

Godly Choice 3661

Chapter 3661: End of war

Owha Miko knew in her heart that such Ise Kamakura was the real Mikami, and the little miko who had appeared stupid in front of Li Yun was definitely not what Mikami should have.

Once Ise Kamakura exercises her responsibilities as a Mikami, all her decisions and the expression on her face will strictly follow the way Mikami has been obeyed in the past.

Holy, serious, meticulous, will not use honorifics to anyone, and will not bow to anyone.

Even the respected old man came to Ise Jingu in person, and even her parents came here to visit her, or the royal princess, prince, and even the emperor, the shogunate, the prime minister, and so on.

In the face of everyone, Ise Kamakura will not bow her head, but will only look at each other.

Therefore, at this moment, she represents the highest deity of the cherry blossom country-Amaterasu Omikaze, who exercises the authority of the gods instead of Omikaze.

Therefore, after Ise Jinzakura held the Yata mirror up high, Ohana Miko knelt down willingly.

"..."

Li Yun felt that their behavior was very bizarre, and they would treat them the same way tomorrow, but they still...Forget it, they still don't say what they believe in.

"Get up all."

Ise Jinzakura's voice was indifferent, with a sacred majesty, paused, and said: "The evil has been eliminated, and peace will be restored to Ise Jingu in the future. The previous so-called oracle will be cancelled, and everything will be business as usual!"

"Yes!"

The priests and maidens were pleasantly surprised. Finally, they did not have to fight against the entire country of Sakura Country. They were skeptical of the oracle that ruled Sakura Country, and it would be better to be cancelled now.

Most of them just want to live the same life as before, and only a few of them swear to the death to believe in the Great God.

"evil?"

Xiao Mingzhu thought of something and looked at Ise Jinzakura in surprise. The latter's eyes were indifferent. After taking a look at her, he continued: "Clean up the mess and invite others out of Ise Jingu. Li Yun is the same It's a distinguished guest, Omiyaji, please entertain them both with grand etiquette!"

"Yes!"

Omiya, who was extremely enthusiastic before, has now become very kind. He just stood up and couldn't help showing a sad expression after seeing the corpses around him.

But after all, he was the person who supervised the daily affairs of the abbot, and soon began to act and ordered everyone to clean up the mess.

Ise Jinzakura lowered Yata's mirror, and the light dissipated.

But the peaceful atmosphere around has not disappeared, except for the corpses all over the floor, everything seems to have recovered.

"Li, Li Yun, and you, come with me."

Leaving from Mikami's work, Ise Kamakura's voice trembles a little bit, as if it has become stupid again.

Of course, she still has no honorifics as always, calling Li Yun directly by her name, and directly addressing you to Xiao Mingzhu. It seems that in her dictionary, there are no words that respect other people, and they all speak in an equal tone.

So Xiao Mingzhu couldn't help rolling his eyes, and introduced herself: "My name is Xiao Mingzhu, Xiao, I am Xiao Feng's Xiao...Oh, you don't know our martial arts culture, hehe."

She smiled, but her eyes were observing the change of Ise Jinzakura's expression. After seeing that she did show an embarrassing expression, she was a little puzzled.

"All right."

Li Yun said to Ise Jinzakura who was in a daze: "Aren't you going to take us where? Keep going."

"Oh, please, please follow me to the side hall."

Chapter 3662: Hospitality

Ise Shenying took Li Yun and Xiao Mingzhu in a little panic to a slightly smaller palace behind the Grand Shrine. After entering the door, Li Yun glanced at the furnishings inside and probably understood that this was Yi The place where Shijinzakura usually lives.

It is a bit similar to the facilities in the ancient Huangxuan Country House. It is divided into two parts, the inside and the outside, with a screen. The outside is used for hospitality, and the inside is where she lives and lives.

It is not very luxuriously decorated, of course, it is not simple, it is a very ordinary level. As the most transcendent person in this country, Ise Jinzakura, as Mikako, did not ask the people below to give her very luxurious enjoyment. very common.

