

Godly Choice 3221

Chapter 3221: It's all drama

"..."

The crew was also surprised by the lines spoken by the empress played by Gong Qingyu.

Even if there is post-dubbing, you only need to act and grab your husband's drama.

But you can't directly say that if you rob your husband Li Yun, don't you confuse reality with drama, can this be performed well?

"What's your husband Li Yun? It's clearly my husband, Mr. Killer!"

The princess lady did not give in at all, her expression was firm, mixed with a trace of reverence for the imperial power.

Reality and illusion overlap, and the mixed acting skills are breathtaking.

Song Lini said suddenly: "The queen actor also likes Li Yun."

The crew of course also noticed it.

These two people, no, the relationship between the inside and outside of the five-person play is very good. Not only do they perform in the play to grab the husband, but also in reality!

Liu Xianxian, the empress, Xiao Mingzhu, the little princess, and Fang Xue, who has the weakest sense of existence, all like Li Yun, but their relationship does not deteriorate due to this. It seems that there is a promise that whoever moves Li Yun first can hold It's a beautiful boy.

Including this movie segment, it is also the decisive battlefield for them to fight!

"Liu Xianxian, I order you to let out Li Yun immediately!!"

Gong Qingyu's voice was ear-piercing, and the empress's majesty was vividly displayed.

"No!"

Liu Xianxian was full of stubbornness, and slightly exposed the snow-white and graceful swan neck, "Even if you cut off my head, the emperor, you can't stop my love for Li Yun!"

"Don't let it?!"

"Do not!"

"Liu Xianxian!!"

"No!"

The two beautiful beauties scrambled against each other's necks, making the men present red with envy.

"Well, I'll marry Li Yun too, I want to be an eldest woman!" Gong Qingyu used the queen to coerce her again.

"Ok...no, no!"

Liu Xianxian almost agreed.

Because she actually agreed, accepting that there are more than 20 sisters around Li Yun, living together, so she almost wanted to agree just now. Fortunately, Gong Qingyu added that she wanted to be an eldest woman. No matter what, Liu Xianxian would unacceptable! !

No one can be a big woman, there is no big woman around Li Yun, well, everyone takes turns!

After some coercion and temptation, Her Majesty finally gave up.

She looked at Liu Xianxian with a look of envy, and turned to look at the three girls including Fang Xue.

The empress, who was still domineering just now, suddenly fell silent, and the atmosphere became sad.

"If, Li Yun, the first person you like is me, will you marry me?"

".....meeting."

"what about me?"

Fang Xue finally remembered her lines, and she looked at him with tearful eyes and asked.

Originally, she was worried that she would not perform well, but after watching Liu Xianxian and Li Yun wantonly show their affection, she found that she didn't need to act at all now, she was just disappointed and low, and her voice was full of sorrow.

"Yes."

"And me?"

Xiao Mingzhu was heroic, "I have been on the battlefield with you, I like you, I believe, you like me too, right?"

"..."

Li Yun was silent.

"Husband, husband... Ah no, Li, Li Yun!"

Princess Yongning was so nervous that she called the wrong name when she spoke. Fortunately, Xiao Mingzhu glanced at her, and the little princess corrected her in time.

"That day was Yongning's happiest day. Yongning and Yongning have always remembered it."

Zhu Shu'e was talking about the lines that she had memorized last night, but what she remembered was that she was buried deep under the mountain, and she opened her eyes to see the gentle husband looking at her.

Let her cold body warm up all at once, and obediently followed him out of the ground and came to the outside world.

Chapter 3222: Confusing lines

"Me too."

With a smile of relief, Li Yun glanced over the faces of Xiao Mingzhu, Fang Xue, and Princess Yongning. Finally, he fixed on Gong Qingyu's back and said with shame: "Your Majesty Gong Qingyu, your beloved veteran. I got it."

Her Majesty Empress Gong Qingyu's shoulders began to tremble, the kind of trembling that was extremely suppressed, from the eyes of the crew, she was clearly a heartbroken and infatuated queen!

But the three women standing in front of the Queen's Majesty clearly saw...

"Sister Qingyu..."

Princess Yongning muttered to herself, scared by this weird way of acting, she dared not speak.

Li Yun's expression remained unchanged, "The old minister is ashamed, and can only wait for you to serve the Queen in the future. I hope that Her Majesty Gong Qingyu will be fulfilled!"

