

# Godly Choice System

## - Chapter 23: Fate Borrow, Fate Flower

Ignoring Zhang Dong and Fei Ge, who came closer, Li Yun stared at the dozen or so skewers in his hand, turning slowly, and said in his mouth:

"Xiaomeng, be careful when grilling meat. It must not be over-cooked. When the oil is rising, sprinkle some chili powder and wait for the grilled meat to turn into a beautiful golden color, which proves that the grilled meat has reached the fire.

Use some cumin at this time. "

Li Yun's mouth twitched, revealing a confident smile, his hands kept moving, evenly sprinkling cumin on the kebabs in his hands.

Suddenly, a scent that was stronger than before, and that made one's forefinger moving, spread rapidly.

The aroma was so strong that Zhang Dong and the others even forgot what they were doing. The three of them stared blankly at the barbecue, listened to the sound of the barbecue, smelled the aroma of appetite, and their saliva sputtered. flow.

"Meng, here you are."

Li Yun handed a skewer of barbecue to Hu Xiaomeng. The lamb is red in color and spicy and delicious. Xiaomeng can't wait to take a bite. The lamb is crispy on the outside and tender on the inside. The three flavors of spicy, spicy and fresh are perfectly mixed. Moe has an explosive taste, so that she squinted her eyes, and she couldn't help but make a whine:

"Woo~, it's delicious, it's so delicious, it's better than Grandpa Zhou's, it's better than the top beef I ate at the Vinardo Hotel in Zhonghai, better than me..."

Fox Xiaomeng took another bite with her little cherry mouth, with a happy expression on her little face, and said: "Anyway, it tastes better than everything I have eaten, great! Big brother is great! !"

She ate with her mouth greasy, and the crowd on the sideline swallowed their saliva, staring at the barbecue in Li Yun's hand.

"Little, kid!"

Fei Ge said greedily, his greedy eyes were threatening.

"Ding, trigger the option event, please choose from the host:

Option 1: Give the barbecue to Brother Fei and Zhang Dong first. Reward skill: bow down.

Option 2: Reject the opponent, reward skills: steel and iron bones (effect: strengthen physical fitness, primary).

Choice three: teach the other party a meal, reward: some general experience points. "

Li Yun was overjoyed, and it was time to choose an event again!

He has also initially figured out that there are two words "some", which means that the system will reward something based on Li Yun's performance.

The general experience points can be converted into any attributes, such as 100 experience points = 10 strength points, or 10,000 experience points to upgrade skills.

This is also a good thing. Li Yun will undoubtedly give priority to this option. After all, steel and iron bones are added on the basis of physical fitness, and Li Yun's current physical fitness is only a little over 130, and the skill bonus will not be too high.

Do you teach the other party a lesson?

Li Yun hooked the corner of his mouth, which he was good at.

"Do you want to eat?"

Li Yun handed them three skewers of barbecue. The three hurriedly nodded, and even the snatchers snatched the three skewers of barbecue. The tiger brother who wanted to stop couldn't react.

"Damn!" Brother Tiger scolded depressedly.

Li Yun shrugged and asked with a wicked smile: "Zhang Dong, A Fei, is the barbecue delicious?"

"It's delicious, delicious, so delicious!!" The three nodded repeatedly.

"Can you tell me, what are you doing here?"

"This one....."

Brother Fei hesitated and said happily: "I heard Zhang Dong say that you have one hundred thousand yuan, so I want to borrow some money from you, hehe, buddy, don't you?"

"That's it, borrow, of course, but."

Li Yun smiled faintly, and a dangerous look flashed in his eyes, "I'm afraid you have a life, but you have no life!"

"what?!"

The three people who were eating the barbecue were stunned.

Li Yun smiled faintly, raised the barbecue in his hand, and said loudly to the audience: "Everyone has seen it. These three people saw me bet one hundred thousand yuan, so they wanted to rob and intimidate me and let me give ten. Ten thousand yuan, everyone said, can I disagree?"

"My Cao? There are such people?"

"I'm paralyzed, I think these three people are not pleasing to my eyes!"

"Hit them!"

"Hit! The hair is dyed yellow, it's not good at first sight!"

Suddenly, the crowd was enthusiastic, and Brother Tiger suddenly realized that he rolled up his sleeves and walked over with a grin: "I understand, brother, do you want me to teach these three people? Hey, I understand, brothers, give it to me!"

"Etc., etc!"

A Fei and Zhang Dong turned pale in fright when they saw Brother Tiger's sturdy arms, tattoos on his body, and a group of fierce men.

"You, you, you are Brother Tiger?" A Fei deserves to be a gangster, and he recognized Brother Tiger at a glance.

"Yes! Your grandpa, I'm Chen Dongcun Tiger Brother!"

Brother Tiger gave a big hand, and the thin A Fei felt that his shoulders were about to fall, grinning in pain, "Tiger, Brother Tiger, wronged!"

"Injustice?"

Brother Hu looked at Li Yun with questioning eyes. The latter shrugged and said, "I'm sorry, my barbecue doesn't want to be eaten by unrelated people. Well, since you have eaten it, then spit it out."

"Spit, spit it out?" Zhang Dong thought of something, his face paled again, and then he received a big punch in his stomach, which made him feel painful, his stomach was overwhelmed and he just ate the barbecue. Immediately spit it out.

"Oh~~"

Hu Xiaomeng, who loves to be clean, turned around quickly, not looking at the miserable situation of these guys, and didn't want to eat the delicious barbecue.

"Hey, just throw up like this, I will help you! Give me a call!"

Brother Hu and a group of people frantically beat the three of them, so Zhang Dong and the others cried and ran away with swollen noses.

After calling them, Li Yun did not hesitate, and distributed the barbecue to the tiger brothers.

As for Xiao Lori Hu Xiaomeng, she was already sick and didn't want to eat anymore.

The boss wiped his cold sweat and breathed a long sigh of relief. He finally took care of this group of social people tonight.

"Ding, the host makes a choice and rewards 3000 general experience points."

Li Yun was overjoyed. It's not bad. To make a simple estimate, 3000 skill points can now be exchanged for 150 strength points and 150 physique points. Of course, there will be more general skill points in the future, maybe 1000 points can be exchanged for a little.

"Big Brother~"

Hu Xiaomeng stood up, smiled like a lady Li Yun, and said: "Xiaomeng had a great time today. If I have time in the future, Xiaomeng will come to play with you again~"

"Uh, all right."

Li Yun glanced at the two black-clad bodyguards who had come out of unknown place. It is estimated that these two bodyguards had been guarding Hu Xiaomeng. No wonder her family felt relieved that she would come out.

Hu Xiaomeng's temperament is like a little lady, but what he does is deviant. When he comes to the roadside stall at night, the family doesn't know how to scold her.

"Goodbye, big brother." After Hu Xiaomeng got into a long black car, he waved at Li Yun.

"Goodbye, Xiao Meng."

After she left, Li Yun glanced at the slip of paper she quietly gave, which contained a mobile phone number and an online chat number.

Seeing this, he couldn't help laughing wryly.

Little Lori didn't dare to give him the contact information in person, it seemed that her tutoring was quite strict.
