

## Godly Choice 3311

Chapter 3311: Borrow four days

Li Yun smiled, stroked Zhao Tianfeng's slightly hot face, and replied: "I can accompany you until the Spring Festival, but Fang Xue and others may come to the capital to look for us to play. Find a place to play. Until then, I can accompany you!"

Zhao Tianfeng did not resist Li Yun's act of stroking her face. He narrowed Danfeng's eyes and enjoyed it, as if after thinking for a while, then suddenly said, "Three days...no, four days! You stay with us for four days, and then call Fang Xueqing. Yu and the others come here!"

Then, she said nervously: "You, you didn't come with us for a semester, let them let me and Xiaomeng for four days, shouldn't it be too much?"

Li Yun was about to say something, but Hu Xiaomeng yelled, "Four days is not too much! Also, Sister Tianfeng, you are too cautious. If you have anything to say in the group, let's see me!"

With that, Hu Xiaomeng took out the phone directly, tapped on the screen with his slender, white fingers, and quickly uttered a paragraph.

Huhuhu Xiaomeng: "Sister Tianfeng said, you are going to let your husband play with her for four days, do you agree or disagree?!"

Shangguan Lingxian: "Huh?"

Shangguan Lingxian: "Ah! I am finally not the Eighteenth Lady."

Little Chili: "...Red chili became green chili? Four days, four full days!! Ah, by the way, @赵凤凰, @小狐獾, can you eat it well?"

Shangguan Lingxian: "So you are talking about this topic again, I, I won't participate!"

The Pearl of the Kingdom: "I won't participate anymore, I'm still a big girl."

Qing Guo Mingyu: "Anyone who keeps issuing temporary boyfriend experience cards is not qualified to say that she is the eldest daughter of Huanghua. All she wants to say is Lingxian and Qingsheng."

Shangguan Lingxian: "Ah!"

Little Pepper: "Ah what? You haven't hidden yet?"

"This, this hides."

Shangguan Lingxian has gone offline.

Fang Xue: "@赵天凤, I don't have any comments. Have fun, if Xiao Meng also returns to Longyang County? We will meet again then."

Although Fang Xue was always overwhelmed by top Bai Fumei such as Gong Qingyu and Xiao Mingzhu, she still believed that Li Yun was in the palace, and after realizing that Zhao Tianfeng was not able to get in, she took the initiative to invite her to meet.

The fairies in the group also showed face, and they bubbling online, saying that they would let Li Yun out for four days.

Zhao Tianfeng and Hu Xiaomeng secretly read the news in the group in Li Yun's arms, and felt very uncomfortable.

She had always thought that those "sisters" in Zhonghai City had very strong personalities and might even do something uncomfortable in order to grab Li Yun.

But the performance in the group surprised her deeply.

Perhaps it is also time to accept them and take the initiative to integrate into them.

"Are you done talking?"

Li Yun wanted to see what the fairies were talking about again, but Hu Xiaomeng was so blocking that he didn't show it to him at all.

Regarding Hu Xiaomeng's words, Li Yun can actually tell from his favorability rating: Zhao Tianfeng is one of the few people who has not reached 100 favorability rating.

"Alright, that's it~"

Hu Xiaomeng sent a voice message to the group and said with a smile: "After four days, you come again, and sister Tianfeng and I will entertain you again. Well, it's not a treat. Then we will buy another super awesome building in Beijing. The house? It's the same as your mansion for Sister Qingyu, for all of us to live together, and a big bed...well."

Zhao Tianfeng covered his mouth without finishing a sentence.

Chapter 3312: Quiet time

Hu Xiaomeng was gagged by Zhao Tianfeng, and the latter said with shame, "You little girl shamelessly, I want more! Shut me up!"

What a super big bed, it is just like she and Li Yun, Hu Xiaomeng and others, will be fooling around late at night.

In fact, Zhao Tianfeng had already heard of the super luxurious and huge bed that Gong Qingyu built in that mansion building, and he was also aware of their mischief with Li Yun at night.

But now let her join in and sleep in a room with a group of other girls at night, Zhao Tianfeng can't do it yet.

Hu Xiaomeng is okay, but the others are not.

At least not yet!

"What's the matter!"

Hu Xiaomeng bulged her mouth. She wanted to experience it a long time ago. In the evening, she played with sister Qingyu and the others on pillows and rolled around on the super big bed. It must be very interesting.

