

"Little Chili!" Gong Qingyu muttered with a flushed face while holding the phone. "Next time you meet, you must squeeze her face well. Don't squeeze it to the point of redness or loosen it!"

"What's wrong?" Li Yun asked curiously, what are these fairies talking about in the group?

"When we are talking about our aunt, how can we guard against you."

"What?!"

"Hehehe, hahaha~"

Gong Qingyu laughed haha, stretched out his hand to pinch the bad guy's waist, Li Yun felt pain and enjoyment. Although Qingyu was not a lonely person like the Sage Fanqing, he rarely laughed easily. This is usually Xiao Mingzhu would only show a bright smile.

Mingming Gong Qingyu reads comics, skips classes, and is lazy. She has complete facial features with ladies. But strangely, she always has a very ladylike temperament. Even Lianyi, who meets the most lady's standards, does not have such a feeling in temperament. .

It's really weird.

In the end, Li Yun can only be attributed to Gong Qingyu's classical beauty, and she really looked like a reserved lady when she was cold. If she didn't know her details, she would definitely think she was a master of piano, chess, calligraphy and painting. Virtuous woman.

But actually... Gong Qingyu is simply the laziest, most depraved, and least wanting to go out among the girls around Li Yun.

Of course, she is also the most aggressive, and two contradictory behaviors appear in one person, and sometimes Li Yun feels that she can't understand her.

"Why keep looking at me again?"

Gong Qingyu pursed his mouth. Doesn't this guy want to kiss her again? Really, in one day today, she didn't know how many times she had been kissed.

And in the closed bathroom just now, her hands were also sore.

However, this is not the first time she has done such a fun thing with Li Yun, and occasionally they do it when they watch anime in the study together.

"I want to kiss you."

Li Yun put his arms around her waist, bowed his head and made a scent on Qingyu's lips. The classically beautiful girl had no intention of refusal, her eyelashes trembled, and she slowly closed.

The two did not kiss each other, but their lips touched each other.

Li Yun lowered his head, Gong Qingyu raised his head.

The two did not move, maintaining this way, feeling the breath exhaled by the other party, the sweet breath blending with each other, and lasted for half a minute.

"Let's go."

Pushing him away, Gong Qingyu took a brisk step, took his big hand and walked forward, brows full of happiness.

This kind of happiness also infected Li Yun. What could be happier in the world than to make his girlfriend feel happy?

The two were walking aimlessly on the campus of China Overseas University. Some students who recognized Li Yun and Gong Qingyu also knew that they had skipped class, but because the identity of Li Yun's supernatural director is really weird, they also Didn't say anything.

The student president is the president in the traditional sense, but the student president still belongs to the category of ordinary students and has to learn.

But Li Yun is different. He is the president of the Ability Association. Even if he skips class openly, as long as he uses the excuse "I'm practicing the ability", the teachers and students in the school can't find a reason to provoke him.

Of course, if Li Yun's cultural class is too bad, he will still be said, but the standard will be much lower than that of ordinary students.

"Qingyu, where are we going?" Li Yun finally asked after walking around the campus three times.

"I don't know~"

Gong Qingyu didn't know where to go, but she was already satisfied at the moment, and she was the same wherever she went.

"Go to the movies?" Li Yun suggested. This is where most couples go on dates.

Chapter 3053: bring it on

"Too vulgar."

Gong Qingyu shook his head and added: "Well, although it's vulgar, I still have to go once. From now on, I don't want to go today."

"Then go to the amusement park, the park?"

Li Yun also suggested that these two places are also favorite places for lovers.

"It's too far, and I don't want to be noisy around." Gong Qingyu wrinkled her nose and didn't want to go.

"Then go sit in the store?"

Li Yun forgave Gong Qingyu's waywardness today. Well, the waywardness of tolerating girlfriends is also one of the compulsory courses for boyfriends.

"It's not fun, I don't want to eat anything."

"Go to Anime City? Your favorite!"

"Trash." Gong Qingyu lied, "Domestic animations are cheating money. There is no fan club, and there is no love at all."

Li Yun smiled and said: "Then find a chance, I will go to Sakura Nation with you, the world's largest fanzine instant selling club, now it looks like CM99?"

CM is the abbreviation of ComicMarket. It is the world's largest animation exhibition attended by animation enthusiasts. It has a high reputation worldwide. It lasts for three days and has millions of people attending it every day.

