Chapter 321: Can even be my wife

Concubine Wan Qing closed her mouth in time, but Li Yun guessed what she was trying to say and smiled: "Can you even be my wife?"

Fortunately, Liu Xianxian is taking a bath now, otherwise Li Yun's waist must suffer again.

"Humph!"

Consort Wan Qing didn't know if she didn't want to get entangled in this topic, or she didn't deny it, "Don't think that killing an old Tianyin will make you underestimate me, underestimate the Six Demon Gates. The power of a cultivator is far from what you can imagine. ."

Li Yun shrugged, and said he knew.

Concubine Wan Qing is very powerful and coquettish, like a thorny rose, he is far from an opponent now.

But Li Yun holds the plug-in, and is afraid that she will be a six-way magic door?

With his cultivation speed in one month to the middle of the day after tomorrow, Li Yun might be able to crush the six magic gates in a year, and squeeze the so-called six masters to death like chicks.

"Go back to Zhonghai City and find me again, hope your so-called detoxification pills are really effective, otherwise!"

Concubine Wan Qing coldly dropped a word and hung up the call.

Li Yun is accustomed to her moodiness, Concubine Wan Qing is a demon, and it is impossible to reason with her.

"Li Yun, I'm done washing~"

Inside the RV, Liu Xianxian blushed and walked out of the bathroom, with blushing cheeks, as beautiful as red peonies, making Li Yun stunned.

Her thick, jet-black hair was curled up with a towel, her snowy muscles were red and beautiful, her body was only wrapped in a dry bath towel, and her beautiful figure was slender.

"Li, Li Yun?"

Liu Xianxian became more shy, but did not avoid Li Yun's gaze, and his little hand held the bath towel tightly.

"Oh, I am going to wash it!"

Li Yun bent over and walked into the bathroom. In the small bathroom in the RV, Liu Xianxian's soft body scent still remained, which smelled very nice.

Li Yun is not inconvenient, but this dark atmosphere is really imaginative.

After seeing Li Yun walk in, Liu Xianxian sighed in relief, bit Xiafen for a while, and then took off the bath towel and prepared to change into his pajamas.

"Xianxian, my towel...!!!"

Li Yun opened the door of the bathroom and saw Liu Xianxian standing up and facing him at a glance.

"what!!!"

Liu Xianxian let out a scream and quickly grabbed the towel to block him again.

"Ahem, I didn't see anything."

Five seconds later, Li Yun, who had a panoramic view of the beautiful scenery, deliberately pretended to be a gentleman and took up the towel leisurely.

Liu Xianxian's sense of shyness disappeared a lot, and he glared at him angrily: "You bastard, you must have forgotten to take things on purpose, so that you can come out to see me and look at my body!"

"Wrong!" Li Yun was innocent, he didn't mean it.

"If I want to watch it, when we are sleeping together at night, we can watch it casually. Why is it so troublesome now?"

"Ahhhhhhhh, you still say!"

Liu Xianxian collapsed, grabbed the clothes in anger and threw them at him.

Li Yun took it, uh, the ***** she wore today.

There is no smell, but it is very fragrant. After all, Li Yun has given her a pill, and she is healthy and has no hidden diseases, so how can it smell bad.

"Li Yun, you are a big bad guy!!!"

"Hey, okay, Xianxian, you're busy first, I'll go wash first."

After playing around, Li Yun was in a good mood, taking a bath while taking a look at his figure.

Absolutely perfect, the lower abdomen is not as scary as the eight-pack abs, but the figure is very well-proportioned, the skin is smooth, showing a sense of strength, like a sculpture of an ancient beautiful man, full of beauty!

"Hmph, tonight, Xianxian will definitely like it!"

Chapter 322: Xiaomei's Family

The next day, Li Yun woke up in Liu Xianxian's RV, in her special sleeping bed.

Of course, Liu Xianxian slept next to him, hugging him like a hamster, and the sheet fell on her fragrant shoulders, revealing a beautiful white neck, very cute.

"My fairy is so cute!"

Li Yun couldn't help squeezing her face, Liu Xianxian murmured in his sleep, and the tears from last night were faintly visible in the corner of his eyes. Li Yun gently wiped her away before she got up and rinsed off.

Last night Li Yun still didn't make the last step with Liu Xianxian, but he did everything that should be done, and as Li Yun said before, he could see if he wanted to.

