Chapter 25: Become a man of the world

On the second day of school, Li Yun and Li Feng entered the school gate and immediately attracted the attention of countless people.

"He is Li Yun?"

"Awesome, Lizong and English are perfect. How did he get to the bad class?"

"It's probably a partial subject, but it's still quite powerful."

"He is so handsome, much more handsome than Dai Yuankai in the experimental class!"

"Well, it's really handsome, I smile so sunny, I really like it~"

Li Yun's expression was indifferent, but after hearing the name Dai Yuankai, he turned his head and smiled at Li Feng: "Sister, I remember this person was chasing you?"

"...Don't mention the name, it's annoying."

Li Feng said helplessly: "I told him not to chase me, I already have a guy... someone I like."

She blushed and turned her head shyly. Li Yun didn't ask who she liked. You don't have to guess to know that Li Feng was referring to him.

"Dai Yuankai?" Li Yun nodded slightly, "Sister, what did he offend you, even if you come to me, I will teach him for you!"

"Okay, you go!"

Li Feng pushed Li Yun down and walked upstairs quickly.

Li Yun shook his head and put the matter down for the time being.

Entering the classroom, the classmates in the class looked at him swishly, and a slightly thin boy shouted: "Damn, our great genius is here!"

Li Yun's popularity in the class is not very good, but there are two or three friends who can talk, and the thin man in front of him is one of them.

"Monkey, what are you yelling again?" Li Yun walked over, put down his schoolbag, sat in his seat, and smiled confidently: "I'm not a genius now. When I get the top score in all subjects, you will call again. I am genius not to eat!"

The monkey's name is Wang Houliang, because he is tall and thin, everyone calls him a monkey, a character like the pistachio in the class.

"I'm Cao? Really? The best score?!"

The monkey screamed, making all the students in the class turn their attention.

"Full score first?"

"hehe."

"joke!"

"How to get full marks in Chinese? Zhicai High School has never had it before, okay!"

"Bag, have you floated?"

Some people who looked down on Li Yun sneered, some expressed amazement, but more questioned, thinking that this was simply an impossible task.

Li Yun smiled and didn't argue too much.

Wang Houliang didn't follow up with interest. He also thought it was impossible. When the topic changed, Wang Houliang said excitedly: "Li Yun, we have physical education again in the afternoon, so we can be eye-catching at that time!"

Li Yun is ashamed. Wang Houliang's so-called seductiveness refers to looking at beautiful women.

The physical education classes of Class 14 and the experimental class happened to be together, and the experimental class had a lot of beautiful women with good temperament and good figure. In addition, Li Feng and Fang Xue were there. Every time Wang Houliang had a physical education class, Wang Houliang couldn't wait to put his eyes on it. Paste on those beauties.

"Ahem!" Li Yunyouyou said, "Monkey, don't you forget that Li Feng is my sister?"

"Hey, of course I didn't forget, my brother-in-law!"

"roll!"

"Grass! Li Yun, you are ignorant of what you have seen right now. Yesterday, I saw you and Colonel Fang dazzling. You kid must have gotten involved with her! When will you introduce me to a beautiful woman?"

"Keep going."

Time passed quickly between playing with Wang Houliang.

In the afternoon physical education class, Wang Houliang and a few boys followed Li Yun's face, even if Fang Xue is Li Yun's girlfriend, but according to the rule of 'beautiful friends are all beauties', let Fang Xue help introduce a few Beauty, can't they just get out of the order?
