

## Godly Choice 3691

Chapter 3691: Kill demon, kill demon

Ise Jinzakura's white and tender hands clutched the sky cluster cloud sword.

Then, in the hands of the goddess Amaterasu behind her, a huge divine sword emitting infinite golden light also appeared.

"Zhan, demon, punish, demon!!"

Ise Jinzakura raised the sword in his hand, swiping it down vigorously.

At the same time, the huge golden goddess behind her waved the divine sword together.

Li Yun and Xiao Mingzhu only saw a golden sword light piercing the sky and the earth, and also across the body of the Yaqi Orochi that was soaring high.

One point, two halves.

The huge snake body was set in the air, and countless golden light burst out from the place where the body was cut. Then, the dark body turned into flying ash bit by bit.

"This god, will come back, will kill you, will kill Amaterasu, kill Gao Tianyuan, kill you all!!!"

Accompanied by the sound of resentment, Yaqi Orochi disappeared into this world, leaving only the ruined mountains and rivers.

The golden goddess lowered her head and glanced at Ise God Sakura again. She seemed to turn her eyes slightly and glanced at Li Yun. Then she also dissipated in the sky and turned into a little golden light and disappeared.

"Okay, amazing!"

Until then, Xiao Mingzhu's heart finally recovered, and the whole person was very excited.

Li Yun smiled, just about to open his mouth to speak, when the system prompt came.

"Ding, the overlord kills the Yaki Orochi in the Sea of Consciousness of Ise God Sakura, and keeps the Sea of Consciousness of Ise God Sakura from being occupied by the God of Sorrow. Reward: all attributes + 500,000, experience value + 500 million, justice value +20 million, aura value +2 million, get a peerless treasure: Ten Fist Sword (Remnant

"Ten Fist Sword (Can)

Special effect: behead the evil spirits.

Skill: The ancestor of the Sakura Country,? ? ? ,? ? ? ,? ? ?

Explanation: In the legend, a divine sword once held by a supreme god. "

Li Yun glanced away, almost not surprised.

The reward this time was so generous that his whole body attribute value directly skyrocketed to more than two million - although Li Yun didn't care much about this thing, the increase was always good.

Aura value of 2 million is also a good thing. His Lotus Immortal Mansion has turned into a Qinglian Immortal Mansion. It is precisely when a massive amount of aura is needed to fill it. Li Yun has a hunch that the more aura he gains, the Chaos Treasure of Qinglian Immortal Mansion. The resulting small world will become more perfect, and it will truly become the chaotic small world in the hidden holy valley. It is not impossible that Li Yun can control the world rules in Qinglian Immortal Mansion by himself.

And the ten fist swords obtained...

Li Yun can only say that this stuff is just average.

It was not his arrogance, but the ten-punch sword, which was the weapon that Susano held when he killed Yaqi Orochi at that time.

There is a reason why Li Yun looks down on the ten-fist sword.

After killing Yachi Orochi, Susano used the ten-fist sword on the corpse of Orochi. As a result, the ten-fist sword hit another divine sword and was knocked out.

The divine sword in the corpse of the Yaki Orochi is the Kusana Sword, also called the Sky Cong Yun Sword, which is...Ise Jinzakura's current one? !

"Sakura."

Li Yun looked over, and was about to ask how the Kusanaru sword, which is clearly one of the other artifacts of the country, came from the Yata Mirror, but he saw Ise Jinzakura's face and body pale. Also shaky.

"Li Yun, Sakura seems to be tired?" Xiao Mingzhu quickly supported her and hugged her in his arms.

"Let's go out!"

Chapter 3692: Leaving the sea of consciousness

Li Yun acted decisively and said to Ise Kamizakura: "Sakura, you have to sleep first, don't worry, we will take care of the outside affairs!"

Ise Kamakura blinked tiredly and nodded slightly, "Okay, Li Yun, you...help me."

She became more sleepy, and only Li Yun could help her.

Xiao Mingzhu couldn't laugh or cry. Judging from Sakura's address to Li Yun, this little witch has completely restored her personality and memories when she was seventeen or eighteen.

"Well, I will help you, you have to sleep first."

"Um."

Ise Jinzakura yawned, closed his eyes and fell asleep.

