

Godly Choice 3211

Chapter 3211: reason

Li Yun actually guessed what the confidantes around him were thinking and planning.

They just want to make their relationship with him semi-public, creating an atmosphere where they are jealous of him, or that they have a good opinion of each other, but they have no definite relationship.

There are many disadvantages in doing so. For example, they will be accused of being shameless cousins, Li Yun will be called scumbags, and so on.

But there is an advantage.

That is, in the next four years, Li Yun will not be regarded as stepping on a few boats if they have any intimate actions with Gong Qingyu, Xiao Mingzhu, Su Muxin, and Fang Xue at China Overseas University. Li Yun had a good opinion of each other, but they didn't confirm the relationship. When Li Yun decided which girl he liked one day in the future, the other girls had to leave the stage sadly.

And another advantage is that Liu Xianxian, a college student and entertainment star, Li Yun will be able to show a very intimate appearance with her in the next four years in which advertisements, activities, or movies he will go to with her. Worry about the paparazzi's follow-up.

The two can even enter and exit the hotel in a fair manner. As long as Liu Xianxian bites her mouth and refuses to admit that she has a relationship with Li Yun's boyfriend and girlfriend, outsiders will only accuse her of being too casual instead of calling her a mistress.

The former can be tolerated, while the latter violates the public's rules of ethical behavior, and it is absolutely scolded when exposed.

Of course, there will certainly be many people who speculate whether Li Yun has become a scumbag and has taken all these beautiful girls.

But in the same way, as long as Li Yun and the girls don't admit it, outsiders are guessing at best, and no one can be sure.

This kind of semi-public relationship can be regarded as the public's maximum tolerance for one man with many women, or one woman with many men.

One step further is that of Brother Xi.

Brother Xi's name is Liu Xi, and there is a famous saying: "To tell the truth, this person is blind, I don't even know if she looks pretty", but Brother Xi's wife is known for her purity and beauty, so this sentence The words were immediately ridiculed by the majority of netizens, and he became known as "I don't know the beauty of my wife".

But it was this brother who married an internet celebrity, but when he went abroad to do business, he suspected that he hired a wine girl from a famous university, and was accused by the other party of unruly intent, which instantly caused a stir on the Huang Xuanguo network.

Everyone ridiculed that Brother Xi would also look for a drink to accompany him.

After the incident was exposed, netizens almost acquiesced that every time these rich men went out to discuss business, they estimated that they would recruit a few beautiful female college students, and they were also from prestigious universities with superior family backgrounds to accompany them.

Normal universities, who are a little too short, still look down on these rich people, and do not have the qualifications to attend their receptions at all.

therefore!

Li Yun will also become-or if he has the identity of a rich man, his ambiguous contacts with girls such as Liu Xianxian, Xiao Mingzhu, Gong Qingyu, etc., have become a romantic affair for the rich, instead of being accused of scumming. Male, the girl around him will not be scolded as a mistress and so on.

All of this has to start when Li Yun and Liu Xianxian are still in college and high school. If they miss this point in time, Li Yun will expose his relationship with them again and become a representative of the chaotic private life, rather than mutual love and hatred .

Therefore, Liu Xianxian and Li Yun made a romantic martial arts movie this time, and used this to "announce" the relationship between the two, and then brought in Gong Qingyu and Fang Xue, which became a very necessary part!

Chapter 3212: the whole story

Li Yun did not question Liu Xianxian and the others about this.

In fact, one month before this semester, he and Xiao Mingzhu had already seen the signs when he and Xiao Mingzhu went to military training. Before going to university, he and a few girls agreed that no one would expose their relationship with him, but after the military training. , Directly disappeared.

During the military training, Li Yun kissed Xiao Mingzhu in front of his classmates, and indirectly announced the relationship. Although Xiao Mingzhu kept saying that Li Yun had not chased him, he couldn't help but occasionally show him intimacy. .

After the military training, Li Yun and Xiao Mingzhu in the class maintained a dual pairing, and almost all had lunch together, even when he went to the cafeteria.

If she lived in her dormitory at night, Li Yun would go to the cafeteria for breakfast with her the next morning.