—The words of the most transcendent status are absolutely true. Whether it is the emperor in power outside, or the shogun, or the current parliamentary system, it is the change of the throne, or the killing of the general and the chaos of the country, no matter how the outside world changes, it will Does not affect Ise Jingu.

Ise Jinsakura is like Huang Xuanguo's Yansheng Gong. No matter what the outside situation is, he will recognize Mikami as a **** maiden and will be in charge of Ise Jingu.

"This is where you treat your guests?"

Xiao Mingzhu took the initiative to speak again, glanced around the living room, and put it back on Ise Kamakura.

"Um."

Ise Kamakura nodded obediently, and after she faded away from Mikamiko's aura, she regained some silly temperament. Repeated changes made people wonder whether this little maiden would take the initiative to take the initiative when facing other priests and maidens. In the identity of Mikamiko?

In the face of Li Yun, she became a stupid little witch again.

"There are few people here, right?"

Xiao Mingzhu asked again, and Li Yun couldn't help but glance at her strangely. He always felt that Xiao Mingzhu had a lot of problems.

"Well, it seems so."

"Seems to be?"

"Because I'm not sure, only once in a few months did Omiya let me receive guests here. Is it frequent..."

Ise Kamakura said weakly.

Both Xiao Mingzhu and Li Yun looked at her in surprise.

In other words, in normal times, Omiya is responsible for the daily life of Ise Kamiya, or someone under Omiya, for example, Omiya is in charge, even who Ise Kamiya wants to meet. Omiya has to come and arrange for her.

Apart from that, Ise Jinzakura ignored other things, so Omiya asked her to meet people, and she did just that.

"Can't you refuse?" Xiao Mingzhu thought of some bad things, not to blame her for being evil, but for the beauty and temperament of Ise Jinzakura... It was really outstanding, and she showed a very stupid appearance. People are afraid that she will be fooled by some men, to do more in-depth reception.

"Refuse?"

Ise Kamakura tilted her head and looked at her, stupid and cute.

"Just...reject!" Xiao Mingzhu actually didn't know how to explain the meaning of the word rejection, because Ise Jinying's stupid appearance made people wonder if she never refused.

It is totally different from the holy and noble Mikami who held the Yata mirror high and released the light to kill the "evil"!

"Ahem." Li Yun understood Xiao Mingzhu's meaning and explained to her: "It is...If Omiya lied you to do something bad, or something you don't want to do, would you refuse?"

"what?"

Ise Jinzakura was still very confused, and asked very puzzled: "Why is Omiya lying to me?"

"..."

Li Yun and Xiao Mingzhu looked at each other, and they couldn't communicate with this little witch.

Chapter 3663: I don't deserve to be Miko

"It's not a lie, it's just asking you to do what you don't want to do."

Xiao Mingzhu still didn't give up, and said firmly.

"what?"

Ise Kaminakura still didn't understand, she looked at Xiao Mingzhu with bright eyes, and said, "Why would Omiya ask me what to do? I'm a **** maiden, a **** child, and I will only listen to the oracle of the **** god. The palace secretary did not dare to tell me what to do, nor did he feel that I was asked to do anything!"

From the mouth of a young girl who looked like sixteen or seventeen and was still very immature, it was amazing to say something that others would not dare to order her.

In today's society, even royal princesses dare not speak in this tone, right?

"Little Witch." Li Yun looked at her with a weird expression.

"What, what?"

Ise Jinying did not protest against the title of the little witch, it seems that it was because Li Yun was her lifesaver, or simply because he was from Huang Xuanguo, not from Sakura.

"Are you designated as the next Mikami since you were a child?"

"Yes."

Ise Kami Sakura was full of pride, "When I was about two or three years old, I was chosen by the previous prince to be the god's envoy. My senior told me that in the future, you will abandon your identity as a mortal and serve only the Omijin. No one else needs to pay attention. ..."

She was a little bit lost in her words, wondering if she thought of her parents.

However, I can also hear that Ise Kanzakura was designated as a Mikami since she was a child, so she has cultivated her "overbearing" character. She is like "I am a divine envoy, I am not a god." Need to bow to you" attitude.

She will not be arrogant, but she will never bow her head, let alone treat others with honorifics because of their older age or high status.