During the venue, you can find cosplays of any cartoon image you can imagine, including some domestic cartoons.

Of course, the premise is that you can find it. After all, there are too many people involved in cos.

Gong Qingyu's eyes lit up slightly, "Then let's go when we CM100? Well, ask them to go together, Xiaojiao, the saints and others, go on a trip together!"

"There is still half a year, and the time will not come until next summer, so where are we going now?"

"I do not know....."

Gong Qingyu was discouraged again. She always felt that it was appropriate to go, and it was not appropriate to go. She had many places where she wanted to go to play with Li Yun, but she felt that today is not a good day and there is not enough time.

Although knowing that there will be opportunities in the future, Gong Qingyu wants to experience things that are hard to experience again in a lifetime, leaving her with unforgettable memories.

From her entanglement, Li Yun probably guessed her thoughts, and said mysteriously: "Should we go home?"

"what?"

Gong Qingyu was a little unhappy. This guy is only at 3 o'clock in the afternoon, so he is thinking about the night?

Do you want to eat her deliciously so eagerly?

"...Forget it." Gong Qingyu thought for a while, but compromised, with a blush on his face: "Then, then go back, knowing that you are energetic."

Li Yun looked innocent, "What are you thinking about."

"Isn't it?" Gong Qingyu was ready to dedicate himself. Although a little shy, he still agreed.

"of course not."

Li Yun replied in a serious manner: "I just want to learn some painting skills with Qingyu!"

"Painting skills?" Gong Qingyu instinctively felt that this so-called exchange of painting skills was not a good thing.

"Well, drawing techniques related to human body sketching."

"what!?"

Gong Qingyu looked at him in astonishment. After receiving Li Yun's confirmation, he nodded, and then he covered his forehead and said aloud: "I know you are uneasy and kind, and what kind of human body sketch, shouldn't it be..."

She subconsciously looked at Li Yun, the latter posing as a bodybuilder, showing off her lower biceps, with a very strong facial expression of mine. Gong Qingyu sneered and laughed. His face blushed and said: "Human and human body sketches are human body sketches. Am I still afraid of you? Let's have another game, dare you?"

"bring it on!"

Chapter 3054: Now you are satisfied

Li Yun and Gong Qingyu's acquaintance began with a match.

At that time, Li Yun was in full swing. He ruled the mock test with a nearly full score in the small rural town of Longyang County. He was naturally not convinced by the genius girl palace at the Zhonghai Foreign Languages Institute.

The two secretly competed, and it ended in Li Yun's victory.

In the end, Gong Qingyu was annoyed and took people directly to Li Yun's press conference to compete with Li Yun under the witness of the media.

The result was still pale, and finally had to be convinced.

Later, after a few more things, Gong Qingyu fell in love with Li Yun and no longer cared about winning or losing between the two. After all, Li Yun had already gained her recognition, and how could he win or lose compared with her boyfriend.

But today, on this special day when she is about to transform from a girl to a woman, Gong Qingyu is going to confront Li Yun again.

The bet is naturally Gong Qingyu's...

This is the only bet, but neither side feels a loss.

When they got home, the four maids were a little surprised. After all, they also heard that today is the date of the young lady and the uncle. They didn't expect to come back so early. Can they not wait?

Thinking of this, the four of them glanced at each other and instructed the kitchen to prepare red date chicken soup. The young lady would get up tomorrow morning to help her body.

Lian Yi was still on the third floor, and was quite surprised when he saw Li Yun and Qingyu coming back.

"Auntie Lian~"

Gong Qingyu stepped forward and took her arm, bent over her ear and said a few words. Gong Lianyi blushed immediately, but still a little suspicious: "Painting?"

"Well, you are right!"

Li Yun was also surprised, with Aunt Lian?

Will the battle be too fierce for the first painting showdown like this?

Gong Lian didn't know why, she was dragged into the study by Qingyu, and Li Yun followed close behind. After the three of them entered the spacious study, Gong Qingyu turned around and locked the door behind him.

Seeing this scene, Gong Lianyi became more shy, and tried to escape several times, but was still coaxed and dragged in by Gong Qingyu.