In this way, it can explain the problem even more!

On the other hand.

Li Yun also met with Fang Xue Gong Qingyu from time to time, plus a sophomore senior sister's international business flower Su Muxin (she was originally a school flower, but after Gong Qingyu and Xiao Mingzhu, and the big star Liu Xianxian came, only It can be reduced to a flower), every time this little pepper sees Li Yun, he will scream and cheer and rush over, holding his neck with a grin.

Although he did not get intimacy with Li Yun under the gaze of his classmates, this kind of incomparable attitude of a couple can already explain many problems.

Moreover, it has been reported from time to time that Su Muxin, who is a sophomore in international business, secretly dated on campus with her freshman in the big evening. It is suspected that the rumors of intimacy in remote places, under the circumstances, the relationship between the two is even more problematic. .

But the weird thing is that occasionally these five people will get together for lunch or take a nap in the dormitory together. If Liu Xianxian comes back, it will be six.

This undoubtedly left more room for imagination for the students of China Overseas University.

—Outsiders would never have thought that the secret date between Li Yun and Su Muxin at night was countless times more messy than they thought. The bathroom of the biological laboratory, the back of the equipment room in the corner of the track and field, and the parking of the campus bus at night In the field, there are also remote and quiet groves, as well as unmanned senior dormitories.

Even in the Academic Affairs Building, there are very few teachers and leaders working overtime at night. Li Yun relied on his spiritual knowledge to go shopping with Su Muxin for a few hours.

And so on, wherever no one would go at night, there would be two people playing nonsense. It is no wonder that when someone sees Li Yun and Su Muxin walking back, they regard the strange blushing expression on Su Muxin's face as It's just secretly dating.

All of the above shows that Li Yun will have a hard time with the five girls in the same university in the next three and a half years.

Not only Li Yun couldn't control it, but several girls couldn't control it and wanted to live with him the sweet life that a college couple should have.

Dating together, going to dinner together, hugging and watching school sports meets together, choosing classes together, rehearsing the New Year's Day party, campus song meeting and so on.

Xiao Mingzhu and Gong Qingyu have countless things they want to do with Li Yun.

Therefore, Xiao Mingzhu, who felt that he could no longer continue, took the initiative to propose this plan in the group, and immediately received strong support from her good Qingmei. Then Su Muxin also raised her hand to agree. Gong Qingyu saw that , Thinking for a moment, also agreed to this seemingly playing with fire plan.

Chapter 3213: Women's Plan

The five girls in China Overseas University are Fang Xue, Xiao Mingzhu, Gong Qingyu, Liu Xianxian and Su Muxin.

Each of them is a beautiful and charming girl, whether it is Fang Xue, who is both Xiaojiabiyu and first love, or Xiao Mingzhu, who is full of country and city, or Gong Qingyu who is classical beauty and girl genius, let alone big star Liu Xianxian, they Each of them has quite a high popularity.

But now they want to show them "likes" just a college entrance examination champion, Li Yun, who looks a little handsome, is really embarrassing for them.

More importantly, this is easy to get burned. Both Li Yun and them will be upset by rumors. At that time, Li Yun will have to announce his "Baiyun Technology Chairman" and "Li Chaoren". The identity of, to block the mouth of sentient beings.

In fact, this is the most convenient, safest, and the best way for Li Yun to have five beautiful, beautiful, white and wealthy, big stars, and aristocratic ladies.

But in this way, let alone Li Yun's objection, even the five girls and the fairies in the fairies group disagree.

The reason is simple. If those two identities are exposed, Li Yun will stop studying at Zhonghai University. Whenever he goes out, he will be watched by various eyes, which is even more exaggerated than the current Liu Xianxian.

Li Yun graduated directly, and the five girls probably won't spend much time on campus. Their wonderful university time is directly over. How can this be accepted by them?

They want to spend a sweet and happy college career with Li Yun in the next four years. Isn't it nice to go to class and the cafeteria together?

The others who want to date with Li Yun at night, the fox Xiaomeng Zhao Tianfeng who goes shopping and hot springs, Fang Xue and Li Feng who go mountain climbing, and Jin Liuli who is on a ten-day and ten-night cruise will also oppose it.