Of course, it must be the kind that doesn't even use pajamas and nightdresses. Isn't it interesting to liberate your nature?

"Shut up."

This sentence seemed to touch something again, Zhao Tianfeng's face blushed, and Hu Xiaomeng said, Jiao Chi.

Li Yun nodded understandably, put his arm around Zhao Tianfeng, and went up in a kiss.

"Why come again, uh."

At first, Zhao Tianfeng thought it was Li Yun who just wanted to get in touch with her, because he closed his eyes and responded softly.

But suddenly, her eyes widened, and her body couldn't help struggling. She wanted to push Li Yun away, but she didn't have the strength.

"Hey? Sister Fengfeng, Brother Yun!?"

Hu Xiaomeng tilted his head and looked at the two people who were kissing each other. He didn't understand why Sister Tianfeng seemed to be nervous all of a sudden, her body tight.

But suddenly, she looked down at Brother Li Yun's hand and suddenly understood.

"Hehe, Sister Fengfeng was messed up by Brother Yun again~"

Hu Xiaomeng happily rushed over, and said coquettishly, "I will do this too."

Last time at the hot spring hotel, on the last day, Sister Fengfeng finally couldn't bear her inner thoughts and went a step further with Brother Yun, but when Hu Xiaomeng wanted to do the same, Brother Yun refused her. broken.

In the past two or three months, Hu Xiaomeng, who was murdered, often recalled that time, but couldn't really understand the feelings of Fengfeng sister at that time, so he complained to Zhao Tianfeng for a little bit, saying that the two had partnered to lie to her.

Of course, every time Zhao Tianfeng complained, she would open her eyes and let her not mention what happened at the time!

Especially on the last night, she gritted her teeth with pain, but Hu Xiaomeng clapped her hands to cheer on the side, laughing, every time she recalled it, Zhao Tianfeng wanted to squeeze her face and knock her head fiercely.

Including now too.

"Ah, Sister Fengfeng!"

Hu Xiaomeng opened his eyes wide and carefully observed the changes in Zhao Tianfeng's expression: "Not yet, then Brother Yun, you have to cheer, and try to send Sister Fengfeng to... ah!"

Hu Xiaomeng screamed, she finally felt the same feeling as Zhao Tianfeng, her small face flushed suddenly, as if she was drunk, but her body was tense, very nervous and uneasy.

Li Yun smiled slightly, holding one hand with one arm around the two girls beside him, quietly admiring the garden and the starry sky.

The so-called years are beautiful, and the world is leisurely, but that's all you can say, right?

There was a great poet in Huang Xuan country in ancient times, known as Mr. Jing Jie, who described this kind of life.

Under the east fence of picking flowers, you can see Nanshan leisurely.

At this moment, Li Yun was doing exactly the same thing as a great poet.

Chapter 3313: Leisurely Nanshan

After half an hour.

The two girls, Hu Xiaomeng and Zhao Tianfeng, were boneless, leaning softly on Li Yun, and they looked the same as before, but they were different.

At least the two daughters of Hu Xiaomeng before, did not have the appearance of exhaling like orchids, glaring eyes like crisp, wavy hearts of young girls, and uncontrollable emotions at this moment.

"Little Meng, Feng'er."

Li Yun hugged their waists, let them lean in their arms, and said with emotion: "It is really one of my greatest happiness to have you at the same time in this life!"

After all, Zhao Tianfeng had experienced what happened just now in A Duoshan Hot Spring, so he recovered faster than Hu Xiaomeng. Hearing this, he gave him a white look and said, "The other one is for your confidantes, right?"

"I said the same to them, you are all my wings!"

"What wings? What do you mean?"

"It's just two wings. Flying."

"You have too many wings!"

The two chatted casually, enjoying the bitter cold of the winter night-of course, Li Yun had already leaned on the ground fire to dry the snow on the grass, and then wrapped the two girls with the heat from the ground fire, leaving them outdoors You can also feel as warm as a room with 22 degrees heating.

But this is still a bit strange. After all, the capital belongs to the north. At night, it is bitterly cold and the splashing water will freeze. So after a heavy snowfall under the sky, Zhao Tianfeng urged Li Yun: "Let's go back and sit in the garden. Like a fool, I'll go back indoors and sit on the sofa to be comfortable~"

It stands to reason that with normal people's thinking, one would not sit and fall in love stupidly in the ice and snow.