As mentioned earlier, Gong Qingyu's study room is very large. There are rows of large bookshelves outside. Entering inside, there are sofas and low tables by the window, as well as some drawing board paint, etc. There are no other households outside the window, and there is a mansion in the distance. Surrounded by trees.

It can be said that the secrecy here is absolutely good enough, and there are only four maids and a few old maids who guard themselves on the second floor. Even if they hear something, they will never say anything.

In addition, Princess Yongning also went to Fanqingsheng's mansion to play with Qingzhu. Even if Fang Xue and the others came back at night, they would not come into the study because of a tacit relationship.

It has become a sweet home for Li Yun and Qing Yulianyi.

"This, Qingyu, I, I still wait, wait a few days?"

Gong Lianyi was fidgeting, of course she knew what would happen next.

"It's okay, Aunt Lian, don't you know the absurdity of this guy? You will definitely accompany him with other people in the future..."

Gong Qingyu whispered persuasion in her ear, Gong Lianyi didn't want to agree, but Li Yun was on the side again, so she could only shut her mouth, sat on the sofa holding a pillow, and glanced at Li bewildered. Yun quickly moved away shyly.

"Lian Yi."

Li Yun took the initiative to step forward and held her little hand. Only less than three minutes later, Gong Lianyi, who was soft-hearted, finally let go of all defenses, blushing and nodded, agreeing to him and Gong Qingyu's proposal.

"Are you satisfied now?"

Gong Qingyu bit her lip, hugged Aunt Lian who had taken care of her since she was a child, and gave Li Yun a shameful glance.

Chapter 3055: Be a model

"What are you satisfied with?"

At this time, Li Yun pretended to be innocent again, and argued: "I just wanted Lian Yi to be the referee of our duel, lest someone lose or deny it. Where did you think about it?"

The blushing Gong Lianyi was stunned at first, and then laughed out loud.

"Go to death, go to death! Do you dare to say you didn't think about it? Also, you won't admit it if you lose!"

Gong Qingyu played the true color of a tsundere and genius girl, kicking Li Yun with her feet wearing women's canvas shoes, but Li Yun held her two small feet, quickly took off the shoes above, and threw them on the ground. .

The two women's faces blushed again.

Gong Qingyu's eyebrows actually had a three-point charm, and he gave him a glance: "You still said that you don't have such an idea? Why are you taking off my shoes?"

Gong Lianyi turned her head away, not daring to watch the next scene.

She actually knows everything. She was also in the fairy group. She heard Su Muxin, Hu Xiaomeng and Fang Xue talk about the absurd things about Li Yun, knowing that he would take two, three, three or four girls out every time he went on a tour Play.

Therefore, although she is very shy now, it is not that she has not thought about these things. Even she is ready to completely turn the third floor of the No. 3 mansion into Li Yun's palace, waiting for when Li Yun will actually make a move.

"Human body sketch, how to draw clothes without fading?"

Li Yun said shamelessly, and took the initiative to hold Lianyi's little hand, and said: "I was actually joking with Qingyu just now, Lianyi, please go out first."

"Huh?" Gong Lianyi turned to look at him, even Gong Qingyu was a little surprised.

Li Yun kissed her forehead, and said softly, "When Qingyu is resting at home tomorrow, I will accompany you on a date. When I come back, I will do the last thing, instead of doing it recklessly. You pull in."

Gong Qingyu murmured, seeming to be protesting that she actually had a good relationship with Aunt Lian, and Aunt Lian would not care, but after all, it was still a matter of Aunt Lian's first time, so Gong Qingyu still respected her opinion and looked at her. .

"I'm ok."

Gong Lianyi gently leaned into Li Yun's arms, hugged his waist, and said with expectation while shy: "I actually...know your thoughts and Qingyu's thoughts, Qingyu If you want a memory that belongs to the three of us, it's the same for me and me."

These words moved Gong Qingyu to her. She hugged her Aunt Lian from behind and said coquettishly: "Aunt Lian, I'm sorry... I should have called you on a date today, it's all my fault!"

"Xiao Yuyu, you can't say sorry to me." Gong Lianyi said with a smile: "You are what I saw when I was a child. How can I say sorry for this little thing? It will make Aunt Lian very sad."

"Hmm, okay~"

Gong Qingyu snorted, buried her head on her slender and beautiful back, and the three of them hugged each other, which was especially warm.

"Furthermore."

