

Godly Choice 3231

Chapter 3231: Sent to Qingyu

Say it a hundred times, it's better to do it again, Li Yun used practical actions to prove that he loves Liu Xianxian more.

The two did not know how long they had been intimacy, until the tourists below had dispersed for most of the time, Liu Xianxian buried his head on Li Yun's shoulder with a blushing face, enjoying this wonderful moment of emotional exchange.

The body was warmed and limp by the heat he radiated. Liu Xianxian was very sure that even if Li Yun held her back and wished her something bad, she would only subconsciously agree and couldn't afford it. Thoughts of resisting at all.

"Like it?"

Li Yun contentedly played with Liu Xianxian's hair.

As I said before, Li Yun actually has a special interest in kissing his confidantes around him. Whenever he is on a date, he will kiss him enough. The other party Xue Li Feng is like this, to Xia Feiyao, Jin Liuli Su Muxin, Zhao Tianfeng, Hu Xiaomeng, and Gong Qing. Yu and the others, even Brahma Linglong, the Sanctuary and so on.

Li Yun would spend a lot of time with them on this matter.

Fortunately, at least none of the girls around him showed disgust or dislike, and they were all addicted to it, such as Liu Xianxian at this moment, and Fan Linglong who had been kissed by him for four hours before.

Of course, Fan Qingsheng was also treated like this. After all, Li Yun mistook Fan Linglong for her at the time.

"So so." Liu Xianxian hummed against him.

"Then come again? I will try to perform better this time!"

"do not want!"

"what?"

Chapter 3232: Let him answer the phone

"Qingyu, that villain Li Yun said you are..."

Liu Xianxian hesitated, but still did not dare to send it out.

"Say I am the Dragon King?"

Having returned to Zhonghai City, Gong Qingyu is comfortably watching anime in her study. But immediately keenly aware of what she wants to say!

"Huh? What does Dragon King mean?"

The innocent and kind-hearted Liu Xianxian still didn't understand the mystery. She thought that the dragon king was the kind who lived on the bottom of the sea, but she still couldn't understand what it meant.

After seeing the words of the big star sister, Gong Qingyu paused with her slender fingers on the screen, as if she was thinking about telling her.

"Qingyu, who are you talking to?" Gong Lianyi was sitting next to her. Although she didn't have a cold with anime, she was nestled in this study where she used to mess around with Li Yun, and with her niece whom she had seen since she was a child. Watching anime gives her a very warm feeling.

Especially in the evening, hiding from the living room back to the study gave Gong Lianyi a sense of laziness, which was not felt in the living room outside. After all, the little princess and two younger sisters are very naughty and need her to take care of them.

"Hexianxian. She asked me what Dragon King meant!"

Gong Qingyu said blankly.

"Ah? What Dragon King?"

"To tease each other a lot."

"puff!!!"

Gong Qingyu squirted out the happy water from the fat house, making Gong Lian Yi Jiao annoyed. He took out a handkerchief and wiped her mouth: "Xiaoyu! You child is really not stable at all."

"Don't blame me, but... your husband's bastard!!!"

Gong Qingyu even came out of your husband, you can see the anger in her heart.

"Let him answer the phone!"

Chapter 3233: Make a wish

Li Yun calmly hung up Gong Qingyu's phone and shrugged to the stunned Liu Xianxian, "Look, I said Gong Qingyu will definitely call me a cow, and Niu's son has a long face."

Liu Xianxian: "...poof."

She couldn't help laughing, and blushed and bit his cheek: "It's horrible to let you speak ill of Qingyu. From now on, you won't be allowed to talk about me!"

If she satisfies Li Yun's wish, would this guy also say that she is a hairless monster, flowers, or something, ashamed.

Li Yun hugged her and smiled: "When will it be from now? Are my Dragon Balls all gathered? I think there are at least six!"

"It's not that much!"

Liu Xianxian quickly retorted, reaching out his fingers and counting the number of times he had sent Dragon Balls to Li Yun in more than a week.

"Three, four, five, six, seven, eight..."

Counting to the back, the big star fairy sister was dumbfounded.

Not only did Li Yun have collected seven dragon balls, but he also exceeded a few!

