

Godly Choice 3151

Chapter 3151: Hero Mound

"What?" Li Yunhu questioned.

"It's a kind of..."

Xiao Mingzhu considered her words, her eyes gradually became shy, and she whispered, "I can feel the respect and love from the heart before."

"Now?" Li Yun hugged her.

"Now, it's not the same as before."

"What!? Is it different?"

"Well, less respect!"

Xiao Mingzhu had a sly smile in her eyes, "But there is less love~"

"Loving less? No, right?"

After Li Yun came back to his senses, after seeing the sly smile in the eyes of the beautiful girl, he angrily reached out and patted her, and then put her on the dining table amidst her exclaim, let her upper body lie down. , Li Yun picked up the chopsticks again and put a piece of egg into his mouth.

"What do you want to do?"

Xiao Mingzhu made a great alarm bell.

"Eating, what else can I do?"

"I can eat it myself!"

Xiao Mingzhu struggled to get up, but Li Yun had already fallen down and kissed her.

Xiao Mingzhu's pupils were slightly enlarged, and his body quickly softened. After a few times, he protested: "Don't mess around, I still have class in the afternoon! Hurry up and finish eating, I want to take a nap!"

"It's half past twelve, one o'clock, 45 minutes is enough, come on, ah~~ open your mouth."

"Well, Xiao Liuli is right, you are a big badass, do you like to play tricks on me so much? Hmm."

"No nonsense, don't you think I love you enough? Come on more and open your mouth!"

"You turn chaos."

Xiao Mingzhu regretted his behavior just now.

She shouldn't test whether Li Yun's heart has changed.

As a powerful person, Li Yun is blessed with divine intent, so how can his mental power be easily changed?

Without temptation, she would not be punished.

At the end of a meal, Xiao Mingzhu, who was always self-confident and clever, was totally confused. She didn't do anything during the whole process, but just moved her mouth to eat.

"Ding, the host makes a choice and rewards: Xiao Mingzhu's kiss*1."

It wasn't until Li Yun held Xiao Mingzhu to the bathroom to wash his mouth and face, so that the beautiful face covered with oil stars and vegetable juice became white and attractive again, the system prompts came slowly.

Li Yun looked satisfied, but it was not the sweet kiss rewarded by Xiao Mingzhu, but he took it himself.

Men should take the initiative, as long as the girl doesn't refuse very strongly, it's okay.

"Go go, you don't need to wash for me!"

Xiao Mingzhu pushed Li Yun away, turned around and looked in the mirror. The marks on his cheeks chewed by his pig's mouth are still clearly visible, and I don't know if he can get rid of it after a sleep.

Li Yun laughed at the side, but was glared again: "You are still smiling, come here, I will give you a bite too!"

"it is good."

Li Yun leaned in shamelessly, Xiao Mingzhu raised her eyebrows, opened her mouth and bit down.

"Hi, you really bite!"

Li Yun hurriedly looked at his handsome face in the mirror, a neat row of teeth marks were clearly visible, and suddenly exaggerated: "My handsome and unparalleled face is bitten by you!"

Xiao Mingzhu gave him a white look: "Then I was bitten by you, and I was bitten by you with lard!"

As she said, she couldn't help laughing herself, and after pushing him, she hurriedly urged: "Don't talk to you big pig's hoof, get out of the way, I'm going back to take a nap."

After eating a meal for half an hour, although Xiao Mingzhu didn't use her hands, she was tired just picking up the food delivered by Li Yun by mouth.

Chapter 3152: Don't even think about it

Leaving the bathroom, returning to the living room, standing at the door of her room, Xiao Mingzhu still had some thin red on her face. Seeing Li Yun still standing beside her, she couldn't help hiding in the room in a panic, facing vigilantly across the door. He said:

"Don't mess around!"

"..."

Li Yun couldn't laugh or cry, "You misunderstood me again, didn't you? I think it's Pearl that you want it, so you keep on guarding against me, right?"

Xiao Mingzhu's face flushed even more suddenly.

Obviously, this is the case.

Li Yun smiled and said, "Why don't you start 'dating' now?"

Dating is given a special meaning in the chat environment between Li Yun and his confidante.

After the date, it is natural to go to the hotel to do something or something.

"Don't even think about it!"

The beautiful and shy white rich and beautiful girl immediately objected.

