Chapter 3671: The Sea of Knowledge of the Little Witch

"and."

Li Yun let go of her hand, making Xiao Mingzhu a little nervous and disappointed, because in this bizarre world of knowledge of the sea, she still felt safer to hold Li Yun's hand.

Of course, she also knew that only when Li Yun let go of her hand could she get the purpose of exercise, otherwise Li Yun deliberately brought her in, and the effect would be very small.

Xiao Mingzhu knew that she was a cumbersome, and Li Yun deliberately let her also enter the sea of knowledge of Ise Kamakura in order to show her a long experience.

"And what?"

Xiao Mingzhu chose to stand still and took a deep breath, trying to adapt to this strange feeling.

"When our divine consciousness sees our own sea of consciousness, and enters our sea of consciousness with others, we don't come from the same place."

Li Yun explained: "As the masters of our own sea of knowledge, we can easily see through the nature of the sea of knowledge, thereby tempering our spiritual power and slowly letting our soul grow.

As for outsiders, it's as if we actually entered the Little Witch's Sea of Consciousness. She only opened up the surface area of the Sea of Consciousness. You can think that what we are seeing now are all defenses created by the little Witch's unconsciousness. This is not a question of trust or distrust, but the instinctive rejection of the human soul.

Unless special methods are used, or a deeper understanding of the other party is used, it is possible to enter the deeper part of the sea of consciousness. "

This is a bit weird, but Xiao Mingzhu understood.

"Doesn't that mean," Xiao Mingzhu looked eager to learn, "If we practice a certain technique, we can transform the surface of the sea of consciousness by ourselves, so that outsiders can't see any fragments of our memory, even one thing. I won't show him it, a bare piece!"

"My Pearl is so smart, I guessed it all at once."

"Whee."

Xiao Mingzhu was very useful to Li Yun's words.

"And ah." Li Yun said again: "If you have initially cultivated divine consciousness, you can build your own sea of consciousness into a golden soup. Pieces of flying swords instantly slay the invaders' divine consciousness, and annihilate them. It has the slightest opportunity to act...In short, the offensive and defensive aspects of the spirit are also a huge knowledge, not inferior to the practice of the body, and possessing divine consciousness is only the first step.

"Yeah, understand."

Xiao Mingzhu was inexplicably happy. After possessing divine consciousness, he finally entered the ranks of practitioners!

It's no wonder that Gong Qingyu had been talking about divine consciousness before, but now he was satisfied after getting what he wanted.

"Come on, let's look around."

"it is good."

Xiao Mingzhu looked around enthusiastically, and fell from one empty island to another, and saw many inexplicable and weird things.

Winged rabbits, fire-breathing lambs, horned cakes, etc., these are just ordinary things, more of them are indescribable things that can't even be recognized in shape, and all kinds of messy things are put together.

"Haha, it turns out that people's thoughts are so confused."

Xiao Mingzhu smiled and uttered, thinking about the occasional thoughts in her mind. She was sure that this was indeed the surface of the sea of consciousness of Ise Kamakura, and the strangeness represented by all kinds of thoughts that flashed by accident. Things will be piled up here, forming inexplicable shapes.

For example, a jewelry with a face, this may be that the little witch sees the beauty of other people's jewelry and wants to own one for herself.

But of course she wouldn't ask for it. This thought would accumulate on the surface of the sea of consciousness, forming a strange appearance.

Chapter 3672: search

"It's not all the things formed by the thoughts of the little witch." Li Yun looked at the strange things around, guessing: "Perhaps there are some strange things formed by fusion."

"Like a big watering hole, people's thoughts and thoughts are all mixed together?"

Xiao Mingzhu smiled and looked at him. The strange pictures in front of her had some adventure elements. Isn't it exactly what she was looking forward to, the adventure story she could experience with Li Yun?

Although she played a little role in this incident, she also helped to block the priests and witches, and even the battle with Ryu Tokugawa was specially made by Li Yun for her to exercise.

But even so, Xiao Mingzhu was very satisfied. She felt that she would not forget this time in the next few years, maybe even longer, and remember it for a lifetime.

"almost."

