

## Godly Choice 3241

Chapter 3241: One week holiday

Three days later.

"Card, over!"

Director Zhang announced the end of the filming of Zhenbei Film and Television City, and everyone on the crew smiled.

Originally, the desert fighting scene was the most difficult plot to shoot in the whole show, and the killer in black will have a fierce battle here.

In the past, it would take a lot of time just to rent the Skyway, prepare for safety measures, and arrange the shooting scene.

But because Li Yun is a superpower, it's a coincidence that Liu Xianxian is also a superpower. The hero and heroine can fly directly and can do fighting actions, which directly saves ten days of time and the half-month filming process is compressed. For two days.

So Dao Zhang fulfilled his previous promise and directly announced: "The next week will be a holiday, everyone can play as much as possible, and gather at Hengzhen Film and Television City in a week and disband!"

Clean and neat, without any muddles.

"Long live!"

A group of people from the crew cheered, and everyone smiled.

Think about it, the social animals who enter the society to work can get a week of paid vacation, which is comparable to the winter and summer vacations in the student years, and it is the kind of school without winter and summer vacation homework, and there is no messy cram school, so you can play as much as you want. , Enjoy the high vacation.

The key is that this holiday is still paid, and the salary is still paid, and it is beautiful!

"Long live Director Zhang!" someone shouted, and everyone quickly followed.

"Long live Brother Li!"

"Long live Brother Li!!"

"Long live the big boss Xianxian!"

"Long live the big boss Xianxian!!"

The crowd shouted three times, causing many onlookers to raise their mobile phones to shoot here. Those who didn't know thought it was the movie's finale.

Unfortunately, although Zhenbei Castle Film and Television City is the end of the whole play, there are still some scenes that need to be filmed, especially some of the shopping scenes of Mr. Killer

and Miss Sheriff, who need a large number of group performances, and every scene is very good. Trouble, the follow-up will take at least half a month.

But for Li Yun, the most critical moment has come.

"Xianxian, let's go."

When Li Yun greeted Liu Xianxian and said goodbye to these people, the crew of this group, including some supporting actors who followed, looked at him and Liu Xianxian with an ambiguous expression.

It is indeed very ambiguous to think about it!

The two had already been in love when they were filming. Although they didn't say it clearly outside the scene, they were shopping together to cultivate the feelings of "male and female protagonists". It was Liu Xianxian and those beautiful women, Gong Qingyu, Xiao Mingzhu and the others were jealous. After Zhenbei Film and Television City, he didn't do anything, and ran directly to the wall of the old castle to reproduce the classic kiss scene of the Westward Journey.

All of these prove that the relationship between the two people has reached the point where they can go to the hotel to open a room.

And now there is another week-long holiday, and the two will play together for a week alone again, lonely man and widow, love is fierce, fools know what will happen between Li Yun and Liu Xianxian.

There are many fans of Liu Xianxian in the crew. Every time they think of the next week, their idol Liu Xianxian will be hugged by Li Yun. They can't help feeling sore, and finally they can only comfort themselves:

People are born with talented men and women. It's your turn to object to this monster?

Therefore, after the farewell, the crew of the crew broke up, and went back to each house, each looking for each mother.

Those who have a girlfriend or boyfriend will look for it, and those who don't have a girlfriend or boyfriend will also find it.

Liu Xianxian was left with her teeth pursing her lower lip, and Hongxia gradually covered her pure face.

Chapter 3242: Want to make a wish

"Xianxian." Li Yun took a step, but Liu Xianxian seemed to be frightened. He dodged two steps back, and also showed the expression of Little Red Riding Hood looking at the big bad wolf: "You, don't come over!"

"..."

Li Yun looked embarrassed, but he was not beaten back. Instead, a quick attack, rushed to the side of Little Red Riding Hood and hugged her directly.

"what!!!"

Liu Xianxian screamed, his legs were hugged off the ground, and his feet kicked in mid-air, his innocent face was full of panic flushes: "Bad bastard, let me go down!!!"

"Don't let go."

"put!"

"Do not."

Li Yun carried her and left. After the two had a fight for a while, Liu Xianxian finally calmed down, and Li Yun's puffy cheeks were also coaxed by Li Yun, and he held his arm happily.