For example, when she woke up in the morning for a loving breakfast, she ate with a big smile. After Li Yun asked, she directly gave him a big dragon ball-the dragon ball is actually a good comment. After collecting the seven dragon balls, Li Yun will be able to make an appointment with her successfully.

Li Yun is good at cooking, and can make her happy. Liu Xianxian thought about it for a while and realized that he had been coaxed to go around these days, and he had directly given him four dragon ***** a day at most!

But she herself hadn't paid attention to this stupidly, Li Yun asked, she gave it, and threw the dragon ball in her hand to him without money.

It was like showing the love in his heart little by little in front of Li Yun's eyes, letting him choose.

"It turns out I am Jiulong Chain!"

Li Yun suddenly realized that, staring at the lower part of Liu Xianxian's neck with a smirk, "In that case, should our superstar also become the Dragon God to satisfy my wish?"

"You!" Liu Xianxian bit his lip, his cheeks flushed transparently: "You, don't make any excessive wishes to me!"

"it is good."

"what?"

Li Yun agreed in one fell swoop, but Liu Xianxian regretted it. She stretched out a little finger and gestured a little bit between her fingers: "A little bit, a little bit too much, it's okay!"

"Um... Then I will make a wish, Liu Xianxian will always be with me, and will never be separated forever!"

Liu Xianxian's clear eyes widened, and he was moved by Li Yun's shameless confession wish.

"Make another wish, Liu Xianxian will love me all his life."

"What about you? Just me?"

"Don't worry, and wish that Liu Xianxian will be happy all his life."

"Hee hee~"

"Finally make a wish, the people she likes also like her, and the things she gives, the people she likes treat her in the same way."

"No, not enough, not good."

Liu Xianxian protested.

Li Yun had no choice but to laugh: "Well, I want to make a wish like a dragon. I will love Liu Xianxian for the rest of my life. I love Liu Xianxian as I am now. It will not change with time, nor will it annoy her. Fortunately, is this enough?"

"Enough~!"

Liu Xianxian leaned forward and whispered shyly: "You, make another wish!"

"Um... Then I hope Liu Xianxian will come and kiss me proactively."

"It's bad...but, satisfied, only a little bit."

After speaking, her lips pressed up, fulfilling Li Yun's wish just now.

It's just that both of them understand that the so-called little bit has actually been a long, long time, and it will last a lifetime.

Chapter 3234: Zhenbei Castle

Ten days later.

On the northwestern border of Huangxuan State, on the edge of the vast and inhospitable desert, stands a khaki old castle with a history of more than a thousand years. This old castle was once the residence of the soldiers and generals who guarded the border in ancient times. Later, it was abandoned for a hundred years, and the sand of the desert gradually eroded. Here, it constitutes a primitive, rugged, and very typical desert wonder.

The people living here have been poor for generations, and the castle is not paid attention to, quietly letting the wind and sand blow, creating a simple atmosphere and heavy beauty.

Fortunately, this beauty with a sense of desert and history was finally appreciated by a director. More than 20 years ago, this castle was used to shoot a movie. Afterwards, earth-shaking changes have taken place here.

With the spread of the movie, the castle was known by more than one billion people in Huang Xuanguo, and soon more and more crews were welcomed here, and countless classic movies were born.

Gradually, this place has become one of the three major film and television bases of Huang Xuanguo, and the lives of the poor for generations have also undergone tremendous changes.

This old castle is Zhenbei old castle.

This movie is... A Journey to the West.

"Finally see the real scene!"

Li Yun and Liu Xianxian came to the northwest frontier of Huang Xuan State with the crew. They watched this movie when they saw the Westward Journey, and also watched them when they were young. Even not long ago, he reviewed the classic movies with other girls. Li Yun couldn't help but sigh with emotion when he was filming the location of the last scene.

There is no need to say a lot about the classics of the movie Journey to the West. In the last scene, the sunset samurai holding a sword and the reincarnated Zixia woman who looked straight at him, the two stood at two ends and watched them for three days and three nights.

And that song of lovesickness that is helpless and sad, which is unforgettable: the love of a lifetime. Everything is so classic.

So when Li Yun came here and saw the old castle standing in the desert, his mind suddenly returned to the state of mind when he was watching a movie.

"Well, isn't it pretty?"