After all, after Li Yun's identity was exposed, even if he could make up as someone else to cover up, they wanted to go out to play with Li Yun. They always looked at a strange man's face, and they were awkward.

"If, I mean, if, if online public opinion is not well controlled, I would rather become a nymphomaniac. I just like Li Yun who has a girlfriend and don't want his identity to be exposed. What do you think?"

Xiao Mingzhu said this in the group at the time, and the rest of the fairies agreed.

As a result, this plan was finally implemented.

The first step is that Liu Xianxian took the initiative to expose herself and Li Yun in a martial arts romance, and posted stills of her kissing Li Yun on her influential Weibo, and bury her and Li Yun in the public. The assumption of ambiguous relations.

In fact, the first step is that Liu Xianxian bought the script and injected capital to become the major shareholder of this martial arts love movie, so that she can upload the stills in advance.

Otherwise, the ordinary crew can't wait to hide all the acting process, how can she let her upload it indiscriminately?

After the public subtly accepted the relationship between Liu Xianxian and Li Yun, who was the most famous, he let Fang Xue kiss Li Yun in the crowd.

This is the second step.

As for the third step...

"What?! You all have to act as well?!"

When I got up the next morning, Li Yun was directly shocked when he saw Gong Qingyu and the others all got up early and said that they would also go to the crew to act.

Chapter 3214: Play together

Slightly you're welcome-refers to being kind to Liu Xianxian. In terms of point, Fang Xue is okay. Her appearance and temperament are slightly inferior to Liu Xianxian's, but she can definitely crush a lot of female partners in the crew. If she also participates, then With a proper appearance, she is the second female, and it's no problem to be a female first by squeezing Liu Xianxian's dress in the play.

Fang Xue is like this, not to mention Gong Qingyu and Xiao Mingzhu, whose looks and temperament are better than hers? !

If the two of them appeared on the camera, they would directly interact with Liu Xianxian, who is the heroine. The two are not the difference between the sun and the moon, but the two suns that are fiercely in the sky, and the shining light makes the audience forget to blink their eyes.

Xiao Mingzhu, Gong Qingyu, and Liu Xianxian, these three are the face of the heroine, with domineering temperament, they are the absolute focus of everyone's attention.

And Fang Xue and the little princess also have their own characteristics.

If they were on the same screen, what the audience didn't know would be that they were shooting the luxurious version of Three Thousand Princesses of the Harem, not a martial arts love comedy.

"Yes~"

Liu Xianxian had a miserable expression on his face, and two index fingers poked: "My heroine's status is not guaranteed. These two bad guys told me last night that they wanted to experience the feeling of acting and they just wanted to grab my heroine. What a shameful drama!"

Gong Qingyu raised her chin proudly. There are not many people who can grab the star Liu Xian in the main show, and she is not ashamed. She is one of them~.

Xiao Mingzhu raised her hand and squeezed Liu Xianxian's innocent face, and smiled: "Nonsense, it's a Baozixian, you don't think you have enough aura. You have to pull us to shake the place and stage a palace drama, right? "

"No, right, you forced me! What do you think Fang Xue?"

Liu Xianxian turned to ask Fang Xue, but Colonel Fang squeezed her throat and said: "Concubine ~ I don't know anything, after all, my concubine is just a noble concubine! I dare not interfere with the husband grabbing among the princess, queen, and loyal general Big show!"

At the end, Fang Xue couldn't help but laugh, and laughed together with Liu Xianxian, even Gong Qingyu, who pretended to be proud, couldn't help but laugh.

Li Yun heard it inexplicably: "What kind of concubine queen? I remember it wasn't Hu Xiaomeng who was this eldest woman?" This was what Hu Xiaomeng showed off on QQ with him, so Li Yun still remembered.

The eldest woman's words made the women give him a blank look.

Xiao Mingzhu smiled and said: "Because we have decided to participate in this martial arts romance movie between you and Xianxian, grabbing the heroine!"

Li Yun: "..."

What should he say?

"and many more!"

Li Yun thought of one thing, "I remember there was no queen and noble concubine in the script, but a princess wanted to rob me. What happened to the queen, right?"