Li Yun tried to fly up in the air, "You try too, don't treat this as the real world, everything here is controlled by the little witch, she is the \*\*\*\* here, and we are the guests, as long as the \*\*\*\* allows us, we You can do anything!"

"Oh?"

Xiao Mingzhu was enthusiastic, and began to experiment, her thoughts moved slightly, and soon her body flew lightly, without any assistance or force to maintain the movement, just like this.

"It's amazing! Then can I do everything?"

"Haha, I think it's beautiful, even if you create a nucleus. It pops up, but it can't explode. It's nothing but obvious. If I say this, you understand Mingzhu?"

Xiao Mingzhu was very clever, and Li Yun made a call and she sorted out many things.

To put it simply, this sea-conscious world of Ise Shenzakura allows her to ignore many physical rules of the real world, but there are special rules that belong to the sea-conscious world of Ise Shenzakura, which cannot be destroyed at will.

"Ok, I want to understand, let's go!"

Xiao Mingzhu urged: "I heard that staying in other people's world of knowledge for a long time will be very troublesome. Let's solve it as soon as possible... By the way, do you have any ideas? What do you want to say?"

The world of knowledge of the sea is the spiritual world, and a long stay will definitely cause problems.

Li Yun smiled bitterly: "I'm just guessing, how to do it, we have to go one step at a time, let's take a look first!"

The cheating system does not come out to remind you!

Forget it, calm down, and can't develop the habit of always relying on the system, otherwise it is easy to become a giant baby.

"Okay." Xiao Mingzhu agreed and flew around with Li Yun, flying in this vast and strange world of sea of knowledge.

To be precise, it was the two who were flying on a large area of floating islands, both searching and checking, whether there was any problem with this sea of consciousness that belongs to Ise Jinzakura.

The floating island and the surrounding sky are full of people and things that Ise Jinzakura encountered while growing up. Almost all the things in Ise Jingu appeared here.

Ema, witch costumes, bells, torii, cash box, various palaces, etc.

Even the white hunting clothes worn by Omiyaji and others have become armored, appearing on some animals-this is undoubtedly quite strange and terrifying, and the real world will hardly appear, but it can be seen in the sea of knowledge. In the world, everything is possible.

"Li Yun, have you found anything?"

Xiao Mingzhu couldn't help asking, she and Li Yun had already flown to more than one hundred floating islands, and had seen too many people and things about Ise Shenzakura.

But nothing was found.

## Chapter 3673: Ask for help

Even from some strange things, it can be inferred what Ise Kamakura has encountered, and her views on certain things and people-for example, Li Yun can infer from the scene of some snakes covering black shadows. Out, Ise Kamizura is very afraid of snakes, maybe she left a shadow when she was a child, so in her consciousness, snakes represent evil things.

But this is of no use. Li Yun has no special interest in peeking into the memory of a little witch, and nothing more than some daily messes. Could the little witch be possessed by other systems, reborn, or the reincarnation of Amaterasu ?

It's impossible to think about it.

"Ah, what should I do?"

Only then did Xiao Mingzhu feel the tricky part. At first she followed Li Yun into the sea of consciousness of others, thinking that she could check her memory like browsing a computer, but in the end she could only see this messy world.

To be honest, this is the case after watching a lot, just like watching postmodernist paintings, nothing is normal!

"let me see....."

Li Yun pondered for a moment, then looked up at the sky, "We seem to have overlooked one thing..."

"What's up?"

"Since we have obtained the approval of the Master of the Sea of Consciousness, why not just ask her?"

"Ah, this is fine?"

Xiao Mingzhu was surprised, watching Li Yun Yangtian yelled a few times, "Little Witch, we are here to help you!" "You open the door for us!"

After waiting and so on, the world has really changed.

The original floating island has turned into a continuous palace, looking at the style, it is actually Ise Jingu!

"there!"

Xiao Mingzhu pointed to the distance again in surprise. At the entrance of Ise Shrine, a little girl was playing alone under the torii gate. Seeing the little girl's appearance, one could tell at a glance that she was the Yi of her childhood. Shi Shen Ying!

Li Yun breathed a sigh of relief, "It seems that we have indeed gained her approval. Let's go and see her."

