

## Godly Choice 3021

Chapter 3021: Relationship of four

"Humph."

Concubine Wan Qing snorted and looked back and forth between him and Sage Fan Qing with a scrutiny gaze. Suddenly she smiled and said, "Did you fool around with your little lover last night? No wonder you didn't have time to come out and talk to me. , I thought you became confident."

In the past, Li Yun would ask her opinions when encountering knowledge that she didn't know, including the raid on the Hidden Sacred Valley by Concubine Wan Qing last night, and she was also ready to be questioned by Li Yun.

Unexpectedly, she was waiting outside the Hidden Sacred Valley for one night, and she almost had to fight the Hidden Sacred Valley again to see when the \*\*\*\*\* inside would come out!

"You are only half right."

Li Yun smiled slightly and held the little hand of Fan Qingsheng who was standing beside him: "Qingsheng is indeed my girlfriend."

Concubine Wan Qing's eyes widened suddenly, "Hey, Sage Fanqing, you...!"

Although the dispute between the holy demon has become a joke because of Penglai Island, the main dispute between the hidden sacred valley and the Liudaomen has changed from the previous dispute between righteousness and evil to the current fight for aura from the outside world, but anyway, the hidden sage The Saintess of Gu has always been the "enemy" of Concubine Wan Qing from childhood.

Regardless of the other people in the six gates, the elders or the venerable, or the master Wan Nishang around her, they all warned her that the future Saintess of the Hidden Sacred Valley will be her greatest enemy, and she must be cautious.

But now?

Li Yun, the man she liked, told her that he had already put her enemy in his pocket, and the saint of the Hidden Sacred Valley was his lover of Li Yun from now on! ?

"You won't be joking, did you deliberately tamper with me?!" Consort Wan Qing was really frightened.

Fan Qingsheng, a woman who can pretend to be noble, actually likes Li Yun? !

"I like Li Yun."

Facing Concubine Wan Qing's doubts, Saint Fan Qing only said five words, blocking all doubts of the two saints of Liudaomen.

Wan Nishang looked strange, "The saint of the Hidden Sacred Valley... I heard that the talent of that guy is more than three points better than that of Fan Linglong. Some people also say that if it is not because of recent events, the current saint of the Hidden Sacred Valley must be Can defeat the six-door saint, but unexpectedly, the hidden holy valley saint was defeated by a man."

Fan Qingsheng was indifferent to the words of the "predecessor" Wan Nishang. She didn't want to pay attention to these comments. She made things that she liked.

"Master!" Concubine Wan Qing groaned, "In Master's heart, am I so bad?"

"As far as your headstrong behavior is now, it's worse than I thought before."

Wan Nishang responded indifferently to her, but felt more and more weird in her heart.

She originally thought that this time she and Concubine Wan Qing attacked the Hidden Sacred Valley, it would be an endless end, and the battle with Fan Linglong might make the end of the undivided battle a hundred years ago. .

Either she died, or Fan Linglong died, or the two died together.

Unexpectedly, not only did the battle last night, but this morning she even saw the current saint of the Hidden Sacred Valley... and maybe even her other daughter.

Sage Fanqing looks very similar to Fan Linglong, and also very much like her, especially the eyebrows, which are really very similar to her.

"?"

Li Yun was a little strange. Even though Wan's neon clothes covered her face with black gauze, the look in her eyes when she saw the Sage Fanqing did not look like an enemy disciple, but like her daughter she hadn't seen for a long time.

What the \*\*\*\* is this?

What is the relationship between Fan Linglong, Wan neon clothes, Fan Qing Sheng, Wan Qing concubine? !

Chapter 3022: Feeling pregnant

"Hey, Li Yun."

Concubine Wan Qing squinted to look at him: "You just said that I was only half right. Could it be that you didn't talk to Fan Qing Sheng last night, but someone else?"

For Li Yun and the confidantes around him, it is normal for her to have this kind of conjecture.

"you guessed right."

"Ha ha ha ha, who is it?" Concubine Wan Qing's face was gloomy, this \*\*\*\* dare to admit it!

"It's Fan Linglong."

"What?!" x2

Concubine Wan Qing and Wan Nishang looked at him in shock at the same time.

"It's Linglong, that is, Qingsheng's master." Li Yun said frankly: "Something special happened between me and her, now..."

"Boy!!!"