Gong Lianyi said shyly: "We will have a lot of dates together in the future... we don't care about these two days."

Both Li Yun and Gong Qingyu were moved by her generosity, so Gong Qingyu wanted to do her best to "filial piety", reaching out and grabbing the belt around Aunt Lian's waist, relying on her to tie the costume skirt and Aunt Lian habitually. The belt understands, pulls it gently, and then pulls it apart.

"Ah, Qingyu, what are you doing?"

"What? Do you have to ask? Of course it is a human body sketch. Hehe, Aunt Lian, please be our model!"

Chapter 3056: Gong Qingyu's creativity

If Gong Lianyi knew what the so-called sketch refers to, she wouldn't want to enter this study life and death, anyway, she would be too... shameless.

Especially the bad girl Gong Qingyu, who didn't know where she learned the bad idea, actually used her elegant clothes as a bet against Li Yun. If Gong Qingyu loses, it's one thing. If Li Yun loses, it's Two pieces.

No matter how thickly dressed, poor Gong Lianyi was dressed, she quickly lost in this rogue two-person duel, allowing both of them to describe how embarrassed the expression on her face is at the same time.

Gong Lianyi was so embarrassed that she almost got into a hole in the ground.

But she couldn't bear to interrupt the mischief of these two interested people who had a close relationship with her.

In the end, Gong Lianyi could only lie flat on the sofa, with her hands flat on her abdomen, and her face upside down.

The difference is that she has a pillow on her face, which is equivalent to covering her eyes, her eyes are not clean, she can naturally let Li Yun and Gong Qingyu carefully trace her current state on the drawing board...

That's it!

Even if Gong Lianyi covered her eyes with a pillow, she still felt extremely shy. She asked dully from the pillow many times: "Have you finished painting?"

"Almost soon!"

Gong Qingyu felt that he was about to become Su Muxin, and all kinds of evil and interesting thoughts appeared endlessly. It turned out that even if this kind of thing did not officially start, just doing these things would never be done in the past, and it would never happen. Things you haven't thought of can give people a strong sense of excitement and joy.

Especially when there are people she likes, and the model is her closest aunt Lian. The three of them are nestled together in the closed study room. Without being disturbed, Gong Qingyu is always there. Feel extremely happy.

She didn't even embrace Li Yun, but she already felt that he was watching herself all the time.

This feeling of being looked at by his lustrous eyes made her whole body feel like a fire.

The strange thing is.

Gong Qingyu felt that his artistic creativity was extremely exuberant. The brush in his hand fell quickly, drawing a beautiful figure of Aunt Lian on the drawing board, and even boldly made artistic creations, letting Aunt Lian lying on the sofa. It looks more beautiful.

Instead of lying stiffly now, hehe, Aunt Lian is still shy.

"You... Qingyu, didn't you paint very fast in the past? Why are you so slow now?"

Gong Lianyi's dull voice continued from behind the pillow. She did not dare to ask questions to the only man present. She was already very embarrassed and shy just when she appeared in front of Qingyu with this gesture.

"No way, there is a bad guy around us who keeps peeking at us, can't come soon!"

Gong Lianyi's body trembled, and the person who didn't want to mention it was mentioned by Qingyu, so that she finally couldn't stop her from shrinking her head.

Yes, she is being watched by Li Yun now, and he is also using a brush to paint her face at the moment.

Li Yun, the man she loves, is looking at her carefully...

Thinking of this, Gong Lianyi finally slowly relaxed, her body was filled with happiness and sweetness, she couldn't help but whispered, "Li Yun?"

"Well, I'm here, don't be afraid."

Gong Lianyi felt more at ease with the voice of a man with magnetism. He slowly removed the pillow and leaned against the back of the sofa under Li Yun and Gong Qingyu's surprised gaze, turning her head shyly:

"If you want to paint me, just paint more quickly."

Chapter 3057: Meiren Linyi

What kind of beauty is Gong Lianyi?

She has fair skin, graceful curves, exquisite features with the charm of a mature woman, and she has the charm of a mature woman. Her appearance and figure are also first-class in the Yujie level.

The palace lotus in daily life is simple and simple. Originally, when he mastered the palace family in Zhonghai City, he seldom went out. Since he has a relationship with Li Yun, the palace family has become more powerful after getting help, and Gonglianyi does not need to go out to maintain some social relationships. , She also stayed in the mansion for a long time to read books and play piano, cultivate her sentiment, and occasionally go downstairs for activities.

