

## Godly Choice 3301

Chapter 3301: Take it

After that, Li Yun threw a new type of bomb, no, a truckload of bombs into the magma lake, causing the Adu Mountain volcano to erupt directly, forming an extremely spectacular scene.

It is a pity that neither Li Yun nor Hu Xiaomeng or Zhao Tianfeng saw the picture of the volcano being blown up with their own eyes: Li Yun was in the volcanic magma and was taken out of the ground.

Hu Xiaomeng and Zhao Tianfeng did not come out of the Lotus Immortal Mansion until the magma fell, only to see the tail of the spectacular scene.

But it was also very good. When Hu Xiaomeng mentioned it many times later, he was so excited that he wanted to play with Li Yun and Tianfeng again.

Of course Li Yun couldn't mess with her!

"Hey wait."

Mother Zhao chased it out, took a box of something in her hand, packed it in a plastic bag, and just stuffed it into the hand of her daughter Zhao Tianfeng.

"Mom?" Zhao Tianfeng was full of doubts. She used to have a bad relationship with her parents. She liked to live outside since high school. Especially when she was in school, she lived alone in a house not far from the school.

Of course, she said she was alone. In fact, there were servants who helped her cook and wash her clothes. She was living a typical eldest lady's life.

It's just that since getting to know Li Yun, Zhao Tianfeng's relationship with his parents has improved a lot, and he often goes home to sleep at night.

So this time her mother suddenly chased it out and stuffed her with things like before, which made Zhao Tianfeng especially puzzled.

"I'll be back in two days... live."

Zhao Tianfeng explained that suddenly, she was stunned.

Zhao Tianfeng seemed to understand what was inside the box in the bag!

"Take it, it's time to use this thing."

Mother Zhao's face was reddened, but her expression was full of kindness. She touched her daughter's head and said, "You are still in college. It is okay to open a room with Li Yun and Xiao Meng, but you must pay attention to safety. Mom is afraid that you are ignorant, so I should have told you last night, but your dad insisted on teaching all night, which is really annoying old man."

He scolded her husband as an old man, but Mother Zhao's eyes were full of love.

She is much happier than before.

Not only did the daughter step out of the indifferent and suffocating character, she also made close girlfriends like Hu Xiaomeng, she also had a boyfriend, and she became a fiancée. In the future, her daughter can live a happy life as long as she follows him. No need to worry about anything.

The daughter is like this, her husband also renewed, or showed a passion that she had never seen before, making her feel like she was back in her youth, her skin improved and her mentality improved.

Everything is moving in a good direction.

Therefore, Mother Zhao did not object to Li Yun and her daughter going to a hotel to open a room.

It's okay to add a goddaughter Hu Xiaomeng to the three.

Just pay attention to safety and don't kill people.

"mom!!!"

Zhao Tianfeng's voice became louder.

Hu Xiaomeng kept laughing while covering her mouth, and secretly met Li Yun's eyes, meaning: My Feng'er's shy expression is really beautiful.

Li Yun glared at her: What is your Feng'er? Obviously my Feng'er!

"Well, if you know you love mom, don't keep shouting, be good~"

Mother Zhao showed a mischievous side for the first time and touched her head with a smile: "Go and go, mom will not disturb your young couple... No, the young couple is going on a date. Just remember to be safe, especially You, Mengmeng!"

Chapter 3302: Most passionate

As he said, Mother Zhao pinched Hu Xiaomeng's face again, "You are still young. Although you can get married in ancient times, you must also pay attention to safety!"

"Ah, godmother, I...!"

The giggling Hu Xiaomeng's smile froze, and quickly looked around with a guilty conscience. Fortunately, Sister Tianfeng's house is a super large villa, the surrounding environment is quiet and there are few people, no one noticed it. .

Although she was ready, she was still very shy when she said something about going to the hotel to play in the public. No, she was very shy when she went to a tourist attraction to play for a few days and nights.

Either pretending to be, or very shy~!

Because Hu Xiaomeng has learned a lot secretly in the fairy group, especially knowing that Brother Yun is very good, several sisters, sister Qingyu, sister fairy, plus sister little pepper who is very powerful, etc. All my sisters can't match his kind of power.

"Mom, I don't need this, I haven't yet..."

Zhao Tianfeng's face was also very red, resisting not wanting this kind of things that men and women would use to stay in a hotel at night, but Zhao's mother heard what she meant, and she was surprised: "Fengfeng, you just said...you Not yet....."