For Ise Kamakura, there is no more noble person in the world than her, because she is Mikako, the divine envoy of Omika!

"I see, well, I think too much."

Xiao Mingzhu gave an apologetic smile.

It is true that she and Li Yun think too much. As Mikamiko, Ise Kamakura doesn't listen to other people's orders. If she doesn't want to do it, no one can order her. As Mikamiko, she fades away. Before this layer of halo, she would not go to fall in love or anything.

If she wants to fall in love, she will immediately look for the next Mikami.

Only this kind of cultivation method from childhood can cultivate the strange character of Ise Jinzakura, as well as the noble and holy temperament.

"Huh? What do you think?"

Ise Jinzakura asked curiously, still using you instead of elder sister.

How could Xiao Mingzhu say it, and quickly interrupted: "By the way, you were talking about...destroying the evil...?"

"Yes, what's the matter?"

Ise Jinzakura was puzzled again, looking very stupid and cute.

Li Yun thought that Xiao Mingzhu was still worried, and nodded, "It is indeed wiped out. My spiritual sense can feel that the cold aura in Ise Jingu has dissipated."

However, the system hasn't indicated that the mission is over yet. Do you still need to chat with Ise Kanzakura again?

"Then what do you think..." Xiao Mingzhu's eyes flashed with an inexplicable light, and he looked straight at Ise God Sakura: "The Great Royal God you believe in is evil?"

Ise Kamakura shook her body, her eyes widened suddenly, and she subconsciously refused: "No, no, Omikami, Omikami... I, I, I... ooh, I was wrong, I was wrong, It's me who is not good, I shouldn't say bad things about Omikami, I, I don't deserve to be Mikami!"

Chapter 3664: Ding, colorful multiply by 5

From shock to panic, to self-blame and shame, Ise Jinzakura's heart has undergone drastic and complex changes. She now wants to kneel in the Imperial Shrine, confess to Yatayama, and pray for Omikagami's forgiveness.

Seeing her panic, Xiao Mingzhu, the initiator, quickly comforted her: "It doesn't matter, I believe Da Yu Shen can understand you..."

Probably understand.

To be honest, so far Xiao Mingzhu and Li Yun, and perhaps also the people who believe in Amaterasu Omi in Ise Jingu, they all have no idea what this is!

Obviously it was Amaterasu Daiyu God who gave the evil order, but the priests and maidens who believed in her were unwilling to carry it out. In the end, it caused such a situation where the two sides were not humans, and they blocked themselves and suffered endlessly.

Just like the current Ise Kamakura.

"I, I, I'm not a good ***** child."

With tears in her eyes, Ise Jinying almost threw herself into Li Yun or Xiao Mingzhu's sorrow for comfort.

Li Yun thought about it.

Vaguely, he felt that he had fallen into a misunderstanding, no, he had fallen into a trap!

"Ding, the host made the choice to kill to the Sakura Shrine, and investigate what happened here with as few killings as possible. Reward: Justice value + 5 million, colorful gift bag*5, all attributes + 500,000, aura Value + 2 million, get Xiao Mingzhu's special equipment*2, various gift bags below purple*50, and get the great trust of Mikomi."

The reward prompted by the system allowed Li Yun to confirm his guess.

The original reward should be colorful gift bags*3, but there is a triple reward, which should be 9 colorful gift bags.

If only five are obtained, it proves that Li Yun's selection event was not perfect, and there are a lot of things missing that have not been resolved!

Moreover, after this incident was over, he could have obtained all the worship points of Ise Jinzakura—this worship value in systematic terms is that you can knead her at will, and Ise Jinzakura, who is a Mikako, does not Will be angry, and will not have the idea of no longer being a Mikamiko.

This proves that... she was "kneaded" by Li Yun at will, and she got the approval of the ***** she believed in! !

Although this guess was very reluctant, Li Yun felt that he had guessed the truth correctly.

"Mingzhu, we still have things to do!"

Li Yun squinted her eyes and looked at Ise God Sakura. Her sharp eyes made the little maiden uncomfortable, and she shrank her shoulders—in the education she received, she could not bow her head to anyone, but she could not say that she was caught. People are scared.