But at that time, Zhao Tianfeng and Hu Xiaomeng, who were held in a daze by Li Yun, unconsciously followed him to the grass.

But after venting his missing feelings just now, Zhao Tianfeng felt very stupid~.

Stupid enough to get caught in the ice and snow by him or something.

"Okay, let's go back and talk again."

Li Yun stood up holding the two women, Hu Xiaomeng leaned in a daze to stand up, but his feet were soft and fell on Li Yun again.

So she didn't want to walk anymore, she held Li Yun with her open hand and acted like a joke: "Brother Yun, it was the first time that I had just now, and now she is still soft and weak. You hold me back~"

Zhao Tianfeng's face blushed.

When she was awake, mentioning the matter just now made her feel particularly ashamed.

Fortunately, one of the two people around is Li Yun, her fiancé, and the other is Hu Xiaomeng, her younger sister—a younger sister in various senses, so she is barely so shy.

"Well, all come up."

Li Yun hugged Hu Xiaomeng, let her lie on her back, and then took Zhao Tianfeng's waist, amid the protests of this vigorous young girl, she hugged her in a princess hug.

"Ah, I can go by myself!" Zhao Tianfeng kicked and protested. She must be ugly now, being held by Li Yun in the way of a princess.

"Sister Fengfeng is so cute."

Condescending Hu Xiaomeng watched Sister Fengfeng's struggle with a smile. Of course, Sister Fengfeng was a hundred times stronger and couldn't break her husband's embrace. She was taken back to the house by coaxing and kissing her.

From the icy and snowy outdoor to the warm indoors, the three of them have a warm feeling of returning home. Hu Xiaomeng was very happy and directed Li Yun to her inner room, which had a soft and spacious sofa, The two of them continued to mess around with him.

Just like in the garden just now.

Chapter 3314: Come soon tomorrow night

"Big Brother Yun, Xiao Meng really wants to be here soon tomorrow night~"

I don't know how long after playing around, Hu Xiaomeng lay lazily on Li Yun's lap, and her petite body shrank on the sofa, and murmured winkingly.

She and Zhao Tianfeng occupied one of Li Yun's thighs and wanted to sleep comfortably on their pillows.

The more he fights with Brother Yun, the more Hu Xiaomeng looks forward to tomorrow night.

After all, they will go out to travel with Li Yun tomorrow. At that time, there will be only three of them and Brother Yun, who can yell casually, without worrying about being disturbed by others, or caring about other things.

Hu Xiaomeng felt that he would be as stupid as an idiot by then, and his head would be empty. Whatever Brother Yun said, she would do what she was stupid, and she would be particularly stupid.

Of course, the more stupid the mind and the less need to think, the more joy and happiness she feels.

In the past three hours, she didn't think about anything. She kept messing around with Brother Yun and Sister Feng Feng on the sofa in the small living room of the room, messing up the things on the table.

"Well, I'm so tired, Xiao Meng wants to sleep."

After the jokes, Hu Xiaomeng no longer wanted to move.

After all, she knew tonight that Big Brother Yun would definitely not take the last step with them. What was just now was already at the limit, and the last step would be tomorrow night, so she should go to bed early tonight and get enough energy to travel tomorrow night.

No matter how much fun it is when traveling.

"Don't sleep, let's wash and then sleep."

Li Yun hugged the two of them, and didn't need to prepare anything to fall off. He hugged them directly into the bathroom, and put the soft and weak two daughters into the bathtub.

When Zhao Tianfeng and Hu Xiaomeng were lazily soaking in the bath, and their bodies were so weak that they didn't want to wash their hair, Li Yun shrugged helplessly and said, "You take a bath first, and I will come back to wash your hair later. "

Li Yun is quite experienced in shampooing girls' hair.

Although Fan Linglong's strange long hair that can mop the floor has not been washed, the girls around Li Yun have a lot of hair.

For example, the little princess, when Li Yun is at home, Princess Yongning likes to take a bath with him, and she must take a bath, and play with some little yellow ducks they bought in the bath and giggle once in the bath. It takes an hour to take a bath.

In addition, in Li Yun's own villa in Huangting Mountain, he also washed the hair of Su Muxin and others in the large open-air bath.

Of course, it's not just Li Yun who waits on them, the girls around him will rub his back, and occasionally Li Yun will enjoy the kind of back rubbing that doesn't require a bath towel, which is very comfortable.

"Yeah~"

The two women responded lazily, as if they didn't want to say a word. They were really tired just two hours.

