

## Godly Choice 2331

Chapter 2331: Devil's Domain

Call, call, call again!

Three minutes have passed, and there is still no response!

The plane flying in the sky is like a headless fly, flying in a weird route near the base, no one can contact the plane in the sky.

Numerous radars at the base successively noticed this strange situation and reported them one after another, and finally gathered it to Philip.

If it is another aircraft, after the radar detects this weird aircraft, it has long been ordered to shoot it down with a missile to prevent it from falling suddenly. It is not a joke.

However, this aircraft has received a flight permit from the four-star general Philip, so no one has dared to move it so far.

"What exactly is going on?!"

A three-star lieutenant could not help yelling out, the plane in the sky clearly did not appear to be in any condition, the engine was good, and the equipment was good, but the \*\*\*\*\* Bryze \*\*\*\*\* controlled the plane to dance over their heads.

As if deliberately provoking them!

"Find a way to contact the crew immediately!" Philip ordered again.

Pilot Blaze controls the plane, but there are two other staff on the plane who are responsible for filling the bombs in the warehouse. Even if Blaze accidentally gets nervous, other people will never get sick!

"No, unable to contact!"

Soon someone reported: "The signal is good and the crew's communication equipment is normal, but no one is connected!"

Now even Philip was a little uncomfortable, and he roared directly: "Send me a full-band radio to order the planes in the sky to land immediately, otherwise they will be shot down according to the disobedience order!"

"Yes!"

Everyone has felt the unusual meaning. The plane that disappeared in the weird fog suddenly lost contact, and none of the crew members answered communications. What is going on?

Communication electromagnetic waves were quickly sent out, and the equipment that could receive radio signals within a radius of hundreds of kilometers all sounded the command from Philip:

"Airplane in the sky, I will order you with Philip to report your current situation immediately, otherwise..."

"Help, help!"

Suddenly, the voice of a terrified man rang from all the radio equipment.

Many people immediately heard that this was the voice of the strangely lost Blaze pilot!

"Blaze, do you hear? Answer immediately when you hear it!"

Philip once again talked with him over the radio in an attempt to establish contact.

"Help, God, this is all the devil, the devil, I have entered the realm of the devil..."

"I don't want to die, I don't want to die, I don't want to die, God, who will save me!"

"No!!! Devil, don't come here!!!"

Accompanied by the terrified screams of the three people and the frantically flapping the aircraft dashboard, everyone suddenly heard a huge explosion, which came from the radio equipment and the distant port.

Blaze, and all the crew members were killed in action.

More than 100 bombs did not explode at the airport, and massive amounts of dry ice and all kinds of dust used for rainfall spread in full swing. Heavy rain poured down and enveloped the entire military base on Oahu.

In the airport control room, everyone was silent, and a chill came up with the torrential rain, making them feel that their bodies were completely cold.

What exactly is going on? !

...

Li Yun saw the captain of the Ocean Princess, and after explaining the situation with the other party, Captain Davis immediately decided to speed up the cruise and strive to enter Haowei Island before 12 o'clock tonight.

Chapter 2332: Open-air ball

At five o'clock in the afternoon, on the 14th deck, an extraordinary open-air ball is being held.

The focal point of the prom is a princess wearing a dark blue shoulder-length evening gown, who is as beautiful as the heart of the ocean.

The moment she appeared dressed up, the prom fell into silence. Everyone turned their attention to the beautiful princess who came by, looking at her perfect face with a bright and sunny smile, white and delicate. Skinny fragrant shoulders, slender arms, a touch of white calf exposed under the skirt, a pair of high-heeled sandals, perfectly set off her tall figure.

What's even more amazing is that beside her, there is a little beauty who is slightly shorter, with fair skin and tender skin, big eyes, and a cute face with a little baby fat, just like a twelve or three-year-old beauty.

But this little beauty has a better body than the female partner who is one head taller than her, and firmly attracts the eyes of some people who like this.

Many men even swallowed.

The little beauty wore a fitted long skirt with very low exposure, but this made her figure tickling even more!

"Mu Xin, Xiao Liuli, come in soon, the prom is about to begin!"

"Come on, I blame Xiao Liuli, I'm procrastinating, hurry up! Nothing to be shy!"

