

Godly Choice 26

Chapter 26: Ding, trigger the challenge

"Li Yun~"

When Li Yun came to the playground, Fang Xue and Li Feng came hand in hand while Li Yun was waiting for class. After seeing him, Fang Xue's beautiful eyes lit up, and she speeded up and walked in front of Li Yun.

"Sister, Fang Xue." Li Yun said hello to them. The relationship between the two seemed to be getting better because of his relationship. In the previous physical education class, Li Yun had never seen the two walk side by side together. .

"Li Yun, wait for us to play badminton together?"

Fang Xue's beautiful face was filled with a slightly shy smile, which made Wang Houliang's boys look dumbfounded. How could they have seen this high-cold school bachelor be so approachable?

"Damn!" Wang Houliang murmured: "This guy said that he didn't have anything to do with the school flower. It's just nonsense. Everyone can see that the school flower is interesting to him!"

The school flower actively invites to play together, so who else is asked for this treatment?

Li Yun smiled, just about to agree, a domineering voice came from a distance: "Play badminton!"

When everyone heard this voice, their expressions changed.

"Lushan!"

Wang Hou Liang gritted his teeth and popped out these two words.

Lu Shan is the overlord on the playground. What he likes most is to cry people with his skills and physical fitness during the game. It can be said to be extremely arrogant.

In the past three years, Wang Houliang and others have not known how angry he has been.

Under the gaze of everyone, Lu Shan led a few tall boys, a group of people wearing sweatshirts, basketball or football, and arrogantly walked in front of Li Yun.

"Humph!"

Lu Shan glanced at Li Yun disdainfully, "Boy, badminton is something women play, dare you come and play basketball with me later? One-on-one, sparring!"

Li Yun was about to speak, the class bell rang, and the physical education teacher called for assembly.

"Sorry, I'm warming up, I'm not free."

"Grass!" Lu Shan shouted angrily, pointed at Li Yun's nose and cursed: "Dare you come and run with me? Just run a thousand meters!"

His usual hot temper was suffocated, but as soon as he arrived in physical education class, it was completely time for him to vent. Every time he did not abuse people in physical education class, he would feel uncomfortable!

"Ding, trigger the option event, please choose from the host:

Option 1: Accept Lushan's challenge request. Reward: Agility 50 points, Note: 50 points will be rewarded after victory.

Option 2: Ignore him and reward nothing.

Choice 3: Reject and scold Lu Shan, reward: a random gift. "

Li Yun has some surprises, can this reward be two-stage?

Promise to reward once for the challenge, and reward again for defeating the opponent, this kind of good thing is simply impossible to refuse!

"it is good."

Inwardly surprised, Li Yun smiled lightly on his face, "Since you want to find abuse, then I will fulfill you!"

"Ding, the host has made a choice, and part of the reward (50 agility) has been paid."

Agility affects the flexibility of the body and the speed of God-level reaction. Li Yun had previously gained 3000 experience points, and he added 200 points to his physique and strength, leaving 1000 experience left. Now he adds half to his agility.

"Host: Li Yun.

Constitution: 330 points.

Strength: 350 points.

Spirit: 80.

Wisdom: 70 points.

Agility: 150 points.

Charm: 25

General experience points: 500.

Skills: elementary boxing, elementary inch boxing

Owned items: None. "

The attributes of ordinary people fluctuate around 50, and Li Yun is now comparable to some provincial athletes, and even has more comprehensive attributes, with comprehensive improvements in strength, physique, and agility!

".....Grass!"

Lu Shan stared at Li Yun fiercely, and a word popped out of his teeth, his eyes seemed to burst out with anger.

Lu Shan, who was extremely angry, calmed down instead, found the physical education teacher with a black face, and asked the two classes to get together to warm up, that is, to run four laps around the playground.