"Where are we going to play?"

"Go open the house?"

"You, do you only have this in your head?!"

Liu Xianxian's cheeks turned into fairy buns again, bulging and round. Li Yun held back his smile and poked it out, letting out the air inside. With a puff, Xian Baozi's cheeks flattened, and Li Yun couldn't help but hug her tightly, opening his mouth and kissing on her rosy cheek.

"Ah, bad, badass!"

Liu Xianxian stretched out his hand to push him, but the strength was so weak, how could a charming girl refuse her lover?

What's more, this lover has gained all her feelings and recognition. The two have already integrated into each other's lives. Even though Liu Xianxian has been running outside for a long time because of filming, but every time she returns to Zhonghai City, the one who lives most is not Her home in Huangting Mountain, but Li Yun's home, or Gong Qingyu's No. 3 mansion.

Although it is Gong Qingyu's home, almost all the girls around Li Yun, including his sister Caixia and Caiwei, have regarded the No. 3 mansion as everyone's home, a big family, not just Gong Qingyu's home.

This is actually what Gong Qingyu hoped long ago.

Liu Xianxian had heard of it. When Qingyu and Lianyi heard that Li Yun was buying a house, they were angry and awkward.

Later, in order to allow Li Yun to move in, he specifically sought a relationship to approve one more servant villa, and asked them to live in the deputy villa. Li Yun and the girls around him all lived in the main building.

In the future, the second and third floors will be full of girls, a group of beautiful, cute, and good-natured girls living together, but Liu Xianxian has no rejection.

She already felt the warmth of going home when she went to Mansion No. 3 very early.

She occasionally returned to her villa on Huangting Mountain, but she felt lonely instead of her original peace of mind.

She has regarded Li Yun's place as her home.

And now, after the two have finished making the movie, they have gone through another ten days of coexistence. The timing is just right, and it's time to give him the whole thing.

"Bad guy~"

Liu Xianxian's hand pushed Li Yun who was kissing his cheek weaker and weaker, blushing and said: "You, you stop, at least wait for the evening..."

Li Yun hugged her with his forehead against his forehead, and said with a smile, "Is it all right at night?"

"No, no!"

The fairy bun is still arrogant, but afraid of his misunderstanding, she can only add shyly: "At least, at least you have to make a wish, and I and I will abide by the agreement and meet your wishes..."

Li Yun's heart became hot, and a light print was made on her lips, and he said, "Okay, then we will wait for the evening."

Liu Xianxian bit his lip and nodded gently.

Chapter 3243: Yellow Sand Hotel

Night fell.

Li Yun and Liu Xianxian did not start to mess around with enthusiasm. The two climbed onto the roof and leaned side by side to watch the night sky.

Li Yun and Liu Xianxian are still in the border desert town of Zhenbei Old Fort. The hotel here is also a characteristic khaki. A room is a house. This hotel has dozens of khaki rooms distributed in the desert. In the Gobi, except for occasionally planting a few trees, the eyes are full of desert khaki.

If it is windy, I heard that this hotel will be covered with sand.

Although the environment is very harsh, tourists prefer to experience this kind of accommodation that is never possible in a metropolitan hotel. When the wind and sand come, they will hide in the house, but they will have a different sense of peace of mind.

In addition to the above advantages and disadvantages, the hotel has also thoughtfully built a flat roof for each room, which is isolated by earthen walls, and the rooms are all the same height to ensure that no one can see inside.

Of course, the sound is not guaranteed.

At least when Li Yun and Liu Xianxian were sitting on the sofa on the roof and looking at the beautiful starry sky of the desert side by side, they heard the noise of drinking and \*\*\*\*\* in the surrounding houses, destroying this rare artistic conception.

"I knew I wouldn't book this Huangsha hotel."

Li Yun sat on the roof holding Liu Xianxian and said with emotion.

Although it is quite comfortable.

This kind of two-story building is very short, only about three or four meters high, and it can't even be said to be a two-story, because the first floor is completely inhabited, but the house is isolated from the sand, and the second floor is the place for people to live.

The roof is very distinctive. The hotel here deliberately uses the open-air roof as a selling point to move the function of the living room from the inside of the house to the outside of the house.