That was the case last night.

Not only did I watch it, but I also felt it myself.

Fortunately, Liu Xianxian also liked it, and sobbed with joy.

"Xianxian, get up, Director Xia is coming soon!"

Returning to her, Li Yun smiled and reached out to pinch her little nose. After a while, Liu Xianxian woke up leisurely. After seeing Li Yun, a blush immediately appeared on her pure and beautiful face.

She thought of what happened last night.

"Ahem, Xianxian, get up quickly!"

Li Yun was afraid that she would be shy, and turned around. You know, now Liu Xianxian's clothes have been thrown on the ground.

"Humph~~"

Little arrogant, Liu Xianxian got up and put on clothes.

After breakfast, all the crew came.

In spite of so many things, Liu Xianxian decided to continue filming the documentary, but instead of filming in Donggou Village, he went to another province.

The itinerary is kept secret, and Long Xingyun will also arrange for protection of several soldiers to prevent the disciples of Tianyin old man or the doormen from retaliating.

"Li Yun, go to Xiaomei's house with you?" Liu Xianxian looked at Li Yun expectantly, who nodded and followed her to Sister Xiaomei.

"Sister~~~!"

A long way away, Xiaomei saw Liu Xianxian, and immediately leaped over happily, hugged Liu Xianxian's thigh and acted like a baby, her face was full of joy and happiness.

Because of the relationship between Li Yun and Liu Xianxian, her father is back!

"Hey, study hard in the future." Liu Xianxian's innocent face showed the brilliance of gentle motherhood. She gently stroked Xiaomei's head, said parting words with her, and promised to support her in school until Xiaomei came out to work.

"Thank you, thank you sister!" Xiaomei cried with joy, and the three pigs were also very happy, and kept thanking Liu Xianxian and Li Yun.

After leaving a few hundred dollars again, Liu Xianxian bid farewell to Xiaomei's family.

"Li Yun~"

On the way back, Liu Xianxian turned his head and smiled brightly at him, "Thank you, Li Yun~!"

"Why thank me?" Li Yun smiled narrowly.

"Because, without you, Xiaomei wouldn't be able to see his father again."

Liu Xianxian looked at him moved, "Moreover, without you, I am afraid I would have been killed by zombies."

I'm afraid it was not killed by zombies, but by Wei Dongming, who manipulated the zombies.

"Then... how can Xianxian thank me?"

"Huh, badass~"

Liu Xianxian's face blushed, but he didn't refuse. Standing on tiptoes, Li Yun lowered his head in cooperation, so that her red lips were printed on his cheeks.

Warm, soft, delicate fragrance.

Li Yun is deeply honored to receive the love of this innocent and kind-hearted beautiful star.

"Goodbye, Xianxian."

"Well, I will find time to fly to Longyang County to see you! Definitely!"

"it is good!"

After making an agreement with Liu Xianxian, Li Yun returned to Zhonghai City.

Chapter 323: Back to Zhonghai City

Compared to when he came to Donggou Village, it was much easier to return to Zhonghai City. Li Yun got into a jeep and just followed Liao Hua.

Originally, Liao Hua wanted to invite Li Yun to meet some leaders, but considering that Li Yun hadn't passed the college entrance examination, he left it temporarily.

After bidding farewell to Liao Hua, Li Yun hired a taxi again and came to a place called Dongyu Hotel.

Concubine Wan Qing changed the place to meet him again. Li Yun wondered if she was particularly insecure, so she kept changing.

But before going to meet her, Li Yun used cosmetics to disguise his face a little, hiding his true face.

"The people of the Six Demon Gates are very weird, so I'd better be careful!"

Seeing his appearance in the mirror turned into a strange young man in his twenties, Li Yun was quite satisfied, retracted the mirror into the space ring, and walked towards the hotel leisurely.

Dongyu Hotel has more than 40 floors. In addition to the accommodations of ordinary hotels, there are banquet halls, high-end coffee shops, restaurants and other facilities, which can meet all the entertainment requirements of the guests.

Li Yun walked into the lobby of the hotel and was about to come to the front desk to ask where 'A-1201' is, but at this moment, he heard the lady at the front desk shout: "Mr., please wait!"

The lady at the front desk stopped a young man wearing a Tang suit. After seeing his dress, Li Yun couldn't help but glance at him more.