Li Yun pulled Xiao Mingzhu up, "Go, let's go out!"

"Huh? Just leave like this? Where's Kozakura?"

"Are you stupid, this is her sea of consciousness, she fell asleep, of course this place will disappear..."

Sure enough, before Li Yun's words were finished, the Ise God Sakura in Xiao Mingzhu's arms disappeared. However, Xiao Mingzhu looked around and the world still looked miserable after the war, as if it symbolized Ise God Sakura. The damaged soul.

"It's okay, it will be repaired slowly. As long as she recovers, she will recover here."

This was confirmed by the system, and Ise Shenzakura's soul had not suffered much damage.

Li Yun grabbed Xiao Mingzhu's hand and left the little witch's consciousness sea world with her.

When Xiao Mingzhu opened his eyes, he found that he had returned to the sleeping hall of Ise Shenzakura. The window outside was pitch black, and the burning incense candles had bottomed out, but they had not gone out, indicating that several hours had passed.

She looked around again and saw Ise Jinzakura, the little maiden. Originally, the three of them were sitting on the tatami in the shape of a character. But at some point, Ise Jinzakura ran over to Li Yun, her petite body shrank on him. In her arms, her tender body was curled up, sleeping soundly.

"this....."

"Humph!"

"Ahem."

Facing Xiao Mingzhu's arrogantly turning his head away, Li Yun was even more embarrassed. He explained: "I don't know what's going on. We have been in consciousness just now. It's not my fault!"

He wanted to pull away the Ise Shenzakura who was holding him, but Xiao Mingzhu stopped him, gave him a roll of eyes, and said, "Don't move, Sakura just went through a battle...I mean, and The battle of Yaqi Orochi, won't you hurt the little witch if you wake her up? So don't move, just hold her."

Li Yun couldn't laugh or cry, "Mingzhu, you know..."

"Fine, I know!"

"I didn't say anything."

"You didn't say that I also knew what you said."

Xiao Mingzhu moved to Li Yun's side and sat down next to him, but did not look at Li Yun, but at the little witch in his arms.

Ise Jinzakura does not look much. When she was awake, she was a solemn and pure Mikami. She fell asleep, and she was also a breathtakingly beautiful Japanese beauty, especially her small cherry lips, soft and sweet like glutinous rice cake. People want to lean down and have a bite.

"Such a cute little witch... don't you have a heartbeat?"

Xiao Mingzhu's words made Li Yun's heart bewildered inexplicably.

Faced with such a noble, beautiful, innocent, and privately silly Mikamiko like Ise Kamakura, he is definitely not a man if he is not moved.

However, Li Yun is an ethical person.

"Pearl, me!"

"Okay."

Xiao Mingzhu stretched out her wispy hand and blocked his mouth. With a smile in her eyes, she said, "Although I don't object to it, I also like the little witch, but do you think you can eat her?"

"What nonsense."

Chapter 3693: Don't want your heart tired

Li Yun restrained his expression and was about to refute, but Xiao Mingzhu let go and smiled: "Alright, alright, I won't say anything this time, I just... don't want you to regret it too much."

Regret refers to Li Yun's regret for not accepting Ise Kamakura as a harem.

"Do not."

Li Yun shook his head firmly.

Without waiting for his defense, Xiao Mingzhu went on to say: "I know, I know, what you are thinking in your heart, I know all, I just don't want to embarrass you, and I don't want to make you feel tired, if you like the little witch, just go after it, Gong Qingyu and Fang Xue, I will persuade them."

"After all," Xiao Mingzhu leaned over the sleeping Ise Jinzakura's face, kissed the little maiden's face with her red lips, and said with a smile: "I also like her very much, not because of you, but because of you. I really like her and I am happy to make friends with Sakura."

Li Yun knew that she was telling the truth. Xiao Mingzhu had a very cheerful personality, but she had few real friends. Liu Xianxian was one and the only one Li Yun knew.

What is Liu Xianxian's character?

Innocent and kind, full of vitality and enthusiasm, Xiao Mingzhu was very happy when she was with her. The two can call each other by their nicknames without worrying that each other will be angry.

This kind of complete trust has surpassed the level of a girlfriend and reached the realm of a confidante.