Xiao Mingzhu: "..."

Fang Xue: "..."

Liu Xianxian: "..."

What kind of messy lines are all this talking about!

"Asshole, asshole...puff."

Gong Qingyu finally couldn't help laughing, her fragrant shoulders kept trembling, "Can't you ***** say, say some good lines? Damn, I will teach you later, it's over!"

"Yes!"

Li Yun knelt on one knee, holding a fist in salute to Her Majesty the Queen, while Liu Xianxian knelt on both knees, respectfully kowtow in thanks.

After waiting for at least ten seconds, everyone was surprised by the weird lines and performance, until Gong Qingyu let out a low voice, "Hurry up and declare!"

The ***** standing next to him just woke up like a dream, uttering a sharp voice that he made deliberately, but in fact he still shouted in a strong, masculine voice: "We will carry it out, the emperor's edict said, marry me... General Li Yun and Liu Xianxian Miss....."

"puff."

Princess Yongning couldn't help laughing. She immediately realized something, turned around in a hurry, and also learned that sister Qingyu turned her back to the camera.

The episode is insignificant, and the ***** still declares the decree, and gives Mr. Killer and Miss Sheriff to get married.

"Card!!"

Director Zhang finally yelled out, indicating that this long-shot performance was finally over.

Everyone breathed a sigh of relief. This series of long shots was a torture to everyone present.

For example, after the princess lady Liu Xianxian was over, she just clutched her belly and laughed, and said: "Your Majesty Gong Qingyu, thank you for marrying the old minister...Haha, I'm laughing so hard~"

Xiao Mingzhu couldn't help but look at Li Yun and asked wittily, "Why are you a veteran? It's nondescript, so you want us to laugh!"

Gong Qingyu also turned around, thanking him for glancing at him with a smile in his eyes: "It's reasonable for me to call you Aiqing, but you are superfluous and add some weird lines!"

Li Yun argued: "The so-called missing a second is like three autumns, Qingyu, turn around and face me for so long, Aiqing will become a veteran."

This is almost a confession.

Moreover, he confessed in front of the crew, even if the arrogant girl Gong Qingyu was like a genius, a shy blush appeared on his cheeks, and he gave him a look of amorous feelings, and muttered, "You will coax people".

Meaning, she was coaxed by Li Yun.

After the three people in the study drew sketches that night, Gong Qingyu changed from a girl to a woman, and the beauty she possessed became more and more apparent, and her smiles and frowns were full of alluring flavors, making Li Yun a little taken aback.

The crew behind him was even more shocked by Gong Qingyu's beauty. They were all stupid on the spot until the director shouted: "Continue to finish the last part." Everyone woke up like a dream, and turned their eyes awkwardly. Go, dare not look at this beautiful and unusually majestic empress.

Chapter 3223: Finished

Xiao Mingzhu glanced at Gong Qingyu from the side, with a thoughtful expression on his face.

It seems that there are indeed some differences between girls and women. If they hadn't experienced it personally, girls would never experience that kind of change.

"Husband, husband, how did Yongning act just now?"

Princess Yongning's face was blushing, and when she walked over, she brought it with her.

The little princess is actually a lively girl who loves to play, but because she slept in for a long time, everyone has the impression of her as a delicate and fragile princess loli, holding a large bear puppet lying on the soft bed every day sleep.

Although she really likes bear dolls, Li Yun sleeps on her every night when she is not by her side. Li Yun asked her. The little princess replied that she feels safe and named the bear doll Xiaoyun, which means Li Yun's. replace.....

"Yongning did a great job!"

A compliment from the husband made the little princess smile with open eyebrows, her little mouth pursed, and the toothless big Lolita's smile is particularly cute.

"It's just that I don't quite understand." Li Yun curiously asked: "Why would Yongning laugh when he heard the announcement?"

The actor who played the **** also turned his eyes.

"Uh, it's actually because..."

Princess Yongning hesitated for a while, and then explained: "I once went for a walk in the garden with my father, and happened to ran into a bad thing. My father was furious, so she ordered it in person...Ah, let's not talk about it, anyway. The eunuchs in the palace would not say that they would be transported by the heavens. This is a very formal decree, and it needs to be covered with a jade seal to say, otherwise it would be... very bad."

The crew behind him sounded weird.

Father? Walk in the garden? The **** in the palace? !