"Besides?!"

Everyone was stunned and looked at the door. After these two beauties came in, they were followed by two big beauties, one tall and one short.

A noble and elegant temperament, the same slender and graceful figure, with a lively smile on his face, with a reserved, like the most dazzling existence in the prom-ignoring the words of the deep blue ocean princess who walked in front of her.

The other one seemed a lot more shy. It seemed to be the first time to wear this western light red evening dress. His small face was red, and his hands were also holding the arms of his female companion, and he looked around uneasy.

The scene fell into a moment of silence.

Four princesses participated in an ordinary cruise party, which was beyond the expectation of the men present!

"Miss Mingzhu!"

A handsome man couldn't wait to come over, and enthusiastically walked to the forefront, wearing a dark blue strapless evening dress, and stretched out his hand like a beautiful princess Xiao Mingzhu.

"Uh."

In full view, Xiao Mingzhu was forced to stretch out his hand and let the man hold her with both hands, lowered his head and leaned forward, kissed and praised, "Miss Mingzhu, your beauty makes the sea pale!"

Kissing hands, this is an inevitable etiquette for attending a formal Western-style dance party. Xiao Mingzhu was a little worried that the man following was jealous, turned his head and glanced, and was relieved to see his smiling expression.

The one who followed the four girls was naturally poor Li Yun.

Why is it pitiful?

Just count the number of people, five people, four women and one man.

And entering the ball is usually a pair of pairs, so Li Yun can only be forced to place a single, let the four beauties stage a "lily blossom" debut show arm in arm.

Of course, Li Yun also saw that the so-called kissing ceremony is not really kissing with the lips. The western etiquette is usually done, that is, lowering your head about five centimeters away from

the female hand. Similarly, paste The same is true for face-to-face gifts. When the relationship is normal, you won't really face to face.

If you really kissed the woman's hand, it would be embarrassing, and the woman can slap it directly.

In fact, there are also some areas in the westernmost part of Huangxuan where kisses are given.

However, Li Yun saw this scene thoughtfully.

As her boyfriend, did he find time to give a real gift?

Chapter 2333: My boyfriend is him

"Zhou Yingcai, you haven't got off the boat yet!"

Li Yun walked over and stood beside the four women, looking at the man who was thrown away impatiently by Xiao Mingzhu. He met him once when he boarded the ship, and then he met him in the sun. The second generation of rich once.

Shangguan has already started work tomorrow morning. Most of the people of Huang Xuan on the cruise ship have already returned to China, and those who remain are also diehards who do not listen.

They didn't believe that there was a disaster at all. Now that the journey is almost over, there is no such thing as a robbery of the ship, so they don't believe it.

"Miss Mingzhu is still on the boat, of course I will stay here too!"

Zhou Yingcai said affectionately to Xiao Mingzhu.

In order to find out about Xiao Mingzhu's activities on the cruise ship, he spent a lot of money and finally got the news, and finally "ran into" her at this dance party!

"Really? I'm afraid you will regret it soon." Xiao Mingzhu yelled with a smile in his eyes and glanced at Li Yun.

"No, for the sake of Miss Mingzhu, I will never..."

"This beautiful lady."

A very masculine foreign man with a height of more than 1.85 meters, deep eye sockets, blue eyes, high nose, and a beard walked over, and gave a polite kiss to Xiao Mingzhu like a gentleman, and also admired him. :

"Your beauty surprised me Mohand. I have never seen a woman as beautiful as you, Miss. Would you be fortunate to be able to dance with you for a while?"

In a western dance party, it is normal for a man to invite a beautiful woman to dance. As long as the two parties do not hate each other, they can dance together for a while.

Of course, most of the so-called Western-style dance parties in China only invite familiar people, and rarely invite strangers. Unless they are really interested in the other party, the woman will probably refuse.

But now there are many Westerners at the dance party, and the rules are all Western.

Xiao Mingzhu glanced at Li Yun with a smile. Just as he was about to refuse, Zhou Yingcai stood up righteously, protected Xiao Mingzhu behind him, and glared at the foreigner and shouted, "What do you want to do? This is my girlfriend!"