It is enough to have a confidant in life.

Xiao Mingzhu likes an innocent person like Liu Xianxian, and Ise Jinying, the maiden who has lived in Ise Jingu since childhood, undoubtedly meets her requirements for friends.

"I'll talk about these things later." Li Yun couldn't laugh or cry. "Don't you see this little witch holding me, you think she likes me, she..."

"Then she is in the sea of consciousness and has been holding you, why?"

Xiao Mingzhu squinted at him, and Li Yun was speechless.

Not only did Ise Kamakura hold him all the time, but afterwards, before she fell asleep, she also delivered herself into Li Yun's arms unguardedly, and asked Li Yun to help her with confidence.

Coupled with Ise Jinying's trust in Li Yun-facing "Omikami"'s question and not immediately abandoning Li Yun, all kinds of things can already explain a lot of problems.

If the favorability system is still there, Li Yun feels that Ise Kamizura's favorability for him is at least 95 points or more.

Fortunately, there is no good feeling system, so that the guilt in Li Yun's heart is not turned into substance.

"Ahem, this, kids like big brother!"

"Then why don't you like my big sister?"

Xiao Mingzhu asked again, but Li Yun couldn't answer. Finally, she poked her forehead with a finger.

"Hmph, let me go out, you continue to hold Sakura to see if her soul is seriously damaged."

"what?"

"Ah what, there are still people waiting outside."

"Oh, take this sword and go out."

Li Yun pointed at a sword that suddenly appeared beside Ise Shinying. Like him, Xiao Mingzhu didn't know him, but the two of them guessed the name of the sword: Kusanaru sword.n/ô/vel/b//in dot c//om

This is the other name of this sword that Ise Jinzakura called out in the sea of consciousness: Sky Cong Yun Sword.

"it is good."

Xiao Mingzhu picked up the magical sword on the ground and walked outside in a chic pace.

Pushing open the door, a bunch of priests and witches stood respectfully outside. After hearing the sound of the door opening, the group raised their heads, glanced at Xiao Mingzhu, and then at the sky cluster cloud sword in her hand.

Then, bowed together.

Chapter 3694: explain

"Uh, no need."

Xiao Mingzhu took a deep breath and waved her hand to them. Her heart quickly calmed down. She opened her eyes in the sea of consciousness of Ise God Sakura. She saw the ancient \*\*\*\* of evil, the Great Snake, and the real Amaterasu God. Of course, I can calm down quickly when I look at this small scene now.

Only when a person has opened up the world and has a strong heart, can he face everything calmly.

"Everyone."

Xiao Mingzhu raised the Kusanaru sword in Yang's hand and said: "Just now, Li Yun and I, in cooperation with your Mikami Ise Kamakura, killed the evil \*\*\*\* Yaqi Orochi so that it can no longer control your gods and souls. , Don't worry anymore!"

"what?!"

A group of priests and maidens were shocked at hearing, and they didn't know what had happened.

"I'll explain it to you, but...what's the matter with this sword?" Xiao Mingzhu asked.

She got the answer soon.

Not long ago, Ise Jinzakura's bedroom suddenly emitted bright golden light, and a stern roar awakened the people in Ise Jin's palace. They got up and gathered outside the Mikami's bedroom, and then they saw a divine sword descend from the sky. , It is the Kusanagi sword enshrined in the imperial palace!

"That's it... I'll explain it to you a little bit too. After listening, you go back to sleep first, and you will wait until tomorrow night.

Xiao Mingzhu briefly explained that a group of priests and maidens were shocked, like being struck by lightning.

Who would have thought that a monster in myths and legends like the Yachi Orochi would actually be entrenched in Ise Jingu!

They knew about this snake, and they knew that it was Omikami's younger brother Susano who killed the Oki Orochi, but they never expected that in this mythology, the huge monster with eight heads and eight tails was not dead. He has been carrying out an evil plan, taking the opportunity to take the Sakura Kingdom!

Fortunately, Mr. Li Yun from Huang Xuanguo rescued their God Child from the distress, and also inspired the power of two artifacts, once again beheading the phantom of Yaqi Orochi.

"That...that." A priest asked cautiously, "Yaqi Oro... is dead?"

"No, it can't be that simple to die."