Mother Zhao looked suspiciously at Li Yun, then at her daughter, and then at Hu Xiaomeng.

All three were embarrassed by her.

"Yes! Godmother, give it to me!"

Hu Xiaomeng couldn't help it, and grabbed the plastic bag from Godmother's hand, took the hands of Tianfeng and Yun, and walked towards the garage.

Mother Zhao was stunned for a while before she understood what the three of them meant.

Therefore, when Li Yun drove past her in the car, Mother Zhao couldn't help but yelled:

"Remember to eat brown sugar water the next day. Make a chicken soup...Where do you live? I'll send someone to give it to you, ah, just at home, right?"

Do you need to talk about what you do at home?

Zhao Tianfeng covered his ears, saying that he didn't want to listen.

"Okay, I know, godmother~~ Sister Fengfeng and I will definitely use it tonight!"

Hu Xiaomeng poked out his head and waved to Mother Zhao, so that Mother Zhao nodded in relief. She is still a god-daughter. Although her daughter is also sensible, she is still shy. She always refuses to express feelings. She also likes to be awkward. It's not Li Yun, she doesn't know when the awkwardness will come.

Hu Xiaomeng is younger than her, but looks like an older sister instead.

Inside the car.

"You come back to me, dangerous move!"

Zhao Tianfeng embarrassedly pulled back this little fox, which was getting skinless and faceless, and resembling the little chili pepper in Zhonghai City.

Hu Xiaomeng, who was sitting in the back seat with her, blinked innocently, "Sister, what are you doing? I'm saying goodbye to our mother, it's really not polite~"

"I!"

He was indifferent like Zhao Tianfeng, and was almost annoyed by this little fox's words, "I'm rude? What did you just say!"

"What are you talking about?"

Hu Xiaomeng looked innocent.

"Just what you just said," Zhao Tianfeng said vaguely: "If you use that thing tonight, what else can you say!"

"what?"

Hu Xiaomeng looked at her in surprise: "I just said that I will entertain Brother Yun with the most enthusiastic attitude tonight. After all, Brother Yun is a rare visit to the capital. You can't treat him badly, right?"

She looked at Li Yun who was driving.

Li Yun shrugged, indicating that you were right.

Zhao Tianfeng's expression froze, and after a long time he sat back in a daze.

But soon, she reacted again: "What is the most enthusiastic attitude?!"

"The most enthusiastic...Of course it is~~~Go to the hotel together~~!"

"Hu Xiaomeng!!!"

Chapter 3303: Go to Hu's House

Of course, Li Yun and Hu Xiaomeng and Zhao Tianfeng cannot go to the hotel tonight, at least they will have to cough tomorrow night.

In the morning, he drove around the capital with two beauties, one big and one young, in the car. Because of the tight time, there was no time to play in many places, so he could only wait until he was free to talk about it later.

In the afternoon, Li Yun drove back to Hu Xiaomeng's home, which is the Hu's home base in the capital: a courtyard with a century-old history.

Hu Xiaomeng's several uncles, uncles, and aunts are all here, but they do not live in a courtyard house. Instead, they have real estate, villas, bungalows, and even a whole building, directly using the top of the building as a residence. The place.

Therefore, the Siheyuan is only used as a place for the Hu family to discuss matters, which is tantamount to a base area, and non-essential matters will not go back.

Of course, if Mr. Hu came to Beijing, he would definitely live in the courtyard, and as long as the children of the Hu family were in the capital, they would have to come back to accompany the old man.

It's just that the party tonight looks different.

"Li Yun is here!"

"Xiaomeng, you can count as coming back, haha, isn't this the son-in-law of our Hu family?"

"Li, Li Yun."

"Uh."

When the car stopped at the gate of the courtyard, several second-generation children of Hu's family, Hu Guorong, Hu Guomei, Hu Guoli, etc., stood at the door and waited respectfully, ignoring the answer when Li Yun came for the first time. The domineering appearance is completely different.

"Hello, uncles, uncles and aunts."

After getting out of the car, Li Yun greeted them with a smile, making the Hu family secretly relieved.

Although Li Yun is now the son-in-law of their Hu family, they offended him a little bit last time. Fortunately, Hu Xiaomeng is mediating from the middle. Otherwise, the Hu family will have a hard time now, instead of now like a fish in water, all kinds of resources are free. take.