Wan Nishang was furious, and suddenly made a move, and suddenly grabbed Li Yun by the collar on his chest, and lifted him up directly: "What you said just now, say it again?!"

"Master!"

Seeing the angry Concubine Wan's neon clothes, Consort Wan Qing was very surprised. She rarely seldom, even the first time she saw Master's anger, she was shocked for a while.

"I said it was the same several times. I had some relationship with Fan Linglong last night."

Li Yun stretched out his hand indifferently, removed Wan Nishang's hand, and then suddenly lifted the light veil on Wan Nishang's face.

One has a beautiful face that is three to four points similar to that of Fan Qingsheng and even Yu Wan Qingya, and is exposed to the three of them.

The delicate facial features are full of anger, but you can vaguely see that Wan Nishang's eyebrows are very similar to those of Van Qingsheng. The eyebrows are very beautiful. The only difference is that the corners of Wan Nishang's eyes are slightly fluttering, like a fox spirit. Pure saint is cold and holy, sacred and inviolable.

"you!"

Wan Nishang was furious, but the news just now made her lose her sense.

Li Yun squinted his eyes: "Senior Wan, you seem to care about Linglong very much. You are not so resentful on the surface, and...you, Qingya Wan, and Sage Fanqing, the appearances of the three are somewhat similar. In addition, Fan Linglong and Wan are elegant, looks..."

"Who is Wan Qingya?" Wan Nishang's face was gloomy.

"Uh, Wan Qingya is and is my other name!" Concubine Wan Qing winked at Li Yun, and blamed Wan Qingya, and went to Zhonghai City to find Li Yun without authorization.

"Senior, you haven't answered my question yet."

"Humph!"

Wan Nishang scanned Li Yun and the two current saints back and forth. After a long time, she suddenly smiled and said, "Forget it, since it has become like this now, you are also qualified to know what happened at the beginning."

Concubine Wan Qing had a bad feeling.

The same is true for the Vatican.

"Actually." Wan Nishang approached Fan Qingsheng a few steps, with a gentle expression on her glamorous face, her eyes were gentle, and the brilliance of maternity made it impossible for anyone to ignore.

"Actually, what?" Fan Qingsheng asked subconsciously, looking at this woman who looked like her five points.

"Me, me and Fan Linglong."

Wan Nishang hesitated for a long time, and then said in a shameful tone to Fan Qing Sheng: "It's you and Wan Qing's mother."

Sage Fanqing's pupils shrank slightly, which was already a huge shocking news for Qing Lengru.

Concubine Wan Qing was even more scared and took three steps back. Her master, is it her mother?  
!

"Two mothers?!" Li Yun was so surprised, female. Female child? !

This is too strong!

"It's not what you think, but it's not wrong to say two mothers."

A wicked smile appeared at the corner of Wan Nishang's mouth: "Since Qingsheng, you and Fan Linglong are married to a man, then some of the broken relationship between me and her, and the inexplicable ending, are nothing to disclose to you."

Chapter 3023: Saints have no father

Concubine Wan Qing left the Hidden Sacred Valley in a muddle-headed manner.

He even refused the master's company and disappeared into the sky alone.

She felt that it would take a long time for her to digest the news she had just learned.

Except for the fact that Saint Fan Qing was taken into the bag by that \*\*\*\* Li Yun, the fact that Wan Nishang is her mother and the fact that Saint Fan Qing is her sister, it is difficult for Concubine Wan Qing to accept the fact that she does not know the good news or the bad news.

"Disciple, in fact, you and Qingsheng are the same, you don't have a father, and you don't have a mother in the true sense."

"Strictly speaking, you are pregnant because of the heavens, but you have borrowed the bodies of me and Fan Linglong to conceive the two of you."

"As for the details, you can ask Fan Linglong. It is inconvenient for me to talk more..."

Concubine Wan Qing did not know how to face Wan Nishang who suddenly changed from a master to a mother, nor did she know how to face the Saint Vatican who changed from an "enemy" to a sister. After leaving a sentence that she didn't know what it was, she seemed to run away. 'S left.

"I feel pregnant... Is there such a nonsense way in the world?"

Consort Wan Qing scolded her master's nonsense as she walked.

She would rather believe that Fan Qingsheng is her half-sister, Fan Linglong and her master had the same father at the time, and the two saints fell in love with the same man, just like her and Fan Qingsheng now.