"What the hell... Forget it, I guess you don't know much, I'm still optimistic about it myself."

Xiao Mingzhu gave up the idea of asking Li Yun, followed him, and the two went under the torii together and saw the little girl playing alone.

She was about seven or eight years old, and she was wearing a witch costume with white and red, but her little face was not as solemn and sacred as she was when she was seventeen or eighteen, and she did not have the silly breath.

The current Ise Jinzakura is no different from ordinary children. He looks very cute, with her dark hair draped around her waist, and her hair tips are neatly cut. It is a very typical Jifa style with a very good impression and a very solemn one. Kind of hair style.

But putting it on the seven or eight-year-old Ise Kamakura will only make people think that she is even cuter.

"what!"

The eight-year-old Ise Jinying saw Li Yun and Xiao Mingzhu, and just like Xiao Mingzhu, she showed a surprised expression and pointed her finger at Li Yun.

For a while, she held a word in her small mouth: "Are you... Brother Li Yun?"

The eight-year-old Ise Kamakura's first words made both Xiao Mingzhu and Li Yun feel extremely weird.

First, the eight-year-old little witch knows Li Yun's name.

After thinking about it, I don't seem to know. After all, the Ise Kanzakura in front of me is not really when she was eight years old, but a projection of the body. Although she is eight years old, she has the memory of an adult Ise Kanzakura.

Second, the eight-year-old little witch seems to have grown-up memories, but she doesn't seem to know what is happening outside. When she calls out Li Yun's name, she uses interrogative sentences instead of affirmative sentences.

The three or eight-year-old Ise Kamakura still yells for his brother! !

Chapter 3674: Eight-year-old witch

You know, I'm seventeen or eighteen years old outside, and Ise Jinzakura (the body) of Mikami has no sense of respect or inferiority or elder or child in her mind. She calls everyone by her first name. .

Li Yun estimated that even if the emperor came, Ise Jinying would just call her the emperor, and would not add any titles such as His Majesty the Emperor and the Emperor's Grandpa.

Even if Xiao Mingzhu asked her to call her sister, Ise Jinying just called Xiao Mingzhu as sister Zhu in a joking way.

This shows how weird the first sentence of Ise Kamakura, who is only seven or eight years old, is in front of them.

"You...know us?"

Xiao Mingzhu is not a fool. She also thought of the same thing as Li Yun. Therefore, she walked forward with a weird face, knelt down, and carefully looked at the little girl who was only one meter tall.

Ise Jinzakura in front of me is too small and too cute.

A simple red and white witch costume did not affect the appearance of her little beauty embryo in the slightest, but added a kind of ethereal aura to her, just like a lark flying out of the mountains, humming and jumping in front of her.

It's as cute as a porcelain doll.

If it weren't for the concern that this world is an abnormal world of knowledge of the sea, Xiao Mingzhu could not help but hug her and love her well-girls always have no resistance to cute things.

"what?"

The eight-year-old little witch blinked in confusion. From this look, Li Yun could vaguely see how her stupid appearance came from in the future.

"It's..." Xiao Mingzhu didn't know how to explain for a while, so she could only point to her beautiful face, and leaned in front of her: "Little Miko, do you know your sister?"

"Of course!"

The eight-year-old witch's voice is very clear and sweet, and her voice is different from the voice of her when she grows up.

"You are sister Mingzhu, you are brother Li Yun, right?"

The little witch showed a proud expression, as if a good baby who had got a little red flower in kindergarten was waiting for her parents to reward her.

Li Yun smiled and said: "Yes, since the little witch you know us, you must believe us too?"

"Brother Li Yun, I am not called a little witch!" The eight-year-old Ise Jinzakura wrinkled her nose, corrected his words, and explained: "I haven't become a witch yet, um, no, I am Mikami is not an ordinary shrine maiden."

Li Yun and Xiao Mingzhu looked at each other, and both of them confirmed one thing:

The Ise Kamakura in front of me is when she was eight years old, but she has a little memory of adulthood, and it is a very magical existence!

The personality of eight years old and the memory of sixteen or seventeen years old are mixed together to form a wonderful chemical reaction.