The reason for being like a fish in water is simple, Li Yun's identity.

Whether it is the chairman of Baiyun Technology, or the world-famous Li Chaoren of Penglai Island, all of them are crushing strong against the Hu family and even any family of Huang Xuanguo.

Before Li Yun lost his position as the world's top powerhouse, no one dared to make any dissatisfaction.

But even if Li Yun is not the number one powerhouse in the world, just the confidantes around him, the Gong family, the Xiao family, the Shangguan family, the Su family, etc., as well as the Baiyun technology he possesses, are enough for him to maintain His status remains unchanged.

Therefore, the Hu family now wants to curry favor with Li Yun instead of being arrogant and domineering like last time.

"Oh, it's my own family, uncles and aunts are too polite!"

Hu Xiaomeng directly expressed his dissatisfaction, and said: "I am not so restrained at my sister's house. It is uncles that you want to fawn on my husband so much, that's why you are so low-pitched? Actually, it's not necessary at all. Yes, it's all because our Hu family is too strong now and can't be more high-profile, anyway!"

The words made Hu Guomei and others embarrassed, and Zhao Tianfeng was also a little surprised. Why would Xiaomeng speak so straightforwardly?

But only Li Yun, and Hu Guofu, the second generation of the Hu family, heard Hu Xiaomeng's true intentions and understood her intentions.

Hu Xiaomeng's meaning is also very simple, that is, let them not be so restrained and feel free, instead, they can get closer to Li Yun. After all, they are already the Hu family's son-in-law.

In addition, Hu Xiaomeng relied on her young age to point out that she would not help, and would not let Li Yun help the Hu family again.

Chapter 3304: Hu Xiaomeng's status

The reason is simple. The Hu family is already strong enough now. Because of the arrival of the spiritual energy, Mr. Hu can live for at least 30 years, which is at least! Focus!

According to the recent research results of some scientists, aura can greatly strengthen the vitality of creatures. Cicadas that can only live for one summer can mutate and survive into winter. Even the arid, drier, hot and unusually hot deserts, as well as the icy north and south poles It begins to spread across animals and plants, and you can know how the life in the natural world around the world has been strengthened after the rejuvenation of the aura.

Therefore, rich people like Mr. Hu, who are in high positions, or are billionaires, do not worry about lifespan, because according to the optimistic estimation of scientists, the lifespan of human beings will reach as much as 300 years in the future!

With such a terrifying increase in lifespan, it is no wonder that some people say with emotion that even if aura has no other effect, simply enhancing the lifespan of humans and allowing smart geniuses to live for a hundred years is enough to make a great change in the human world!

Originally, Mr. Hu would stay for another eight or nine years at most to protect the Hu family from wind and rain. If the second-generation children are not successful, they will focus on training three-generation Hu Xiaomeng. With her talent, the Hu family will have at least a backbone in the future. .

In the original plan, Hu Xiaomeng was actually quite important. She was also the only one who could return to Longyang County at any time. No, she had to return to Longyang County every month to accompany Elder Hu.

The purpose is to train her to be the pillar of the Hu family in the future.

At the level of the Hu family, further progress is no longer the most demanded. Maintaining a stable situation allows the children of the next generation to have a continuous flow of energy, and it is sufficient to support the Hu family's status in the capital.

Therefore, it is especially important for a smart person like Hu Xiaomeng to be the power holder of the Hu family.

According to the original plan, Hu Xiaomeng would be familiar with how to do things at the beginning of high school, and he would go to various banquets all day long to get to know each other and form friendship with the children of the capital family.

It can be said that Hu Xiaomeng's future life in high school and university has been fully arranged, and there is no free time at all.

so!

At first, she sneaked out secretly in the evening and wandered the streets of Longyang County in order to take a leisurely stroll, otherwise she would not even have time to go shopping.

But all this, Hu Xiaomeng's life was arranged because he met Li Yun that night and stopped abruptly.

"All right, second uncle, third uncle, and fourth aunt, you guys are free to order!"

Hu Xiaomeng smiled and greeted everyone to go in. The slender feet in small leather shoes walked into the door of Hu's house with full of air, and the group of following, that is, her cousins and cousins were stunned.

People who didn't know thought that Hu Xiaomeng had become the head of the Hu family, and he was more confident and confident when he entered the door of the Hu family.