After looking at the four beautiful girls, Li Yun suddenly understood: "Dare you guys forbid me to enter your room last night to discuss how to change the script!"

"Smart." Gong Qingyu snapped a beautiful finger, pointed at himself and said: "I am the queen and emperor, the general of Mingzhu, Fang Xue is the noble concubine, and the little princess is my sister. Then add a palace drama."

"The queen and emperor... Wu Zetian?"

Li Yun doesn't want to complain, but the plot really makes people have to complain.

When Wu Zetian was also a queen, she was in charge of politics, but she was at least forty years old by then? Even if Gong Qingyu puts on an old makeup, she can't conceal the young girl's breath in her.

She came to play the emperor, and she was probably choking.

But anyway, the plot is so settled!

Chapter 3215: All perform

"You guys are all participating?!"

When Li Yun woke up Princess Yongning, brought her sleepy eyes and a few big beauties to the palace, entered the filming venue, and met with the crew, Director Zhang heard of the situation and was immediately stunned.

The crew is also dumbfounded.

The four big and small beauties who came with Li Yun and Liu Xianxian, they had seen the photos from the Internet yesterday afternoon, and they were already surprised at that time, because these four stood up with Liu Xianxian but were not suppressed. There were two It can even be equal to Liu Xianxian.

The photos seen on the Internet are already quite amazing, but after seeing the real person, the crew even had a shocking illusion.

No matter which one of these five people can compare to a big star, the temperament and manners are not bad at all.

Especially the two tallest girls among them, one with classical temperament, proud look, with a touch of disgusting glamour, and the other with heroic appearance and cheerful smile, it is easy to win people's favor.

Of course, the other two are not bad, much better than Song Lini and other female counterparts, but they are still slightly inferior to these two exceptionally good women.

"Yes, they all have to participate!"

Liu Xianxian stepped forward to introduce: "This is Gong Qingyu, playing the queen, this is Xiao Mingzhu, playing the female general, this is Fang Xue, the school flower of Fang Da, playing the imperial concubine, this little princess, hehe, she is The princess of the Ming Dynasty promises to make our play very professional!"

Everyone was unclear about the last sentence, so Princess Yongning finally awoke a little, with a shy look on her small face, but she was still looking forward to the next performance.

Director Zhang looked at these big beauties, and after a long while, he said, "Xianxian, your drama..."

"Oh, don't worry, I guarantee it won't collapse!"

Perhaps he also knows the reason for being too outrageous, Liu Xianxian can only guarantee this now.

Director Zhang has no comments.

The sky is big and the capital is the largest. These beauties don't seem to be of civilian origin. They don't care about the temporary change of scripts and lines, and they don't have any worried expressions. It is enough to see that the money in their family's bank card is enough for them to mess around.

"Then... started?"

Princess Yongning asked cautiously.

Li Yun touched her little head: "Is the little princess looking forward to acting? Or is she looking forward to experiencing life in the Ming Dynasty again?"

Zhu Shu'e, Princess of Yongning, has the most special origin among Li Yun's confidantes. She was a princess four hundred years ago. She had always slept at home because of her weakness.

Li Yun didn't have any requirements for her, it was not easy for the little princess to be a good vase.

But Princess Yongning seems reluctant to be a vase all the time. Recently, she started to try to write something. She wrote about her life in the palace in the past 15 years, which is very helpful for future generations to study the history of the Ming Dynasty.

But for now, the little princess still doesn't know what the point is, whether to describe the princess's career, or to write about the harem concubine, or to write about her father's deeds.

It has been more than half a year since she came to modern society. Now she has the opportunity to experience life in the palace again, which is naturally very exciting.

This is also the reason why Gong Qingyu particularly brought her here.

"Hmm...a little bit~"

Princess Yongning pursed her mouth, smiling very ladylike and princess. She is not used to so many people. After coming to the crew, she has been clinging to Gong Qingyu's sisters or following Li Yun.

Chapter 3216: Princess playing princess

"It's okay." Li Yun shook Zhu Shu'e's tender little hand and smiled: "When the time comes, you will play your princess well, just like before."