How come this big loli, nicknamed Princess Yongning, said it as if it really happened at home!

Is it in this river?

Li Yun nodded, "It turns out that this is the case. We don't know. Then Yongning, you should talk more about the palace. It shouldn't be a taboo? If you don't want to say it, don't force it."

Princess Yongning looked a little sad, "Husband, it doesn't matter, after all, my father and mother, the emperor brothers and sisters have already died of their lives, it doesn't matter."

It can only be said that most of them are dead, and it is common for people who are royals to encounter unexpected events.

"Let's go to film the last scene first, and talk as we go!"

Liu Xianxian greeted everyone, and Princess Yongning glanced at her husband before following her sister's pace.

"Little princess, tell me about the previous etiquette, maybe I will use it in the future."

"Well, okay, but they are all very troublesome and troublesome things. It's super troublesome. I used to get up in the morning to ask for Ann for two hours. When I came back, I was so hungry... Later my mother found out. Every time she ordered the maid to prepare cakes and wait for me, hehe."

"Oh? What are the pastries? The pastries in the palace must be very delicate, right?"

"Nothing, the ingredients are not better than now, but it takes a lot of time, like a thousand layer cake, I think it was delicious before... hee hee."

Several girls were chatting around Princess Yongning, and they all noticed. The little princess kept looking at the palace, obviously feeling homesick.

But she can never return to her hometown, she can only miss it in this way.

After the last palace scene was filmed, Princess Yongning couldn't hold it anymore and plunged into Li Yun's arms and fell asleep.

Chapter 3224: You play a small stool

the next morning.

Li Yun woke up from his sleep, surrounded by the familiar warm fragrant nephrite touch, and two beautiful girls fell asleep next to him.

Since the college entrance examination was over, he was quite used to waking up in the morning, and immediately felt this wonderful feeling of gentle homeland. It was really very damaging to people's minds and made people no longer want to get up.

"Ten, nine, eight, seven...one!"

After dozens of silences in her heart, Li Yun got up with gritted teeth, and when she pulled away Gong Qingyu's little hands, she woke up leisurely, her palms directly on his face.

"...Qingyu?"

Li Yun was grabbed by her face, his expression was full of helplessness, wouldn't this kind of action just keep him from getting up? He was still asleep, but he just didn't get him up.

"Qingyu?"

"No, noisy... noisy, princess."

The vague voice is lazy, and she is definitely two different people from Gong Qingyu, a genius girl who has always been proud during the day. Li Yun, and Su Muxin, who has been with Li Yun together with her, can watch. When Gong Qingyu lost her reason and pride, she frowned weakly.

Of course, Li Yun could still see Gong Qingyu's sluggish appearance at this moment.

"are you awake?"

After holding her for half an hour, after she moved, Li Yun asked her.

"How can it be so fast, sleep for a while~"

The tone became a little proud, and the genius girl was about to wake up, but she still hugged him.

"Are you awake?"

Li Yun took out his cell phone and chatted with Su Muxin, who was in the first class. After learning about yesterday's interesting incident, this little pepper looked like he could not wait to fly to Hengzhen right away. From his tone of voice, Li Yun seemed to be able to see She was full of greedy expressions.

"Not awake!"

"Well, there is already the pride of my family's day palace Qingyu in the tone, and it seems to be awake."

"Go to hell, who is yours, I am the Queen, what is yours~"

Gong Qingyu's voice revealed laziness and coquettishness, with her face lying on Li Yun's chest, her fingers poking his chest, but her mouth was still retorting.

"Then who said last night that he would give me the throne and become the queen myself?"

Li Yun laughed teasingly, and then suffered a grit attack from Her Majesty Palace Qingyu. He was gnawed with drool and shocked Fang Xue next to him.

However, Colonel Fang opened her eyes and looked at the two people who were fighting, and said, "I am a noble concubine, I have no special features, and the face is the worst. Let's play." After finishing speaking, she covered her head with a cup, thinking Continue to sleep.

Gong Qingyu smiled, stretched out her hand to pull open the cup with her ears covered, and said with a smile: "Alright, okay, if you play again next time, I will play you the queen, and I will play the concubine."

Li Yun said: "Should I play the emperor?"

"No, you play a small stool!"

"What little stool... wait, is it the eunuch?"

Li Yun was surprised.

"Otherwise? Want to be called Xiaolizi?"