This young man is handsome, with a bohemian smile on the corner of his mouth, holding a fan in his hand and long-haired shawl. He looks like a son-in-law walking out of a costume TV.

"You called me?" The young man shook his fan slowly, his expression full of condescending disdain and contempt, as if talking to these vulgar fans would dirty his mouth.

To be honest, the appearance and figure of a lady at the front desk are not bad. Li Yun randomly scanned it and felt that her appearance was at least seven points or more-although it was achieved by makeup.

"Yes, sir." The lady at the front desk said politely: "The elevator you are going to take is a guest room elevator. If you want to go up and find someone, you need to come here to register first."

"Hahaha."

The young man smiled mockingly at the corner of his mouth, "You know what? I'm actually a fortune teller."

"Fortune teller?" The lady at the front desk was taken aback.

Li Yun frowned, this person's eyes were very wrong!

"good."

The young man slowly patted the bag tied around his waist, and his eyes flashed a fierce look: "I figured it out. You will definitely encounter blood and light disasters in the next three days, and you will die in pain and scream. Spared!"

The lady at the front desk was so frightened that her face was pale, her fingers were trembling and she pointed at him, as if she wanted to say, why are you so vicious, she opened her mouth to curse people to death!

"Hahaha, take advantage of these three days and enjoy your last life!"

The young man laughed and walked towards the elevator. After entering the elevator, he glanced at Li Yun by the way. When he saw his indifferent appearance, a trace of unhappiness flashed in his heart.

He pretended to be a force, but this silly person didn't even react at all?

If it weren't for the time, he would have to have this idiot see his methods!

Li Yun frowned deeply, this arrogant guy was too rampant, and the last look in his eyes was as if he had a deep hatred of him.

"Ding, the option event is triggered, please choose from the host."

Chapter 324: Three Days Dream Poison

"Option 1: Immediately kill Shi Taining, who has played the 'Three Day Dream' on the front desk lady, rewards justice value +500, strength and physical fitness +1000, and additional skills: Elementary 100 poison is not invaded.

Option 2: Give a small detoxification pill to the front desk lady, reward justice value +1000, all attributes +300, random blue gift bag*3.

Option 3: Kill Shi Taining, give a small detoxification pellet, reward justice value +2000, all attributes +1000, random purple gift bag*1, additional skills: Intermediate Hundred Poison Invasion. "

Li Yun was very surprised, this defiant young man actually poisoned the front desk lady in silence?

No, it should be said that this Shi Taining is too rampant. The lady at the front desk just reminded him to register, but he killed someone if he didn't agree with him!

"Gu poison, the six magic gates? As expected, he was born in a magic gate, and his mind is really vicious!"

Li Yun pondered for a moment, the three options given by the system are undoubtedly the third one with the highest profit.

But he can't always choose the one with the highest profit. For example, if there is a conflict with Shi Taining, once Shi Taining spreads out how many Gu poisons he doesn't know on his body, he doesn't know how many people will die in the hotel.

"Miss."

Li Yun calmly walked to the front desk lady and asked where A-1201 was.

"First, sir, you can take the elevator to the twelfth floor, and then turn left after going out." The lady at the front desk has a bad face. Anyone who is suddenly cursed by passers-by will feel uncomfortable.

Li Yun nodded and used a little trick to register a fake name on it.

When returning the pen to the lady at the front desk, Li Yun smiled at her: "Do you know who I am?"

The lady at the front desk was shocked and took a step back. She thought Li Yun was here to curse her again.

But Li Yun smiled and said, "Don't worry, I'm just the opposite of the person just now, I'm the killer!"

"Fate-killing?"

"Um."

Li Yun took out a small detoxification pill from his pocket and handed it to her, "If you feel uncomfortable within these three days, take this pill to ensure that your body will recover."

After all, Li Yun went straight to the elevator without waiting for the lady at the front desk to ask questions about what was going on and why he would help her.

"Ding, the host makes a choice, and the reward (justice value +1000, all attributes +300, random blue gift bag*3) has been distributed!"

Li Yun was very satisfied, saving one's life was better than building a seventh-level Buddha, and the justice value also increased a lot.

With the blessing of justice value, he is full of righteousness, his Nine Suns Heavenly Sutra will be more powerful, and his spiritual power seems to be boosted because of this!