For Li Yun and others, the Ming Dynasty was already 400 years ago and it was out of reach.

But for Princess Yongning, she just slept in the tomb of the twenty-eight stars. When she woke up, she was nothing but people. All the familiar people disappeared. Only Li Yun who brought her out in the illusion was left.

Therefore, even though Princess Yongning didn't show the intention to stick to him at all times, every time Li Yun stayed with her, the little princess always leaned close to him, or was next to him, or simply shrank to him. Even if there is no physical contact between the two of them, Princess Yongning must see Li Yun with his eyes.

When Li Yun just took her out to the outside world, he even held her every night and coaxed her to sleep.

But I have to say that the delicate little princess's golden body is especially soft when he hugs her. In the past six months, Li Yun has hugged her to sleep half of the time, and then left when she was asleep.

"Yeah~"

Princess Yongning smiled quietly to her husband, and said in a low voice expectantly: "My husband, it seems that the clothes you wear are a bit different from mine back then..."

"As a princess, Xiao Yongning wears more clothes?"

"Hmm!" Princess Yongning nodded hurriedly, not knowing whether it was a complaint or nostalgia, and said: "I used to get up every day and didn't do anything else, just wear and wash my face, brush my teeth, apply spices and put on light makeup. I need one if I am busy. Hour, Hour, that is, please go to the mother and queen at 7 o'clock in the morning, so please go there at night. The so-called morning and twilight saves time, it is actually very hard."

When Li Yun watched the crew start to get busy, he knew that Director Zhang had agreed to the request of these beautiful women to act.

He pulled Princess Yongning to the side to chat: "Does Yongning think these rules are good or not?"

Many ancient rules have been abandoned in modern times, and the province of dawn and dusk has been thrown into an unknown corner. Many modern people work outside all year round, and the social structure has undergone earth-shaking changes in order to live.

"Good now!" Princess Yongning answered without hesitation.

"Because you can sleep late?" Li Yun smiled.

"That's not it!"

Princess Yongning blushed with shame, glanced at Li Yun and quickly lowered her head, and whispered: "Because I can meet my husband, so now it's good~"

Li Yun was so touched! I can't wait to hug the little princess and kiss me and sleep with her.

The confidantes around him always give him surprises in various small places. There are unconscious love words from the saint before, and the shy confession of the little princess afterwards, and the little pepper is usually full of enthusiasm all day long, even Xiao Mingzhu. Occasionally they would give him a temporary boyfriend experience card.

"Little princess!"

Liu Xianxian walked out of her dressing room and beckoned to the shy Princess Yongning, "Come on, I have found you a good costume, come on, and you will play the role of a small brewer in a moment. Princess!"

The crew was embarrassed.

This girl named Zhu Shue's nickname is the little princess?

However, everyone saw her cautious and noble, and she was really like a princess who did not show her head in front of civilians.

At least much better than those who pretend to be a princess pretending to be Gao Leng!

"Okay, Sister Xianxian, I'll go right away~!"

After answering Liu Xianxian's words, Zhu Shue said goodbye to Li Yun. This scene was seen by everyone, and they felt that her etiquette was comprehensive, and everything she said and did was done in accordance with certain rules.

"Li Yun, you also change your clothes. We will go from the palace to the palace later and shoot the final scene directly!"

"What? I don't know the script, and it's okay if I don't know? Uh, okay!"

Chapter 3217: Royal palace

"Have you heard? The movie of Xianxian was shot in the palace drama!"

"Today? Hasn't 'The Han Imperial City' occupied the palace recently?"

"I heard that Director Zhang personally came forward and asked the Dahan Imperial City crew to temporarily spare a day to film them, plus Liu Xianxian's face, so I just shot it."

"Good guy, if you go to the palace, doesn't the fairy have to put on more beautiful ancient costumes?"

"That's for sure, let's go and take a look outside the palace!"

Li Yun didn't know how the tourists in Hengzhen talked about it, but he rode a tall horse, dressed in the official uniform of the red champion and groom, and walked out of the palace like a high school champion parade, when he was frightened by the people gathered outside. Jump.