Liu Xianxian walked side by side with him, and smiled: "I'm here for the second time. I didn't dare to use the above scenes in the last film. After all, it is too classic. If the film is not good enough, using it will only desecrate it."

"Then I'm standing on top with you this time?"

"...Don't, plagiarism is bad!"

Liu Xianxian was a little moved. If she wanted to change the scene, she could change it immediately, and Director Zhang wouldn't say anything.

But she still refused, because she didn't want her and Li Yun's movie to be exactly the same as "A Journey to the West".

In fact, with the exception of some spoof movies, there is no major production movie that will completely copy the classic sections of other movies.

Tribute is a tribute, plagiarism is plagiarism, the two are completely different.

Salute is for fear that others will not recognize it, and plagiarism is for fear that others will recognize it. This is the biggest difference.

"But Xianxian." Li Yun looked at the wall of Zhenbei Old Fort, unable to recognize a smile from the corner of his mouth.

"what?"

"I want to shoot with you."

Liu Xianxian's face turned red all of a sudden, and the crew also looked at Li Yun with horror on her face.

Do you really want to fully reproduce the last scene of Journey to the West? !

Everyone in the crew has fully understood after more than half a month that this movie is used by Liu Xianxian and Li Yun to "fall in love". It doesn't matter how the filming is done, the plot is bizarre, and it doesn't matter whether it makes money or not.

The important thing is that the two have no fun. If they are not happy, the movie has no meaning!

Chapter 3235: COSPLAY

In other words, if Li Yun insists, judging from Liu Xianxian's obedience to him in his love, it is very likely that he would agree with that shot!

"Really?"

Liu Xianxian's innocent face was radiant, and he couldn't help but look at the wall of the ancient castle, imagining that if Li Yun also stood opposite her with a sword in both hands, and then walked step by step, hugging her and kissing, she would What kind of reaction?

Wouldn't it be the same as Fairy Zixia? Before Li Yun approached, she panted with nervousness.

When being kissed by him, can you perform that expression of relief and ecstasy, mixed with happiness and joy?

The stage where Zixia Fairy was kissed was absolutely top-notch acting.

Even Liu Xianxian, who had taken the Little Golden Man, didn't dare to say that it could be completely reproduced.

The reason is also very simple.

The actress at the time had a good impression of the actor, but the actor rejected her? Or they didn't respond to her, or it seemed that the two of them had been in love, but they didn't get together in the end.

It can be said that the emotional state of the actor and actress at that time perfectly reproduced the state of the sunset warrior's reincarnation of Zixia Fairy in "A Westward Journey". Later, when the sunset warrior was possessed by Monkey King and responded to her feelings, Zixia Fairy reincarnated as a woman. That kind of excitement and joy fully corresponds to the actress's desire for the actor to respond to her at that time.

The fusion of drama, drama and diplomacy has long been a classic scene.

But now Liu Xianxian and Li Yun's feelings are as gluey as lacquer, and the two can't play the emotional experience that is too unforgettable. The sweet comedy is the most suitable.

"Of course!"

Li Yun pointed to the wall of the ancient castle, "It's rare to come here once, and I also brought the crew. You and I are the heroes and heroines. How can I not perform them in person?"

"But...it's not good!" Liu Xianxian condensed a thousand reasons for not copying the classics in three words, which shows how much she doesn't want to go against Li Yun's wishes.

"I make a wish, eh."

"Ah, alright, alright, let's do it!"

Liu Xianxian hurriedly blocked his mouth, and the two of them talked about the Dragon Ball issue in private, but they were okay, but to tell other people, she shouldn't be ashamed?

Even Gong Qingyu and others, Liu Xianxian did not tell.

In the past ten days, Gong Qingyu and others came to visit the class again, and even Gong Lianyi, Jin Liuli and the others came together. Li Yun and them were fooling around for two more nights, but compared to the previous one, Liu Xianxian Appearing to be calmer, she waited to leave Hengzhen, come to the old castle, and then...give herself to him.

The people in the crew looked at each other. If the fairy sister was worse than they thought, Li Yun just changed the final plot of the movie in a few words. Isn't this too good wife and mother?

They can already foresee that in the future, Li Yun will eat immortals to death after marriage.