Only in the sea of knowledge can one's personality go back to childhood.

However, if you think about it carefully, after some people in the world are seriously injured, their personality will inexplicably fall back to their childhood.

There are also some people whose personalities are directly split into many, which is the so-called multiple personalities!

Are these multiple personalities, like the Ise Kamakura in front of me, conceived somewhere in the spiritual world. Normally, I don't even know my hidden personalities. Only at certain times, other personalities will come out... ...?

Li Yun was not sure, but could only confirm one thing, Ise Jinying in front of him trusted him and Xiao Mingzhu!

"This is easier."

Looking at the little witch, Li Yun showed a big bad wolf smile, and the eight-year-old girl took a step back in fear.

Chapter 3675: Brother Li Yun

"Li Yun... Brother?"

Koise Kanzaura had a terrified expression on her face, and the thing she was holding in her hand was blocking her chest.

It is a mirror.

To be precise, it is Yata Mirror! !

Only then did Li Yun and Xiao Mingzhu see clearly, it turned out that this little Lolita Ise Shenzakura actually held the Yatayama mirror, one of the three artifacts of the country of Sakura!

Recalling that when she first saw her, Little Lolita did indeed hold a mirror in her hand, but at that time Li Yun and Xiao Mingzhu were too surprised and did not pay attention to what a little girl was playing with.

"Sakura, don't be afraid of this bad brother! There is a sister."

Xiao Mingzhu became a confidant sister, and after a lot of coaxing, she succeeded in letting little Lori feel relieved, and quietly made a grimace at Li Yun. After confirming that the bad brother was not angry, her little face showed a smile again.

——Children are like this. They like to make faces at others. If they are not specifically provocative, they are meant to be friends with each other.

Li Yun smiled and asked: "Little Miko, why are you playing with a mirror? Do you know that this mirror is very precious!"

In the real world, Yatagami is a treasure enshrined in Ise Jingu. Of course, it is also an item that Ise Jinzakura is responsible for. In theory, Ise Jinzakura can play whatever she wants. For example, she can play Yata Mirror took out the Imperial Shrine and used the mirror to perform shinto skills, purifying a large area of priests and witches.

The Yata Mirror, the Eight Shaku Jade Gouyu, and the Kusanaru Sword. These three treasures were originally gifted to the first emperor and the emperor by Amaterasu Daiyu God. The Yata Mirror should indeed be the item of the God's emissary, otherwise it would not Enshrined in Ise Shrine.

In the Kingdom of Sakura, God Envoy = God Miko = Mikamiko.

"what?"

The eight-year-old little witch screamed again and corrected Li Yun's address to her again: "I've said that I'm not a little witch...well, is this mirror? It was given to me by the Great God of God!"

"Omikami!?" x2

Li Yun and Xiao Mingzhu were surprised at first, but soon thought that what the little maiden said should be that she would become a miracle in the future, so Yata Kyou was also a reward given to her by Amaterasu.

Nothing wrong.

"Uh-huh!"

The eight-year-old Ise Kaminakura uttered something that made both Li Yun and Xiao Mingzhu horrified at the same time: "Omikaru is good. He taught me to learn and rewarded me with fun things. Even the food was given to me by Omikami. Yes, I like Omikami the most!"

Innocent words surprised Li Yun and Xiao Mingzhu at the same time.

Amaterasu Omikami, is within the sea of knowledge of Ise Kamakura? !

Li Yun asked directly: "Little Witch, the Great Royal God in your mouth is real...Have you really seen her?"

"Tell me to call me Sakura."

The eight-year-old Ise Jinzakura bulged and said, "Of course, Omikami is my most important person. Of course she is in the shrine."

Li Yun looked at the inside of Ise Shrine and thought thoughtfully: "Did the little maiden imagined it, or something? Pearl, get ready!"

"it is good."

When he said a word, Xiao Mingzhu knew what to do. At the moment, she smiled and said to the eight-year-old Ise Kamizura: "Sakura, can I take my brother and sister in and have a look? We also want to see Omikami Woolen cloth."

She was a little nervous, face to face with a god, even if it was a phantom, she deserved to be treated with caution.

Of course, the saint son Loli at home, because of the familiarity, no longer has the majesty of a god!

