

## Godly Choice 2531

Chapter 2531: Golden Pavilion

"Ahhh, big badass, don't you say it earlier!"

Jin Liuli twisted Xiao Liu's waist like crazy and hit him.

"..."

Li Yun slapped her funny, good brother last night, big bad guy this morning?

"Don't make trouble with me!" Jin Liuli covered her ass, jumped up and put on her clothes like burning eyebrows, and kept saying, "It's broken, it's broken, how can I explain this to my mother? Blame you, big bad guy!"

Jin Liuli felt red and dry at the thought of what had happened in the past ten days.

Mom doesn't matter, she has already called her anyway.

But the point is, grandma and the elders are here too! ! !

On the other side, after seeing her daughter-in-law hang up the phone, Jin Jiuhua of Grandmaster Realm directly asked, "Is Li'er with Li Yun last night?"

The surrounding elders and disciples all looked over.

The elders are okay, they all have a happy expression, which proves that the relationship between Jin Shengge and Mr. Li is better, and the identity of the son-in-law is true!

The disciples were just a bit short, with sour expressions on their faces, thinking of the beautiful and lovely little junior sisters spending the night with other men, even for the past ten days...

They can only accept it!

Just kidding, everyone in Jinshengge basically guessed that the Li Chaoren mentioned in the online news was Li Yun who had once overthrown Jinshengge.

Yesterday, all the people in Jinsheng Pavilion were scanning the news, and they were shocked by Li Yun who was standing on a giant whale and manipulating flying swords in the video.

Until then, they didn't know that Li Yun alone was enough to kill the Golden Saint Pavilion, and their pavilion master couldn't stop others from flying a sword!

"Yeah." Gu Yuqing's face became more rosy, and her mother-in-law had already talked to her about the relationship between her, Lier, and Li Yun.

"very good."

Jin Jiuhua nodded indifferently without being embarrassed: "Li Yun is our Jinshengge's son-in-law. He is upright and humble, powerful, and extraordinary and holy. Such a character is comparable to a human emperor. It is nothing to have three wives and four concubines."

The disciples can only envy.

The elders heard another meaning: Jin Jiu Hua was to let, or to persuade Gu Yuqing to make her also Li Yun's...

The elders did not know whether to be angry or to be grateful.

Gu Yuqing's face became redder, and she lowered her head and responded softly.

Others may think she is for Jin Shengge, but she only wants to be with her daughter. For Gu Yuqing, her daughter is everything.

A group of people came to Penglai Island with all their thoughts, and the ship quickly left after docking-it had to go back to Huang Xuanguo to pick up the next batch of guests. Now it can earn 10 million from a trip. The danger is a bit dangerous. , But it does make money.

"What a steep and magnificent fairy mountain!"

Standing under the mountain peak of Penglai Island, Jin Shengge and his team looked up at this fairy-cloud-wrapped mountain, and they were shocked to speak for a while.

The mountains are thousands of feet high, clouds and mists are lingering, fairy birds fly high, just like a fairyland.

"Is this... a seagull?! What a big seagull!"

The Great Elder raised his head and looked up, and couldn't help sighing.

At an altitude of one thousand meters, a group of seagulls that looked like a bomber flock slowly flew in the sky, croaking and hovering among the strange mountains. The mysterious scene caused all the people who were new to the island to shout in exclamation.

Penglai Island is different from any place on earth!

There is plenty of spiritual energy here, and it's definitely a good place to practice immortality.

"The palace family must find a treasure here!"

At this time, the familiar Huang Xuan dialect came not far away.

"Hehe, I didn't expect the palace family to come too."

"Qinglei Valley?"

"Shangguan's house?!"

Chapter 2532: Jianghu Schools Gather

Gu Yuqing found a group of acquaintances on the shore.

Shangguan Family, Qinglei Valley, Gong Family, Tiandan Gate, Long Family...

These first-class sects and families all gathered at the foot of the mountain where Alohirani Hotel is located at this time in the morning.

No, more than that!

Gu Yuqing also saw a group of foreigners with blond hair and blue eyes, and some black people with curly hair and black skin, Y, Russian, F, etc., and she vaguely heard some of the languages of various countries and regions.

On the sea, more and more ships are coming, and people from all countries are gathering under the mountain peak of Penglai Island.

"These people... are all here because of Li Yun?"

Gu Yuqing's mood is very complicated, shocked and proud.