Xiao Mingzhu shook his head, "The Yaqi Orochi stored in the Yata Mirror is just a spiritual remnant, and its true body is probably still hidden in some ancient ruins where it is unknown."

"Just like Penglai Island, the Antarctic side, and those ancient ruins?"

Someone asked tremblingly.

Xiao Mingzhu didn't answer him, but everyone got the answer.

The ancient monsters are resurrecting with their aura, just like the ancient gods, resurrecting again! !

Evil, once again shrouded the land of Sakura Country.

"We, we...what should we do?" Someone paled with fright.

But soon, Omiya took the initiative to stand up and said to them majestically: "Don't worry, since Mikako can summon the power of Mikado this time, he will definitely be able to use the power of Mikado to kill all the monsters in the future. Ghosts and gods! And we, under the leadership of Mikako, will gain the true power of the gods, instead of being controlled by the Yaki Orochi as before!!!

In a word, all the priests and witches were full of enthusiasm, and they all replied: Hi!

"Of course." Omiyaji patted Li Yun and Xiao Mingzhu's flattery again, and said with a smile: "We Sakura Country and Huang Xuanguo have always been friends, and have always been favored by Huang Xuanguo in history, including this time. is also like this."

Chapter 3695: Tatami mats for three people

"We in the future, Ise Jingu, and thousands of shrines across the country."

The large company of Ise Jingu solemnly announced: "We will choose to stand on your side with Mr. Li Yun and Ms. Pearl, and I hope that the two of you will continue to help Mikami... Our Sakura will continue to trust you. Bit!"

A speech is spoken in Chinese, which is enough to show sincerity.

There seems to be some deep meaning, but Xiao Mingzhu ignored it and smiled and said: "This is natural. My husband and I like Sakura very much, and I also like that you can continue to uphold the principle of friendship between the two countries as always. Deal with the mistakes you have made, and try not to be deceived again next time."

Xiao Mingzhu responded to them, causing a group of priests and witches to bow their heads, not daring to raise them.

Apart from Ise Jinzakura, the people of the shrine have a deep relationship with the political world.

But Xiao Mingzhu didn't want to say more, turned around and entered the bedroom.

"Everything, I'll talk about it tomorrow."

The remaining Omiyaji glanced at the Kusanaru sword in Xiao Mingzhu's hand, then sighed softly, turned and said to the crowd: "From now on, we must obey all the orders of Mikami. Mikami's words represent The real Great God! Don't be half-hearted, the princes!"

It means something, but everyone understands what he says.

No one dared to refute, at least on the surface.

What happened today deeply shocked them.

...

After entering the screen, Xiao Mingzhu returned to Ise Kamakura's bedroom again, and saw that Li Yun was still asleep, and Li Yun was still holding the soundly sleeping Ise Kamakura.

The little witch was holding his clothes with both hands, her head resting on Li Yun's thigh, and her small mouth opened slightly, she fell asleep.

Sleep soundly.

"Sakura is okay?"

Xiao Mingzhu once again sat down next to Li Yun and reached out to tease the little witch's sleeping face-this little girl slept so well, playing with her face would definitely not wake up so easily.

"I gave her a recovery pill. Although the recovery of mental power is limited, at least there is no major problem in the body. It is good to rest for a night."

Li Yun tried to deliver Ise God Sakura to Xiao Mingzhu's sorrow again, but the little witch still clutched his clothes tightly and made a vague protest.

Vaguely, Xiao Mingzhu heard her say the word Li Yun, proving that she was not completely unconscious.

"All right."

Xiao Mingzhu smiled and held Li Yun's hand and pointed to the surroundings: "This is all tatami mats. If you hold her to sleep for one night, I will sleep next to it. You don't always have a beastly hair at night, right? "

"Don't wrong me."

"Humph, who knows~."

Xiao Mingzhu was in a very happy mood. After a battle that took place in the consciousness, she and Li Yun could sleep in the sleeping hall of Ise Jinzakura. The three of them slept on tatami mats. In a quiet night, the sleeping room was still burning with incense candles, and it was clean. There are quilts on neat tatami mats.

All this gives people a warm feeling to satisfy happiness.

