, and after the thunder, torrential rain poured down.

The next morning, Xia Feiyao took the initiative to knock on the door of Jin Liuli and Su Muxin.

"what?"

Su Muxin was very surprised. She stared at Xia Feiyao, who was exhausted with a happy and contented expression. After thinking about it, she suddenly realized: "Feiyao, you haven't slept all night?"

Jin Liuli's eyes widened in fright, one! Piece! Night! superior! ?

That big villain is too capable of messing around!

Chapter 2236: It's your turn, Jin Liuli

"Uh-huh."

Xia Feiyao was shy and uneasy, and whispered: "I, I'm afraid I won't get up in the morning, so I let Xiao Liuli go with him early, Xiao Liuli, you, you go, he is waiting for you."

"I, I, I won't go!" Jin Liuli, who was wearing only a cute plush pajamas, stammered: "That guy didn't sleep last night. He must sleep well this morning, Fei, Feiyao, you continue. Stay with him, I won't go!"

Xia Feiyao shook her head and said shyly: "It's okay, Xiao Liuli, you can stay with your husband until noon tomorrow, go."

From having dinner together yesterday, she could see that Jin Liuli had been looking forward to her turn.

"I'm not going!"

Jin Liuli shrank on the sofa and hugged a pillow tightly. Her petite body was extremely stiff, and she said with a bulging mouth: "That big pervert, I won't play with him all day, hum, hum! The big bad guy, he didn't do it all night It's too, too ridiculous to give people a rest!"

Su Muxin and Xia Feiyao looked at each other, and they walked into the room at the same time, while one grabbed Jin Liuli's arm.

"Wow, you guys, what do you want to do!? Let go, let me go~~"

Jin Liuli kicked her little feet indiscriminately, screamed that she was grabbed by the two women and threw them into the next room, and closed the door heavily.

"Hehehe, Xiao Liuli, just stay in it with confidence!"

Su Muxin grabbed the doorknob with a grin, and then released it after ten seconds. The Jin Liuli inside seemed to no longer think of it, and there was no sound in the room.

Xia Feiyao looked at her and smiled. It is foreseeable that in the next day and a half, Jin Liuli will experience what they have experienced before.

"Okay Feiyao, go to bed, I'm playing on my phone on the balcony, and I won't disturb you."

"Well, I will go to the boat with Sister Mu Xin again in the afternoon."

"Hehe, good~"

The thief Su Muxin smiled and leaned to her ear, "Also, sister Muxin, I also want to know the details of Feiyao's playing with Li Yun brother. In the afternoon, you will tell me, okay?"

"This, this!" Xia Feiyao blushed, this kind of thing... do you want to tell others?

"Okay? Good Feiyao, good Feiyao~" Su Muxin shook her arm coquettishly, and said excitedly:

"Anyway, we will be with Brother Li Yun together in one day, it's okay, let's talk about it. Didn't I tell you what happened between Brother Li Yun and I? You have to say too~"

"Woo, Sister Mu Xin turned out that you had planned for a long time!"

"Hee hee, that's the deal, la la la, go take a rest, see you are about to yawn, go go, I will guard you by the side!"

".....okay."

Xia Feiyao reluctantly agreed, just as Su Muxin said, tomorrow night, they will accompany Li Yun together, and there is nothing to hide from each other.

After all, the three are sisters.

...

"..."

Jin Liuli entered the room, and Li Yun looked at her amusedly. The little girl wrapped her hands in front of Hungarian. She looked vigilant like Little Red Riding Hood in the wolf's den. Spikes all over her body. Near attitude.

"Big pervert!!!"

Jin Liuli suddenly cursed and turned around to escape. Li Yun laughed and walked towards her unhurriedly.

"You, you, you, you, you, you!"

Jin Liuli was scared and stepped back step by step, until her back leaned against the door, she couldn't retreat to the extreme, she shivered and blocked her front with her small hand, her small face was full of blush.

Chapter 2237: Date again

Li Yun propped her left hand on top of Jin Liuli's head, and her right hand raised her smooth and smooth chin, which forced the little wild cat to look up at him.

The posture of the two is exactly the same as the legendary "Bidong".

Jin Liuli's petite body was completely shrouded by Li Yun, shivering with fright, and her small face was full of shyness and anxiety.

"Little Liuli, do you know what's going to happen today?" Li Yun became amused, and deliberately played around with this arrogant little wild cat slowly.

"I don't know...what are you doing? No, don't hug me!"

Jin Liuli stammered her refusal, and then Li Yun hugged her.