Gong Qingyu gave him a coquettish look, "Who was urging to go to bed at twelve o'clock last night, isn't it an eunuch?"

Li Yun's early morning flames directly rose, and she was subdued in one fell swoop.

"Little pear, dare you!!"

Gong Qingyu laughed and resisted.

Li Yun raised his eyebrows, "It seems that I am going to turn over and become the master today, Little Lizi, and try the Seventy-two Concubine of the Sixth Courtyard of Sangong!"

Last night, he had taken them to visit Hengzhen today, so he only messed around with Gong Qingyu and Fang Xue until twelve o'clock, and went to bed very early.

Unexpectedly, this girl Gong Qingyu would look down upon him because of this!

Then let her see, why does Li Yun dare to be the emperor!

Chapter 3225: Bold Snow Chaise

"..."

Fang Xue covered her head with a quilt, but the tumbling movement and the annoying voice of Gong Qingyu's babble made Fang Xue unable to sleep, so she just lifted the quilt, pushed her away, and snatched Li. cloud.

"Concubine Xue, what do you mean?!"

Gong Qingyu looked at her in shock, feeling empty and uncomfortable. It's okay to feel that she can't get better.

"What do you mean? Of course I want to be a queen, this is what you just said!"

Fang Xue is not shy at all. Anyway, she has been with Gong Qingyu many times, so let her watch.

"Bold Snow Royal Concubine!!"

Her Majesty Gong Qingyu came forward to grab Li Yun, and Concubine Xue was naturally not allowed, and put her hands on her shoulders, suppressing her resistance.

Li Yun sat on the mountain and watched the tigers fight until the two tigers were very tired. He took the opportunity to subdue them all.

"Qingyu, Fang Xue, you are awake..."

With some kind of "maliciousness", Xiao Mingzhu walked in without knocking the door. Gong Qingyu, who had just finished, said that she was afraid that she and Liu Xianxian couldn't help wanting to be together, so she didn't close the door.

Therefore, Xiao Mingzhu, who walked in without knocking, saw a scene that shocked her at first sight.

Just like when she went to the north for skiing in the winter last year, when she slid down from the top of the mountain, she looked up and saw three snow-capped mountains in the distance close together. The natural beauty is really shocking.

"..."

"..."

The four of them stared at each other, Gong Qingyu at the bottom, looking up at Xiao Mingzhu who was standing upside down, Fang Xue's eyes widened, Jiao Chu was trembling in fear and shyness.

"Mingzhu, are you awake?"

After Li Yun reacted, he exhaled and continued his previous actions.

Just like the old master Zhang in the community, he took a whip for exercise every day and flicked it in the garden of the community for morning exercises. The sound of the whip breaking through the air was really very loud.

The quarrel made Gong Qingyu and Fang Xue unable to sleep at all, shouting in protest.

Xiao Mingzhu: "..."

She just looked at the three of them in silence, and I don't know how long it took before Liu Xianxian came to the door, "Mingzhu, is Qingyu and Fangxue getting up? Er, why are you standing at the door?"

"Don't look!"

"what?"

Liu Xianxian glanced inward and was stunned on the spot.

Then a pure face slowly turned red, and his ears were red with shame.

"You... are necrotic!"

Liu Xianxian puffed up his mouth, but didn't move under his feet. He stood at the door with Xiao Mingzhu, his eyes twirling around, as if he wanted to see but didn't dare to see.

Fang Xue was so ashamed that she wanted to find a place to sew in.

Gong Qingyu was very calm, even lying in a large font after the end, closed his eyes and rested for a long time before being pulled up by Xiao Mingzhu.

Li Yun took Fang Xue to the shower room, and Liu Xianxian disappeared.

"Lost energy?"

Xiao Mingzhu asked her curiously and shyly, Gong Qingyu at this moment is really amazing, and it's the kind of beauty that people outside can never see.

"It's okay~"

Gong Qingyu's face was flushed, and she smiled with amorous smile, "It's just a breakfast in the morning. The dinner is in the evening. The guy Mu Xin has no class in the afternoon. She will definitely bring Li Feng together."

They had originally made an appointment, but only Gong Qingyu four came to Hengzhen this time, and the rest will slowly be exposed to the public during their college careers.

But Gong Qingyu knew the character of that greedy little pepper, she would definitely come secretly, put on a mask and sunglasses, and pretended to be a tourist and entered Hengzhen.