Chapter 3676: Amaterasu

"OK!"

Little Ise Kamakura happily agreed, and ran forward voluntarily, looking back at Li Yun and Xiao Mingzhu, giggling and saying: "Brother and sister, keep up, I will take you to the Great God. Da Yu Shenren is good...Unlike the bad brother Li Yun, he always calls people little witches!"

Little Ise Kamakura made a playful grimace at Li Yun again.

Li Yun smiled and squinted, "Aren't you going to be a witch in the future? Isn't it just right to call you a little witch?"

"Well, it makes sense. Da Yujin also said that I will be her messenger in the future. I will help her beat bad people and do some things for her."

"Did you agree to her?" Xiao Mingzhu asked nervously when she thought of something.

"Of course~."

Of course, this word seems to have become the line of Ise Jinzakura.

This is a witch with no scheming, if such a simple person is brainwashed...

It's not too easy.

With such a heavy heart, Li Yun and Xiao Mingzhu, along with the eight-year-old witch who was jumping around, walked into the Ise Shrine again.

"Li Yun."

Xiao Mingzhu did not change her face, nor turned her head to look at Li Yun, but said softly, "Do you think that Sakura suddenly let us come here and set up a personality of her when she was eight years old to welcome us. Is it because of her original intention? ?"

Everything happened in front of me too fast, and Xiao Mingzhu was almost unable to react. She and Li Yun were about to face the Amaterasu God, the goddess of the legendary sun symbol, in this shrine?

"have no idea."

Li Yun's voice was also very soft, "Maybe it was her intention, or it might be an unconscious behavior, or even something evil that attracted us, but we only need to remember two things."

"Which two?"

"First, no master of the Sea of Consciousness will do anything to destroy the Sea of Consciousness. She can only maintain the stability here, and only the invaders will think of destroying here!"

Li Yun continued: "The second thing is that we have obtained the recognition of Ise Jinzakura's ontological consciousness. If there is something in this sea of consciousness that actively attacks us, it must not be out of Ise Jinzakura's original intention!"

Xiao Mingzhu nodded, and glanced at the Ise Jinzakura who was walking in front. In other words, if the Amaterasu Omikagami, who would see later, attacked if he didn't agree with him, it would definitely be evil.

Because the little witch trusts Li Yun and her, it is impossible to take the initiative to attack.

Therefore, if the eight-year-old Ise Kanzakura also attacked the two, then she must have been tampered with instead of Ise Kanzakura's original consciousness!

"Does everything depend on the real world? I see."

Xiao Mingzhu took a deep breath, calmed down, and prepared to face the next challenge.

"Brother, sister, do you know Omikami?" Koisei Kanzakura called.

"I know."

"Ah? Hehe, do you want to believe in the Great God? The Great God is a very powerful \*\*\*\* with unimaginable mana..."

Koisei Kanzakura kept talking about Amaterasu Daimikami along the way. From the first time she saw Omikami, she said that Omikami rewarded her with the Yatayama mirror, and she told her to take good care of it. This is Wadamikami. The only way to communicate.

"Communication?!" x2

Li Yun and Xiao Mingzhu spoke at the same time, very surprised.

"Yes~"

Ise Kamizura covered her mouth and smiled: "Don't tell the bad brother you, I secretly tell my sister you, Omikami communicates with me through this Yata mirror, so I always hold this mirror. ."

Chapter 3677: Meet

Li Yun and Xiao Mingzhu were shocked again.

Could it be that this is one of the secrets belonging to Ise Jingu Mikamiko?

Communicating with the gods is actually through the Yata Mirror, one of the three magical tools, does that eight-foot Qiong Gouyu also have such a function?

Kusanaru sword was not taken into consideration. After all, it was a sword, not a supplementary thing.

If the eight-year-old Ise Kamakura is talking about the secret of the real world, then maybe there is something hidden in this secret communication method...maybe.

"Every time I pick up the mirror, I feel so comfortable~"

Little Ise Kamakura said again: "It's like holding a big stove, warm and satisfied. When other people see me, they will show respectful expressions... Well, that's not good, my parents saw me. Holding this mirror, I also kneel down in fear, a little annoying... Well, actually, mom and dad don't need to kneel... But I will be Mikami in the future. I made a decision a long time ago and I don't know what to do... .."

