

Godly Choice 3061

Chapter 3061: I am not addicted

The saint sister bubbling, the group quieted down instantly.

After Gong Qingyu asked tremblingly, he realized that Qing Sheng was really just asking, and he didn't mean to inquire about sin.

The women breathed a sigh of relief. From this it can be seen that the Lord Sainte puts them under great pressure. Even if they become sisters, it is quite terrifying, or they have a sense of majesty, and can restrain them as mortal women.

Pearl Girl: "Do you know that you are wrong? Qingyu, you are too outrageous. You are messing with that playboy... It is recommended to describe the process, so that the sisters in the group will take precautions next time and don't have to be brutally murdered! "

Qing Guo Mingyu: "it will be your turn next time. You are not willing to admit that you are his girlfriend, but..."

After five minutes, everyone saw her next sentence.

In contact with her current situation with Li Yun and Gong Lianyi, the little fairies in the fairies group seemed to realize something.

To put it in a sentence of Hu Xiaomeng: I was knocked out by Brother Yun's bad moves.

Fainted?

This is really a fascinating story.

Qing Guomingyu: "[Sorry] I was a little tired just now, @梵清圣, well, although I want to lie, my real feeling is: As long as you are a woman, you can't stop this kind of happiness and comfort that you can't maintain your thinking, anyway... ... Everyone in the group will experience in the future that it is not unreasonable for Xiaojiao and Hu Xiaomeng to be so obsessed with him."

Fox Xiaomeng: "Innocent!!!"

Little Pepper: "I'm not addicted!"

It's just that none of the little fairies believes what the two said. Hu Xiaomeng is a big little ghost, and he spends all day in the group saying that he misses the hot springs of A Duo Mountain. As for Xiao Chili...

On the first day of school, I went to the biology laboratory to play with Li Yun. Such a bad girl still has the face to say that she is not addicted?

Sage Fanqing: "Okay, I will experience it next time and call me."

A seemingly indifferent remark from the saint sister caused the group to fry. A group of fairies yelled no, no, no, they wanted to stop the saint's behavior. Some people even suspected that the saint did not know what this meant. What's going on.

However, the Sage Fan Qing sent a message in the group seriously and said: "I know, this is the sublimation of the emotional relationship between men and women, and it is a necessary process for the reproduction of the next generation..."

She elaborated on these matters seriously, and everyone including Xiao Mingzhu was extremely surprised. It turned out that the character of the Fan Qingsheng was more...straightforward than they thought.

She is the kind of person who is pure and flawless, with a clean and clear mind. She can say what she wants and will not hide it from people close to her.

Sage Fanqing: "Qingyu, please draw more, I want to see it."

Qingguo Mingyu: "...good."

She regrets now that she wants to slap herself in the face. As expected, the picture can't be scribbled, otherwise things will come out.

When something happened, Fan Qingzhu, who only saw the news about the Lord Saintess, was so embarrassed that he almost didn't go to Mansion No. 3 to find Li Yun to settle the account!

It's all to blame for this guy, he broke the Lord Saintess!

...

Looking at the subsequent series of sketches in which three people danced in different poses, Shangguan Lingxian could not speak for a long time.

Although she had heard that Li Yun and Su Muxin went on a cruise together, and Xiaomeng said that she had been to A Duo Mountain to soak in the hot springs, but now it was the fairy group who saw the live sketches live, which was not a big shock.

"Sister Qingyu, you guys are really...wonderful."

Shangguan Lingxian stroked his hot flushed face, and wanted to stand up, but found that his legs were already weak and weak. When he moved, Shangguan Lingxian's face became even more red, and he hurriedly changed his clothes.

Chapter 3062: Uncle, master

the next morning.

Li Yun woke up from Gong Qingyu's room, with two beautiful girls next to him, with blush on his face and tears in pear blossoms, which was so beautiful.

Last night, the three of them finished their sketching class in the middle of the night. They wanted to sleep in the study, but there was no place to sleep because of the sketch papers and messy endgames. So Li Yun brazenly wrapped it in a blanket. The second daughter, who was too tired to walk, walked out of the study and returned to Gong Qingyu's room on the third floor.

