

Godly Choice 2961

Chapter 2961: Food for the elders

Li Yun was also surprised by Qingsheng's proposal, but after thinking about it, he only felt that he was thinking too much.

The so-called indirect kissing does not exist at all.

After all, the older generation--especially for the super-old generation like Fan Linglong, they are just guarded against men and women, but they should not be very important to the kiss between chopsticks.

Just now, Fan Linglong picked up the contents of the Qingsheng bowl, probably to punish him for not picking food for her as an elder first, and it didn't mean anything else.

Li Yun recalled the traditional etiquette of Huang Xuanguo, and found that it seemed that it seemed to be with the elders, especially those in the seventies and eighties. When eating with the elders, the younger generations must give the elders some food.

Regardless of whether the elders can pick up the dishes, in short, the meaning of filial piety should be done!

Just like what Qing Sheng said now, let him pick dishes for Master!

—Although Fan Linglong looks only twenty-something, she is young and beautiful, with a good body, but her age is dozens of laps older than her seventies and eighties, and she should treat her with the attitude of her seniors.

"so it is!"

Thinking of this, Li Yun understood completely, no doubt in his mind, raised his hand and clamped a piece of cut pork head meat, without the crispy bones-I don't know how this stuff came, anyway, Li Yun was here. I found it in the kitchen and made a stir-fried green pepper with pork head. The taste was not bad.

"Master, you...eat."

Li Yun, who was picking up the pork head, was stunned.

Because he originally wanted to put the pork head meat in Master Fan Linglong's bowl, but when he turned his head, Fan Linglong seemed to know what he was going to do. He leaned forward and opened his small ruddy mouth. The clean and clear beautiful eyes looked at him quietly.

Waiting for Li Yun to feed.

For a while, everyone was shocked again.

Qingzhu slowly opened his mouth wide, and was completely frightened;

Fan Qingsheng (in fact, Fan Linglong) was dumbfounded, and Leide lost his ability to think when he opened his mouth and waited for Li Yun to feed with her disciples.

As for Li Yun, he no longer knew what he was doing. He seemed to see Qing Sheng from Fan Linglong. Once they went out on a date and ate together, Qing Sheng also opened his mouth like this, waiting for Li Yun to pick up food. Give her to eat.

The same is true of Fan Linglong now. Can the movement of waiting for feeding be passed down?

Li Yun couldn't figure it out, but his chopsticks seemed to have his own will. Under the gaze of Sage Fanqing and Qingzhu, they slowly and slowly reached into Fan Linglong's 'mouth'.

The upper and lower lips closed, and he bit the pork head on Li Yun's chopsticks, and Li Yun subconsciously pulled the chopsticks away and watched her mouth close.

The process was so beautiful that it could not be described in words. Li Yun even felt that his spine was numb.

Imagine that she is an elder Brahman, but her looks are still beautiful and beautiful, especially when she leans forward, her beautiful figure is slender in her simple Taoist robe, while Li Yun is like a couple who clipped her. Put the dish into your mouth to eat.

When they were feeding, the eyes of the two met, and in the eyes of Fan Linglong, the elders, there was a vaguely different kind of sentiment rippling, and he ate the food in Li Yun's chopsticks obediently and softly.

all of these!

It was so exciting for all three people on the scene!

"Fan Linglong" chewed a few times. After swallowing the pork head, he frowned slightly, shook his head and said, "The fat is not good. You have to eat green cabbage leaves."

Chapter 2962: marry you

"Van Qingsheng" was shocked again.

The more Li Yun felt that this Fan Linglong was unexpectedly familiar, he subconsciously stretched out his chopsticks and picked up a noisy vegetable, first put the rice in his bowl, and then handed it to Fan Linglong's mouth.

It is exactly the same as an adult feeding a child.

After taking a look at the sluggish "Van Qingsheng", "Van Linglong" opened his mouth slightly, moved his head forward, and ate the vegetables that Li Yun had caught.

".....good to eat."

"Fan Linglong" nodded slightly in approval, and said to Li Yun: "I want to eat..."

"Ahhhhhhh!!!"

The screams sounded, and all three people in the room looked at the person who screamed: Fan Qingsheng.