But in fact, Hu Xiaomeng's current status in the Hu family is really considered as the second Patriarch!

Even if Mr. Hu has a life span of several decades, as long as there is no major change in the future, he will not be able to come back and he will still be in a state of pension.

It is estimated that this state of old-age care will last for a long time. After all, the young man has already taken up his former general position, and even the positions below him have been taken.

Therefore, unless there are really unstoppable changes, Mr. Hu will not leave Longyang County easily.

Even when he came to the capital, he just came to participate in some important celebrations and would leave soon.

A figure like Mr. Hu can no longer live in the capital for a long time, and it is easy for others to guess.

Chapter 3305: The guest is in a hurry

Therefore, in the current Hu family, Hu Xiaomeng, by virtue of the relationship with Li Yun, is completely equivalent to the second Patriarch. Her other uncles and uncles, whether in power or in business, are no better than her in the Hu family. The power of speech!

For example, Hu Guomei, regardless of her wealth is tens of billions, but compared to Hu Xiaomeng's husband Li Yun, it is completely different.

It's not even better than Hu Xiaomeng's shares in the Fairy Club. Hu Xiaomeng doesn't want to calculate how rich she is now. Her bank card will receive dividends from the fairies every month, tens of billions at a time. That kind of money was so much that Hu Xiaomeng couldn't count it. After two or three months of fighting, Hu Xiaomeng told Xia Feiyao, who was in charge of finance, to stop calling her and stay in the Fairy Club to make money.

It is absolutely hard for outsiders to imagine how rich the Fairy Club that controls half of Penglai Island's monsters and Lingzhi's external transactions!

The wallet is bulging, and I learned the very powerful "Demon Fox Technique". My husband is a super powerful person. The sisters in the group speak nicely. All of them are talents. Hu Xiaomeng likes to be in it.

Therefore, when she stepped into her Hu's house now, she was completely "arrogant".

—Thanks to her age, this kind of arrogance will not be offensive, on the contrary it reveals a kind of cuteness, which is why Hu Xiaomeng is so arrogant.

Being young is doing whatever you want.

"Little Meng!"

Li Yun stopped her, Hu Xiaomeng turned his head and glanced, and beckoned: "Hurry up, what are you doing with coldness, uncles and aunts? The guests are waiting in a hurry!"

"...Am I a guest?"

Zhao Tianfeng pointed at himself, his face turned a little weird.

However, she is really the only guest, Li Yun is the son-in-law, and half of his son is definitely not a guest.

Then she is the only guest.

"Is there a master like you?" Zhao Tianfeng ignored Hu Guomei and the others, and stepped in.

For her, most people are not worthy of attention. If it weren't for Hu Xiaomeng's relationship, she wouldn't even want to enter the door of Hu's family, and naturally would not be too polite with them.

The guest is so rude, but Hu Guomei and the others dare not say anything.

Even if Li Yun's relationship is not counted, Zhao Tianfeng's status in the capital is absolutely unique, and his generation is comparable to their father, that is, Mr. Hu!

That's right, Zhao Tianfeng, who is in his early nineteenth year, has the same seniority as Hu, who is in his seventies, enough to show that the seniority of the seniors of the Guardian God Sword is high.

"Oh, you and me are who you are." Hu Xiaomeng waved his hand.

"What and who?"

"That's... you are my Feng'er, and I am your little cute girl~!"

Li Yun almost staggered behind him.

"Little Mengmei?"

I took a look at Hu Xiaomeng up and down. Indeed, a little girl like Hu Xiaomeng can really be called a little cute girl, but how can anyone call himself a little cute girl?

This is even more outrageous than claiming to be handsome and beautiful!

Zhao Tianfeng felt the same way.

So she decided not to chat more with this little girl, and entered Hu's house with a cold face.

Hu Guomei and others who were supposed to come out to greet them became guests, unspeakably weird.

Fortunately, everything went well, the little grievances between them and Li Yun were wiped out. From then on, they can concentrate on holding the son-in-law's thigh.

It is foreseeable that in the next hundred years, their Hu family will be able to open their branches and leaves smoothly. Let's talk about the future!

"It's dinner~!"

Chapter 3306: Reunion

Having had a family dinner with the second and third generations of the Hu family, Li Yun did not stay long, and soon left with Hu Xiaomeng and Zhao Tianfeng.