Being hugged by Li Yun who was full of man's scent, Jin Liuli screamed loudly in fright, kicking with little hands and feet, and slapped the big villain's face with little hands.

"Let go of me, let me go, bastard, let me go!"

"Don't let go!"

"You, you, you are not allowed to kiss me!"

Well, very good suggestion, Li Yun kissed her directly.

Jin Liuli's body weakened for the most part, her little hand pushed away hard, and stammered: "No, you are not allowed to untie me, mine..."

Li Yun laughed loudly: "Xiao Liuli, are you guiding me to do things? Really good."

Jin Liuli flushed, her big eyes filled with tears, she looked like she would cry for you at any time.

"Okay."

Li Yun comfortably stopped, comforted her softly, then kissed her gently in front of her eyes, hugged her around her waist and walked to the balcony, "We can do nothing today, just go on a cruise, don't Xiao Liuli want to Stay with me?"

"Just, I don't want to!"

Jin Liuli bulged, and bit Li Yun's shoulder with his teeth like angrily, in order to vent the shame of being teased just now.

Of course, the force is very light.

Li Yun held her cute little face amusedly, and the two of them looked at each other, their noses almost touched each other, and the breath blended with each other.

"Hey."

Until the little wild cat closed her eyes shyly, Li Yun gently kissed her, like a petal slowly falling in the morning sun, delicate and beautiful.

for a long time.

Jin Liuli was forced to push him away, panting and staring at each other for a moment. The little wild cat turned into a domestic cat, Jin Liuli's flushed cheeks pressed against Li Yun's chest, and he watched the sunrise quietly.

"Wait, wait for the evening."

Jin Liuli in her arms suddenly said a word, leaving Li Yun in a daze for a long time.

The meaning of this sentence is...

"Xiao Liuli, did you agree?!" Li Yun was very surprised!

"Just, no!"

Jin Liuli's small face flushed, her eyes turned into mosquito-repellent coiled eyes, "You, you, you have to behave well, I will... promise, otherwise you will never be allowed to mess around!"

Li Yun suffocated a smile. This little girl had clearly agreed to the next thing by 120,000 points, but she was still too shy to agree directly and had to make a detour before giving it to him.

"Good, good." Li Yun stroked her hot cheeks, and said pettingly: "What do you want to do in the morning? In the afternoon? Do you want to go to the amusement park together? Or, go swimming?"

"It's not swimming!" Jin Liuli blurted out, her face flushed again, and muttered: "I don't like wearing a shameless swimsuit in front of others. I don't want to swim anyway!"

"Well, it's up to you. When we get to Haowei Island, we will find a private beach to swim."

"Huh? Is there anything for a private beach?"

"Of course, there will be, and you can rent it for a little bit of money."

"Hehe, okay, I will go diving by then~! Go to the bottom of the sea for a stroll, hehehe~"

Chapter 2238: Not next time

Jin Liuli began to look forward to the cruise ship landing on Haoweiyi Island in ten days, but soon her face collapsed again, her eyes full of resentment: "No, this cruise ship was hijacked, we may not be able to go to Haoweiyi yet. Well, only next time."

"next time?"

"No, no next time!" Jin Liuli stood up proudly again.

Li Yun chuckled and hugged her again and became intimate.

This time Jin Liuli almost didn't refuse, letting the two exchange emotions softly.

"In the morning, where does Xiao Liuli want to go?"

"Big villain, don't you sleep?"

The little wild cat lay on his chest and said docilely and docilely: "You, go to bed, I will accompany you by the side... Well, if you don't accompany me in the afternoon, it will be fun, at night, at night... I will never accompany you at night. !"

She mustered up her courage to finally say this sentence.

Li Yun didn't take the opportunity to tease her, lest the house cat become a wild cat again, and chuckled softly: "In order to accompany my little Liuli, it's okay if I don't sleep for a day, let's say, where are we going to play?"

"no!"

Jin Liuli squeezed his face, and said angrily: "What are you brave about? Last night you were so tired...you gave me sleep in the morning anyway!"

".....Ok."

Li Yun was forced to agree, put her on a chair, and walked into the house by himself.

Jin Liuli was taken aback, he just left?

As a result, Li Yun took a couch out and put it on the balcony.

Then, hugging her, covering a thin blanket, said goodnight, and then fell asleep peacefully.

"What good night, it's morning now!"

Jin Liuli laughed aloud, but worried that it might affect this guy's sleep, so she quickly covered her mouth.

"Really, I'm so tired and still behave. Were you so tired with Feiyao last night? Anyway, you have to accompany me until noon tomorrow, not worse than this morning."