As Ise Kanzakura spoke, her voice gradually became confused.

Xiao Mingzhu felt distressed, and took the initiative to hug her, comforting her a few words.

Of course, Ise Jinzakura will not be confused when she grows up. She has become a qualified Mikami, and perhaps only the ideal of serving Omiji is left in her heart. Even if she occasionally feels troubles, she will solve it through prayer.

But Ise Jinzakura, who was only eight years old, did not become a Mikami, but had what an average little girl longed for.

Family, friendship.

"Sakura." Li Yun called her name for the first time and looked at her firmly: "Don't worry, if there is really any evil \*\*\*\* messing up here, I will help you solve it! Definitely!"

As Mikami, Ise Kamakura is stupid and cute, but it makes people feel distressed.

"what?"

Little Ise Kamakura, I don't understand Li Yun's words.

"Hahaha, go, go in! Take a look at the Great God in your mouth, who is it!"

Li Yun laughed, making her walk faster.

Ise Kamizura couldn't understand, but she was still very obedient. She moved her feet faster, ran quickly, and took the two to the gate of the Imperial Shrine in a few strokes.

Before he got even closer, Li Yun saw the faint golden light escaping from the imperial palace, and an inexplicable aura oppressed it, like a supreme \*\*\*\* living in the palace, waiting for Li Yun and Xiao Mingzhu's audience!

"carefully."

Li Yun only whispered a word, and took the initiative to move forward, first stepping into the Imperial Palace.

Xiao Mingzhu followed closely, followed by Ise Jinzakura who yelled Omikami, and the three of them entered the shrine together.

Inside, a golden figure attracted the attention of Li Yun and Xiao Mingzhu.

She sat cross-legged on a high platform, a full seven or eight meters high, and her whole body was enveloped with a faint golden light. The boundless majesty exudes, like the golden Buddha who came to the world, giving people a powerful and incomparable sense of majesty.

This golden female god, even the false things created in the sea of Ise God Sakura, is enough to shock people's hearts.

What's more, she is not necessarily fake!

Yes, anything in the Sea of Knowledge may be fake, but Amaterasu Omikari alone is likely to be true!

The reason is also very simple. Omikagami can communicate with Ise God Sakura. She seems to have a part of her sanity remaining, and she has a little power left in the mortal world. Or, Ise God Sakura knows the \*\*\*\* in the sea, it is Amaterasu God Sakura!

Chapter 3678: Sakura, go out

The huge golden female god's body occupies the entire imperial palace, while being sacred and majestic, it gives people a strange feeling like nothing.

The reason is very simple. The Imperial Shrine was not originally a place for gods to live, but as a place for the gods to pray and hold sacrifices.

This goddess, which is seven or eight meters high, is crammed in the Grand Shrine, as if human beings have come to the Lilliputian Kingdom, and there is a sense of discord everywhere.

Of course, Li Yun couldn't speculate that this goddess was a weird thing, because the world itself is the sea of consciousness of Ise God Sakura, and any inconsistency should not be surprising.

Ise Jinzakura is praying to Amaterasu Daimika in this palace, so in her mind, it makes sense that Omikami appears here.

"Omikami~~!"

Ise Kamizakura happily ran in, stood in front of this huge golden goddess, and looked up at her: "Sakura is back, these are Sakura's friends, they said they also want to believe in the gods!"

The corner of Li Yun's mouth twitched. Who said he wanted to believe in this Amaterasu?

He didn't really want to believe in the gods of Huang Xuanguo. At most, he respected Empress Nuwa, let alone a native \*\*\*\* of a small island country!

Xiao Mingzhu looked at him and found that after Li Yun was silently observing, he also stayed still.

She kept in mind what Li Yun said before: This is the consciousness of Ise Kamakura. Without the permission of her subconscious, it is almost impossible to do anything.

The golden goddess was also silent, without the slightest expression on her golden face, her eyes were closed, her hands were on her legs, it seemed that it was just a dead thing imagined by Ise Jinzakura, not a conversational object. .