After he left, the lady at the front desk who was left was stunned for a long time, holding the pill in her hand. After thinking about it for a long time, she decided not to throw it away.

In case she is really uncomfortable, maybe this pill can really save her life.

Li Yun came to the twelfth floor, turned left, and didn't walk far in the corridor, and saw that the door of A-1201 in front had been opened. It was a coincidence that Shi Taining just stood in front of the door, ready to go in.

After he saw Li Yun, he was taken aback for a moment, and then he became furious: "Mortal, you actually followed me and wanted to die!"

After that, he stretched out his hand and wanted to pat the belt around his waist, but Li Yun had already walked up to him and said coldly, "Shi Taining, if you don't want to die, put your hand down!"

Chapter 325: Six Demon Gate Shi Taining

Shi Taining's hand was frozen in the air.

Li Yun knew his name, but he didn't know who the other party was.

However, looking at the other party is also looking for the Lord Saint, then, the other party is probably also a person from the six magic doors!

"Humph!"

Li Yun snorted coldly and glanced at the bag around his waist calmly, which should be the place where the worms were stored.

Gu worms are very vicious. In addition to the common five venoms (scorpions, snakes, centipedes, geckos, toads), it is said that some gu worms must be fed at certain times to obtain them.

For example, on the 5th day of the lunar calendar (Dragon Boat Festival), the poisonous gas is strongest on this day. People who control Gu worms not only need to feed the worms, but also use special methods to practice and practice in order to obtain the most powerful gu worms!

Fortunately, Li Yun has a detoxification pill and is not afraid of it at all.

"you!"

A gloomy anger flashed through Shi Taining's eyes, but she had to suppress her anger.

Don't conflict with him for the time being when you don't know who the other party is.

"Be sure to let me know who you are!"

Shi Taining glanced at Li Yun resentfully, and walked inside the door first.

Li Yun smiled faintly, and walked in.

The hotel rooms are very large, with three bedrooms and one living room, kitchen and bathroom furniture, etc. The decoration is also very luxurious. It is conservatively estimated that the cost of a day will cost 500 yuan, which is very luxurious.

But for Concubine Wan Qing, it seems nothing.

Li Yun walked in and saw a strange woman sitting on the sofa in the living room, about 27 or 18 years old, dressed like a professional woman, black silk skirt, black glasses, and elegant temperament.

Behind her stood two maids, with their heads hanging down, showing extraordinary respect for her.

Li Yun didn't have to guess, he knew that this professional woman must be Concubine Wan Qing!

"Two, please sit down."

After Yi Rong became a professional woman, Concubine Wan Qing's voice also changed, crisp and melodious, and not at all charming.

She didn't even ask who Li Yun was, she directly greeted him to sit down-Li Yun also changed his face.

Li Yun and Shi Taining sat down, and the three of them had different expressions.

Li Yun's expression was flat, and Concubine Wan Qing's attitude was gentle, Shi Taining looked at Concubine Wan Qing's eyes slightly fiery, and there was a trace of fear.

"Please have tea."

When the two maids came to tea, Li Yun thanked him and took a sip from the teacup.

But Shi Taining didn't move. He glanced at the cup of tea with his eyes, and sat down honestly, feeling extremely surprised at Li Yun's boldness.

The disciples of the Six Demon Sects should not only guard against those in the Hidden Sacred Valley, but also guard against conspiracies from the same sect.

If you don't pay attention, you will be calculated to death by the other party.

For this reason, the saints who are neutral are becoming more and more important. The saints of the past are important personnel responsible for communicating with each assignment.

Concubine Wan Qing smiled lightly and said, "Actually, I put the puppet Gu's sub-gu in the tea."

In an instant, the surrounding air seemed gloomy and cold.

"what?!"

Shi Taining stood up in shock and looked at Concubine Wan Qing with a wary expression, but Li Yun, who drank tea, did remain calm.

There was a sharp contrast between the two, and Concubine Wan Qing couldn't help laughing.

"Hahaha, sit, sit down, don't stand, I just made a joke to invigorate the atmosphere."

Her laughter was very pleasant, with ridiculous ridicule and contempt, which made Shi Taining flushed with shame.

Li Yun smiled slightly, but the two maids couldn't help laughing directly, and they looked at Shi Taining with a slight look of contempt.