The foreigner named Muhand was shocked and didn't know what to say for a while.

In Western etiquette, women with lovers can also dance with other men, as long as the dance is not too intense and intimate.

There was almost no reaction like Zhou Yingcai.

But Muhand seems to understand, after all, Xiao Mingzhu is too beautiful, because men want to hide her and don't give other men a chance to get close!

"Excuse me."

Xiao Mingzhu smiled at Mohand, pointed at Li Yun, and said, "My boyfriend is actually him."

"...?"

A question mark slowly appeared in Muhand's mind, who is your boyfriend? Or is it neither?

"The young lady, are you willing to show your face to me...?" Muhand asked expectantly, his eyes fiery on Xiao Mingzhu's bare fragrant shoulders.

Speaking of it, although the dark blue off-the-shoulder evening dress looks very revealing to the people of Huang Xuan, it is actually quite conservative at the dance party.

Among the women present, I don't know how many of them gave the Northern Hemisphere out, and the deep V is not a problem. It is already a conservative way of dressing like Xiao Mingzhu who only shows thin and round scented shoulders.

"Excuse me."

Xiao Mingzhu shook his head again, "I am not here today for the prom, please forgive me."

Mohand was full of regrets, but he could only turn his gaze, looked at another noble beauty present, and sent out an enthusiastic invitation again.

Chapter 2334: For the goddess

A few men had also walked over. Hearing the words, they stopped and watched the beauty's answer. If they agreed, they would target the two remaining beauties.

"Sorry, this is my partner."

Su Muxin rolled her eyes, holding Jin Liuli's white and slender arms, smiling in English and replied that there was obviously a trace of teasing in her eyes.

"companion.....?"

Mohand and the men present were petrified on the spot, a big beauty, and her partner is another little beauty, that is to say, she is LGBT!

Li Yun almost didn't laugh when he saw it.

The so-called LGBT refers to gay, female, bi-gender, and transgender people.

In the Oumi area, LGBT is absolutely ZZ correct. It is even more correct than the life of blacks. Anyone who dares to discriminate against LGBT will be hostile by all female groups plus LGBTs. This is much more serious than simply discriminating against blacks. .

"What do you mean?" Jin Liuli, who was hugging her arm intimately, asked in a daze. She vaguely felt that Little Chili Sister was too close, as if she was using her as a shield.

"It means~" Su Muxin snapped a kiss on Jin Liuli's little cheek, "squinting" and said: "You are my wife, so I refused his invitation to dance!"

Jin Liuli froze for a moment, and then a cute little face flushed with shame, and the look of bewilderment became more and more like a lily blossom.

Confirming that they are really a couple, Muhand and the men around them all showed pity expressions. The two beautiful beauties are actually Les!

Violent.

But what they absolutely didn't know was that Jin Liuli was not blushing because of the kiss just now, but that she did have an extraordinary relationship with Su Muxin in the past few days of mischief.

Agree, she also has the same relationship with Xia Feiyao.

It's just... Li Yun was watching by the side at the time!

That big villain likes to see them blooming together like lilies, hate it!

"This is... my husband."

Before Xia Feiyao waited for the men around to speak, she was so scared that she hugged Li Yun's arm, regardless of whether the foreigners understood or understood.

Mohand glanced at her immature baby face, then looked down, opened his mouth, and finally said nothing.

It can only be said that Huang Xuanguo's girls have developed really well!

After rejecting the group of foreign men who wanted to get close to Fangze, Li Yun and the four women sat in a corner of the deck outdoor ball, sitting at a table and waiting for the opportunity.

And Zhou Yingcai also moved a stool to sit there cheeky, and has been enthusiastically approaching Xiao Mingzhu.

"Tuesday son!"

Xiao Mingzhu took a sip of juice with an elegant gesture. After her blushing lips were moistened, she looked more and more charming. Zhou Yingcai was stunned. She just felt that there was no more beautiful place in the world than this scene!

If I can kiss Yoshizawa...I am really willing to cut my life for 30 years!

"Please, please say!" Zhou Yingcai's voice trembled, and the goddess took the initiative to talk to herself, how could she not get excited.