"Then tomorrow?"

"impossible!"

"weekend?"

"I'm going to the company on the weekend, I want to be beautiful!"

"winter vacation?"

"No matter how many times you ask, my answer is: no, yes, yes!"

Xiao Mingzhu hid behind the door, her eyes shy and she refused: "Who made you not my boyfriend, why should I date you?"

Li Yun suddenly realized, "It turns out that Mingzhu, you want to go out with me, not date, just play! Say it early, then we will go to the movies tonight? I have nothing to do tonight, so let's study at night."

The freshman year of China Overseas University usually has late self-study, but it is more casual. It depends on the self-consciousness of the students. China Overseas University is a well-known institution with high self-consciousness. Besides, Li Yun takes long leave for a long time and doesn't care about late self-study.

Xiao Mingzhu's shy eyes with a smile: "I am not an ordinary girl, you are not an ordinary boy, but the world-famous Li Chaoren, you want to ask me out to play, you can~, but you want to catch me, Hum, there must be something extraordinary!"

The girl is proud and looking forward to it.

"Unusual things?" Li Yun thought about it seriously.

At this moment, the two of them were separated by the door, and Xiao Mingzhu was hiding behind the door, only half of his head was exposed to guard against the pervert rushing in.

This time she definitely did not wrong Li Yun, because when he was holding him on the dining table just now to feed lunch, Xiao Mingzhu already understood exactly what he thought.

Simply put, the atmosphere is tense.

"Mingzhu, do you want to do something similar to Penglai Island?"

Li Yun had been wondering for a long time, and then thought of this possibility.

"Smart~"

Xiao Mingzhu snapped his fingers, and when he saw that he didn't understand what he meant, he explained and complained: "You and the girlfriends around you have experienced some things, and you have common memories with them. Fang Xue is your first love, Li Feng It's your **** sister, Qing Yulianyi went to the mental hospital with you, Hu Xiaomeng and Zhao Tianfeng went to Adoshan Hot Spring with you, and Xiao Liuli went to the ancient tomb with you."

Li Yun looked at her in amazement.

Xiao Mingzhu went on to say: "In the tomb, you also entered the illusion. You met Princess Yongning and rescued her. Bao Zi and you went to the mountain village to film a documentary. Feiyao has known you for a long time. Nie Xiaoqian has always been in a special identity. By your side, there are Lingxian, Shan Ruqing, etc., and they have all kinds of memories with you.

Only me. "

"Only you?" Li Yun repeated.

"For me, I'm the only one who doesn't!"

"How could it not."

Li Yun disagreed with her. He recalled a little bit, and he could remember many things that had happened with Xiao Mingzhu, and he even remembered when he first met her:

It was who brought Princess Yongning back and ran into her at the airport.

Chapter 3153: Temporary boyfriend

At that time, Xiao Mingzhu... was completely a proud and confident Bai Fume, who walked to her private jet in the eyes of a group of people and shocked the people all over the airport.

"Oh, I know what you think, but none of this counts!"

Xiao Mingzhu stretched out a green finger and swayed, "What I want is a special memory that I have experienced alone with you!"

Li Yun finally understood why she was worried that she would lose fighting spirit before.

It turned out that Xiao Mingzhu also had an adventurous heart, and wanted to go out with him to experience a special battle, just like the last time Penglai Island.

"Are the Ocean Princess and Penglai Island not enough?" Li Yun asked with a smile.

"What do you say?"

Xiao Mingzhu gave him a white look, "That time it was the memories of you and Su Muxin and the others. I just incidentally happened. At that time, I wished to scold you dude in person!"

Li Yun scratched his head, "Then make it up now?"

At that time, he was messing around with Feiyao Liuli and others in front of Xiao Mingzhu. Presumably Xiao Mingzhu felt quite uncomfortable when he realized that he liked him?

"Make up, huh, playboy, want to chase me? Impossible! My Xiao Mingzhu is not the kind of girl who is willing to marry the same man with other women!"

With a coquettish smile in his eyes, Xiao Mingzhu threw a word that was not like a curse but more flirting, and slammed the door shut.

Li Yun clearly saw her blushing beautifully.

"Well, I will definitely let you change your impression of my playboy. Although I am not humble, I am actually a good man!"