The current Xiao Mingzhu just wanted to sleep next to Li Yun, no, she was sleeping next to the little witch, and she was satisfied looking at the little guy's sleeping expression.

As for the boyfriend...huh, don't worry.

"Then... sleep."

Li Yun was cheeky, hugging the little witch's petite and exquisite body, lying on the tatami, and covering the little witch and her with a quilt.

As a result, one quilt was not enough for three people. Xiao Mingzhu took out another quilt and two pillows from the space ring, and threw one to Li Yun, with one pillow on her.

The three of them covered two quilts, and the little witch slept between them.

Xiao Mingzhu gradually closed his eyes full of happiness and fell into a dream.

Chapter 3696: wake up

The next day, Xiao Mingzhu woke up very late. Amazingly, she did not feel uncomfortable sleeping on the tatami, and she didn't know if it was because of holding a fragrant girl in her arms, or that Li Yun slept with her. Around.

However, when she opened her eyes, she saw Li Yun sitting not far away playing with her mobile phone, and there was a gentle, delicate, and fragrant beautiful red envelope witch in her sorrow. Xiao Mingzhu was the first to wake up. One feeling is full of happiness.

So after she woke up, she looked at Li Yun stupidly, and looked at the particularly stupid Ise Jinsakura who was holding her while she was sleeping. After watching it for a long time, she called him:

"Li Yun."

"woke up?"

"Hmph, you guy knew I was awake, right?"

Xiao Mingzhu pretended to be dissatisfied.

"You don't speak, I thought you were going to hug the little witch as a pillow, so it's comfortable." Li Yun smiled.

"Bah, what's comfortable, what's so unpleasant to say, I'm not like you, last night..."

"What happened last night?"

Li Yun couldn't figure it out. As a result, Xiao Mingzhu gave him a roll of eyes. She didn't feel embarrassed to say that when she woke up for a while last night, she saw Li Yun lying on her back and sleeping, with that "furious" appearance.

This made Xiao Mingzhu couldn't help taking a look at Li Yun's pants. It didn't take long to come out. One night passed. The night before, this guy was messing around with Tang Anxi, Nie Xiaoqian, and Fan Linglong. Fan Linglong's senior who was said to have lived for five hundred years couldn't bear it, and he didn't dare to mess around with him at night.

As a result, when he came out the next day, it was only at night, and this guy was very angry again!

As for what is irritable, I can only say that adolescent boys know when they get up in the morning.

"Are you going to get up?"

Li Yun looked down at the phone and asked casually.

"Sakura hasn't gotten up yet. It's nine o'clock now, so I can't get up at all. I will have breakfast and lunch together afterwards."

Xiao Mingzhu comfortably hugged Ise God Sakura, not to mention, although this little maiden is no longer a loli, but because of her special background and noble status, her skin is very delicate and tender, so she hugs her and smells it. There is also a very wonderful fragrance like pandan.

This guy Li Yun...will enjoy it in the future.

Inexplicably, this thought came to Xiao Mingzhu's mind. She didn't know why, but she always felt a particularly strong feeling that Ise Jinying, the godson, could never escape Li Yun's clutches.

Although the little witch may not abandon her duties as the Mikamiko of Ise Jingu in the future and return to Zhonghai City with Li Yun, there will definitely be some unclear ambiguity between her and Li Yun.

Just like the princess of the country that never sets, Alice.

"it is good."

Li Yun nodded and said, "You weren't scared last night, did you? How are you feeling now?"

Sleep is one of the most wonderful ways for human beings to repair the body and spirit. Many people do not need to go to the hospital for minor physical illnesses. Just sleep for two or three nights.

But if you sleep for one night and you still feel that your illness is not weakened after you get up, it must be something wrong with your body and you need to go to the hospital for a careful examination.

"Are you afraid that I will leave hidden dangers in my heart?" Xiao Mingzhu looked at Li Yun with a pair of bright eyes, and smiled: "Don't worry, since I came out with you, I won't be so weak. What happened last night has no effect on me. Instead, it gave me a sense of breakthrough."

Chapter 3697: Bright

Bright, bright and coquettish.

Xiao Mingzhu, who was lying on the tatami, looked at Li Yun with such a smile and indescribably charming eyes. Li Yun, who was very angry in the morning, immediately became a little bit ready to move.