In fact, there is nothing to talk about with them. The second generation Hu Guomei and others are in awe of him, and they are elders, so there is no topic.

The three generations, that is, the generation of Hu Xiaomeng, are about the same age, but their parents are still respectful to Li Yun, so there is no need to mention them.

Therefore, Li Yun didn't communicate more with the rich second generation and the second generation Quan. After eating, he waited for Hu Xiaomeng to finish eating, and then decisively led them to flash people. As for Zhao Tianfeng, she had already finished eating.

After Li Yun left, he looked back with spiritual thoughts, and he clearly saw that the Hu family was also relieved. It is estimated that all of them feel extremely uncomfortable. Let's eat with him.

"Hey, go then, I still want to chat with my uncles and aunts."

Hu Xiaomeng complained a little, and Zhao Tianfeng squinted at her: "Then you go back and chat with your family? I just go with Li Yun."

"What do you want? Secretly making love?"

"You're dying, you are speechless, and you are not afraid of being heard by your family!"

"Hehe, it doesn't matter, they must have guessed that I, Brother Yun and you, are going to have a big carnival tonight!"

Walking in the dimly lit corridor of the courtyard, Hu Xiaomeng had a super big circle with his hands, and his cute face was full of expectation.

Li Yun thought she was joking, but Zhao Tianfeng, who was in the Fairy Club with Hu Xiaomeng, knew, and was quite certain, that Hu Xiaomeng, the girl, must expect something to happen tonight.

After all, Zhao Tianfeng was also in the Fairy Society group, and the sisters in the group had no taboos in chatting, so that Zhao Tianfeng didn't dare to watch the group during the day, for fear of being stimulated by the chat content in the group.

Those messages that feel blushing and heartbeat at a glance, I really don't know when the group started. She has been in the group when she started, but it seems like Su Muxin and Li Yun went to the biology laboratory when they started school. The winding painting on the mirror was out of control.

Su Muxin is the main force, but the girl Hu Xiaomeng is not bad. She is in the group every day. She hasn't experienced it yet. She has only one experience of visiting the hot springs of A Duoshan. I don't know where she knows so many things.

Oh, forget, there is also Gong Qingyu, that guy looks very cold, but every time he makes a fuss, she secretly helps.

However, what makes Zhao Tianfeng difficult to understand is that Xiao Mingzhu, Fanqing Sheng, Gong Lianyi, and Shangguan Lingxian, etc., these girls who look very serious, serious and rational, they also did not talk to the group like this. To express protest, only Xiao Mingzhu would occasionally say a few words so that Su Muxin and the others would not indulge in the nightmare. Every time when they said, Su Muxin would promise to do it, but in a few days I was in the group @萧明珠, saying sorry .

Seeing Zhao Tianfeng laughed secretly.

However, she can also understand Su Muxin.

Last time at A Duoshan Hot Spring, if not the last insistence, she would have already...

I have to say that the three days and nights of playing the King's Game with Li Yun and Hu Xiaomeng in the hot spring hotel are one of the best memories of her life.

Every time I think about it, Zhao Tianfeng will be a little surprised, even now.

"Feng'er? Tianfeng? Uh!"

When Li Yun patted her, Zhao Tianfeng woke up from shock, with a slight blush on his face.

Chapter 3307: Lovesickness

"She is thinking about spring."

Hu Xiaomeng said confidently, provoking Zhao Tianfeng's eyebrows and raising his hand to give her a note.

The two women laughed and joked, making the slightly dimly lit courtyard suddenly bright and beautiful.

Li Yun looked at them with a smile and didn't speak much.

He can actually understand Zhao Tianfeng. After all, she is just a girl who is dissatisfied with the double decade of life. After she likes him, she can only see him once in a month or two. Although the two of them often chat on the Internet, there are always videos, but they are still better than But a hug at close range.

"Feng'er!"

"what?"

Zhao Tianfeng turned her head in surprise, and immediately after, she was held tightly in his arms by Li Yun, and her lips were suddenly snatched away by him.

The familiar intimacy kiss enveloped her again, Zhao Tianfeng's body almost instantly softened, and Li Yun responded selflessly.

Hu Xiaomeng's eyes widened, why would Brother Yun go with her first? Oh, lost, lost~.

"Brother Yun, I want too!"

When Li Yun released Zhao Tianfeng, Hu Xiaomeng also squeezed in, and she was alone with her sister Fengfeng, and Li Yun held her arms one by one, and also offered a young girl's fragrant kiss.