After shouting a word outside her closed door, Li Yun smiled and turned around and wanted to enter his guest room-this three-bedroom and one-living dormitory in the faculty building of China Overseas University, except for Xiao Mingzhu's room which is fixed. Li Yun can live in the rest of the rooms wherever he wants. After all, all the people who will come here are his confidantes, and they even live in the same room.

At this moment, Xiao Mingzhu's door opened again, and that bright and shy face appeared in Li Yun's sight again.

"what happened?"

"Hehe, if, I mean if! If you come to make lunch for me tomorrow, it's not that you can't be your noon girlfriend~~"

Li Yun was taken aback, a girlfriend at noon?

Doesn't this mean that you agree to enter the room? !

"Remember, I mean if~~"

Xiao Mingzhu's eyes were full of sly smiles. After looking down at the place under Li Yun, he chuckled his lips and slammed the door shut after cursing playboy.

And Li Yun heard a click, and she locked the door!

"Hi, tomorrow?"

Li Yun's lower abdomen burst into flames, and he bowed expectantly and went to the room to rest.

Tomorrow what he said he would come and cook lunch for Mingzhu. He is a good man in the new era. It is useless to stop anyone. This lunch, he is set! !

It is foreseeable that Xiao Mingzhu dared to say that, she would definitely have an afterthought. It is impossible for Li Yun to cook her lunch tomorrow so easily in exchange for a boyfriend at noon.

It might have to add another afternoon, or even in the evening. If Li Yun cooks her lunch tomorrow, he can become Xiao Mingzhu's "temporary" boyfriend and enter her room.

I'm excited to think about it.

On the other side, inside the door, Xiao Mingzhu imagined Li Yun's current uncomfortable appearance, and couldn't help but laugh again: "Although he is a playboy, he is also an idiot."

Chapter 3154: good afternoon

Thinking of Li Yun's surprised expression just now, Xiao Mingzhu sneered on the bed, "If you were a stupid idiot just now, because you've made lunch for me, it's not that I can't let you be my boyfriend. Ah, it's a pity, you idiot missed this opportunity, it won't be that easy to impress me next time~"

She learned so many details about the life of the sisters and Li Yun at night in the Fairy Group. He was fed lunch again just now. She is not a stone girl, and naturally she is just like an ordinary girl.

If Li Yun was tougher, Xiao Mingzhu would just accept it halfway through, and at least twist the playboy's ears afterwards to punish him.

But Li Yun didn't do this, leaving Xiao Mingzhu wonder whether he should be happy or lost.

However, she also discovered one thing. Now no matter what Li Yun does, she will accept and understand him.

Xiao Mingzhu knew that he had completely integrated into the fairies and became a member of a special family centered on Li Yun.

She does not regret it.

will never.

"Idiot, good afternoon~."

With a happy smile at the corner of his mouth, Xiao Mingzhu slowly fell asleep.

...

In the afternoon, Li Yun showed his diligence, acting as the "dog licking behavior" scolded by countless readers, serving tea, pouring water, and asking for warmth, squinting Xiao Mingzhu comfortably, and smiling constantly.

Li Yun didn't feel ashamed of this behavior. Dog licking refers to a woman who can't be licked, but he licked it is his future girlfriend, of course, the nature is different.

Instead of licking a dog, he is a good boyfriend in the new century-self-styled, absolutely top-notch.

"Mingzhu, I bought milk tea back!"

"What kind of milk tea to drink in winter, don't~!"

Xiao Mingzhu was sitting on the grass next to the track and field, basking in the rare autumn sunshine. After seeing Li Yun taking back two cups of milk tea, she took it and found that it was warm, even though Xiao Mingzhu wanted to pretend to be dismissive. , But the corners of his lips still couldn't help but overflow with a smile:

"What are you doing? Playboy is so good to me, is there any attempt?"

Her heart is as warm as the milk tea in her hand and the sunshine of autumn and winter.

In Li Yun's eyes, Xiao Mingzhu's bright smile is the warmest.

"No attempt."

Li Yun sat down next to her, basking in the sun with her, and watching the boys playing football on the track and field sweat, there is not enough water on such a sweet and beautiful day.

"No attempt? You think I'm the silly Princess Yongning, what would you believe easily?"

"When I have time, I will tell Yongning what you said."