There are actually quite a few people living on the third floor. Princess Yongning, Fang Xue, Li Feng, and Su Muxin did not leave, but Li Yun's two younger sisters lived on the second floor with four personal maids.

Li Yun, who woke up cautiously, didn't wake up the two daughters. Qingyu and Lianyi hugged each other with nasty fun. After they continued to sleep, Li Yun got up contentedly, brushing his teeth and washing his face.

After the end, Li Yun stepped to the study room last night, intending to clean up the traces inside, otherwise the messy battle ending would be really bad.

In the study, Li Yun saw the four maids in spring, summer, autumn and winter.

"Auntie."

"Owner."

The four maids bowed and saluted with coquettish voices, but their names were different. Two were called uncles and two were called masters, which sounded particularly comfortable.

What's more wonderful is that the dress of the four maids has changed. Spring and summer are still wearing black and white maid uniforms, but in autumn and winter they are replaced with traditional ancient skirts.

"You...cough cough cough."

Old Li Yun blushed. The four maids were tidying up in the study, holding in their hands the paintings by either Li Yun, Gong Qingyu, or Gong Lianyi who was resting.

The three of them didn't know how many pictures they drew. They had nearly half a day, from 3pm to one or two in the evening, they drew at least 300 sketches in sufficient time, almost completely painting all the mess of last night. Down.

"Whee."

The four maids covered their mouths and smiled shyly. Gong Xiaochun held a stack of drawing paper in her hand and blushed and said, "Uncle, you are really amazing. For a long time, I have drawn so many paintings. Various postures make me feel good. Both Xiaoqiu and Xiaoqiu were dumbfounded."

"Uh-huh!"

"The master is amazing."

"In every sense, very powerful."

Even Gong Xiaodong, who had a cold personality, blushed at this moment, showing how majestic the situation in the study was.

With a twitch of his brain, Li Yun said: "You will understand later."

"what!"

The four women exclaimed, and their faces flushed even more.

Li Yun suddenly regretted, what kind of sorrow he was talking about! The four people don't want it.

Gong Xiaoxia said suddenly: "Master, we were also allowed to enter the Fairy Group last night."

"what?"

This time it was Li Yun's turn to be surprised. He glanced at the four maids, and they all bowed their heads with blushing expressions. Their docile and amiable appearance was really unbearable to refuse.

Even Li Yun, who has never known the content of chats in the group, knows what it means to join the Fairy Club.

Joining the group means that they have fully integrated into the circle of girls around Li Yun, and they have also obtained the consent of Jin Liuli and the others, as Gong Qingyu's personal maid, or a vassal, to become people around Li Yun.

Just like the little maid Qingzhu next to Fan Qingsheng, she joined the group of fairies in a similar situation.

"Uncle." Gong Xiaoqiu said softly: "You don't have to worry about us, we also know who we are. We will do the work that belongs to the maid and the maid, and won't bother my uncle."

Chapter 3063: Tidy up the study

"It is the job of the four of us to make the owner feel comfortable!" x4

The four maids looked at each other in Spring, Summer, Autumn and Winter, stepped forward, moved closer to Li Yun, and said in unison.

Four bright and pleasant faces surrounded him, and Li Yun seemed to be...No, he was surrounded by four girls with warm fragrant nephrite. This kind of heavenly feeling can really bring people's iron will. Are all obliterated.

"you!"

Li Yun could not say anything to refuse, especially the four people in front of him had the consent of Gong Qingyu and the other girls in the Fairy Group, and to put it bluntly, they were Gong Qingyu's vassals, and Li Yun was usually not needed. To care about their feelings, you only need to maintain this big family, and the four maids will naturally stay with him forever.

This kind of scumbag behavior that only needs to be tasted but is not responsible is a heinous category in Li Yun's concept. Even now the four maids have clearly stated that they are just to maintain their current lives and marry Miss Gong Qingyu. , But Li Yun is still unwilling to let down every girl around him.

No wonder Gong Qingyu said that he was very tired.

"Owner."

Gong Xiaodong, who has a somewhat cold personality, suddenly pushed away her three sisters. She also took a few steps back and said seriously: "We will not put too much pressure on the owner. The owner only needs to treat us with the previous attitude. If the owner is right Our attention has increased, but we will be sincere and fearful."