"For the sake of your father's status, I will warn you directly." Xiao Mingzhu said in a flat tone, "This cruise ship and the upcoming event on Haowei Island. If you don't want to die, please stay in the room as much as possible. Here, wait for the cruise ship to land, and then find a way to leave!

You have fallen into an extremely dangerous state, understand?" Xiao Mingzhu warned him with her eyes.

Zhou Yingcai disapproved, and said cheeky: "If it's for the goddess, no, you Miss Mingzhu, I'm willing to take this risk!"

"boom!"

Chapter 2335: Go off you

At this moment, the glass of juice in front of Zhou Yingcai suddenly jumped up and fell directly onto his crotch. Coincidentally, this generation of juice happened to be orange juice.

As a result, Zhou Yingcai's crotch is yellow liquid, so-called yellow mud falls off the crotch-it is not \*\*\*\* but shit.

The four girls only glanced, then moved their eyes and covered their mouths and started laughing.

"Hold, wrap, and report sorry!"

Zhou Yingcai's handsome face flushed red, glanced at the smile on Xiao Mingzhu's beautiful face, her lips trembled as she wanted to say something, and finally she got up and left in embarrassment, and hurried back to her room to change her pants.

"The big bad guy really is the big bad guy!" Jin Liuli said softly, and gave Li Yun a roll of eyes.

"I didn't do anything!"

Li Yun took his hand from the table and quickly clarified.

"Really?" Xiao Mingzhu's clear eyes were full of smiles. "Someone used the opportunity to put the cup to shake the table with real energy, causing Zhou Yingcai's cup to jump directly, and the people present, I don't want to... well, you know!"

The last thing I don't want me to be harassed by men is you playboy!

"The people present are all innate, so you are all suspicious!" Li Yun replied solemnly.

In the end, Xiao Mingzhu cast a cute eyes, "Mu Xin is not in the innate state yet, don't you have the elixir? Please take it out for her to eat!

Even so, she was actually quite happy in her heart. Li Yun was jealous and didn't show it directly. Doesn't it prove that he actually cares about her in his heart?

Su Muxin waved her hand: "No, I just entered the acquired state before, and I am not used to the feeling of true qi in my body. Then I will directly break through the innate. I am afraid that I will control what I don't know. Come slowly. I am not in a hurry. Not participating in the battle."

The acquired realm is enough for her.

Enough, refers to the repertoire with Feiyao Xiao Liuli and Li Yun at night.

Xiao Mingzhu just said casually. After smiling, he changed the subject: "Li Yun, do you think Yan Jingyi will come?"

"Isn't this a plan you made?" Li Yun asked her back.

By letting the upper class on the ship gather to hold a dance party, and they all come to participate, so that the target points are concentrated, and the time is approaching, the captain has also issued an announcement indicating that the cruise ship will arrive at Haowei Island tomorrow.

All these factors will irritate Yan Jingyi and the mercenary leader, making them use the final hole cards at this time tonight regardless of everything!

"Although this is the strategy, the plan can't keep up with the changes."

Xiao Mingzhu has gotten used to getting along with the three daughters and Li Yun. Just like she had chatted with Xia Feiyao before, the women are together like sisters and best friends, without too much jealousy, just chatting and playing with each other.

Even Su Muxin and Jin Liuli made an excessive joke about pretending to be a lover and kissed her little cheek just now, Jin Liuli was not angry.

Xiao Mingzhu knew that Mu Xin and Jin Liuli had only known each other for less than ten days, but their relationship was so good, all because they were Li Yun's confidantes, the special friendship between the two women, and they played at night. Time rises rapidly.

"Brother Ming is watching them, don't worry, even if Yan Jingyi doesn't show up, after this dance party is over, we will arrest them all!"

Li Yun's expression was a little weird.

Shangguanming seems to have deliberately avoided Xiao Mingzhu recently, but every time he sees her, he will show a nervous and uneasy expression.

The mind became more and more obvious.

Unfortunately, he is destined to be unrequited love, Xiao Mingzhu has become his Li Yun's possession~.

Chapter 2336: Beautiful ballroom dancing

"These foreigners are really annoying."

Several people were sitting at the table drinking fruit drinks and eating some food for dinner, Jin Liuli suddenly couldn't help but muttered in a low voice.