The clean and lovely chin of Qingzhu's little maid was almost frightened. She had been with Master Saint for so long, and it was the first time she heard her scream, and it was also the first time that she saw Master Saintess with her hands covering her ears. Yelled.

"... Disciple, shut up."

"Van Linglong" spoke indifferently to stop "Van Qingsheng", who was in a trance and had not recovered for a long time.

The weird meal only lasted fifteen minutes, but for the three people except "Van Linglong", it was an extraordinary torment.

After putting down his chopsticks, Li Yun saw Qing Sheng directly holding up her master's hand, and the two entered the inner room holding hands.

"..."

"..."

The remaining Li Yun and Qingzhu little maid looked at each other. The two were silent for a while before the little maid gave Li Yun a blank eye and whispered: "Bad, big pervert!"

The girl's charming voice caused Li Yun to feel pity for her, and took the initiative to clean up the table with her.

"You don't need to." Qingzhu refused with a blushing face, "I can do these things alone!"

"I'm idle and I'm idle, what's wrong with helping me?"

Fan Qingzhu's little face reddened, but in the end he did not refuse.

The two of them went downstairs and washed their rice bowls in a basin together.

Qingzhu seemed to be aware of something. He lowered his head, fiddled with the rice bowl in the water basin with a pair of white hands, and asked in a low voice: "You guy... do you have something to tell me?"

"Um."

Li Yun smiled, "Qing Zhu."

".....what?"

Fan Qingzhu's small face became more blushing, so that he did not dare to look up at him.

"Are you satisfied with your life now?"

".....baffling!"

Fan Qingzhu raised his shy eyes, gave him a quick glance, and then quickly lowered his head.

She thought Li Yun was going to...do something with her. After all, this big villain is a complete pervert. With so many girls around him, he must be peeping at her cute beauty, so he pleases her!

Humph.

"I mean." Li Yun explained: "Are you going to be the maid of the sage for the rest of your life?"

"of course."

Qingzhu answered naturally.

"You don't want to marry?"

"...I want to." The voice was very soft, and the little maid fiddled with the porcelain rice bowl and whispered in a low voice: "Just... marry you."

"!!!"

Li Yun opened his eyes wide, "You just said, marry me?"

"Um."

The petite and exquisite, proud and cute little maid in the past, but now her face is blushing with shame, Li Yun can clearly see that her crystal ears are stained with a thin layer of blush.

"Xiao Qingzhu...you, did you just mean?" Li Yun still couldn't believe her ears, why suddenly she...

Although Li Yun did not feel bad for her, he even liked the little maid who had been following Qingsheng.

But she was surprised to be confessed suddenly.

Chapter 2963: Tsundere Little Maid

"Yes, what's the surprise!"

Fan Qingzhu summoned his courage, raised his head and looked at him bravely: "I, I am the maid of Lord Saintess, wherever she goes in the future, I will go wherever she wants to marry, and I will also Who to marry... I, I don't like you, I am just, forced, um, forced to marry you, the villain!"

The confession of the tsundere girl is also different from ordinary people.

Even if I like him very much in my heart, the words that come out of my mouth are still very awkward.

Li Yun's emotional intelligence is not low, how can he not hear the meaning of the tsundere girl's words?

She was not forced, but liked him.

Although part of the factor may be due to the Lord Saint, in her heart, the girl still has a good impression of him, otherwise she would not be so shy and arrogant.

"Qingzhu, I..."

Li Yun wanted to say that there are no dowry maids in modern society. You should find someone you like, but he can easily say to the four maids around Gong Qingyu. Although they did not agree, They also said they would consider it.

But for Qingzhu, Li Yun couldn't say it very simply.

Qingzhu and the appearance of the close-kids are different.

The Hidden Sacred Valley is isolated from the world. Before Qingzhu met Li Yun, she didn't even have a surname. It wasn't until Li Yun made a suggestion that Fan Qingsheng remembered to give her the "Van" surname.

She said that she wanted to marry Li Yun as a dowry. It was not a whim, nor was it thoughtful, but it was rooted in her thoughts and it was a matter of course.