"Just say it, I dare to say it in front of Xiao Yongning!" Xiao Mingzhu raised her smooth chin, and said triumphantly: "How can I say that I am also her sister, even if she is said to be a silly dumb girl in person. what happened?"

The identity of the sister is just doing whatever she wants!

Li Yun was surprised: "How can you be regarded as Yongning's sister? She is in front of you!"

"Nonsense!" Xiao Mingzhu wrinkled her nose, "We classify them according to age, not in order... Okay, **** Li Yun, you're doing my thing again!"

Xiao Mingzhu leaped forward with teeth and claws.

She took the initiative to admit that she and Yongning divided sisters according to age, didn't she already admit the relationship with Li Yun?

"Hahaha."

Li Yun fought with her for a while, and was defeated and was crushed on the grass. Xiao Mingzhu's white fingers directly pressed his neck: "Quickly, what is the reason for being courteous to me this afternoon!"

Chapter 3155: Practice

There are no people near the grass on the side of the track and field, but the vision is very wide. Both of them are celebrities from China Overseas University. Especially Li Yun is still sitting as the president of the Abnormal Association. Therefore, the couples between the two do not interact with each other. Know how many people who saw it ate a mouthful of dog food.

"Okay, the heroine takes her life." Li Yun smiled and said to the beautiful girl who was sitting on him, who looked very ambiguous: "I just practice how to be Xiao Mingzhu's boyfriend. After all, I will be her at noon tomorrow. Temporary boyfriend, for the first time in my life, I have to practice!"

"Practice your big-headed ghost, think beautifully~"

The girl named Xiao Mingzhu blushed and hit him, then got off him and sat on the side again.

Li Yun got up from the grass that was warmly tanned, stretched out his hand, and hugged her into the sun.

"let me go."

With weak words in his mouth, Xiao Mingzhu struggled with a force that he could barely feel, saying that he was not his girlfriend and did not want to fall so quickly, but this struggle did not last for three seconds, so he stopped, obediently Leaning in Li Yun's arms.

The two quietly leaned against each other, watching the students running around on the track and field, enjoying a quiet college afternoon.

Just for this, Li Yun felt that he hadn't been in college for nothing, and he had lived for decades, and there was no need to spend even four years.

"Now."

The beautiful girl leaning on him spoke softly, with a hint of flattery in her tone.

"what?"

"Do you want one more practice?"

The beautiful girl's tone became more and more charming, Li Yun suddenly became nervous, his apple was rolled up and down, and he trembled and said, "What, what practice?"

"That's~" Xiao Mingzhu leaned against his ear, bit his ear, and said softly: "Practice, um, practice how to kiss Xiao Mingzhu."

There was a thud in Li Yun's mind, only to feel that the blood all over his body was boiling. He reached out and grabbed the jacket placed beside the grass, covering the heads of the two of them, and hugged her tightly in his arms.

"Ah, well, lighten up, are you practicing like this?"

"Then...do it again~"

On the track and field, a group of football players stopped and stared dumbly at the two men and women sitting on the grass, covering their ears and stealing bells: the two men covered their heads with coats, and outsiders could not see what was going on inside.

But as long as you have a junior high school education level, you can know what the two people in the jacket are doing.

The large court was full of people, and everyone was in full view.

Just use a jacket to cover it, isn't this a cover-up? !

"Damn it!"

"The dog food is full, hiccup!"

"Dog men and women eat me a ball!"

"Show affection, share quickly!!"

"Damn, what's the matter with you? In the past, there were also couples kissing and kissing on the grass, and I didn't see your reaction so much. Keep playing, don't look at them!"

"I, Cao, do you really know it or not? The people kissing in that coat are Li Yun and Xiao Mingzhu!!"

"I*! Are these two people?! Hey, a combination of handsome men and beautiful women, it turns out that it is a dog and a woman who can't die!"

With the crowd watching on the track and field, the coat covering the top of the head lasted for 20 minutes before being torn off by Xiao Mingzhu.

In an instant, a beautiful face glowing with red glow appeared in the eyes of everyone. Her expression was shy, her eyes were full of sweet tenderness, and her blushing lips were even more rosy by the kiss, and she looked very much. Seductive.

A group of people happened to have lemons again.

They can almost imagine that this beautiful school girl was so shy in her coat just now. She must be even more coquettish, right?