Li Yun smiled and went back to the living room to tidy up the things scattered on the outside. By the way, he packed the clothes of the two women who were throwing proudly on the carpet into the bucket, coats, jackets, chubby eats, small vests and so on. Throw them all in the bucket, but unfortunately I don't know where Hu Xiaomeng's washing machine is stored, otherwise Li Yun would like to wash it by the way.

It won't work without washing.

Just now the three of them completely forgot about themselves, their clothes were full of traces, and others would know what happened at a glance.

Li Yun didn't plan to keep this kind of thing for the servant to wash.

Alas, after all, there is still no body maid's pot.

If the four sisters in spring, summer, autumn and winter are there, Li Yun can safely hand over the clothes after the mess at night to them for cleaning.

Chapter 3315: wake up

the next day.

As usual, Li Yun woke up first, accompanied by the beauty of Wenxiang Nephrite. He said that he was used to it, Zhao Tianfeng on the left, and on the right... there was nothing.

Last night, Li Yun wanted to come and hug the left and the right, but Hu Xiaomeng insisted on disagreeing. She squeezed in the middle, with two slender legs resting on his thigh, the other resting on Zhao Tianfeng's leg, and holding one in one hand. When she hugged her left and right, Li Yun was forced to sleep on the outside of the bed, separated from Zhao Tianfeng by a fox Xiaomeng.

Taking a look at his mobile phone, Li Yun found that only Fan Qingsheng and Shangguan Lingxian were the only ones who woke up so early. The heads of the others were all black. Even a hard-working girl like Xiao Mingzhu would sleep late during the winter vacation. , Li Yun was quite surprised, he thought Xiao Mingzhu would get up early.

"Sage Qing, have you gotten up?" Li Yun sent a message to Sage Fan Qing. He has been neglecting her recently. Li Yun actually wanted to make up for it, but Sage Fan Qing said no every time. She lived in the mansion well.

"Well, practicing."

Sage Fan Qing sent back the news soon, and he said: "You got up, then I went to practice?"

"it is good!"

This was a small agreement between Li Yun and her in the morning. Both of them got up very early, and after Sage Fanqing got up, he would not go to practice immediately, but would talk to Li Yun for a while before going.

Of course, if Li Yun couldn't get up because he played too late with Su Muxin and others at night, Saint Fanqing would not wait forever. She would go to breakfast until 8:30 in her practice and see if Li Yun got up.

After chatting with her, Li Yun received another message from Shangguan Lingxian.

"Lingxian, wake up so early?"

"Well, I had an inspiration for alchemy last night, but it was too late last night, so I went to bed early and got up early this morning!"

Then, Shangguan Lingxian sent him another message that surprised Li Yun: "You...didn't you stay with Hu Xiaomeng and others last night? No, didn't you do that last step?"

Shangguan Lingxian remembered that the last time Li Yun and Liu Xianxian were in Zhenbei Old Fort, he got up very late.

Li Yun was very surprised. Among the girls around him, the most diligent must be Shangguan Lingxian. She has a kind heart that heals and saves people, which is especially different among the women; followed by Xiao Mingzhu, Fan Qingsheng and others. , The laziest is Gong Qingyu, this is unquestionable.

Therefore, the most diligent Shangguan Lingxian paid attention to the affairs of him and Hu Xiaomeng and Zhao Tianfeng last night, which made Li Yun especially surprised.

At the same time, I was very moved.

"Lingxian, after the things in the capital are over, I will go to you, right?"

Li Yun didn't answer her directly, but said about it.

"what?"

"Yes! It's so decided. After I finish playing with Xiaomeng Tianfeng, I will go to see you. By the way, are you coming to play?"

Of course, Li Yun's invitation was not accepted. Shangguan Lingxian's tone was surprised and a little flustered, but in the end he agreed, with a quiet and shy voice.

She knew that Li Yun came to play with her mainly for something, or more precisely, for her.

The sisters in the fairy group fell one by one and dated Li Yun together.

From Gong Qingyu to Liu Xianxian, and now it is Hu Xiaomeng and Zhao Tianfeng, Shangguan Lingxian looked at them one by one, and she knew that it would be her turn soon.

It's just that she was a little flustered and didn't know what to do.

"Okay, Lingxian, I will look for you when the time comes, not for anything, just to see you, okay?"

"Um."

Chapter 3316: Get me up

After chatting with Shangguan Lingxian for a while, after calming her nervous heart, Li Yun went offline.