"Great, let's start now!" Li Yun urged.

"Huh? So fast?"

Everyone was shocked, and Director Zhang also said: "Even if you want to change the ending, you have to change the script, discuss how to do it, and take a rest..."

"and many more."

Li Yun looked at him "surprisedly": "Who said that the ending should be changed? I didn't say anything."

"But you just..."

"I mean, I and Liu Xianxian."

Li Yun pointed at himself and then at Liu Xianxian, with a smile in his eyes.

Chapter 3236: Big news again

"I want to shoot with the fairy, alone, not as the ending, just play a cosplay, understand?"

Li Yun smiled.

Everyone suddenly realized, and they were very surprised, and finally looked at Liu Xianxian with weird faces, and saw this pure fairy sister blushed again.

In the past half a month, the two people still used an excuse to act when they kissed. They kissed for a long time.

But if they play this kind of cosplay now, the two will have no excuses for acting, and it will become a slapstick game between lovers.

This is a cosplay that can only take place between couples of male and female protagonists who are acting alone. You have to pretend to be a sunset samurai and Zixia fairy who are talking about the west, and engrave the last scene on the city wall.

People have to say: You couple really know how to play!

Although as a film and television base and a tourist attraction, there have been many couples on the wall of Zhenbei Castle where they have played kissing, but they are not professional after all.

However, Liu Xianxian is an international star. After taking the role of the Little Golden Man, Li Yun is also a new male protagonist. It is definitely the first time that these two people play cosplay!

"Xianxian, what do you think?"

Li Yun asked with a smile.

Liu Xianxian pursed his lips, and nodded blushing after a long while, "Then... shall we put on the costumes of Journey to the West?"

"Okay, the props team, help us get in touch, rent the venue and add props."

Li Yun turned to greet the props crew.

It stands to reason that it is impossible for the general crew to make the hero and heroine behave like this, but who is Liu Xianxian? Who is Li Yun?

This crew is completely owned by Li Yun and Liu Xianxian, so as long as Director Zhang doesn't object, the crew has to listen to him.

As for Director Zhang...not to mention Li Yun, the big boss, he wouldn't object to Liu Xianxian's small request.

Besides, it takes a long time to perform a play that is not formal and is only used for play, and it takes a long time to rest after the performance.

"Now at 3 in the afternoon, let's act quickly. After the performance, we will have dinner. The specialty here is roast lamb, whole lamb!"

Director Zhang yelled: "It's still our sunset samurai tonight, and I will still let go of my belly to eat!"

Li Yun smiled and did not object.

He pulled the crew to help him work. Although the crew has been set by him for two months of work, but how to say this segment of the city wall drama is also extra, and asking them to have a meal will also allow them to better help him. Work.

Sure enough, everyone on the crew became excited after hearing that they ate roasted whole lamb at night.

The field affairs went to contact the management of Zhenbei Film and Television City, first rented the city wall of Zhenbei Old Castle and the surrounding area. Some people rented the costumes of sunset warriors and Zixia fairies. Others started to set up cameras and persuaded the surrounding tourists. Make room.

Not to mention, many tourists immediately vacated the open space near the city wall as soon as they heard that it was the crew of "Mr. Killer and Miss Sheriff" and enthusiastically signed up as a dragon set.

The crew did not refuse, and a large circle of people nearby recruited all on-site, and hundreds of them were all required!

They were all dumbfounded just waiting for them to explain to these tourists, or to explain what they were going to shoot.

"Just cosplay?!"

"Sigh! Li Yun and Xianxian reproduce the classic of the Westward Journey?!"

"My Cao! Big news!"

"Ahhhh, Journey to the West is one of my favorite movies, and Xianxian is also one of my favorite actors. Together, the two are a hundred times happy!!"

Chapter 3237: envy

"Wait, I didn't understand what was said, is Liu Xianxian going to play the role of Fairy Zixia?!"

"A fool can think of it."

"I'm Cao, this is really big news, hurry up and post on Weibo!"

"Silly you, from the moment Xianxian's crew appeared in Zhenbei Old Fort, Weibo was already noisy!"

Just as the tourists from Zhenbei Old Castle Film and Television City said, people on Weibo knew that Xianxian was going to shoot with Li Yun here, and that they had to reproduce the classic scene of "Western Journey", countless netizens all was alarmed.