Zhao Tianfeng blushed, and when Hu Xiaomeng was over, it was her turn again.

The three of them reunited after a long absence. They were full of enthusiasm. For a while, they forgot the time. Hu Xiaomeng was still familiar with the topography of the courtyard, and he barely pointed out the direction and asked Li Yun to hold them over.

Don't get me wrong, you didn't go directly to the courtyard house, but found a garden exclusively for Hu Xiaomeng in this big house with several gardens.

In fact, it is not exclusively for Hu Xiaomeng, but exclusively for Hu Xiaomeng. The small garden is connected to three rooms, but the other two are not available for Hu Xiaomeng, and the other is empty, so it is equivalent to Hu Xiaomeng's exclusive garden. .

She showed amazing intelligence when she was ten years old. Against everyone's opposition, Hu Xiaomeng moved Hu Xiaomeng's room here, which is tantamount to announcing that Hu Xiaomeng will be the helm of the Hu family in the future.

Of course, now Mr. Hu doesn't need to worry about lifespan, and the plan for the helm is stranded. Hu Xiaomeng can play comfortably until he graduates from university and then start studying.

And now, this secret little garden gives the three lovers an extremely secret sense of belonging.

"Hmm, stop, listen."

Zhao Tianfeng panted and stretched out his hand to block Li Yun, bit his lip to reject him, and said, "I, I still want you to talk, so why keep kissing? Stop it!"

Although she has Hu Xiaomeng to share some, but after all, the intimacy experience is far less than that of Li Yun, so Zhao Tianfeng feels that he has not had enough rest, and Hu Xiaomeng can't support it. Li Yun came to kiss her again, so Zhao Tianfeng couldn't help it. Don't reach out to block it.

Moreover, Zhao Tianfeng glanced at Hu Xiaomeng. This little girl's eyes had turned into mosquito-repellent eyes, and she fainted and didn't know where she was, where was she a little shrewd and naughty in the past?

Zhao Tianfeng is not unfamiliar with Hu Xiaomeng like this. After all, they had played the King of Kings game with Li Yun at the A Duoshan Hot Spring Hotel last time. It was too much back then.

However, Hu Xiaomeng is in such a state of being confused by the kiss, otherwise, based on Zhao Tianfeng's understanding of her little devil's character, she must have made fun of what she said just now.

"it is good."

Li Yun slapped his lips and stopped his intimacy. Seeing that Zhao Tianfeng was a little wronged, he smiled and said, "I'm afraid you missed it too much, so I came up with a set of 'combined boxing', um, combined kiss, let you alleviate it. The pain of longing."

Chapter 3308: misremembered

"...What nonsense! What the pain of missing you."

Zhao Tianfeng refused to admit it, but she was leaning against Li Yun's arms, and the three of them sat on the grass in the small garden of the courtyard, reluctant to leave for a moment.

"Not yet?"

Li Yun chuckled softly, took out his phone and turned on the screen, and Liang showed her: "See? It's been an hour since we finished our meal!"

Zhao Tianfeng pursed his lips in surprise.

That is to say, she and Hu Xiaomeng, and Li Yun spent an hour in the garden?

Impossible, why did she think it was only a few minutes, yes, only a few minutes, she only kissed Li Yun three times? Five times?

In short, after only so few kisses, one hour passed, which was too fast.

"You remembered wrong."

Zhao Tianfeng tried to maintain a plain expression, "It has been half an hour when we walked just now."

"Well, that was kissing on the road, Feng'er, you pestered me, making me want to hug you over!"

Li Yun was serious, but he was right.

When they walked over with the two women holding the waists one by one just now, they were as enthusiastic as the volcano on Mount A Duo. They kissed him so hard that Li Yun walked crookedly.

As a result, after coming to the garden, Li Yun had time to kiss them, and the two women quickly lost.

The combat power is low.

The three of them are sitting on the grass in the garden. Of course there are pavilions and stone tables and chairs in the courtyard, but the two girls have not seen Li Yun for a long time. In the morning, they were all wandering around in the car, so until tonight, the three people have time to relive the time at the A Duoshan Hot Spring Hotel.

At that time, they were also leaning in Li Yun's arms, staying with him, going to kiss, chatting casually, playing games, eating and so on.