Chapter 3156: busy person

After leaving the track and field, Li Yun took Xiao Mingzhu's little hand and walked around the campus. The latter's beautiful and charming face still had the blush left behind by his intimacy, and Li Yun looked at him with an incomprehensible appearance. I just want to kiss again and have a taste.

"what?"

Xiao Mingzhu squinted at him with a slightly shy look. This guy looked at her now, Xiao Mingzhu knew what he was thinking!

"Don't do it, just want to practice again."

Li Yun replied in a serious manner: "I know that there is a park near the school, where many couples practice at night, or should we go too?"

"Thank you, forgive it~" Xiao Mingzhu clenched a fist with her right hand, bumped the palm of her left hand, and made a gesture of rejection, "Someone's boyfriend experience card is only one hour, and it has been used up now!"

"One hour? It's not over, there are at least ten minutes left, come on, baby give me another kiss."

"Ah, you're endless, stand up for me!"

The two went out of the school arguing, and Li Yun found out that the location was not right: "Mingzhu, go to dinner so early? Don't you go back to Qingyu to eat tonight?"

When class was in class, all of Li Yun's family members lived with Gong Qingyu, including Su Muxin, the little princess, Li Feng and Fang Xue also often went, only occasionally returning to their place of residence or living in the dormitory.

Xiao Mingzhu also stayed in Mansion No. 3 for a few nights, but not too much. Gong Lianyi found her a room on the second floor. It was a long-term reservation. The third floor of the mansion was almost full.

"I went to Qingyu to eat, but..."

Xiao Mingzhu looked around, and when she saw a low-key black bridge car slowly approaching, she smiled and said, "I went with a busy person!"

"busy person?"

Li Yun subconsciously swept the car with his spiritual thoughts and suddenly laughed: "It turns out that it is my genuine girlfriend who is here, then okay, the genuine brand is here, and your temporary girlfriend is no longer needed!"

"Pig, here!"

The car window rolled down, revealing a pure and beautiful face, and passers-by looked at it subconsciously, and after only one glance, they opened their eyes wide.

"It's Xianxian!"

"Hi, it's Liu Xianxian!"

"Ah, it's our school girl Xianxian!"

"Wow, I squatted down, I finally saw the real person of Sister Shenxian!"

"Hey? Who is that man? He actually got into Xianxian's car?"

Xiao Mingzhu took Li Yun and ran into the car quickly. A little later, the road will be blocked by the enthusiastic fans of the fairy buns, and he will not be able to run even if he wants to.

Li Yun was pushed into the back seat by her, and then Xiao Mingzhu also followed to the back seat.

This scene made fans and students stare again-bigger than before.

"what's the situation?!!"

"What!?"

"Nani? That man actually sat with my fairy bun, and was accompanied by another superb beauty?"

"Hey! Embrace the left and the right? As expected of the president of the Ability Association, this treatment is no one."

"I, Cao, a man and two women squeezed in the back seat, please point your face!"

"You are sour. If you have the ability, you will also get the national champion, you also have the ability, and the first in the country to kill the monster."

"What the hell? Who the **** is that man?!"

In the eyes of many people with envy, jealousy and doubt, the car of the big star fairy buns left in the dust, leaving a group of people in amazement.

This is going so fast, isn't it about opening... a room, no, go to love-hotel?

Chapter 3157: Pig Girl

"I, Cao, big news!"

Looking at the black car going away, someone shouted excitedly, but he was directly refuted by his friend: "Big ass, have you taken a photo? Dare to say that Liu Xianxian and the man went to the hotel, and they still went to the other one. Beauty, see if her fans won't beat you to death!"

Then the two looked around and found that Liu Xianxian's fans had been poked with angry eyes, and the two of them hurriedly escaped in fright.

Dare to say pure and kind, as if the fairy buns go to the hotel with a man, and they are still three people together, it is simply unbearable!

Then, in the car that fans didn't know about, there was a scene that they didn't dare to think about, and they couldn't help but think about it.

After Li Yun got into the car, the big star Liu Xianxian on the left, nicknamed Fairy Bun, and Xiao Mingzhu on the right, nicknamed Bai Fumei, cough cough, no, nicknamed Zhonghai Pearl.

There are beauties on the left and right, and both of them are women who have a close relationship with him. They are even a pair of green plums and green plums, good friends who have played together since childhood.