Her daughter's husband is an indomitable powerhouse, and every move can attract the attention of billions of people around the world.

"Quickly, Superman Li is in the hotel halfway up the mountain!"

"My God, the Alohirani Hotel has really risen to the middle of the mountain. What kind of power is this, this, this?!"

"With Li Chaoren's guarantee, Haowei Island must be safe!"

"It's not Haowei Island, it's Penglai Fairy Island, a collection of ancient myths from Huangxuan Kingdom. There are stone monuments on the island. The one-hundred-meter-high stone monument is simply spectacular on the video."

"Yes, yes, there is another ruin that is said to be tens of thousands of years ago."

"Isn't it the era of slash and burn tens of thousands of years ago? It seems that mankind's exploration of history is far from enough."

"Don't say it, God must have left traces in the West, I really hope..."

Gu Yuqing heard a lot of excitement. There are 7.5 billion people in the world. There are many people who are afraid of death. The number of people who are preparing for the doomsday base and digging underground to hide is countless.

But there are many people who are not afraid of death. Instead, they face the difficulties and take the initiative to come to Penglai Island to find a way to obtain powerful abilities.

Today's Penglai Island is like a huge piece of fat, and everyone wants to take a bite.

The key is that the fat is still at your fingertips. As long as you come to Penglai Island, you can rely on the aura on the island to strengthen yourself. This is an irresistible temptation for anyone in the world.

Of course, the first stop for these people who are not afraid of death, they all chose Li Yun's hotel under the mountain!

"Look at the two beauties of the palace over there." The third elder of the Jinsheng Pavilion whispered, and everyone turned their eyes to see two peerless beauties with alluring looks and elegant temperament.

One of them is an older, mature beauty who looks twenty-four or five years old, with a graceful and intellectual temperament, and her speech and demeanor reveal a well-bred, dignified and elegant beautiful woman.

Another young girl is under the age of double ten, a light blue costume skirt set off her quiet and classical temperament, her face is definitely the most exquisite and beautiful woman Gu Yuqing has ever seen. The country is all over again, and the peerless elegance is born.

Especially when she noticed her sight, the classical beauty smiled back at her. The beautiful smile really made Gu Yuqing, who is also a woman, moved. The disciples and elders of Jinshengge were even more unbearable, and their feet were the same. He knelt on the ground and fell under the underskirt of a classical beauty.

"Okay, Qingyu."

The graceful beauty took the small hand of the classical beauty and stopped her angrily: "The exercises Li Yun gave you are not for you to deal with the same people in the world. They are from the Jin family, it seems... there is a sister. Is it from the Jin Shengge Jin Family?"

Chapter 2533: The world is here

"That's why I showed them a bit of a good look."

The conversation between the two great beauties was getting farther and farther away, and the people in Jinsheng Pavilion would naturally not be able to hear it. Gu Yuqing's heart was pounding, and it was not until they walked up the mountain that they took a sigh of relief.

Jin Jiuhua's face was gloomy, and she whispered: "These two people are Gong Lianyi and Gong Qingyu, and at the same time, they are also Li Yun's confidantes. Yuqing, you and Li'er have to hold on to him! Don't! Let the fox charming beauty take up his heart!"

Jin Jiuhua faintly felt that Gong Qingyu and Gong Lianyi had a charm that was different from ordinary people. When they were connected to their identities as Li Yun's confidantes, Jin Jiuhua probably guessed something.

They have already begun to practice immortal law!

"I don't know if Li'er has obtained the Immortal Cultivation Technique?" Jin Jiuhua thought to herself.

Li Yun nowadays has become a sweet pastry of various factions of the world, and all factions want to have a little relationship with her, especially when he knows the two golden flowers between him and the palace, as well as the granddaughter of the former pavilion master of Jin Shengge. In addition to the official daughter and Tiandan Sect head disciple Shangguan Lingxian Empress, all schools and factions even wanted to send beautiful young women to Li Yun and let him choose.

All these bizarre things have happened. Jin Jiuhua used to call Li Yun the emperor of the world, which was not bad at all.

Even the emperor on earth is inferior to him, it should be said that he is a fairy on earth, mortals can only look up to him.

"Let's go..."

When Jin Jiuhua in the Grand Master Realm was about to order the doormen to go up the mountain, a luxurious steamship sailed not far away.

"Sister Tianfeng, Sister Tianfeng, hurry up!"