"I hate it! Why don't I travel there? Why why!"

"Woo, envious sisters who are on the scene, must be broadcast, must be broadcast, must be broadcast! (Important things are emphasized three times

"Can it be broadcast live?"

"Don't worry, the crew of "Xianxian" is very tolerant, and the live broadcast is not a problem at all."

"Don't worry, this isn't an official movie segment, it's just that Xianxian wants to make fun of it."

"Pat and play? Why play with that Li Yun!"

"Uh, too, and the last scene of Journey to the West, I remember if I wanted to kiss?"

"Damn, Xianxian is going to be kissed by that guy again!"

After ten days, Liu Xianxian kept uploading stills to Weibo, and her fans have gradually become accustomed to the scenes of Li Yun kissing, hugging, and kissing their idols.

After all, in the photos Liu Xianxian uploaded, there are too many images of the two being intimate.

The two of them were either boating on the brightly lit river, hugging and kissing; or watching the fireworks bloom, their heads leaning on each other, and finally they kissed; or in the garden, after Mr. Killer sneaked into the palace, Miss Sheriff couldn't wait. Pulling him into the garden—even though they didn't shoot the following clips, everyone can make up for it. The princess lady will definitely be intimate with her Mr. Killer for a long time in the hiding place of the garden.

Wait, there are too many intimacy photos of the black killer played by Li Yun and the princess lady played by Liu Xianxian, so that now Liu Xianxian's fans are numb.

In the words of a loyal female fan: "Alright, this guy looks barely worthy of my fairy, has a gentle personality, has a high IQ, and is a supernatural person who can protect the fairy, my fairy piao He isn't a big deal, sisters, right?"

It can be said that Li Yun is a perfect boyfriend template except that there is a group of inexplicable girls around him who like him and look very playboy.

Fans of Liu Xianxian even changed Li Yun as an insider, such as those custard niche, or film and television celebrities, etc., and they feel that they are not good enough, and those male stars are not worthy of their immortals.

On the contrary, it is Li Yun. He was not an insider before, he was innocent, and a classmate of Xianxian. On the contrary, such a man meets the standards of boyfriends that fans find for their idols!

Except that he is really bothered!

But some fans also gave Li Yun an excuse to defend: "At least this guy didn't betray Xianxian. He has an unclear relationship with so many girls at the same time, but he didn't hide anyone from him. He is openly stepping on multiple boats. , Better than those scumbags who cheated on their backs!"

Finally found that until now, fans of Liu Xianxian can only accept it reluctantly, not asking their idol fairy sister to win the battle with those girls, at least to make Xianxian feel happy when filming with Li Yun it is good.

Judging from the cosplay between the two, Xianxian is indeed very happy, otherwise he would not agree to such a rude request.

Chapter 3238: Replica Sunset Samurai

"These two people have been standing on it for three days and three nights, and they haven't come down."

"Look, this monster!"

Under the old castle, the crowd gathered, and everyone raised their heads and looked over the city wall, talking a lot.

Two people stood on the wall, a handsome man in a black tight-fitting assassin's suit with a sword in his arms; the other in a pink dress with a light red veil, and holding a hand in his right hand. The sword.

The man lowered his eyes and held a sword in his arms, as if he did not dare to look at the opposite woman.

The woman looked at him straight, her eyes full of anger, resentment, grievance, and extremely stubbornness.

She must ask this time to find out!

for a long time.

The man said, "It seems I shouldn't come."

"Now I know it's too late!"

"Can you leave some memories?"

"I don't want to remember, if I want, I will leave you behind!"

"...This is just to get my body, but not my soul. I already have a lover. We won't have any results. Let me go."

The black-clothed assassin's voice changed, almost praying, so that the woman would stop chasing him.

Seeing her again, I'm afraid he can no longer insist on his current decision.

"...Okay!" The woman kept looking at him, seeming to know what he was thinking, "I will let you go, but before leaving, you have to kiss me!"

Under the city wall, the audience roared:

"Dear!"

"Kiss!"

"You don't kiss me anymore!"