Therefore, the little witch was so frightened by Li Yun that she screamed, "Why, what's wrong? Why are you looking at me like this?"

"No, I just thought of an interesting thing." Li Yun smiled.

"whats the matter?"

Xiao Mingzhu was wary of the surroundings. Generally speaking, Li Yun showed such an expression that when he was about to do something, even if he suddenly violent the next moment and grabbed Ise Shenying, Xiao Mingzhu would not feel that strangeness.

"That's--" Li Yun stretched out his hand to Ise Kamizakura, and landed on her little head.

The magic is that Ise Jinzakura, who is a Mikamiko, did not hide, but was so scared that her face was crying in mourning, that kind of aggrieved expression that couldn't cry and was very cute and stupid.

Xiao Mingzhu wanted to be serious, but when this little witch was not in the state of a ***** child, she was so stupid and cute, people always wanted to bully her!

Chapter 3665: You are not Ise Jinzakura

But it's right to think about it. Ise Jinzakura has been taken to live in Ise Jingu since she was a child, and she has stayed in the Jingu since she was young.

She hadn't cultivated the solitary and cold personality like that of Fan Qingsheng, but she was just stupid and dull. It was already good luck for her.

"Li, Li Yun, me, this...that...what are you going to do?"

Ise Kamakura is very shy, and Mikako's body can't be easily touched by others, but if you just touch your head... it shouldn't matter.

"Did not do anything."

Li Yun squinted slightly and looked into her eyes: "I just think...you are not Ise Jinzakura!"

"Ah!" x2

Ise Jinying, Xiao Mingzhu, the two of them were all shocked, and the little witch's expression changed from shocked to sluggish, even more stupid and cute.

"I, I am not Ise Jinzakura?"

Ise Jinzakura, the ***** maiden, pointed to her face, touched her cute and stupid face with her white little finger, and said stupidly: "Then who am I? Who is I? Who is Shishenyang and who am I? Ah, who am I...you lie to me?"

"..."

Li Yun and Xiao Mingzhu were covering their eyes at the same time, and Li Yun felt that he should not say anything. There is such a stupid person in the world, and only Ise Jinying, the stupid witch.

"I mean." Li Yun touched her little head, with a look in her eyes, "I suspect that what you said just now was controlled by a certain evil god!"

Xiao Mingzhu pondered for a moment, trying to understand what he was saying.

What Li Yun meant was that the hidden ***** was not Amaterasu, but another evil ***** who occupies Ise Jingu. Therefore, Ise Shenzakura, which was secretly affected by it, would subconsciously say "Destroy the evil." "Such words.

Because that evil ***** himself thinks he is evil, that's why Ise Jinzakura can say that too!

As for the other possibility, Amaterasu, as the ruler of the gods of Gao Tianyuan, would never think that she was evil, right?

That's why Li Yun came to the conclusion: hiding behind the scenes is another evil god!

"What I said just now?" Ise Jinzakura thought for a while, "I just said...who am I, who is me...this is the sentence, or what I said just now, Omiya can't order me , This sentence?"

Xiao Mingzhu & Li Yun: "..."

The child is not saved, so hurry up and choose the next Mikami!

"No one pays attention to this!" Xiao Mingzhu couldn't laugh or cry. "Little fool, witch, what Li Yun said just now was that when you held the mirror high, what you said was controlled by a certain evil god, do you understand? !"

In front of this stupid little witch, Xiao Mingzhu had to explain patiently.

"..... You lied to me."

After thinking about it for a long time, Ise Shinzakura said with tears in her eyes, and wiped her tears, "I know you are good for me and don't want me to blame myself, but at that time I... really said those things, really Yes, at that time I was not affected by the Great God, I was... I said it myself!"

It was she herself who said that the evil had been wiped out.

And evil refers to the Amaterasu God!

"You are too stupid, I am too lazy to lie to you."

Li Yun was too lazy to explain to her, and said directly: "There is more than one way to manipulate people. In addition to directly controlling your soul, you can also be affected by hints."

Chapter 3666: Method

"Yes, is that right?"