The people around them saw their gazes with a hint of contempt, as if they were unsocial withdrawn patients.

"Because we didn't accept their invitation, we acted very uneasygirl." Xiao Mingzhu said lightly.

"Huh?" Jin Liuli couldn't understand, what is a trace of pigeon?

"Which one of you will dance with me?"

Xiao Mingzhu didn't answer, but smiled across the faces of the three women, "Be my girlfriend~, let's dance a dance, lest these foreigners look at us all the time."

"What about me?" Li Yun said innocently: "Why don't you invite me directly? Am I a better cover?"

In fact, it is not a cover up, he and Xiao Mingzhu are boy and girl friends!

"Did you think about it."

Xiao Mingzhu seemed to be joking, but actually said teasingly: "I would rather find a girlfriend than a \*\*\*\*\* like you as my boyfriend!"

Xia Feiyao smirked, covering her mouth, and then eagerly said: "Mingzhu, shall I dance with you? Uh, although I don't know how to dance..."

"It's okay, come, just follow me!"

She took Xia Feiyao's little hand and walked to the dance floor. Before leaving, she deliberately glanced at Li Yun with a proud look, as if she was saying: Look, I abducted your girlfriend!

Li Yun couldn't laugh or cry, and said to Su Muxin and Jin Liuli, "Then let's dance one too?"

"Never!!!"

Jin Liuli refused decisively, took Su Muxin's hand to follow them, and said, "I will dance with my girl and girlfriend, so I won't be a big bad guy like you, Sister Chili, you can dance this weird way. Dance right?"

"Hee hee~, what little chili sister? I call her husband and wife~" Su Muxin smiled and hugged Jin Liuli's slender waist, and kissed her lovely cheek again, making Jin Liuli blush again. stand up.

The reason for the blushing is still not being kissed by Su Muxin, but because...

Ms. mate and husband, they are all what she calls Li Yun in the evening!

Just like Su Muxin's father's name, the villain Little Chili Sister teased her again, be careful that she directly laughed at her by telling her the words that Sister Little Chili kept calling out last night!

snort!

Li Yun: "..."

The confidantes around him are all worthy of a pair, leaving him alone and widowed to drink juice. How could it be a miserable word.

However, this is also his own self-confidence. Who made him like lily? He can only say that people's interests are so strange. Li Yun himself didn't know that he wanted to see two lovely girls getting close together.

Keke, the joy of the boudoir.

"Isn't it? There are actually two pairs of les!"

Mohand, and the men around him were stunned.

Watching the four beauties dance with their arms around each other under gentle music, clasping their fingers in a ballroom dance.

The beauty and sweetness make people seem to see the lilies bloom in spring, and at the same time make a group of men slap their thighs with regret.

Li Yun wasn't that pity, after all, he had seen their real lilies bloom at night. The only pity now is that Xiao Mingzhu hasn't joined in yet. It's a pity, a pity.

However, the four beauties in front of him, especially Jin Liuli clumsily under Su Muxin's guidance, and Xia Feiyao cleverly dancing with Xiao Mingzhu, still made Li Yun a feast for his eyes.

"Humph!"

A familiar cold snort sounded.

Chapter 2337: Give you chicken nuggets

Li Yun and Xiao Mingzhu couldn't be more familiar with this cold snort, after all they had only won 10 billion from his pocket.

"As for ballroom dancing, the etiquette of shaking hands should also be paid attention to."

"Ten-finger entanglement is only done between couples, just like us, hehe."

"Also, put your hands on the other person's waist, don't touch the bottom hip, otherwise others will scold you. Of course, Feiyao, you probably only dance with Mu Xin Liuli and your good husband. Don't worry about this."

Xiao Mingzhu seemed to have not seen the person coming through the hatch, still guiding Xia Feiyao to dance ballroom dances. Occasionally, Xia Feiyao would slip on her feet, and the whole person would pounce on her, making Xiao Mingzhu more certain. Thing:

Feiyao's figure is really good!

"You guy!" Jin Liuli, who was hugged by Su Muxin's waist, couldn't help it. She wanted to take out her whip, reached her waist and realized that she was wearing a beautiful western style instead of ordinary clothes. The skirt is completely different from the underskirt.