It rarely rains. Although there is wind and sand, it is also seasonal. It is dry and desert weather all year round, which is very suitable for open-air living rooms.

Li Yun was sitting on the sofa holding Liu Xianxian, with a table in front of him, and an old TV, which was quite contemporary.

The starry sky of the desert is endless, and there is absolutely no feeling of gray sky over the city. The bright moonlight and starlight are unobstructed. Just looking at such a starry sky can make people feel that the universe is vast and life is short. I am annoyed by some small things. It is true. It is extremely ridiculous.

"I'm feeling fine."

Liu Xianxian's nest was in Li Yunqi's house, and he did not look at his cell phone, nor was he allowed to look at his cell phone. In fact, because of what was about to happen tonight, neither of them had their cell phones on the roof. They were placed in the second floor room.

"It's not bad?"

"Yeah~"

Liu Xianxian squinted his eyes comfortably, a bit drowsy, "It's like listening to the vague traffic, or falling asleep on a moving train, so I feel relieved."

Another reason for peace of mind is that Li Yun is holding her.

And next, the two will have the closest thing to happen. Surprisingly, Liu Xianxian feels that he will be very nervous during the day, or these days.

But when the night fell, she shrank into Li Yun's arms and felt that everything didn't matter.

Li Yun wants to kiss her, hold her, or take off her clothes, it's all up to him.

She was fully prepared physically and mentally, just waiting for Li Yun to make a wish to her.

"Xianxian, are you asleep?"

Li Yun touched her face amusedly, "If you fall asleep, we can do it again tomorrow morning or tomorrow night, anyway, no hurry."

"Nothing~"

How could she fall asleep at such an important moment tonight.

Chapter 3244: The time has come

"Then you still say noise is good?"

Sometimes the conversation between lovers is so boring, holding on to one thing and chatting repeatedly.

It doesn't really matter what you talk about. The important thing is that when they talk, they are in a state of deep love and enthusiasm.

Just like now.

Li Yun sat on the sofa, while Liu Xianxian lay his head on his lap, shrinking comfortably, as docile as a pet cat.

If Li Yun took a picture of her current appearance and posted it on Weibo, he would surely be able to forward more than 10 million in an hour.

The hot search title Li Yun mentioned that she thought about it:

"Sister Shenxian was like this when she was in love!"

"My cat-like fairy sister, I'm in love."

"I ate lemon."

These hot searches Li Yun found it particularly boring, so forget it. He should only appreciate the beauty of the beautiful fairy sister.

Of course, those confidantes around him can also appreciate that in the future, immortals will also join in the mess at night, or in the ranks of the mess on the bed of dozens of square meters built by Gong Qingyu.

"Bad... egg?"

Liu Xianxian's cheeks gradually turned red, and she didn't understand anything, of course she knew what Li Yun was thinking about.

Especially when she was resting on the thigh of the villain now, she felt even more deeply.

"none of my business."

Li Yun quickly praised his responsibilities and defended: "A man will have such a reaction."

Liu Xianxian puffed up her cheeks and turned into a fairy bun: "Then, do you want to say that you can make a wish to me tonight, and Liu Xianxian is a beautiful woman by her side, a lone man, a widow, and a widow. That's why you ...Anyway, that's how you defended it!"

Li Yun smiled and picked her up, and kissed her on her lips: "He who knows me is a fairy."

The gesture of sitting in a hug with him made Liu Xianxian's face blush.

In fact, she thought about it too.

As I said earlier, she is not a good girl who knows nothing. She and Li Yun have such a good relationship. Before, she witnessed Li Yun, Gong Qingyu, and Fang Xue's morning mischief.

And they also know that Gong Lianyi and Xia Feiyao came to the studio to find Li Yun for the purpose of not only solving the pain of lovesickness, but also to sleep with the big quilt at night, for this shame.

Although Liu Xianxian did not participate, like Xiao Mingzhu or Gong Qingyu before, she also chose to understand how long Li Yun and Fang Xue had played at night.

In the morning, Liu Xianxian would take advantage of the situation and open the door directly to enter. In those few mornings, she saw the traces of Li Yun and them messing around.

It was shocking, she felt blushing and heartbeat when she glanced at it, and she was ashamed.