Perhaps when the relationship between Li Yun and Fan Qingsheng was exposed, that is, in the car that came to the hidden sacred valley, Qingzhu was already ready to marry him with the sage she served.

For her, this was a matter of course, and it happened naturally. As long as the Lord Saint married Li Yun, she would also marry as a dowry maid.

How could Li Yun say to reject her?

Rejection, in Qingzhu's concept, already belongs to the category of divorcing his wife.

"You, you, you, don't, don't mess around."

Fan Qingzhu wanted to go wrong, thinking that Li Yun was determined to look at her because he wanted to do something bad, and was panicked for a while.

The girl's shyness made her want to refuse, but the dowry maid should obey in front of her husband. The two contradictory mentalities made her especially at a loss.

Li Yun looked embarrassed. It seems that his image in this little maid's mind is always a pervert?

This is actually a misunderstanding of him. He used to have this image in Jin Liuli's psychology, but then it changed. It can be seen that he is definitely not just a pervert, but a good man and a good father.

"Ahem, Qingzhu, you misunderstood me."

"Huh, what do you think I don't know yet?"

Qingzhu whispered, "The night before yesterday, at Gong Qingyu's house, we were all still in the living room, and I heard you and Su Muxin and Gong Qingyu together in that study...doing something."

Li Yun was taken aback, but she didn't expect to be heard by her.

Gong Qingyu's study was actually her studio, a private animation theater. Xiao Mingzhu and the others were chatting outside, while Li Yun went to the study to watch anime with Gong Qingyu.

As a result, I saw half of Su Muxin coming in, saying that the anime was not good, and she wanted to watch the more beautiful one.

So it started.

Gong Qingyu blushed with shame, but couldn't get out, and watched with his own eyes what Li Yun and Su Muxin were doing together.

Chapter 2964: Date later

As a result, Xiaojiao sent text messages to ask Jin Liuli and Fang Xue to come in. Gong Qingyu was forced to flee from her own study after feeling that it was another chaos.

At noon the next day, Gong Qingyu took a few photos of the mess in the study and sent them to the fairies group, which caused a flurry of complaints from Hu Xiaomeng and Zhao Tianfeng, who were far away in the capital, while Liu Xianxian and the others were shocked. It's in the living room, but I don't know about the study.

"Ahem, that was an accident, besides, it's not a bad thing to happen naturally when the love reaches the depths."

Li Yun brazenly explained to himself.

Of course, the little maid in front of her gave her a few eyes and said softly: "I know you, the big pervert would say this...Anyway, don't mess around, you, you can't be sorry, Lord Saint!"

Sorry Qingsheng? What's the meaning?

Li Yun held her little hand, the jade hand of the little maid who had just been stained with detergent was very tender, and the little hand of the tsundere little maid trembled, as if she wanted to struggle, but in the end she did not open her face, her blushing low. Hold your head and let Li Yun hold her little hand.

He stammered and said: "I, I still have to wash dishes..."

"Qingzhu."

The man's voice filled with magnetic voices made Fan Qingzhu's heart full of shyness and a hint of sweet joy. He trembled and replied, "What are you doing?"

Even if she was willing to follow him, she knew she might like him, but she still felt very shy.

After all, she used to have a very poor relationship with Li Yun, and had been against him. The two almost fought, but fortunately, they got close step by step, which made Qingzhu more and more accustomed to his existence, and also used to Li Yun stunned her and Sheng. The feeling around the lady.

"Unfortunately, it's not the time to talk. When we find some time, we can have a good conversation, how about it?"

Li Yun still wanted to respect Qingzhu's choice and listen to her inner thoughts.

If she wants to leave, Li Yun will not stop her, although he also knows that this little maid will not leave with a high probability.

But with certain persistence, Li Yun still wanted to listen to her inner wishes.

It's just that you want this arrogant little maid to tell her heart. This kind of environment is obviously impossible. It is estimated that she has to find a suitable place to make her feel shy.

"You, you, you mean...a date?!"

Fan Qingzhu looked at him in horror, seeing Li Yun inexplicably, and dating him was terrible?

"Yup."

"That's why I won't date you!!"

The little maid blushed, and shook Li Yun's hand away, her eyes flustered and she didn't know where to look.