Since Gong Qingyu, all the girls next to him who were alone with him would look at him with weird eyes, as if Li Yun was about to become a big hungry wolf in the next second and swallow them in one bite.

This is actually wronged Li Yun again!

From the first time Fang Xue and Li Feng were traveling to Mount Taihuang during the summer vacation, Li Yun knew that the first time a girl had imagined herself must be commemorative.

Even if it is not in the bridal night, there must be something memorable.

For example, where to go to play, buy a bouquet of roses, buy a cake, or a certain festival, Valentine's Day, Chinese Valentine's Day and so on.

In short, it must not be ordinary. Find a hotel for a hundred dollars on the roadside and hand it over in a silly way.

Especially after Xiao Mingzhu's persistence and Gong Qingyu's problems at that time, Li Yun understood the reservedness of girls better.

Therefore, if he goes to Shangguan Lingxian, it will only be a simple reunion with her. If the conditions are suitable, he will be with her. If it is not suitable, Li Yun is not in a hurry. Anyway, he and the girl around him are the best. There is no shortage of time.

"Beauties, get up!"

At 8 o'clock in the morning, Li Yun called out the two beauties beside him who didn't even have pajamas. Zhao Tianfeng had already woke up, but he didn't want to open his eyes, so he nestled comfortably in the bed and put Hu Xiaomeng's petite body. Use it as a pillow to sleep comfortably.

Looking at her movements and expressions, Li Yun was obviously not the first time she slept with Hu Xiaomeng in her arms.

But even if Li Yun is not Lily Control, seeing the scene of two beautiful women sleeping in embrace, I can't help but feel irritated and itchy. Li Yun suspects that he has Lily Control because Caiwei and Caixia grew up. It's mostly because of sleeping together.

At that time in the old house, Li Yun and his grandfather had a house, and the three sisters had a house. They had two beds. Li Feng slept on the upper bunk, Caiwei and Caixia slept on the lower bunk. Later, they moved to a new home. They both had their own. However, the sisters insisted on not sharing the same room. Until now, they share the same room and sleep together at night.

The relationship between their twins is deeper than any sister.

"Hu, Xiao, Meng! Didn't you say that you are looking forward to today? Get up for me!"

After washing, Zhao Tianfeng saw that there was a big loli sleeping on the bed, he was immediately annoyed and pulled the sheets directly, but the big loli, who was tucked in the quilt, refused to get up, 呶呶 A whiff of protest.

Finally, Zhao Tianfeng got angry and lifted the quilt directly.

As a result, I looked down, but I didn't see Hu Xiaomeng—this girl was holding the quilt directly and was lifted in the air by Zhao Tianfeng.

And there was nothing naked on him, which made Zhao Tianfeng angry again.

"Hu Xiaomeng!!!"

"Get me up!!"

Zhao Tianfeng shook the quilt several times before finally letting this girl fall back on the bed.

"Woo~, people still want to sleep...Ouch."

Hu Xiaomeng rubbed his eyes and sat on the soft bed as a duck, and wanted to act like a coquettish girl, but Zhao Tianfeng directly knocked him over, so he had to get up and get dressed.

After Li Yun sat down for breakfast for the two of them, the two beauties came to the restaurant.

"Get up?" Li Yun looked at the two. The winter in Beijing was very cold. Both women wore down jackets. Yesterday Hu Xiaomeng was purely relying on her own cultivation base to make a hard top. Today, after Li Yun came, she so obediently put on winter clothes.

Chapter 3317: where to play

"You can ask your little girlfriend."

Zhao Tianfeng sat down angrily and blamed all the blame on Hu Xiaomeng.

It's a pity that this little girl didn't mean to apologize at all. Instead, she sat down confidently, took the soup spoon, took a sip of porridge and drank it loudly, saying: "It's delicious~~~!"

Zhao Tianfeng glanced at her suspiciously, followed by eating a piece of egg, and said: "I didn't expect Li Yun to cook, let me see how you do...well."

After tasting the eggs that Li Yun personally fried, Zhao Tianfeng's Danfeng eyes widened, and she even felt like she wanted to bite off her chopsticks.

"too delicious!"

She couldn't help but yelled out, making the maids standing outside the door a little curious, is it so delicious?

"Hehe, right?"