Because of this, Gong Lianyi has cultivated a ladylike temperament, standing there slim and smiling at you, you can feel the fantasy in your mind, what a picturesque and elegant lady is like.

But only Li Yun, who often held her intimacy and held her to talk love words intimately, knew how seductive Gong Lianyi was hidden in the feminine temperament.

Several times Li Yun almost couldn't control it. If Qingyu hadn't come in and interrupted him, Lian Yi would have been wiped out by him.

In normal times, Gong Lianyi is amazingly charming, not to mention that the three of them are painting in such an atmosphere. Gong Lianyi sits quietly on the sofa, but the beauty that exudes can already make the same girls. Gong Qingyu was tempted, and even felt that it was not that difficult to get CP with Aunt Lian.

"It's done!"

Putting down the paintbrush, Li Yun took a breath. Painting is really a physical and energy consuming task, especially when Gong Lianyi is a model for him, and there is also Gong Qingyu who makes troubles from time to time.

"I'm getting better, earlier than you, at least ten more!"

After hearing Qingyu's words, Gong Lianyi hurriedly tried to cover her body, but Li Yun smiled and waved to her: "Lianyi, come and see how our paintings are. Well, if I win, I will be the next time. You come to paint by my side, Qingyu is a model!"

The faces of the two women turned red.

Gong Lian was too embarrassed to restrain her, and finally she hugged a pillow in her arms as a cover, and walked shy steps to her side, appreciating the sketches they had drawn for her with shame.

Ignoring the environment the three of them are in at the moment is actually quite normal in the field of art.

Li Yun tried his best to suppress the fire and said plausibly: "Lianyi, don't you need to be shy, do you know the Academy of Fine Arts? The students there will invite some people to be models when they go to class. The price is about five or six hundred a day... I am not. Saying Lianyi you are five or six hundred as a model, I mean, this kind of thing is normal! Well, it's very normal!"

Li Yun absolutely did not lie. Going to the Academy of Fine Arts to be a model is a part-time job, but many people are shy and can't let go.

After all, most of the time when a model is a model, you need to fully show your figure and watch it carefully for the students of the Academy of Fine Arts, just like the current Gong Lianyi and the next Gong Qingyu.

Of course, Li Yun will also act as a model, as painting materials for the two women.

"Believe you, it's strange."

Gong Lianyi was holding a pillow and stood beside Li Yun, shaking with shame. The girl Qingyu really didn't know what medicine she had taken, and she actually agreed to Li Yun's mischief.

However, the memories of being a model this time will really make them remember for a lifetime.

"Hey, don't believe me or not, come and take a look at the masterpiece I drew for you, do you like it?"

Li Yun hugged Gong Lianyi into his arms and threw away the pillow.

Gong Qingyu gave him a white look, did this guy finally show his real fangs?

Can't wait to eat people.

Chapter 3058: The medical fairy who alchemy

Tiandan Gate, eleven o'clock in the evening.

"Did you make it?!"

Shangguan Lingxian, dressed in a plain long skirt, squatted in front of the medicine furnace, guarding the release of the "spiritual pill" she refined, and the pretty face on the rivers and lakes called "holy and gentle, the doctor immortal", It was full of ash marks from smoke and fire, and some of the hair was stained with sweat on his forehead, which was especially pitiful.

At least for this period of time, she has been following her, and the little sister Xiang Berry who laid hands on her took out a handkerchief in distress, and carefully wiped the sweat from her forehead:

"Senior Sister~~ You can rest now!"

Little Junior Sister Xiang Berry stomped her feet, full of concern, and anxiously said: "Look, you are exhausted... The refining of the spirit pill starts from the beginning, and no one knows how to refine the pill with the added spirit medicine. Pills, sister, you want to develop them in just a few months, it's impossible!

Even if the senior sister got some pills from that Li Yun, it was still too difficult! "

From the time she was on Penglai Island, Shangguan Lingxian began to develop the spirit pill, but unfortunately, without the spiritual power in her body, she could not control the heat and failed again and again.

But Shangguan Lingxian was not discouraged, she could feel that even without spiritual power, she could refine the pill.