Chapter 326: Don't call if you don't have the ability

Concubine Wan Qing just made a joke, but Shi Taining reacted so much, it can be seen that he is not a big business person, and he can't hold back at all. Without the calmness and calmness of Taishan collapse before and without surprise, this life is destined to be just a pawn!

"Master Saint!!"

Shi Taining's face was gloomy, and she became angry and said, "This joke is not funny at all!"

"Huh?" The concubine Wan Qing was innocent, like an innocent little girl, and asked: "Isn't it funny? But, who would use gu poison this kind of indiscriminate stuff? So as long as it is a normal person, just You can tell that I'm joking."

Gu poison, is the next three indiscriminate things?

Shi Taining's face is very wonderful.

He is a cultivator who uses Gu worms. Could it be that he is also a mischievous thing?

"Hahaha." Li Yun couldn't help but laugh, especially after knowing that Shi Taining had just gushed the lady at the front desk, the words of Concubine Wan Qing seemed even more funny.

"why are you laughing!?"

Shi Taining screamed. He couldn't provoke Concubine Wan Qing, but Li Yun shouldn't be a big shot.

"I laughed at you as a bad guy." Li Yun replied solemnly, and the two maids and Concubine Wan Qing couldn't help laughing out loud.

"you wanna die!!"

Shi Taining was furious, and just about to do it, a silver-white pistol had been pointed to his forehead.

Shi Taining froze and did not dare to move, Li Yun smiled lightly, nodded his forehead with the muzzle of his gun, "Is it you, or me?"

"...Let me go, otherwise, I don't mind if the fish die!"

The cold metal touched his forehead, making Shi Taining's tone more indifferent.

His cultivation is not enough to make him completely ignore the bullets at close range, but if he desperately, he does have the confidence to kill Li Yun.

It's just that the loss is too big, it's worth doing that.

"If you don't have the ability, don't be so irritable. Not everyone is as good-tempered as I am."

Li Yun's tone was flat, put the pistol back in his pocket, and patted it, saying that his gun is there, and if you want to challenge it, come!

Shi Taining stared at Li Yun with gloomy eyes for a long time, and suddenly said, "You are not from the Six Demon Sects!"

He could see that Li Yun was used to pistols, which was rare among the six magic gates.

In addition, Li Yun's temperament is not in line with the Six Demon Gates, but more like a person from the Hidden Sacred Valley.

Of course, if Li Yun were from the Hidden Sacred Valley, he would have dealt with Concubine Wan Qing a long time ago.

The people in the Hidden Sacred Valley are lunatics, even more mad than the Six Demon Gates, and they will never die when they meet.

"good."

Li Yun directly admitted that Concubine Wan Qing knew his details, and if she wanted to tell others, Li Yun couldn't help it.

However, he estimated that Concubine Wan Qing, a scheming and unpredictable demon girl, would never reveal Li Yun's details easily.

"Humph!"

Shi Taining did not question Li Yun's origins, he even saw that Li Yun's true face was also hidden.

He guessed that Li Yun was an outside subordinate sought by Concubine Wan Qing, similar to special forces and mercenaries, otherwise he would not be so proficient in firearms.

With such an identity, Shi Taining can kill hundreds of times within three seconds, and he is not afraid of revenge by Concubine Wan Qing!

For the sake of being an outsider, Concubine Wan Qing should not embarrass him.

Thinking of this, Shi Taining gave a sinister smile, and shouted: "Boy, I have something to talk with Master Saint, you get out and stand!"

Li Yun ignored him, looked at Concubine Wan Qing, waiting for her to decide.

From just now to now, Concubine Wan Qing didn't say a word, she kept watching the dispute between the two with a smile.

Chapter 327: Detoxification Pill

When Li Yun asked her, Concubine Wan Qing still did not answer, but only gave him a charming smile, with her beautiful legs in black silk close together, quite like a well-behaved lady.

"Sure, you guys talk first."

Li Yun had no choice but to put up with the wimps this time because of the love of Concubine Wan Qing.

He is a person with clear grievances, and if Concubine Wan Qing helps him, he will know the gratitude, instead of blindly playing arrogantly and arrogantly.

Seeing Li Yun really stand up, Concubine Wan Qing was very surprised.

She thought that Li Yun was a stunned and disregarded male chauvinist. She didn't expect that he also had a reasonable time.

