

Godly Choice 3201

Chapter 3201: Half dragon ball

Li Yun grabbed Liu Xianxian's little hand and left the palace all the way, followed by the life assistant Zhang Xiaoqing behind him silently. The two of them are now going to the hotel to open a room. She will not be surprised, because the couple is between the lovers in and outside the play. , The feelings are so good, it's like glue sticking together, how can they be inseparable.

However, if Li Yun and Xianxian really go to the hotel to open a room, as a life assistant, Zhang Xiaoqing will definitely stand up and remind Xianxian...no, no, let Li Yun end the fight within one hour of working time At that time, she will knock on the door to remind them.

The reason for reminding Li Yun, not his own big star, is because Zhang Xiaoqing discovered through the morning garden kiss scene that in the emotional relationship between Xianxian and Li Yun, Xianxian was the most enthusiastic one.

Like a blazing sun, burning herself desperately, even if she was watched by the crew, she would have to be intimate with Li Yun many times.

With such a deep and full of love, Zhang Xiaoqing would not think that if the two of them actually entered the hotel, Xianxian would still think of work, maybe she was the one who indulged the most?

Therefore, I can only remind Li Yun, not Xianxian!

"Beautiful Miss Princess, how did I behave just now?"

Li Yun smiled and was still wearing a costume—in fact, Liu Xianxian, who was actually a light blue costume skirt, asked. After leaving the palace, many entertainment reporters waiting outside picked up the camera and took several pictures. In the photo, there was an expression of excitement on his face, as if he was capturing the love affair between Li Yun and Liu Xianxian for himself, and the ecstasy of fame and fortune after it was exposed.

Unfortunately, they soon discovered that the two of them were still wearing costumes for acting. Even if they posted it, they couldn't conclude that Liu Xianxian had talked about her boyfriend. They could only take a eyeball and speculate whether the two were dating?

Moreover, it is still broad daylight, and the faces of the two are not covered, the nature of the scandal is even lower.

Li Yun ignored these entertainment reporters and focused on chatting with the shy princess lady.

"One, so so."

A shy smile appeared at the corner of Liu Xianxian's lips, "Forgetting that you have a clever response, you scolded the sour third party severely, hehe~"

All the entertainment reporters who followed behind overhearing + secretly filming were all dumbfounded.

Does this mean the inside of the play or the outside of the play?

"Just so-so?" Li Yun said exaggeratedly: "I think I have performed superbly, at least worth a dragon ball!"

"One? The beauty of thinking, at most half of it!"

"Okay, half a dragon ball, then I am now a half dragon ball?"

"Huh~"

Liu Xianxian hummed instead of answering, her innocent and beautiful face turned redder, but the unconcealable smile still came from the corners of her lips and bright eyes.

Not to mention that entertainment reporters didn't understand this sentence, even life assistant Zhang Xiaoqing was a little confused.

It's just that from Xianxian's more shy performance, she vaguely guessed that after collecting the seven dragon balls, she seemed to promise Li Yun something, and she was still ashamed, about going to a hotel to open a room for three days and three nights, etc. topic of.

Li Yun turned his head and said to Zhang Xiaoqing: "Xiaoqing, don't follow us, don't worry, we are just going to eat a meal, cultivate our feelings, and prepare for the afternoon filming."

Zhang Xiaoqing paused and took a look at her fairy. After seeing that Zhang Canruo Taoli had no objection on his face, he could only choose to quit silently and give up the next three hours to the couple in and out of the play.

Chapter 3202: Develop feelings

"Cultivate feelings!?"

The entertainment reporters are just like cats that smell the fishy smell. They picked up their cameras and pointed them at Li Yun in the black tights and Liu Xianxian in the skirt. They even thought about the news headline:

"Superstar Liu Xianxian and his new debut little handsome guy Li Yun are suspected of having a relationship exposed!"

"Sister Shenxian's in and out of play, the secret that the hero has to tell!"

"Is it really fake? Liu Xianxian and her husband hold hands to show affection!"