A pink jade-cut, immature, and lovely little girl jumped off the ship, followed by a girl with cold temperament and great face.

"Don't worry, your brother Yun can't run again." The glamorous girl smiled and said, catching up with the cute little girl in front of her, and the two of them walked towards the hotel halfway up the mountain together.

"Li Yun's confidante again?!"

Jin Jiuhua, Gu Yuqing, and all the people of Jin Shengge have a serious sense of crisis. How many girls are there beside Jin Shengge's son-in-law! ?

Can Liuli alone occupy a place in Li Yun's heart?

"let's go!"

Jin Jiuhua said in a deep voice, speeding up the pace and walking up the mountain.

A group of people walked up to the fairy mountain in silence.

It is said to be a fairy mountain, but in fact it is bare, like a Jedi with no grass.

But this is only because Penglai Island has just risen from the surface of the sea. I believe that from the perspective of the aura's ability to promote the growth of animals and plants, Penglai Island can become a real fairy home with beautiful scenery in no more than a few months!

...

"Lingxian, why are you here?!"

When Li Yun and Jin Liuli came to the hotel lobby, it was not the people from Jinsheng Pavilion who waited first, but the team from Tiandanmen and Shangguan's family.

By the way, his eldest brother-in-law, Shangguan Ming, also followed Shangguan Lingxian, looking at him with a strange expression on his face.

"Can't I come?" Shangguan Lingxian smiled softly at him, making Li Yun quite moved.

I haven't seen him for the first time in two months, Shangguan Lingxian is still the white dress, gentle and gentle medical fairy, pure white and holy temperament, and a feeling of comfort from the heart.

"Of course I can come, I'm just excited!"

Li Yun took the initiative to step forward and embrace the fairy doctor fairy in Shangguan's house and Tiandanmen, plus the jealous eyes of Jin Liuli.

Shangguan Lingxian was still very shy at first, struggling to escape, but after realizing that he couldn't escape, he could only say in a low voice, 'Li Yun, you are still so bad', and then hugged him tightly.

## Chapter 2534: Fairies Gathering

"What a pair of talented men and women!"

Just as Li Yun embraced the soft body in his arms and smelled the refreshing fragrance of the virgin body of the spiritual doctor fairy, an elegant woman's voice came from outside the hotel.

Shangguan Lingxian noticed something was wrong, and hurriedly got rid of Li Yun's hug, and when he looked back, he saw two women with looks and temperament no less than hers walking in.

They walked straight in front of Li Yun and her, staring coldly, making Shangguan Lingxian more panic.

"Huh? Is my Qingyu jealous?"

Li Yun stepped forward with a smile, cheeky, and forced the two golden flowers of the palace family: a graceful lady, a classical beauty, one arm around their waists, and the two big beauties were all embraced in the shackles. .

Moreover, in the graceful and shy look of the lady, Li Yun kissed her beautiful face fiercely, and then turned around and kissed the quiet and classical beauty who seemed to be angry.

"!!!"

Everyone in the hotel lobby was dumbfounded, and they were all stunned by Li Chaoren's brazen hug from left to right.

Heroes are worthy of beauties, but there are too many beauties, too beautiful.

"let me go!"

Gong Qingyu was still angry, and said with a cold face.

Li Yun was indifferent. This time he personally kissed Gong Qingyu's delicate red lips. Well, he applied lipstick, which seemed to have been applied specifically for him.

Sure enough, the transfer of lips and lips made Gong Qingyu quickly soften his attitude. After struggling a bit, he took the initiative to hug him, and in front of Jin Liuli Liu Xianxian, he was warm and intimacy with Li Yun.

"Ah ah, who are you?! Let go of my big brother Yun!!"

A lovely girl voice came from outside the hotel lobby, and then two beauties appeared. One of the younger girls hurriedly rushed in between Li Yun and Gong Qingyu, hugging Li Yun. On the neck, offered a fragrant kiss.

"Bird. Beast!"

"Unexpectedly, Li Chaoren still has this hobby."

"Avian. Beast is inferior."

"Don't say that, people estimate that they are at least 14. There is freedom of love under the law, although the school will definitely not agree."

"I think this kind of Li Chaoren is more approachable, like girls, but also very powerful, the key is also super gentle to his girlfriend, ooh~ I also want to be Li Chaoren's girlfriend!"

In the hall, Huang Xuanguo's Shangguan family, Tiandanmen, Gong family, and a group of wealthy foreigners looked at each other.