There were at least two or three thousand people, staring straight at the gate of the palace. After seeing him walk out, they all raised their phones in unison, almost frightening Li Yun out of play.

"Calm down!"

Director Zhang directed the people outside the camera: "These people will be replaced later, Li Yun, you can concentrate on acting and meet the emperor, and you just want to get married on an order!"

Just two days before and after, the plot has gone from the first kiss between Mr. Killer and Miss Sheriff to the finale of the story. The killer becomes a hero, ready to enter the palace to meet the emperor. He is ordered to marry beautiful, passionate, innocent, lovely and lively. In short, it is very good. Miss Sheriff!

The director said that Li Yun had no choice but to continue acting. Riding a tall horse, to be precise, a fat white horse, stepped on the stone road and walked towards the palace.

Fortunately, after leaving the palace, the cameraman quickly turned off the camera, and the middle parade part waited for the shooting later, otherwise a group of tourists holding mobile phones, and those who did special effects later had to scold their mothers on the spot.

Wait, Li Yun forgot someone, Li Xiaoyu!

If she is responsible, this kind of special effects replacement is quite simple, and it can even change the appearance of modern tourists into ancient people wearing long shirts and short coats, and all mobile phones and the like can be removed.

In this way, too much time is saved, which will have a great impact on future film production, and countless runners will lose their jobs...

"Forget it, I can't solve this kind of thing."

Li Yun converged his guesses about the future because he believed that people who were unemployed because of artificial intelligence would also find new jobs because of the era of artificial intelligence, just like those laid-off women workers who lost their textile jobs in the industrial revolution.

His guess is useless. Human creativity is endless and it is impossible not to find a solution.

He now only needs to play a cold killer full of happiness.

The crew came all the way to the palace, and the audience behind them consciously stopped in the outer circle and gave up the stage to the crew.

"The repertoire in front of the palace, ACTION!"

For temporary additions, Director Zhang could only call out a scene name casually, and let the filming continue.

In fact, it was an ***** who came out of the inner city to greet Li Yun in person. The recording of the middle process was omitted and he jumped directly to the palace drama part.

Just entering the Golden Temple of the Royal Palace, what Li Yun saw was not the Manchu civil and military, but five people sitting on both sides, sitting in the middle was a very noble Queen wearing a colorful phoenix dress and golden phoenix branches!

On both sides, there were two women wearing phoenix crowns and xiamen, red satin embroidered shoes, and a festive red, charming and moving women.

On the left, Xiao Mingzhu and Fang Xue.

On the right, Liu Xianxian and Zhu Shue.

And the one centered on the dragon chair is undoubtedly Gong Qingyu! !

Chapter 3218: Tang Bohu

Seeing the five of them wearing phoenix crowns and xiamen, as if they were preparing to marry a girl, they were shy and expectant. Li Yun was very sure that he was absolutely perfect to show the astonishment of the killer in the script when he saw this scene incisively and vividly.

"What's the situation?!"

"Why five people show up directly?!"

"Isn't it a good tribute to the old movie named Tang Bohu Dian Qiuxiang?!"

Li Yun stepped into the Golden Luang Hall with one foot, but the other foot abruptly stopped in the air, and was shocked by the five beautiful girls in the Golden Hall in red wedding dresses.

When going out in the morning, Xiao Mingzhu probably told him the content of the script they changed last night. They were nothing more than the queen, the general, the sister of the queen, that is, the princess, and the imperial concubine (the concubine of the previous emperor, who had not yet consummated the house, and the queen) Like a girlfriend), the four of them all fell in love with Mr. Killer who became a hero, so there was the drama of "Dian Qiuxiang" in the Golden Luang Temple.

Li Yun originally thought it would be a little difficult to play Tang Bohu's Qiuxiang.

After all, Gong Qingyu, Xiao Mingzhu, and Liu Xianxian are all very tall, with a full 1.7 meters. Even Fang Xue is 168 in height, which is a goddess figure.

But the little princess Yongning completely reversed them.