"Smelly watch, today is your death date!"

Thinking of Li Yun being driven out of the casino like a dog yesterday, plus the suffocation received these days, Yan Jingyi's whole person is like a volcano about to erupt, and his face is even more gloomy and terrifying.

Whoosh!

The sound of a small object cutting through the air sounded, and it hit Yan Jingyi's face right after a distance of more than ten meters.

A slap, crisp and sweet, louder than a slap!

Yan Jingyi was beaten directly back three steps, and almost sat on the ground, his face hurt.

"what is this?!"

Everyone looked intently and found that his face was actually a piece of chicken!

The golden and crisp chicken meat was roasted to the outside and tender on the inside. It was sticking to Yan Jingyi's face. After being grabbed by him angrily, a \*\*\*\* scar with \*\*\*\* long and wide appeared on his face.

"..."

The atmosphere became a little weird. Everyone looked in the direction of the chicken nuggets. The man with the fork: Li Yun.

The reason he was so sure was because he had a plate of half-eaten chicken nuggets on his table.

"Ding, the host makes a choice to save face for his girlfriend, rewards a white gift bag\*3, and gains more love and gestures from Jin Liuli."

Li Yun nodded in satisfaction, and smiled at the magma rock covering his face and greeted him with a smile: "hi, long time no see, brother Yan, how have you been doing well recently? You are welcome, the chicken nugget is my reward. You are, after all, you don't have a penny now. It must be uncomfortable to be hungry for a day? Hurry up and eat!"

"Puff chuff~"

Jin Liuli laughed out loud, and after releasing the hand around Su Muxin's waist, she smiled and said to Yan Jingyi: "You shameless villain really came, it's not worthless that I waited for you for so long, now that everyone is there. If you're done, then quickly draw down! Let auntie see what you are capable of!"

Su Muxin, who was still instructing her to dance just now, couldn't laugh or cry.

She stepped aside wisely and gave the stage to the little heroine Jin Liuli.

"Smelly watch..."

"Snapped!"

Another chicken nugget was thrown over, but this time Yu Shengnan who was next to Yan Jingyi had already reflected it. He opened his big hand and slapped the chicken nuggets down.

Li Yun didn't care, nor was he surprised. He smiled and said to him: "It seems that you can summon hundreds of people to board the ship and intend to hijack the cruise ship. Sure enough, there are still two things. You are already innate, right?"

hijack? !

Chapter 2338: My grandma

The people attending the dance were surprised. Many of them understood Chinese and knew what Li Yun was talking about.

"Hehe, did you take all my people away?" Yu Shengnan squinted his eyes and looked at Li Yun and the beautiful women standing beside him with dangerous eyes.

"So what?!" The hottest tempered Jin Liuli directly yelled and cursed: "This lady has kept you until now, not because she didn't dare to catch you, but just because she wanted to put a long line to catch a big fish! Now the line has appeared, Where is the big fish behind you?!"

The captain, Shang Guanming, and the black man Doris led him, a group of people appeared quietly with guns. When the people attending the dance saw this, they immediately understood that the operation was under the control of the cruise ship captain, so all of them were under the control of the captain of the cruise ship. Spread out and watch how this good show will develop from a distance on the deck!

They vaguely understood that Yan Jingyi and these people actually wanted to hijack the cruise ship!

This made them scared for a while, but fortunately the conspiracy was seen through by the captain!

"Ding, trigger the option event, please choose from the host:

Option 1: Grab Yan Jingyi, torture the whereabouts of the big fish, reward justice value + 100,000, experience value + 10 million, all attributes + 2000, golden gift bag \* 3, extra reward: aura value \* 50,000.

Option 2: Kill directly with a sword, reward justice value +50,000, experience value +5 million, all attributes +1000, golden gift bag\*1.

Option 3: Take everyone to surrender, reward: bow down. "

Looking at the three options, Li Yun felt amused inexplicably. He didn't expect Jin Liuli to choose the best reward for him.

"Then grab it."

Li Yun said with a smile, Jin Liuli immediately understood, and secretly stretched out her hand behind her - actually she took out her special soft whip from the space ring, held it in her hand, and slammed it into the air.