However, Li Chaoren looked like he was less than 20 years old and had just entered college. Isn't it normal to fall in love with a 15 or 16 year old girl?

It's not that old cows eat tender grass.

"Hehe~, Brother Yun, I miss you~."

This petite, cute, soft girl is naturally Hu Xiaomeng from the Hu family, and she came to Penglai Island with Zhao Tianfeng.

After entering the hotel and seeing Brother Yun and other girls intimacy, Hu Xiaomeng immediately began to sneer, squeezed into Gong Qingyu's front with a petite figure, and put his arms around Li Yun's neck to make Gong Qingyu's eyelids jump. , He hugged her.

"You are the little sister Hu Xiaomeng from Beijing?!" Gong Qingyu glared at her unceremoniously.

"mistaken!"

Hu Xiaomeng is full of arrogance, and his little face is full of arrogance: "I came from the same county as Brother Yun, and I am Hu Xiaomeng from the Hu family! Fox Xiaomeng, Xiao Xiaomeng is the cutest I am, Hu Xiaomeng~!"

"What a mess!" Gong Qingyu stretched out her hand and squeezed her face, "You little girl is maliciously selling cuteness!"

Chapter 2535: Recognized

"What about selling cute maliciously? If you want to sell it, can't you sell it...Wow, don't pinch your forehead!"

"Hu Xiaomeng, right? Xiao Xiaomeng, right? Fox Xiaomeng, right? Today I will show you how powerful your sister Qingyu is!"

"Bah, baah, shameless, but you still love sister? You want to be a stupid... wow."

Li Yun & Zhao Tianfeng & Jin Liuli: "..."

In addition, Shangguan Lingxian: "..."

They were all startled by the quarrel between the two women. Why did they just meet each other, but the relationship is very good?

A minute later, the people from Jinsheng Pavilion also arrived.

Li Yun stopped the noisy Hu Xiaomeng and Gong Qingyu, and brought a group of people to the hotel restaurant, where they were entertained—there were too many people, and the ordinary living room simply couldn't entertain so many people.

Then, Xia Feiyao and Su Muxin also woke up. After Xia Feiyao saw her senior brothers and sisters in Qinglei Valley, and her father's grandfather, her small face turned red-she had been messing around for so long last night. .

The hotel's waiter served breakfast and refreshments to a large group of people from the rivers and lakes, but everyone was unwilling to eat breakfast. They all focused on Li Yun, even Hu Xiaomeng and Gong Qingyu and other beauties gathered on a table. , Just like a flat peach event held by the fairies in the fairy palace.

"Ding, trigger the option event, please choose from the host:

Option 1: Obtain the recognition of everyone present with a kind attitude, reward Shangguan Lingxian favorability +1, Gong Lianyi favorability +1.

Option 2: Leave with confidantes indifferently, no reward. "

Seeing this simple choice event, Li Yun was quite moved.

Lingxian and Lianyi's favorability for him has long been 99, but because the two women are still scrupulous about the opinions of the family, they have been maintained at 9 o'clock.

Li Yun originally wanted to visit Shangguan's and Gong's after the cruise trip was over, and by the way win the beauties, let these two relationships come to a successful conclusion.

Unexpectedly, because of the showdown on Penglai Island, the two took the initiative to seek refuge, and they agreed to his "marriage" with Lingxian Lianyi.

I have to say that this is a surprise, saving Li Yun the trouble of visiting the two families separately!

"Everyone."

Li Yun took the initiative to stand up, Yun Gong said to everyone in a cold and modest voice: "Uncles and uncles, aunts and aunts, everyone here is more or less related to me. You are my elders."

A group of people, the Shangguan family, the palace family, the Qinglei Valley, and the Jinsheng Pavilion were all happy.

Li Yun is their son-in-law, and his identity is now the world-famous Li Xianren, who possesses extraordinary power to become a holy man.

Such young geniuses take the initiative to recognize them as relatives, and the comfort in their hearts is hard to describe.

Li Yun smiled secretly, he didn't have the air of a big man, he didn't rely on himself to be superior because he became stronger, and he scorned and disdain to deal with ordinary people all day long.

Li Yun would not do this. His power is only used to protect the people around him, not to take airs.

Fortunately, people who didn't push their noses on their faces came forward to show the faces of elders.

"I know what the big guy thinks, and I also understand your eagerness to keep up with the times and cultivate immortality to achieve Taoism!"