"Hey!" I thought the maid called to Li Yun, "That's the lady's room!"

Li Yun nodded and walked to another room.

"Hey!" Another maid stopped her, "That's our room!"

Li Yun smiled helplessly, and walked to the third room: "There will always be no one here, right?"

The two maids didn't say anything. They both slept together at night, leaving the third room.

Li Yun entered the room. Although he was curious about what he was talking about outside, he listened carefully and found that he couldn't hear, so he ignored him, sitting in a chair and playing with his mobile phone, waiting for the two to finish talking.

After chatting with Fang Xue and Li Feng for a while, both of them were very happy after saying that they would go back tomorrow.

For a few days after Li Yun left Longyang County, for the two girls who had a close relationship with him, they couldn't wait to see him.

After waiting for less than five minutes, a maid knocked on his door, "Hey, my lady is finished talking, you can come out!"

Li Yun walked out, and when he passed the maid, he gave her a curious look.

This maid looks very ordinary in her early twenties, but Li Yun saw her beautiful neck and her skin was very delicate and delicate. From this, it can be inferred that this maid was probably not over seventeen years old, and she was in the cardamom years. Appearance is probably also disguised.

"You guys finished talking?"

Li Yun glanced at Shi Taining, who showed a weird smile, patted the belt around his waist, and left here.

"This person is kind of interesting."

Li Yun smiled faintly, and sat down across from Concubine Wan Qing again.

"Like a fool, it's really funny."

Concubine Wan Qing made an unceremonious comment on Shi Taining, who had just finished chatting with her, turned her head and smiled at Li Yun: "But you are different, little handsome guy. Not only are you handsome, but you also have a better temperament. It's very exciting~"

"Come on this!"

Li Yun scolded with a smile: "Concubine Wan Qing, I still don't know about you? What kind of conspiracy is planned all the time, one day you will overturn the car!"

Concubine Wan Qing smiled softly, with a very beautiful smile: "Failure is also inevitable, but before that, it is better for us to have fun first, what do you think, little handsome guy?"

"... Let's talk about business."

Li Yun couldn't talk to the unscrupulous Concubine Wan Qing. He directly took out a box from his backpack and handed it to her - of course, it was actually taken out from the inventory. The backpack was just a cover.

"What you want is inside." Li Yun's tone was flat: "You decide whether you believe it or not, but what I want to say is that this thing is very precious, and there will never be a second one if you lose it!"

Concubine Wan Qing showed a mysterious smile to him, did not say anything, and reached out to take the box casually.

The box is very ordinary, embroidered with decorative patterns on it, without the slightest mana.

Concubine Wan Qing opened it calmly and took a look. There was a plain white cloth inside the box, which was wrapped in a very ordinary pill.

This thing, can save her senior?

Chapter 328: goodbye

Putting the box on the table, Concubine Wan Qing's expression was flat, neither happy nor doubtful, just telling something calmly.

"Do you know what I said about the puppet Gu?"

"unknown."

"Puppet Gu, as the name suggests, is a Gu worm that makes people turn into a puppet."

Concubine Wan Qing said in a soft tone, words that made her scalp numb and trembling all over.

Make people become puppets?

If ordinary people heard this sentence, they would have turned pale with fright.

But Li Yun looked carefree. He has a small detoxification pill, as well as a medium-sized one, and a full version that can detoxify all toxins, worms, and curses. How could he be afraid of this stuff?

Concubine Wan Qing smiled and continued: "There are two types of puppet Gu, one is the mother Gu, the other is the child Gu. Little handsome guy, do you know what that means?"

Li Yun nodded, "I can hear that the mother Gu controls the child Gu, so as to achieve the purpose of controlling people."

"Yes, that's it~"

Concubine Wan Qing smiled and pointed slenderly to the two maids standing behind her, "Xiao Qing and Xiao Lan also took Zigu, so they are the people I trust the most. They will never resist or betray me. Will."

"Miss!"

The two maids should be called two maids. They didn't have a hint of displeasure on their faces. Instead, they showed happy smiles: "It's our blessing to be guilty by the young lady. together forever!"

Li Yun had nothing to say, he suspected that the puppet Gu's sub-gu could modify people's memories, otherwise the two maids would not be so fanatical towards Concubine Wan Qing.