Li Yun was impatient with the click of a photo. He looked back at the reporters and asked, "Miss Princess, do you want to kill all these people?"

scare! !

A group of entertainment reporters were bluffed three steps back by the black killer, and even Zhang Xiaoqing, who wanted to leave, couldn't help but laugh.

"No, a group of civilians, just look at them~~"

The princess lady held back a smile and let the reporters go with a noble tone.

Li Yun nodded, grasped her small hand hard, pulled her into his arms, hugged her a few ups and downs, ran quickly on the street, and quickly disappeared.

The reporters who were left looked at each other.

Someone thoughtfully said: "When Xianxian was hugged just now, he naturally hugged the assassin's waist and said that it was okay for the two to be outside the scene? Anyway, I don't believe it!"

"What if you don't believe it? As long as they are still filming, who of us reporters, including netizens, dare to be 100% sure that the two are in love?"

"Yes, dare to guess a little more, be careful that the fanatical fans of Xianxian come to you to settle the account!"

A group of reporters silently posted the photos they had taken. They dared not say a single comment or even mentioned the conversation between the two just now.

On the Internet, Weibo, Tieba, forums, etc., once again caused waves of this group of photos of the two holding hands.

...

"I'm on fire again."

Li Yun and Liu Xianxian got into a couple's private room with a warm atmosphere in a very remote restaurant decorated with antique style in Hengzhen. They had lunch on the third floor while looking at the crowded streets.

After opening Weibo and seeing a lot of replies and reposts, Li Yun couldn't help smiling at Liu Xianxian beside him.

Originally, the couple's bag had two couches facing each other, which was convenient for customers to lie down and have a rest after eating. Of course, it's not impossible to do something else. It's good to book the box use time in advance.

But Liu Xianxian generally doesn't like sitting opposite. She likes to sit against Li Yun, which is convenient for eating and then kissing him, so that the greasy lips can be smeared on his face, as Xiao Mingzhu said the other day. It's the same when we have lunch together.

"Hehe, my fans are guessing whether you and I are a couple." Liu Xianxian snickered while holding the phone.

"Then are we lovers?"

Li Yun leaned close to her fair face, trying to take advantage of it.

"no!"

Liu Xianxian smashed the nails.

"what?"

"Mr. Killer hasn't completed the final test yet, so not!"

"Mr. Killer didn't finish, then Li Yun should have finished it?" Li Yun pointed to himself.

"Do you have seven dragon balls?"

Liu Xianxian's face turned red again.

Li Yun collected seven dragon **** on her body, and she was about to satisfy this guy's wish, and the time when the seven dragon **** were gathered is getting closer and closer.

Every time she talked about this little agreement or secret matter between the two, she would feel extremely shy.

But this is what Li Yun is looking forward to, and Liu Xianxian is also willing to satisfy his wish.

After all, this is her wish.

Chapter 3203: Liu Xianxian's determination

"I think I have to add half a dragon ball just now, right?"

Li Yun tried to find a reason. This is only a half dragon ball. When can he make a wish to Liu Xianxian? Let her promise a series of things at night?

Liu Xianxian didn't speak, but smiled shyly and stretched out an index finger, comparing it to a short distance.

This means that at most you count 0.1 dragon balls, you have to keep working hard, I will gather all the dragon **** for you to fulfill your wish!

Li Yun looked at her innocent and beautiful face with shame, and was inexplicably ignited by flames. It was very tickling, but he had just said that the Dragon Ball hadn't been collected, so Li Yun thought about it.

"Xianxian."

"what?"

Liu Xianxian was next to him, holding a mobile phone in his hand, and vaguely biting the food that Li Yun had just fed her in his mouth. If it weren't for the food in his mouth, he would probably be humming happily.

"Will I be able to gather seven dragon **** to make a wish for you in the future?"

"...Can't wait?"

"Just answer me!"

"Humph, badass~"

Liu Xianxian Xiafei cheeks, "It's not you who gathered together, is there someone else who gathered my dragon ball to make a wish with me? I hate it, ask these questions!"