Liu Xianxian, who had never experienced it, was particularly curious about the morning traces and the way that Su Muxin and other sisters were lying on the bed so lazy that they didn't even want to move a finger.

Was the mischief between them and Li Yun in the evening so passionate and deep-seated?

But curious to curious, Liu Xianxian still did not directly participate, she chose to wait silently until tonight.

The time tonight is finally ripe.

There are no sisters and no other crew members. The next week will be her time with Li Yun, and she can take the last step with Li Yun with peace of mind.

Just in Zhenbei Old Castle, under this beautiful starry sky, let your favorite person take away her most important things.

At the same time, Liu Xianxian also dedicated his warmest feelings to Li Yun...

Chapter 3245: Under the stars

"Xianxian~"

Li Yun touched her forehead and looked at Liu Xianxian tenderly with some big shy eyes: "Now, can I make a wish?"

The light of the sky and moonlight shone on the two of them, and the romantic and beautiful atmosphere reached its peak.

"Yeah~."

Liu Xianxian responded shyly from his nose, pouring out his love and said: "You, be gentle later, I, I'm afraid of pain... When I went to film before, I was most afraid of pain."

? Does filming have anything to do with being afraid of pain?

Li Yun couldn't laugh or cry. It seemed that Xianxian was really nervous, and he couldn't even speak.

"No hurry~."

Li Yun hugged her for a long time and finally let Liu Xianxian relax.

"Actually, this matter is very beautiful. Look at that girl, Little Pepper, you know all day long to find me to mess around at night."

"You're talking bad about others again, it's because you want to mess around! Humph~"

"Then Qingyu, and Lianyi, they also like it. I believe you will like Xianxian, so relax."

"Well, you, don't lie to me."

In the intimacy, Liu Xianxian was in a daze, feeling that she was getting lighter and lighter, and the stars in the sky were getting closer and closer. She seemed to fly into the sky and flew towards the beautiful and endless night sky.

Everything is so beautiful.

"Xianxian, shall we go back to the room?"

"Make a wish, well, make a wish to me."

"Ah? Even more? That Xianxian, I love you, and I hope Liu Xianxian will love me too. Is this wish enough?"

"Not enough~"

"I love you, Liu Xianxian!"

"not enough!"

"I love you all my life, I love you for ten thousand years, one hundred thousand years, until we grow old, who are immortal, Li Yun still loves Liu Xianxian!"

"Woo, I, I love you too!"

Liu Xianxian hugged Li Yun tightly, cried and confessed, and responded to his wish.

"Xianxian, shall we go back?"

"No, it's here!"

"what?"

Li Yun was shocked. He didn't think that the innocent star was the boldest, and wanted to be under the stars for the first time.

Liu Xianxian blushed and hugged him: "I like this, I like the stars, isn't there a lot of people around shouting? We, we, too..."

What is a hotel? What does it mean to open a room in a hotel?

I believe that adult men and women understand it, so at night, the Huangsha Hotel in this ancient castle in the north of town has all kinds of noises, coupled with the poor sound insulation effect, and many couples are on the roof like Li Yun and Liu Xianxian. Look at the stars.

When the love is deep, there is no need to recognize it.

So now there are so many voices around, it is hard to hear who is calling.

"Also."

Li Yun chuckled. He originally wanted to coax Liu Xianxian on the roof a few nights later, but he didn't expect that she would want to sleep on the roof the first night.

Actually, there is no dew in the desert, except that it is a bit cold, but Li Yun is not an ordinary person.

"Come on a bed."

Li Yun directly recruited a soft Simmons from the space ring, and Liu Xianxian suddenly widened his eyes: "You bastard, what do you want to do with this with you?!"

"What are you doing? Of course...you!"

Li Yun laughed, and threw the screaming Liu Xianxian up, and a hungry tiger followed him and ate the little white rabbit firmly.

Liu Xianxian relaxed his mind, and his body also relaxed. Looking at the sky full of stars, he only felt that he was the happiest person in the world.

There is a lover by her side, and her closest Qingmei will be with her forever.

The sisters are also very nice people, and parents don't need to worry about them getting sick.

Everything is so beautiful.

She reached the pinnacle of happiness in life.