Because of her illness all the year round, her stature developed very slowly, with small hands, small feet, small body and poached eggs, and her head barely reached Xiao Mingzhu's clavicle, so she could only bury her head if she hugged Li Yun. In his belly.Nôv(él)B\\jnn

Such a petite and weak little princess, standing with four beauties with perfect goddess heights, Li Yun could recognize her at a glance.

Therefore, Li Yun thought that they would wear a particularly generous wedding dress, and then sit down and let the little princess put a cushion on her bottom, so as to barely cover it up.

Of course, this can't hide Li Yun, who has spiritual knowledge, but it can hide from the audience!

Unexpectedly, when Li Yun entered the Golden Luang Temple, he saw five beauties, big and small, who didn't even have a red hijab. They used different eyes like this: either happy (little princess), or expectant and nervous (missing princess), or It was looking at him with a joking smile (the queen).

Seeing Li Yun stunned on the spot, he thought they were not ready for acting.

Even the cameraman behind, looks like he wants to turn off the camera.

"Aiqing!! Come in soon!"

Empress Gong Qingyu sat on the dragon chair with her hands on the armrests of the dragon chair. Her already cold and proud temperament was really suitable for acting as an empress.

Li Yun looked dumbfounded, and finally stepped his right foot into the Golden Luang Temple, facing the five beauties in red wedding gowns.

Having said that, the last time he stepped into the Golden Luang Temple, he faced two coffins, but this time he faced five charming women who were waiting for him to marry and favor. The gap between them was unimaginable.

"Ai Qing?"

Li Yun can't figure out whether Gong Qingyu is acting or teasing him. After all, Gong Qingyu doesn't look like a cold and proud girl all day long, but she actually thinks of all kinds of bad ideas. Come out and support, and also very sensitive, it can be said that it is a type of soft body.

Gong Qingyu was making a fool of himself, not much worse than Hu Xiaomeng and Jin Liuli.

"I!" Gong Qingyu wearing a phoenix robe smiled, sitting on a high dragon chair proudly emphasizing his current identity, "You have been named a mighty general!"

Chapter 3219: Dian Qiuxiang

God is so mighty general.

Li Yun resisted the desire to complain, and was about to speak, Empress Gong Qingyu said again: "Wait, you don't like me calling you Aiqing. Could it be that...you want to be my queen?"

God the queen!

Li Yun and the four beauties sitting there, as well as the crew behind him, were all overwhelmed by this line.

However, the western queen's husband is the prince, but the eastern one has no one. The only husband of Wu Zetian is also the emperor, which is not counted. The title of the queen... is still very ridiculous!

Li Yunqiang resisted the urge to vomit, with a shameful expression on his face: "The Caomin just did some trivial things, and he didn't dare to ask for such a favor. Please take your majesty back. Caomin just wants to spend the rest of his life with Miss Princess!"

He probably understood why Gong Qingyu said so.

I just want him to show his flaws, it's best to have a play, Director Zhang calls the card, and then Gong Qingyu can laugh at him happily!

After all, when an actor is performing, unless it's a stage play, it doesn't matter what the line is, as long as the length of the words spoken is about enough, it is good to wait for the dubbing later.

Even some small fresh meats didn't memorize the lines at all. During the performance, they would say some tomato, watermelon, egg and other dish names. When they were dubbed in the later stage, they were ridiculed when they burst out.

Of course, this kind of revelation is nothing to Xiao Xianrou. What they want is traffic, as for acting skills.

"If I want you to marry, you will marry!!"

Gong Qingyu raised her voice and made an angry expression. Not to mention, this guy is already cold and looks like a queen. There is no need for guards to set off her majesty, just a dragon chair. enough.

Li Yun was silent for a long while. The five beauties in red wedding gowns all looked at him, and all the people outside the crew were silent. They seemed to realize that there was really a performance in the Golden Temple.

"Forgive me!"

Li Yun arched his hands, looked affectionately at Miss Princess, and met her expectant and joyful eyes.

"The Caomin has been with the princess lady for a long time, and we have experienced many things together. We have gone to the streets to see the thousands of flowers together, and we have embraced together and made an oath with Nanjiang An. Life is the same, the death is the same point, three lives and three lives, never separated!"