Ise Jinzakura, the little witch, nodded seemingly, her expression seemed a lot more relaxed, at least she didn't cry anymore.

Although stupid people cry and are not as lethal as others cry, it is not good how to make a girl cry.

"But how do you prove... or how to resolve this suggestion?"

Ise Kamakura asked Li Yun again.

Li Yun thought about it for a while, and Ise Shinying took the initiative to say: "I will use a few shinto techniques to expel evil and purify demons. Would you like to try it myself?"

Shinto is the magic of Shinto that Ise Jinsakura believes in. Shinto is the native religion of the Sakura Kingdom. It originated from the belief of the ancestors in all things, similar to the original shaman.

Shintoism has nothing to do with Taoism. It is only affected by some influences from Huang Xuanguo. More precisely, the "Shendao" of Shintoism is called the heavenly way, which is different from and similar to the heavenly way of Huang Xuanguo's myths and legends.

More than a thousand years ago, when Shintoism was first established, Ise Jingu was responsible for the management of deities, sacrifices, and Kobe names. Moreover, Ise Jinzakura was also the center of Shintoism and took over the administrative affairs of all shrines.

Therefore, as the Mikami of Ise Jingu, Ise Jinzakura also believes in Shintoism as a matter of course.

The supreme **** of Shintoism is Amaterasu Daimikami.

"This..." Li Yun hesitated.

Xiao Mingzhu saw his hesitation, and explained to Ise Kamakura, "I'm afraid it won't work."

"Why not?" the little witch asked.

"This..." Xiao Mingzhu thought about how to explain, and hesitated like Li Yun, the last two of them looked at each other and decided not to say anything.

The reason is simple, neither of them dared to tell her the speculation in their hearts.

Because.....

If Ise Jinzakura's heart received the spiritual hints attached by the evil god, then in the past ten years, when Ise Jinzakura was cultivating in the shrine, the evil spirit had already had enough time to transform the mind. The hint is completely deep in her heart.

For example, just now, when she held the Yata Mirror high, Ise Kamakura blurted out that she had eliminated the "evil".

But in fact, she herself does not think that Amaterasu is evil, so the "evil" she said in her mouth can only refer to that evil god!

—The premise is that Ise God Sakura really has a strong belief in Amaterasu Omikami, and I can never think that Omikami is evil in my heart.

Things are a little messy, Li Yun and Xiao Mingzhu have no way to confirm the existence of Cthulhu, and further confirmation is needed.

However, if the evil **** really exists, then it proves one thing:

Over the past ten years, Ise Jinzakura has been talking and communicating with Amaterasu Omikami, and all the oracles obtained come from that evil god! !

She almost lives in a deceived place.

Like the deceived protagonist in the movie Truman World:

The falsehood of one's own beliefs means that the world is also false for the mad believer-like Mikamiko.

Therefore, Li Yun and Xiao Mingzhu were afraid to tell her their guesses.

"You are so strange."

Ise Jinying looked at Li Yun and Xiao Mingzhu for a long time, and suddenly laughed, but quickly became discouraged, and said with a loud voice: "If I don't use Shinto techniques to get rid of evil, how can I be sure if I have been affected?You guys will help me?"

Chapter 3667: trust

Xiao Mingzhu looked at Li Yun, she must have no way to help Ise Kamakura, only relying on her boyfriend.

Sure enough, Li Yun nodded: "I have a way, but..."

"Ah, great, come and help me!"

Ise Jinying took the initiative to take Li Yun's hand, her cute little face was full of joy, "It's best to see if I'm really affected by that evil thing, and if it is, then destroy it!"

With that, Ise Kanzakura clenched her small fist and slammed into the air forcefully.

Stupid cute stupid cute.

But it's also very cute, people who change their expressions very quickly, except for moodiness, only innocent and lively people can do this.

Li Yun paused helplessly, then continued: "However, I need you to trust me... and Mingzhu, are you willing?"

Ise Jinying's eyes widened. Just when Li Yun and the two thought she was going to say something, the little witch said loudly: "Of course, I trust you, you are from Huang Xuan country on the mainland. People, the relationship with our Sakura Country has been very good since ancient times, and this time you will come to my Ise Shrine to help me..."