Chapter 3246: Variety

At 8 o'clock the next morning, Li Yun woke up from the room on the second floor. Liu Xianxian, with tears left in the corners of his eyes, was an innocent star who had completed her transformation from a girl to a woman.

Of course Li Yun and her could not spend the night on the top of the building last night. After taking away the most important things from Liu Xianxian Girls' Generation, Li Yun hugged her and looked at the starry sky for another hour, then hugged her downstairs and went to the bathroom to clean. After a while, I went to bed.

In fact, when Xianxian was in the bathroom, she was already drowsy. His exhausted appearance made Li Yun not even thinking about doing more. He just washed her body with distress, and dried her with force. Becoming a fat and white fairy bun, he put her arms around and went to bed, and the two of them hugged her to sleep comfortably.

I have to say that sleeping in a hotel on the edge of the desert is a different experience from a five-star hotel. Li Yun feels that if he is free in the future, he can take the girls around him to stay in hotels around the world.

I heard that some hotels are built in the mountains, and some are in the snow-capped mountains, in the sea, on isolated islands and so on.

I have experienced it one by one. Just playing like this can be played for hundreds of years.

After the trip, I think about making children again. Anyway, Li Yun and the girls around him have lived at least two to three hundred years old, and their puberty is prolonged, so they don't worry about not having children.

"Xianxian?"

Li Yun bowed his head and kissed Liu Xianxian's forehead. As a result, the woman in his arms, the woman who had just changed last night, moved and woke up quietly in his arms.

"Well."

"Is it bothering you?"

"uh-huh."

"Keep sleeping?"

"Humph~"

The fairy buns snorted for a long time, and the soft and smooth body was squeezed and squeezed in Li Yun's arms, causing Li Yun's morning fire to rise again.

"Fairy Bun!!"

Li Yun threatened in a low voice, "I will practice with you in the morning if I move around!"

This time Zixian Baozi finally stopped moving, and began to open his mouth to ask for his neck, squeaking his teeth, not at all polite.

Li Yun couldn't laugh or cry, he could be sure that the fairy bun was the fairy bun, because she was really white and fat.

"Bad!"

Liu Xianxian muttered.

"Why is it broken?"

"Also, I still feel pain now!"

"Then I rub it?"

"Don't, no!"

Liu Xianxian hurriedly pressed the quilt and didn't let him move his hand in the quilt.

The two quarreled for a while, and seeing her frowning again and patiently, Li Yun took out a recovery pill, but Liu Xianxian only glanced at it and pushed it away disgustingly: "I don't want it!"

Speaking of it, all the girls around Li Yun are like this. After giving him their bodies, they woke up with a sore back the next day.

But they just don't like to use recovery pills, they must heal naturally, and they must stick to him the next day.

However, Li Yun still smiled and asked her: "I really don't want it?"

"No!" Liu Xianxian said dully, bulging, "I want to rest today, so I am not allowed to go anywhere. You give me the pill, do you want to wait for me to get better, and then want to go crazy again?"

"Heavenly wronged."

"Hmph, anyway, you are not allowed to mess around today, and you have to stay with me all the time, you are not allowed to go anywhere!"

"It must be, of course, of course. Today is the biggest fairy bun in my house.

After Li Yun took the virgins of Fang Xue, Li Feng, Su Muxin and others, he now has some experience, knowing that the next day is the most confused time, and they are not used to the change of becoming a woman for a while, and they are very sensitive.

Therefore, Li Yun intends to accompany her this week.

Chapter 3247: Phone for you

However, Liu Xianxian did not seem to intend to do this.

She didn't get up to dress or get up to eat breakfast. She just nestled beside Li Yun comfortably, putting her mobile phone on his strong chest muscles, not knowing who she was chatting with.

Li Yun nodded helplessly and said on her forehead: "Aren't you very tired last night? Why don't you continue to sleep? You can play with your mobile phone at any time. Let's sleep again. I will stay with you when I get up!"

"Well, I can't sleep."

Liu Xianxian shook his head, "I am used to getting up early. Sleeping too much is not good. Let's take a nap at noon."

Li Yun could only nod his head. As a big star, Liu Xianxian got more than ordinary people, but he definitely paid more than ordinary people.

In the future, she will have to think about whether she should get up early the next day if she wants to make a fool of herself at night.