Li Yun can't laugh or cry, is he so arrogant and shy?

However, this kind of Qingzhu is very funny, it makes her tease her, makes her face hot with shame, and is finally forced to say what he likes.

"What happened to the date?"

Li Yun pretended to take it for granted: "Since you want to marry me, it is my wife. Isn't it normal for the husband to date his wife?"

"puff."

The little maid's head was angry with steam, her face dripping with shame.

"Just, don't date you or something..."

The little maid's lovely round face was completely red, and even her slender neck was flushed. The snow-white neck skin was rosy and white, which was truly beautiful.

"Why?" Li Yun deliberately teased her and asked.

As a result, Qingzhu's little maid became angry, and stared at him with a pair of apricot eyes: "There is no why!! Just, even if you want to date, I will go with the Lord Saintess!"

Chapter 2965: Badass, you bow your head

With Qingsheng?

Wouldn't it be that three people are dating together?

Li Yun looked at her in amazement, and saw this arrogant little maid blushing once again, stammering: "Very, weird? I don't want to date alone with you or something... You, you really want to If you ask me, just, next time, when you date with the Lady Saint, just take me."

The tsundere girl didn't dare to date Li Yun alone, she must be accompanied by the Lord Saint.

So even if she was willing, she was ashamed to agree.

Li Yun couldn't laugh or cry, and gently held her hand.

This time the little maid did not refuse, bit her lip, and after a shy glance at him, she lowered her head again.

"Next time." Li Yun said softly: "Find an opportunity, let's talk alone, don't refuse, I want to hear what you are saying."

"...I don't want to tell you what's in my heart."

The voice was very small, although she refused, but when she said it in the little mouth of the tsundere girl, it was tantamount to agreeing.

What is lacking is just a suitable opportunity.

Li Yun suddenly felt that he was scumbag, and he had already said this to many women.

For example, Gong Qingyu and Gong Lianyi also said that they should find a suitable opportunity with them. The same is true of Shangguan Lingxian, and Zhao Tianfeng also said the same.

Even with Xiao Mingzhu, the two are "agreement", and Xiao Mingzhu will only agree to his girlfriend after a suitable opportunity.

Li Yun owes them so much that he will never end his life.

"Okay, next time we will find a time to chat. Don't refuse me at that time, have you heard?"

Li Yun lifted the smooth chin of the little maid with his fingers, and said to her with a smile.

Qingzhu flushed his face and wanted to refuse, but the word "um" overflowed in his nose.

Promised him.

Only then did Li Yun let go of her hand in satisfaction and continued to wash the dishes.

During the process, the Fanqing bamboo soul did not guard the house, and Li Yun did most of the dishwashing work.

"All right."

After finishing up, Li Yun clapped his hands and smiled at Qingzhu: "Let's go up, just wait."

The little maid bit her lip, looked at him, and shook her head, "I, I'm going to take care of the vegetable garden, you go up first."

"vegetable garden?"

Li Yun glanced at the vegetable field. It was indeed a little sluggish, and he needed to water it:

"Then I will go too..."

"No, you go up!"

The little maid pushed him upstairs and didn't let go until she came to the stairs, but she didn't leave immediately.

"You, bow your head!" Qingzhu little maid blushed and ordered him.

"?"

"Let you bow your head, just, just bow your head!"

Li Yun seemed to have thought of something, lowered his head and leaned in front of her.

The cute little maid stood on tiptoes trembling, and stamped his handsome cheeks with her two thin cherry lips.

The soft breath hit Li Yun's face,

It lasted for three or four seconds before the shy little maid moved away in a panic, overwhelmed, and said in a panic: "This, this is... In short, you, don't mess around, wait, wait until you behave well. , I, I will give you... Ah."

Li Yun had already held her slender waist, picked her up, lifted her feet off the ground, and kissed her cherry lips in pain.

The little maid opened her eyes suddenly, looked at him, felt him, and closed her eyes slowly after a long while.

for a long time.

"you go!"

The little maid who got a short rest pushed Li Yun away and fled in disorderly steps. She fled to the side of a big tree outside the house before leaning weakly on the tree trunk, her eyes panting with blurry eyes.