Jin Liuli grumbled, turned her back to Li Yun, shrank into his daze and looked at the sky in a daze, the hotness on her face slowly disappeared, and her heart became quiet.

That's not bad, is it?

Anyway... before she came, she was ready to be eaten by this big bad wolf. Today, let him play with herself for a day, and then later...

"So shameful."

Jin Liuli's face blushed, and she covered her face with a thin blanket and dared not show it.

After a long time, she stuck her head out, turned around cautiously, and nestled in Li Yun's arms, staring blankly at his sleeping face.

The more I look at it, the more handsome, charming, personable, outstanding, sunny, and reassuring...

In short, the whole arena cannot find a handsomer man than the fiance!

After watching idiotically for a while, Jin Liuli carefully raised his head, and lightly stamped his own mark on his lips before continuing to nest in contentment.

Gradually, she fell asleep too.

...

Before eleven o'clock, Li Yun woke up, his current strength has surpassed the congenital realm to perfection, not worse than the grandmaster realm, there are countless pill auras on his body, and his energy is very vigorous.

The fifteen days of continuous fighting that I said before is not just talking.

"Heh, is this girl asleep too?"

Li Yun cried and hugged the sleeping girl in his arms, could it be that she was so excited that she couldn't sleep last night? Looking forward to today?

Not to mention, the sleeping Jin Liuli was incredibly docile, her mouth opened slightly, her saliva flowed out, and a smile hung on the corners of her mouth, just as she dreamed of eating a sweet cake.

"Well, mother, Li'er wants, wants to drink..."

"Mom, Li'er doesn't want to leave her mother, ooh, she wants to stay with her mother.

"Big pervert, don't \*\*\*\* me away, if you want or want to \*\*\*\* it, \*\*\*\* my mother together..."

Chapter 2239: Let you decide

Li Yun looked weird. It turned out that Xiao Liuli had never grown up, and he hadn't left the children beside his parents. No wonder he was so scared.

Also, drink milk?

"Oh, what a fool."

Li Yun caressed her soft and tender face with distress, and began to hesitate whether to play with her at night, but Jin Liuli is not a modern woman, she is closer to an ancient girl.

In ancient times, it was possible to get married in the year of Chin, and presumably her mother and grandmother were also required by the ancient etiquette of the year of Chin, so she agreed that Jin Liuli would travel with him.

"Forget it, let's see your decision, Xiao Liuli!"

Li Yun kissed her red cheek, just in time, Jin Liuli slowly opened his eyes, and the two of them faced each other.

"Pervert!"

"..."

Li Yun hugged this girl viciously and let her know what a real big bad wolf is!

"Hee hee, oh oh, don't you bad guys~"

The two of them went out of the room hand in hand until twelve o'clock and knocked on the door next door.

"Come on~"

Su Muxin bounced to open the door, and as soon as the door opened, she kept staring at Jin Liuli, seeing the little wild cat blushing and barely squeezing out a smile.

"Tsk tusk, don't you start until the afternoon?"

Su Muxin whispered, making Jin Liuli's face even redder, and glared at her with a bulging mouth: "Sister Little Chili!!!"

"Hahaha, don't be shy, sister Liuli, don't worry, I'm very comfortable and happy~"

"I don't want to talk to the villain Little Chili, I'll go to Feiyao!"

As a result, after entering the door, Xia Feiyao stared at him again, and the little wild cat, Jin Liuli, was molested. His cheeks flushed.

The four of them separated after the meal. Li Yun took Jin Liuli on the cruise as a matter of course. During the period, he didn't know how many fun things he played, such as the game hall, the slide, the small haunted house, the rocking horse and so on.

It's a pity that the cruise hasn't reached the high seas, otherwise Jin Liuli, the little chivalrous woman, would definitely go to the casino for a round - the ancient chivalrous women would go to the casino to fight injustice. This is an iron law.

After eating in the afternoon, Su Muxin once again found that Xiao Liuli did not have any abnormalities, that she did not twitch when she walked, and there was no springiness at the corners of her eyebrows, so she knew that she was still a virgin.

"Couldn't the four be together tomorrow? Brother Li Yun, come on~"

After secretly cheering up for Li Yun, Su Muxin took Xia Feiyao and ran away after eating. The two said that they would go to the theater to listen to the cello.

After they left, the atmosphere became quiet.

"Xiao Liuli, you want..."

"no!"

Before Li Yun finished a word, Jin Liuli shook his head vigorously, blushing, and said, "At least, you have to wait until the evening before..."

In an instant, more than a dozen eyes looked over.