"Ah, my elder sister is right!" Gong Xiaoqiu reacted and said quickly: "My uncle only uses to go back to the mansion to accompany the young lady. No, no, my uncle treats this place as my home. We are my uncle and your maid. Home, naturally is to accompany us..."

Li Yun was even more surprised. How did they know these things? It is estimated that only Gong Qingyu will tell them that Li Yun feels guilty about the women around him.

"alright, alright."

Gong Xiaodong began to rush people, "Let's clean up the study, master, go and rest."

Seeing the four maids getting busy, Li Yun felt quite uneasy, and finally sighed in his heart. Let's do this for the time being, and let's talk about...the future.

Fortunately, as they said, Mansion No. 3 is Gong Qingyu's home, Li Yun's home, and even their home. Li Yun will accompany them as long as they return here.

Besides, they have already seen these sketches and will marry another man in the future...

Li Yun was a little unacceptable.

"I'll help you."

"Hey? Aunty, you worked hard for a long time, aren't you tired?"

"...I always think you have something in your words! Don't you?"

"Hee hee, my uncle was wronged, we just told the truth and secretly told my uncle that no one went up to the second floor from yesterday afternoon to night, and the other servants were all on the first floor and other places."

"Is Qingyu that loud?"

"Well, the miss is okay, mainly grandma..."

I chatted with them while working, and quickly finished cleaning up the study. There were more than 310 paintings in total, each of which made the four maids blush and heartbeat. Especially when Li Yun was still around, it made them feel that Jiao's body was weak, and I couldn't help but imagine that if they were also used as models to paint last night, could my uncle be able to hold on and maintain the physical strength of painting?

"Master, these paintings...?" Gong Xiaodong hugged a large stack of paintings and looked over as calmly as possible.

Chapter 3064: no problem

However, the indifferent maid's eyes were calm, but there was a touching blush on her cheeks, which proved that her heart was not so calm as it seemed, and the girl's thoughts were aroused by these sketches.

Li Yun smiled at her: "Let it go, wait until Qingyu wakes up to deal with it... By the way, Xiaodong, are you the oldest of the four of you?"

It seems that Gong Xiaodong is the most stable, but in the end she shook her head: "I am the youngest."

The other three women covered their mouths and chuckled. They had the most outdated character. Of course, Gong Xiaodong was the one who could show the cards.

Li Yun looked embarrassed. Nowadays, it's popular for her sister to be steady. Is the sister's setting of being happy?

"By the way, I will give you some good things."

Li Yun took out some system pill boxes, handed them to them, and exhorted: "Each of the four pill boxes is good for your body. You won't be so tired when doing these chores, yes. The girl's skin also has a moisturizing effect!"

Unexpectedly, the four maids shook their heads together, saying no.

Li Yun was surprised. He pointed out that it was good for the skin, but they didn't like it? Could it be that these four people... are all monsters?

Only a girl who has become a monster can resist the temptation to get better skin!

"We have." Gong Xiaochun explained: "At a very early time, when we decided to stay with the lady, the lady gave us the pill and said, said--" Her little face turned red. She said shyly: "The lady said yes, the women around you all have pills. Although we are maids, we also have them."

The other three maids lowered their heads shyly, and even Gong Xiaodong turned away, not daring to look at the man standing in front of them.

It was then that Li Yun suddenly realized that it was not a coincidence that she met Gong Xiaochun yesterday morning, but the result of her waiting there.

"Auntie (Master), I'm sorry~" x4

The four beautiful maids apologized in unison, and Li Yun couldn't laugh or cry and gave them all a brainstorm.

Although they are not twins, nor are they sisters (two pairs of sisters respectively), but because of their long-term life together, the relationship between them is closer than that of their sisters, and they cooperate very well.

For example, when the four people were talking together, they almost didn't distinguish each other. They said in unison, no one was fast and no one was slow, and they were very neat.

"Okay, okay, master, I have some medicines here, so take them!" Li Yun forced them into their hands. These medicines are only small and medium-sized, enough for their physical fitness to exercise to the level of their innate realm.

"Master claims to be master?"

Gong Xiaoxia looked at Li Yun in surprise, Gong Xiaochun reacted, cheered and took Li Yun's arm, and looked at him with gleaming eyes, as if asking: Did the master accept us?