Li Yun leaned forward, wrapped her arms around her soft waist, and said with a smile: "I mean, since I can make a wish, then I will make a wish in the future so that I can kiss you now."

Liu Xianxian froze for a while before trying to understand what he meant: "You want to get on the bus first and then make up the ticket!?"

"Yes~"

"No... OK, um."

The resistance of Miss Princess Sheriff collapsed in an instant, and she quickly responded to Mr. Killer's deep affection.

I don't know that after a few minutes, Li Yun let go of her.

Liu Xianxian's eyes were blank. After a long while, he looked at the phone again. After seeing the photos sent to her by his life assistant, he reluctantly replied some of the sage he had lost because of being intimacy with Li Yun.

"What are you doing?"

Li Yun clamped a piece of meat with his chopsticks and stuffed it into Liu Xianxian's small mouth, who was struggling to type on his mobile phone. The latter opened his mouth before the chopsticks came to his mouth. Eat food in your mouth.

Why did Li Yun know that, and specially pointed out that her taste is fragrant and sweet?

Because he had tasted it many times in the morning, and now he wants to try again.

"Wait, I'll post something!"

Liu Xianxian slammed Li Yun's face away with his head, and the two thumbs on the phone screen kept moving.

"What are you posting...I'll go!!"

Li Yun leaned over to take a look, almost not surprised.

His princess lady is posting the content of the two's acting in the morning (it is estimated that the life assistant sorted out and sent it to her) on Weibo.

A total of dozens of pictures, from Li Yun, a black-clothed assassin, jumped into the palace garden, and then when he struck a horse, Liu Xianxian, the princess, was sitting on his lap. Even the scenes of the two performing kissing scenes were all captured by Liu Xianxian. It was posted on her Weibo! !

How many Weibo fans of Li Yun's star girlfriend?

One hundred and twenty million! !

Even if you put aside 90% of the zombie fans and trumpets in it, there are still 10 million people alive!

One-tenth of these people are online, that is, millions of fans. They can save all the photos sent by Liu Xianxian in one second, and it is impossible to delete them!

"Hehe~~"

After Liu Xianxian sent this Weibo with "Promotional Movies, Promotional Movies, Welcome Everyone~", he turned off the phone with a smile, and threw the phone in the corner of the sofa, indicating that he just didn't want to be disturbed.

Her Weibo has been posted! !

Chapter 3205: Super gentle

But correspondingly, countless male fans are heartbroken.

Seeing that Sister Shenxian had to be with her Mr. Killer in the morning, noon, and late, and show off her affection on Weibo, all the male fans were watching Liu Xianxian, who was so beautiful and bubbling, showing tender affection. The look in his eyes was so enjoyable, but at the same time, he wished to cross into these photos and replace Li Yun as the killer.

As for the female fans, they don't have so many worries. They look at the black killers who are sometimes cold, sometimes nervous, and sometimes ashamed as a big boy, licking the screen one by one.

"Quickly, Xianxian has posted a new Weibo!"

At 12 o'clock in the afternoon, everyone in the newspaper office who was eating was disturbed by an exclamation. Many people subconsciously inserted their chopsticks into the lunch box and pressed the F5 refresh button eagerly.

Then I saw a new set of photos on Liu Xianxian's Weibo.

"hiss!"

"Damn!"

"Wow, that's amazing!"

"Want to be so fierce?"

"First kiss on screen?!"

"Quickly, quickly, post on Weibo immediately, and then rush to work on a report, and the title is called—"

"Liu Xianxian's first screen kiss?!"

"Yes, that's it, wait, and add another sentence at the end, the actor turned out to be him!"

"As expected of the editor-in-chief, the effect of adding a sentence is immediately different."

"Stop flattering, you can write it in three minutes!"

"Really!"

The "Haiyu News" civil turmoil became a ball, and the photos in the play sent by Liu Xianxian were as irritating as chicken blood, and I didn't eat lunch.

At the same time, countless people who were eating in the school canteen, eating in restaurants, in front of the computer at home, eating takeaway, eating pasta, eating dumplings and fast food were all given the phrase "Liu Xianxian gave the first kiss on the screen." Swipe the screen.