"What are you doing?" Xiao Mingzhu, who was lying on the tatami, squinted at him.

"What are you doing? I just look at the situation of the little witch."

Li Yun smiled, stood up, and walked towards Xiao Mingzhu.

"It's strange if you believe it, wait, don't come here, I'm going to call someone, I'm really calling."

"Scream, call "Broken Throat", and I won't come to rescue you even if my throat is broken."

"Bastard, don't come near me... well."

Xiao Mingzhu's protest was silenced.

Ordinary people wake up in the morning with a peculiar smell in their mouths, but Li Yun and Xiao Mingzhu are not ordinary people. Their bodies are already in a pure state. When they are too lazy to brush their teeth in the morning, they just stun their mouths and wipe their faces. That's it.

Always keep it clean.

As for Xiao Mingzhu, after a long sleep, it's fragrant.

It's very nice to kiss.

"Pervert, don't do this, Sakura is still..."

When Ise Kamakura woke up in a daze, she saw a strange scene.

Li Yun kissed Xiao Mingzhu, and more than that, it was messy anyway, she didn't quite understand, she only knew that when Xiao Mingzhu got up, she might have to look around for clothes to put on.

"Li Yun."

Ise Jinzakura wiped the tears from the corner of her eyes and yawned long, ignoring the two people who were hugging each other, froze, and said in a daze, "I seemed to have a long dream last night."

"What, what dream?"

Li Yun and Xiao Mingzhu were shocked, how could this little witch get up without a sound!

"Bad guy, let me go!"

Xiao Mingzhu pushed him away and stretched out his hand without rushing, putting on the pajamas that Li Yun had thrown aside.

She didn't dare to move too much, for fear of completely awakening Ise Jinzakura who was sleeping in a daze.

"What dream? It seems that I dreamt about... Huh, what?"

Ise Jinzakura's hand touched something, and she subconsciously picked it up and took a look. A white ribbon was attached to a garment decorated with a bow. There was still a very wonderful fragrance faintly, as if she had been there last night. Smell the scent and slept all night.

"Mingzhu, this is yours..."

"Little Miko, give it to me!!"

Xiao Mingzhu's entire face was red, and she hurried forward, took her clothes off, and put her hands on her chest.

"What happened?"

Ise Kamakura tilted her head suspiciously and looked stupid, and then she suddenly realized:

"Mingzhu, you slept with me last night. No wonder I faded out my clothes. I like to sleep like this when I sleep. Comfortable, unconstrained... Hey, no, why did I sleep with you last night?..."

Chapter 3698: You killed the strange snake

"Don't worry."

Seeing a panicked expression on Ise Jinzakura's small face, Li Yun pressed his hands in gestures and motioned the little witch to calm down, "Slowly think about what happened last night, Sakura, you should remember it."

What happened in the Sea of Consciousness was like a dream for a passively accepted person like Ise Jinzakura. If you think about it carefully, you can know what happened.

Sure enough, seeing Li Yun and Xiao Mingzhu by his side, Ise Kamakura, who believed in them, gradually recalled what happened last night.

"I, Li Yun, and you are expelling demons together... Finally, you realized that the Great Royal God in my mind was not the Great Royal God... Then, you killed the big snake?!"

Ise Kamakura couldn't believe it. She couldn't believe the things in her memory. These memories suddenly appeared in her mind like an absurd dream.

But this dream is so real, as if Li Yun and Xiao Mingzhu really helped her solve the huge monster snake and gave her... a new life?

"No, it wasn't that we killed Yaqi Orochi."

Li Yun corrected one of her mistakes and said earnestly: "It was you, Ise Jinzakura, who killed the Oki Orochi with the help of the real Amaterasu Oishi!"

"I....."

Ise Kamakura is even more unbelievable. She killed that monster in her dream?

Also summoned the real Amaterasu Omikami? !

Unbelievable, what is going on? !

"Yup."

Xiao Mingzhu somewhat admired Li Yun's timely response. The current Ise Jinying knew that the \*\*\*\* she worshiped over the years was actually occupied by the Orochi Orochi in disguise, and it was inevitable that bad thoughts would arise.