"Ahem, that, I'll talk about it later! Let's make breakfast!"

No matter how shameless and shameless Li Yun was, he could not stop the offensive of these four lovely and beautiful maids, and the line of defense was broken.

In the spring, summer, autumn and winter, the four maids covered their mouths and laughed, even Gong Xiaodong pursed his lips, showing a happy expression.

Gong Xiaoxia took the opportunity to ask: "Master~~, if we entered the sketch together last night, does the master still have the strength to paint?"

The four girls blush together, and if the four of them join the painting again, then the six will be the models of the uncle together. Normal people can't have such strong power.

Li Yun thought for a while, "Add little chili, Fang Xue, Xiao Mingzhu and others, it's not a problem!"

"what!!"

The four maids were completely shocked.

Chapter 3065: Long-lost Shan Xiaoxiao

When eating breakfast, Gong Qingyu and Gong Lianyi failed to get up. Li Yun ate with Caixia Caiwei, Fang Xue and Li Feng, and the four maids.

The four maids in the spring, summer, autumn and winter seemed to be having dinner with the "hostess" for the first time. They were quite a little apprehensive and uneasy. Fortunately, Fang Xue and Li Feng learned about it in the group last night and didn't say much. Instead, it comforted them.

Seeing Fang Xue taking the initiative to accept them, Gong Xiaodong's four talents were completely relieved, and their beautiful faces showed sincere smiles.

They may not love Li Yun so much, but they like it for sure. They are also very satisfied with their current life. It is the best choice to keep them unchanged.

After dinner, Fang Xue's four went to class, and Li Yun "asked for leave" again, waiting leisurely at home for Gong Qingyu to wake up.

As a result, a phone call made Li Yun quite surprised.

"Shan Ruqing?"

After answering the phone, Li Yun asked in surprise.

Shan Ruqing is a young mother Li Yun met in the plane hijacking case. She is only 26 years old this year, a few years younger than Gong Lianyi, but she is already an eight-year-old. Girl Shan Xiaoxiao's mother.

In other words, Shan Ruqing gave birth to Shan Xiaoxiao when she was eighteen. This is enough to infer what kind of past happened to Shan Ruqing!

It's just that it was the first time Li Yun and her met. Although she and the eight-year-old girl Shan Xiaoxiao, the three spent the night in the forest together because of the plane crash and fall, but after all, they are still not familiar with Li Yun. Did not ask her or tell her the past.

After the separation, Li Yun talked with Shan Xiaoxiao from time to time to guide her in her practice. After all, Shan Xiaoxiao is also a very talented little girl. The future achievement is judged by the system as being able to catch up with the Sage Fanqing and Concubine Wanqing. sharp.

"It's me, brother hero~!"

Shan Xiaoxiao's cute little girl's voice came, and Li Yun was shocked, and smiled: "It's Xiaoxiao, how do you call me on your mother's phone? Don't you have a phone?"

"Well, there is a reason."

Shan Xiaoxiao didn't explain the reason, but Li Yun knew that this little girl was no less intelligent than an adult, and she had a super high IQ. She said that there was a reason, and it was probably because there was a reason, not perfunctory.

"Call me hero brother again, just call me brother!"

Li Yun corrected the name of the little girl with a straight face, and Shan Xiaoxiao smiled and said: "Xiaoxiao just recalled what happened at the beginning, and that incident is like a towering tree in Xiaoxiao's heart. Put Xiaoxiao and her mother My heart is covered!"

"What a mess of metaphors... Okay, let's talk about it, what's the matter with brother?" Li Yun couldn't laugh or cry.

"Hmm~ Actually, it's okay." Shan Xiaoxiao said twitchingly in the cute voice of an eight-year-old girl.

"What the **** is going on?!"

"Yes, just... I want my brother to become my father!"

"what?!"

"Yeah, yes, my brother has become a father, and my heroic brother will soon marry my mother~~!"

Li Yun was completely shocked.

Gong Xiaodong and Gong Xiaoqiu also looked over in surprise—the other two maids went to take care of the young lady who was still sleeping.

"Woo, brother, okay~"

Shan Xiaoxiao began to act like a coquettish and beloved, and she kept asking Li Yun to be her father and marry Shan Ruqing as his wife. It is best to marry immediately, as she can't wait for a moment.