She even would rather believe that her master is a girl with a fanatic exquisite girl, and would not believe any deceitful words that are conceived by nature.

But Wan Nishang was so vowed that she had to believe that Concubine Wan Qing had no father, but two mothers... In other words, like some saints in history, she was pregnant.

"...Asshole Li Yun, I blame you!"

"If it hadn't been for you to accept Brahma Linglong, my master wouldn't be so outrageous..."

"Master Chou, you are really, so you are pregnant... You can simply say that you and Fan Linglong are old friends. Anyway, I don't mind you being a 'father' and Fan Linglong as a mother..."

Consort Wan Qing was in a mess, and she felt that she would not appear in front of them in the next six months.

I can only save it later, and ask what is going on after I figure it out.

...

Wan Nishang left. She wanted to hug the Sage Van Qing before she left, but was rejected. Wan Nishang looked very disappointed. She wanted to say something several times, but finally left silently, leaving only a maternal brilliance for the Sage Fan Qing. Look in the eyes.

"Being pregnant by feeling the sky, no saint has no father."

Li Yun felt thoughtful after seeing her eyes, perhaps Wan Nishang hadn't lied yet.

Both "Historical Records" and "Chunqiu Gongyang Biography" both have similar records: "The saints have no father, and they are in response to heaven."

For example, Fuxi, whose mother Huaxu was conceived by measuring the footprints of giants, means that the Huaxu family was pregnant with Fuxi when he was idle one day to measure the footprints left by the giants with his feet.

The mother of Shennong who tasted Baicao was the young concubine Deng, who was pregnant because of Shenlong.

There is also Xuanyuan Huangdi. His mother was also pregnant when he saw the thunder surrounding the Big Dipper at night.

The magic is that not only the East has such legends, but also the West.

The saint Jesus, his mother Maria also became pregnant with God's light and gave birth to \*\*\*\*\* in the stable.

This is also true of Shakyamuni, whose mother dreamed of a white elephant with six teeth and became pregnant.

If this is the case, then it would be no surprise that both the Brahma Qing Sheng and the Wan Qing concubine both have the qualifications of saints. Their incarnation is inherently extraordinary, and they are born with unusual abilities and an important... mission !

Chapter 3024: You are my mother

"Qing Sheng."

Li Yun looked at Fan Qingsheng with a worried look, for fear that she would be touched when she heard her own life experience.

Sage Fanqing shook his head slightly, "I'm fine, I'll go and ask Master personally."

Li Yun had no objection. Since Wan Nishang personally said what happened back then, and asked Qing Sheng to inquire about Fan Linglong, one of the parties said so. If you want to come to Fan Linglong, he won't conceal what happened in the first place.

The two returned to the Hidden Sacred Valley again and went straight to Fan Linglong's small building.

"Ah, Lord Saint, you are back."

Qingzhu was walking upstairs with a bucket of hot water, and was very happy to see Lord Saintess. She already knew what had happened in the valley. The Hidden Sacred Valley was divided. She can only follow Lord Saintess now. Other places It's not her home anymore.

"Um."

Sage Fanqing looked at the hot water in the wooden barrel, and Qingzhu quickly explained: "I see Master Linglong last night--" The little maid blushed and gave Li Yun a hard look before she said with a bulging mouth: "It's all to blame for this fellow Hu, who made Master Linglong last night... unable to get up, and the inner room was dirty."

The little maid sneaked into the inner room and took a look. She blushed and hurried out to boil hot water, thinking that she would use it when Master Linglong got up.

Li Yun coughed, "Xiao Qingzhu is really good, let me mention it!"

"Huh, I don't need you."

Let the two chatter here, Sage Fanqing went upstairs and woke up the sleeping master.

The hair that was behind her head had strange mottled marks. The strands of hair were knotted together, and she didn't know what was on it.

"Good boy, this is..."

Fan Linglong sat up with difficulty with the help of his apprentice. After seeing the traces of her white body, she suddenly recalled what happened last night.

Her beautiful and mature Yujie face slowly turned red.

Especially when I was seen by my apprentice with my own eyes, I was even more ashamed.

"Baby, last night... it was not what you thought!" Fan Linglong wanted to explain, but she now looks naked, plus the traces of being tossed, even if she has eight mouths, she can't explain it clearly. !

"Ok, I know."