Hu Xiaomeng bit the soup spoon and drank the porridge. He said vaguely: "Brother Yun is not only very skilled, he cooks superb dishes, well, Sister Fengfeng, I told you when I met Brother Yun. Matter?"

Li Yun coughed, "What is there to say!"

That is one of his dark history.

"Oh? Tell me." Zhao Tianfeng ignored him and urged Hu Xiaomeng to start talking about the situation at the time.

"Hehehe, Sister Fengfeng, you definitely don't know? I'm in the street of Longyang County..."

"Yes, it's a roadside stall! Can't you think of it? Brother Yun was silly doing barbecue at the time, so I said I wanted to eat the best supper, and then, ah, I really had the best supper!"

"My chef was still not convinced, and had to compare with Brother Yun. As a result, after the test, my chef almost adopted Brother Yun as his teacher."

Hu Xiaomeng talked about what happened at the time, which gave Zhao Tianfeng the feeling of having met Li Yun again.

Especially after learning that he was a poor boy with no name less than a year ago, it was even more incredible.

"Li Yun, you got the inheritance of the Ancient Immortal Mansion, but you haven't gotten bad?"

Zhao Tianfeng expressed his doubts.

Although she has not seen it with her own eyes, she also knows that many people will become unscrupulous when they suddenly become rich.

"How can it be so exaggerated."

Now Li Yun has already acquiesced to the outside world that he had obtained the Ancient Immortal Mansion. Of course, only the Saint Fanqing did not believe it-the Lord Saint had explicitly asked him, but Li Yun did not answer directly. This is one of the few places where he did not confess to the Saint Fanqing .

"Now that many people have gained abilities, they haven't seen their personalities change drastically?"

"It makes sense."

Zhao Tianfeng nodded.

Hu Xiaomeng disagreed, "What makes sense, Sister Fengfeng, you are so stupid. Many people get supernatural powers. Is it the same as the ability of one person to obtain the ancient fairy mansion? Just because of superiority, Brother Yun's ancient fairy mansion kills in seconds. Those with supernatural powers, besides, they also have a lot of people who have become invincible."

Zhao Tianfeng thought for a while, "Is that really different from Li Yun?"

"Okay, okay, don't boast, your husband, I'm great, isn't it better? Eat quickly, we'll go play after eating!"

What Li Yun didn't have made Zhao Tianfeng fall into contemplation. She looked at the two of them: "By the way...have we discussed where to go to play?"

Hu Xiaomeng's expression froze, "Uh, not really!"

Last night, they and Li Yun sat like idiots in the winter garden first, then went back to the warm living room to mess around, and finally took a half-hour bath comfortably, and there was too much time to discuss the journey in the process. Question, but none of the three thought of it.

Chapter 3318: Snow Mountain Village

"Go to the Great Wall to play?"

Li Yun was the first to suggest that he had come to the capital two or three times, and he had never been there once.

"I don't want to go."

Hu Xiaomeng pitifully rejected this proposal with his eyes, "I don't know how long Sister Fengfeng and I have been playing in the capital. Waiting for Sister Qingyu and others to come, Brother Yun, are you going to play in those places on the Great Wall, OK? I'm now Think of a province to play."

"It's best to go to a hot spring hotel near a super volcano~"

Hu Xiaomeng added, he almost hinted that he wanted to go to the Adoshan Hot Spring Hotel again.

Zhao Tianfeng's face blushed. She knew what it meant to go to a hot spring hotel. Last time they had a reserved relationship with Li Yun. They didn't directly play nonsense, and used a game of king and concubine to cover up.

But if he went to the hot spring hotel again this time, Zhao Tianfeng knew that as soon as he entered the door, the three of them would eagerly jump into the hot spring to soak in the hot spring, and it was the kind of person who didn't need to prepare swimsuits.

What will happen by then, I am afraid she can already imagine.

But Zhao Tianfeng only glanced at Li Yun and did not object to Hu Xiaomeng's proposal.

Going to A Duo Mountain to relive the three days and three nights, Zhao Tianfeng is not unacceptable, but a little disappointed, er, not to say disappointed, but not up to expectations.

"not good."

Li Yun shook his head, "I only went to the hot springs last time, at least wait until next year. Besides, there is not only one hot spring to enjoy."

The hot springs are good, especially in winter, but Li Yun still wants to try more content and gameplay, just like the game update.

Hu Xiaomeng felt a little regretful. After thinking about it, he glanced at the faintly falling snowflakes outside, and said excitedly: "Then we fly to the equatorial island for winter? Sun, beach, swimsuit, sun lounge, coconut tree, dead reservoir water, Superb~!"