Of course, when I was in the Adu Mountain Hot Spring Hotel, the environment was much more secretive than it is now. The hotel is completely a private courtyard, which is closed inside, and no outsiders will come in at all.

The garden is different here. Although the courtyard is exclusively owned by Hu Xiaomeng, there may be unsightly servants or other people breaking in.

Therefore, Hu Xiaomeng and Zhao Tianfeng now dare not wear swimsuits like they did before, and they don't even need to wear them, so the three of them go to the hot springs.

However, this was only the first night. Hu Xiaomeng gradually recovered his mind and began to think about where to go to play tomorrow night. It must be the same as the last trip to A Duo Mountain. It is completely closed and there will not be anyone. Excuse me!

Sister Tianfeng's house is impossible with hers. Although there are private rooms, the bed is large enough and the space is large enough.

But if this kind of room is a little louder, it will be heard by the servants outside, and there is also a worry that the elders will come to disturb them. Although it is unlikely to disturb them, it is always uncomfortable and she can't let go.

"Shall we go to the hotel tomorrow night?"

Hu Xiaomeng thought of it, and immediately said it, his big eyes seemed to be brewing water, and he looked up at Li Yun with watery eyes: "Brother Yun, in fact, I have already found several hotels, all of which are superb. There are two chapters with double beds side by side. It is very spacious and spacious. The bathroom also has a large enough bath for swimming. Although it is not comparable to the last hot spring hotel, it is barely okay! We will go tomorrow night Bar?"

Hu Xiaomeng can't wait to relive the time in the original hot spring hotel.

Chapter 3309: Not going

"Hu, Xiao, cute!!"

Zhao Tianfeng blushed, and stretched out his hand to pinch her little cheek, squeezing it back and forth.

"Wow, what is Sister Fengfeng?" Hu Xiaomeng's chubby face was deformed, and he protested: "Don't you want to? Just now, after someone left Brother Yun, she couldn't wait to pick me up. The class, kiss him right away?"

The two women took turns to be intimacy with Li Yun just now. At that time, Zhao Tianfeng was indeed missing Li Yun's intimacy. She didn't know her well, but after the kiss, she became proud. Where can Hu Xiaomeng be allowed to tease her now?

At the moment, Hu Xiaomeng was immediately punished.

"Let you say, let you say! Are you embarrassed to say me? You didn't wait for me and Li Yun to end, so you couldn't wait to join in, bah bah bah, I became a kiss with you!"

"Who makes you the most greedy? You spend more time intimacy than me!"

They were all shrunk in Li Yun's arms, and he was holding each other, so the two women were fighting, in Li Yun's eyes, they were fighting with the two cats in their arms.

Flop, flop.

In the end, Li Yun took a mouthful and succeeded in serving the second woman.

"Huh~"

After another intimacy, Zhao Tianfeng lazily shrank in Li Yunqi again, watching Hu Xiaomeng, who was also lazily blushing, shrunk in Li Yunqi like her, said softly and weakly: "Little Fox, you really don't Ashamed, can you talk about things like looking for a hotel?"

"Hmph, I'm not arrogant, I can do whatever I want, and I won't participate when I have the ability!"

Hu Xiaomeng also stretched out her hand. In her sister Fengfeng, no, she twisted it on the hateful Zhao Tianfeng's face. He grinned and said, "But even if you don't go, Big Brother Yun will tie you... well, tie you. If so, how about buying a few ropes?"

"What rope?"

Zhao Tianfeng knew that Hu Xiaomeng certainly didn't mean to tie her up, but had other intentions.

Li Yun vaguely knew what the rope was for, mainly the comics that Gong Qingyu reads in a mess, and those comics that circulated from the Sakura Country, as long as he had time to go to the study, Gong Qingyu would definitely take him to watch anime together. Or maybe they watch comics together.

When you look at it, you will uphold the spirit of seeking truth from facts and experience it for yourself. Most of the time, Gong Lianyi, Su Muxin, and Fang Xue who come in will be involved, and they will also join, all in a mess.

Since the fall of Qingyu and Lianyi, and the four beautiful maids showed their thoughts to Li Yun, the mansion has become different.

In the past, Li Yun and them would avoid being intimate with them, but after that, it doesn't matter. As long as the sisters Caiwei and Caixia go downstairs to do their homework, Li Yun and them are quite unscrupulous on the third floor.

Although it won't mess around directly in the living room, it has been in the study room, bedroom, sink, bath, balcony and so on.