Chapter 2966: bet

"This kind of sweetness that makes people indulge in... No wonder the Saintess is addicted."

Gently stroking her lips kissed by Li Yun, Fan Qingzhu fell into shy happiness and thought for a long time, but no matter what she thought, Li Yun was always holding her waist, lightly. Gentle and soft, and then to the warm and intimacy picture.

"Bad guy... Sure enough, Li Yun, you are a big bad guy. Are you always bullying Lord Saintess like this?"

Fan Qingzhu's small white palms covered her red face. She felt the taste of love for the first time. She fell into a long and sweet fantasy, and even wondered, when will the big villain kiss her again, and when, The villain will go on a date with her and the Lord Saint.

What is it like when the three are dating together?

"No, no, what are you thinking about, Fan Qingzhu!"

The little maid patted her hot little face a few times, and secretly said to herself: That big villain is the husband-in-law of Lord Saintess, she can't dominate the host, she can only watch silently from the side, occasionally, occasionally After being kissed by him a few times, I was satisfied...

"Good boy, have you seen it?"

On the second floor of the small building, Fan Linglong, who was standing by the bed, had a full view of the interaction between the two, her eyes filled with anger, and she gritted her silver teeth and said, "That **** Li Yun hooked up with your maid in a blink of an eye. , Is this what you said he loves you?!"

Sage Fan Qing thought for a while, and was about to speak, when Fan Linglong said angrily: "This **** is simply not a human being. How long has he just left you, he did something like this without telling you! Did you see it just now? He actually, unexpectedly Hold your maid and gnaw without knowing how the word shame is written!"

"Master, actually..."

"Damn it, **** it, baby, this person absolutely can't want it!"

"I know....."

"Master will find you a good husband, this **** is simply not a human being!"

"...Qingzhu's matter."

Fan Qingsheng finally finished the sentence, and Fan's exquisite and angry expression turned into a deep consternation, "Baby, did you just say...?"

"Um."

Fan Qingsheng nodded lightly and said quietly: "I know that Qingzhu likes him, and Qingzhu also told me that he wants to be with me forever."

To be together is to marry the same person.

Fan Linglong quickly realized the meaning of her words, and immediately understood where her apprentice's proposal came from, and where the ridiculous proposal of marrying Li Yun between the master and the apprentice came from.

It turned out that the little maid brought it up!

But she is not the same as a close maid!

She is not a dowry maid!

"Hi, huh~~~"

Fan Linglong took a deep breath and rubbed his forehead, worried about his apprentice's current situation.

"Don't you just let him go like this?" Fan Linglong asked again: "If he married more than one hundred, wouldn't you..."

"He won't."

Fan Qingsheng shook his head, "Li Yun has already said that he won't provoke other girls in the future. Now there are about ten around him, and we get along very well."

"...Fool, you really believe it."

Fan Linglong sighed and stepped forward to hug her apprentice-in fact, she hugged her body, stroked the hair on her cheek, and said lovingly: "Master is just worried that you will be wronged. The girl next to him Is the child so nice?"

"Well, I and them are sisters." Fan Qingsheng thought for a while, and added: "All topics are discussed, and they don't shy away from me."

Chapter 2967: trust

Fan Linglong looked at her cold-tempered apprentice, and somewhat understood her.

In terms of the character of Fan Qingsheng, she would definitely not be a good wife. She also knew this, so she was willing to accept other girls and let them be with Li Yun.

In other words, her apprentice also likes this kind of big family atmosphere, which can warm her cold heart.

Even if Li Yun is not around to accompany her occasionally, as long as those sisters chat with her, she will feel satisfied.

"Fool, what a fool."

Fan Linglong hugged her affectionately, kissed Tu'er's smooth forehead, and said, "Nevertheless, Master still has to test him personally, lest you fall too deep in the future, and you won't get out of it at that time. ."

—She kissed the Vatican Qingsheng, in fact, she kissed her own body. The strange thing is that the two exchanged spirits and souls, but after all, they are not their own bodies, so when Fan Linglong kissed her, she could feel the feeling of being kissed. , The touch still coming from the flesh.