After playing for two days, go back again.

Chapter 3226: Visit Hengzhen

"You guys!"

Xiao Mingzhu held her forehead with her hand, "Forget it, I'm too lazy to say it, go and wash it, let's go shopping in Hengzhen!"

"Aren't you going to wash it?" Gong Qingyu stared at the blush on her face, glaringly looking at her, "Don't lie, I don't believe you don't feel it!"

She and Liu Xianxian watched for a few minutes, right? Li Yun is the person they like again, so it's weird if you don't feel it!

Xiao Mingzhu glared at her and twisted her front, "I just need to change my clothes. Get up quickly!"

After speaking, she ran away awkwardly. Gong Qingyu smiled straightly. After a long while, she got up to take a shower. After finishing her clothes, she went out shopping with Li Yun. The five people showed up in Hengzhen as part of the announcement of the relationship plan. , But Li Yun was not allowed to walk beside them, he could only follow behind. The four of them walked in front and talked and laughed, while Li Yun was behind them to help carry the bags.

As a result, I was forced to stop playing for less than two hours.

Liu Xianxian's reputation is still too big!

Even if it is a celebrity, tourists are accustomed to seeing the star's Hengzhen, her appearance will cause a lot of commotion.

Especially because I know that she is acting here, the number of people coming to Hengzhen has increased several times recently, more than during the Spring Festival and National Day. People come and go on the streets of Gufeng, the heads of the palace are trembling, the tourists in the palace are weaving and so on.

Li Yun wanted to take the four girls to the temple, but was blocked on the road and had to perform supernatural powers to get away.

"Forget it, go back, enough!"

Liu Xianxian is in a dispirited mood. Her star status has both advantages and disadvantages. The biggest disadvantage is that she is surrounded by people everywhere. If you want to have a good relationship with Li Yun, you have to sneak in for a meeting.

"Let's find a hotel."

Li Yun suggested.

"what?!"

Suddenly, all the four women stared at him, or in broad daylight, does this villain want to declare* by day?

"Don't get me wrong, I mean, give you a picture!"

Li Yun's god-level sneaking skills are not covered, his makeup skills are no worse than Liu Xianxian's queen makeup artist, and he has played a lot of roles, but as his strength becomes stronger, the changes in appearance are no longer useful. Have more powerful ability to communicate with you.

When Li Yun and the others came out of the hotel again, they had completely changed their appearance. Li Yun became an uncle in his thirties. Xiao Mingzhu was a charming and charming woman. Gong Qingyu was unwilling to change life and death, and finally found himself in the ring of space. He took out a set of JK clothes from Sakura Country, and immediately transformed into a high school girl.

Fang Xue hadn't changed much, she was not well-known at first.

As for Liu Xianxian...

"How about this handsome guy?"

The big star has become a handsome tomboy, wearing jeans and a jacket, and his hair is tied in a hat. If you don't look at it, you can't see men and women. Of course, it's okay to be seen as a woman, Li Yun has put her makeup on to make sure that others will not see it, thinking that she is a fake T.

That is tomboy.

"My husband is so handsome~"

Gong Qingyu, who was wearing a JK suit, held her arms, pretending to be charming, and said, causing the four girls to laugh again.

"Go, beauties!"

Li Yun greeted them to walk out of the hotel, but the people outside the street couldn't recognize them. Liu Xianxian was very excited, and finally he could play happily.

As a result, the five people played from morning to noon, and after returning to the Gufeng Inn to wake up the little princess for lunch, there was another lovely big loli in the team to follow.

At five o'clock in the afternoon, Su Muxin came with Li Feng as expected, and she went shopping until nine o'clock in the evening.

Chapter 3227: Coax me

The daughters of Gong Qingyu played in Hengzhen for two more days, and after watching what Li Yun and Liu Xianxian were like in the filming, they left contentedly.

The reason why Li Yun and Liu Xianxian are still filming is purely because they don't want the crew to misunderstand.

After all, with the arrival of Su Muxin and Li Feng, they lavishly booked the third floor of an inn in Hengzhen, but only used two rooms, and the others were all for cover-ups.

As Gong Qingyu said to Xiao Mingzhu before, that morning was just a small breakfast. After Su Muxin and Li Feng arrived, the dinner finally started. They didn't sleep the night they came, until noon the next day. Just get up lazily to go shopping.