From headline news feeds, to the bombardment of pictures in the button group, to the reposting in the circle of friends, you can see the princess lady in the light blue skirt in every corner of the Internet, talking with the killer in the black tights in the garden Love photos.

The real clothes stretched out his hand and opened his mouth. Liu Xianxian only needed to open his mouth and wait to eat.

This kind of indulgent love can really kill people's fighting spirit. No wonder Zhuzhu will say in the group, so that everyone should not indulge in the fun of the evening with Li Yun, or they will become a waste.

Before Liu Xianxian didn't take it seriously, but now she was just having a meal with Li Yun. After two days of getting tired of the two, she was reluctant to leave, wishing to stick to him at any time.

Dating, shopping, eating, watching TV, etc. Which one is better than going to film?

Um, no, filming is barely acceptable. After all, you can play a good friend with him in the play. Although there are people from the crew watching, Liu Xianxian and Li Yun can't let go of their intimacy, and they can't talk to him during the meal. She is sweet and sticky, but can make a movie with Li Yun. When it premieres in the future, she and Li Yun and the sisters will watch it together in the small theater of Gong Qingyu's study, or go to the third floor of Li Yun's house. , There is also a private theater there, it will definitely be great~.

"Go, go filming!"

Li Yun helplessly patted the big star who shrank in his arms and coquettishly, "If your fans see you being lazy, it will definitely be the headline news again!"

"Humph~"

Liu Xianxian grunted, "Do you want to take a picture of my current appearance with your phone? This princess specifically allows you to post it on your Weibo~"

There was a three-point temptation in her voice, as if she just wanted Li Yun to do this, to convey her love affair with him to the outside world.

Li Yun paused, his tone a bit complicated: "Xianxian..."

"Huh? I think you must be crooked!"

"What's wrong?"

"Just thinking about my bad things."

Liu Xianxian raised his head, leaned close to Li Yun, and stared at him: "You must think of me as an insatiable bad girl in your heart, right?"

The insatiable bad girl refers to Liu Xianxian who deliberately sent pictures of the two kissing on the Internet, so that the majority of netizens subtly think that she and Li Yun are a couple in and out of the play.

If Li Yun is changed to another man, then there is no problem at all. It even shows that Liu Xianxian loves him deeply. When he falls in love, he can't wait to announce to the world that he is better than those who have fun and make boy and girl friends. People who don't tell anyone around, never post any circle of friends are much better.

But Li Yun has more than Liu Xianxian's girlfriend beside him.

He also has Fang Xue, Gong Qingyu, Su Muxin, Xiao Mingzhu, Jin Liuli...

Wait, seventeen or eight girls are all around him.

They did not disclose this, but people familiar with it knew it and did not disclose it to the public.

But Liu Xianxian did so.

"A little bit." Li Yun rubbed the hair on her head, "However, I caused your badness, Xianxian."

"You are a fool like Mr. Killer!"

Liu Xianxian raised his body and kissed Li Yun **** his lips.

"I did this for a reason, of course, and... they also agree."

"what?"

"Hehe, ah what? Get up, let's go filming!"

Chapter 3207: Group discussion

In the end, Li Yun failed to offend Liu Xianxian's mouth. What did the girls next to him talk about in the fairies group, and why he asked Liu Xianxian to announce the stills of the kiss with him.

In the fairies group, there are daughters like Xiao Mingzhu, Su Muxin, and Fang Xue, and Hu Xiaomeng, who is a big think tank, and recently added a self-made Shan Ruqing, plus Jin Liuli, Xia Feiyao, Dugu Lingxian and other heroines.

Li Yun estimated that all the people in the world would not be able to guess the "conspiracy" that these girls could discuss together.

...

Five days later, the fairies were in the group.

Little Pepper: "Wow, Xianxian uploaded another photo to Weibo!"

Hu Xiaomeng: "I see, this time the two are standing on the street, expressing their hearts to the princes and princesses. They embraced the kiss picture in public, as if they were sticking out their tongues. It was amazing.