But Li Yun promptly emphasized that Ise Jinying has gained the power of the real Amaterasu God. In the future, as long as she continues to firmly believe in the Amaterasu God, it is enough!

"Okay, don't think too much."

Seeing Ise Jinying still a little confused, Xiao Mingzhu took the initiative and hugged the little maiden with messy hair-this little maiden just woke up, her dark and smooth hair was still very messy, but there was also another kind of difference. This kind of lazy beauty is particularly beautiful.

Ise Kamakura blushed, with countless questions she wanted to ask, but in the end, she looked at Xiao Mingzhu and then at Li Yun.

Then, suddenly she put her little nose in front of Xiao Mingzhu's chest and sniffed carefully.  
n/o/vel/b//in dot c//om

Immediately afterwards, she leaned out her head, leaned into Li Yun's hand, and sniffed carefully.

"It's strange." Ise Jinzakura was confused. "Why are the aromas of these two places the same?"

"Cough cough, cough cough cough, this, Sakura, you just...puff!"

Li Yun was coughing, and Xiao Mingzhu, who was blushing with shame, kicked his jade foot on the tatami, and then another pillow flew over.

Why are the scents of the two places the same? Needless to say, of course... Li Yun applied perfume!

This kind of perfume is unique in the world, and she is a daughter of a beautiful lady, and she personally uses it...

"Ahem."

Li Yun said sternly to Ise Jinying: "Good boy, don't ask so much. Since I'm awake, I'll go out first. You can change your clothes before you come out."

Li Yun quickly got up and left.

After all, the two beautiful girls who are still sitting on the tatami are all wearing thin pajamas.

"Pearl!"

Ise Shinying watched Li Yun leave in a daze. After a long while, she suddenly reacted and reached out to personally understand the reason why Li Yun's hands are so fragrant.

Xiao Mingzhu was stunned.

Chapter 3699: pray

In the end, Ise Jinzakura concluded that Mingzhu is the full moon, and she is... a soup dumpling!

The kind that is very small and can be eaten in one bite.

And Xiao Mingzhu's, at least three bites, can be eaten.

"Woo."

Ise Kamakura suddenly felt a sense of failure. She couldn't tell why, but she suddenly felt hopeless in her life, so embarrassed that she didn't want to go out to see Li Yun.

"All right."

Xiao Mingzhu smiled and hugged her, and gave her a big kiss on her little cheek: "The little witch will grow up in the future. This kind of thing will not come in a hurry. Besides, a lot of massage can also grow up."

"Ah? Really? Mingzhu, is it real?"

"Huh? What do you call me?"

"Sister Mingzhu!"

Ise Jinzakura's squeaky sauce is really crisp and sweet, and it exudes a strong sense of flattery.

Seeing this, Xiao Mingzhu nodded in satisfaction: "Russ can teach...it means that children are easy to teach. Sister, I'm not lying. There is a girl named Hu Xiaomeng next to Li Yun, her age. One or two years younger than you, and very young before, after being with him later on, you have matured a lot."

"real?"

Ise Jinzakura's eyes gleamed, as if she saw that she had also become a big moon, the tallest plus a height of 1.7 meters, beautiful and solemnly dressed in a red and white witch costume, walked towards the scene where Li Yun was stunned. .

At that time, she had been staring at Li Yun with surprised eyes, proudly raising her head and chest, the scene would definitely be very interesting!

"Of course!" Xiao Mingzhu nodded again.

"Okay, I'll go and ask Li Yun to rub it for me..."

Without finishing the last big character, Ise Kamakura, who was eagerly trying to get up, was hurriedly stopped by Xiao Mingzhu.

"do not."

"what?"

"Anyway, it's just...it's not okay now, forget it, I shouldn't say this, get up quickly, all your people are waiting for you to estimate."

"Wait for me? Who?"

Ise Kamakura tilted her head again.

"What happened last night!!" Xiao Mingzhu was almost killed. How could this little witch forget things in the blink of an eye!

"Last night...oh oh ah!"

Ise Kamakura hurriedly looked left and right. After seeing Yata Mirror not far away, she hurriedly climbed over and hugged Yata Mirror in her arms: "Great, Omikami's mirror is okay, ooh Woo...Da Mikami, I will pray right away, Woo, I got up late this morning, really, they won't come to call me either."