This lively and cute girl with short hair blushed and said such words, which made people wonder if the man next to her was a perverted monster!

"Ahem, okay, brother will continue to play with you, but in the evening, remember to go back to do your homework!"

After Li Yun deliberately said this sentence to dispel everyone's suspicion, he hurriedly took Jin Liuli away.

"Hehe, pervert~"

Jin Liuli smiled with a blushing face. After seeing no one around, she glared at him and whispered: "It's going to be night anyway...you are not allowed to mess around, you know?"

"In other words, it's all right at night?"

Li Yun teased her. Unexpectedly, this arrogant little wild cat shyly lowered his head to pinch the corner of his clothes, and nodded slightly after a long while.

"Little Liuli..."

Li Yun's heart was moved. After a day's company, the girl's heart was finally melted by him. Without mentioning those dirty things, just the shy Jin Liuli in front of him was enough to make Li Yun a kind of embracing her in his arms. Impulse.

"Li Yun! Just right, I was looking for you!"

Chapter 2240: Captain Dog

Shangguan Ming came from a distance, and Li Yun was so angry that he rolled his eyes and wanted to hit someone. This guy will come sooner or later, but he will come at this time!

Jin Liuli giggled instead, and pushed him a bit, not to give this big pervert a hug!

"looking for me?"

Li Yun turned his head and said helplessly to the elder brother.

Shangguanming has a weird face, and he opens his mouth to say that you \*\*\*\*\* just wants to play with beautiful women all day? But worrying about Jin Liuli's face, she finally endured it and secretly gave Li Yun a contemptuous look.

"Today I went to meet Nelson, and then I went to meet Captain Dog!"

"Yes, just listen to your name and you know that Captain Dog doesn't believe you!"

Li Yun smiled.

Shangguanming walked over, and first glanced at Jin Liuli strangely, thinking that Li Yun, this guy, really changes a beauty every day, it is really a show operation!

"Who is this.....?"

"My name is Jin Liuli!" Before Li Yun's introduction, Jin Liuli curled his lips and said, "Born in Jinsheng Pavilion, you are from Shangguan family?"

Shangguan Ming is even more strange: "How do you know? I rarely show up in Shangguan's house for ten years."

"Because you look a lot like the head of the Shangguan family!"

".....Ha ha."

Shangguanming laughed dumbly, smiled and sighed again, as if he owed too much to his family?

"Forget it, don't talk about this."

Shangguanming turned his head and looked at Li Yun: "You really don't want to control it? If you don't want to control it, I will leave, and let you and the granddaughter of the pavilion of Jin Shengge have a love relationship here!"

Jin Liuli blushed, but did not oppose the statement of "talking about love", but muttered: "My grandma has long since stepped down as the pavilion master, and my mother is now the acting pavilion master!"

"what?"

Shangguan Ming showed a surprised expression, and Li Yun smiled and said: "And Xiao Liuli is the next pavilion master!"

"Hehe~" Jin Liuli looked very happy.

"Come on, what did you find?" Li Yun changed the subject and asked Shangguan Ming.

Shangguanming's face became serious, but he still faced the sea, leaning on the railing and pretending to be chatting and said, "With Nelson's help, we overheard Yan Jingyi's conversation with other people, and one of them was made to Laos. China, one thing was mentioned in the dialogue: the cargo has been safely on board!"

"Cargo? It seems that their people have also been on board."

"What kind of goods?" Jin Liuli couldn't help asking.

"Fool."

Li Yun smiled and rubbed her little head, "When I think about it, I know it's guns and various heavy fire weapons."

Jin Liuli was not convinced: "What are guns? We innate martial artists are never afraid of those bullets!"

Li Yun knocked her amusedly, "Don't be brave, even if you are consummate innate, you can hit him down with a machine gun!"

"How is it possible!" Jin Liuli jumped anxiously, "The innate realm is not wood, so won't you hide?"

"One shot won't work, how about two shots? Ten shots? What about a powerful sniper rifle?"

Jin Liuli's little mouth pursed higher and higher, and she almost shed tears in anxiety.

"Fool, why are you crying."

Li Yun held her slender waist and kissed the little wild cat on the forehead, "I just remind you to be careful not to act recklessly based on your innate state."

Jin Liuli was still pouting her mouth and tears in her eyes. She was born in a traditional rivers and lakes. She was born hostile to modern society, and guns and other firearms were what they hated the most.

Shangguan Ming understood her feelings. Ten years ago, it was precisely because of this disgust that he left Xiaojianghu and went to the "big rivers and lakes" to experience.