"Bao Zixian, I finally saw you~"

"What are you talking about Pig Girl? What kind of buns or buns? I won't wrap them at all now, okay?"

With a pure appearance, Liu Xianxian, who is known as a fairy sister in the entertainment industry, wrinkled her little nose to protest Qingmei's statement, not by her nickname: Pig, Zhuzhu homonym.

Because of a recently popular children's cartoon, Xiao Mingzhu won the second nickname: Pig Girl.

"Fat bun, what did you say!"

The two women frolicked through Li Yun, making Liu Xianxian's manager Zhang Jie, who was driving, shook her head.

Fortunately, the windows of this car have been processed so that the inside cannot be seen from the outside. Otherwise, one of the world's most famous star Liu Xianxian was captured by passers-by. He actually leaned half of his body on a man to fight with his girlfriends. , The two women's unshirkable movements, and their long mouths could not be explained clearly when they were photographed.

However, the current Sister Zhang didn't dare to stop it at all.

"Li Yun!"

After the two women quarreled, they were not convinced, and finally applied for a third-party ruling: "You said our nickname, is it the meat bun, or the pig girl?!"

Seeing the expressions of the two women "No answer, no answer, no answer, you must choose one" expressions, Li Yun's expression also froze.

Isn't this a proposition?

Whichever one is chosen is dead, and the left and the right are also dead.

What's even more hateful is that the garbage cheating system has come out to join the fun.

"Ding, trigger the option event, please choose from the host:

Option 1: The meat buns are delicious, and reward Xiao Mingzhu's temporary boyfriend experience card. You can practice how to kiss and date with Xiao Mingzhu.

Option 2: The Piggy Girl is nice, reward: meat buns*1.

Choice 3: Play dead, reward: Fenquan*2. "

Looking at the three options, Li Yun couldn't laugh or cry. Could the fan punch*2 be punched by each of the two women, right?

Then choose 1. At least you can get Xiao Mingzhu's boyfriend experience card again. This time it should be longer and do more things.

"System, I choose...wait!"

Li Yun suddenly saw Option 2 and suddenly reacted.

The meat buns*1 rewarded by the system, it seems...not the real meat buns bought at a roadside breakfast shop with a piece of five, but...

"I think."

Li Yun coughed, and under the expectant gaze of the two women, he shook Liu Xianxian's hand and said with a smile: "It's still the most suitable for you."

"Yeah!!"

Chapter 3158: Victory of Liu Xianxian

The triumphant Liu Xianxian compared a scissor-hands to Li Yun's face and kissed him, then turned his head and smiled triumphantly at his Qingmei.

Xiao Mingzhu's expression was terrible, her mouth bulged slightly, and she stared at Li Yun with her eyes.

Woman eyes, murderous knife.

"Listen to me, I have something to say!"

Li Yun quickly stretched out his hand to fight for the right of explanation for himself.

"Say!" Xiao Mingzhu began to grind his teeth, looking for a good spot on Li Yun's shoulder and face, as long as the explanation does not suit her, she will definitely bite it down! !

This **** actually helped the stinky bun and didn't help her, damn~!

"First of all!"

Li Yun stretched out a finger, and Liu Xianxian nodded in agreement. His eyes were full of joy and happiness, which made the driving sister Zhang feel very complicated. She was always worried that the man was around too many and would make Xianxian feel wronged. , It does not seem to happen.

Xianxian is very happy by his side. This kind of joyful smile cannot be pretended or acted out. It can be inferred that Liu Xianxian and others will go to the mansion and get along with those "sisters". It's easy, otherwise she wouldn't be able to smile so happy now.

"Xianxian is my girlfriend." Li Yun emphasized.

"Yeah~~" Liu Xianxian exclaimed, her pure and beautiful face was full of shy and happy smiles. With happiness in her heart, she couldn't help pressing Li Yun's thigh again, leaving her seat a little bit with red. Lips kissed Li Yun's cheek again, and said confessedly:

"Li Yun, you are also my boyfriend~~ hee hee."

Xiao Mingzhu was not jealous by accident, she thought that the **** would speak to explain!

Sure enough, Li Yun stretched out another finger: "Secondly, Xiao Mingzhu, you are not my girlfriend."

"Hey?"