Ise Jinzakura yelled outside, and soon two older maidens walked in. They did not pay attention to the situation behind the screen, but respectfully washed, bathed, combed their hair, and respected the situation behind the screen. Put on a simple red and white witch costume and a crown that symbolizes Mikako.

Then, holding a Yata Mirror in his hand, Mikako with a solemn expression appeared in front of Xiao Mingzhu.

At this time, Ise Kamakura was really different from the stupid little witch just now, more than one hundred and eight thousand times.

"Amazing."

Xiao Mingzhu exclaimed, and after seeing Ise Jinzakura showing her face, she asked curiously: "Little Miko...no, Sakura, do you have to pray every morning?"

"Yup."

Ise Jinzakura held Yata Kagami in her hand, and answered earnestly: "When I get up in the morning, before eating at noon, in the afternoon at the time of magic, and before going to bed at night, I must pray.

Xiao Mingzhu nodded slightly. Sure enough, Yu Shenzi was not so good.

Chapter 3700: there is a problem

The prayer ceremony at Ise Jingu this morning was exceptionally different.

Not only was Ise Jinzakura, who was a Mikamiko, got up almost three hours later than usual, everyone could understand that after so many things went through last night, Mikami needs a good rest.

Not only because of the prayer ceremony this morning, many priests and maidens, including all the priests in Ise Jingu, and the shrine leaders who gathered from all over the country of Sakura, all participated in this ceremony.

It's even more because, when Mikako, who killed Yaqui Orochi last night, walked out of the Grand Shrine, the pale face and shaky expression made everyone who saw this scene feel tight in their hearts.

"Woo, Li Yun, help me!"

Under the gaze of thousands of priests and maidens, their Mikoto plunged into Li Yun's arms with tears of tears, crying and begging: "I, my prayers have not been answered, she, she, she does not seem to answer me... .."

Sobbing and sobbing, the little face was crying.

Xiao Mingzhu immediately looked at Li Yun, and Ise Kamakura was the first to find him after he came out, and explained many problems.

"Don't worry."

Li Yun held her back, pondered for a moment, and said: "It is normal that you can't be in contact for a while. You were deceived by the big snake in the past. It was actually it that you contacted, or that you have been praying to a dead object. This strange Snakes will only respond to you occasionally. Besides, even if you are a God, it is impossible for you to respond as soon as you pray.

".....what?"

Losing the majestic state of Mikami, Ise Kansakura returned to her stupid and cute expression, trying to explain: "But, I, I am Mikami! Omijin's spokesperson in the world, Omijin, Omijin..."

Li Yun couldn't laugh or cry. He was embarrassed to say that to the true gods, the beliefs of mortals might be the same as harassment.

Besides, Ise Jingu strictly speaking, has not really contacted their Amaterasu Ojin for a thousand years, and the Mikami have always communicated with Yaki Otowa and are deeply affected.

Perhaps, the prayer ritual that can really contact Amaterasu Omikami has been lost.

It's not surprising that the huge goddess that appeared in the sea of knowledge of Ise Jinzakura last night is the projection of the Amaterasu Omikami summoned by Ise Jinzakura? Or was it created by Ise Jinzakura himself?

After all, the battle last night took place in the sea of consciousness.

"But, but..."

Ise Kaminakura didn't know how to say it. She looked at Li Yun with tears in her eyes and wanted to believe what she said, but this was the first time she had encountered this kind of prayer without responding.

When praying before, even though she would not get a response most of the time, she could still feel the warm radiance of Omitama, as comfortable as basking in the afternoon sun.

But just now, her prayer was cold, without any response from the Sun Goddess.

Omikami is the goddess of the sun!

"Don't worry, tell me what's going on."

After listening to the comparison that Ise Kamakura panicked, Li Yun began to ponder.

He didn't understand prayer and gods, but the huge Yaki Orochi gave him a cold and vicious feeling. Even if Ise Kanzakura's consciousness was affected, the response to her prayers was I would never regard the cold Yaqi Orochi as the sun goddess Amaterasu.

The only explanation is that the object of Ise Jinzakura's previous prayers was actually Amaterasu Omikami!