Li Yun's words made the eyes of the people present even brighter.

They rushed to Penglai Island in a hurry, wasn't it just for cultivating immortals, or to obtain some abilities to adapt to the world after the aura?

Such a direct statement by son-in-law Li Yun really suits their appetite!

Chapter 2536: Hu Xiaomeng

Sitting on the chair, Zhao Tianfeng, who was sitting with Hu Xiaomeng and Gong Qingyu's daughters, narrowed Ruifeng's eyes slightly, and said with a slight smile, "This guy still speaks so directly."

When someone came to him for something, he gave it directly?

Gong Qingyu glanced at her and said calmly: "Li Yun doesn't bother to care about with ordinary people in the rivers and lakes."

This woman named Zhao Tianfeng gave her a very cold and murderous feeling. If it were not for Li Yun, Gong Qingyu said that she would never sit at a table with such a person.

She and Zhao Tianfeng were not born together.

Shangguan Lingxian looked at Zhao Tianfeng a few more times. She knew a few people like this, but they were all men. They came to Tiandanmen with murderous intent and wounds all over, looking for her to heal the wounds all over his body.

Usually at this time, Tian Dan Sect would be uneasy and asked several disciples to follow closely, lest these assassins suddenly attack her. Fortunately, something like that had never happened before, but people who were full of murderous intentions were very polite to her, and even Shangguan Lingxian had a good impression of people like Zhao Tianfeng.

"Wrong." Hu Xiaomeng said plausibly: "Brother Yun definitely wants to end these procrastinating and boring things soon, come and go to bed with Xiaomeng early..."

Zhao Tianfeng covered the little mouth of this stinky girl who didn't cover her words!

A table of beautiful fairies looked at Hu Xiaomeng in surprise, Jin Liuli almost didn't pick up the whip, and the others didn't. That big villain actually made a shot compared to the little girl who was two or three years younger than her?

"On the boat?"

Gong Qingyu raised her slender eyebrows and asked in a low voice, "It's not just Miss Jin, you also spent a good night with Li Yun...?"

"Hee hee~"

After breaking free of the hand covering her mouth, Hu Xiaomeng said triumphantly: "It's not just a good night, it's three consecutive nights. Sister Tianfeng and Brother Yun, we are together in the hot spring hotel!"

Hot springs? !

The girls fantasized about the scene, and they were all shocked.

The pure and kind-hearted Shangguan Lingxian flushed with shame and had a deep understanding of the chaos of the girls around Li Yun—he also spent time on the cruise with Jin Liuli Xia Feiyao and another girl Many days!

"... Xiaomeng, no one will treat you as a bad boy if you don't speak!!"

Zhao Tianfeng held his forehead and looked down without a face, and explained to the girls: "In the beginning, we...none happened." Probably.

—As long as he didn't take the last step, Zhao Tianfeng could lie to himself that nothing happened.

"Yeah, nothing happened~" Hu Xiaomeng nodded again and again, "Sister Tianfeng and I played the game for two days with Brother Yun. The game between the king and the concubine, whoever loses, loses one... ...Oooooo, Sister Tianfeng~~"

Zhao Tianfeng plugged this stinky girl's little mouth hard and stopped talking to her!

Gu Yuqing, who had been silent for a long time, looked at her daughter suddenly and found that Jin Liuli had become an ostrich, with her small face flushed like a ripe apple.

"...Li'er, have you also played the game of king and concubine?"

For a time, Gu Yuqing's mood was beyond complicity.

Chapter 2537: Frolic

Gong Qingyu is sure now, this little girl named Hu Xiaomeng cannot simply be judged by her appearance and age!

This little girl is eccentric, meticulous, aggressive, and reluctant to admit defeat, so she must be a pioneer in every way.

— She admits that the women at this table are all Li Yun's confidantes, but Hu Xiaomeng must take the opportunity to be a queen.

In terms of threat level, Hu Xiaomeng is much stronger than Fang Xue of Longyang County!

"Whee."

Hu Xiaomeng showed a sly smile to Gong Qingyu, and his cute face with baby fat was full of triumph.

Gong Qingyu took a deep breath and stood up by herself.

"You, what do you want to do?!"

Hu Xiaomeng suddenly panicked, this guy walked straight towards him, could it be said...?

Snapped!

Gong Qingyu strongly hugged Hu Xiaomeng, raised a slender slap, and pointed at her little butt.