Sage Fan Qing responded briefly, looking at Fan Linglong's shy face, suddenly shouted: "Mother."

"what?!"

Fan Linglong looked at her in surprise.

Fan Qingsheng shouted again: "Mother, Master, you are my mother."

"..."

Fan Linglong's expression slowly turned from surprise to sluggishness, then to shock, and suddenly grabbed her arm: "Disciple, who told you?! That dead \*\*\*\* in Wan Nishang hasn't left yet?! Bastard, how dare she...no, take my thunder talisman, I will kill her!!"

"Who killed?"

Li Yun walked in with a smile, and let Fan Linglong subconsciously grabbed the sheet, covered her body, and said in embarrassment, "Who let you in!"

"What's the matter?"

Li Yun walked slowly to the bed, picked up Fan Linglong, who was evasive and protesting, and after tearing off the sheet in her hand, he carried her out of the outhouse and put her into the prepared hot water bucket.

Fan exquisitely screamed throughout the whole process, which made Qingzhu's little maid look dazed in place, until she watched the black and long-haired exquisite master's body submerged in the hot water, she ran downstairs in a panic. .

It's too scary.

Chapter 3025: Soul Ming Realm Girlfriend

Fan Linglong submerged all the body under his eyes in the hot water of the bathtub, and his shy eyes stared at Li Yun in annoyance, and looked like he could not stand up and bit him on his shoulder, just like last night.

"Why are you still ashamed?"

Li Yun smiled and picked up her long hair in the water, and gently combed for her. At this moment, Fan Linglong was very cute, just like a duck in the water hiding.

"Hmph, you guy...you always force me, can't you give me some time to adapt?!" Fan Linglong put his mouth out of the water and said in embarrassment.

"I didn't force you, but there is no need to be shy."

Li Yun said: "Qingsheng, Qingzhu are not outsiders, why are you shy? Besides, you didn't give birth with Wan Nishang a hundred years ago..."

Before he could finish his words, Fan Linglong slapped him with a handful of water and forcibly interrupted him.

"What nonsense are you talking about!"

"Don't give birth to Qingsheng and Neon clothes together? Actually, I don't mind at all. The girls stick to each other, how beautiful the Lily kisses are. I like to watch... Don't, can't I just say it?"

Fan Linglong used the strength of the Soul and Bright Realm to tell him that a girlfriend in the Soul and Bright Realm is not so easy to provoke, especially when the girlfriend of the Soul and Bright Realm is angry, especially be careful of her Soul and Bright Realm's strength to fight back!

Key point: the soul and the bright realm, circled, to be tested.

Li Yun hurriedly hid beside Qing Sheng, who was sitting aside reading, using the good apprentice of his girlfriend in the Soul Bright Realm as a shield.

"Linglong, you should also think about it for Qingsheng?" Li Yun hugged the lady who was reading from behind, "No matter what her background, it is fine if she is the same father as Concubine Wan Qing, it is you and Fan Linglong who fall in love. Whether it is born later, or is pregnant like a saint, should I explain it?"

Sage Fanqing raised his eyes and looked at Fan Linglong in the bathtub. The latter had already stood up from the bathtub. After hearing Li Yun's words, he stayed on the spot. After a long time, he fell back into the bathtub and splashed a large piece of it. Splash.

"Injustice!"

"..."

Li Yun and Fan Qingsheng both looked at her. After a long time, Fan Linglong said weakly, "Qingsheng, do you really want to listen to the original matter?"

"Let the master decide."

"I just let you decide!"

Fan Qingsheng did not answer yes or no, but just looked at her.

After a while, Fan Linglong smiled bitterly: "Wait, wait some day I think I should let you know, and then I will tell you, okay?"

"Um."

Saint Fanqing stood up and put the book on the table.

Then, Xianxiansu took off her clothes and scattered them on the ground, showing her exquisite body in front of Li Yun, and quickly entered the bathtub.

"Mother, let your daughter serve you in the bath."

Sage Fan Qing picked up the bath towel and gently wiped the tears on Fan Linglong's face and the mottled marks left by Li Yun on her hair last night. The picture was so beautiful that Li Yun who appreciated this scene could not bear to make a sound, let alone What will be added.

Just watching it quietly, I feel satisfied.

Does the truth matter?

Undoubtedly it is important, but compared to the current life, the truth is secondary.

...