"In the end what happened.....?"

Chapter 3066: President Shan

With such doubts, Li Yun came to Xukou District, Zhonghai City, and found a high-end community called Yuncheng Garden in this place with an inch of gold. After registering, looking at the student ID, checking the pocket, asking, and contacting After the steps of the residents in the apartment, they were finally able to enter the community.

Successfully found the floor that Shan Xiaoxiao said. Before Li Yun entered, he heard a childish voice of a little girl full of surprises:

"Dad Dad, here, here~~!"

Turning his head, Li Yun quickly saw a little girl wearing a floral skirt and a khaki waistcoat top, showing the bright piles of socks on her calves. She looked very fashionable and looked very cute.

"Dad~~~"

When the fashionable little girl saw him turning her head to look over, she rushed over happily, jumped into Li Yun's arms, giggled happily, and smiled on her small face.

Li Yun hugged the little girl as before, but looked behind her, and two women with the appearance of bodyguards rushed over.

"Xiao Xiao, who is this person?" The two female bodyguards expressed concern and doubted Li Yun's identity. One of them even took out his mobile phone to make a call and took a photo of Li Yun. It seems to call Shan Ruqing to confirm his identity.

"Oh, don't worry about it~"

Shan Xiaoxiao squeezed happily in Li Yun's arms, a well-behaved daughter acting like a coquettish daughter to her father and begging for a kiss. She said, "This is the heroic brother who once saved my mother and me. Today, he came here specifically to marry my mother. , Brother Hero is a big, big, good guy~~!"

The eight-year-old girl spoke in an innocent and lovely tone, and she couldn't speak convincingly enough.

Especially when Shan Xiaoxiao does not show off her superb superiority and deliberately sells cute pretties.

However, the two bodyguards quickly connected the phone of President Shan's secretary, and quickly contacted him, which confirmed Li Yun's identity.

However, President Shan's tone on the phone made the two of them very puzzled.

"Li... Yun, it's him... You leave him alone for now, um, let him be with Xiao Xiao, it's okay... he's going upstairs? It's okay, let him go, he accompanies Xiao Xiao, very good, Xiaoxiao is happy...just fine."

Obviously, President Shan's tone revealed hesitation. He seemed to believe, and he didn't seem to believe in Li Yun. In short, he was very entangled.

"Alright, alright~"

Shan Xiaoxiao put his arms around Li Yun with both hands and feet, and smiled sweetly at the two bodyguards: "Brother Yun must be fine. He is the most powerful and the person who loves Xiaoxiao the most. Except for her mother, Brother Yun Saved my mother and me. It's super awesome!"

The two bodyguards knew that President Shan had been involved in an airplane hijacking incident, and only after that did they hire them to guard his daughter.

If the man in front of him was indeed the one who saved President Shan, then he would definitely be fine.

"Sorry." A female bodyguard apologized to Li Yun.

"It's okay, this is your job."

Li Yun can understand.

"Hurry up, Dad~" Shan Xiaoxiao urged: "I won't go to school today just to wait for Dad to come. Dad, let's go up soon!"

Eight-year-old is already the second grade of elementary school, but Li Yun suspects that with Shan Xiaoxiao's IQ, I am afraid that he has learned more than half of his knowledge in junior high school and even high school and university, and it is not the same in primary school.

Chapter 3067: Talk business

"Xiao Xiao, you actually moved to Zhonghai City. I don't know yet. Did you move here recently?"

While getting on the elevator, Li Yun asked the little girl who had been wrapped around him in his arms.

"Woo crying, I originally wanted to surprise my dad, but in the end I met someone I hated!"

Shan Xiaoxiao pretended to cry, because there were no tears, so she wiped the crystal clear saliva on Li Yun's clothes.

"..."

Li Yun slapped the girl's ass, and couldn't laugh or cry: "Don't make trouble, tell you business, what annoying person? This time I specifically called me over for this matter?"

"Woo, bad dad!" Shan Xiaoxiao cried fakely again, "I have moved to Zhonghai for so long, can't the bad dad come to see us? It has to be something, it's necrotic~"

Li Yun is very sensitive to this title. After all, Su Muxin has almost put the title father on her lips, especially at night, so when Shan Xiaoxiao called it this way, he felt uncomfortable.