Just like Li Yun, Zhao Tianfeng and Hu Xiaomeng now.

"Don't go!"

Zhao Tianfeng flatly refused.

Hu Xiaomeng mentioned it again, but she still refused.

Now both Li Yun and Hu Xiaomeng understood that Zhao Tianfeng really didn't want to go.

"Ah? Why don't you go?" Hu Xiaomeng pursed his mouth, threw into her arms from Li Yunqi, shook her and said, "Go go, sister Fengfeng~~~ Let's go with Xiaomeng. Xiao Meng has been looking forward to it for half a year, just for this day~"

In order to achieve his goal, Xiaomeng Hu shamelessly sells cute.

But Zhao Tianfeng still hesitated.

Chapter 3310: I am free

Li Yun saw her hesitation, took the initiative to hold her little hand, and suggested: "Where shall we go to play? There is still a lot of time before the Spring Festival. We can find a place to play for a few days. If it is fun, Let Qingyu and Fangxue come over again and find a place to have fun together!"

Just like before, he and Liu Xianxian, first they were in Zhenbei Old Fort, and later they joined Su Muxin.

If Li Yun were to stay with them in the capital for a week or two, there would definitely be someone from Zhonghai City who could not restrain their loneliness and came to him. It could be Su Muxin, Gong Qingyu, Fang Xue, or even the little princess. Wait.

"Okay~!"

Hu Xiaomeng clapped her hands and said excitedly: "Let's go to the hot spring again. Let's play for three days and three nights. We will have fun, and then we will call the concubines from Zhonghai City, let's play together. ~"

"What kind of concubine?" Zhao Tianfeng was stunned, and then couldn't help but laugh, and hit her on the head: "Mingzhu knows that you say she is a concubine behind your back, so she will definitely be killed directly from Zhonghai City to compete with you. !"

"She's coming? She dare to come?"

Hu Xiaomeng exasperated, "She couldn't beat me on the Internet. She is not my opponent even when doing the most goosebumps animation test papers. Humph, Gong Qingyu is destined to be just a concubine! I am Hu Xiaomeng. , She is the eldest woman~!"

A fifteen or sixteen-year-old girl said she was an eldest woman with her arms akimbo. This scene seemed funny no matter how she thought about it.

Li Yun couldn't laugh or cry, turned his head to look at Zhao Tianfeng: "Feng'er, what do you think? Where do you want to go? Where do you want to go? It's okay to go abroad, anyway, it's not bad for a day's journey."

"Are you free now?" Zhao Tianfeng was really moved.

The reason why she didn't want to go directly to the hotel before was also very simple, that is, she didn't want her first time to hand it over in the hotel so silly.

Although she is not the kind of traditional girl who inevitably needs to spend candles in the bridal chamber before concluding the house with her husband, it is always regrettable to hand it over like this for some reason.

Hu Xiaomeng doesn't care, but she can't.

Just like Xiao Mingzhu, Xiao Mingzhu insisted on something, and Zhao Tianfeng was also insisting on it.

"Yes, there must be!"

Li Yun is indeed very free now.

The task of searching for the six gates of life and death cannot be accomplished overnight. Rather than searching for them on his own, Li Yun is more inclined to wait for the efforts of other countries, plus systematic guidance.

In addition, the hidden sacred valley and the Six Daomen have temporarily come to an end. These practitioners, good or bad, have hidden themselves for practice. Even if Li Yun wanted to stop them, he couldn't find where these practitioners were hiding.

On the Baiyun technology side, Li Yun knows nothing, just leave it alone. The system will reward some black technology from time to time, and then release it.

The Fairy Club of Penglai Island, with him, Li Chaoren, was in charge, at least until his "famous name" fell, no one would dare to deal with fairies.

As for whether the Fairy Society will develop crookedly, Li Yun thinks that there are smart people such as Hu Xiaomeng and Xiao Mingzhu who are in charge, and they are not worse than him, and Li Yun will not get involved.

Therefore, he is really free now.

"If you are idle, how many days will you spend with us...no, with Xiaomeng?"

Zhao Tianfeng was a little arrogant, not to mention to accompany her, accompany Xiaomeng.

These words made Hu Xiaomeng cover her mouth and snickered, leaned over and kissed her lips, saying that Sister Fengfeng is so cute, and Zhao Tianfeng immediately pushed her away with disgust.