After taking a shower and eating lunch, Li Yun finally asked Fan Linglong about his stay.

"I thought you would kidnap me desperately."

Fan Linglong seemed to be smiling but not smiling. I don't know whether it was the six hours of last night or the official acquaintance of her "daughter" who was pregnant with the feeling of heaven. She was in a very good mood, better than ever.

Chapter 3026: I believe you to blame

Li Yun helplessly said: "Tell me that I am a good man who respects girls' opinions. Why do you not believe me, Linglong?"

"It's strange to believe you, pervert."

Thinking of being watched by this guy during the bath just now, Fan Linglong couldn't help but flush again. She glanced at her daughter and found that her daughter was still calm.

"I won't go out with you."

"Good." Li Yun nodded.

"...Don't you question my decision? Or, keep it?"

"Will not."

Li Yun smiled and said: "Because I believe Linglong you will go out to find me, maybe three days later, or ten days, in short, it will not be more than a month."

Fan Linglong gave him a roll of eyes, "I won't be so fast...you're going to do it again. In short, I will stay in the valley until it is confirmed that the six gates will not attack again, and that everything in the valley is safe, then will... temporarily leave here."

Li Yun said: "Six Daomen shouldn't worry anymore, according to Wan Nishang and her daughter, who is also your daughter, Qing Concubine."

Fan Linglong was a little uncomfortable with this statement. The six-door saint was actually her daughter. The evil fate a hundred years ago had such a profound influence. Who could have thought of it at the beginning?

She just gave birth to the Vatican Sage more than 20 years ago, which means she has been pregnant for more than 80 years. Surely the same is true for Wannichang?

Li Yun continued: "They have taken control of the animals in the six gates, the two evil ghosts, the humanity and the asuras disintegrated, and the six gates only left the heavens and hells, and there is no need to worry about the six gates for a long time. Attack of the door."

"As for last night." Li Yun explained to Fan Linglong: "It's because the mother and daughter of Wannichang feel that since the six gates have been split, the Hidden Sacred Valley should also be split. It just so happens that they know what happened in the valley recently. The God and the Holy Lord are at odds, so I plan to use arrogance to intensify it."

"I'm not a fool."

Fan Linglong said with a cold face: "Last night's attack on the six gates was just a catalyst. In the final analysis, it was because we had a problem. Don't worry, next time I see Wan Nishang's mother and daughter, I will only tie them up and beat them up. It won't do anything to her!"

"..."

Li Yun couldn't laugh or cry, but he didn't persuade him anymore. It would take a long time to solve their grievances a hundred years ago.

Not to mention that the two saints conceived from the sky and gave birth to the next saint together. The relationship during the period was even more chaotic.

"I feel pregnant..." Li Yun looked at Fan Linglong, "Amidst the darkness, is there an invisible hand controlling everything?"

"Humph!"

Fan Linglong said uncomfortably, "I will find out one day!"

It seems that the fact that she and Wan Nishang became pregnant a hundred years ago, there are other hidden reasons, and it certainly will not be as simple as the pregnancy that a certain man secretly gave them.

Li Yun was suddenly interested in testing Qingsheng's DNA to see how similar she was to the DNA of Fan Linglong and Wan Nishang, and whether there were any third parties' gene fragments.

However, there should not be a third person. If there is, Fan Linglong and Wan Nishang have gone violently. It is very likely that both parties were pregnant at the same time because of something. The first pregnancy took nearly a hundred years before giving birth. The sage of Fanqing and the concubine of Wanqing.

This matter will be put aside for the time being.

Li Yun stood up, looked at Fan Linglong lying on the chair, and asked seriously: "Linglong, are you really not leaving with us for the time being?"

Fan Linglong hesitated for a while, shook his head, closed his eyes and said: "Let's go, I will stay in the valley for a period of time, and then... go find my disciple."

"Okay, Qingsheng and I will be waiting for you in Zhonghai City!"

Chapter 3027: parting

Li Yun left the Hidden Sacred Valley with the Sage of Fan Qing and the little maidservant of Qing Zhu.

Fan Linglong didn't open his eyes, panted and lay on the chair, gently stroking his lips with the remaining warmth of his intimacy, as if Li Yun were still by his side.

The \*\*\*\*\* kissed her before he left.

And in front of her disciple and maid.

And kissed twice.