"Let me take a look at my grandmother, how good do you guys dare to hijack such a big cruise ship!"

Jin Liuli walked forward with a smile, the whip in her hand was like a flexible snake, showing her fangs at Yan Jingyi.

Everyone around was dumbfounded.

A little girl with such a petite figure and so cute appearance, but her grandmother opened her mouth to shut up Miss Ben, and threatened a few extraterrestrial fierce big men with a whip. This is really outrageous!

"Boss Yu, kill her for me!!" Yan Jingyi lowered his voice and shouted to Sheng Nan in a commanding tone.

The latter frowned, glanced at him impenetrably, waved his hand and said: "You step back and let me deal with her."

"Remember, I want her to die!"

Yan Jingyi stepped aside, still staring at the triumphant Jin Liuli with hatred eyes - now this little girl is indeed very annoying.

But Jin Liuli didn't take it seriously, and after screaming, the whip in his hand was unceremoniously thrown at Yu Shengnan.

The huge force caused the whip to make a sharp piercing sound. This sound was actually due to the speed of the whip tip being too fast, and the sonic boom made after breaking through the speed of sound.

In ancient nomads, they even used the sound of whips to add a cheerful atmosphere to certain banquets.

"Little girl, don't be too arrogant, or you will die easily."

Yu Shengnan's expression on Gu Jing's face was not wavering, and the five-short body, he leaned over to avoid the whip, and quickly grabbed out a pair of big dark hands, actually wanting to grab Jin Liuli's whip directly!

Chapter 2339: Want to attack me

"So courageous!"

Jin Liuli shook the whip, allowing the vibration to spread from her little hand along the whip to the end, twisting like a snake, but the true energy stuck to it, causing this twist to mix with tremendous force, directly at Shengnan It's shaken away!

"Middle congenital period!"

Yu Shengnan's expression changed. At first, he thought that Jin Liuli was at best the Acquired Realm Consummation, or he had just entered the Congenital Realm.

But judging from the feeling that the palm of her hand was numb by the whip in the previous fight, this stinky girl is at least in the middle stage of the innate, and the true energy is very vigorous, and it is vaguely about to break through to the late stage of the innate stage!

"Hee hee, what's the matter? Is this scared by grandma?"

Jin Liuli was so powerful that she flicked the whip in her hand and slapped Yu Shengnan again.

When he hid, a powerful whip hit the deck. The audience in the distance felt that the sound was extremely harsh, and it exploded with a bomb in their ears. Looking at the ground again, the metal deck was actually dented. Go down a bit!

"What kind of power is this? My goodness!"

Some foreigners who had never seen the world were terrified. Mohand, who was about to strike up a conversation with Jin Liuli, is now in a cold sweat. Fortunately, he didn't chase this yellow woman. Otherwise, when she was thrown away, she would not be able to stand the whip!

The two fought on the deck, Jin Liuli relied on her exquisite whip technique and flexible light power to beat Yu Shengnan, the old fried dough stick, who couldn't even handle a single move, so she could only be passively beaten.

"strangeness."

Xiao Mingzhu blinked, "I saw Liuli make a move seven days ago, and it was only at the early stage of the Innate Realm. Why did she become so powerful?"

With that, she turned her gaze to Li Yun. Was this guy giving Jin Liuli that kind of fairy pill?

Li Yun smiled without saying a word, but Xia Feiyao blushed and shook her head vigorously at Xiao Mingzhu, indicating that Mingzhu you should not ask.

"Pill medicine" is not fake, but it is not a fairy pill, but a kind of thing that depends on special objects to transmit power.

Simply put, among Li Yun's many skills, there is a skill called Combination Two Cultivation...

After five days of hard work, Jin Liuli succeeded in breaking through the middle stage of her innate realm, and the other two women had their own benefits. Even Su Muxin was about to break through her inborn realm.

Produced by the system, absolutely exquisite.

Even the skills of the second cultivation are also strong in the first class!

On the field, the situation is more unfavorable for Sheng Nan, Jin Liuli hits better, and the whip is long enough, a whip thrown it over makes him unable to fight back.

"This smelly watch is so strong? No wonder it's so arrogant!"