"Omikami?"

"Omitama, what's wrong with you?"

"Why are you not talking?"

Inside the Imperial Shrine, only the suspicious voice of Ise Jinzakura echoed.

"Sakura."

After a while, Li Yun looked at the face of this goddess, and asked Ise Jin Sakura: "Are you sure that the Great God God you believe in can speak?"

"Of course! Omitama was fine before. If I ask, I will answer my questions."

Ise Kamizakura held the Yata Mirror and said strangely: "But today, for some reason, Omikami hasn't responded anymore. It's weird? Isn't Omikami not wanting to see you brother?"

"You have said that we believe in her, and those who believe in her are not seen?" Li Yun smiled, "Sakura, you go out and play, we stay here to talk to the gods, maybe she will take care of us. ?"

"what?"

Xiao Mingzhu and Ise Jinying were all surprised by Li Yun's proposal. I don't know why he made such a proposal.

"Okay?" Xiao Mingzhu also asked. Although she didn't know, she still believed and helped Li Yun.

"Hmm... Brother and sister want to chat with Omikami alone?"

Little Ise Kamakura nodded, and after thinking about it seriously, she chose to agree. After all, in her heart, Omikami was majestic and powerful, and her brothers and sisters were reliable people. Of course, she could talk alone.

"OK then."

Little Ise Jinsakura walked out holding the Yata Mirror, and told Li Yun: "Brother, please hurry up, and play with me when the chat is over, and sister...no one in the shrine can play with me, okay. lonely."

Chapter 3679: Strange

It really hurts to say lonely words from an eight-year-old girl.

"Okay, when the work is over, my sister will play with Sakura~"

Xiao Mingzhu touched her little head and said with a smile.

Ise Kanzaku nodded vigorously before walking outside happily.

After she disappeared, Xiao Mingzhu straightened up and murmured, "Being a noble \*\*\*\*\* child, she must have suffered a lot, right?"

The words just now should be a true portrayal of the mood of the eight-year-old Ise Kamizura, which remained in her sea of consciousness.

Unfortunately, Li Yun and Xiao Mingzhu did not come to Ise Shrine when they were eight years old to play with her.

No amount of loneliness can be resisted by Ise Jinsakura alone.

"After we go out, you can play with her."

Li Yun smiled and said: "The little witch in the real world is not big, she is only sixteen or seventeen years old. Even if she becomes a \*\*\*\*\* child, she is also a girl. If you play with her, she will definitely be happy."

A smile appeared at the corner of Xiao Mingzhu's mouth, but he soon thought of something, and stared at his eyes: "Don't... you don't want to have fun with Ise Jinsakura?"

Li Yun rolled his eyes, "Why do you think you are so dirty!"

Xiao Mingzhu's face blushed, and she mumbled that everything is to blame for the many girls around you, and I can't help it.

"Okay, get ready to do business!"

"Business? What do you want to do?"

Xiao Mingzhu restrained his joking thoughts and looked at a \*\*\*\*\* in front of him seriously.

Although it is a false dead thing, it does not exude the aura of a strong man, but the golden dead thing alone represents the ruler of eight million gods, the highest \*\*\*\*\* of a party, it is enough to make people awe-inspiring.

Although she closed her eyes and didn't have the intention to move, her lifelike appearance always made people wonder if she would take a shot in the next moment, and pat her and Li Yun into meatloaf with one shot!

"I don't plan to do anything, just do a small experiment."

Li Yun smiled mysteriously, "Mingzhu, what kind of existence do you think the Great Royal God is in front of you?"

"?"

Xiao Mingzhu was puzzled. In what way does Li Yun want to confirm that the golden goddess in front of him is not abnormal?

"What kind of existence...?"

Xiao Mingzhu raised his head, looked at the seven-eight-meter-high statue of a goddess, frowned, and said: "She is a very beautiful and majestic \*\*\*\*\* with a plump body, just like our figure of a lady in the Tang Dynasty. The figure is plump, but not bloated...Although the facial features are vague, it is vaguely beautiful."

Li Yun nodded.