Hu Xiaomeng screamed and called out Brother Yun to come and save me, causing everyone in the restaurant to look at her.

"Don't make trouble!"

Gong Qingyu sat down with a smile, forced Hu Xiaomeng in his arms, and squeezed her immature and cute little face, and said: "You little kid, how dare you fight your big sister? What if you were today? Don't you call me sister Qingyu, will you see me let you go?"

good! It was so simple and rude to defeat Hu Xiaomeng!

For some reason, because he couldn't beat Hu Xiaomeng, Gong Qingyu directly exerted his sister's attributes, and she just used the big sister's aura to shock this little devil, big naughty little Lolita.

By the way, this little loli is still very astringent, and when she sees Li Yun, she rushes to ask for intimacy, and also squeezes her Gong Qingyu away.

So when she taught her, Gong Qingyu felt at ease.

"Wow, Brother Yun, save me~~~ Oh, I'm wrong, I'm wrong, Gong Qingyu, you will soon be Naga Kai'e... well."

"Sister!"

"Do not!"

"Sell or not?!"

"No, villain Gong Qingyu, I will let Brother Yun teach you! Zhao Tianfeng, come and help me!"

"What do you call me? Is Zhao Tianfeng yours?"

——Does this little girl dare to call her name directly in her heart?

Therefore, Zhao Tianfeng also joined the team that taught Hu Xiaomeng.

As a result, Li Yun on the stage saw a group of fairies kneading around Hu Xiaomeng, even Jin Liuli was no exception, pinching Hu Xiaomeng's face red, tears came out.

"Woo, Sister Tianfeng, Sister Qingyu, Sister Liuli, Sister Lingxian, Aunt Yuqing? Sister?"

After Hu Xiaomeng cried out in tears, the fairies let her go and sat back contentedly.

And Hu Xiaomeng...in the future, she will probably always be her younger sister, unless Li Yun finds someone younger than her, but it should not be so convenient.

"...Everyone."

Li Yun watched his confidantes laughing and playing, and his heart was already itchy. In addition, there was really nothing to chat with this group of relatives, so he made a quick decision.

"I have a book here, you can read it."

"Let me consider!"

As soon as Li Yun took out a book from his inventory, the hot-tempered Xia Lei snatched it away. When he looked at the written book, he suddenly exclaimed: "Science cultivating immortals, in elementary school?! We use elementary school textbooks?!"

Everyone gathered around, and their eyes widened when they saw the writing.

All of them are martial artists of the Xiantian realm or the acquired realm, and their status in their respective sects is not low, but now they have to learn a book marked with the word "primary school"?

#### Chapter 2538: Science Cultivation

Li Yun said lightly: "In terms of spiritual practice, you are inferior to elementary school students. At most, you just entered the second grade of kindergarten, and it is appropriate to learn elementary school."

A group of people suddenly didn't dare to speak, even Xia Feiyao's grandfather and Xia Lei of Grandmaster Realm all had a sneered expression on their faces.

Had it not been for Li Yun's timely rescue last time, he would have been taken away by others, and his master level cultivation had become someone else's wedding dress.

In practice, it is not wrong to say that it is a primary school student.

Jin Jiuhua, who is also in the realm of masters, smiled slightly: "Grandson-in-law, what you said is correct. Today, the world has changed a lot. People all over the world are standing on the same starting line. We can only move forward in practice. The ability to have a guidebook has already taken a huge advantage over others!"

Her words made everyone react. Li Yun didn't want to waste time teaching them at all, so he threw out a book for them to learn.

Learning, that is their ability; if they can't learn, Li Yun doesn't bother to manage.

"Grandma, it's best for you to think this way."

Li Yun was a little surprised. Jin Jiuhua, who was in Jin Sheng Pavilion, was rude and unreasonable, but now he has learned to look at problems from a global perspective.

I don't know if it was after he was defeated by his grandson-in-law, he learned from the pain, or came to Penglai Island and saw a group of foreigners before he gained the consciousness of a global vision.

Anyway, it's good.

After the Jinsheng Pavilion, Gu Yuqing will be the temporary head of the pavilion, and Jin Liuli will succeed in the future, and Jin Jiuhua will assist. The future is predictable.

"Li Yun!"

Shangguanming stood up and looked at him with scorching eyes: "Since you have compiled the first, middle, and lower chapters on scientific cultivation of immortality, is it possible for the state to come forward and establish educational institutions for students, or people who are suitable for immortality cultivation? Follow the practice?"