After kissing her, they kissed her disciple and Qingzhu in turn, and finally gave her a deep kiss before turning to leave.

"Asshole...Li Yun."

Whispering his name, Fan Linglong stood up, came to the window, fixedly looking at the direction of the exit of the Hidden Sacred Valley, as if he could still see the back of Li Yun and his daughter leaving.

Only less than three minutes later, she felt the boundless loneliness and loneliness enveloped her, as if she was kissed by Li Yun for four hours the night before, and the scenes of six hours of intimacy with him last night are still in front of her, deeply. Engraved in her mind.

Fan Linglong was sure that if Li Yun turned around and invited her to leave the Hidden Sacred Valley again at this time, she would definitely agree.

Unfortunately, that guy didn't do that. Deep down, Fan Linglong didn't want to leave the Hidden Sacred Valley at this time.

After tasting the sweet taste, the lonely time is particularly difficult.

Fan Linglong suddenly chuckled and said to herself: "If there were no accidents between me and Li Yun, how would I feel now?"

It will be a very painful, very sad, very unbearable day, right?

At least she still has hope now. As long as she persists for a few more days, or ten and a half months, as long as the Hidden Sacred Valley stabilizes, she can go to Li Yun with integrity.

No, not for him, but for her good daughter. I heard that Qingsheng bought a house in Zhonghai City. As a master and mother, it is normal for her to live there, right?

Even if she is not with him, she can still live in her daughter's home without facing Yingying Yanyan beside the bastard.

She is also an elder, and it's not sensible to mix with a group of little girls!

Well, it was so decided. After half a month, if nothing happens, leave the Hidden Sacred Valley!

After making the decision, Fan Linglong suddenly relaxed, humming downstairs, ready to take care of the vegetable field in front of the house.

But when she went downstairs, she saw someone in front of the door.

"Valley Lord?"

Fan Linglong stood still, looking at him with a plain expression, not as sad as before.

In front of outsiders, she has always been a mysterious image of Gao Leng.

"Lord Valley, are you coming to see me for something?"

"Yes...I suspect that the Six Gates have other backs, especially the other places similar to the gates of life and death on Penglai Island. I would like to ask Linglong you to go out and investigate. I and the sage are a bit unable to walk away."

"it is good."

Fan Linglong agreed and nodded slightly, "It just so happens that I also plan to go out in half a month to see what the world is like now, so I will go out in some time?"

"It's up to you to decide." The Holy Master of the Hidden Sacred Valley said with a smile, before leaving, suddenly turned to her and said: "Congratulations Linglong, you found a good husband and wife!"

"You... don't talk nonsense, it's nothing like that!"

"Ha ha ha ha."

Fan Linglong touched her hot cheeks, and said in embarrassment, "That \*\*\*\* made me embarrassed again... However, the strength of the valley master is so strong, standing downstairs for a long time I didn't notice him. Could it be me? Just thinking about it, caused the ability of spiritual sense to decrease?"

However, with such a powerful Valley Lord sitting in the Hidden Sacred Valley, she can also leave with peace of mind.

Chapter 3028: go home

"I am back!"

Standing at the entrance of the hall of Mansion No. 3, Li Yun yelled toward the door, and soon a scream came from the third floor.

A petite loli ran down from upstairs carrying a skirt, her small face was full of surprises. After seeing Li Yun in her eyes, her cute little face burst out with a joyful smile:

"Husband~"

Li Yun greeted her, hugged the little princess Lori from four hundred years ago, felt the vigor in her body, and felt lucky from the bottom of his heart.

Fortunately, four hundred years ago, Yongning met Fan Linglong. Otherwise, Li Yun entered the tomb of the twenty-eight stars and only saw a pile of bones.

"Li Yun!"

Gong Lianyi on the third floor also heard that this charming woman had always acted as the big sister in the family when Li Yun left, taking care of the little princess, taking care of the twin sisters, arranging chores at home and so on.

Li Yun, who consciously owed her a lot of money, embraced the little princess with one hand, stretched out the other hand, and hugged Gong Lianyi's waist, who was walking quickly. In the little exclamation of this intellectual imperial sister, she felt pain. Kiss down.

"No, no, Yongning is still on the side...well, look at it."

"It doesn't matter~, sister Lianyi, you also miss your husband, right?"