Snow White: "Puff..."

Lingxian: "Will it be too, too hot? Xianxian has made no secret of the love in his eyes. Will it be seen through by netizens?"

Zhao Tianfeng: "The netizens all over the world have seen it through. Li Yun and Xianxian are lovers in and out of the show."

Hu Xiaomeng: "I'm so envious, I want to join you too~ Ah, I want to go to the class this weekend!"

A group of girls were discussing something. After Gong Qingyu went online and saw it, he joined the discussion and finally made a comment.

Snow White: "Ah? Me, shall I go first? Well, okay, I'm more of Li Yun's real girlfriend'. You are all concubines, so it makes sense for me to go."

Cyan Bamboo: "I am a concubine, but the Saintess is not a concubine!"

Qingguo Mingyu: "@白雪公主, what screen name did you change? In addition, I am the eldest woman!"

Hu Xiaomeng: "No, no, no, according to the last time we bet in the group, I will be the eldest woman this month!"

snow White: "....."

She and a group of girls in the group were shocked by the words of the little girl Hu Xiaomeng, a little girl, how dare to say that she is a woman?

Zhao Tianfeng: "Sorry sisters, I will go over and beat her ***** later."

Hu Xiaomeng: "I'm not afraid! Zhao Tianfeng, come to fight!"

Lian Yi: "@狐小萌, kids should study hard, it's school time, right? Go and prepare for the final exam!"

Fox Xiaomeng: "[Wow wow crying]"

All the girls were amused by the girl's expression pack, and finally reluctantly agreed to her be an eldest woman this month, so she coaxed the fox Xiaomeng, who was far away in the capital, and made her proudly order Fang Xue and Li Feng, I rushed to Hengzhen within today to show some affection with Li Yun and ***** him back from the gods sister.

In fact, Shan Ruqing is always online, but she did not participate in the discussion of the women. Instead, it was her daughter Shan Xiaoxiao. She often turned on her mobile phone in the middle of the night that she did not know, and glanced at the fairies in the group. Chat with little moms.

...

Li Yun and Liu Xianxian asked for a long time off, and Director Zhang directly waved his approval.

In fact, the two of them are very lazy at work these days. For example, at noon, they dragged themselves to the crew until more than two in the afternoon, and the work ended at five or six in the evening.

If you need to shoot a night scene, the two must take a break in the afternoon. One day will definitely set aside half a day to be lazy, or to talk about love, which is called cultivating feelings.

The crew did not complain at all.

Chapter 3208: Brutal tauren

Because they all guessed that Liu Xianxian invested in the filming of this movie, she reserved a few months of free time and didn't rush to finish the filming. More than half of the time was at her discretion.

So don't say being late for an hour or two, even if the two suddenly ask for leave, the crew will not say anything.

In addition to being rich is the reason for the boss, another important reason is:

They can just be lazy and play on mobile phones!

While waiting for the male and female protagonists to appear, all the crew members, including the runners, sat lazily in the palace and chatted with mobile phones, the old actors gathered together to play chess and cards, and the young people played mobile games together. What is the glory of the king? Stimulate the battlefield and so on.

Very leisurely.

This is definitely the easiest time for them to make money, and it is even happier to think that this kind of life can last for two or three months.

...

"Xianxian~"

"Sister Xianxian, husband... Li Yun!"

At the intersection of the Ming Dynasty street, one of the most prosperous and lively streets in Hengzhen, Fang Xue and three girls greeted him. One of them was the youngest, about fifteen or sixteen years old, wearing an emerald green woven golden horse dress, looking very petite and lovely. The girl, when she was about to call her husband, suddenly thought of something, and quickly changed her words, with an embarrassed expression on her small face.

"Xiaoxue, you are here."

Li Yun smiled and greeted the four girls, Fang Xue, Gong Qingyu, Xiao Mingzhu, and our cutest and most beautiful little princess in ancient clothes, Zhu Shu'e, she also followed.