This is much more important than the elixir in the Hidden Sacred Valley, because once she succeeds in refining, she can teach it to other people, so that she can spread the elixir in large quantities and benefit all people in the world, instead of only a small part of the practice. People can enjoy the pill.

There is no doubt about the benefits of the medicine. Some low-level spirit grasses and the flesh and blood of monsters produced on Penglai Island can be used for alchemy, which is much more effective than "eat raw" directly.

Unfortunately, Shangguan Lingxian did not have spiritual power or mana in his body, and the elixir needed for the elixir in the Hidden Sacred Valley was completely different from the spiritual plant

she obtained on Penglai Island, and could only imitate the elixir of the Hidden Sacred Valley. But it cannot be copied completely.

So she could only try again and again until the pill was successfully refined.

Fortunately, the sisters in the Fairy Club were very supportive of her work and provided her with Lingzhi and Monster Beast Meat without asking for anything in return. Every time it was Shangguan Lingxian who hadn't asked about it, Lingzhi sent it over.

This moved Shangguan Lingxian very much.

"Failed again..."

After carefully checking the pill residue in the medicine furnace, Shangguan Lingxian shook his head regretfully, but she has improved a lot compared to the previous time. At least she vaguely felt that there were spiritual fluctuations emanating, proving that the pill inside had begun to interact. A real pill will be generated soon.

"Senior Sister, come here tonight, go and rest." Little Junior Sister Xiang Berry pushed her hard, Shangguan Lingxian could only show a helpless smile and clean up the mess with her.

The two of them came to eat and live together during this period of time. Of course, they were soaked in the tub together that night. It's just that Shangguan Lingxian was a little strange, why every time the two took a bath together, the little sister's face would be red, As red as a ripe apple.

And always shyly hiding aside, with his head lowered, afraid to look at her.

After thinking about it, Shangguan Lingxian felt that the little junior sister might be a little inferior to her figure, after all, she was... just that big.

"Junior sister, I was rubbed back by you, right?"

"Ah, ah?"

"Come on, don't be shy."

"Woo~"

What Xiang Berry dare not say is that Shangguan Lingxian's body is really amazingly beautiful. Even when she saw it, she couldn't help but be surprised. I really don't know if Senior Sister's future husband, that is, Li Yun, will see it. Will turn into a hungry wolf?

Chapter 3059: Fragrant berry worries

After the two girls took a shower and put on clean clothes, they sat in front of the yard to rest, waiting for their hair to dry.

During the period, they both took out their mobile phones to surf the Internet. Although Tiandan Gate is a martial art school, the power of the mobile phone can be said to be first-class and strong. Even the hidden sacred valley invaded, let alone a Tiandan. Door.

Xiang Berry was browsing some short videos of sand sculptures, and the two tender little feet were shaking with sweet laughter, and the youthful and lively atmosphere was particularly lovely.

Sudden.

"what!!"

The master sister screamed, Xiang Berry looked over in surprise, and found that the flushed face of the sister's face that looked especially tender after being bathed, seemed to have seen some amazing and nasty pictures on the Internet.

Too bad, those netizens always engage in HS!

After Xiang Berry figured it out, he comforted: "Sister, are you okay? Did you see any bad pictures? Just skip it, don't look at the dirty pictures, everyone on the Internet has them!"

Shangguan Lingxian stared at her in a daze. Until the phone prompts to receive group news again, she panicked and hugged her phone tightly, blocking the screen from Xiang Berry, and said, "Yes, it's not good." , I, tonight, um, I'll be here tonight, Senior Sister, go back to bed first, and Xiang Berry, go to bed early!"

".....what?"

Seeing the senior sister escaping back into the house like a frightened deer, and closing the door with a slam, Xiang Berry was surprised for a long time, but she still couldn't figure out why the senior sister was so flustered.

Did you see more nasty pictures in any group? Or a small movie sent by a certain brother by mistake?

"It's hateful, those brothers are always so dirty!"

Xiang Berry puffed up his mouth and decided to hide this matter, so that no one else would know that the pure and kind master sister had actually seen these little movies...

Little Junior Sister Xiang Berry probably won't know for a long time, what she sees as the kindest, gentlest, and most beautiful fairy sister in the world, actually in a group of only girls.

...