However, Li Yun didn't bother to care about them, he stood up and walked out, leaving nothing for Concubine Wan Qing.

The two maids blinked, and they felt a pity, as if the young lady liked this man.

"Um?"

Li Yun grabbed the door handle, tried to turn it, but couldn't turn it at all, tried to pull it hard, the door seemed to be inlaid with the wall, and it didn't move.

"Huh!" Li Yun was not polite, and without even looking at Concubine Wan Qing, he directly took out his pistol and fired a shot at the door.

boom!

A harsh gunshot sounded and the door handle was immediately destroyed. Li Yun flew out and the entire door was turned into wood chips.

The loud noise attracted the attention of the people around, but they were all dumbfounded when they saw the entire door shattered.

"what?"

Concubine Wan Qing looked at the white pistol in Li Yun's hand in surprise. This pistol was weird. It contained a burst of strange energy. The bullet also had a problem. The spell that attached her to the door was cracked by a single shot!

"Wan Qing concubine, goodbye!"

Li Yun smiled faintly, and strode out.

"Hey, wait a minute!"

Concubine Wan Qing screamed, but Li Yun ignored her and left.

"I'll let you, wait a minute!!!"

Accompanied by her desperate voice, the next moment, Concubine Wan Qing's figure flashed in front of Li Yun like a breeze, at an incredible speed, which was many times faster than Li Yun's ethereal footwork.

This is already a means of the cultivator!

Li Yun was surprised, but there was no fluctuation on his face, and he said lightly: "Consort Wan Qing, since you don't believe me, what are you leaving me for?"

"When did I say I don't believe you?"

Concubine Wan Qing puffed up, her mouth seemed to be holding a breath, her cheeks also bulged, very cute.

"Puppet Gu." Li Yun said three words.

Chapter 329: Apologize

Li Yun is not a fool, of course he heard Concubine Wan Qing's intention to explain the puppet Gu.

It was nothing more than warning him not to fool her with strange pill, otherwise, Concubine Wan Qing would inevitably use puppet Gu, making Li Yun not as good as death and becoming her puppet.

So Li Yun simply got up and left, and didn't bother to pay attention to this demon girl!

"Puppet Gu?"

Concubine Wan Qing's expression was innocent, and she deliberately pretended to be confused:

"What are you talking about? I'm just afraid that you don't know the puppet Gu, so I will explain it to you, lest you encounter in the future and don't know how to avoid it. I am caring about my friends. Woolen cloth!"

"Friend? Do you still think I am your friend, and this kind of mess!" Li Yun was very upset.

"Really, you are really my friend!"

Concubine Wan Qing seemed to be acting like a coquettish, with her eyes avoiding Li Yun's gaze, she bit her blushing lips and said.

The two maids behind her, Xiao Qing and Xiao Lan, were very surprised. They had followed Concubine Wan Qing since they were young, and the young lady, let alone friends, didn't even have a slight favorite.

Concubine Wan Qing has always treated people around her with great caution. It is too difficult to be her friend, and it is almost impossible to be in the Six Demon Gates.

"forget it."

Li Yun ignored him and walked forward.

Concubine Wan Qing stomped her feet with anger, "Hey, what do you **** want from me?!"

Xiao Qing and Xiao Lan were even more surprised. The young lady is now constantly fluctuating with anger, and her eyes are full of unwillingness and regret. It seems that their young lady really does not want to lose Li Yun's friend.

Li Yun stopped, but didn't look back at her, and said faintly: "Since you consider me to be your friend, then you should apologize to me for what you did wrong."

"what?!"

Concubine Wan Qing's eyes widened, with an unbelievable expression: "You, you, do you want me to apologize?!"

Xiao Qing and Xiao Lan were completely dumbfounded.

They would never have imagined that there would be someone so bold that they would dare to ask the saint of the six magic gates to apologize to her!

You know, their young lady, the Saintess, is already a powerful person in the Void Return Realm. She is comparable to the existence of a master in the martial arts. No, the general master in the martial arts is not the opponent of Concubine Wan Qing at all. Li Yun died, and he actually dared to make Lord Saint apologize! ?

"No, absolutely impossible!"

Concubine Wan Qing yelled out of anger, and yelled in anger, "Li Yun, I don't care how you die, and tell you that I want me to apologize unless in the next life! Get out of here, and hope that one day you will stop begging me and die! !!!"