"Xiao Xiao, can I call my brother?"

"No, just call him Dad!" Shan Xiaoxiao said milkily, her big eyes flashing at him: "Dad can only be father, mother can only marry father, no one can marry~"

"Be careful when your mother comes back and spansks you!"

"Woo, bad dad scared me and hit Xiaoxiao's ass, Xiaoxiao also insisted on letting Dad be his father!"

The two female bodyguards watched their noses and their hearts, pretending to not be able to see the two of them fighting.

However, Xiaoxiao showed a smile in front of a young man, which was really unexpected.

Four people went up to the eighteenth floor. There were not many residents on the floor. Li Yun had already guessed something when it came to the floor area of this building.

Sure enough, after Shan Xiaoxiao opened the door, Li Yun saw a luxury residence of more than 500 square meters divided into two floors!

This house seems to have three or four rooms opened up, and it was decided at the beginning of the design by the developer. When it was built later, it would be decorated and sold as luxury residences, specifically sold to large families like Shan Xiaoxiao's home.

The housing prices in Zhonghai City are high. It is already a great achievement for ordinary people to own a small three-bedroom 80 square meters. However, Shan Xiaoxiao's family occupies three or four rooms of more than 100 square meters, and it is still a duplex building. More than a thousand square meters.

"Dad, go home soon~"

Shan Xiaoxiao cleverly used the word "home" instead of the word "come in", pushing Li Yun in from behind.

After entering this luxury residence worth 50 million yuan upwards, the two bodyguards showed a proud look. One of them said, "Mr. Li Yun, where do you live? I am afraid you have also seen it. President Shan's house belongs to the wealthy class. , If your relationship with Xiaoxiao is average, I'm afraid..."

"Oops!"

Knowing what she was thinking, Shan Xiaoxiao interrupted her, stomping her feet cutely and saying, "Sister Liu, don't say anything. My father's other home is in Huangting Mountain, and it's a very, very, very house in the middle of the mountain. A beautiful castle, covering an area of several thousand square meters, with swimming pools, tennis courts and so on..."

The two bodyguards showed shocked expressions. The female bodyguard who wanted Li Yun to pay attention just now was even more ashamed after confirming that Shan Xiaoxiao had not lied.

She thought Li Yun was an ordinary bodyguard who accidentally saved her mother and daughter, but she didn't expect that she would be richer than President Shan.

Even they had heard about the villa in Huangting Mountain.

Chapter 3068: why not

"Well, the two sisters will rest downstairs."

Shan Xiaoxiao said to the two bodyguards with a smile, two small hands took Li Yun's big hand, and happily walked towards the stairs of the duplex.

Li Yun had no choice but to be dragged away by a little girl.

This duplex building is much more luxurious than the one he bought in Longyang County. The floor is covered with imported high-end carpets, and the decoration is also very luxurious. All kinds of high-end furniture are customized imports, and some are even imported from abroad. It was transported back by air and was only installed in a few high-end residences in this community.

However, Li Yun owns a tens of billions of castles, and usually lives in the Gongqing Yujia Mansion with historical and cultural heritage. He is already immune to this kind of residence that is not a villa, so he just takes a look at it and understand Shan Xiaoxiao's usual life.

There should be only their mother and daughter in the duplex building. Of course, two bodyguards, a maid, and a female driver also live on the first floor, and only their mother and daughter on the second floor.

In addition to a few guest and servant rooms on the first floor, there is already a living room for guests. Li Yun estimated that he was definitely the first man to go up to the second floor and invade the private area of the mother and daughter.

Shan Xiaoxiao did not let Li Yun sit in the cold living room outside on the second floor, but led him to open a door and enter a cozy three-bedroom and one hall.

The decoration here is obviously more warm than other places. In the corner of the living room is an ultra-small children's amusement park with a plastic slide. Judging from the situation that has been used, it seems that President Shan is from the capital. When I moved here, I was transported by the way.

None of the three rooms were closed. Li Yun could clearly see the situation inside. One was Shan Ruqing's room, the other was a pink girl's room, and there was a study room.

This three-bedroom, one-living room should be Shan Ruqing and Shan Xiaoxiao's cozy little home. The downstairs are only for servants and bodyguards.