Perhaps because she came to the streets of the Ming Dynasty and saw familiar and somewhat unfamiliar places, the little princess Yongning was especially excited today. Before her husband came, she had already dragged her three sisters to stroll around the streets of the Ming Dynasty for a short time until she received the news came to the intersection and waited.

"Li Yun." Xiao Mingzhu, who still had a bright and cheerful smile on her beautiful face, greeted him with a sly look in her eyes.

When Li Yun was a little puzzled, she, Gong Qingyu, and both reached out and pushed Fang Xue together, causing her to involuntarily plunge into Li Yun's embrace.

"what!!"

"what?!"

"It turned out to be like this...?"

The crowd onlookers let out a cry of exclamation.

These beautiful girls have different styles. They have classic temperament and cold personality. There are also beautiful and sunny girls. Their appearance is more than that of first-line female stars. Plus one who has just graduated from Loli can be called Big loli for the girl.

The combination of these four has attracted a lot of attention from nearby tourists.

After Liu Xianxian appeared, it became the focus of everyone in an instant.

Just when the onlookers guessed what the relationship between these four beauties and Liu Xianxian was, the most inconspicuous of the four-although a girl who could be called an eight-point beauty, suddenly plunged into Li Yunqi? !

But this Li Yun, isn't he a couple with Liu Xianxian, are they both lovers in and out of the play? !

"Xiaoxue, hurry up." Xiao Mingzhu urged, "didn't you keep talking about seeing Li Yun when you came? Hurry up and kiss."

Dear? !

Everyone was stunned, and then they saw the girl who threw into Li Yun's arms, really shy on tiptoe, and kissed Li Yun's lips.

"what's the situation?"

"My immortal was brutally NTR?"

"I slapped a tauren!"

"Okay, Xianxian doesn't have a boyfriend yet, I have another chance!"

Chapter 3209: what's the situation

The onlookers stared blankly at the man next to Liu Xianxian and kissed a girl who appeared suddenly on the street. The key is that Liu Xianxian didn't seem to be jealous...not to say that he wasn't jealous, but he was not so obviously jealous.

It's as if I can't wait, there is no reason to oppose it.

From the performance point of view, on the contrary, Liu Xianxian is more like a third party, and the two people in the close relationship are boy and girl friends-of course, the reverse is also possible. If Li Yun and Liu Xianxian are close, then the other girl is the first. Three of them.

These three people, no, the relationship between these six people is a strange one!

"let's go."

Xiao Mingzhu drove the two people away, and the group got into a large commercial vehicle and quickly left here.

A group of obsessive onlookers were left behind.

The subsequent dumbfounded infection spread to the Internet, and many fans who had already assumed that Li Yun was Liu Xianxian's first boyfriend were all stunned.

They ran to Liu Xianxian's Weibo and asked carefully what was going on.

Some people came to Li Yun's Weibo to vent their anger.

It wasn't until Liu Xianxian silently posted a photo of this morning that her fans were dumbfounded.

In the stills, it is clear that the black killer and Miss Sheriff are kissing, and the cheeks of Miss Sheriff are still full of tears, which clearly corresponds to the situation in reality today!

In and out of the play, this one completely confused the fans.

What is the relationship between their idol and Li Yun, and what is the relationship with the girl named Fang Xue?

"I see! That Li Yun and Fang Xue are high school classmates, they liked each other, but they didn't confess! Then they went to college, Li Yun met Xianxian and couldn't help falling in love with her. Xianxian was also in love with her. I fell in love with him too. But Fang Xue did not give up, still silently..."

On the feast, someone made a serious analysis and posted the relationship between Li Yun and Fang Xue at Zhicai Middle School in Longyang County, and also posted the encounter between Li Yun and Liu Xianxian, which attracted a lot of people's attention.

"Too bloody, right? The entangled love of the three?"

"Brain made up a 3.36 million-word large-scale love harem novel. I have already figured out the topic. It is called the city god-level choice..."

"Fuck! What kind of **** novels are written crookedly!"

"Yes, the heroine must be our fairy!"

"Scum man! Scum man! Scum man!!!"