A group of beautiful girls and Li Yun and a man lived in an inn on the first floor, so that Li Yun and Liu Xianxian had to go to the crew in the morning and exposed them to dispel the speculation that everyone thought they were absurd all night.

In fact, the crew guessed right, and Li Yun didn't go to bed until four o'clock last night.

This was the case for two consecutive nights, Xiao Mingzhu couldn't stand it anymore, she hurriedly dragged Su Muxin away, or she would be seen by Liu Xianxian's fans again, and the relationship announcement plan would be completely bankrupt!

"Senior brother, you must remember Senior Sister when it becomes popular!"

Su Muxin pretended not to be messing around with Li Yun last night, the two just seemed to like each other, and said reluctantly.

".....it is good."

"Woo, the schoolboy is so cold."

"..."

After finally sending away Su Muxin and the others, Li Yun felt that he still didn't want to guess how their plan was going. It was a big deal that Baiyun Technology's public relations department would be dispatched to help guide public opinion.

"Xianxian, let's go back." Li Yun greeted Liu Xianxian and returned to the crew.

"Um."

The big star seemed to be in low spirits, and after a response, followed him silently. The two returned to the palace and waited to start filming.

At noon, Liu Xianxian was still a little dull. Li Yun asked her about things, and she would respond, go to her to take an intimate scene, put her arms around her waist, and Liu Xianxian would naturally hug him.

There is nothing wrong with the demeanor and action, and the performance is also very good, and he deserves the name of the queen.

But Li Yun just thought she was a little unhappy.

In the afternoon, after filming the last scene of the male and female protagonists, Li Yun said that we are leaving first, and then took Liu Xianxian and walked out, leaving the crew staring at each other.

The crew still has some supporting roles to be filmed. Except for those who play big names or are in a hurry, they usually leave until the crew is disbanded.

Liu Xianxian doesn't know how to play big cards, is it really urgent?

"What's the matter?"

Liu Xianxian did not object, and asked after he left the palace.

"I should ask you what's wrong!"

Li Yun stretched out his hand and nodded her nose, and said helplessly: "You didn't feel right all day, are you in a bad mood? Or if you have any opinions about me, please tell me everything."

"no!"

Liu Xianxian categorically denied it, his face flushed, which made Li Yun look rather strange.

"Really do not have?"

"Fake."

"What?"

Li Yun was stunned, didn't he usually answer "really"? This sentence is simply a routine, a kind of fixed collocation.

"I'm in a bad mood~" Liu Xianxian bulged and looked at him: "Fortunately you can see it, come and coax me, coax me well, I will tell you why."

"Well, well, today I want to use all my skills to coax our fairy sister!"

"Huh~"

Liu Xianxian is still a little bit shy after being called by his boyfriend as "Sister Fairy", but he feels warm in his heart.

Although her boyfriend is bad, he is really considerate of her.

Chapter 3228: Where do you want to go

After dinner in the evening, Li Yun painted Liu Xianxian again, and took her little hand to go out with her to the touristy Hengzhen.

As I said before, because of the arrival of Liu Xianxian, Hengzhen was crowded with people, and the night was even more lively, especially in the ancient streets of Ming, Qing, Spring and Autumn, full of tourists, many people are eagerly waiting, waiting Mr. Killer once again brought the Miss Sheriff to the street to talk about love.

It is said that the silver bell laughter of Miss Princess Princess is more beautiful than the song sung by the big star Liu Xianxian!

"Where to?"

Liu Xianxian's small hand was placed on Li Yun's big hand, feeling his warm grasp, and his heart was warm.

Her unhappiness had long since disappeared, but in order to enjoy his comfort, she still pretended to be dull.

Hee hee, she is a big celebrity who takes a small golden man, and she plays it when she is in love. Isn't she an advantage?

"Where do you want to go?"

Li Yun really didn't see the problem, he only knew that Liu Xianxian was in dire need of comfort, or the time to spend alone with him.

The reason is also very simple.

This time she came out for filming. It was originally her date with him, but for the next four years of college, her relationship with Gong Qingyu and other women and Li Yun will not be exposed, so Liu Xianxian agreed to this relationship announcement plan Implemented, and with his own influence, intensified the spread of things, so that Li Yun was spread all over the Internet by several girls at the same time.

Now I don't know how many men admire him on the Internet, and they can't wait to replace him.