The black-clothed assassin was cruel, or she didn't dare to kiss the woman who stood opposite him and kept looking at him, and said coldly: "No matter how I say, I am also a black-clothed assassin. If you ask me to kiss, I will kiss. Isn't my image completely ruined?"

"You lied!!" The woman in the red dress sternly said: "You dare not kiss me because you still like me! I tell you, if you refuse me this time, you will regret it forever!"

The black-clothed assassin was silent for a long time, with a bit of bitterness in his voice: "I regret that I can't kiss, but I can only blame it for meeting each other, making things and making people miserable."

The two fell silent, still fighting against each other quietly.

No one is willing to take the initiative to move forward.

The killer knew that he would regret it, and the woman knew that she would take the initiative to step forward and could make him change his mind, but she was unwilling to take the initiative to let him betray the person he liked.

Sad music sounded.

Suddenly, the wind wrinkled and the audience squatted on the ground.

"Red, fallen leaves, long buried, in the dust.

The beginning and the end are always, unchanged. "

A helpless and sad song sounded. When the audience stood up, the sword in the hand of the black-clothed killer had fallen. His eyes were firm and his expression was gentle. With a very calm step, he walked step by step to the woman in the red dress.

The woman in the red veil dress had eyes full of disbelief. After confirming that he was really walking towards her, her heart throbbed.

The boundless joy and excitement enveloped her.

She began to gasp, her chest rising and falling violently, but her eyes kept looking at him and the lover who was walking towards her.

Until the two faced each other, the woman couldn't help but raised her head slightly and kept looking at his gentle eyes.

"The Sheriff."

The black-clothed assassin hugged her waist, and the panting woman almost subconsciously affixed it. Just like before, he sneaked into the palace and held her waist. The two jumped out of the palace and headed for the bustling city. Dating on the streets.

"You! Bastard... well."

Her lips were tightly sealed by the black assassin.

""

Chapter 3239: Consumer movies

"Liu Xianxian's "Sunset Warrior and Zixia Fairy" is complete."

"The sunset samurai of Liu Xianxian and Li Yun is one of the best remakes!"

"Absolutely."

"I'm crying, I seem to understand what the final plot of this movie is."

"It's amazing. Combining the two dramas of Westward Journey and "The Killer of the Sheriff" is not only a tribute to the classics, but also to promote their new movie. This cosplay is amazing!"

"It is strongly demanded that the end of this edition is the end of the new movie. I will definitely buy ten movie tickets and brush it ten times!"

After Li Yun and Liu Xianxian finished filming this tribute show, the video was uploaded on the Internet in less than ten minutes. Many netizens were amazed by the rough, no special effects, and no strict requirements for the performance of the dragon set to perform well.

This was actually the first time Li Yun showed off his acting skills in public, and many people were amazed when they saw it.

Of course, there are also many fans of Liu Xianxian who expressed strong dissatisfaction and envy when he embraced his idol in his arms and kissed hard.

Li Yun was eating roasted whole lamb with Liu Xianxian and the crew, and Liu Xianxian deliberately showed him these comments.

"Hehe, badass, look at this."

Liu Xianxian stretched her mobile phone in front of Li Yun and ate roasted whole lamb, but her hands were not dirty, so there is no doubt that Li Yun took the roasted lamb with her hand and fed it into her mouth. Liu Xianxian once again experienced clothes and opened her hands. The feeling of opening his mouth after the meal was fed by Li Yun himself.

The people on the crew were surprised at first, and then they were surprised, as if they hadn't seen the couple flirting again.

"What?" Li Yun took a leg of lamb and took a bite, and handed it to her mouth. Liu Xianxian took another bite again, not a bit disgusted with the saliva on it.

Both of them have kissed countless times, and they still dislike something.

But in the eyes of the crew, this action is much more intimate than kissing during acting!

"Netizens say you are a scumbag!"

"Didn't you say it earlier? Something new."

"No, no, I said Mr. Killer is a scumbag this time, hehe~"

"..."

Li Yun put the roast leg of lamb on Liu Xianxian's mouth with a grin, and made the other person scream, just like at night, "I don't understand, why is Mr. Killer a scumbag?"

"It's not what I said, I hate it."

Liu Xianxian took a bite of the leg of lamb, and he just stuffed Li Yun's mouth.