Speaking of this, she was finally a little embarrassed, because the golden phantom that Li Yun had beaten before was actually...Amaterasu?

Woo, Ise Kamakura feels like a bad maiden, bad Mikako at this moment!

"Really believe us?"

Li Yun asked again, only to see the little witch nodding tearfully, which made Li Yun and Xiao Mingzhu think she was forced to believe.

"I need the soul to enter your consciousness, um, it is equivalent to searching for your soul... Of course, it is not to look at all your memories, but to check a little to see if there is any abnormality."

Li Yun once again emphasized that this time, Ise Jinzakura was finally a little scared, "Well, then, will you also see some secrets about the shrine?"

".....certainly."

This is also one of the reasons why Li Yun finds it difficult. After all, no one wants his secrets to be checked.

"You can discuss with other people." Li Yun added, "Whether you want me to check your secrets, first explain that I didn't intend to see it, and I can guarantee that I will never tell you the secrets of Ise Jingu. , No one said anything!"

Li Yun would often tell Fang Xue and others that he knew the secrets of Ise Shrine, but he would not tell them.

"Ah, with your guarantee, that will be fine."

Ise Jinzakura clapped her hands and decided.

Xiao Mingzhu was a little surprised, "Aren't you discussing it with others?"

"No, why do you want to discuss it with others?" Ise Jinzakura gave her a strange look. "It's not the daily affairs of Jingu. This is just some secrets about Mikami and Ise Jingu. I decide by myself. Just fine."

Xiao Mingzhu patted her forehead, she understood.

Because of Ise Jinzakura's "dominant" character, she doesn't need to discuss anything with other people at all, she can decide everything by herself.

"Then you can decide to reveal the secret yourself?" Xiao Mingzhu thought of this.

"Well, theoretically, but I won't do this, Mikami's secret... it's better to keep it secret."

Ise Kanzaku decided this by himself, and then looked at Li Yun: "Can I start now? What should I do?"

Li Yun thought about it, "I want you to let go of the idea of resistance... Forget it, let's have dinner first, don't you need to deal with outside affairs?"

Chapter 3668: Countermeasure

So many people died in Ise Jingu. As Mikami, Ise Jinzakura needed to come forward to abbot order and calm people's hearts.

After becoming Mikamiko again, Ise Kamakura showed that solemn and sacred temperament again, holding Miku, a special magic wand used by the maiden of Sakura Country, and two pieces of diamond-shaped white paper tied to a stick.

She didn't do anything, just walked around with the royal coin, patted here and beat the other side, pretending to be a demon, but it was enough to shock a large group of priests and witches, everyone was respectful He bowed his head respectfully, waiting for the demon-killing ceremony of Mikamiko to end.

To be honest, Li Yun could see at a glance that she was pretending to be, even Xiao Mingzhu quietly turned on his divine consciousness, and the two of them saw everything.

There is no aura fluctuations, no mana fluctuations, no power at all.

It proved that Ise Jinzakura was pretending to be a great god, deceiving the priests and witches.

"Ugh."

At night, when she returned to her bedroom, Ise Jinzakura sighed. It could be seen that she was feeling sad for those who died.

"Sakura..."

Xiao Mingzhu hesitated to speak, but in the end he didn't know what to say to comfort her. After all, strictly speaking, she and Li Yun were both murderers.

Ise Jinzakura sat back on the chair, did not cry, but was not in a good mood either, she just asked to herself, "Why is Omikami...why did it become like this? Is it because of the Horai Island incident? ?"

She said these words in a bewildered tone, which was in sharp contrast to her previous stupid cuteness.

Perhaps it was too unacceptable for her today—or when it happened during this period of time, but Ise Kamizura still did not cry, did not collapse, or could not bear to want to escape.

She is Mikamiko, the most important existence in Ise Jingu, anyone can escape, but she can't.

"..."

Xiao Mingzhu opened her mouth. If she had thought that Ise Kamakura was just a little witch, then Ise Kamakura has truly become a spokesperson for the gods in her mind. , The true Mikamiko.