Li Yun and Zhao Tianfeng looked at her in amazement, always feeling that something strange was mixed in.

Although Li Yun wanted to have a grand seaside party, he and his confidantes around him all played happily. It's best to have a liberating nature and you can play freely, and it's best to last for ten and a half days and have a thorough play. Happy kind.

But now that the three of them go together, it is inevitable that it is a bit monotonous and boring.

If you go to the beach, it's better to have more people.

Zhao Tianfeng also expressed disagreement: "We are now wearing down jackets and flying to the other side of the earth to wear swimsuits. It feels weird. Think about going to other places... But it's really hard to find places to travel in winter. The scenic spots are also bare. It's not good-looking, Li Yun, where do you want to go? Or go to the hot springs?"

If you think about it this way, it's better to go to the hot springs, go shopping outside, go back to the hot springs, and feel comfortable.

"Okay, okay, go to the hot spring!" Hu Xiaomeng was happy again, and she wanted to revisit the time.

"Ice and snow... I understand."

Li Yun clapped his hands and said a location. The two women's eyes lit up and they agreed to go.

...

afternoon.

The three of Li Yun finally arrived at the destination: Xueshan Village.

"Wow, it's super snowy~~~!"

When finally seeing a white snow scene and the rows of wooden houses hidden in the snow scene, Hu Xiaomeng was so excited that it attracted the attention of many tourists who came here.

But not too many people paid attention, because the beauty of the two women Hu Xiaomeng and Zhao Tianfeng was completely hidden in the thick clothes. Both of them wore thick hats on their heads and wrapped their ears, just like two. A hamster showed a small face, which was extraordinarily cute.

Chapter 3319: Envy?

Speaking of Xueshan Village, it is really hard to say.

In the past few years, there was a popular post, exposing the indiscriminate charges in Xueshan Village. An ordinary fire-kang bed actually received 3,000 yuan, and the owner and waiter also bullied the shop's customers, using shoddy goods to eat just one vegetable dish. Two or three hundred yuan and so on.

A post aroused scolding by countless netizens, causing the number of tourists in Xueshan Village to drop by half.

Later, the Tourism Bureau personally issued instructions to rectify all shops in Xueshan Village, and all accommodation prices were announced, and even in the peak season, the price increase should not exceed 30%. The ordinary fire bed should not exceed 588 yuan, and the business suite should not exceed 3,000 yuan. Waiting for the guide price, this curbs the arbitrary charging of Xueshan Village and regains the trust of the majority of tourists.

Although the reputation is still not very good, it has to be said that the famous scenic spot also means good in a sense.

Because only a large number of tourists will come, the various facilities in the scenic area will be perfect, and it will not be possible to play for a long time. As a result, I can only eat leftovers for dinner at night, or there is no good project to play.

Therefore, Li Yun chose the most famous Snow Mountain Village as the place to play.

"I sent some photos up, so that my sisters are envious~"

Hu Xiaomeng raised his mobile phone, clicked at the entrance of Xueshan Village, took a few photos and sent them to the group.

Pour the country Mingyu: "..."

Qing Guomingyu: "Hu Xiaomeng, your skin is itchy again, right?"

"What is itchy? Xiaomeng, I just posted a few photos, what did the bad guy Qingyu say~"

"You wait, I'll clean up you after four days!"

"Wow, sister Qingyu misunderstood, Xiaomeng didn't mean to make you envy and jealous at all. Xiaomeng just wanted to record the itinerary. By the way, sister Qingyu would be envious, but sister Qingyu was not envied by you!"

Little Pepper: "..."

Little Chili: "I envy it! Badass Xiaomeng, why do you arouse my thoughts of going to play? Oh, it will take four days to see my husband...you must take care of my husband!"

Zhao Tianfeng's face flushed at the sight, and couldn't help but said, "Why don't you come too? It's okay, just come tomorrow."

She wanted to occupy Li Yun with Hu Xiaomeng a little more time, but the girls in the group obviously wanted to play with Li Yun, especially now during the winter vacation, and she and Hu Xiaomeng came to the tourist attraction of Xueshan Village again. Presumably they want to play with Li Yun too, right?

Little Chili: "Haha, just kidding, just play, I and Qingyu will wait four days before we go, okay, let's play, don't care about us!"