However, occasional indulgence shouldn't be a problem, as long as it is not very frequent.

"What are you thinking again?"

Liu Xianxian squinted at him, judging from his reaction, this bad guy was thinking about it again, what a pervert! ! Wasn't one hour enough last night?

After experiencing it now, I know that after Qingyu and Fang Xue worked with him in the morning exercises, it was not for no reason that the two women had been soft for a long time.

And when they were in the mansion, Gong Qingyu and the others slept for the whole morning. They blamed the cow for being so powerful that they ploughed the fields.

Oh no, I don't want to, Liu Xianxian, Liu Xianxian, how can you always think about these things?

Could it be that I just changed from a girl to a woman, so I was thinking about it?

Absolutely not!

Even Zhuzhu said, you must not indulge in male sex, or you will become a waste.

The corners of Li Yun's mouth twitched, "I think you are thinking wildly, right?"

Liu Xianxian blushed and hummed to continue playing on the phone.

"Are you chatting with Qingyu and others?"

Li Yun glanced at her mobile phone, but Liu Xianxian hurriedly hid it. Li Yun only had time to see the head picture of Gong Qingyu's stinky girl in ancient Hanfu, but they didn't even see anything they were talking about.

"Xianxian, I don't think this will work!"

"What can't you do? What do you want to do? Don't talk, don't... Don't talk about me anyway!"

Liu Xianxian had a lot of courage, and she was shy when she said such things last night. Although she was still shy this morning, she was able to talk to Li Yun in such a color.

"You can read my mobile phone, but I can't see any of your mobile phones. So no!" Li Yun expressed serious protest.

Since Shan Ruqing, his mobile phone has been checked seven or eight times a day. If Li Yun is no longer around, such as now, the girl next to him is in charge of checking. Liu Xianxian has also fully implemented what the sisters gave her. Instructed to check it every morning, afternoon and evening, so that Li Yun couldn't hide a little movie.

Of course, it's not impossible. Every time after hiding, they will come out and make a lot of comments. Su Muxin will have a real battle with Li Yun, saying that it is to apply what she has learned and so on.

As for Gong Qingyu, from time to time, he took out a manga with only more than 30 pages and studied it with Li Yun, ahem.

"Who said you can't watch it?"

Liu Xianxian also expressed dissatisfaction. She handed her mobile phone to Li Yun and said openly: "Let's see, my address book is full of celebrities, reporters, and directors, both at home and abroad. You want to see it. Just look, I also have my chat history, call history, and Internet history, all for you to see!"

Chapter 3248: The Eighth Lady

When Liu Xianxian said this, he was completely confident.

She didn't have any bad things at all for Li Yun to find out.

After all, although she knows that there are small movies of Sakura Country, she never watched them. Even those large-scale Hong Kong and Taiwan movies, such as the Eight Precepts, the Golden Bottle, the adult version of Liao Zhai, and the like, Liu Xianxian only I have read it, and carefully studied the knowledge about men and women's desire to vent their desires, and then deleted it.

At that time... Although she was blushing and heartbeat, she did not think too much, and treated it as an ordinary movie.

Therefore, Liu Xianxian is now completely confident to hand over her mobile phone to Li Yun, and she will look at her chat history, look through the photos in the album, look through some diaries and so on.

She is not afraid.

Except for one thing.

"Well."

Li Yun directly clicked on her QQ, and then clicked on a group called Fairy Club.

"Ah ah ah ah ah!!!"

Liu Xianxian snatched it over, guarding his mobile phone like a food, and he was very vigilant:

"What do you want to do? You don't know what this group is! Don't watch it!"

"But I just want to see the group."

"No!"

"Want to see."

"No!"

Li Yun said, he even used the means of intimacy, but Liu Xianxian, who was blushing, was still guarding his phone, not showing him the chat history inside.

How could it be possible for him to watch it?

Just now Liu Xianxian expressed his thoughts from girls to women in the group, although there are only two words: it hurts.

Hu Xiaomeng: "Ah? What's the pain? Where's the pain? Do you want me to buy a band-aid for Sister Xianxian, and put it on, it won't hurt!"

Xiaomeng returned her for the first time, and what she said still made people want to take this little girl off her pants and spank her \*\*\*\*\* a few times.