Her mind is pure and flawless, only the responsibility of being a Mikami is in her heart, as for the other...

"let's start!"

Li Yun made a decision and looked at Ise Kamakura with scorching eyes: "If you want to know the final truth and not let what happened during this period of time happen again, you better believe me!"

Ise Kamakura was stunned for a moment, and then slowly nodded, solemnly: "Okay, I believe in you, and I believe in you! Both of you, I believe it!"

Without Li Yun and Xiao Mingzhu, Ise Jingu still doesn't know what it will be like. She, who is under control, might take someone with her and go directly to execute the orders of the Great God.

Li Yun nodded lightly and looked at Xiao Mingzhu: "Are you going to enter her sea of knowledge with me to take a look?"

"Okay?" Xiao Mingzhu was a little worried, but didn't say anything. She believed that since Li Yun invited her, she was prepared.

"certainly."

Li Yun emphasized to her: "To enter the sea of consciousness of others, it is important not to have thoughts of harming the other person, otherwise, the master of the sea of consciousness will be attacked, and if you go deep into the sea of consciousness of the other person, then If you are identified as the enemy by the master of the sea of consciousness, it will do a lot of damage to your spiritual thoughts. Minor injuries are certain. If you are not careful, you will be severely injured and vomit blood. Fortunately, there will be no life-threatening."

Chapter 3669: Miko Boudoir

"Okay." Xiao Mingzhu took the initiative to hold Ise Jinying's little hand, and smiled intimately at her: "Of course I trust the little witch, right? Little witch~"

Ise Jinzakura was infected by her cheerful smile, stayed for a while, and said enviously: "Mingzhu, you are so beautiful."

"...I want to call my sister!" Xiao Mingzhu couldn't laugh or cry, this little witch always called others by name.

"elder sister."

"Sister Mingzhu!"

"Sister Zhu?"

"Little Miko!!!"

"Hee hee hee."

When the two women started fighting, it can be seen that the two have at least reached a close relationship with good friends, and at least trusting each other is affirmative.

As for Li Yun...

Even if he is rejected as an enemy by Ise Kanzakura, he is sure to protect himself within the sea of her knowledge.

"Anything else to pay attention to?"

Xiao Mingzhu looked at Li Yun, she was still a little nervous when she wanted to enter the sea of knowledge of others with divine consciousness for the first time, and of course she was looking forward to it.

This was the first time she used divine consciousness to fight.

"Well, remember, the sea of consciousness is ever-changing, and it is the place where the soul of the human lives. One of the symbols that a person can have consciousness is that the sea of consciousness is active and full of vitality. Otherwise, the sea of consciousness is a vegetative person, and the sea of consciousness becomes a dead sea. .

Therefore, the active Consciousness Sea is full of all kinds of magical things. After we enter, you should not be too surprised at Mingzhu. When you see the terrifying monster, you should also strengthen your faith and treat everything as fake! "

"In addition, it is best to set the key idea of getting out of yourself, so that as long as your mind moves, your spiritual consciousness can go out."

Li Yun explained to her the magical effects of divine consciousness one by one. The magical thing is that Ise Jinsakura actually understood most of it. She doesn't know much about divine consciousness, but her spiritual power is strong enough, and she has always been with Amaterasu Omikami. Dialogue, she can break through boundaries almost at any time, possessing her own spiritual thoughts.

With everything ready, Li Yun finally said to Ise Kamakura: "Wait for the three of us will lose consciousness. It's best to find a safe place."

What Li Yun didn't say was that he would set up an array to guard his surroundings, and if something like an evil **** came in, he would be able to react immediately.

In addition, the congenital Dao fetus that Li Yun had was not a vegetarian. The Cthulhu wanted to kill him, and he had come to kill him a long time ago. It is impossible to have the power to kill Li Yun with a single blow, and he can react with more than enough time.

Of course, none of these Li Yun will tell Ise Kamakura, because she is now...

"it is good."

Ise Jinzakura stood up and walked inside the screen: "We go inside. Inside is where I sleep. They won't come in. If they don't see me, they will only exit."