The people on the crew are not surprised, just take it as if they are still filming.

"Look, fairy Zixia, the protagonist of Journey to the West, also posted on Weibo!" Someone yelled, and many people in the crew clicked on the Weibo of that fairy Zixia.

Liu Xianxian also went to join in the excitement and told Li Yun what Weibo the former heroine had sent, and read:

"To miss is to miss, and to love is to love. May lovers in the world become married."

Li Yun took a look, and some people were tearful and sighed in the comments below, and some people helped the male protagonist of @当初. I hope that the two will continue their relationship.

"Really annoying."

Someone whispered.

Li Yun didn't know, so, one person finally explained that the heroine had been consuming the movie with big talk over the years, and she had pulled a donkey on a variety show, which disgusted many people.

So, the heroes and heroines of the movie still stay with the people they play, don't substitute into reality.

This is probably the reason why many people are addicted to the two-dimensional element. The two-dimensional element is so beautiful that it makes people forget the reality.

"Uh."

Liu Xianxian, who read Weibo, was a little surprised, "The male protagonist also posted on Weibo."

"Oh? Let me see!"

Chapter 3240: Waves

"My friend sent me a video. I clicked on it and I couldn't help laughing. It turned out that Mr. Li Yun and Xianxian played the role of "A Chinese Journey to the West" before I played the role. About this movie, I have already Don't want to say anything, today is to talk about Mr. Li Yun's flop.

I didn't say any compliments. After I watched it, I was really moved by the unprocessed video clip, as if I could see the rough ending of the movie starring Mr. Li Yun and Miss Xianxian from the imitated clip. What is it like, Mr. Li Yun did not completely imitate my original performance... For example, the walking movements and manners, he did not completely imitate, but integrated into the black-clothed killer style, when embracing immortals, there is no such thing. This kind of deliberately used too much force, but maintained the gentle personality of the black killer.

After watching it, I can't help but look forward to the release of the new movie of Mr. Li Yun and Miss Xianxian, and I wish the big fire. "

This video was not posted on Weibo personally, but forwarded by a familiar friend of his.

The comment below is a nostalgic voice.

Of course, there are also praises that agree with Li Yun's good acting skills.

But in addition, there is another comment:

"Did you not pay attention? Master Xing called him... Mr. Li Yun!"

"Yes, yeah, it seems that this Li Yun has a very big background."

"What are you thinking about, Master Xing is just a polite address, don't you even call Miss Xianxian without seeing Master Xian? What are you thinking about!"

"No, no, not the same, I have the feeling that Master Xing respects him very much in his words. It seems that this video was also sent out deliberately and wanted to make friends... similar, that's it, okay?"

"Here, you understand everything you understand, and you don't have to understand what you don't. Are you Dong Ye?"

The comments were taken crooked again. Li Yun couldn't help but smile after seeing these comments from Xianxian's phone.

His identity is still a mysterious figure in the eyes of ordinary people, but after the recent press conference, some high-level figures, business celebrities, entertainment circles, well-known journalists, etc., are no longer a secret in these eyes.

Xing Ye estimates that he also values the capital of Baiyun Technology, so he wants to win a relationship. After all, it takes hundreds of millions of investment to make a blockbuster film. As the chairman of Baiyun Technology, he certainly has no shortage of money.

Moreover, even if you don't win him, it's good to win Liu Xianxian. After all, Liu Xianxian is definitely one of the most accomplished people in Chinese movies.

If another award-winning work is directed, then Liu Xianxian's status will really be unshakable.

With the voice of Master Xing, Huang Xuanguo's entertainment circle suddenly became lively.

Lao Mouzi, Kai Ge, Big Brother, Zhi Viagra, and other heavyweights have commented on various platforms, from directors to actors, and some not well-known but are the big figures in the real entertainment industry: the bosses of entertainer entertainment companies, Presidents.

So many people stand together for Li Yun and Liu Xianxian, making many people realize that they are not only to promote the film to Liu Xianxian, but also to make friends with Li Yun, Liu Xianxian's first kiss on the screen, and also an off-screen "boyfriend." "-Suspected.

It can be said that after this scene, Li Yun successfully turned from a male star who won the college entrance examination champion and was also a fledgling star to a somewhat mysterious origin.