Liu Xianxian was very surprised, and blinked at Xiao Mingzhu, his clear eyes were full of doubts, as if asking his Qingmei why.

Xiao Mingzhu's face turned black.

"at last!"

Li Yun couldn't help laughing: "Student Xiao Mingzhu's boyfriend experience card has expired, so now Xianxian is my girlfriend, while Xiao Mingzhu is not."

"Hahaha~~"

Liu Xianxian laughed happily. She probably understood what was going on. She looked at her Qingmei from ear to ear, her eyes full of triumph, as if she was saying: I won, I won, Piggy Girl You Just admit defeat obediently!

Xiao Mingzhu's curving eyebrows raised her eyebrows, and the mere meat buns dared to provoke her in front of her?

"Xianxian, let me ask you a question."

Xiao Mingzhu asked seriously.

"what?"

"Is Li Yun your boyfriend?"

"Yes, yes, what's the matter?"

"Then do you know?"

"Know, what do you know?"

Liu Xianxian had a bad premonition, and immediately after that, she saw her green plums wrapped around Li Yun's neck and kissed them directly.

"Ahhh~~~!"

Liu Xianxian covered his face with a broken expression watching the two people come to her for a French intimacy in front of her, that is, the kind of intimacy that is deep and devoted to each other.

It took 30 seconds for Xiao Mingzhu to let go of Li Yun, raising her eyes to smile at Liu Xianxian triumphantly: "My boyfriend and I have experienced boyfriend and girlfriend experiences for a while, which is the boyfriend experience just mentioned. Card, spent an hour in the track and field to experience it slowly~"

Liu Xianxian's mouth bulged, and she finally became a meat bun.

Chapter 3159: Sister Lian Yi

"Huh, Li Yun is my boyfriend, not yours~"

Liu Xianxian pushed away the smug Xiao Mingzhu, and angrily put his arms around his boyfriend's neck, and kissed him hard.

Of course Xiao Mingzhu refused, and fought with her.

Li Yun was painful and happy. He didn't know who was jealous on his waist for several times, and his face was even more messed up by being kissed.

Although Xiao Mingzhu did not wear lipstick, Liu Xianxian, who was a big star, had a light makeup and a very light lip gloss on her lips. Li Yun's face was turned into a tabby cat when she was so confused. In the end, the two women were overjoyed, pointing to Li Yun's face and holding their stomachs and laughing.

The cheerful voice spread in the car, and the mood of the driving sister Zhang was even more complicated.

But until the car drove to Mansion No. 3, the two beautiful young girls in the back seat frolicked with the man so softly and weakly, leaning against him with blurred eyes, Sister Zhang also said nothing and said nothing.

For Li Yun, she has learned too much during this period of time.

The identities of Li Chaoren and the chairman of Baiyun Technology alone are enough to block everything she wants to say.

A man of such an identity, even if he marries Liu Xianxian and a large number of big stars in the entertainment industry at the same time, people all over the world dare not say anything, even those fanatical fans of Xianxian know that their idol fairy sister actually talks to others. When a woman marries Li Chaoren together, I am afraid they will only curse secretly, but on the surface they still have to bless the idol.

The power represented by "Li Chaoren" is so strong that it surpasses human imagination. Many people who worship him even believe that Li Chaoren will become a true ***** in the future.

Or the pioneer who led mankind into space, Baiyun Technology is the effort made by this pioneer.

Therefore, even if she knew that not only Liu Xianxian but also other women existed around Li Yun, Zhang Jie would not dare to say anything.

"Sister Zhang thanks."

After getting off the car, Li Yun smiled at Sister Zhang. When she was dazed, she had already taken Liu Xianxian and Xiao Mingzhu to the mansion.

Sister Zhang came back to her senses, she felt that she felt flattered just now, enough to see the speechless power exuding from that man.

...

"Xianxian?"

The three of them entered the mansion, Gong Lianyi, who had received the news in the lobby on the first floor, greeted her. Seeing Liu Xianxian Empress, the beautiful Yu Jie burst into a smile on her face.

"Sister Lianyi~"

Liu Xianxian walked over, but suddenly stopped and looked at her up and down.

Today's sister Lian Yi is still habitually wearing home light skirts, her tall figure sets off her light clothes like expensive evening dresses, her facial features are exquisite, and her temperament is graceful and virtuous.