That's disgusting.

This little girl knows everything, but in the end she pretends that she doesn't know what the pain is. She even band-aids. After using band-aids, wouldn't she not be able to go to the bathroom?

So Liu Xianxian directly sent a cute expression that punched her in the face.

Hu Xiaomeng: "Hehe, congratulations to Sister Xianxian for becoming the eighth wife of the Li family. Congratulations, congratulations~~!"

Little Baixue: "Wow, am I not the first lady? It's so amazing, as if I have become the president's wife!"

Li Feng: "@小白雪, don't be silly, go to class, be good."

Little Baixue: "Second lady, isn't she a concubine in front of me? Wait, when was my name changed! It's not Little Baixue!"

Lingxian: "@仙包子, congratulations."

Shangguan Lingxian didn't dare to appear after saying a word. The group was always discussing this topic, making her too shy for a virgin who had not had the last intimate relationship with Li Yun.

If possible, she would rather not bubbling.

But if she doesn't bubbling all the time, it will appear that she is too cold, even the lady of the saint will come to talk from time to time, she is a mortal woman, of course it is not too cold.

Fortunately, there are many sisters in the group, and no one deliberately grabs her.

But Shan Ruqing, who had just joined in, didn't seem to like talking.

Just thinking about it, Shangguan Lingxian saw Shan Ruqing bubbling.

Ruqing Ruqing: "Congratulations... Actually, I haven't had a relationship with a man."

"Ah!" xN

A group of fairies in the group all asked in shock what was going on.

Chapter 3249: assimilate into

Shan Ruqing was actually very inferior. After she joined the group, she knew how many confidantes Li Yun had by her side, and even the holy woman who had only seen one face but was shocked was also in the group.

Coupled with her once unbearable past, it made her feel uncomfortable and unworthy to stay in the same group with these girls of heaven.

Therefore, when they discussed this kind of topic, Shan Ruqing couldn't help but say it.

She wanted to prove that she was innocent in front of these fairies.

"I actually... haven't had anything to do with other men, uh, I said this, is it too bad?"

Fairy Bun: "It's okay, it's okay, let's talk about it. I even talked about the tossing to death by Li Yun last night. Besides, before, Qingyu and Lianyi were still live-streaming their sketches."

Shan Ruqing blushed. She still couldn't believe that such a shameful and absurd thing happened in that mansion.

In the future, will she join the ranks of fooling around with them and Li Yun at night?

That big bed, which is said to be dozens of square meters, occupies a room, will also have her place?

At that time, will she sleep alone in a corner, or will she be forced to act as if she blends in?

All this makes Shan Ruqing feel annoyed every time she thinks about it.

Fortunately, this kind of trouble is not fatal. On the contrary, it will feel like a home. Joining in is actually not bad. At least Xiaoxiao has many young mothers, so that she can laugh happily.

Hu Xiaomeng: "Yes, just talk casually, anyway, in the end, everyone will definitely meet each other. What's the matter."

Qing Guo Meiyu: "Hu Xiaomeng!!!"

Fang Xue: "Shut up!!"

Little Chili: "Okay, okay, let's have an unobstructed Dharma conference together!"

Xiao Xiao Liuli: "Sister Xiao Jiali, shut up too!"

Feiyao: "... It's terrible.

Zhao Tianfeng: "I have no opinion."

Lady Saint: "Yes."

Lady Saint: "My screen name has changed?"

Xiao Ah Xiao Liuli: "I changed it, hehe, the saint should be the saint, does the saint like it?"

Shan Ruqing clutched her hot face and gradually calmed down.

For the first time, the feeling of being part of the fairy society chatting is not bad at all. On the contrary, there is a sense of relaxation that there is no taboo, and you can say whatever you want.

Especially when meeting during the day, the suspected grandmother Gong Qingyu (the daughters live in her house) behaved elegantly and looked like a dignified lady, even more arrogant in words.

But when the fairies were in the group, she dared to talk about evening topics.

Moreover, Shan Ruqing knew that the bed, which was said to occupy half a room, was built by the person in charge.

If she didn't join the Fairy Society, Shan Ruqing would never have thought that she would be like this.