Watching the battle, Yan Jingyi's face was dark, and after a curse, he put his hand in his pocket, and tightly grasped an object, staring at the battle between the two, ready to use the final kill if something went wrong. trick!

For this moment, he has endured for too long, when he was beaten by Jin Liuli at the dock, he wanted to kill them!

Sudden.

"Snapped!"

With a whip sound, Yan Jingyi only saw a flower in front of him. The next moment, he flew upside down, with severe pain on his face, and his body flied out and hit the railing before falling softly.

"Humph!" Jin Liuli threw another whip and tried to attack Yu Shengnan and forced her back, with a proud expression: "You have seen something wrong with you, so why do you keep hiding your hands in your pockets? Want to attack me? Beautiful! My grandmother is not the little girl who doesn't understand anything at first!"

Chapter 2340: Want to be beautiful

With that said, Jin Liuli's toes touched the ground, and her petite body jumped out flexibly, and came directly to Yan Jingyi. He flogged again and broke his right hand directly. The end of the whip was gently rolled again, and the waist in his belt was gently rolled. The things were taken out.

A small stack of rune paper.

There were about five or six pictures, hidden in his pocket by Yan Jingyi, and finally appeared in front of everyone at this moment!

Xiao Mingzhu couldn't help but glanced at Li Yun and saw that he was still as stable as Mount Tai before turning to Jin Liuli and said, "Xiao Liuli, interrupt his other hand too!"

"Okay~!"

Jin Liuli flicked the whip again and hit Yan Jingyi's left hand, whose face was distorted with pain.

"Dare you!" Yu Shengnan roared and rushed directly at Jin Liuli.

But Xiao Mingzhu was already ready to go. The moment he moved, he also shot at the same time. The ground suddenly hit the ground under his feet. In a dark blue evening dress, she leaped up like a flight, her skirt fluttering, and came in an elegant posture. In front of Yu Shengnan, he lightly patted out a palm.

"boom!"

Yu Shengnan couldn't resist, and was knocked to the ground with a palm, spouting a stream of blood, his face was full of horror: "You, the late congenital...!"

Jin Liuli is only a genius, I never thought that her companion was also a genius!

Is Huang Xuan all such monster geniuses in China? Are they all too beautiful women?

I originally thought that relying on my knowledge of South Vietnam and these countries, buying customs and transporting weapons up, I could easily hijack the entire cruise ship.

As a result, not only the plan was seen through, even his veteran who had been fighting on the battlefield for many years before breaking through the innate realm was easily defeated by two women!

I had known that he would not come to this muddy water!

Xiao Mingzhu smiled slightly, "Do you know the six doors?"

Yu Shengnan shook his head subconsciously.

Several of his men had been frightened long ago, and squatted on the ground not daring to pit.

Without heavy weapons, they are not qualified to shoot at all!

"Oh, you really don't understand anything, and you dare to sacrifice your life." Xiao Mingzhu glanced at Yan Jingyi who fell on the ground and groaned in pain, "I'm very curious about what benefits they have given you to make you dare. The hijacking of a cruise ship was such a major event that shocked the world."

At first, Xiao Mingzhu thought that the six gates were rewarded with elixir, to lure these desperate mercenaries to work.

But I didn't expect that these people seemed to understand nothing, and were completely kept in the dark!

Yu Shengnan sat on the ground with a sullen face and reported a person's name.

"Zhao Denghui?"

Everyone frowned. Anyone who knows the grievances of Huang Xuanguo and surrounding countries and regions has heard of this name.

This Zhao Denghui is the current leader of the island, and an evil element clamoring to break away from Huang Xuan's rule!

"It's actually him!" Su Muxin was a little surprised, glanced at Yu Shengnan, and thoughtfully said: "Are you looking for Zhao Denghui's asylum, or relying on Zhao Denghui's relationship with M to obtain a green card from M?"

By now, Yu Shengnan had nothing to hide. He could see that the origins of this group of people were more mysterious, especially the young man sitting in a chair. All the beautiful women around him obeyed his words. Even the captain and the security guard were vaguely afraid of him.

Therefore, he told the whole story directly by pouring water in a bamboo tube, which made Yan Jingyi on the side gritted his teeth with hatred!