Inside, it is naturally the girl's boudoir of Ise Jinzakura.

Xiao Mingzhu glanced at Li Yun and walked in with the little witch first.

Li Yun always feels that her eyes are meaningful! !

After bypassing the screen, there is still a wooden barrier for partitions, and then walking inward, you can really reach the place where Ise Jinzakura, one of the most noble people in the cherry blossom country, Mishiko, lives.

Li Yun glanced at it "randomly" and found that it was no different from the outside, except that there were more items for girls' homes.

For example, close-fitting clothing, corsets, close-fitting...cough cough, it's probably just this and that kind of clothing!

"I, I tidy up."

Ise Kamakura blushed with shame and hurriedly tidied away, all the clothes she was ashamed of seeing people.

But the surroundings were empty, no wardrobes, no tables, no beds, only tatami mats. In the end, she could only stuff all the clothes into the quilt on the tatami mats and hide them tightly.

Chapter 3670: Relax the mind

"stare."

After hiding the shameful clothes, the two women stared at Li Yun, and the little witch looked a little angry.

"What? I didn't see anything!"

The gentleman Li Yun sat cross-legged on the ground like a frank, he took off his shoes before he came in. The place where Ise Jinzakura lived is a huge tatami mat, a very old Japanese room...Anyway There is no need to wear shoes. The wooden plank is covered with a carpet woven like a straw mat. It is very comfortable to step on.

"Humph."

The little witch snorted, but she didn't grind too much, and soon sat opposite Li Yun.

Xiao Mingzhu also sat down, and Ise Jinying moved her position again, and the three formed a figure-shaped figure.

"It's getting started, reach out and hold each other."

Li Yun took the initiative to stretch out his hand and unceremoniously grabbed the two women's little hands and asked them to close their eyes together.

"This, this?"

Holding Li Yun and Xiao Mingzhu's hands respectively, in a ten-fingered posture with the two, Ise Kaminakura was a little nervous. Is Li Yun trying to perform some magical spell like this? She still trusts the Taoism from the ancient Huang Xuan country!

"Um... relax your mind, trust me, and trust each other, as if we were a family."

Li Yun's words made Ise Jinying's face flushed. She secretly opened her eyes and took a look, only to find that Li Yun did not know when she also opened her eyes. She was so frightened that she quickly closed her eyes again, and her little hand held them tightly. Hands.

Xiao Mingzhu could not help but open her eyes when she felt the little witch grasp her tightly.

As a result, all three of them lost their minds!

"..."

"Don't be angry, let's do it again, right, Mingzhu."

"Call my sister."

"Mingzhu~ Sister~"

After the incident, the two women quickly settled down, but Li Yun did nothing. He only opened his eyes and drank when he knew that Ise Jinzakura couldn't stand tiredness and began to fall asleep. With a cry:

"Into the soul!"

Xiao Mingzhu was shocked, only to feel that his spiritual thoughts were trapped by a force, and rushed out quickly.

This kind of tremor, the feeling of flying out uncontrollably, makes people have a strong sense of dizziness and panic, just like sitting on a roller coaster, being driven by the speeding car involuntarily, making people want to scream. .

No wonder Li Yun said to trust him. If he hadn't reminded him before, Xiao Mingzhu would definitely resist it subconsciously, because the feeling of being pulled by the soul is really particularly uncomfortable!

After Xiao Mingzhu's soul stabilized, he took a closer look and found that the surrounding environment had changed and turned into a bizarre sight.

The sky is full of clouds and clouds, occasionally there are flying lambs, cows, trees, apples and other messy things; far away, a large stretch of palaces undulates like a mirage, dreamy and beautiful.

At the foot, there is an empty island, suspended in the bottomless air, and there are also islands floating in the sky all around, and the things on it are equally strange.

"Here...is the sea of consciousness of others?!"

Xiao Mingzhu was shocked and looked around, "This seems to be different from my divine mind inward looking, or the way I observe the sea by myself."

"Of course it's different."

Li Yun shook her hand, stood on this empty island, and smiled: "According to my experience and the explanation Qing Sheng gave me, everyone's knowledge of the sea is different, and their performance is different."