"Can't say that...that Fang Xue must have been stimulated, so she ran to Hengzhen to look for him? The kiss that can't wait to meet is enough to see the depth of love."

"The key is why Xianxian didn't object?"

"Attention, little fairies: Our fairy never said that she was in love with Li Yun. She and Li Yun only kissed because of acting. Look carefully at the photos of the two. The kisses are all in costumes!! "

"Xianxian confessed through this method?"

"In other words, my immortal is the third party?"

"Woo, I cried, Xianxian is so pitiful."

"It's still the fault of the scumbag!"

Countless people have made brain supplements for the relationship between these three people, but what they never know is that the two heroines in their brain supplements were held in his arms by Li Yun at this time, each behind them. Hit it.

"Ouch."

"Bad!"

The two girls clutched the place where they were beaten, staring at Li Yun with big eyes, full of grievances.

Chapter 3210: Little princess, don't talk

"why did you hit me?"

The princess lady sitting next to Li Yun was unconvinced and stared at him with beautiful eyes.

They were talking to Li Yun in a teahouse in Hengzhen right now, drinking tea and chatting while talking about what had just happened, but before they even started talking, Li Yun gave Liu Xianxian and Fang Xue an ***** blow with each hand.

"Yes, why hit me?"

Fang Xue was booing with her fairy sister. Before she met Liu Xianxian, she was a loyal fan of the fairy sister. Later, because of Li Yun's relationship, this kind of worship was weaker, but she was still very close to her fairy sister.

"What else to ask?"

Li Yun raised his hand, and then decisively hit each other behind them. The two women protested loudly and expressed their dissatisfaction, and pulled Xiao Mingzhu and Gong Qingyu to help out. Princess Yongning cheered and fought against the tyrant's evil deeds together!

"You have a share too!"

Li Yun stood up and grabbed Gong Qingyu and Xiao Mingzhu who were sitting across from him with a hand. In the voice of the two women, "Ah ah, let go of me" "Bad boy, dare you!" screamed in protest. The two hits were very clean and tidy.

After each lesson, the four girls finally calmed down and hid in the corner of the box, muttering bad things about Li Yun.

"It's still my Princess Yongning!"

Li Yun hugged the only little princess who was still by his side, and smiled and scented her confused little face.

".....what?"

Princess Yongning glanced at him, then at the four older sisters, and suddenly made a move that stunned the five people in the box.

"Husband, fight Yongning too!"

Princess Yongning lay on the sofa in the teahouse box with her back to Li Yun, and said cutely and shyly.

Her posture is like a naughty little girl playing with stagnant water on a rainy day. After returning home, she obediently waited and asked her parents to educate her on her playful behavior. She was really well-behaved.

Li Yun looked behind her with a weird expression, "Xiao Yongning, are you also involved?"

Princess Yongning turned her head to look at him, her small face was filled with serious thoughts, and then said: "Husband, Yongning saw the discussion of her sisters in the group and said..."

"Don't say it!"

"Little princess!"

"Little princess!!"

The four girls in the corner rushed over and successfully stopped Zhu Shu'e from trying to disclose information about the group to her husband.

Gong Qingyu's face was full of "I've made a mistake." She should have thought that it was right. Princess Yongning was an ancient person four hundred years ago. In her concept, sisterhood is very important, but if her husband asked her to say it, She will definitely say it!

Besides, the sisters of Princess Yongning are also the women of the husband. In her concept, the sisters can act like a baby occasionally and play a little foolishly, but they have to obey the husband's orders at critical moments, so-called concealment? nonexistent!

Li Yun couldn't laugh or cry, "Aren't you going to say it? To be honest, based on what you did, I have probably guessed what's going on."

"Be smart!" Xiao Mingzhu gave him a white look. "How can you easily see through the idea we came up with? You are not allowed to ask Princess Yongning again, have you heard?"

Although Xia Feiyao is also very heavy on traditional concepts, she would not say anything that the sisters agreed upon.

Unless Li Yun was alone with her, and it was at night when she was fooling around, Xia Feiyao could reveal it.