This is a very strange feeling, as if the two have two bodies separately, or in other words, feeling like twins. One is kissed, and the other can feel it.

Fan Qingsheng did not speak. She had fallen deep enough, but she didn't care. She believed Li Yu very much and believed that he would not let her down.

"Fool!"

As if seeing what she was thinking, Fan Linglong nodded her physical face, "Your man is kissing other girls downstairs, but you can still sit still. When he comes up, he will definitely be indifferent. In fact, he is secretly inwardly. Cool?"

Fan Qingsheng shook his head, "He won't, he will definitely tell me what happened."

"Oh? I don't believe it! Come to make a bet? Just bet that you little stupid man will tell you."

"Don't bet, because you will definitely lose, Master."

"Ahhhh, I'm so mad, you sit here, and I will go to him for a while!"

Fan Linglong walked out angrily, she didn't believe it, there would be a man who would take the initiative to tell the wife of the family after stealing food.

"That's right," Fan Linglong turned around and said to her when she was halfway there: "Tier, you attach a divine mind to me so that you can see your man's performance with your own eyes."

"Um."

Fan Qingsheng agreed and attached a divine thought to Fan Linglong.

Because that's because of her original physical body, Sage Fan Qing can clearly feel what she sees and hears in her physical body, and can even affect Fan Linglong's actions to a certain extent.

After making all preparations, Fan Linglong asked her: "Then I went out?"

"Um."

Saint Fan Qing picked up a book in his hand and read it quietly.

Quiet and beautiful, like a fairy-like existence, her disciple's temperament is unbelievable even if it is Brahma Linglong. Her disciple is a natural fairy, and no one can imitate this kind of temperament.

Even if she followed a man with other women, it did not affect her nobility in the slightest, and the Saint Fanqing was still a pure and flawless fairy.

"Stupid apprentice, do you believe him that much?"

Fan Linglong sorted out her appearance and tried to imitate her apprentice's indifferent temperament, then Lianbu moved lightly and walked out of the inner room.

Li Yun was sitting outside looking at his mobile phone. He found out that the Hidden Sacred Valley could indeed be connected to the Internet, and he did not know the principle.

After hearing the footsteps, Li Yun raised his head, showing a smile, and said: "Qingsheng, where is Master?"

Chapter 2968: Lost the bet

"She is inside, practicing."

Fan Linglong made up a reason for herself. In fact, she was cultivating a ghost, and her soul and bright realm was already at the peak of the world, and she couldn't make any progress even further.

Therefore, every night, even all day long, Fan Linglong is in a boring state. He doesn't need to practice, he doesn't like alchemy, and no one fights. He can only read books, play games, grow vegetables and so on.

However, in order to maintain the image of an expert, she still gave a reason for her practice.

"It's really worthy of being the master of the Soul and Bright Realm. I really worked hard."

Fan Linglong blushed with Li Yun's praise, she seemed to be a bad aunt who deceived the children.

"Qing Sheng?"

Li Yun looked strangely at Qingsheng's cold and beautiful face, which was covered by a thin layer of red clouds. In the past, she was not only when she was hugged by him and the two embraced intimately. Will she show a shy look?

Could it be that she wants to date him, date in the Hidden Sacred Valley, wants to be intimate with him?

The more Li Yun thought about it, the more he felt it was possible, so he took the initiative to hold Qingsheng's two small hands in his hands, smiled and said to the shyer one: "Qingsheng, since Master has already practiced, then we won't bother you. She's gone, let's take a walk in the valley? It's only less than seven o'clock now, we... still have a lot of time!"

".....it is good."

Fan Linglong was grasped by the man's powerful hands, and she only felt a strong discomfort from her small hands. After all, it was almost the first time that a man held her hands so intimately, and the irritation was absolutely not Low.

But inexplicably, perhaps it was also passed on to her by the body of the sage Fan Qing, a kind of well-being spontaneously impacted on the soul of Fan Linglong, and she subconsciously agreed to Li Yun's request.

When she recovered, she had been led downstairs by Li Yun's right hand.

"asshole!!"

Fan Linglong cursed silently in her heart, gritted her teeth to endure it, and regarded it as the sacrifice made by the master for the apprentice!