Her voice is delicate and crisp, singing like a nightingale, even if she is cursing, it is very comfortable to hear.

Li Yun was surprised that Concubine Wan Qing's voice was very different from usual. It turned out that she also disguised her voice, just like Xia Feiyao.

"Hurry up!!" Concubine Wan Qing glared at him angrily, and then began to curse: "You better pray not to beg me in the future, otherwise, I must let you kneel in front of me before I am willing to help you. !"

"Don't worry, I will never kneel and beg you one day."

Li Yun smiled slightly and left directly.

The concubine Wan Qing stayed there for a long time, and finally walked back to the room bitterly, not knowing what she was thinking.

Xiaoqing and Xiaolan looked at each other. Just now, they clearly saw the sadness in Miss's eyes. Miss actually cares about Li Yun's friend, right?

Otherwise, how could he be so angry that he hadn't said to break diplomatic relations with Li Yun.

"No, is the young lady really angry?" Xiaoqing asked.

Chapter 330: envelope

Xiaolan shook his head surely.

The character of their young lady is naturally very clear to them as maids.

If the lady is really angry, she will kill Li Yun with a hairpin, or she will have a smile on her face, and talk to him about money, as if she is an old friend who hasn't seen him for many years. When she finds the right time, she will think Way to kill the other party.

Instead of being so angry, he was so angry that he was stomping and cursing.

"Xiaoqing, Xiaolan!" Concubine Wan Qing shouted in the room: "Quickly come in and pack things."

"Yes, miss, where are we going this time?"

"Back to the mountain."

"Back to the mountain...?"

The two maids glanced at each other, so that Concubine Wan Qing intended to use the pill given by Li Yun to the aunt?

Is the pill that can remove all the toxins and curses in the world, really effective?

"Ding, the host makes a choice, and Concubine Wan Qing's favorability degree is +30."

Li Yun took the elevator to the downstairs of the hotel, and the system prompt made him speechless.

The demon girl cursed and used words to run against him, but did she already trust him in her heart?

Concubine Wan Qing's favorability for him has reached 85. If it were an average girl, Li Yun could have become a girlfriend with her a long time ago.

But Consort Wan Qing...

"With this demon's character, it is estimated that she has a 100% favorability rating for me, and she will not obey me. She will definitely say something arrogant."

Li Yun smiled helplessly. He didn't want to deal with Concubine Wan Qing anymore for the time being. This guy was too moody and irritable.

"Forget it, go back to Longyang County."

When Li Yun thought of Li Feng and Fang Xue, and the two lovely twin sisters in the family, there was a warm current in his heart, and he wished to see them right away.

Like a wanderer, after wandering outside for a few days, Li Yun has been homesick.

Quicken his pace and walked toward the outside of the hotel. Just as Li Yun stepped out of the door with his right foot, the security guard at the door finally woke up.

"Hey, Xiao Feng, wait!" The security guard hurried over with an envelope.

When he saw the security guard, Li Yun was still stunned. Then he remembered that Xiao Feng was his disguised name.

Concubine Wan Qing always regarded him as 'Li Yun', which made him forget that he is now in a state of disguise.

"What's wrong with me?" Li Yun asked, looking at the envelope in his hand, and secretly took out a medium-sized detoxification pill.

"Is such that."

The security guard handed the envelope over: "A previous guest asked me to give you this envelope, saying that you will be pleasantly surprised when you open it!"

"Which guest is it?"

Li Yun didn't answer the envelope, nonsense, after knowing that Shi Taining had a weird gu worm, how could he dare to pick up strangers' things casually?

The security guard could not answer, only that it was a young man.

"It's the pesky guy before!" The lady at the front desk couldn't help but shouted to Li Yun. She still held the pill that Li Yun gave her.

"understood."

Li Yun smiled at the lady at the front desk. The latter's face was red. She had already discovered that Li Yun was actually very handsome and had a sunny temperament, which was very attractive to girls.

Don't know if he has a girlfriend?

The lady at the front desk fantasizes in her heart. Although he doesn't seem to have much money, he is really handsome~.

"You burn this envelope directly..."

Li Yun was about to say to burn the envelope, but the system issued a reminder at this moment.

"Ding, the option event is triggered, please choose from the host."