"Educational institution? School?"

The words of Shangguanming surprised Li Yun, Xia Lei and others in the world. However, after thinking about it, Shangguanming is now basically developing in the court, and he should have this kind of thinking.

"How can this be done!" Xia Lei was the first to object, he had never believed in the government.

"I also don't think it is right. This is the textbook written by our son-in-law Li Yun. Why should I give it to the government?"

"Yes, isn't it like us and those people..."

A group of warriors began to whisper and talk. There is no doubt that most people don't want to let this book of practice guidance be made public. It is best to hide it, as it is a unique school of the town.

"Yes." Li Yun was too lazy to pay attention to the discussion of Xia Lei and others, nodded and said: "As long as this book is not spread abroad, let Huang Xuanguo's people practice first, it can be spread anyway, at least let us maintain an advantage."

He didn't have this idea at first, but Shangguanming's words made Li Yun think a little more, so he kept it secret, and let the country and this group of warriors study it before passing it to other countries.

It is basically impossible to keep it secret forever, unless it is only taught to a small number of people, but this is meaningless.

So Li Yun can let Huang Xuanguo maintain his first-step advantage.

"Uh, okay."

Xia Lei, Jin Jiuhua, and Tiandanmen, Shangguanmia, and Gongjia didn't dare to object. Although they were sons-in-law, once Li Yun decided something, they didn't dare to jump out to protest.

Shangguan Ming nodded and said with a smile: "I believe Uncle Ming and other leaders will definitely thank Li Yun for your decision. You can't overemphasize how many medals you have given!"

"Do you think I am someone who cares about these things?" Li Yun did not care about these honors very much, and said: "The next part is still in my hands. I will talk about it when you research something."

Chapter 2539: Beauty like a cloud

Everyone expressed their understanding.

Even Shangguan Ming could see that Li Yun was not interested in explaining the content of the book. In the future, most of the things will have to be explored by them, or by asking the confidantes around Li Yun, they have also begun to practice.

Fortunately, since it is marked as elementary school, it should be learned by self-study.

In addition to the large number of books found in the Ten Thousand Fas Immortal Cave Mansion, if they confirm each other, they will always find the correct direction of practice.

Li Yun called the first article to them, and let Shangguanming, Xia Lei, and Jin Jiuhua take care of it. For the time being, only pass it on to people who can trust it. Don't pass it to a foreign country the next day, it would be unsightly.

At least it should be kept secret until the school is established, right? This can barely maintain the advantage of practice.

"Beautiful women, what are you talking about?"

Without entanglement with too many secrets and unclassified chores, Li Yun chose to return to the fairies' table after handing the matter over to them, and greeted a group of unique fairies with a smile.

"..."

A group of fairies were quite embarrassed. It was okay just now. There was no Li Yun but they were chatting, but now that Li Yun came back, the atmosphere suddenly became weird.

"Brother Yun~~~~"

Hu Xiaomeng didn't care about so much. After breaking free from Gong Qingyu and holding her hands tightly, he threw tears at Li Yun for a hug, and said pitifully, "Brother Yun, these bad sisters are bullying me, hurry up. , Help Xiaomeng teach them!"

"Who bullied my Xiaomeng?"

Li Yun hugged her and sat down, letting Hu Xiaomeng sit on his lap, his face solemnly stroked across the faces of several beautiful fairies: "Is your sister Tianfeng bullying you?"

Zhao Tianfeng rolled his eyes, picked up a glass of red wine and took a sip, licked his blushing lips, and said, "Hu Xiaomeng is the one who bullied me."

"Really?"

"No! Yes, it's Gong Qingyu, the bad woman bullying me!" Hu Xiaomeng's eyes rolled and turned to Gong Qingyu.

Quiet and classical beauties are naturally not easy to bully.

He slapped the table on the spot, and under Li Yun's gaze, he snatched Hu Xiaomeng over.

"Do you think your Big Brother Yun can protect you? Humph, tell you, I'm not afraid of him... well, are you willing?"

Li Yun hugged the two beauties in doubt, and kissed Gong Qingyu's little mouth with a smile. As for Hu Xiaomeng... also kiss!

Anyway, this girl is old enough, it's not illegal to fall in love with her.

Shangguan Lingxian flushed with dryness, but was pulled into his arms by Li Yun again, and then he forced a kiss on the cheek before breaking free.