In terms of results, the plan this time is still very fruitful.

But in contrast, Liu Xianxian also paid a lot.

For example, she had watched the morning fight between Li Yun and Gong Qingyu and Fang Xue the day before yesterday. Since 8 o'clock last night, she could not see Li Yun and Xiaojiao.

When Li Yun realized that Liu Xianxian was in a bad mood, he realized that she would also be jealous.

"Go wherever you want!"

Perfect!

Liu Xianxian couldn't help but praise himself.

Worthy of being a movie queen, she vividly interprets the spoiled, unreasonable and unreasonable behavior of the girl in love. She feels that her acting skills at the moment can still be used as a figurine.

She may also be the best dubbing: this kind of unreasonable girlfriend, who doesn't want to talk to you, is still perfect!

Li Yun couldn't laugh or cry, holding her little hand, he got into the streets of Zhonghai City in the old days.

There are still a lot of people, and in order to restore the city of Zhonghai in the old age, Hengzhen is the most developed city in Huangxuan country and the most developed city in centuries. It is called the magic capital by the people from the cherry blossom country, and it is the exchange between China and the West. The best integrated city.

Too much history was remembered in that era, and only 12% of what can be restored here in Hengzhen.

"Selling newspapers, selling newspapers, new newspapers!"

A child who looked at fifteen or six years old, dressed in plain clothes, tied a newspaper box and hawked on the street, aroused the curiosity of many tourists.

In fact, the gadget of physical newspapers is about to decline, and some government agencies will also fix and customize some to support the existence of the physical newspaper industry.

After all, compared to the speed of the Internet, the information in physical newspapers is outdated. The role as one of the important functions of news has disappeared, and the only remaining function is the collection.

Many of the roadside shops known as newsstands no longer sell newspapers, they only sell snacks, and some animation magazines.

Also in the old Zhonghai Street in Hengzhen, you can also see newsboys who are nostalgic for them.

Chapter 3229: Newsboy

The profession of newsboy has a sense of the times.

Therefore, when juvenile newsboys appeared in old-time clothes and sold them along the street, many people were curious to spend a few dollars to buy a newspaper.

Including Li Yun.

"Hey, give me a copy too."

Li Yun greeted the newsboy, looked for it in the newspaper box pretendingly, and asked, "Is there any news about Miss Liu Xianxian who dominates the social scene in Zhonghai City?"

Domination·Social Field·Lady Lady·Miss Liu Xianxian gave him a cold eye.

"Lord, you are talking about the famous fairy sister? Yes, yes!"

The newsboy is extremely enthusiastic, "I have the latest news about who is the first love of the fairy sister, you only need to spend five yuan, you can see it, there are pictures in it, to ensure that you can appreciate the beauty of the fairy sister! "

Li Yun laughed, Liu Xianxian blushed by the newsboy's praise.

"Then give me a copy."

Li Yun reached into his pocket and his expression suddenly froze.

The newspaper boy in Zhonghai Street in the old era in Hengzhen had a characteristic. In order to maintain his image, he didn't have any QR code or anything on his body. He only accepted cash, and his change was all coins, without any modern paper money.

If the customer buying the newspaper does not bring money and only pays with a mobile phone, the newsboy would rather not sell it.

Not only did this special payment method not affect his business, but it also made many people interested and willing to ask for money to buy newspapers.

Then Li Yun was embarrassed now, he touched his whole body, really couldn't pay a cent!

There is no space ring either. After all, mobile payment is so developed nowadays. Even people begging on the road carry QR codes, and whoever carries money with them.

"Puff, Mingzhu is right, you are such an idiot."

Liu Xianxian couldn't stand it anymore, holding back a smile, took out a big red note from his wallet, put it directly into the paperboy's cash box, took out a handful of coins from it, and waved to him:

"Okay, that's it, the rest is a tip!"

The newsboy suddenly opened his eyes and smiled, bowing and backing away: "Thank you master, thank you young lady, you two are really living Bodhisattvas!"

The lively performance made a group of people laugh out loud, and many people paid for newspapers.

Li Yun read with emotion: "Is this selling newspapers or selling sentiments? But I have to say that acting here is more profitable than running through the crew."

Newspapers are second. The important thing is that the kind of newsboys who only appear in movies and televisions must perform lively so that people will beg for a newspaper that is crudely made but fits that era.