Princess Yongning snickered with her mouth covered. She was already used to living in the palace. In the morning she went to bed, and in the afternoon she chatted with sister Lianyi and watched TV. After all, everyone else in the mansion went to school.

After the kiss, Gong Lianyi was already out of breath and had to push Li Yun away with a blushing face, lest this guy move his hands and feet and lose his sense in front of the lady.

"Lian Yi, I'll introduce you again!"

Let go of the two daughters, Li Yunra, the cold and holy Vatican, and the little maid with a contemptuous expression on his face, holding one in each hand, stood in front of Lian Yi and Princess Yongning.

The two women immediately understood what it meant. Princess Yongning's big clear and innocent eyes widened immediately, while Gong Lianyi was too surprised to cover her small mouth, and her eyes showed shocked expressions.

"Li Yun, you!"

"Husband?"

"Well, as you can see."

...

After returning in the evening, Gong Qingyu, Li Feng, and Fang Xue, who had already learned the news from their mobile phone messages, really saw the saint's lord relying on Li Yun, and they were sitting on the sofa intimately and watching TV. , All dumbfounded.

"Okay, awesome."

Su Muxin rushed to Fan Qingsheng's side, held her little hand, and said admiringly: "Is the saint lady our sister in the future?"

To be very straightforward, even Gong Qingyu gave this little pepper a cold eye.

"Um."

Sage Fan Qing answered very straightforwardly, and the sound of heavenly voice accompanied by the nodding movement affirmed her statement.

"Wow~~~!"

Su Muxin plunged into her sorrow, as if a younger sister was acting coquettishly towards her sister, and said in a delicate voice: "It's great, great. The saint lady has become a saint sister. Little pepper, I am so happy. Hey, the saint sister is so powerful, she can definitely subdue Li Yun, a bad father, right?"

Li Yun: "..."

This little pepper is completely out of help. If you only speak with color, you must educate her tonight.

Gong Qingyu looked at the cold and holy temperament of the Vatican, and suddenly felt a very strong sense of crisis.

It was not because of the insecurity of the first wife, she knew that the saintess...no, it was the character of the saint sister, she would not be jealous or fight for the first wife.

Chapter 3029: Don't want to care about you

Gong Qingyu was purely afraid that Li Yun's charm was too strong. Even the deserted fairies like Sage Fan Qing were attracted to him. Is there any woman in the world who can resist his charm?

Although Li Yun has repeatedly promised that he will not be in trouble outside, Gong Qingyu also believes that he treats every woman with a good character, and decides that he will not treat women in a casual manner.

However, there will definitely be three, four, or seven or eight girls joining this big family again in the future.

What will happen then?

...

Of course, there were no scenes of messing around in the dark at night. After all, Caixia and Caiwei were still there. Even if they were open and playful like Su Muxin, they would restrain their personality and be a good sister-in-law who counseled her sister-in-law to do her homework seriously.

"Let's play, I will go to the study to watch anime."

Gong Qingyu still likes watching anime very much. Her study and studio have become a place where she goes every night, occasionally other girls will go too, but most of the time she is alone in it.

Li Yun watched her go in. After waiting for a while, he went to the bathroom under the pretext of going to Gong Qingyu's study.

The study of this classical beauty is very characteristic. You can't see any resting place when you open the door. There are only three or four rows of bookshelves. There are some books and collections scattered on the floor with thick carpets, which looks quite warm and elegant.

Li Yun walked through the bookshelves, spared a round table, and walked a few steps. Then, from the side of a couch facing the window, he saw a classical beautiful girl lying on the sofa holding an anime pillow and watching anime.

After hearing someone coming, the beautiful girl wearing only a simple pink pajamas and pajamas did not respond.

"Are you watching 'Giant'?"

Li Yun sat down next to the beautiful girl, and naturally hugged her in the shackles. Then, he hugged her whole in his arms, turning her into a state of completely enclosing her.

The beautiful girl didn't object, but just nuzzled him, and after finding a comfortable position, she hummed her nose.

"I haven't watched it for a long time. I should have only seen the seventh episode? Or the fifth episode. Anyway, I only saw the protagonist Allen's mother being killed and then fled into the city wall to train to fight back against the giant."

"Hmm, I'm too lazy to talk to you."

"Hey? Take care of it."

"I don't want to care!"

"Why?"

"No why, I'm in a bad mood!"

"Why are you in a bad mood? Can you tell your boyfriend to comfort him?"