The loud and loud words echoed in the Golden Luang Temple, making the five people in the Golden Luang Temple sound complicated, while the people on the outside crew were wide-eyed, shocked by Li Yun's lines and performance.

"Li Yun!!!"

Liu Xianxian, dressed in a big red wedding dress, left the seat, rushed out, and plunged into his arms.

The force was so strong that Li Yun had to rotate her one full circle before releasing the pounced power.

Everyone was stunned once again.

Liu Xianxian's hair is flying, her eyes are crying, and her eyes are filled with tears, which is better than her previous performance on the screen!

They even suspect that Liu Xianxian is acting in his true colors... Wait, he is acting in true colors?

Just now Xianxian called Li Yun, not Mr. Killer? ?

Doesn't that mean that it is really the true character? !

"hiss!"

A group of people gasped secretly, not only interrupted Liu Xianxian and Li Yun's performance loudly, because they found that the performance of these two people at the moment was simply natural, there was no trace of the performance, everything came from the heart!

This kind of acting, which is not acting, is the coveted state that all actors are pursuing, completely integrated into the role itself, not acting!

Chapter 3220: In and out of play

To cite two examples, Heath Ledger, the clown actor in "The Dark Knight", shut himself up in a hotel in order to play the crazy role of a clown, and it took a full month before he came out.

During this period, he has been studying clowns, imitating the mental state and voice of clowns, and also wrote some seemingly crazy diaries.

When he played the clown, everyone was stunned by his performance.

After the filming was over, Heath Ledger took another few months to get out of this role.

Many excellent actors face this dilemma. For example, Lin Daiyu's actor, she once sighed: "I don't have any acting skills. I was Lin Daiyu in my previous life. I just showed what I was in my previous life."

It can be said that the immersive performance method is something that many outstanding actors must learn.

But Li Yun and Liu Xianxian are now unknowingly immersed in the script performance!

Even if you don't know the relationship between the two, and seeing Li Yun and Liu Xianxian's passionate performance, you can guess that the two must have a passionate relationship, and they will not separate for a moment.

"fool."

Li Yun gently hugged the princess lady, and smiled: "You shouldn't call me Li Yun, you should call me Mr. Killer intimately!"

"No need~" The princess lady hugged him and said coquettishly: "I love you both in and out of the play, whether it is Mr. Killer or the villain Li Yun, I like them, and I love them deeply~"

The bold confession stunned a circle of people.

This has been properly separated from the identity of the Miss Princess, and as the big star Liu Xianxian, it is publicly announced that Li Yun is the person she likes, her boyfriend, and the future husband!

Everyone on the crew was shocked and took it for granted. If the two of them had nothing to do, they would not believe it. When they came to act in the past few days, the other male and female protagonists would have to linger for a long time when they kissed each other, and they did not hesitate to kiss, And you can't stop if you don't stop, you just forget what you're doing and where you are.

Who believes it is not a boyfriend or girlfriend?

The four big and small beauties in the hall were a little jealous.

Although they are very accustomed to seeing Li Yun intimacy with other girls, they can go ahead- for example, on the third floor of the mansion, if they are jealous, they can **** Li Yun and get intimacy with him to ease the jealousy in their hearts.

But now they are not Li Yun's girlfriends. They are forced to act as queens, generals, princesses, and noble concubines. They can't kiss them even if they want to. They can only watch the princess and their boyfriends get intimacy!

And the two people relied on being able to dub in the later stage, and they talked unscrupulously about love, speaking in front of them!

hateful!

Damn it! !

"The Sheriff!"

Her Majesty walked down, standing proudly in front of the princess lady.

Not to be outdone, the princess lady took Li Yun's hand and stared at her with murderous intent.

Her Majesty took the lead in speaking: "I am your aunt, I want you to give me your husband Li Yun!!"

Xiao Mingzhu almost laughed out loud, Fang Xue tried to control her expression, she wanted to laugh too!

As for the little princess Yongning, she is a little confused about the situation, whether it is acting, acting, or singing?

However, this Jinluang Temple is true and false!

It's not at all like the Golden Luang Temple where she had seen her from afar, oh yes, at that time the father was also in it. Could it be the influence of the true dragon's energy, so it's different?