This newsboy sells performances, exactly like those street juggling troupes. What he sells is not technology, but sentiment.

"This kind of newspaper..." Liu Xianxian also leaned over and glanced at it. "It seems to be printed by a qualified printing machine. It has no edition number and is not a regular newspaper."

Li Yun said: "It's too difficult for a regular newspaper to apply, so he sells it in this street, no one cares."

Illegal newspapers and periodicals are serious crimes. Of course, it is impossible for newsboys to have formal approvals, but they are only sold on a small scale, and their management is treated as a characteristic industry, as long as they don't spread on a large scale.

Li Yun glanced at the newspaper, and his face suddenly turned black.

Liu Xianxian also took a look, and suddenly laughed.

The headline of the first page of the newspaper clearly read: "Li Yun, the strongest scum man of the 21st century? Tell the story that this man and seven women have to tell! »

Chapter 3230: You cheated

"This newspaper is too low-level. It is worthy of being a local tabloid. It is not credible at all. Throw it!"

Li Yun found a roadside trash can and wanted to throw the newspaper in.

"Nonsense, the level is very high!"

Liu Xianxian snatched the newspaper and read it in his hand. He said in amazement: "Look at its typesetting, printing, and this traditional font, and this headline. It is full of the taste of the old Zhonghai market. Used to make movie props!"

"I don't think it will work. Will the newspapers in the old Zhonghai City use such exaggerated headlines?"

"There are more exaggerated than this! The newspapers back then were unscrupulous."

"I still don't think it will work."

"I think you are dissatisfied with the contents, right?"

Liu Xianxian smirked while covering his mouth.

"Of course, I am a good man who loves his wife, girlfriend, fiancée, and temporary girlfriend. How can I be a scumbag?"

Li Yun argued.

"I think you just changed your way to coax me!" Liu Xianxian saw through his purpose.

"Then my fairy is coaxed?"

"No~"

"What's the difference? A kiss?"

While questioning, Li Yun lowered his head and kissed Liu Xianxian's lips. This week's filming time, the two of them have kissed hundreds of times in and out of the film. Liu Xianxian has long

been to this level. Intimacy and immunity, not even a little red on his face, but on tiptoes, he kissed Li Yun subconsciously.

"Ah!"

After the kiss, Liu Xianxian exclaimed, only to realize that he still had an awkward relationship with him and couldn't show that closeness.

"It seems that my immortal has been coaxed." Li Yun smiled and hugged her slender waist.

There are too many men and women who come to Hengzhen, and there are many men walking around the waist of their girlfriends. Li Yun is not too conspicuous.

Liu Xianxian groaned, and his face finally blushed, acquiescing that he was not angry anymore.

"Come."

Li Yun pulled her forward.

"Where to go?"

Liu Xianxian took the newspaper and was dragged away by Li Yun, and soon the newspaper was also thrown away. The two came to a dark place. Li Yun picked her up to the sky and came to a high place in the blink of an eye.

This is a mythological interpretation base. There are many huge statues standing on the ground. Li Yun took Liu Xianxian and flew in the sky, and found the largest statue to fall down.

When he was about to step on it, Li Yun suddenly realized that the statue was actually Huang Xuan's mother: Nuwa Empress.

Inexplicably guilty, he chose to fall on the shoulders of Empress Nuwa and sat down with Liu Xianxian.

This statue is at least 30 to 40 meters high, which is equivalent to a 15-story building. It was built specifically for the magnificent scenes in film and television dramas. Li Yun and Liu Xianxian sat on the shoulders of the Nüwa statue. The tourists underneath were densely packed. They never I think there are people on top of the statue.

"Why are you here? It's cold."

Liu Xianxian shrank into Li Yun's arms and looked down with a very excited expression, but he urged Li Yun to hurry down.

"How can it be cold? It won't be cold when you come to hug your husband."

Li Yun ran the scorching sun fire, and his body exuded a warm breath, all of a sudden, the big star in his arms was warmed up, and the whole person was shrunk in him as if drunk.

"Bad, you cheated."

The whispered words proved how tender and sweet Liu Xianxian's heart was at this moment.

"How come you cheated? Am I not Superman Li? Superman Li will have a little trick to please girls, isn't it normal?"

"Hmph~, you will coax me with good words."

"Who said it? This is slander. Not only will I say it, but I will kiss it."