"Dad, sit down!"

Shan Xiaoxiao took Li Yun to the sofa where only their mothers and daughters would sit in the past, sat Li Yun down, and ran to the refrigerator in the corner of the living room, "Daddy, what do you want to drink?" "

"Whatever, no sweet drinks... and, call me brother!"

"Okay dad, shall I make hot tea for dad? Hehe, mom bought Tieguanyin, it's delicious~"

"Yes, call me brother!"

"Yeah, okay, I'll go to soak right away, wait, dad!"

"...Forget it, let me do it."

Li Yun stood up helplessly, walked to the little girl and gave her a brain collapse first, so that the little girl who had a super high IQ, and the little devilish girl called "Ouch", and covered her head with tears, before Li Yun took the tea art. Boil hot water and make tea.

"Bad father!"

Shan Xiaoxiao pouted her red little mouth. Li Yun couldn't help but glanced at it. This little girl didn't know how to give birth. It seemed that her natural little mouth was red and small, like thin cherry blossom petals, which reminded Li Yun of being born. When she kissed her face.

"Hee hee~"

But after all, I haven't seen Li Yun for a long time, and Shan Xiaoxiao quickly opened up a smile, giggling and following Li Yun, yelling from father to father.

"You girl, do you have to call me daddy?"

"Of course, why not?"

When Li Yun was busy making tea, Shan Xiaoxiao kept following him, chatting in her mouth, making a good tea in Li Yun, returning to the sofa to sit down, and Shan Xiaoxiao sitting next to Li Yun.

Chapter 3069: Good boy not allowed to spread

"Dad, Xiao Xiao hasn't seen you for a long time~"

Shan Xiaoxiao acted like a baby, shook Li Yun's arm for a few times, then she wanted to hug him, and then successfully sat in Li Yun's arms. The little girl smiled and put her arms around his neck, and kissed him several times.

It is no different from a four or five-year-old girl who is attached to his father.

Li Yun had no distracting thoughts. After all, Shan Xiaoxiao was only eight years old, a child who lacked his father's love, so she let her go.

"Xiao Xiao."

Li Yun turned on the TV with the remote control to prevent the living room from being too quiet.

In fact, it is a habit. When two people are chatting in the living room, if the TV is not turned on, there will always be some embarrassment. The TV can be a good background sound.

"Good girl Xiaoxiao is here~"

Shan Xiaoxiao happily shrank into Li Yunqi, hugged herself with his two arms, and watched TV while leaning against her father. It was her long, long, and always-long dream.

Now this dream has finally come true. Her father is not only handsome and tall, but also very powerful, very powerful. He is an idol of Li Chaoren worshipped by hundreds of millions of people around the world, and has saved her and her mother's lives.

Such a perfect father completely surpassed all Shan Xiaoxiao's illusions about his father all the time. When the last plane crash was in the forest, she had already called Li Yun as her father, but she didn't dare to be too presumptuous at the time, and later repeated with her father. After talking on the phone, Shan Xiaoxiao finally became more and more bold.

So when we met this time, she couldn't wait to let Li Yun act as her mother's future husband, that is, her father.

Then, the feeling of being held by my dad watching TV is really great~

"Woo, it's a pity that my mother is not here~" Shan Xiaoxiao was quite regretful. After thinking about it for less than a second, she immediately took out her mobile phone and texted her mother, asking her to come back for dinner at noon, and she must return!

"I want to ask you something." Li Yun reluctantly twisted the face of the quirky little girl, only to make Shan Xiaoxiao come back to his senses.

"Huh? Dad, what are you asking me?"

Shan Xiaoxiao didn't have the burden, because he was a dad, even if he didn't hear his question, dad would definitely not blame him... Well, it's not a problem at all to get squeezed in the face~!

"I'm asking you, what's the matter of coming to me?" Li Yun said patiently, and added: "Of course it's the same as what you said before. Even if there is nothing wrong with you, you can call me, but don't lie next time. ?"

He always suspected that this little girl who lacked the love of his father simply wanted him to come instead of encountering any trouble.

Li Yun would rather be so.

But the child who lied is always bad and needs to be corrected.