After that, it was Zhao Tianfeng, Jin Liuli, Gong Lianyi...

Not to mention that Gong Qingyu's daughters glared at him, Shangguan Ming Xia Lei and others were also shocked by Li Yun's brazenness.

Fortunately, Li Yun also knows that this is a public occasion, only the lips are printed, and they are separated after a few strokes. If it is between a couple, it will not cause people's attention at all, which is normal.

But... he actually kissed six beautiful girls, and they were in full view, as if they were declaring something.

In fact, Li Yun is just declaring!

He deliberately made it for others to see, showing that these girls are his confidantes. At the same time, he also let the girls break through the shackles in disguise, and no longer have any psychological burdens in the future.

That is to say, Li Yun is using his shamelessness to shield the women from the wind and rain, so that they don't have to receive too many strange gazes in the future.

Chapter 2540: Ding, red envelope multiplied by 2

"Ding, the host made a choice and was recognized by everyone present with a kind and shameless attitude. Rewards: Shangguan Lingxian Favorability +1, Gonglianyi Favorability +1, Special Reward: Justice Value + 5 million, Golden Gift Bag \*2."

When Li Yun was chatting with the calming beauties, the rewards of the system came late, proving that Li Yun's choice was right. Both Shangguan Lingxian and Gong Lianyi had let go of their inner worries. This relationship With the recognition of his family, his favorability has officially reached one hundred points.

The justice value reward should come from the relationship that Li Yun sent the "Science Xiuxian Elementary School" to Shangguanming and transferred it to the country. If the Xiuxian school is successfully established in the future, it is not surprising that such a high justice value reward is a great thing for the people. .

"Ding, congratulations to the host for successfully obtaining the full favorability of the eleventh girl (Gong Lianyi) and rewarding a red envelope!"

"Ding, congratulations to the host for successfully obtaining the full favorability of the twelfth girl (Shangguan Lingxian), and reward a red envelope!"

Two red envelopes in a row made Li Yun pleasantly surprised, but also felt that he was very responsible.

Unknowingly, he already has a close relationship with twelve girls, and he will take care of them for life in the future, but he is only one person.

Therefore, Li Yun became more and more determined that he could not find more girls. So many of them are enough. Each of them is a good girl worthy of love for a lifetime.

It's just that Li Yun feels a little strange, why is Zhao Tianfeng's favorability not 100?

For her, Li Yun naturally wanted to achieve a full degree of affection. After all, the two, plus Hu Xiaomeng, the three had spent three days and three nights in the hot springs of A Duo Mountain, and their mutual affection was already full .

Maybe Zhao Tianfeng has any concerns?

"Tianfeng."

Li Yun let go of Hu Xiaomeng and let Gong Qingyu play with it—don't look at Gong Qingyu's appearance, quiet and arrogant, in fact, this guy is a dead house girl, most likes cute loli and the like, and Hu Xiaomeng happens to be between the ages of Loli and the girl again, Gong Qingyu liked her even more.

"What?" Zhao Tianfeng looked at him with a pair of Ruifeng eyes, with a faint smile in his eyes.

Obviously, she also enjoys the current atmosphere. Although Li Yun has a lot of confidantes, the sisters don't feel embarrassed when they get along. Even Gong Qingyu, who doesn't like her much, took the initiative to say something to her. talk.

Zhao Tianfeng does not seek to develop a girlfriend relationship with them similar to Yu Hu Xiaomeng, but at least it should be a closer relationship above friends, so that when everyone is with Li Yun, they will not be embarrassed and humbly, resulting in too unfamiliar. .

"Are you worried?" Li Yun asked directly.

"Things?"

Zhao Tianfeng thought for a while and nodded: "Yes!"

"What is it?!"

"My Father."

"..."

The cold and arrogant Zhao Tianfeng was rather helpless at the moment: "My dad has been arguing to come since he learned about your incident on the Pacific Cruises. Now that Penglai Island has risen, it has aroused his great interest, if it weren't for me. Mom and the leader personally persuaded him, he must be eager to come to see what the immortal ruins are like."

Li Yun was stunned.

Zhao Tianfeng's father is a strong master at the extreme limit, and the title is the old predecessor of the Guardian Divine Sword, no, it should be the old man.

He was extremely obsessed with martial arts, and even wanted to commit suicide because of the hopelessness of breaking through. In the end, the appearance of Zhao Tianfeng's mother allowed him to rekindle his hopes in life.