Hu Xiaomeng: "Hehehehe, let's go skiing together then, how about? Brother Yun and I will not go skiing for now. Let's book a super large room and play in the room for a few days. Waiting for you to come. Let's go outside to play again!"

Zhao Tianfeng: "...Little Fox!!!"

Xiao Mingzhu: "Pay attention to safety, especially you, Xiaomeng Fox! In ancient times, so many girls had difficulties in giving birth because they were married in the cardamom years."

Princess Yongning: "Um...If Xiaomeng can do it, can Yongning also do it?"

"No!" xN

People in the group were unanimously opposed.

Hu Xiaomeng, who is about the same age as Princess Yongning, said in a serious tone, "Sister Yongning, you still don't want it. Wait, then, after that, Xiaomeng will teach you. ~."

Chapter 3320: The princess is so good

Speaking of which, Princess Yongning is two years older than Hu Xiaomeng, and is about to reach adulthood. In fact, in ancient times, Princess Yongning was the age of cardamom, which is the age at which she could marry.

But Hu Xiaomeng can come to Snow Mountain Village for a date with Li Yun, but Princess Yongning can't.

Although the people in the group were a little surprised by Hu Xiaomeng's decision, Shangguan Lingxian Ji Nu also persuaded her to wait, but after Hu Xiaomeng insisted on their decision, they did not persuade her again.

On the one hand, it is because Hu Xiaomeng is a big kid, and her IQ is no less than that of an adult, as can be seen from her frequent advice to the Fairy Club.

On the other hand, Hu Xiaomeng's body development is much better than that of Princess Yongning. Princess Yongning is as weak as a primary school girl because of her illness. Her small body can't do any exercise at all, even in the afternoon. During the activity time, she wants to go for a run, Gong Qingyu. Li Feng and the others have to watch to prevent any accidents.

Allowing her to play a little fool with Li Yun at night is already the maximum limit.

Therefore, Hu Xiaomeng and Li Yun can come to Snow Mountain Village for a date, but Yongning Princess Zhu Shue can't.

Of course, on the other hand, the reason why the women did not resolutely oppose Hu Xiaomeng and Li Yun's date is that Hu Xiaomeng now has a not-low cultivation base, and his body flexibility is better than that of ordinary adult girls, plus Li Yun There are all kinds of wonderful elixirs.

So even if he was injured when he came to Snow Mountain Village to play, he can still be treated with pill.

Princess Yongning: "[Poor and pitiful] Sisters, when will Yongning be all right?"

Gong Qingyu asked, "Why does Yongning want to join?"

Now Princess Yongning is sitting next to her, no, to be precise, she was hugged by Gong Qingyu, and she was dressed up as a bunny, wearing rabbit pajamas, but her cute and loving look really made Gong Qingyu. Can't put it down.

As I said a long time ago, Gong Qingyu actually likes little Lolita. She has no resistance to these petite girls such as Xia Feiyao and Jin Liuli. She especially likes to dress them up like Lolita in anime, maid, Gothic, Cheongsam Lolita, Bingjiao Lolita, etc.

Her four maids in spring, summer, autumn and winter always wear beautiful and exquisite maid outfits, because her hobby is this~! .

"Because, Yongning doesn't want to be excluded." Princess Yongning replied with Gong Qingyu holding her head up.

This answer made Gong Qingyu stunned.

These days, especially after Li Yun and Liu Xianxian are dating, the atmosphere in the group has become more and more weird. At night, Li Yun will often mess around with them on the super big bed instead of with them. living room.

Gong Qingyu frowned slightly. Indeed, they were too crazy during this period of time. From now on, they should be the same as Mingzhu said, to restrain themselves and not to mess around.

At least you can't be too blatant, just say these things in the group-although the people in the group will also date Li Yun one by one in some time in the future.

"Don't worry." Gong Qingyu hugged the petite Princess Yongning, with a rare smile: "Our princess is still growing, and it won't be too late to accompany her husband in the future. Look at Lord Saint, and your pearl. Sister, they are not in a hurry."

"Oh~" Princess Yongning spit out her little pink tongue, "Yongning is too anxious, Sister Qingyu is right, I will grow up and take care of myself!"

"It's so good~."

Gong Qingyu mua kissed Princess Yongning's little face in one bite. She felt that the little princess was so cute. She was cute before, but now she is even more cute.

She is so cute that she has the feeling of seeing Lily Fan, sweet and so beautiful.