In addition, Gong Lianyi, who is also ladylike, is also in the group, and there are some other girls, Su Muxin, Su Tengyun's daughter, Xiao Mingzhu, the lady of the Xiao family, the richest man in Zhonghai City, and the well-deserved Bai Fumei and many more.

With so many girls chatting in the group, Shan Ruqing didn't feel that they had any quarrels at all.

Moreover, Shan Ruqing also secretly observed that when Li Yun and Liu Xianxian were going to film, Gong Qingyu and the others also followed the troupe, and in words...it seemed that they and Li Yun went to sleep in the middle of the night.

Wait, all sorts of wonderful relationships made Shan Ruqing quickly relax and try to blend in.

Chapter 3250: Live broadcast?

"Will you come to play in Zhenbei Castle tomorrow?"

Liu Xianxian uttered a word, and let the people in the group of fairies quiet down. A group of fairies were attracted by this topic.

"Isn't it a fairy, you and Li Yun are dating together?" Su Muxin asked first.

"Don't you want to come?"

Liu Xianxian said something quite suggestive.

The girls all know that Little Pepper is playful. Every night she plays with Li Yun the craziest. It's almost like the fox Xiaomeng in the group. They are all pistachios from the fairies group. There have been many battles between Li Yun and them. It was initiated by Little Pepper.

"Although I want to~, but also consider how you feel Xianxian [smiles]."

Su Muxin returned earnestly: "It doesn't matter if you don't see him for a week, you don't have to care about our feelings, Xianxian, you can play with him, after all, there is only one change from a girl to a lady in your life. You have to take care of it!"

After she had the first time with Li Yun on the cruise ship, she slept on the ship the next day. Li Yun did not accompany her, but went to accompany Feiyao.

Although the next four had played together for several days, only to think about it, Su Muxin still felt a bit regretful. If he had decided to stay with Li Yun alone for two days instead of one day, it would be perfect.

But forget it, regret is also a kind of beauty.

"Yeah." Gong Qingyu also persuaded: "You just stay with that guy. When we return to Hengzhen, we will take the little princess over again. We will go there on the weekends. By the way, we will meet with the lady and Plucking Wei. They play together, if Master Saint is free."

Lady Saint: "Yes."

"what?"

The women were a little surprised, but I didn't expect that Saint Fan Qing kept watching them chatting!

"Okay, okay!" Hu Xiaomeng interrupted: "Then Fengfeng and I will also go from the capital to Hengzhen and pull up @小小琉璃@菲瑶 on Penglai Island. Let's go together?"

"I won't go, there is nothing fun to make a movie." Jin Liuli hurriedly objected. She knew that if she went, she would definitely be dragged by Sister Little Pepper, and the girls would fight Li Yun again.

But Hengzhen Film and Television City is not the home of Qingyu sister, there is no place to be a battlefield, too many people seem very chaotic.

Xia Feiyao also refused.

Then came Shan Ruqing, she didn't want to go too much, too anxious.

"No, do you want to come tomorrow?"

Liu Xianxian replied earnestly: "Really, it doesn't matter to me. Li Yun will accompany me for one day today. Will you come tomorrow? And, I... I can't stand him alone!"

Gong Qingyu, Gong Lianyi, and several experienced fairies all blushed.

Li Yun is a strong bull!

Few sisters would definitely not be able to hold back Cyclonus. It was obvious that Su Muxin was already very greedy for this little chili, but she still couldn't serve Li Yun. Several sisters had to work together every time.

Li Feng: "Well, that fairy, you have another night, Qingyu and the others will arrive tomorrow, come on."

Qingguo Mingyu: "What are Qingyu and the others? Go, you go with Fang Xue!"

Li Feng: "I want to prepare for the final exam, come on~~"

First lady: "I also want to prepare for the final exam, Xianxian, come on!"

Fairy Bun: "No, come and save me, I don't want to be alone with this strong bull... Ah, the bad guy is here again!"

Hu Xiaomeng: "Is it live?"

Fox Xiaomeng: "Sister Xianxian, live broadcast!"

Fairy Bun: "[Voice]"

Li Yun's voice came out, scaring the fairies in the group into birds of fright. Fortunately, Liu Xianxian quickly returned more mobile phones, his head was wiped out, and it was probably offline.

A hearty battle is inevitable.