Isn't it just holding hands? no big deal!

"Qingzhu?"

Li Yun yelled, and after looking around, he didn't see where the little maid went, so he didn't care about her anymore. He would never encounter anything in the Hidden Holy Valley.

"The relationship between you and my maid is really good." Fan Linglong started the first trial, calm on the surface, but inwardly he has scolded him countless times.

Li Yun was taken aback, although he showed an apologetic expression: "I'm sorry Qingsheng."

"I'm sorry?"

Fan Linglong had a bad foreboding. Sure enough, Li Yun walked towards the valley while holding her hand, while explaining the previous event to her.

Including when the little maid suddenly said that he was going to marry him while washing the dishes, it also included Li Yun, who couldn't bear to see Qingzhu sad and took the initiative to hold her and kiss.

"how come....."

Fan Linglong sighed in her heart, this guy really didn't hide anything, and said these things directly to his fiancée.

Is it because Qingzhu is a personal servant girl, so I think Qingsheng will forgive him?

But she is not Fan Linglong!

"Do you feel worthy of me when you do this, and those sisters in Zhonghai City?" Fan Linglong asked softly, trying hard to learn the tone of her apprentice's speech.

In other words, she was Brahma Linglong, cursing directly, how could she speak softly? !

But swearing loudly is not the style of the Sanctuary.

Li Yun was silent for a moment before speaking bitterly: "Sorry Qingsheng, I know I was wrong again this time. Although I can excuse that Qingzhu's concept is different from modern people, I still provoke another girl. , While giving her happiness, it actually hurt her."

Chapter 2969: Go on a date with Fan Linglong

Fan Linglong said in a cold voice, "You also know this, so if I let Qingzhu leave and find someone to marry, what will happen to you?"

Humph, she will be a villain who beats a mandarin duck today!

See if this guy will become angry!

".....Do not."

Li Yun pondered for a long time, and finally shook his head, "Qingsheng, I can live up to Qingzhu, at least to understand her true intentions, if she doesn't like me, just stay with me because of your relationship, then I will respect her. s Choice.

On the contrary, if she really likes me, I will persuade her to reconsider, but if she..."

"Ah, if I know, you will agree, right?"

Fan Linglong pressed harder step by step: "Is that every girl who likes you in the future, you will accept it?!"

This sentence undoubtedly hit Li Yun's bullseye, he is indeed such a good person.

From Tang Anxi to Song Xi, Jin Liuli's mother, Li Feng's sister and so on.

These people liked him for various reasons. Li Yun couldn't bear to live up to their 100-point favorability rating, because the full favorability rating meant that they would not like others in the future.

How could he reject them cruelly and watch them spend their lives alone?

Li Yun also knows this weakness of his personality, and is also trying to change it.

But the wicked system put the data in front of him, one hundred points of favorability is one hundred points of favorability, and it will never change.

"Humph!"

Fan Linglong snorted coldly, but there was an impulse in his heart, wanting to plunge into Li Yunqi, or hold his hands to comfort him.

After suppressing the agitation, Fan Linglong said to Qingsheng's divine mind: Good disciples, wait a minute.

——She was influenced by the Sage of Fan Qing, and she had an impulse towards Li Yun.

"Sorry, Qingsheng."

"Will you say this?"

Li Yun didn't even notice that at this moment, the Sanctuary of Fan Qing behaved like an ordinary woman, jealous, acting like a baby, and complaining.

But his heart is now occupied by a sense of shame, and naturally he has not found her problem.

After the begging for mercy was invalid, Li Yun chose to be strong.

"Ah, what are you doing!?"

Fan Linglong screamed, and was suddenly hugged by Li Yun. The man's peculiar aura immediately enveloped his whole body, and his body was even more surrounded by the man's powerful arms. This kind of all-round surrounded and protected. The feeling of being cared for is extremely strange to Fan Linglong.

Unfamiliar enough to give her the illusion of trembling and burning.

She seemed to suddenly change from a peerless powerhouse in the Soul and Bright Realm to a little woman leaning against a man's arms. After being surprised, she soon began to enjoy and squinted her eyes.