"No, it's really something." Shan Xiaoxiao's little mouth pursed again, and sitting in him, raised his head and said pitifully: "But Xiaoxiao still doesn't want to talk about it. Dad will accompany him first. Is it okay to accompany Xiaoxiao? Xiaoxiao was afraid that her father would be so powerful, so she would poke him to death with one finger, and then walk away, without staying to accompany Xiaoxiao."

She stretched out her chubby, white tender little finger, which was a very small distance.

"Good, good, it's all up to you!"

Li Yun felt sorry for this little girl without a father. He held her little hand and pressed her little finger down, and said: "You lived in Beijing before, and I don't go to Beijing often. I will move to Zhonghai City now. You can go to the French Concession or play with your brother in Huangting Mountain. Even if your brother is not at home, Xiaoxiao can play with the other three young ladies."

The three little sisters refer to Cai Wei Caixia and the sixteen-year-old Princess Yongning.

Chapter 3070: acceptable

"Yeah!"

When Shan Xiaoxiao heard this, she immediately became happy, and her little face bloomed with joyful smiles again: "It is because Xiao Xiao missed her father that she begged her mother to move to Zhonghai City. Hehe, father loves her mother very much. So she invited her mother to go home, and now Xiao Xiao has two homes... Well, no, my father's house is also my home, and my mother's house is also my home. Xiao Xiao has only one home~"

Li Yun understood her desire to have a father, but she didn't understand why she had to match his relationship with Shan Ruqing.

"Xiao Xiao, do you know that there are many women around your brother...other sisters?"

"I know."

Shan Xiaoxiao blinked her eyes, "Dad, you want to say, you have many women, don't you?"

Li Yun: "..."

This child is so precocious!

"It's okay~"

Shan Xiaoxiao frowned and thought hard, "At least it's okay for my mother."

"how is this possible."

"Really! Mom can't fall in love with other men anymore, except for Dad."

Shan Xiaoxiao shrank into Li Yun's arms, rubbed his cheek against his chest, and said in a general tone: "Mom has been hurt so much by that hateful man. In fact, she hasn't come out all these years. If Xiaoxiao is not by her side, mother I can't support it a long time ago."

Li Yun pondered for a long time.

Shan Ruqing had suffered a love injury, but has never recovered. Is there still a shadow in her heart?

When I saw her last time, Li Yun only vaguely felt that Shan Ruqing was a little cold, especially indifferent to him.

"But!" Shan Xiaoxiao's voice was happy. "Since I met my father, my mother has been a lot happier."

"How is it possible?" Li Yun was surprised, "Why?"

He didn't chat much with Shan Ruqing either. Except for the last time the three spent a night in the forest, and during this period of time, Li Yun and Shan Ruqing had a brief conversation with Shan Ruqing a few times under the influence of Shan Xiaoxiao. There is basically no intersection.

"There is no reason, because my father is heroic to save the United States, my mother is moved!"

"...That's it?"

"of course!"

Shan Xiaoxiao said plausibly: "Dad, you don't know how desperate my mother and I were at that time, and a group of hostages were trapped in a cave by those weird people. They couldn't take a shower, couldn't eat enough, and were worried about being scared. My mother was always regretting it. Take me out on that plane...It was the heroic father, who appeared like the most handsome and domineering god. My mother didn't say anything at the time, but I was really grateful and grateful to my father in my heart."

Li Yun recalled the situation at that time. Because he was going to act, he chatted outside the cave and said that he had many girlfriends, which caused Shan Ruqing to look down.

However, after getting on the plane and crashing into the forest, Shan Ruqing's attitude towards him was much better.

"Favorite...80."

After Li Yun took a look at turning off the favorability system, among the only three people in the favorability column who had not yet reached the full favorability rating, Shan Ruqing had the lowest favorability rating, but she also had 80 points, which is the level of being a girlfriend.

For a woman who has been emotionally injured and has a child alone, the 80-point favorability score is quite high.

"There's more!"

Shan Xiaoxiao said in a mysterious and excitement: "Dad, do you know? Mom often picks up her mobile phone and looks at her dad's number in the address book in a daze. She wants to call but dare not call you. Xiaoxiao can't stand it anymore. If it's done, I'll help my mother call Dad, and the mother is going to chat with Dad afterwards!"

"..."

Believe you, this little devil girl is strange!