Shangguan Lingxian who returned to the room took a few deep breaths and tried to calm her mood. Only then did she close her eyes and pulled the chat log of the fairy skirt to the top, to the log she had chatted with at noon.

From noon to afternoon, no one in the group bubbling, except for Hu Xiaomeng in the capital, the youngest sister of this sister, who sent a few cute pictures showing that the class was boring, and the new group followed along with them, everything It's all normal.

Shangguan Lingxian's blushing face showed a knowing smile. Originally, Hu Xiaomeng and Su Muxin were the most active members in the group, and the addition of a Jin Liuli was also playful, but Jin Liuli was more sensible, and now he has begun to stand alone.

Now there is an adult saint in the group. No, it is the little maid beside the saint sister. Both of them are lively characters, so that the group is very lively every day.

For example, now, in a group of less than 20 people, there are nearly 500 thoughts, which shows the activity in the group just now.

"What exactly is posted below?"

Shangguan Lingxian recalled just now, it seemed like Qingguo Mingyu, that is, Gong Qingyu sent a sketch, in which there are three people, one is Li Yun, and the other two seem to be Gong Qingyu and Gong Lianyi-she depends on The previous news in the group guessed, after all, the sketches are not very clear who is who, even if the sketches are spread out, outsiders can't see who is inside.

Chapter 3060: Fairies Group

The three of them were in the state of the sea in summer. Shangguan Lingxian felt red and dry after just a glance, and only vaguely saw this simple sketch in which Li Yun was holding a single hand that had no black ink but was moistened. Paintbrush, it looks like it's painting.

But, but... Li Yun did the painting, but there is no drawing board in front of him. It seems that Gong Lianyi is acting as the drawing board. She lies with her hands and covers her face and dare not look at people, while Gong Qingyu is lying coquettishly. On Li Yun's back, looking back at the camera charmingly.

I still want to emphasize that this photo sent by Gong Qingyu is actually a painting that Li Yun personally drew with a pencil. Gong Qingyu's face turned to the person looking at the painting, not a real camera lens.

However, the sight of Gong Qingyu and the impact of the state of the three of them made Shangguan Lingxian almost jumped up.

With a few strokes, they have completely described the state of the three!

Especially Gong Lianyi at the moment, she is both a model and a drawing board, and she deliberately studied ink for Li Yun as a painter. The respectful service did not get Li Yun's good treatment, but Gong Lianyi covered her face in shame.

"..."

Shangguan Lingxian took a few deep breaths before he calmed down from Gong Lianyi's shock when he was a drawing board and researching ink. Subai's fingers trembling and slowly slipped down, dragging the screen down to Gong Qingyu's first message. .

A very beautiful sketch, even if Shangguan Lingxian's painting skills are not very good, it does not hinder the beauty of Li Yun's skillful hand-painted top works.

On the screen, Gong Lianyi is lying on the sofa, pressing her face with a pillow in embarrassment, but her cute style of painting has superb painting skills, which is very peculiar.

The next picture, painted by Gong Qingyu, is also this scene.

From Gong Lian's helpless state, Shangguan Lingxian seemed to have guessed something, and his face became even more red.

Look down, sure enough.

The model changed from Gong Lianyi to Gong Qingyu, then Li Yun, and then, the lines of the painting became more and more rough, but the content of the description became less and less suitable for publication. Shangguan Lingxian was so embarrassed that he covered his eyes. From

my fingers, I dared to watch the scenes, either by Gong Qingyu, or by Li Yun. Occasionally, when Gong Lianyi was resting, she would also pick up the paintbrush and record the ridiculous eight hours.

From 3 o'clock in the afternoon until now 11 o'clock in the evening, these three people have been painting.

There was also a painting in which Su Muxin brought something in for them to eat. As a result, there was one more person in the painting, but soon Su Muxin left, and there were still three people in the painting.

Shangguan Lingxian looked at the news from other people again, and there was no doubt that all the little fairies in the fairies group were shocked.

Little Pepper: "Amazing!!!"

Fox Xiao-meng: "! Hum hum, I also want to go to painting @ cloud brother, uh, cloud brother is not in the group, pour @ Yu Guoming, sister, good sister, my sister and Feng-day painted into it."

Zhao Tianfeng: "I don't need it, you play, I just watch it silently."

Liu Xianxian: "...I didn't see anything, please leave me alone [shy]."