"...Qing Sheng." Li Yun stroked her cheek, looking at Qing Sheng's peerless face that is getting redder, his heart was full of tenderness: "I have no personal time in the future. I will spend all of my time with you. As a compensation!"

Ordinary couples cannot meet for most of the day due to various relationships, and some even live in two places.

But Li Yun does not need to work to survive, and naturally has a lot of time to accompany them as compensation for them.

Being hugged by him, Fan Linglong's voice softened, "Forget it this time, never do it again next time."

Li Yun looked at her eyes, Fan Linglong looked at him too, the two people's eyes met, and the continuous emotion reached the peak again.

"Qingsheng~"

Li Yun hugged the Saint Fanqing into his arms, and the two of them pressed on their cheeks. This is what the Saintess likes very much to do. It can quickly melt away the cold outer shell of her, and it will only shrink. The little girl in Li Yun's arms.

Chapter 2970: Dating

The unrelenting saint became a little girl, and every time she saw it, Li Yun could feel a strong sense of pride.

Fan Qingsheng has become more humane because of him, and is no longer an independent fairy.

"Hmm~"

Fan Linglong groaned softly, slowly closed her eyes, and enjoyed sticking to the man's cheeks. The gentle touch made her head groggy, and the skin on her face could clearly feel the warmth of each other's skin.

"wrong!"

Fan Linglong suddenly awakened, pushed Li Yun away, and glared at him with his face covered in shame.

She was influenced by Qing Sheng again just now! Unconsciously indulged in it.

Fortunately, fortunately, this guy only developed to the step of cheek touching with Qingsheng, and didn't kiss any further or move his feet, otherwise, Fan Linglong would have the heart to kill him!

"?"

Li Yun finally became suspicious. He felt that tonight's Brahma Linglong was exceptionally different. Not only did he not behave like a pure saint, but he also reacted very differently after sticking his cheeks.

When he had dated Qingsheng several times before, after hugging her, Li Yun could get a cold-hearted retreat, full of tenderness.

As a result, Qing Sheng rejected him repeatedly today.

Is it really angry?

"No, he will find out!"

"If this **** knew that I was his master, wouldn't he be laughed at?"

Seeing Li Yun's skeptical look, Fan Linglong quickly took the initiative to hold his hand and tried to express his tenderness and affection. His beautiful face stiffly said, "I, I just don't think this place is appropriate, let's go. Find a good place, right?"

"Oh?"

Li Yun looked around, and indeed, this is a forest trail leading to Fan Linglong's residence. It is dim and dim and there is no light. It is really not suitable for love and love between male and female couples.

"Okay." Li Yun smiled and hugged Qingsheng's slender waist, making Fan Linglong's body so stiff that he almost slapped him.

"I'm not familiar here, Qingsheng, find a place with no one, with a good view next to it, and it is best to see some lights. This is the most suitable."

Seeing the lights can make people feel safe, and being in a dark and unmanned environment is very suitable for doing something. Originally, the city park is the most suitable place for dating. It is like the two banks of the Huangjiang River next to Qingyu's home for dating. Appropriate.

But in the hidden valley of the Hidden Sacred Valley, it is not easy to find a place with lights.

"...I know there is a place."

Fan Linglong twitched his head and blurted out.

After speaking, she wished to slap herself twice. Didn't this deliberately let Li Yun continue to hug her and continue to stick her cheeks?

She must have been influenced by the disciple, she must be!

Otherwise, how could she take the initiative to find a place to date a man if she has a dignified soul and bright realm, with a cultivation base that can reach the sky, and sees through the world?

"Good disciple, forgive Master, Master is also for your own good, tonight... Master must see through this guy's true face!"

Fan Linglong was hugged by Li Yun and walked forward, chatting with him in a different way.

What she didn't even notice was that her "physical body" became more and more relaxed, and she had gradually become accustomed to physical contact with Li Yun, instead of pushing him away as soon as she was touched.

"but....."

Fan Linglong, who was hugged by Li Yun with a soft waist, turned his head and glanced at him.

This man does have a hand to women. He is very gentle. Even if he is facing a close-knit maid, he will respect the other person's choice.