Xiao Mingzhu waited for a while, and continued: "She doesn't have much decoration, but she wears a golden crown on her head, which seems to symbolize the sun that emits light rays, and also represents her identity as the sun goddess."

Commenting on others, let alone a god, or being a stranger, will make you feel uncomfortable.

If the golden phantom of the \*\*\*\*\* in front of you is the real Amaterasu God, who also has the sage, he will definitely be irritated by the actions of Xiao Mingzhu and Li Yun, and take a slap shot—this huge goddess is enough for her to shoot Can slap both humans.

"Don't you think it's a bit weird?"

Li Yun's body floated up a bit, turning into an unknown parallel to the seven-eight-meter-high Amaterasu God, and he put his hand on his chin, rubbing, and continued to comment on the golden goddess like a statue: "Mingzhu, Come by my side and see if you can find something strange."

Chapter 3680: can not tell

"Oh?"

Xiao Mingzhu also flew up boldly, parallel to Amaterasu's eyes. She was quite sure that if this \*\*\*\*\* was sensible, she would definitely be irritated by her and Li Yun's rude behavior.

No wonder Li Yun asked Ise Shinsakura to go out first. Does he just want to provoke the other party and confirm if he is alive?

"Um... can't see it!"

Observing carefully for a long while, Xiao Mingzhu shook his head.

The huge golden goddess in front of her is always closed her eyes and sitting still. In addition to her huge and luminous body, she can also vaguely see that she has the skin of a living person, white and creamy, and she is an out-and-out beauty. .

But this kind of living-like characteristics is of course very scary and awe-inspiring in the real world, but here is the sea of consciousness of Ise Shenzakura. This statue-like \*\*\*\* has white and warm skin, but it is quite normal.

After all, everything here can be created with a single thought of Ise Jinzakura, and it is also rare for Amaterasu Omikami to be alive.

"Can't tell?" Li Yun smiled.

"Well, I can't tell!" Xiao Mingzhu emphasized repeatedly.

"Really can't tell?"

"Really can't see it! Can't see it at all! And, I suspect you are dragging time and word count!"

"Haha, Mingzhu, you misunderstood me again."

Li Yun smiled and said, "Okay, let me ask you one thing about Mingzhu: Amaterasu, one of the three noble sons, is known as the ruler of Gao Tianyuan, suppressing the gods of Weiyuan. The gods of the country, surrendering to the great power, command yourself His grandson came to the world to rule this land, is it true or not?!"

He used a series of attributives in a row, all of which were about the deeds of Amaterasu.

The ruler of Gao Tianyuan, suppress the gods and other gods, surrender to the great power...

Xiao Mingzhu has never heard of it!

But she could see that Li Yun was telling these things deliberately, telling them to the Great Royal God in front of them, or to the evil \*\*\*\* who might exist but was hidden?

The heretical \*\*\*\* that may exist, are the gods defeated by the Great God? Or the \*\*\*\* of Gao Tianyuan? Or what great power?

Xiao Mingzhu didn't know much about the myth of the cherry blossom country, she couldn't guess it.

However, she can cooperate!

"I have no idea!"

Xiao Mingzhu's righteous answer made Li Yun laugh again, "Guess, what's the matter? If the Amaterasu in front of you is true, we will definitely be irritated by us and sit down to death."

"Bah, vulgar." Xiao Mingzhu was startled, and subconsciously looked at this huge golden goddess. Not to mention, if she could really move, she and Li Yun would surely sit down to death.

Uh, no, no, she is a super genius and white rich beauty. She can't use such vulgar words. It's all because of the \*\*\*\* Li Yun that caused her to think badly.

"What's so vulgar about this."

Li Yun continued: "You don't know how much the Amaterasu God is...wonderful in myths and legends!"

"Uh?"

Xiao Mingzhu's eyebrows were pounding, Li Yun, this guy...hugged a hand with hatred, if she were Amaterasu, she would definitely be irritated by now.

But Xiao Mingzhu decided to cooperate with Li Yun and asked, "What did she...did?"

"Her brother-Susanoo, \*\*\*\* in the hall. Not only did she not hold him accountable, but she also sheltered him..."

"Wait, you told me about this!"

"Have you said it? Okay, then I'll change one."