Li Yun coaxed the injured Gong Qingyu like a little girl.

Any girl needs to coax, even if it is a genius such as Gong Qingyu, or a cold as a sage, Li Yun needs to be coaxing around, otherwise, it is easy to be suffocated.

"Why don't you know yet!"

Gong Qingyu bumped his chin with her head, and when he was disturbed by this guy, she didn't even want to watch anime.

Forget it, let's make up later.

Gong Qingyu took out the remote control and transferred "Giant" back to the third episode of the first season. Although he knew that this guy was not in the mood to watch the animation, he would definitely make trouble with her and bully her later.

"Should I say sorry?"

Li Yun picked up Qingyu's blue silk hair and twisted it with his fingers, feeling the softness of her hair.

"Sorry, if it's useful, my sister won't be so many!" Gong Qingyu began to feel angry. This \*\*\*\* is so disgusting. He clearly promised, but he still took the girls home one by one!

Chapter 3030: Gong Qingyu

Li Yun hugged her tightly. He had been with a group of beautiful girls for so long, and of course his emotional intelligence would not be too low.

Not afraid of girls being angry, in Li Yun's theory, all angry girls can be coaxed, but girls who ignore people are the most terrifying existence.

"Qingyu, let me tell you about my journey to the Hidden Sacred Valley this time?"

"Hmph, didn't you just say it?"

"That's for Caiwei and the others, as well as the Li version."

Gong Qingyu, who likes watching anime, couldn't hear what the inside version meant. He immediately turned his head and sat in a hug with him. A pair of jade hands were also placed on Li Yun's ears, and said fiercely:

"Quickly, let me see what your harem hero did in the Hidden Sacred Valley!"

The hero of the harem?

Li Yun couldn't laugh or cry. The words describing the hero of Sakura Country's animation were placed on him, as if unexpectedly suitable.

"Actually, I didn't do anything, just had some relationship with Qingsheng's master and mother...hiss, it hurts!"

"Master, and mother?!"

"Injustice, it's actually one person, Qingsheng's master and mother are the same person!"

Li Yun cleared his throat and began to tell the story, especially the four hours and six hours of the two nights. He said so clearly that Gong Qingyu blushed.

"It's not because you are too fucking!" Gong Qingyu twisted his ears, "If you didn't mess around with sister Qingsheng, you wouldn't provoke her master, let alone know that she is Qingsheng. Sister's mother."

"but."

Gong Qingyu hesitated, "I forgive you this time. After all, from your words, I know that senior Linglong is also very lonely. Although your Mr. H is broken, you can at least bring her. Some warmth can also make Qingsheng's sister feel at ease."

Li Yun was so moved that he could not speak, even the jealous Gong Qingyu, as always, tolerated him.

"It's just that you don't think you are getting more and more ghosts?"

Gong Qingyu looked at him with weird eyes, "First is Li Feng, then Hu Xiaomeng, then Jin Liuli mother and daughter, your taste is really cold!"

Li Yun was embarrassed for a while, but soon thought: "There is also your Aunt Lian."

"Puff, luscious!"

Gong Qingyu squinted and laughed. The curved eyelashes were particularly moving. Li Yun couldn't help holding her, and gently kissed Qingyu's beautiful willow eyebrows.

"Bad guy."

Gong Qingyu closed her eyes comfortably and made an unexplained grunt, allowing Li Yun to affect her hot cheeks and forehead.

"Qingyu."

"Um."

Responding to his call, Gong Qingyu was quickly kissed by Li Yun. Both of them forgot the "Giant" animation on the big screen and began to do passionate things between lovers.

for a long time.

Gong Qingyu was lying on Li Yun's shoulder to rest. After taking a breath, his voice lazily said, "Is Senior Linglong the last one?"

"Um."

"Don't believe me, the relationship between you and Concubine Wan Qing is extraordinary. You can see from Wan Qingya's attitude towards you, she must be too."

Li Yun was speechless.

Concubine Wan Qing's favorability has reached 99,100 and it is only a matter of time.

In addition, he does have a good impression of Concubine Wan Qing. Indeed, as Qingyu said, Concubine Wan Qing became her sister almost without any surprises.

"Besides." Gong Qingyu gave him a white glance. "Just like you said, Consort Wan Qing's master and mother can't run away. You are all in your bag, right?"

"Innocent!"