Sister Lian Yi has always been respected by the girls who often come to Mansion Three. She looks after everyone like a big sister. Liu Xianxian also respects and loves each other very much.

However, Sister Lin Yi, who used to think that she was as beautiful as a lady, gave her a different feeling today.

A kind of charming from the inside out, even can be called a seductive style, so that sister Lian Yi's every move is full of the charm of a mature woman.

"What, what's wrong?"

It seems that from Liu Xianxian looking at it with a strange gaze, Gong Lianyi, who knows the change in her temperament, asked rather disturbedly: "Xianxian, have I...become, that kind of woman?"

Her Danfeng eyes blinked because of shyness, and her charm was undoubtedly evident.

Chapter 3160: Get the third floor

"What woman? My Li Yun's woman?"

Li Yun was attracted by her unconsciously fascinating attitude, and stepped forward to hold Gong Lianyi's willow waist, and kissed her fragrant lips, making Gong Lianyi struggling with shame, pushing him to say that there were still people there.

"Who's there?" Liu Xianxian looked around. Apart from her and Pig Girl, there were only two beautiful maids. If I remember correctly, these two maids were also in the Fairy Group and they were also their own. hidden.

Gong Lianyi, who was aware of the situation, was even more embarrassed, but just didn't give Li Yun any tricks. After pushing him away, she took the hands of the two women and walked upstairs.

It's just that she is Gong Lianyi after all, and within a few steps of walking up the spiral staircase covered with thick carpets, she couldn't help but turn her head and whited Li Yun with her charming and charming eyes, "Even if you want to be foolish, also... You have to go to the third floor too!"

Liu Xianxian's face was even redder, and he couldn't help but smile secretly while covering his mouth.

Xiao Mingzhu couldn't help but smile. Sister Lian Yi has a soft personality. Even if she refuses Li Yun, she won't go too far. As far as her temperament is concerned, Li Yun is messing with her in the lobby on the first floor, and Sister Lian Yi will just resist. After a few clicks, he obediently obeyed.

As far as a big family is concerned, the person with the most young wife character is Xia Feiyao, who is submissive and behaved like anything, but the most considerate is Sister Lian Yi.

"Okay." Li Yun hurriedly followed the pace of the three women. Behind him were two beautiful maids, and two of them followed Gong Qingyu, waiting for her from school near the school.

"Oh, right."

Li Yun thought of one thing, "Lianyi, you can stop waiting on the first floor next time. How boring, we will see you when we go upstairs."

Gonglian replied: "I, I have nothing to do on the third floor, and the same is true on the first floor. I can't sit still until you come back."

Xiao Mingzhu glanced at sister Lian Yi, this sister is really cute.

"I just feel sorry for you."

"Well, it's okay, as long as... why are you messing up again."

Touched Li Yun hugged her and almost arrogantly hugged Gong Lianyi up to the third floor.

Fortunately, there are almost no outsiders on the second and third floors, and the maids and servants only go up to clean up in their free time. Li Yun went all the way unimpeded and hugged Gong Lianyi, who was so embarrassed, to the third floor in a princess hug. .

There are a lot of rooms on the third floor, but they are all occupied by the girls around Li Yun, plus Gong Qingyu's master bedroom-that is, a room with a big bed, and a study room.

Of course, more importantly, there is a cozy living room on the third floor.

This living room is different from ordinary people's. The sofa is specially customized. It is U-shaped. It is a large sofa that can sit or lie on more than ten girls at the same time. In addition, there are a lot of single and long sofas. Even if all the confidantes around Li Yun came, they were enough to sit down.

There are a few tables in a pile of sofas with a few computers on them, which can provide girls with access to the Internet at any time, and other melon and fruit snacks are also available.

There is a soft imported carpet under my feet, which is clean, and it is no problem to walk back and forth between the sofas barefoot.

At least Princess Yongning likes this. For example, Zhu Shu'e, who is awake now, is watching TV. After hearing the sound, she turns her head and finds that the person who is upstairs has her husband. A cute little face suddenly bursts into a happy smile. .

"Husband~~"

The little princess stepped on the carpet barefoot and galloped over, hugged Li Yunqi's Gong Lianyi, and smiled at her: "Sister Lianyi would also be hugged by her husband like this. It's really surprising."
